## National President's Notes

*Bill Jones*

**As required under the new constitution of the Australian Shooting Association (ASA) each of six first full members will form a committee from which the first directors of a new company are elected.**

The ACTA Executives have appointed Mr Glen O'Brien to be our nomination for first full member.

This being the case Mr O'Brien will step down as an ACTA Executive member and has been replaced by Mr Geoff Faulkes.

The ASA has also announced they will form and fund a Junior ISSF Development Squad. This squad will be selected from the participants in the ACTA Junior Development Squad.

The selection panel will be head coaches Russell & Lauryn Mark together with camp staff. This move is very pleasing and will now present to Junior's another step in their development. Mr Bob Buchan and his committee at the Melbourne Gun Club have agreed to host the squad.

The first group has been selected and is Catherine Skinner, Ben Jackel, Aaron Hawdon, Anthony Rullo, Aaron Turner, Murray Roberts, Luke Higgins, Kathy Langridge and Tom Holt. Congratulations to each and every one selected.

I note Mr Bill Skelton of the SSAA Association has stepped down from the office of National SSAA President and been replaced by Mr Bob Green. I know these men personally and I thank Bill for his contribution and congratulate Bob on his appointment.

### Allan Brown Club Teams Match

Competition was again very keen for the Allan Brown Club Teams Match, which attracted twelve teams all looking to be number one.

With a Club score of 1472/1500 the Griffith team proved to be the best on the ground. Second place went to the team from the Echuca with the Noorat Club in third place.

### Glenn Cup - Australia Vs New Zealand

This very popular competition against New Zealand saw the Australian Team of Stephen Atkins 50, Arthur Turner 50, JW Smith 50, Neil McWhirter 50 and Bryan Rafferty 50 successful in winning this event with a total score of 250/250. The New Zealand team of Ray Everett 47, Evan Johnston 49, Neville Crawford 46, Damian Briggs 49 and Chris Cassin shot a total score of 241/250. Well done to both teams.

### Mackintosh Teams

Weather conditions were excellent for shooting and as always, competition for a position on the team produced some very competitive shooting. The Open team was decided on nine down with the leading qualifiers being Arthur Turner and Neil McWhirter on 497/500.

Brendan Burgess from the Majura Park Club was the best junior qualifier with a score of 490/500.

Team photos were taken and all interest now focused on the Mackintosh Competition. As always at the completion of the matches the scores were sealed as required under the conditions of competition and forwarded to the English Clay Pigeon Shooting Association.

The open team produced some excellent shooting with Arthur

Turner from the Griffith Club and Glenn Hayden from the Noorat Club both finishing with a score of 300/300. The shooters decided not to shoot off therefore an Open High Gun has not been awarded for 2005 at this time.

The women's team was very competitive and produced a score of 291/300 by Leanne Brandt from the Rockhampton Club to win the Women's High Gun. Daniel Allam from the Cecil Park Club claimed High Gun for the Junior team with a score of 292/300 and Jeff Nash from the Orange Club shot a score of 299/300 to take the High Gun the Veteran's team - a great effort all round.

### Veterans Aggregate

The Veterans Highest Aggregate Score shot over the three Mackintosh qualifying events was won by Jeff Nash from the Orange Club with a score of 491/500.

### Oldest Competitor

At 76 years of age, Raymond Mason from the Devonport Club was the oldest competitor at the 200 National DTL Championships.

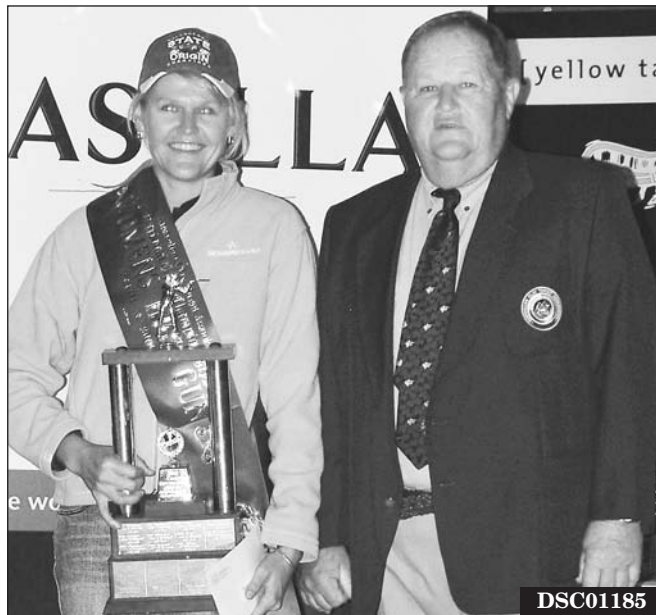

### All Australian Team

The All Australian Team for 2005 comprised of: Neil McWhirter Narragin 717, Arthur Turner Griffith 712, Glen Hayden Noorat 710, Craig Bentley Port Augusta 709, Domingo Diaz Mansfield 709, Robert Andrews Bordertown 708, Roger Duthie Hamilton 708, Phil Grainger Noorat 708, Ross Walsh Griffith 707, Geoff Faulkes Albany 706.

### High Guns

Casella Wines representative James Vardanega was on hand to present the High Gun winners with their awards.

