National President's Notes

Bill Jones

Andy and I have recently returned from the World Forum on Shooting Sports. There were one hundred and twenty delegates from 30 countries represented. Some highly qualified people presented 30 individual papers over a two-day period.

The message is quite clear.

1. Lead is a hazardous substance.
2. There is presently no suitable replacement.
3. If you wish to use lead in any form, you need to develop a suitable Best Management Practice "BMP".
4. This BMP is quite easy to develop once given sound scientific knowledge.
5. This knowledge is available and can be developed for all our shooting ranges.

A suitable standard procedure will be written to enable all clubs to write their own BMP.

Australia is in the position of being able to take advantage of years of research and development, which has taken place in Europe and the U.S.A.

Every club should therefore take advantage and become pro-active on the lead issue.

I would like to thank Mr Bob Green, Mr Peter Allen and Mr Keith Tidswell from the S.S.A.A. for their help and friendship towards both Andy and I.

Bill Jones.

The Australian Shooting Association

advises that the Selection criteria will be published on the ASA Website in the latter part of October.

ATHENS OLYMPIC GAMES

Aug 13 - 28th 2004

Coach: Greg Chan

Massage Therapist: Darien Roach

Sports Science: Nick Sanders

Trap: Adam Vella, Michael Diamond, Suzy Balogh.

Double Trap: Tom Turner, Steve Haberman, Susie Trindall, Suzy Balogh

Skeet: George Barton, Paul Rahman, Lauryn Mark

The bulk of the team departed for Athens on the 4th August from Sydney via Bangkok and direct into Athens. It was one of the quickest trips we have had into Europe and was selected as it minimised stopovers and thus the opportunity for our guns to go missing.

The first couple of days were spent resting up, attending orientation meetings, uniform distribution and generally getting to know the lie of the land. The teams were housed in apartments of three or four bedrooms with two athletes per room, and six to eight apartments per building. The shooters had the pleasure of being next door neighbours to the swimming team and rubbed shoulders with Thorpie, Hackett, Klim and Heugle on a daily basis. The landscaping around our team headquarters was very sparse so the AOC ordered in some green outdoor carpet and garden mulch to brighten up the area and when the women's water polo team took up residence across the courtyard the landscape took on a whole new look. The dining hall was the centre of the village as it spanned four acres under one roof, was fully air conditioned and seated 5000 athletes. To those who had been in Sydney it had a very familiar look about it, as it was the same one that had been used there, simply packed up and shipped over to Athens. The village boasted a huge gym, swimming pool, running track and an entertainment venue complete with video games and Internet cafes. With everyone comfortably settled in it was time to get down to the serious task of shooting.

The Olympic shooting range consisted of four superimposed trap and skeet layouts with the main grandstand range reserved for finals only. Having arrived on the 5th August we had ample opportunity to get in a fair amount of training in the week leading up to the opening ceremony and the competition itself. All three disciplines took advantage of this and the shooters looked as ready as they could possibly be for the most important competition of their careers.

MEN'S TRAP

On day one Michael and Adam posted 72's, which put them in equal third place and well poised to make the finals. On the second day Michael shot a 47 giving him 119 and Adam a 49 putting him into the final on 121.

1. Alipov. A RUS 124 + 25 = 149
2. Peliello G ITA 122 + 24 = 146
3. Vella. A AUS 121 + 24 = 145 (24 25 23 25 24)
4. Almaktoom. A UAE 121 + 23 = 144
5. Bade. L. USA 122 + 21 = 143
6. Almudhaf. K KUW 121 + 20 = 141
8. Diamond. M Aus 119 (25 22 25 24 23)

Adam shot the final of his life. After missing early he proceeded to smoke the other 24 to clinch the bronze medal. No one was ever going to beat Alipov but Adam showed why he is so highly regarded by the

shooting world and his bronze did justice to his dedication and determination in the build up to these games. He put so much into this preparation and was justly rewarded. Michael actually finished in equal 7th place and was relegated to 8th on count back. He was only one place out of the final and whilst disappointed with his performance can be proud to have come so close to the final. Anyone who writes him off obviously knows nothing of the man and his capabilities - he will be back stronger than ever.

WOMEN'S TRAP

In official training the day before the event, the wind blew up something fierce and all the women struggled with the conditions. Suzy shot three respectable rounds and if she could stick to the strategy to combat the wind, keep focused and keep her timing on song she would have a great chance at a medal. Competition day had us in high spirits, as the wind was even stronger than the previous day.

1. Balogh. S AUS 66 + 22 = 88 (23 23 20)
2. Quintanal. M ESP 65 + 19 = 84
3. Lee. Bo Na KOR 60 + 23 = 83
4. Loper. W USA 62 + 20 = 82
5. Kiermayer. S GER 62 + 17 = 79
6. Nattrass. S CAN 61 + 15 = 76

Suzy had created history by becoming the first ever female shooting gold medallist for Australia! Her 66 was enough to give her a one target lead into the final, and her 22 in the final a testament to how well she performed as the final scores show she won by the huge margin of 4 targets. Unfortunately there would be little time to celebrate as Suzy had official double trap training the next day after the men's event

MEN'S DOUBLE TRAP

1. Al Maktoum. A UAE 144 + 45 = 189
2. Rathore. R IND 135 + 44 = 179
3. Wang. Z CHN 137 + 41 = 178
4. Hu. B CHN 134 + 43 = 177 + 2
5. Dahlby. H SWE 138 + 39 = 177 + 1
6. Schanz. W GER 135 + 40 = 175
15. Haberman. S AUS 129 (43 42 44)
19. Turner. T AUS 126 (44 42 40)

Ahmed Al Maktoum from the United Arab Emirates gave the rest of the field a lesson in how to shoot double trap by winning the gold medal by an astonishing 10 targets. Steve and Tom gave it their best shot but could not match it with the top shooters and ended in 15th and 19th places respectively.

