YEAR END REGISTRATION FIGURES

A modest increase was recorded for the second year running. A good result for all club officials.

ASA CONSTITUTION

Following the last workshop in Melbourne, a final draft constitution has been produced.

The document appears to satisfy both the Australian Sports Commission and the affiliate shooting organisations. The ASA annual General Meeting on November 20 will discuss this draft with a special general meeting in the New Year for a vote to be taken.

WORLD DTL 2006

National Ground preparation for the event continues with a further three layouts now complete with new trap houses and lanes. Construction will continue, as funds become available.

NEW YEAR 2005

I would like to thank you all for your support in 2004 and look forward to your continued help in 2005. My personal best wishes to all members and their families for 2005.

Champion of Champions at Echuca Shoot

On the fine warm fifth Sunday of October, Echuca Clay Target Club had a two-event program, a 75 target Champion of Champions and a 25 target cash divide Skeet. With only a slight breeze, and clear conditions, the shooters posted some very good scores, particularly Gordon Fletcher who only dropped one point, to collect Overall and AA in the first event. Veteran Echuca member, Barry Rogers shot the Pointscore leg clean, to collect B Grade with a 131/145, and the congratulations of all the Echuca members for a fine performance.

The Skeet was a complete sweep by Echuca members. Craig Scott took A Grade on a 24/25, Murray Roberts B Grade on the same score of 24/25, and C Grade, club President Ron Traill posting a 23/25 score.

It was surprising the local members did shoot so well, as most have been devoting a lot of their time and energy in the last few weeks helping to prepare the Echuca grounds for the Victorian State Carnival, which should see approximately 250 to 300 shooters and most of their families move into Echuca for 3 to 4 days.

With first and second prizes in four grades on offer for the first event, many shooters had a chance of being amongst the winners; a full report is as follows.

Event One a 75 Target Champion of Champions, Overall and AA G Fletcher 124/125, AA 2nd B O'Donnell 123/125, A Grade 1st S Traill 120/125, A 2nd P Gobbo 118/125, B Grade 1st B Rogers 131/145, B 2nd G Peacock 130/145, C Grade 1st was S Boyd 98/125, C Grade 2nd L Posterado 85/125.

Event Two a 25 Target Skeet Cash Divide, A Grade 1st C Scott 24/25, B Grade 1st M Roberts 24/25, and C Grade 1st was R Traill 23/25.

The next day Kevin courageously made it out to shoot the Pointscore event although feeling quite under the weather. He took out the National High Gun beating Doug Smith by one.

Official opening of the NSWCTA Hall of Fame building

Fred Rapley spoke on behalf of the Executive and Warren Charlton cut the ribbon to officially open the building. A morning tea in the Hall of Fame followed, special thanks to Lyn Blake for her organisation of the morning tea and the delicious food. Some of the interesting memorabilia on display put together by Helen, Adrienne and Neal Gay included sashes, badges, trophy's, shooting jacket, shirts from the 70s. The pictures on loan were from Warren Charlton, Bruce Charles (Lola Charles memorabilia), Kathie Gault, Michael Diamond, Pud Burgess, Robbie Smith, Barry Kable, and Don Sullivan. Thank you to everyone who contributed. Neal Gay has donated a computer to the Hall of Fame, and spent hours developing a presentation, with records, pictures and history of NSW Clay Target Association. This generated a lot of excitement and discussion about where to next. Our records are not complete, there is information missing, everyone is invited to fill any gaps in our records. Thank you Neal.

The Shoot — Geraldton

Fine weather greeted Friday the 24th September after a very wet Thursday. The annual Geraldton Crayfish Carnival (The Shoot) was on us again. This shoot has gradually been gaining in popularity all across Australia for the last few years with ever increasing numbers. Some come to try to win a Crayfish, some come to try the seafood Chowder, and some come for the prawns and seafood during the BBQ on Sunday night. Some come just for the good time. Others came for the Calcutta, the odd drink or two, and the great hospitality.

We knew we were in for a big weekend when over 150 shooters nominated for the first event on Friday afternoon, the first of 10 events for the weekend. Event 1 was the 25 Tgt Pointscore sponsored by Bailey Marine Fuels. Only one possible was shot and the event was won by Geraldton's Greg Jackson with 150/150. Grade winners were AA Gary Kelly, A Jon Rourke, B Ray McDonald, C Jason Olivieri. Ladies Robin Sandy, Juniors Darren McMichan, Vets Tim Catling.

Event 2 was the 50 Tgt DB Sponsored by Rabobank & Fishtrade International. This event was eventually taken out by Drew Vanderleur after a shoot off with a score of 93/93 under a brilliant lighting set up supplied by Coates hire of Geraldton. Grade winners were AA Brett Kuser, A Paul Finis, B Wayne Drake Brockman, C Bob Walshaw. Ladies Leonie Noble, Junior Darren McMichan, Veteran Bert Boschetti.

Event 3 commenced on Saturday morning after a hearty breakfast cooked by Bert and his merry men. This 15 Tgt event was sponsored by Pages Auto Electrical, and with only an overall winner required, was soon won by Anthony Brown from the Northern Territory with a score of 21/21.

Event 4 was the 30 Tgt Medley Sponsored by the highly respected Sponsor Laurie Lewis from L & J Lewis Concreting. After a brief shoot off this event was won by Michael Mascio, with grade winners AA Mathew Kelly, A Jed Carter, B Jack Hartley, C Wayne Kuser. Ladies June Roach, Junior Nick Wells, Vets Max Greene.

The Clubs Caretaker Mr John Dohnt took out the Event 5 25 Tgt Pointscore sponsored By Twin Disc And Lobster Australia. This turned out to be the start of some fine shooting by John. Grade winners were AA S Miller, A Jim Chandler, B N Boyle, C Damian Olivieri. Ladies June Roach, Junior Nick Wells, Vets D Fracarro.