Graded High Guns were again awarded this year with Arthur Turner Griffith NSW winning the AA Grade on a score of 712/725

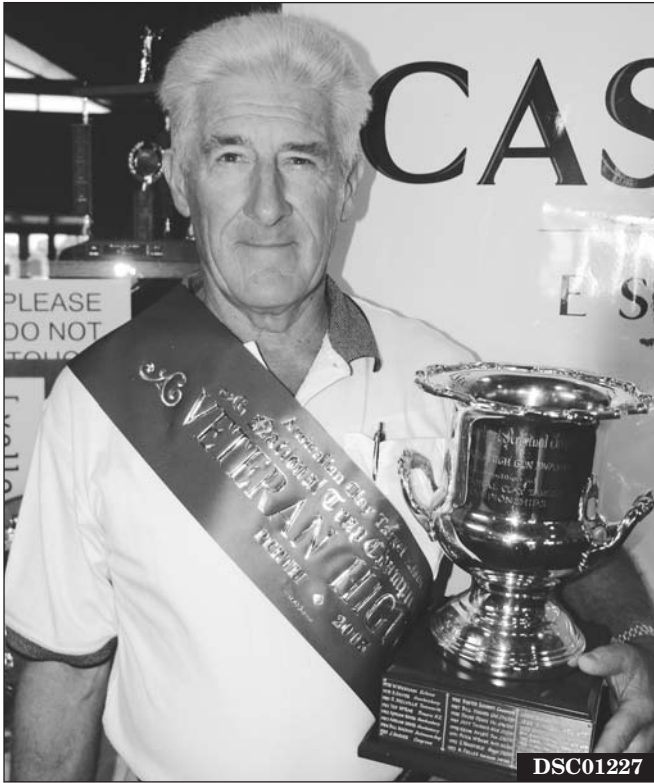

A Grade went to Anthony Brown Alice Springs NT 702/725. B Grade winner was Chris Vodden Eastern Godfields WA 690/725. C Grade went to Darryn Cutting with a score of 645/725.

Leanne Brandt, Rockhampton QLD, was presented with the Eley Perpetual Trophy, Royal Blue Sash and Trophy for winning the Women's High Gun Award with a score of 679/725

The Junior High Gun was awarded to Brendan Burgess of the Majura Park Club in ACT with a score of 698/725. Brendan was presented with the Bill Iles Perpetual Trophy, Royal Blue Sash and Trophy.

Zac Felmingham of the Cosgrove Club in Vic was awarded the Royal Blue Sash for the Sub Junior High Gun with a score of 652/725.

Bairnsdale Club shooter Stan Collins had a great National series and topped it off by taking the Veterans High Gun award of the Cec Herbert Perpetual Trophy, Royal Blue Sash and Trophy with a score of 700/725.

The Overall High Gun Winner was Neil McWhirter from the Narrogin Club in WA with a score of 716/725.

Mr. Colin Witt representing Mrs. Muriel Porter presented Neil with the Ron Porter Memorial Trophy and memento. Neil also received the J Newton Thomas Trophy, Royal Blue Sash and Gold Australia Badge.

# Psychological Skills for Shooting

by Michael Kruger-Davis

## Action Readiness

During the last month I have been giving a lot of thought to fear. Not because I've been scared of anything but because last month I mentioned a story about a shooter who was scared before a big event, this made me think that fear is more difficult to deal with than we imagine. During this month a book arrived that my wife had ordered: "Move Closer; Stay Longer" by Dr Stephanie Burns. The book is about not letting fear keep you from getting what you want and doing what you want. The philosophy is part of the Parelli Natural Horsemanship program. The book looks at fear from a horsemanship perspective but there a number of parallels for shooters, most other sports and life in general.

Burns starts by explaining that the brain has its primary function to keep us alive and in good shape long enough to reproduce. As a result emotions, like fear are essential and come as standard features in all humans and animals. Fear therefore has a purpose to protect you from loss. This loss might be a loss of resources (money, friends, things), loss of love, loss of self-esteem, loss of face or confidence and most importantly, loss of life. Fear therefore keeps you safe and out of harms way. I've mentioned before about the flight or fight response when dealing with a stressor that may be life threatening, this response provides us with options to deal with what we are scared of. So how does the emotion of fear work?

Burns argues that each emotion is a unique program that the brain executes to quickly get the rest of the body and your mind ready to do something specific. Therefore emotions are called action-readiness programs. Your whole body becomes part of this action-readiness program and when caused by fear the responses are to run, duck and weave if you can, to turn and fight if you are trapped or to avoid doing things that scare you when you can get away with it. Burns continues by describing what happens when the emotions start in your brain and slowly take over the rest of the

body. Your heart rate changes to push more or less blood through your system. Your skin might flush with increasing blood flow; you may blush, get tingly skin or sweat. Your muscles can change tension and cause you to clench your fists, or scrunch up your brow, or shrug your shoulders. Your stomach juices get active which can cause you to have butterflies or feel nauseous. Your hair can stand on end and you may experience movement tics such as rubbing, scratching, tapping, picking or biting. Finally unbidden vocal bursts can spew forth like 'oh no', 'Arghhh', f\*#k!

The thing about an action-readiness program triggered by emotions is that they lead to and affect behaviour. Fear is always about something. Fear can never be about nothing it must be due to a person, thing, place, situation or task. For shooters the thing that is causing you to be fearful is rarely out there and may have no basis at all in reality; so it must be something you are thinking about. And if you're thinking about something scary then it's because you've moved from the present and started thinking in the future. What if..... If we continually focus on the "what ifs" and the "what might happen", then we lose focus and concentration for the job immediately at hand and for shooters we miss.