WOMEN'S DOUBLE TRAP

1. Rhode. K USA 110 + 36 = 146
2. Lee. Bo Na KOR 110 + 35 = 145
3. Gao. E CHN 107 + 35 = 142 + 2
4. Li. Q CHN 107 + 35 = 142 + 1
5. Inoue. M JPN 109 + 31 = 140
6. Stanton. N NZL 108 + 29 = 137
7. Trindall. S AUS 106 (35 33 38)
13. Balogh. S AUS 97 (34 33 30)

Kim Rhode had won her second gold medal in this event after her bronze in Sydney and gold in Atlanta. Susie Trindall shot exceptionally well to finish on 106, her personal best in international competition and only one target out of the final. She should be proud of her performance and how much she has achieved in her career at the tender age of 21. Suzy Balogh also gave it her all, knowing how difficult it is to back up after having won a medal in a previous event.

MEN'S SKEET

1. Benelli. A ITA 124 + 25 = 149 + 5
2. Kemppainen. M FIN 125 + 24 = 149 + 4
3. Rodriguez. J CUB 122 + 25 = 147 + 10
4. Al - Attiya. N QAT 122 + 25 = 147 + 9
5. Dulohery. S USA 122 + 25 = 147 + 5
6. Jensen. H DEN 122 + 23 = 145
15. Rahman. P AUS 120 (25 23 24 24 24)
29. Barton. G AUS 118 (25 23 24 23 23)

The veteran Italian Andrea Benelli shot brilliantly in what was his final international competition to outlast the Fin. Paul showed determination and true spirit with his 120 and this could well be the turning point in his career as at 19 years of age it is all in front of him. George started very strongly but faded as the event progressed. He was very disappointed with his score but is young enough to become a real force in the future.

WOMEN'S SKEET

1. Igaly. D HUN 72 + 25 = 97
2. Wei. N CHN 70 + 23 = 93 + 2
3. Meftakhetdinova. AZE 71 + 22 = 93 + 1
4. Mark. L AUS 69 + 23 = 92
5. Rhode. K USA 68 + 23 = 91
6. Smotek. C USA 68 + 22 = 90

Diana Igaly the veteran Hungarian and Sydney bronze medallist won the gold by a convincing 4 targets. Lauryn came within one target of a medal and whilst disappointed should be proud of her effort. Her preparation for the Olympics was tremendous. She worked extremely hard and left no stone unturned in a bid to perform at her best. She has cemented her place among the top few in the world and has much to look forward to in the coming years.

So ended the Australian clay target team's Olympics. A gold and a bronze, 5 finishes in the top 10 from 9 athletes, a solid return for the small funding investment the team receives. When compared with the size and funding the high profile sports receive the clay target team gives great value for money.

Congratulations not only to Suzy and Adam on their medals, but also the rest of the team who tried so hard and gave it their best shot. They all represented Australia in a manner that we are all very proud of and look forward to their exploits in the years leading up to the Beijing Olympics in 2008

NSWCTA ISSF CARNIVAL 2004 SEPT 3, 4, 5

Friday dawned a beautiful spring morning at Cecil Park, once again hosting the NSWCTA ISSF Carnival. Four squads lined up to take on the Olympic layouts for the demanding Double Trap event. Vary few smiles were seen on shooters faces as they left the traps, a thin layer of cloud that had come across made targets very difficult to acquire.

Tom Turner, just returned from Athens adapted best to the conditions to take a strong lead into the final and clench the Double Trap Title again. Loz Lloyd took the Ladies event whilst Rob Brownson came down from Queensland to take the Junior title.

Saturday saw similar weather to Friday, so the 49 Trap competitors and 12 Skeet competitors knew they would have to work hard to post good scores. With the 200 target Off The Gun format it would be consistency that was required and that came from Victorian regular Jeff Tonna. Eight full rounds were still not enough to separate the Ladies or Junior Divisions, Emma Eagles and Aaron Gallagher winning their respective single barrel shoot offs. On a weekend of difficult conditions the only "clean" round was posted by Bathurst junior Oliver Shoemark.

Down on the Skeet range the 200 target format could still not separate the Barton brothers, however George managed to pip

Clive in the shoot off.

Northern Zone took the Double Trap whilst Southern Zone took both Trap & Skeet. Full results in results section.

NSWCTA would like to thank Dave McCleod and the crew at Cecil Park CTC for again hosting a successful State Carnival. Don't forget next year's State Carnival will also be the final event for the

Tower and Skeet shot at Echuca

Sunday the 29th of August and five squads of shooters arrived at Echuca Clay Target Club for competition in the Tower and Skeet events that were on offer.

Weather conditions could have been a lot better for clay target shooting with a cool wind blowing and some very light rain persisting.

Tasmanian ISSF Carnival

The Tasmanian Clay Target Association Inc held its annual ISSF carnival at the Hobart Gun Club on the weekend of the 28/29th August 2004. Conditions were excellent with little or no wind and both were very nice sunny days. It was an excellent turn up, as 26 Tasmanians and a couple of mainland shooters competed in the ISSF Double Trap Championship and Team Selection on the Saturday. Attendance was good, but scores were not impressive as the event is rarely shot in Tasmania.

Selected for the State Team were Michael Burling, Stuart Browning, Alan Styles, Stephen Glover, Chris Rockliff and Stewart French. Overall and A grade winner was Michael Burling and runner up was Stewart Browning. B grade winner was Len Cooke of Victoria and runner up was Stephen Glover. C grade winner was Michael White and runner up was Phillip Turner. Chris Rockliff won the team high gun with a score of 41/50.

Sundays event was a 125 Target ISSF Trench Championship that was contested by 25 shooters, scores here were consistently better. Overall and A grade being won by Michael Burling with an aggregate score of 139/150, shooting the last 50 at 49/50 with the final 25 clean. A very credible performance. Chris Rockliff won B grade with 101/125. C grade went to Tim Bryan on 90/125.

If the shooters' comments are an indication, it could be that we might see a resurgence of the Olympic disciplines in Tasmania.

Allan Styles.

Overall Skeet R Kerslake

Overall Tower C Scott

Most of the competitors were country people who did complain of the cold, but really were hoping the rain would get a bit more serious.