Event 6 was the 50 Tgt DB Sponsored by WESTRAC & Energy Power Systems Australia. This event was also shot off under lights and was again won by John Dohnt who had now struck a purple patch shooting a score of 97/97. Grade winners were AA John Lawrence, A Greg Walker, B Gavin Toomey, C Colin Roach. Ladies Brianna Monson, Junior Darren Mc Michan, Vets John Ablett.

Following the conclusion of shooting for the day, the BBQ got under way, the beer was flowing, the Prawns came on the scene, and the Calcutta Auctioneers arrived and got under way with the Auction. As could be expected, with 170 Shooters, bidding was hectic and lengthy and at the conclusion of the Calcutta most called it a night to be fresh for Sunday.

Sunday turned out to be fine and clear for the first event of the day. Event 7 the 15 Tgt Pointscore shot off 12 metres. This Event was Sponsored by The Pollies Follies and was a new novelty event the Club was trying. The event seemed to be very well received with 35 shooters featuring in the Cash Divide.

Event 8 Was the 25 tgt Single Barrel sponsored by the Geraldton Business houses. The winner of this event being Ken Green of Perth with grade winners being AA Martin Sandy, A Tim Catling, B Mauro Amazzini, C Bevan Ganfield. Ladies Robin Sandy, Junior Ron Lawrence, Veteran going to Bert Boschetti.

Event 9 was the highly awaited 30 Tgt Calcutta Sponsored By Bert Boschetti & Eddie Toomey. After numerous shoot offs it got down to one squad and was eventually won by a Perth Shooter, Greg Walker with the Score of 104/104, from Bronte Evans 2nd and Neil McWhirter coming 3rd. With prize money in excess of \$14,000 up for grabs there were some excited shooters and Syndicates around. Congratulations again to Greg, Bronte, Neil, and all Syndicates.

Event 10. Despite the fact that the wind had picked up a bit by then, the highly sought after cooked lobster sponsored by the Professional Crayfishermen Members was enough to keep all shooters very keen. Back markers on 19m suffered a little due to the wind. However Perth " B " Grade shooter Drago Bozuric Snr shooting from 15m won the event from Shane Williams, Greg Walker, Peter Lemmon, Tim Chester, Michael Boschetti, Lars Bager, John Griffiths, Geoff Day and Len Brown.

High Gun

After all scores were added and checked it was found that local shooter Jim Chandler had won the Prestigious High Gun Award.

This award was sponsored by Taylor Marine & Sovereign Fuel Supplies and Jim's score of 310/ 320 considering the opposition and conditions was very good. Well done Jim. Junior High Gun sponsored by Winchester Australia went to the highly regarded Nick Wells with a score of 299/320. Ladies High Gun Sponsored by Spring Valley Flowers went to Robin Sandy after a successful weekend with a score of 277/320. Veterans High Gun Sponsored by Geraldton Cranes and Haulage was won by John Ablett with a score of 300/320

The Geraldton Club would like to take this opportunity to sincerely thank all of our sponsors who have so generously supported the Club For THE SHOOT. To all the shooters who travelled from far and wide to enjoy the hospitality and take part in this event, the Geraldton Club Wish you good health and good shooting in the Future. The Club hopes to see you again next year for an even better Carnival.

CATERING FACILITIES AT THE NATIONAL GROUNDS

All shooters and visitors expect a reasonably standard hygienic area for food and drink to be served.

Have any of the 15 Executives even thought about a proper kitchen area for food preparation at the National Ground?

The trap layouts are progressing, but no money is available for a kitchen and food preparation area.

1. NSW State Carnival - over 200 shooters, plus say, 100 visitors per day at the National ground for 4 days.

2. Catering for shooters and visitors - Open on back verandah, overlooking the toilet and shower block. (Plenty of dust, blowflies and birds**!), anybody for some sauce?

Surely the A.C.T.A. and the N.S.W. State could have better areas for the caterers to operate from.

The A.C.T.A. is spending thousands of dollars on permanent trade site sheds, to be used maybe 14 days per year; a kitchen will be used in excess of 70 times a year.

No food, no shooters, no A.C.T.A., no 15 Executives.

Members that have any interest or concerns about this matter should put pen to paper.

Lets see which Executives are just seat warmers!

Psychological Skills for Shooting

by Michael Kruger-Davis

Social Learning Theory and Clay Target Shooting

In my last article I touched on learning and briefly mentioned behavioural approaches to learning. For example, classical conditioning with Pavlov's dogs and operant conditioning with the example of poker machines. Other theories of learning take into account our cognitions or thinking. Social learning theory emphasises the interaction between behaviour and environment. The reason why I mention this is because from a sport's perspective we can use social learning theory to help us promote our sport.

On the last weekend of October, Downside Clay Target Club that operates from the National Shooting Ground at Wagga held its once a year "come and try" promotional day. Wagga Wagga has a population of about 60,000 people and even though Wagga Gun Club held a promotion day in August, another 85 people turned up to try clay target shooting. What thoughts, feelings and actions were happening for those people who had never fired a shotgun?

Now it's been a long time since I fired my first shot at a clay target, so I have no idea what it must have been like for those people who turned up. However in the same week, I was lent a kayak by a friend because I said I should use the river to help me keep fit. I live at Narrandera and have Murrumbidgee River frontage so it seems reasonable that I should use the river to help me exercise in a low impact way; I don't like running and it's hard to cycle over the corrugated road. So whilst I was excited about hitting the water, once on the river, which was high and flowing fast, I suddenly realised that I knew very little about kayaking and this boat was extremely unstable. I paddled and paddled and probably went about 50 metres, continually trying to focus on keeping myself above the water. To be honest I found the first attempt scary; I was out of my comfort zone, I didn't feel confident or competent and I realised that there was some risk involved.