This then leads us to be more fearful and we tense up even more, and .....well you know the rest of the story. In previous articles I've written about staying in the here and now, remaining focused on the present and avoiding shooting in either the past or the future. Fear makes us lose sight of the here and now and we anticipate what might happen; we move into the future and we lose track of what we are doing now.

So how do we stay in the here and now? The short answer is to focus on your breathing because it will bring you back to the present. Then, when you have a chance practise some out of competition exercises that will help you focus and more importantly help you regain your focus when your mind wanders.

I noticed in the June CTSN an advertisement for Randolph Ranger shooting glasses. Glasses are now mandatory whilst shooting so when I had the opportunity to try these new CMT (Colour Mag Technology) glasses at the Nationals, I gave them a try. Now approximately 5% of males have a disorder called red vision defect so some shooters out there are always going to have problems with fluro targets. These glasses, as the advertisement says increases the contrast between the background and the target. When I put these glasses on I immediately noticed that red and orange seemed to literally jump out at me; sometimes it was nearly painful to look at bright red. So were they any good? At the nationals there were too many broken orange targets in front of every trap house so the targets were the same colour as the background until they got into the air. Figure Ground is a construct where we are able to discriminate a form within a series of other forms or the background. Anyone who has seen a "Where's Wally" book will know what I'm talking about. So with a background the same colour there was no perceived difference. I noticed a significant difference during the double rise. Because I knew where the targets would be I could look for them above the background; this is where they showed promise. Recording a personal best for the double rise also made me feel better about the glasses. Since the nationals I've used them for skeet, DTL and Ball Trap. What I have noticed is that by bringing the red up faster means that target acquisition is made earlier, thereby allowing the shooter to know its' path earlier. I personally believe that it is necessary to protect our eyes when shooting; just as I wouldn't use an angle grinder or a chainsaw without wearing safety glasses. Therefore, if we need to wear glasses we should use ones that the technology has been developed to make the task easier.

## 'The Rabbit King'

An autobiography of  
Jack McCraith's life.

*Jack was inducted posthumously into the ACTA's Hall of Fame this year. The book outlines Jack's colourful and eventful life, including his business, which at its peak in 1949 exported over 2,700,00 pairs of rabbits.*

*The book outlines Jack's shooting career in which he won about 80 titles during the 1940s and 1950's. The story includes live bird shoots and the gambling that occurred with 35 registered bookmakers at such shoots.*

*Jack was a compulsive gambler and current shooters may find this an interesting aspect of competitive shooting in that era.*

# Hall of Fame 2005

**The Hall of Fame dinner was held at the West Australian Gun Club's Clubhouse Thursday 7th April 2005.**

The West Australian Gun Club has a wonderful set up with a clubhouse with seating for 160, full bar facilities and commercial kitchen. With a reduced number of tickets available this year all tickets for the dinner were sold before the end of March so when we arrived in Perth there were a few people who were hoping to obtain tickets. There were a few last minute cancellations, which allowed us to accommodate most people on the waiting list for tickets. To any that missed out I would suggest that you get in early next year. This year we had guests travelling from the United Arab Emirates to join with the Executive Members, shooters, and inductee's along with their family and friends to share in the presentation of awards and induction of the Hall of Fame Members.

All the guests gathered for pre dinner drinks from 7.00pm. The day turned out to be a lot warmer than expected but it didn't seem to deter people from dressing up for this special occasion. The official part of the evening got under way with Allan Kenny, Executive Member, welcoming everyone and introducing the MC for the evening Russell Mark. Russell gave us an outline of the proceedings and invited Mr Bill Jones, National President up on to the stage to present his welcoming speech.

**Arty Del Ben Grand Slam Achiever.**

To add to the atmosphere of the night the finalists and inductee's were asked to submit photos of themselves throughout their shooting career. These photos are then displayed on a 'big' screen. Everyone seemed to have a lot more hair back then. After the entree Russell invited Allan Kenny back to the stage to announce the first of the night's awards. This year there was only one shooter that achieved the Grand Slam. Arty Del Ben was presented with a Grand Slam Plaque in recognition of his achievement. The Grand Slam consists of a 400 break at 15 metres, a 50 break at 25 metres and a 50 break Double Rise.

This year one worthy member of

our Association was selected to receive the Presidential Medal for their contribution to the sport of clay target shooting. The ACTA Management Committee judges this award and the recipient was Mr Ray Mason. Mr Bill Jones, National President did the honours and made the presentation to Mr Mason.

Doug Smith was unable to attend this year's dinner but we were lucky enough to have Mr Colin Witt to stand in for him.

The finalists for the Doug Smith Medal for 2004 were:

Glen Castellaro NSW

Ben Rumbel NSW

Arthur Turner NSW

Ray Collinson QLD

Craig Bentley SA

Tom Turner Jnr NSW

Neil McWhirter WA

And the winner was - GLEN CASTELLARO!

Doug has had a lapel pin struck for the winner of the Doug Smith Medal. Colin presented this to Glen along with the medal and a commemorative plaque. Glen was very pleased with his achievements for 2004 and thanked everyone for their support.

**Colin Witt presenting Glen Castellaro with the plaque for winning the Doug Smith Medal.**

Colin then invited Socrates Pilipasidis up to the stage to be given a lapel pin for winning the medal in 2003 retrospectively.