The Skeet was shot first, consisting of a 50 target Skeet Event and when all was shot, a Mathoura shooter, Roger Kerslake took out the Overall Sash and B Grade with a good score of 50/54. A Grade first was Echuca member Craig Scott on a score of 49/54. C Grade on 45/50 was another Echuca member Steve Traill, happy that he had just shot his first clean round of 25.

Event Two, a 25 target Pointscore Tower. Craig Scott picked up his second trophy for the day taking out the Overall Sash and A Grade with a good score of 70/75. B Grade was another Echuca member Euan Brown who has not shot for some time, returning to competition with a good score of 66/75.

C Grade trophy was collected by Andrew Jacotine with a score of 65/75.

The shoot was finished early and presentations were all over by 4.30pm giving all travellers an easy trip home.

MATHOURA SHOOT ATTRACTS NUMBERS

After a fine day, shooters were keen to travel to Mathoura on Friday night the 27th of August, pleasing the committee to see five full squads arrive ready for competition. With cool calm conditions the white targets flew straight and were easy to see under the good lighting resulting in some good scores for the night.

It always is a bonus for any clay target club if the majority of shooters including even new and junior members hit a good number of targets, pleasing them immensely. As the night progressed the temperature fell very low, but with the amount of shooters competing to win no one seemed to mind the cold.

Results for the three events are as follows.

Event One, a ten target Double Barrel Eye Opener, two shooters on a full 10/10 score K Moon, (Moama)& B Kerslake, (Moama) seven more on a 9/10 sharing second cash, M Roberts, (Echuca), G Bradley, (Cohuna), R Collicoat, (Deniliquin), H O'Conner, (Mathoura), R Cugley, (Deniliquin) R Kerslake, (Moama) T McCraw, (Kerang).

Event Two, a 25 tgt North East Zone Night Double Barrel, and after a shoot off with two shooters G Bradley and N Sutherland (Cohuna) we had an overall winner on the 39th target when George let one escape. N Sutherland taking the Zone event Overall on a score of 39/39, B Grade after another shoot off between K Fisher (Shepparton), R Kerslake, and W Simpson (Mathoura), with K Fisher surviving on a 41/42 to collect the Grade win, C Grade was collected by Mathoura shooter S Howe on a 21/25

Event Three, a 15 tgt Double Barrel with three placings on offer.

Four shooters were clean on 15/15, and after a very short shoot off the first prize went to T McCraw on 29/29, Second to K Fisher 28/29, Third was N Sutherland on a 20/21 with M Roberts dropping out early.

The shoot ended fairly late at 11.30pm but all shooters were pleased with the night's competition and enjoyed the friendly atmosphere of the club.

Psychological Skills for Shooting

by Michael Kruger-Davis

Paradox

Sport, like life in general, is always changing. In shooting there has been a change from side by side guns to under and overs, from 32g shells to 28g shells, from black targets to fluoro targets, from referees with the button to Phono pulls, from standard targets to hi-dome targets. Change within sport is natural and necessary if the sport is to evolve. But change isn't always easy and is often resisted because of the anxiety that it produces. Change can often feel scary and uncomfortable. And change isn't always easy. Try this; Fold your arms in front of you. Now unfold them and fold them again, this time the other way. It feels strange and awkward.

As sports people we often have to embrace the change if we want to stay at the top of our field or improve our performances, however in the process of making the needed adjustments our performances often suffer. According to Mack & Casstevens, *Mind Gym*; an Athletes Guide to inner excellence, sport is a game of balances and they cite the example of medicine in that a small amount may be valuable in making you better but a large dose may be poisonous. To understand the paradoxical nature of sport Mack & Casstevens list ten examples of paradoxes in sport.

A paradox is a seemingly contradictory statement that may nonetheless be true.

Less can be more. Sometimes to improve your action you need inaction. Everyone needs rest and recovery times because without it you can become stale and burned out. The problem with shooting is that there is no off season and that we can shoot all year round but sometimes we are better to take a few weeks or a month off to increase our appetite.

The harder you try to get into the zone the further away you get. In sport and shooting is a great example you can't make something happen, you have to trust yourself and just let it happen. As Tim Gallwey stated in the *Inner Game of Golf*, "trying fails."

Trying easier can be harder. Trying too hard and putting too much muscle or thought into what you have to do will cause your muscles to tense up and deny you the ability to move smoothly and fluidly.

Over-control gets you out of control. Performance improves when you surrender to the process and stop focusing on the outcome. You can gain control by giving up control.

Slowing down makes you faster. If you rush what your doing your not in control, especially in shooting, slow down and you'll focus more and be more fluid in the way you shoot. You can be quick but never hurry.

Fear of failure makes failure more likely. Fear creates anxiety, tension and affects co-ordination and rhythm. When you tense up your muscles are not fluid and you begin to doubt yourself and you forget to breathe properly and you choke. The other problem with fearing failure is that you are not in the here and now but thinking

about what might happen in the future.

Playing it safe can be dangerous. In sport you need to take risks. Our greatest mistake is sometimes not to take risks. Ric Charlesworth, former coach of the Australian Womens Hockey Team said, "you will not win if you are not prepared to lose". By playing it safe, athletes are reluctant to make adjustments that are necessary to help them move up to the next level of competition.

A step backward is a step forward. Sometimes you have to get worse before you can start to get better. If you are in a slump or performing poorly, take a step backwards and examine what your doing; are your goals appropriate and achievable, are you trying too hard, are the basic skills of the sport being ignored. Step back, look at yourself and then develop a new path to take.

The probability of getting the outcome you want increases when you let go of the need to get it. The more you want to achieve a goal the more expectations you put on yourself. Let go of the outcome so that you can focus on the process. Give yourself permission to win but then let go of the idea of winning and focus on the execution and the process; the product will look after itself.

While you must be present to win, you also have to be absent to win. If you live in the moment and focus on the process you have the ability to lose your conscious mind. When you do this, you are more likely to win. The tasks, skills and motor movements will become automatic and will happen without conscious thought.