In the twenty first century we've made our lives comfortable and have taken out most of the risks (other than getting in a car each day) so for the people; children, mothers and dads that turned up at Downside Gun Club having a loaded gun in their hands made the participants feel excited. In a safe and controlled environment, the newcomers were able to do something exciting and thrilling because it has an element of danger. At the same time they were trying something new and learning. Hopefully they were having fun. As one of the coaches I was ever vigilant regarding safety and making sure that the participants actually hit some targets. Now this is where the club cheated a bit: the targets were backed off, they were going the standard height but only about 35 metres. The traps were set on straight-away targets and the shells being used were RIO subsonics. These shells, because of their low speeds, pattern well and have practically no perceived recoil and are relatively quiet. My group of about 15, I'll call them new shooters, went through a full case of shells, 500, in the three sessions, broken only by lunch and afternoon tea.

Everyone in the group hit some targets; some hit most and some only a few. Each broken target represented a real expression of joy and achievement. The American, Psychiatrist William Glasser believes that to learn something it must be fun. I have mentioned before that Glasser believes that for humans to be well adjusted they need to have a sense of belonging, acceptance and approval, freedom to make decisions and fun. As clubs or associations trying to promote our sport we should look at how we can best use social learning type theories to maximise getting people involved in our sport and providing the best possible result for those trying it out.

Downside, whether they planned it or not, did all the right things. What Downside Clay Target Club did, as Wagga Gun Club did previously, was to combine the opportunity to come and try shooting with a promotion in the local shopping centre, handouts and personal invitations, radio commentaries, newspaper articles and television advertising. Having the National Ground at Wagga has been an advantage but both clubs have successfully used the services of a local ABC presenter (the father of a new shooter) to help lift the media profile of our sport. Coupled with this, the New South Wales Clay Target Association, contracted a local experienced journalist and media presenter to visit the National Ground to talk with some of the executive and develop a media plan that the association and clubs can use to lift their profile of the sport and local sports people. The media will not come to us and ask for stories; each association, zone and club has to be proactive in getting our story out to them. The starting point is the local area media and all clubs should be making sure their shoot reports, together with photos if possible, get into the local paper and that readers expect to read something about our sport each week.

So with the background work complete, the clubs then made sure people were welcomed. Everyone was greeted and introduced to others. Name tags were a must and after being welcomed by the president they were introduced to the coaches, given a quick basic lecture on safety and gun-handling and then sent off to the traps. What these people went away with, after one day of shooting was incredible.

Firstly, they had attempted something new. Something that had an element of danger, thrill and was difficult. Secondly, they realised that those stories about shotguns and shotgun shells were basically myths as no one was laid on their back by the recoil and even the smallest of participants were able to pick up the gun and have a go. Thirdly, these 85 people went away with a different perception about guns, gun owners and shooting. We were able to paint a picture in their minds that was not sensational or negative. Next, these people saw trap shooting as a skilful and difficult sport. Finally, it gave them those aspects that are important for human beings; a sense of belonging, acceptance and approval, freedom to try something new and different, and fun. The next time they try to shoot the task will be easier, just like my ability to kayak has gotten easier with each day.

There's a part of our brain that controls motor movements and has a motor memory. What this means is that once we have learnt how to ride a bike we never forget. It's the same with snow skiing, water skiing, golf, shooting etc. So it doesn't matter if these people come back next month or if they leave it for some years the next time they pick up a shotgun their muscles will remember what do.

The participants on this day were made to feel welcome and valued. They were treated with respect and dignity. They were fed and were given ample opportunity to have a go.

And their interest will be followed up to get them to become members of the clubs involved.

Every NSW club can have one promotion day each year (I'm not sure of the other states). If the day offers good coaching in a safe environment, with food and overwhelming hospitality, coupled with extensive media coverage and the involvement of a well known shooter, then we should be able to increase the participation in our sport.

North West Zone Carnival — Jeparit Gun Club

The North West Zone carnival was held at the Jeparit gun club on the 17/10/04 on a fine sunny day, with four layouts operating to conduct the four-event program.

There were sixty-seven shooters competing for the Grade High Guns of \$100.00 and the Overall High Gun of \$500.00.

The first event on the program was a 25 target Handicap with five possibles lining up for the shoot off which was won by Marc

Marc Crimmins.

David Beralli.

Colin Dunn.

Roger Lenmann.

Crimmins from Ararat with a score of 45/45 from Eric Hall on 44/45.

Event two was the Double Barrel Championship, which was eventually won by David Bertalli from St Arnaud after a long shoot off shooting 171/171, and the runner up was Wayne Hawker 170/171.

Event three was the Single Barrel Championship which is a test of concentration for all but the top shots at the end of the shoot off were Colin Dunn from Stawell holding the sash with a score of 46/46 from Bill Coates 45/46.

Craig Kelly, overall high gun winner with John McVitty, NWZ president.

Event four was the Pointscore Championship and the last chance to put in a good score for the High Gun. This was eventually won by that modest shot from the

Warracknabeal Club by the name of Roger Lehmann who shot 132/132, runner up was David Flavel 131/132.

At the end of the program we had Marc Crimmins and Craig Kelly on 149/150 shooting off for the Overall High Gun, and the winner after many rounds was Craig Kelly with a total score of 270/271.

The zone would like to thank Neil Morrison, Jim Shepherd, David Flavel and Rio Oceania for their sponsorship of the carnival and to every one who helped with the running of the shoot.

STAWELL CLAY TARGET CLUB INC

The Minister of Sport - Justin Madden, opened this new complex at Stawell earlier in the year. This complex involves all 4 Types of shooting in this Area: Clay Target, Pistol and also Small and Big Bore Rifle.