Once everyone had finished the main meal Russell invited Stephen Atkins to the stage to assist in the Hall of Fame interviews. Russell read through the achievements of each inductee as they were called up.

The first two inductee's were being presented posthumously and received a Certificate of Induction to commemorate their induction.

The first inductee was Mr Jack McCraith. His son Colin was there to represent Jack. Quite a few family members were able to be in attendance as well. During his interview with Steve Colin spoke of the memories he had of his father shooting as well as stories of his career as a Rabbit Merchant. Colin generously donated two copies of "The Rabbit King" a biographical account of Jack's life, to be used as lucky door prizes throughout the evening.

Mr Sperry Marshall was the second inductee with Allan Kenny and Sperry's 16yr old grandson Callan representing Sperry. Allan knew Sperry quite well and was able to entertain us with a couple of stories about Sperry during his shooting career.

Callan then talked about the positive influence his grandfather had been in his life. Sperry's wife and daughter were also in the audience on this special night.

Steve then amused the audience with a couple of anecdotes about his trips overseas and the 'interesting' things he had seen in his time shooting.

The final inductions were made after dessert. The inductee's were presented with a Hall of Fame Jacket, a gold Australia Hall of Fame Badge and a Certificate of Induction.

Russell introduced Mr Jack Headon as the next inductee. Jack had travelled with his wife and family from Hay, NSW with one daughter flying in from the United Arab Emirates for the occasion. Jack's son Phillip was present and accompanied his father to accept the awards. Jack's achievements were read and Phillip spoke about his father's achievements, which when read out by Russell seemed endless.

Mr Pud Burgess was up next and we were very pleased that he could make it as he had spent a few days in hospital earlier in the week. Pud along with his son Victor and daughter Louise was interviewed by Steve, with Pud recalling some memorable moments experienced whilst being a shooter. Victor and Louise gave accounts of their trips to the gun club with their father in their younger days. Pud and his wife and family had travelled from Cobarr NSW for the night and they were very proud of their husband and father.

There are always people to thank on these special occasions and firstly I would like to thank Russell Mark for being our MC for the evening. Russell does an excellent job and his experience has been invaluable. Thank you Steve Atkins for stepping in and being the sidekick at very short notice. A job well done. Thanks to Mark McInnes for his record keeping, an often thankless task but so important. Thank you to the West Australian Gun Club for all their help with the organisation of the dinner.

JUNE - 2005

**Well I decided at the last minute to get on a plane and head up to Sydney to suss out their 200 target ISSF trap event, goaded by my travel partners, and the lure of possibly winning a gun for myself. (Always gotta be confident!!)**

My form of late had been a little poor, but has lifted over the last couple of weeks. Overall went to Adam Vella, picking himself up a brand new Miroku for his efforts. He shot a 183/200 + 22 in the final to be 4 clear of Tom Turner. For the record I finished in seventh spot.

Cecil Park ran a fairly good ISSF shoot, but it was strange to see this event ran over three layouts, which meant that not everyone shot on the same grounds over the 8 rounds. Probably 2 layouts would have worked in better. Apart from that, it was pretty smooth sailing, with not a hitch. Although their selection of weather on the Saturday was a little ordinary, but at least Sunday's weather was perfect. The club should be commended on their sponsorship effort, as the prizes on offer were fantastic and rarely seen at ISSF competitions. I must lastly make special mention of one particular shooter from Sydney who dyed his hair from brown to a bright Golden Blonde. Tony Cantali what were you thinking?? Funny stuff!! If anyone would like a photo emailed to them of Tony's Blonde locks, please feel free to email me.

While writing this instalment of "In the Trenches", our World Championship team has departed and are on their way to Italy, first stop Rome for the World Cup then the following week to Lonato for the World Championships. I hope all do well and bring a swag of medals home to Australia. Things to look out for at the World Champs this year will be:

\* The return of Russell Mark to the Double Trap team. It will be interesting to see how he goes after a year out of the team. If his form in Australia is anything to go by, he should do very well. Tom Turner & Nathan Cassells will also be shooting this event, and are quite capable of posting excellent results.

\* Adam, Michael & Tom in the Trap event, all have had mixed success since Athens, which hopefully means big things from them in Italy.

\* Women's Trap will see Stacy Roiall, Suzy Balogh & Desire Baynes represent us, a very formidable team of women, Stacy's first Championship Team, look forward to some good results.

\* Men's Skeet has the Barton Boys, (Clive & George) teaming up. This event is very tough, and scores need to be incredibly high to make the final. I wish them well.

\* Women's Skeet has debutante Cherie Reeves on her way to Italy. Should be an invaluable learning curve for her.

\* Finally our Juniors, Brendan Burgess, Todd Malone, Lisa Cameron, Nicholas Kirley, Dean Reeves & Ronald Lawrence. Once again this will be a huge experience for them, hopefully benefiting them for future Australian shooting trips.

## ARE YOU FAIRDINKUM??

This months "Are you Fairdinkum" is dedicated to the fans who wrote letters to the editor:

1. Glenn Arnol - Duly noted Glenn, Weapon has been changed to Firearm and has been rectified for the magazine. Thanks for the compliment; I will try to keep making this Article interesting.