So if you appear to be in a slump, don't try harder, try differently. It's a bit like being in a rip if you swim against it you'll fail; you have to go with it and edge across it and work your way out.

In August, Wagga Gun Club held a promotion day. The day was probably one of the coldest and most miserable days on record but over 150 people turned up at the National ground to have a go at clay target shooting. Why was the day such a big success? Firstly, the organisers mounted a display and a meet & greet at the local shopping mall. They had clay targets, a non-functioning trap, some video displays and people to talk with passers-by. People were given invitations to come to the club the next week and try clay target shooting. Secondly, the club had also organised advertisements in the local press and on television and local gun club members were interviewed on local radio pushing the sport. Next, when the visitors arrived they were greeted and they then had the opportunity to visit either a sporting, skeet, DTL or ball trap layout where they were given the opportunity to have a go. Fourthly, there was no cost. The club paid for the targets and shells were provided. The club used RIO subsonic shells so that noise or recoil did not scare off the visitors. Finally, the visitors were fed whilst they were there. From all accounts the visitors who attended had a great time; people stood in the rain and sleet because they did not want to lose their place in the cue. Comments such as "I never thought this would be so much fun" was heard from one middle aged woman. The sport has appeal because it offered a challenge that was safe and controlled and gave people a sense of excitement.

If our sport is to survive and grow then we need to encourage more people to have a go and see what it's like in the hope that they will join a club. Wagga club now has a list of over 150 people who they can contact and follow up; this represents a good base from which to encourage new members. Wagga Gun Club management needs to be congratulated on their foresight and with some careful follow-up we may see some new shooters.

Casella Wines Riverina Zone Trap Carnival

The Riverina Zone held their Zone Trap Carnival and Junior Classic on Sunday 29th August at the National Shooting Ground at Wagga.

This year Casella Estate Wines from Yenda sponsored the program and as a result the carnival was called the "Casella Wines Riverina Zone Carnival". Four events were contested; Handicap, Single Barrel, Pointscore and Double Barrel and the Zone provided free nominations for the Juniors as well as running a separate Junior classic in conjunction with the carnival. If the day before was anything to go by then we were expecting a great day. Sunday however dawned and was raining and stayed raining for the rest of the day. You would think that with 98% of the state drought declared that you could hold a shot in fine weather. Seventy-three shooters braved the wet and cold conditions to compete.

The first event of the day, 25 T Casella Wines Riverina Zone Handicap saw 10 possibles with Glenn Evans from Coleambally being the overall winner on 43/43 from Steve Guest from Leeton on 42/43. Peter Kenyon from Wagga was third with 41/42 and Mark Wright from Junee came fourth with 35/36 and in fifth place was Reece Elhers from Albury with 32/33.

In the 25T Casella Wines Riverina Zone Single Barrel Championship, Peter Munro from Wagga was victorious with a score of 48/48. AA grade was won by Clint Shields from Coleambally with 46/47 and Tony Wright from Junee was second with 45/46. A grade was won by Steve Harbor from Numurkah/Shepparton with 31/32 and second in A grade was won by Phil Wojtowycz from Corowa on 30/32. Lyn Blake from Downside won B grade and the Womens section on 24/25 beating Rodney Mitchell from Werribee who came second in B grade on 29/32. C grade was won by James Scott from Downside on 21/25 and second in C grade was John Allan from Wagga with 20/27. Glenn Barton won the Juniors trophy with 25/25 and Wilson Ronald was the winning Veteran with 20/25.

The weather was turning worse and the 25T Casella Wine Riverina Zone Pointscore championship was the next event. The overall winner with a score of 177/177 was Kim Nealon from Majura Park. Glen Castellaro from Griffith won AA grade with 176/177 and Steve Guest was second with 134/135. First in A grade was won by Ramsay Fish from Mt Bogong on 82/84 with second going to Phil Wojtowycz on 79/80. B grade and the Veterans trophy, was won by George Patterson with 90/93 with Johnson Lang from Wangaratta second in B grade with 74/75. Geoff Coombes from Wangaratta won C grade with 71/75 and Robert Waugh from Downside was second in C grade with 68/75. Brendan Burgess was the Junior winner on 83/84 and Wendy Barton was the Ladies winner on 84/87.

The Johnny Cox Memorial team event is shot in conjunction with the Pointscore. Teams from Riverina Target and Hunting Club, Griffith, Majura Park, Hay, Albury/Narrandera, Coleambally, Junee and Downside nominated with the winning team being from the newly formed Riverina Target and Hunting Club with a score of 369/375. Team members were Don Power, Andy Sanders, Peter Kenyon, Arthur Turner and Peter Munro.

The final event got under way in heavy rain. The 50T Casella Wines Riverina Zone Double Barrel Championship was won with a score of 165/165 by Glen Castellaro First in AA grade was Sam Amey from Majura Park with 164/165 and Arthur Turner in second place with 152/153. A grade was won by Charlie Strike from Wagga on 74/75 with second in A grade being shared by Phil Wojtowycz and Mark Wright both on 69/70. Rodney Mitchell won B grade and the Junior trophy with 123/124 and Andrew Dowdle from Normanton Qld was second with 55/57. Michael Harbor from Numurkah/Shepparton won C grade with 47/50 and Jake Allen from Bega came second with 45/54. George Patterson won the Veterans section and Tracey Barton won the Women's section with 49/50.

With the qualifying events out of the way shoot offs for the teams and High Guns had to be conducted under lights. The shoulder-to-shoulder team to represent the Riverina at the State Carnival is Peter Munro (149/150), Frank Headon (149/150), Glen Evans

(149/150), Peter Kenyon (148/150) and Arthur Turner (148/150). The Junior team is Aaron Turner (144/150), Donovan Roberts (126/150) and Thomas Brandon (122/150). The Ladies team for 2004 is Lesley Wojtowycz (131/150), Lynne Blake (131/150) and Ann Ferguson (129/150) and finally the Veteran's team is George Patterson (142/150), Roger Paterson (135/150) and Wilson Ronald (134/150).