Back in 2002, the Stawell Gold Mine now known as (MPI) approached a small group of very keen local clay shooters to see if it was possible to utilise two of their redundant Tailings Dams to erect a new and up to date Clay Target Range on this land.

It was only a matter of a few days and the lads were doing a lot of looking, measuring and lots more looking and quite a fair bit of speculating to arrive at this very well set out layout.

This Range will at finality have 9 DTL layouts 3 Skeet, 1 D/Trap, 1 Olympic Trench, other variations & also a golf driving range. Unfazed by the lack of support from some local shooters, this club has continued to progress forward in leaps and bounds.

Local business identities willingly took up positions on the 10 Person Committee, only 2 of these being current clay target shooters.

Now came the hard part (up till now it had been easy!!) money to fund the entire costs that would be needed to start a project like this.

Luckily, the local retirement village had a large block of land that needed clearing. The 10 man crew, with a few staunch helpers, one of who has since passed away, managed to some how clear out 600 tonnes of fire wood which was sold to pay for vital items that were

needed to get the range up and moving.

MPI was providing much needed earth moving gear as well as drivers, steel posts, hoses, cement, reinforcing & steel etc.

The next financial help came from the Dept of Youth, Sport & Recreation, this money, \$50,000 was split equally between the clubs.

As in a new venture, you get the usual hiccups, but we got through

these unscathed. Again, it was time for the local businessmen to put their hands in their pockets and give their help, which they did willingly knowing how much closer it would bring this dream to fruition. After all this, we now have a new clubhouse that will seat over 300 people in comfort.

With the help of all these people we achieved this and it will make this one of the top clubs where locals and visitors may shoot. Plus any new shooters either young or old can be taught to shoot safely

The president, Phillip Scott has one main aim after the Club is up and running and that is to promote shooting in the area. He also wants to make it as easy as possible for any new or up and coming Junior shooters to have a chance to compete at the Olympics as these young people are the future of our sport

At the moment the club has got DTL, Skeet & Double Trap in operation, by mid 2005 the Olympic Trench will be in use also.

Below is a list of just some of the gear that has been used in the making of this club.

The Committee thanks MPI Mines Stawell for their support in the building of the complex, local government authorities and local business people for their 'very deep pockets'.

January 2nd and 3rd, 2005 will be our opening Day shoot, which will have 8 events over the 2 Days with over \$8,000 in trophies.

We would like you to come and enjoy yourselves at Australia's newest Club.

Brian Bond

The President, Committee and Members of the Frankston Australian Clay Target Club regret the passing of our Esteemed Life Member, Foundation Member and a past President. Our deepest sympathy and condolences to Joan and Family.

John Ronald Cameron

Born 9th June 1932 - d. October 2004

The Cecil Park Clay Target Club reports with sadness the loss of one of its valuable members, John Ronald Cameron, after his courageous battle against cancer. John was a familiar face and friendly member of the shooting fraternity as well as a keen fisherman, hunter and target shooter. During his lifetime he was a member of various field and game groups and, for the last decade, an active member of the Cecil Park Clay Target Club.

John took to clay target shooting with the same energy and enthusiasm that he took to life and for a number of years gave his expertise to the club as an active member of the Board of Directors.

He started his career as a fitter and turner for a concrete product manufacturing Co., and advanced to a position of authority in which he travelled the globe for his company in an advisory and troubleshooting capacity.

During retirement he loved to get away fishing and hunting with his grandson Kiel, with whom he had a strong bond and love, and introduced to the sport.

He will be missed around the shooting scene by his friends and associates for his loyalty, friendly manner, patience and his willingness to "pitch in" and help.

His mates from the "Geriatric" group at the club with whom he also shared a strong bond will especially miss him.

He was a good husband and family man, and is survived by his wife Gloria, daughter, son and grandson, to whom we offer our deepest sympathies for their loss.

The Directors and Members of the Cecil Park Clay Target Club.

McChrystal, Arthur 1939 - 2004

It is with regret that we advise of the passing of our esteemed member Arthur McChrystal. Arthur attended numerous clubs in Victoria and loved to share a story or yarn about truck driving, what was happening and recall the good times of yesteryear.

Arthur always assisted new shooters at the clubs and sincerely gave sound advice on general coaching. He was always a willing contributor at all clubs he attended and will be sadly missed.

Good times Arthur McChrystal

The members of the Beaufort Gun Club wish to extend their condolences to his family.

Doug Ogden

The President, Committee and Members of the Frankston Australian Clay Target Club advise with regret the passing of one of its elder sportsman and finest member in Doug Ogden. Our deepest sympathy to Daughter Linda and Granddaughter Robyn.

Ballandean Clay Target Club Hosts State Title

Ballandean Clay Target Club hosted the State Continental Championship and Chub Smith Memorial Single Barrel Championship recently with shooters from as far as Mt Isa contesting the events.

Cool, overcast conditions did not hamper enthusiasm for both events. Club members proudly displayed the new automatic throwers recently purchased with the aid of a Sports and Recreation grant from the Queensland Government, and assistance from Queensland Clay Target Association.

The Ballandean Clay Target Club 25t Pointscore Championship kicked off a great day of shooting with Ballandean stalwart Ron Sonogo taking the event overall with a 73/75. First in AA went to Geoff Field after a shoot off with Frank Musumeci, Frank took home 2nd in AA. After a long absence from shooting, Geoff Donges collected first in A, after shooting off with Warwick shooter Don Cameron. SJ Puglisi continued his good form taking first in B grade, with Warwicks Roger Obst collecting 2nd. Tenterfield's Mitchell Ford was first in C grade, with Leah Costanzo taking second place.