2. Robyn Langley & Kathie Gault - Thanks for all the stats regarding the Taipan Shield, much appreciated. For the record, I

was asked to write a controversial piece for the CTSN as this event seems to be disappearing before our eyes. The ACTA does not want it to end and nor do I. So if what I wrote upset you, I make no apologies, as it got the desired result. If in 2005 more than 3 teams enter because I upset them, then fantastic. The Taipan Shield will continue and prosper for many more years to come. By the way, I can't help it if no one from your club did a write up throughout the glory days. Oh, and haven't you heard that you are only as good as your last event! Rather than taking it out on me, maybe you should look closer at the goings on of your club's publicity officer!! Also in your last paragraph you stated I should do my homework and get the facts right. Well I wrote about the 2004 Taipan Shield and everything I had written was right. So what facts do I need to correct??

3. Christine Alexander - Well didn't I stir up a hornets nest here? My article seems to be vindicated by the level of response that I've had (overwhelmingly positive), and I find it very interesting that through the grapevine certain officials actually believe that it was all about them. All I can say is, I apologise for their guilt! And on that note I do applaud the fact that you had the capacity to actually stimulate additional discussion about something that is important to us all, OUR SPORT!

With respect to your comment about me using this forum for personal grievances, you couldn't be further from the truth. I like many others only expect to make an Australian Team when I am good enough to shoot the required scores.

On your point about the people in the Positions of Authority, just because someone volunteers their services doesn't automatically free them from criticism. Surely you could acknowledge that not all people in positions of authority are necessarily the most qualified - rather they might just be the right person available at that time. I am all for people sacrificing their personal time for the betterment of the sport, but not when they have hidden agendas. For the record, I am on the Committee of my respected club, and I do volunteer my time and effort to ensure the competitions and events we hold run smoothly. I partake in numerous activities around the club and give as much time as I can, given my ongoing commitment to improve myself as a competitor. I also coach juniors & anyone else that needs a hand.

I'm sure that many officials do it for the love of our sport, but there are others that commonly facilitate their EGO's through their positions and it is those who I would rather see fade into our memories and stay out of anything to do with the development of the sport. Chris I know your heart is in the right spot, and everyone is entitled to their opinion, as am I.

I look forward to many more constructive discussions in "IN THE TRENCHES"!

Writers must state their membership number, full name and address. Where possible, letters should be typed. The ACTA reserves the right to edit any letter for brevity. The ACTA does not necessarily endorse the opinion of our correspondents.

From 1/1/5 AA Grade % went from 97% to 98% so many AA graders who elected to stay in this position by being slightly under 97% are in A the original old, original grade. Consideration is going on, on what to do with complete collection of CTSN from 1 Sep 1947 Volume 1 to April 2005. Plus various early loose copies they would need to be (the collection) housed properly and locked up to stop copies being mislaid this is the whole archival of the ACTA these copies contain retrospect which is years earlier than 1947. Dear Your Say

RULE 1.01 (q) and RULE 1.01 (k)

It beggars belief that this rule was ever invented and after being suspended for a period of 12 months was reinstated on January

1st, 2005 and made compulsory for all "down the line shooting", where targets are being thrown away from the shooters and pose no risk what so ever.

Further more, the whole shooting ground has been declared dangerous not only to the shooters, but to everyone involved in running the shoot, even though they could easily be more than fifty metres from where shots are being fired.

Can this dictatorial committee explain why for many years of Clay Target Shooting, these areas were always regarded as safe and have never been proven otherwise and where eye and ear protection was a matter of choice by the individual, are suddenly, included in the net?

The threat of suspension - Rule 1.01(k) - for one month for anyone who breaches this rule is ridiculous.

If this committee persists with this course of action, it would be interesting to see what it would do if there was continuous heavy rain when at some time their Nationals are being held at Wagga Wagga. With shooters from overseas and all parts of Australia, will you stand your ground when shooters cannot see the targets because of rain on their glasses and give them ONE CALENDAR MONTHS SUSPENSION IMMEDIATELY, irrespective of who they are or where they come from, if they remove their glasses or will they just have to try and shoot the targets from memory or will you stop the shoot until the rain clears, however long that may take, or will there be a committee meeting and a dispensation of the rule put in place for your own convenience until your Nationals are completed?

What a windfall for the ANTI-GUN LOBBY!!!!!!!

Because the regime has made these rules themselves, they have automatically pleaded guilty to conducting a sport that is, they perceive, becoming more dangerous and where the whole area is now an area where eye and ear protection has become MANDATORY!!

A "please explain" from the Anti-Gun Lobby would be very difficult to defend under these circumstances.

I think this committee have become victims of there own egos and should resign before they do further damage to the sport of Clay Target Shooting.

Paul was groundsman for quite a number of years and still likes to potter around each month to keep things tidy.

## Mathoura surrenders to Bendigo

Bendigo shooters made a clean sweep of all events at Mathoura Gun Clubs April the 22nd night DTL shoot. With three events on offer for the Friday night clay target shoot, Bendigo shooters won all three events on a perfect night for shooting, with a calm, mild evening, that stayed at 23 degrees until the end of competition. With the knowledge that many of the local members were

intending to go off on holiday for this long weekend, the committee was apprehensive that numbers would be down, but visitors from Bendigo, Echuca, & Deniliquin brought attendance up to three full squads, which was reasonable for a holiday long weekend. The first event a 10 target Single Barrel cash divide, and only two shooters able to put a clean score on the board, Greg Hipwell (Bendigo) and local member, George Bradley, picking up \$13 each, with a host of others on one bird down. Second and main event, a graded 25 target Single Barrel Championship, with a shoot off between four shooters on 22/25, two dropping out almost straight away, leaving Peter Akkermans (Bendigo) and local member Murray Roberts battling it out until Murray let one escape, to give Peter, the Overall Sash & AA grade win. B grade was won by local, Harry O'Conner 22/26, & C Grade won by junior shooter Jack Collicoat (Deniliquin) on an excellent score of 21/25.