The High Gun winners for the carnival were Overall Peter Munro on 219/223, Ladies Lesley Wojtowycz on 167/175, Veterans George Patterson 163/175 and Junior Brendan Burgess on 170/175.

The Riverina Zone would like to all those who helped make the day a success. Mrs Reed in the kitchen did a fine job of feeding everyone, Carole Hall and Bob Huddleston in the office worked tirelessly to keep the shoot running smoothly. Bob Blake officiated as tournament director and shoot marshal and Charlie Strike kept the handicap cards up to date as Zone Handicapper. A big thanks to Bruce Dart, from "Wheel Coffee" who has been a long time supporter of the Riverina Zone and supplied us with good coffee for the day.

Sponsorship

As most clubs are aware, attracting and retaining new sponsors is a complex and time-consuming process. However it may be possible to gain access to new sponsors through another organization or group. For example a club could conduct a specific competition for forestry workers and their employers.

The competition day could consist of both individual and team events and sponsorship could come from all the businesses that provide product and labour for the forest industry. Money could be raised for a charity while the club can make profit from the targets sold on the day.

Based on this model, a range of organizations could be approached for sponsorship and once successful could become an annual event for the club. There is no doubt that awareness of clay target shooting could be substantially elevated in the community and open up abundant opportunities for sponsorship and new membership.

Northern Zone Continental Championship Carnival

Port Macquarie Clay Target Club successfully hosted their inaugural two-day shoot - The Northern Zone Continental Championship Carnival over the Fathers Day weekend.

There were competitors from all over the Northern Zone including Lightning Ridge, Warren and Illawarra. The Port Macquarie weather put on a great couple of days with only a few light showers during competition.

The six Championships held were split over the two days with the 25 target Double Barrel Continental Championship, 25 target Single Barrel Continental Championship and 20 Pair Deauville Doubles Championship on Saturday. Sunday consisted of the 25 target Pointscore Continental Championship, 40 targets Mixed Championship and 15 pair Double Rise Championship.

Local Nathan McDonnell with the only clean score of 25/25 won the first event. Second in AA was determined after a shoot off between Daryl Pasfield, Brad Hooper and Rex Lehman with Rex the victor. Sponsor John Howell narrowly won A grade over visitor Bill Neill, while first and second in B Grade was a shoot off with locals Dick Piper, Tony Cramp and Brett McKinnon. Dick first, Tony second. C grade was taken by Shane Kelly with Saasha Logie second.

The Single Barrel Championship was won by Daryl Pasfield with a

Howell for first in A grade while Brett McKinnon narrowly beat Hank MacInnes for first in B. Sponsor Doug Young won C grade with Saasha Logie taking second.

clean 25/25, while second in AA was once again a shoot off with Brad Hooper beating Steve Wallis, Bill Jones and Nathan McDonnell for the place. A grade was again won by John Howell with Bill Neill second while B grade was won by Hank MacInnes with Dick Piper second after a shoot off. Local newcomer Steve Walker won C grade while Shane Kelly took second over Doug Young in the shoot off.

The main event of the day was the 20 pair Deauville Doubles with locals keen to see Brett McKinnon and Nathan McDonnell defend their title as the Northern Zone Deauville Doubles Champions. Sadly this was not to be with visitors Barry Kable and Rex Lehman taking the title with a perfect 20/20. Bill Jones and Brad Hooper took second place after a shoot off with Steve Wallis and Shane Kelly (third), and Brett McKinnon and Nathan McDonnell.

Sunday began with many fathers recovering from the "breakfast in bed". Pointscore was first up with Nathan McDonnell taking overall with 75/75. Bill Jones took second in AA after shooting off with Brad Hooper and Daryl Pasfield. John Howell took first in A with Ken McWhirter second while Hank MacInnes won B with Tony Cramp second. C grade was won by Shane Kelly with Doug Young second.

Next up was the 40 Mixed Targets Championship with visitor Rex Lehman taking overall with a 60/60. Brad Hooper, Bill Jones and Nathan McDonnell lost second to Daryl Pasfield after another shoot off for second in AA. Ken McWhirter finally edged out John

The final event for the weekend was 15 pair Double Rise, one of the hardest in the program and was won by local Brett McKinnon with a perfect 30/30. Bill Jones won AA grade over Barry Kable while Ken McWhirter took A grade over John Howell. Mick Wilkins won second in B grade with Shane Kelly first in C and Stan Stevens second.

High Gun sashes were awarded based on the highest overall score for the weekend with Nathan McDonnell the overall winner. Bill Jones won AA with John Howell taking A. Hank MacInnes took B grade while Shane Kelly won C grade. Veterans' High Gun was won by Barry Kable and Ladies was taken by Saasha Logie.

Thank you to all the committee members for their effort in ensuring the weekend ran smoothly and big

thanks also goes to John from The Orchid Pot Company and Doug from Harvey Norman Furniture for sponsoring the weekend and enabling us to have such a great time.

The club is interested in starting a junior's programme, if you are aged between 12 - 18 years you are eligible to give clay target shooting a go. If you are interested, practice is every Wednesday from 2.00pm until 4.30pm.

Next shoot is the 3rd October, which will be held at the Kempsey Clay Target Club. For further information call 6584 5079.

ACTA Journal

Dear Sir

Since our ACTA m/ship was computerized there have been over 65 thousand members who have joined but in any one year the

m/ship has fluctuated from as low as 8 thousand to a high of 14 thousand (this figure was due to changes to the gun licensing laws).

Naturally some members stay with the association until they go to the big shoot in the sky but too many stay for a short time then leave.

In the words of Professor Julius Sumner Miller "why is this so"?

One reason is the high cost of m/ship fees and levies, the surplus of which is being used to benefit approx 5% of the membership.

At Club level there are some clubs who distribute prize money collected from nominations to benefit the top shooters. For example in the May 2004 Journal a shoot was advertised with 4 events + high gun with \$12,925 in prize money for a \$150 nomination the prize money was allocated;

\$7400 - went to O/All and AA Grade

\$1450 - A Grade

\$1450 - B Grade

\$1450 - C Grade

\$1175 - to Ladies, Juniors and Veterans.