The Chub Smith Memorial Single Barrel Championship, in honour of the founding member and past president again went the way of Frank Musumeci. Musumeci continued his fine single barrel form, after his recent South East Zone Single Barrel Title. George Costanzo took home 1st in AA, with Geoff Field taking 2nd. Keith Simpson of Toowoomba was 1st in A Grade and the in form Geoff Donges snagged 2nd. B Grade went the way of SJ Puglisi and Guyra's Phil Bailey took out 2nd. Leah Costanzo held out Mitchell Ford for 1st in C Grade, Ford subsequently collected 2nd.

Mitchell Ford was the clear winner in the 25t Double Barrel Handicap. Geoff Donges, Walter Mattarollo, and several other shooters shot off for the minor placing's. Geoff Donges collected 2nd, and Walter Mattarollo 3rd.

The much anticipated 25t Double Barrel State Continental Championship was the last event of the day. The skies were kind enough to hold back the rain until after the last shot was fired with Geoff Field and George Costanzo providing an epic battle for the title. Field, Costanzo, Jim Belleri, Tim Bonner, Frank Musumeci

Frank Musumeci, winner of the Chub Smith Memorial, is congratulated by Chub's son, Harvey Smith.

and Mitchell Ford went into the shoot off clean. Bonner, Musumeci and Belleri bowed out early in the proceedings. Ford continued to match it with the big guns until he dropped his 14th target in the shoot off. Field and Costanzo continued to go head to head for a further 53 targets when Costanzo dropped his 54th bird to give Field the Title. Geoff Field collected the State Title, with George Costanzo taking 1st in AA. Tim Bonner collected 2nd in AA and Frank Musumeci 3rd. Jim Bellari was 1st in A Grade, with Geoff Donges 2nd and Keith Simpson 3rd. Len Puglisi picked up 1st in B Grade, with Phil Bailey 2nd and SJ Puglisi 3rd. Mitchell Ford took home 1st in C Grade, with Leah Costanzo 2nd and Tenterfield's Don Pritchard 3rd.

Overall High Gun went to the ever consistent Frank Musumeci, and soon to be B Grade, Leah Costanzo took the Front Marker High Gun.

Geoff Field accepts his trophy and sash for the 25t State Continental Championship from State President Dennis Harwood.

GLADSTONE CLAY TARGET CLUB

Gladstone held their annual Champion of Champions shoot on the 13th & 14th November 2004. Although the weather was forecast to be storms and gale winds, it turned out to be fine and sunny although very hot. We had good representation from many clubs including Gemfields, Maryborough, Biloela, Rockhampton, Tallawalla, Central Burnett, Newcastle NSW, Bundaberg & Gladstone.

Colin Wright (our Junior) and Carlo Barletta (president) giving Colin his sash and trophy for the Intermediate high gun.

Veteran High gun Brian Morrissy

25t Skeet Handicap was won by John Maxwell, Ivan Mapp got 2nd and Irvine Wynyard got 3rd.

Second event was 25 Target Points Tower and Jim Riggs was our overall winner with 71/75. John Maxwell, Garry Wright, Brett Graving and Mick Howard were the winners for their grade.

The 3rd event was the 50 Target Ball trap Central Zone Championship, which Carlo Barletta won overall with a score of 48/50. David Nicholson 47/50, John Maxwell 47/50, Ray Wise 47/50 & Vic Hyde 45/5 each won their grade.

The 50 Target Single Barrel Night was our 5th Event, which overall went to Ray Wise with 45/50. John Maxwell, Garry Wright, Brett Graving & Colin Wright were also winners of the event in their grade.

Sunday's weather was just as great but not as hot.

We started with a 30 Target Double Barrel Club Championship, which went to Garry Wright 64/64. Ray Wise took AA with 36/37; Vic Hyde took A 63/64. James Fairley won B grade with 28/30 and Bryan Morrissy took C grade with a fantastic 30/30, and 2nd place in C grade went to our Junior Colin Wright with 29/30.

The last event of the weekend was a 30T DB Points Club Championship, which Ray Wise won with a great score of 95/96. Rob Rehbein took AA with 94/96 Allan Purkis took A grade 88/90 (beating his dad Peter who took 2nd place with 87/90). Linton Knight took out B grade and Greg Ferguson took C Grade.

Our overall Champion of Champions High Gun went to

John Maxwell

Husband and Wife Brett & Letitia Graving, shooting Ball trap at Gladstone Champion of Champions

John Maxwell with 462/500, while our Intermediate (grade B & C) went to our Junior Colin Wright with a score of 316/500, which also won him Junior High Gun (his 1st 2 sashes). Our Ladies High Gun went to Donna Barletta (her 1st sash) and Brian Morrissy took out Veterans. Some fantastic scores were shot over the weekend, which was great to see.

We'd like to take this opportunity to thank all of the shooters whose patients and understanding was tested to the limit with the large amount of clays that were damaged during transit. Every effort was made to discard those clays before the shoot, but it seemed the speed of the ball trap, found all of the hairline fractures in the ones we thought were fine. It was very disappointing and frustrating for all. We'd like to thank all of those people who helped over the weekend in any way, and look forward to seeing you in 2005, for the Zone shoot, our Easter 2 day shoot and Champion of Champion shoot.

Newcastle 2 Day Trench and Skeet

After a practice day when the weather went from bad to worse, clear skies greeted shooters for the 1st Day of the Newcastle Lake Macquarie Clay Target Club Annual 2 day Trench and Skeet carnivals held on the same weekend. The club also held its monthly DTL shoot, so it was never a doubt to be a hectic weekend.

Shooters travelled from Queensland and the Illawarra region of NSW to attend, so competition was going to be challenging. With the squads finalised the 'trenchies' headed off to view the program while the 'skeeties' got their gear together. Earlier, club secretary Graham Gosling got a bit too "up close and personal" with the throwing arm of the low house, leaving him with "only a flesh wound" and a bag of frozen peas on his arm to ease the swelling and out of the competition.