Single barrel shooting, hard enough at any time, but add night to the equation and it becomes a whole lot more difficult. Last event, a 15 target Double Barrel with three places available. The only possible shot was a Bendigo member, Greg Hipwell, taking out first place on 15/15, a shoot off between Peter Akkermans & George Bradley both on one target down, for 2nd & 3rd, with George not missing any targets, to collect 2nd spot on 34/35, and Peter taking out third on 33/35. An excellent night for clay target shooting & food, well catered, by Jenny Kerslake, made for an enjoyable night for all.

### **Frederick (Fred) Atkinson** **Born 1915 - Died April 2005**

The South Australian Gun Club is sad to report the passing of long standing member Mr Fred Atkinson.

Fred was an Honorary Life Member of the Club having earned this award for his many years of outstanding and unstinting service. So remarkable was Fred's efforts in the running and maintenance of the Club that he was recognized by the ACTA in being awarded the Presidential Medal.

Fred was not only a dedicated supporter and worker for the Club but was also an accomplished gun shot who continued to compete successfully until fairly recently when declining health forced him to retire from active involvement in the sport.

Fred's achievements in regard to his shooting abilities and contribution to the Club would be significant enough for anyone, but when it is realised that it was done without the benefit of a left arm that was lost as a result of his war service then it is all the more remarkable.

Fred will be remembered by many shooters for his amazing one arm shooting skill and as the quietly spoken gentleman who assisted on shoot days and conducted practice sessions for them over a period of many years.

A person to be respected and liked, all those who knew Fred will not forget him.

The Club wishes to extend the deepest condolences to his family.

### **Howard James (Mick) Smith** **7 July, 1915 - 14 May, 2005**

It is with deep regret we announce the passing of Howard James (Mick) Smith, founder of Mick Smiths Gun Shop, George Street, Sydney. At the time of his passing Mick was still, a member of Mew South Wales Gun Club. Mick in his prime was an outstanding Trap shooter of International standard and in fact made the Australian Trap Team in 1954, 1955, 1956 and 1962. He was selected and trialled in Melbourne as a member of the Australian Trap Team for the 1954 Olympics. Mick was so proud that he owned and operated the best known Gun Shop in Australia at the same location for over 60 years. He will be sadly missed by all, particularly the shooting fraternity, many of whom can thank Mick for their introduction into the sport of hunting and clay target shooting. His sons Micheal and Howard will continue to operate the business in the same location. Mick died peacefully on Saturday morning the 14 May 2005. He is survived by his wife, Beth, sons Micheal and Howard, daughter in law Belinda and granddaughter, Cian.

### **John Neil Biddle** **Born 30 August 1928 - d. May 2005**

The Cecil Park Clay Target Club reports with sadness the loss of one of its valuable members, John Biddle, after his courageous battle against cancer. John was a familiar face and a friendly member of the shooting fraternity as well as a keen target shooter, attending mainly with the Wednesday group.

During his lifetime he was a member of various field and game groups and, for the last decade, an active member of the Cecil Park Clay Target Club, where for a number of years he served as a member of the board of Directors.

John was a quite man and always had a good word, and a smile for everyone. He had a way of making the person he was speaking to feel as though they were the only one there and that, he was glad they were talking to him. The real gift of a true gentleman.

He worked with his father as a farmer, and then on his own farm till he retired to the hills of North Richmond where he lived with

his wife Nola for about 17 years until they sold up and moved into town at Richmond just recently.

John's retirement was not without problems and he recently spent some 7 weeks in Nepean Hospital. He returned to his new home where he passed away quietly.

He will be missed around the shooting scene by his friends and associates for his loyalty, friendly manner, patience and his willingness to contribute.

He will especially be missed by his mates from the Wednesday group at the club with whom he shared a strong bond.

He was a good husband and family man, and is survived by his wife Nola and daughter Karen, to whom we offer our deepest sympathies at their loss.

## **LEETON GUN CLUB** **Max Stanmore Memorial Shoot**

Sunday 24th April saw 99.95% ideal shooting conditions greet the 25 shooters who rolled up to the Leeton Gun Club to contest the Max Stanmore Memorial Handicap medley shoot. Visitors came from all over the Riverina to participate in this inaugural shoot to remember the late Max Stanmore and his love of handicap events. The first event was a 10 target Pointscore and only three shooters managed 30 /30, John Speer, Dick Collier and Trevor Stockton.

The next event was the Memorial Shoot event and there were no possibles (50/50) shot, but there were two 46/50's and two 45/50's.

After the medley shoot off it was Alan Bound from West Wyalong way who emerged victorious (54/60) with Ian Taylor second on 53/60 and Michael Manley third, the veterans was won by Eric Wardman. Alan was presented with a magnificent trophy and will have his name inscribed on the perpetual trophy. Alan will from now on be very polite to all secretaries, he fronted up to nominate, addressed the secretary as an old so and so and was given a metre for his efforts on the day.

The last event for the day saw the real burglars come out. It was a 20 target D/B cash divide and the three 20/20's were Alan Bound (AGAIN) Gary McDonald and the old fox Sam Papisidero.