AA Graders split 57% of the prize money, 43% to the rest.

There were sponsors named in the Ad, and I will concede that sponsors have the right as to how their sponsorship is to be allocated, but I do not believe that the \$4950 allocated to the O/All came from the sponsors.

The grading system was intended to give shooters the chance to compete at their own level.

I believe that the rules should be changed so that each grade have their own pool of prize money according to the number of nominations in each grade.

Correct me if I am wrong but I believe this is the system used in trap shooting in the USA.

COWRA GUN CLUB GOLD CUP

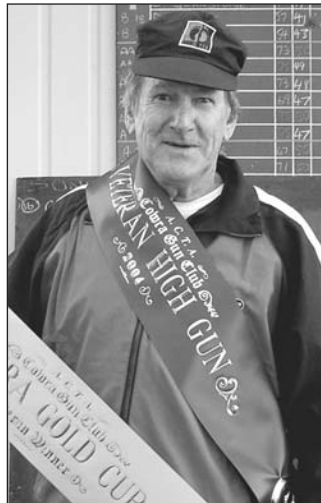

The Cowra Gun Club has once again conducted a very successful Gold Cup shoot.

The quality of the welcome and the facilities is evident by the fact that every year, we have repeat shooters who make the trip, and win or lose, go home happy after a great weekend.

The weather was kind and the shooting was of a high standard. Visiting shooters took out most of the prizes. The most remarkable

Gold Cup Winner and over all High Gun; Tony Barton of Bowning.

Veteran High Gun Winner Peter Fitzalan

Tony Barton with jeweller Jovan Kosta of Vera Jewellery Cowra who made and presented the replica Gold Cup brooch.

amongst the visitors was Tony Barton of Bowning. Tony was the winner of the Gold Cup and the Overall High Gun with the highest combined score over the weekend. He shot the program without dropping a target and finished with a score of 275/275, which included a handicap event. Shooting is a family affair with the Bartons. His young 14 year old daughter Tracey, won the open B grade event in the Gold Cup with a score of 99/100, and son Glen was fourth behind his father in the Mick Sinclair Memorial Handicap event. As Gold Cup winner, Tony was the recipient of a beautiful Gold Cup replica brooch, made and presented by Cowra jeweller - Jovan Kosta of Vera Jewellery Cowra. Our special thanks to Jovan. Runner-up in the Gold Cup, after an exciting shoot-off was Ross Hibbert. The winning Junior was Robert Smith with 129/131. Ladies winner was Kathy Gault on 99/100 and taking out the Veterans was Peter Fitzalan with 99/100.

NORTH WEST ZONE INC SCHOOL STUDENTS SHOOT

The North West Zone School Students shoot was held at the Kerang Clay Target Club on 19th of August and was sponsored by Winchester & North West Zone.

The day was fine and mild with the grounds and surrounding area looking in great condition, thanks to the members of the Kerang club!

Students from 21 schools and colleges attended, with a total of 166 students competing for the individual and team trophies.

The Shoot Marshall commenced proceedings at approximately 10.00am. As some of the students have big distances to travel, this meant we could finish the program in good time.

The club has three layouts, with the students having two visits to the traps. With the assistance of the teachers, zone volunteers and parents carried out the refereeing.

Winchester rep, Anthony Post presented the Overall Winners Sash to Scott Marriot with a score of 19/20 from the Rainbow Secondary College. Scott is a member of the Jeparit Clay Target Club and has been shooting very well lately showing some of the more senior shooters how it is done.

Cairns Target Shooting Club 2 Day Annual Shoot

The arrival of the first spring weekend coincided with the Cairns Target Shooting Club 2 Day Annual Shoot. This year shooters were welcomed with outstanding tropical weather. The shooting started with a quick 25 target Eye Opener with shooters posting a significant number of possibles. Event two on the program was a 50 Target DB event and local shooter Alan Poggioli remained clean and had established what was to be a winning margin in the Overall High Gun chase. Event 3 was a 25 Target Handicap and with the onset of the afternoon breeze, targets started to move about presenting quite a challenge to all shooters. When the smoke cleared two possibles were posted and in the following shoot off Joe Collins (Innisfail) held out Nimmo Bruce (Cairns) for a solid win.

Alan Poggioli (left) of Atherton is presented with the Overall High Gun Trophy by Graham Roberts CTSC President

Day Two commenced with a quick Eye Opener and then proceeded to the weekend's major event the "CRM Gunsports 50 Target Continental Championship". Changing light conditions and sugar cane due for harvest made shooting the possible a difficult proposition. Three shooters stood clear on 49, Ross Cannon

(Cairns), Brett Williams (Cooktown) and Tom Harris (Tumut) settled in for an entertaining shoot off. Tom was the first to drop a target and settled for 2nd AA, Brett and Ross continued on before Brett slipped leaving Ross with the Overall and Trophy. Event Six was a 10 pr Double Rise and Alan Poggioli once again came through with a well shot 18/20

The final event of the weekend was a 10 pair Deauville Doubles and this provided much entertainment for the large crowd of spectators. Whilst teams for this event were drawn it was the late entry of Kristin Williams 15 (Cooktown) and Kelly Coogan 12 (Cairns) who had older shooters peeking over their shoulders. A collective sigh was heard when the girls dropped one of their 6th pair. Eight teams lined up for the shoot off and continued to the end of the lanes before Andrew Cassella (Cairns) and Peter Ward (Innisfail) shook clear for a popular win.

Kelly Coogan Receives Junior encouragement award

As high gun scores were tallied Alan Poggioli was clear winner of the Overall Highgun, Ross Cannon took AA grade, Mike Collins A grade, Ian McHarrie B grade and Joe Collins collected C Grade. Mike Collins again lined up as the winner of the Veteran's High Gun. Junior Encouragement awards were presented to Kristin and Kelly.