**trench challenge winner
Tony Arvanitakis**

Skeet Event 1; 25tgt eye opener, and it proved to be just that, with some good shooting from Rod Nicholson and Kevin Raymond, only missing that elusive 1 for a 24/25 first thing of the day. With the trench shooters into it, the 2nd skeet event was 50tgt, with some good scores across the grades being recorded and Rod Nicholson at the front again. While the skeeties took a short intermission, the DTL events commenced with some excellent scores in the opening 25tgt D/B, followed by good shooting again in the 25tgt Pointscore. Committee members worked in "shifts" relieving one another from trench trap duties so as to allow the others to shoot.

While the trenchies battled it out, the final skeet event,

50tgt doubles, commenced with mixed emotions, some shooters loving it while others were not so sure. Veteran and dedicated skeet shooter Alf Najar showed he still has it to finish with a good 42/50, while the 2 ladies, Vivian Eagles and Renae Jenkins battled it out in a shoot off to decide C grade.

DTL event 3; 15pair double rise had many shooters scratching their heads as to why they can't get that second target. Final event for the day was a fun 10pair Deauville Doubles - drawn partners. After much laughter and hand shaking it was Gary Bartlett and

Graham Gosling, Alf Najar and Ross McLean

Graham Gosling with 2 Day Skeet High Gun winner Rod Nicholson and Ross McLean

Anthony Chapman who came away clean with 10/10 pair. After a shoot off lasting more than a full round of mixed targets, Mark Welsh slipped off a single barrel target to force Vito Balliana to focus on 1 target for Overall High Gun. With the day finishing late, a shower and good feed was high on most people's priority.

Sunday dawned clear and crisp with fine weather predicted. With Graham Gosling checking the trap from a safer distance, the skeeties squared up for the 50tgt handicap. The program changed on the trench layout, Committeeman Mick Ling volunteered to "go in the hole" and work the trap for the 2nd x 100tgts trench. The blow to Gozo's arm didn't do him any major harm, as he took out the 50tgt skeet handicap. It was good to see several shooters taking the opportunity to view and encourage shooters in other disciplines, as was the case with sisters Emma and Vivian Eagles.

With the trenchies focused in the final, the skeeties started their final event, the NLMCTC premier skeet event; 50tgt Cliff Ferguson Memorial. Graham Gosling was in fine form after Saturdays mishap and came home strongly with a nice score of 49/50, with Rod Nicholson winning the 2 Day Overall High Gun. Meanwhile the trenchies had finished the final and Tony Arvanitakis surged home with an impressive 204/225 in the 2 Day Overall Trench High Gun. For others results, please see the results pages.

The club thanks the kitchen ladies who never fail to fill us up on good food, the office girls for efficiently filling in the books and associated paper trail, and all members who helped keep traps full and running, (with some 10,000 targets thrown) and especially those who trapped the trench. The club offers the grounds for camping with good hot showers and under cover areas if the weather turns crook for all those that travel. Thanks for coming and we hope to see you and some more of your mates again.

Tambo Clay Target Club and Scrubby Creek Clay Target Club ANNUAL TWO DAY SHOOTS

Spring in Outback Central Queensland saw Tambo Clay Target Club and Scrubby Creek Clay Target Club hold their Annual Two-Day Shoots.

With hot shooting conditions prevailing, and no sign of rain to break the drought, shooters gathered at the Tambo Racecourse on the 25th and 26th September 2004. Having both shoots a week apart allows some coastal fringe dwellers to take advantage of some serious country hospitality. The Tambo complex was a green oasis with the committee working hard over the previous weeks to make the shooting conditions as good as possible considering the dry conditions.

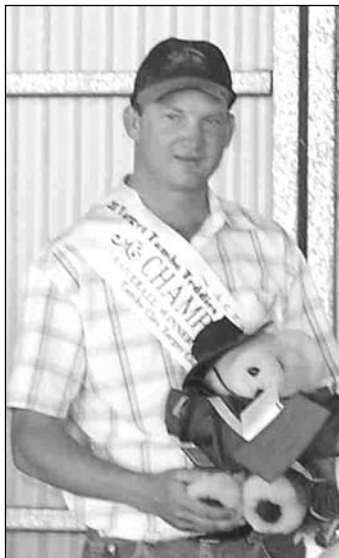

High Gun Winners - Col Betts, Robert Caban, Phil Doring, Karl Srb, Andrew Nugent, Lil Jarvis and Jill Moore.

A record number of 103 shooters travelled from throughout Queensland to attend the shoot, with some State border hoppers making themselves well and truly present.

The Pioneer Permanent Building Society was the major sponsor of the weekend along with the Club Hotel, Johnson Bros Transport, Nioa Trading (PMC), Royal Carrangarra Hotel, Tambo Teddies, Tambo Foodmarket, Outback Pharmacy and Fanny Mae's Cafe.

Without their generous support the shoot would not have been the success it was. Please support these businesses when next passing through our area.

Event Four was the 30 target Double Barrel Continental Championship. The Overall winner was Bill Allan from the Dalby Clay Target Club with a score of 62/62. Other results were as follows AA Grade 1st Bruce Powell 51/52 2nd Col Betts 47/48. A Grade 1st Glen Durrie 61/62 2nd Terry Busiko 35/36. B Grade 1st Bevan Doyle 36/37 2nd Karl Srb 32/33. C Grade 1st A Bredden 29/30 2nd Celeste Allan 28/30.

On Saturday evening the caterer for the weekend, Steve Bailey and his crew, put their culinary skills to the test and whipped up an evening meal fit for a King. A few liquid refreshments after saw most but not all hit the sack for the evening and prepare themselves for the next day.