The overall High Gun was won by Dick Collier with a score of 93/100.

# ISSF World Championship Junior Team Training Camp

## May 2005

**Athletes : Trap — Todd Malone, Brendan Burgess, Lisa Cameron.**

**Double Trap — Nicholas Kirley, Dean Reeves, Ronald Lawrence.**

**Coaches : Greg Chan, Graeme Boyd, Russell Mark.**

**VIS Sports Science : Nick Sanders, Steve Jacobs**

**Massage Therapist: Darien Roach**

**Team Admin: Gleniss Lawrence**

**This training camp was conducted at the Melbourne Gun Club to give the juniors attending the ISSF World Championships in Italy in May some technical assistance, an introduction to sports science and an insight as to expectations at the major event on the ISSF calendar.**

**ISSF World Junior Camp.**

The first session involved an overview of the weekend, an introduction to the sophisticated video program the VIS guys would be using, then a practical session on a pre match warm up routine. Massage therapy was also introduced and all athletes advised they should have a massage and stretching session during the course of the day. Urine samples were taken for hydration testing, details of which were revealed later.

This was followed by a two and a half hour session on the range with the coaches and the sports science boys filming all athletes.

Over lunch the video footage was reviewed and discussed and deficiencies pointed out.

After lunch another two hour practical session to try out some of the suggested changes. These changes were only ever going to be of a relatively minor nature as wholesale changes so close to a major tournament is not on unless there are significant technique problems that must be addressed.

Mid afternoon lecture revolved around travel strategies and how to combat the effects of a long flight to the other side of the world. Hydration is a major factor in this strategy and the results of the samples were revealed to show that all were dehydrated to some degree. The effects of dehydration on performance was then explained and a plan put in place for that night to increase hydration.

The athletes were then given a training and travel diary which has

all the information received and sections to record all training and competitions. This is required to be filled in and maintained at all times so the information along with the video footage can be used to build a profile of each athlete.

The day was rounded out by another two hour practical training session.

Saturday night a barbeque was held to keep the group together followed by a session and discussion on the expectations and experience the World Championships would bring, and how to handle them. A video of the Athens Olympics was then viewed to provide motivation and instil a sense of pride to be representing Australia.

Sunday started with urine samples that showed none of the athletes had implemented the hydration strategy discussed the day before, with only one being in a border line acceptable level, two being dehydrated, two severely dehydrated and one very severely dehydrated. Had this been a competition day the latter three would have had absolutely no chance of performing at their best, and the next two little chance. Such is the importance of these strategies.

Then dietary issues were discussed and how this impacted on performance along with strength and conditioning and fitness.

A short training session was then held followed by a presentation on the mental side of the sport including

goal setting and how to handle pressure and expectations. Drugs in sport was discussed and the requirements of ASDA (Aus Sports Drug Agency) explained including the forms that require each athlete to nominate where they will be every day for the next three months in case they are required for out of competition drug testing.

A three round competition was then conducted to see if the athletes could put in place some of the suggested technical changes.

The camp was rounded off by a review of all items presented.

A big thank you must go to all the people who contributed to make it a success. Special thanks to Bob Buchan and the Melbourne Gun Club for making their range available and to the ASA for making it all possible.

If the athletes learn from this camp and it assists them to be better shooters in the future, then it has all been worthwhile.

The intention of this program is to fast track the development of our junior talent, so that we have a succession plan in place to keep producing world class shooters to follow those current Australian shooters who have helped us achieve international success at the highest level.

Junior development is the key to the future of ISSF and I trust that this will be the forerunner of many more such junior camps.

**Greg Chan.**

# Night Shooting at Echuca

Echuca Clay Target Club played host to club members from near and far on Friday night, the 29th of April, for their Victorian, State Night Mixed Target Championship.

Steve Atkins OA AA MT.

Also on offer were two Victorian North East Zone Night championships. Shooters from Swan Hill, Bendigo, Deniliquin, Walmer, Mathoura, Colbinabbin, & other areas attended resulting in seven full squads of competitors for the shoot.

Echuca committee wishes to thank all that travelled to attend, especially those from Swan Hill who really would have ended up with a very late night. It was certainly worth the Swan Hill shooters travelling though, as they featured prominently in the final results of the shoot.

Weather was perfect for the competition with no wind and mild temperature of about 10, four traps on offer made sure the shoot ran well, and finish in reasonable time, considering the number of shooters and the

Jamie Elliott OA AA Cont PS.

Echuca #3 Anthony Rullo OA A SB.

total of 90 targets on offer. Good lights and high dome white targets gave the shooters a very good chance to put in good scores, and the scores really were excellent for night competition.

Echuca member Steve Atkins collected the Overall Sash and AA trophy for the main event after a shoot off with a C grade competitor from Swan Hill, Fred Siciliano, who shot very well for the whole night.

The 25 target NEZ Night Continental Pointscore Championship needed no shoot off with all four grades, 1sts and 2nds, sorting themselves out on the scores.

Walmer shooter, Jamie Elliott collecting Overall & AA grade on an impressive 73/75 score in this very difficult discipline.

The last event a 25 target NEZ Night Single Barrel Championship, and a Swan Hill member, after a shoot off, picked up Overall & A grade prizes, Anthony Rullo, shooting an impressive 46/46 targets.