The club would like to thank all sponsors who made the event possible with particular mention of CRM Gunsports and their support to get the shooters back on the lanes. Cairns Target Shooting Club would like to extend an invitation to all shooters for next years Annual over the weekend of the 3rd/4th September. This also ties in with Festival Cairns and is well worth the trip for those wishing to thaw out in the tropics.

Newcastle Annual 2 Day Novelty Shoot

Smiles on faces are usually a good indicator of people having a good time and this was the case at Newcastle's annual two-day novelty field shoot.

Scores ranging between 55 and 97/100 were also an indicator of the time; thought and effort gone into creating a layout that gave everyone the opportunity to acquire excellent results. Frank Searles, Graeme Hayes and the crew spent a few days setting up prior to the weekend, ensuring that all ran smoothly.

Kelly Hoare MP, Gordon Gardiner, Lee Pickles and Claire Gardiner. Kelly Hoare is presenting Lee Pickles the \$3300 cheque.

Saturday of our two day shoot has traditionally been our Charity event and this year, thanks to the Toronto RSL and the members of the Newcastle Lake Macquarie Clay Target Club, a cheque for \$3300.00 was handed over by Kelly Hoare MP to Lee Pickles of the Alkira Respite Services. Kelly and Lee explained the work carried

out by this service as being an establishment for families to leave their loved ones so the carers can have a break. It was generally agreed this was an excellent choice of charity as at least a few of us, in our twilight years, will end up spending some time at Alkira when our families get tired of us lying about our scores and making excuses why we missed certain targets.

The president of the Toronto RSL, Gordon Gardiner and his wife Claire presented the winners with their trophies, with the top score of 95/100 the Toronto RSL Perpetual trophy was awarded to Darren Ball. Check out how close the scores were in the result section of this magazine.

Sunday 29th started with overcast weather and a light rain, but this didn't dampen the spirits of the 70 shooters nominated to take a crack at getting their name engraved on the Mick Smith Cup.

Mick Smith Gun Shop rep, Terry Dawson, awards Mick Smith Cup to Andrew Garvie along with a Clover Design voucher for a mens shooting jacket.

Mick Smith has sponsored this event for as far back as I can remember and the members of NLMCTC wish to take this opportunity to sincerely thank Mick for his generosity. To quote the AA grade High Gun winner Noel Bruin, thanking sponsors is not enough, we really need to patronise their establishments and tell them personally that we appreciate what they do for the events they contribute to.

Andrew Garvie from Singleton Club won the Mick Smith Cup with an excellent score of 97/100, which included a 50 break over 14 shooting stations. Andrew successfully broke targets which included a pair of rabbits running down hill toward and across the stand, a pair of loopy targets from a DTL trap set hard-right, and a screaming target thrown through an extra window cut into a skeet high house. Andrew shot the Mick Smith Cup event well enough to elevate himself to the 2-Day High Gun and take away a voucher for a custom fit Clover Design shooting jacket.

Thanks to Terry Dawson from Mick Smith's Gun Shop for organising this fine trophy and a big thank you to Linda Ristevski for donating the jacket. A final thanks goes to all the shooters who attended our shoot. We look forward to seeing you again at our club.

2 day high gun winners: Andrew Garvie OA, Man Poon B grade, Mick Smith Gun Shop rep Terry Dawson, Peter Dawson A grade, Noel Bruin AA, Alan Bauer C grade and veterans high gun Roy Johnson.

Brisbane Gun Club Annual Two Day Competition August 2004

The Brisbane Gun Club hosted their annual two day shoot in glorious weather with shooters visiting from Central Burnett, Kingaroy, Hobart, Caboolture, Gold Coast, Richmond River, Redcliffe, Warwick and Maryborough (Victoria).

The competition comprised of eight events over the 2 days, including a 30 target Double Barrel event on Saturday night. Ross Spencer and Graham Bickerton expertly conducted the Calcutta over dinner on Saturday night for Sunday's 30 target handicap.

Paul Hill overall winner and Greg Newey from Warwick Outdoor and Sports

Event 1, a 25 target Double Barrel started slightly behind schedule as the Queensland sun was still a little too low for the left-hand swingers. Possibles were shot by Nick Walsh (AA) and Michael Bopf (B). 24/25 was the best result from A Grade, shot by Tony Coco, Clay Zapantis, Ross Spencer, Andrew Thatcher, Peter Luppi, Bill Chain and Neil Cracknell. In C Grade, Kurt Sorensen & Seb Patti shared the cash with a score of 23/25.

With the warm-up event over we got down to some serious double barrel shooting. Event 2 a 25 target Double Barrel Pointscore,

sponsored by Valley Cut Price Cigarettes. Paul Hill (87/87) claimed the overall title in a shoot off with Bill Weedon (86/87). Winners for the grades were:

Event 4, a 30 target Double Barrel Night Shoot, sponsored by Medical Imaging Conferences Australia. Night shooting - very interesting! Personally I think you've either got it, or you haven't! If there is somebody who could write an article on night shooting tips and send it the ACTA magazine they would be very much appreciated by a few of us at the BGC.

Overall Sam Cannizzaro 42/44

AA Grade 1st Paul Hill 28/30, 2nd Frank Robinson 24/30

Sunday morning again started gloriously but as the breeze increased it played havoc with the targets later in the afternoon.

The first event of the day (Event 5 for the competition) was a 25 target Double Barrel sponsored by PMC Ammunition. This event saw Greg Newey (Warwick) and Andrew Thatcher (Gold Coast) sent to the far trap layout to complete their shoot off for overall, with Greg the eventual winner 87/87.

No possibles were shot however there were a few shoot-offs for 1st, 2nd and 3rd with 3 shooters at 29/30, and for 4th and 5th places, two shooters scoring 28/30.

Some of the junior shooters at the Barellan Clay Target Club Open Day. L to R. James Robson, Jacob Ellison, Alex Overs William Overs & Jennifer Irvin.

Wagga Wagga to instruct safe gun handling and coach on shooting clay targets. 21 people participated in the session, ranging in age from 12 to 60 and came from all around our area including Griffith, Leeton, Narrandera, Ardlethan as well as Barellan.