Sunday saw similar hot conditions and thirsts were directed towards water during the day resulting in Tambo being bought out of bottled water.

Event Five was the 25 target Double Barrel Pointscore Championship. The Overall winner was Rob Caban from the Mackay/Sarina Clay Target Club with a score of 105/105. Other results were as follows

AA Grade 1st Alex Dallas 101/102 2nd Rodney Woodrow 92/93. A Grade 1st Veronica Forsythe 84/87 2nd Ray Copping 80/81. B Grade 1st Karl Srb 89/93 2nd Eddie Bates 86/93. C Grade 1st Anthony Nugent 70/75 2nd Marlene Jarvis 68/75.

Event Six was the 30 Target Pioneer Permanent Double Barrel Handicap. There was only one possible shot in this event and the winner was Zarah Powell from the Springsure Clay Target Club.

The shooters who shot 29 then shot off for the other places. Results were as follows 2nd M Venter 3rd Karl Srb 4th Mark Warnock 5th Bill Stolberg.

The High Gun Winners were Overall High Gun Col Betts 202/205, AA Grade Robert Caban 200/205, A Grade Phil Doring 201/205, B Grade Karl Srb 196/205, C Grade Andrew Nugent 191/205, Ladies Lil Jarvis 198/205, Veteran Karl Srb 196/205, Junior Jill Moore 185/205

With shooting over some returned to work, others holidaying in the area took in some sights while waiting for the Scrubby Creek Shoot, State Councillors got down to business, and 'Bettsy' went looking for Panadol.

I would be amiss if I did not thank those workers in the kitchen, trappers, referees, Shoot Marshal's and Secretary Don McKenzie in the office who has taken retirement from duties. Thanks for your efforts over the past number of years. See you all at the same time next year. Yours in shooting

Downside Gun Club

Michael Kruger-Davis explaining the psychological aspects of shootingDS#5:

Left: Andy Sanders coaching a keen Junior

After a display day at Wagga Wagga Market Place, the Downside Gun Club held their Open/Coaching day on 31st Oct. 2004.

Ideal spring weather greeted the 85 people who registered on the day with another 25 or more people just coming to enjoy it without registration. All were supplied with a free sausage sizzle to stop their belly's rumbling.

The juniors, for most of whom it was their first time to handle a firearm of any sort showed a huge amount of interest. Some of their

peers were continually lining up to test their skills on the DTL and Ball Trap [both of which were wound back].

The coaches for the day included Bob Blake, Fred Schmetzer, Michael Kruger-Davis, Graeme Boyd, Andy Sanders and Charlie Strike assisted by members of Downside Clay Target Club.

The participants were instructed on safety, firearm handling, gun fit and general principles of shooting clay targets. Michael Kruger-Davis also talked on the psychological aspects and mental preparedness/training of shooting.

Night Tower Shoot at Mathoura

Friday night the 22nd of October and three squads of shooters arrived at Mathoura Gun Club to compete for the three events on offer for the night. The weather could not have been better, no wind and mild temperatures. The targets were flying straight and easy to see.

H O'Connor Overall and C grade Tower Winner

Peter Kerr Pointscore winner

The first event was a 10 target Double Barrel eye opener, and five possibles were shot, M Roberts, W Simpson, P Kerr, R Kerslake, and H O'Conner, all received a cash dividend for posting a 10/10 score.

Event 2, the main event, was a 25 target Night Pointscore Tower. At the end of the 25 no shoot off was required to sort the winners. Local veteran H O'Conner showed how its done, claiming the Overall Sash and C Grade on a 72/75 score. R Kerslake collected the B Grade trophy with 63/75 W Simpson took out A Grade on 71/75, making it an all Mathoura sweep.

Event 3, was a 15 Target Pointscore, with three placings on offer. After a shoot off between Peter Kerr (Moama) and Murray Roberts (Echuca) Murray used a second barrel on his sixth target giving Peter the first place on a 57/60. M Roberts collected second place on 56/60, R Kerslake took third on a 41/45.

All competitors were thanked for their attendance, especially those that travelled to the shoot, which because of the lack of shoot offs ended nice and early.

MARCONI CLAY TARGET CLUB

MARCONI MARATHON 100 + 2 TEAMS EVENTS IN CONJUNCTION SUNDAY 10TH OCTOBER 2004

A record 102 shooters competed in this event in perfect weather conditions which resulted in a record 8 possible 100 and 15 x 99. A top class shooting performance never achieved before at our Club.

The 8 possibles were F Bradwell (Illawarra), K Perkins (Illawarra), W Maryska (NSWGC), T Psarakis (SYDCTC), Zaid Ammedine (SYDCTC), A Del Ben (NSWGC), T Avanakakis (NSWGC) and C Dominelli (Cecil Pk).

At the end of a lengthy shoot off the O/All and AA grade honours went to Tony Arvanitakis on 213/213 who has taken a liking to winning our premier 100 target event by also winning the Marconi/Winchester 100 earlier this year. Illawarra Stalwart Kevin Perkins was runner up on 212/213 with C Dominelli putting in a strong performance 3rd just short on 207/208.

reflected in the 2 teams events run in conjunction where the honours went to NSWGC who turned up prepared and organised and took the silverware in both events with great determination.

In the Marconi 500 teams event there were 3 teams in contention going into the crucial last round with NSWGC Blue team leading by 4 clear targets on 374, in horse racing terms short priced favourites on not only winning but beating the record score of 497/500 set the previous year by a NSWGC team.

NSWGC Gold team were on 370 with SYDCTC No 1 team on 369 with an outside chance, however as sometimes happens the favourites in the last round faded badly by dropping 6 targets to finish on 493 with the NSWGC Gold finishing very strong by dropping only 1 target for a final score of 494 to win the event. SYDCTC No 1 also came home with a strong sprint dropping only 1 target and finished on 493 equal second with NSW Gold.