Winner of the encouragement trophy James Robson.

It was pleasing to see 5 female participants and 10 juniors, which Barellan has strongly encouraged over the years. The club has no doubt that Suzanne Baloghs' gold medal in the Athens Olympics would have raised the profile of lady shooters in our sport, and contributed to this number of female shooters.

A break at about 12.30pm was taken for a barbecue lunch and many took the opportunity to ask the coach many questions.

16 of the above shooters stayed

12 year old Nicholas O'Reilly from Ardlethan using a single barrel being instructed by Charlie Strike

for the afternoon shoot and all thoroughly enjoyed themselves, with some good scores being posted.

The club provided an encouragement trophy for newcomers to the sport, David Overs and James Robson both shot 14/20 requiring a shoot off, to eventually see James take the trophy.

The Barellan Clay Target Club would like to sincerely thank Charlie for his tremendous contribution. Thank you also to those people who donated cartridges, trophies or helped out in any way to make this a very successful day. Our ladies committee was once again popular with the barbecue and later with afternoon tea. (Some shooters say they only come for the afternoon tea!)

Coach, Charlie Strike, helping Jocelyn Davies from Griffith.

33rd Anniversary Shoot — 29th August 2004

For the month of August the weather was perfect for shooting, fine, sunny, mild with little wind which resulted in some good scores being posted.

The 50t P/s C/ship was won by Gary Rootes with a score of 153\153, from Adrian Lloyd 150/153. Always a keen competitor Gary also won the High Gun on the day with a score of 199/200.

There were 15 possibles, in the 50t D/B C/ship and after a lengthy shoot off a young new 17 year old shooter Daniel Allam won the event with a score of 192/192 from Charlie Sherry 191/192, another keen competitor who has his share of winning at our Club.

It is encouraging to see new shooters like Daniel do well and be supported by his family, this is needed for the future of our sport.

The first open shoot under ACTA affiliation was held on 6th August 1972. The only shooter who has competed at our first shoot and this years shoot is Tony Alvaro, but there are 5 members who competed at the first shoot who no longer shoot competition but they are still involved as committee members with the running of

Victorian Ball Trap Final at Echuca

Echuca Clay Target Club welcomed ten squads of shooters on Sunday the 12th of September 2004, with conditions perfect for the competition.

Approximately sixty competitors arrived from all over Victoria, to not only allow the shooters a chance to battle for the trophies and sashes on offer, but to see which one of the Victorian Zones would become victors and title holders, of possibly the hardest discipline shot in the sport of clay target shooting.

Although Ball Trap targets are not quiet as fast as Olympic Trap, the fact that the direction is an unknown quantity puts even the best Olympic Trap Shooter to the test.

Shooting over two layouts and after four rounds of 25 targets Echuca Clay Target Club was pleased to have hosted Kerang shooter Brett Dunstan for every one to see his excellent performance in letting just one target escape to post a 99/100 score.

Overall Ball Trap Brett Dunstan 99/100

The nearest score to his was a further three targets down, shot by a local Echuca competitor Craig Fitzgerald, taking A grade on a 96/100.

The club made an error in starting at 11am instead of an earlier time. And only just managed to finish the 100 targets before light became a problem. Certainly in future an earlier start will be the norm.

Also on the program was a Pointscore and Double Barrel Championship which did go into dark, but using white clays under lights no one seemed unhappy, and all did say they enjoyed the very big day's competition.

Overall Double Barrel and Overall Pointscore Mark Crimmins.

Echuca shooters can hold their heads up high for they were part of the North East Zone team that won on the day, claiming the Victorian Ball Trap Team Title.

NEZ Team members comprised of Echuca shooters Craig Fitzgerald, Steve Calleja, and Ian Phillips, also Shane Kirley from Mansfield, and Russell Felmingham shooting for the Cosgrove Club.

Full results of the shoot are as follows.

100 Target Ball Trap Final. Overall & AA Grade B Dunstan 99/100, AA 2nd Ararat shooter M Crimmins 89/100, A Grade 1st C Fitzgerald 96/100, A 2nd from St Arnaud D Bertelli 88/100, B Grade 1st from Wangaratta D Hunt 87/100, B 2nd L Cocking from Beaufort 86/100, C Grade

1st T Moroni (Bendigo) 88/100, C 2nd (Echuca) Melitta Northausen 86/100, Junior T Holt (Colac) 88/100, Veteran N Quick (Nepean) 83/100, and Ladies prize went to M Northausen (Echuca) on a 86/100.

Event Two, A 20 target Pointscore Championship, and taking out Overall & AA Grade was M Crimmins on 72/72, A Grade was I Phillips (Echuca) 59/60, B Grade was A Gobbo (Echuca), C Grade S Boyd another Echuca Shooter.

Event Three, A 20 target Double Barrel Championship, and once again having an excellent day out M Crimmins on a 63/63 taking Overall & AA, A Grade A Walker 52/53, B Grade A Gobbo, and C Grade was S Boyd also enjoying the day.

Zamberlan boots are designed with a very specific end use in mind: that of hunting. Designed to grant comfort, stability and performance in the most different types of terrain, from the high mountains, to the highlands, to the countryside or woods, where long hours of trekking in tough uneven terrain and through sodden or shrubby ground and undergrowth is often required. These are taller than their regular boots to give exceptionally high levels of protection from the elements whilst offering excellent comfort and durability.

D.FENS TEC® is a line of functional clothing created to meet the demands of all outdoor activities. The poly-propylene material is 100% recyclable and has similar qualities to a polar bears coat. Lightweight, elastic and soft, D.FENS TEC® garments are ideal for long-term body contact without provoking any signs of irritation at the same time giving a pleasant sensation of comfort. Flat seams reduce thickness and avoid itchy rubbing. They require minimal care, are ecologically sound as they require small quantities of detergent, can be washed at low temperatures and dry quickly. D.FENS TEC® garments will never let you down, whatever the circumstances.