TRAVELLING WITH A FIREARM INTERSTATE

- * Contact the airline involved and explain your situation
- * Ask to speak to the person who handles the 'Dangerous Goods Compliance'
- * If travelling with Qantas ring Laurie Willoughby on 02 9691 8463
- * You will be required to fax or email a request including:
 1. Flight details (booking reference)
 2. Details of the firearm/s you wish to transport
 3. The amount of ammunition you wish to take

The conditions for approval are that:

- * The firearm is securely boxed
- * The ammunition is in the original or equivalent packaging
- * The total weight of the ammunition does not exceed 5kg.

These items must be checked at the baggage counter and can not be carried on to the plane. It is also a requirement that you do not have any markings on your case or baggage that would draw attention to the contents.

On the day of travel, you present the approval with your luggage at check-in. A special baggage tag is attached to your gun case that

incorporates a declaration that you sign stating that:

- * The firearm is unloaded and securely packed
- * No ammunition is packed within the firearm package
- * The separately packed ammunition weighs less than 5kg
- * The carrier (airline) has provided approval for its transport.

By signing the tag you also indemnify the carrier for all loss incurred as a result of non-compliance with the above conditions. After you have signed you are given a copy, which has a normal bar-coded baggage tag for collection at the other end. You may then be requested to take the firearm and ammunition to the bulky items counter for carriage to the plane.

On arrival at your destination it is requested that you collect your gun case from the baggage services desk which is normally located in the same hall as the baggage carousel. You present your baggage tag as proof of ownership and collect the case/s.

Always collect your normal luggage first, as there have been instances where firearms have been put on the carousel with the other luggage.

Silver Anniversary for Hermidale Gun Club

66 Shooters travelled to Hermidale on Saturday 23rd and Sunday 24th October 2004, to compete in the Clubs Silver Anniversary Clay Target Competition.

With the backing of a major sponsor Wild Game Resources, and \$1000.00 cash prize High Gun, one could not envisage anything else but wonderful competition. The weather was fine and hot with a slight breeze. Sunday afternoon was a little difficult with dust and high winds. Visitors travelled from Cobar (a large roll-up), Brewarrina, Coonamble, Nelson Bay, Tottenham, Warren, Sydney,

Original manually-operated foot trap, first used at Myall Hermidale in the 1970s, before it moved to the present day club in Hermidale. "What an OH&S hazard!"

Narromine, Cessnock, Wonthaggi, Dubbo, Cecil Park, and Griffith.

Saturday started off with a 10 target Eye Opener Cash Divide, then a 25 target West Bogan Double Barrel which was sponsored

by Wild Game Resources. The day finished with 20 pair Double Rise.

After the kitchen ladies served a beautiful roast spit evening meal and the auction of all shooters, the 20 pair Western Zone Night Deauville Doubles was held. A big thanks to the cooks Ben and Lori, all the ladies in the kitchen and the very capable Auctioneer Noel for their wonderful help.

Sunday morning after a hearty breakfast, thanks to Kevy and his breakfast cooks the 25 target Pointscore got underway. The day continued with a 25 target Double Barrel Handicap and a 25 target Single Barrel. See shoot results for full details and High Guns for the weekend.

Hermidale Gun wishes to thank all helpers on the weekend for their support which made this occasion a very special milestone for the club.

Major sponsor of one whole event was Wild Game Resources and the Club thanks them for this wonderful donation. Other special donors for the weekend included: Nyngan Rural Agencies, Neills Earthmoving, Powells Bus Service, Fay & Jim Neill, Parisi Motorcycles, Casella Wines, Landmark, Elders, N Owen, Byrnes Mining, Adams Transport, Hermidale Hotel, Commonwealth Bank, A T Curran and Son, National Australia Bank, J Kilmartin, B & J Powell, Abalos Flats, Carter Ramsay & Co.

The six past Presidents of the Hermidale Gun Club also made special donations toward the High Gun prize. Thanks to you all. The memorabilia of the Clubs last 25 years included the original manually operated foot trap first used at "Myall" Hermidale in the 1970's before it moved to the Hermidale Sports Ground for the commencement of our present day club. Old score cards, sashes and photos were also on display. Hermidale Gun Club wishes to thank bar staff, trappers and all the Committee for making the shoot a wonderful success.

ECHUCA HIGH SCHOOL ON TARGET

Thursday the 18th and Friday the 19th of November saw classes of year nine girl and boy students from Echuca High School travel out to Echuca Clay Target Club for hands on lessons, in the sport of clay target shooting as part of their PE curriculum.

Eliza Whit takes aim

Riannon Ivancic hits her target

Members of the Echuca club were only too pleased to be able to pass on their knowledge of the sport and the very strict safety measures involved to make this sport one of the safest in the world.

Both girl and boy students were a little apprehensive at first at what they thought was going to be possibly high recoil from 12 gauge shotgun use. But after receiving coaching on correct handling and stance, and the use of low recoil cartridges, mixed with good quality firearms, they soon relaxed and concentrated on actually hitting the targets.

It certainly is rewarding to a coach to watch as the learners go from being apprehensive, to being interested, to actually begin to hit targets bringing a big smile on their faces as they master the hand eye co-ordination needed.

For beginners, of who most had never held a shotgun before this clinic, the students responded well to the coaching, to the point of most actually hitting targets well.

Several showed exceptional capabilities at the sport with one boy achieving a seven out of ten score and girl student Riannon Ivancic hitting six out of ten.

Because of the good behaviour of the school students, and their attention to what they were told, the Echuca club members are looking forward to follow up coaching for both groups in the following week.

Echuca Clay Target Club committee would like to thank the Echuca High School for taking an interest in this sport as they feel that at the very least, the coaching teaches the students safe and correct handling of firearms.