Full results for the night's competition are as follows. 40 target State Night Mixed Target Championship. OA & AA 1st S Atkins 93/95, AA 2nd Rob Viney of Echuca 58/60, A 1st George Goddard (Swan Hill) 58/60, A 2nd Ron Traill (Echuca) 84/95, B 1st Jordan Costa (Swan Hill) 57/60, B 2nd Roger Kerslake (Mathoura) 54/60, C 1st Fred Siciliano (Swan Hill) 83/95, C 2nd was Katrina Siciliano also from Swan Hill with a 48/60.

Event Two 25 target Victorian NEZ Night Continental Pointscore Championship, OA & AA 1st was Jamie Elliott (Walmer) on 73/75, AA 2nd Dominic Costa from Swan Hill 72/75, A 1st Lourie Gee (Colbinabbin) 71/75, A 2nd G Goddard on 70/75, B 1st J Costa 71/75, B 2nd R Kerslake 68/75, C 1st F Siciliano 65/75, and C grade 2nd was Karl Webster from Bendigo 63/75.

Event Three, 25 target Victorian NEZ Night Single Barrel Championship.

OA & A grade 1st A Rullo 46/46, A 2nd Ben Kerslake (Mathoura) 23/25, AA 1st S Atkins 45/46, AA 2nd J Elliott 23/25, B 1st R Kerslake 24/25, B 2nd Ron Cugley from Deniliquin 21/25, C 1st K Webster 25/29, C 2nd F Siciliano 24/25.

A very enjoyable night had by all, and with presentations all over by 11.30pm, for most locals, an early night home.

# ACTA SPORTING NSW STATE TITLES

The ACTA Sporting NSW State Titles were held at NLMCTC over the weekend of 16& 17 April 05

Newcastle Lake Macquarie turned on another great weekend with the grounds in superb condition and ideal weather conditions 8 squads of shooters on Saturday took up the challenge over the 4 layouts that had been lovingly set up by Graeme Hayes, Frank Searles and their merry band of workers whom over recent times have dug trenches laid cables, moved traps and set up all the electronics needed to run this event.

After being welcomed to the club, it was off to the traps for some serious fun. As the scores started to come in it was evident that the guys had set up an interesting set of targets with good scores across the grades over the 4 layouts. Several shooters starting the day of nicely with clean rounds were, Scott O'Brien, Frank Searles, Andrew Garvie and Stephen Newcombe, with others on 24's and 23's. At the 50 Target mark Gary Sweeny with just 1 target down was in the lead (Gary went on to shoot his next round clean winning for himself a much coveted 50 t/g NLMCTC break badge) several other shooters were just a couple of targets back. There was a sprinkling of red scores on the board as the day progressed with Rodger Kerslake B grade and Phil Pemberton A grade saving their best till last to finish with clean rounds. Frank Searles finishing as he started with another 25. A grade needing the only shoot off, with Bob Clifton and Steven Newcombe on 92/100 for 1st & 2nd and Phil Pemberton and Michael McCallum on 89/100 for 3rd. After a great shoot off 3rd place went to Michael 111/125, 2nd was Bob 130/145 leaving Stephen 1st on 131/145. Other winner's were AA grade Scott O'Brien 97/100, B grade John Adams 92/100, C grade Sean Lybrand 70/100.

Sunday saw the holding of the ACTA NSW State Championship, with the state sash up for grabs the guys saw fit to give the traps a slight tickle in order to raise the stakes just a little. Sean Lybrand started the day off well and although he missed a couple late in the day he had a good enough lead to take out C grade with 71/100. Several shooters (Key Raymond AA grade shooter 12/25) found out keeping a cool head on layout 4 was not that easy with the setting of 2 sets of report pairs and a single target, Rodger Kerslake held his nerves to shoot a good score and in the process winning B grade 83/100. A young Sam Sweeny enjoyed shooting off plenty of his dad's cartridges to take out A grade with a score of 85/100. Locked together on 78/100 Duncan Robinson, John Adams and Michael McCallum were in a 3-way tie for 2nd & 3rd in A grade, in the shoot off Duncan shot a great 23/25 to pip Michael 22/25 to take the money. Fittingly some would say Graeme Hayes and Frank Searles got to shoot some 'free' targets as they battled each other for 3rd in AA grade. Graeme, possibly running out of puff missed a few, Frank picking up a place. 1st in AA grade with 90/100 was Scott O'Brien, Scott shot wonderfully all weekend and in the process took out the 2 day O/All High Gun trophy, it was a great pleasure to all who watched him shoot.

Craig Tilley and Scott O'Brien, shooting in the same squad, commenced the final round level. With both men clean till station 4, Scott missed the last bird of a double, Craig continued on to score the only clean round of the day and a fitting way to win the ACTA sporting NSW State Championship with a score of 91/100, congratulations Craig.

The 2-day high gun winners were O/All Scott O'Brien 187/200

AA grade Gary Sweeny 185/200

A grade Stephen Newcombe 175/200

B grade Rodger Kerslake 172/200

C grade Sean Lybrand 141/200

The committee and the members would like to thank all the participants who travelled to our club to make this a successful event, we thank you for your positive feed back and look forward to seeing you again.

(l-r) Stephen Newcombe A grade 175/200, Gary Sweeny AA grade 185/200, Craig Tilley State Champion 91/100, Sean Lybrand C grade 141/200 and Rodger Kerslake B grade 172/200

Entry in this competition is restricted to Shooting Clubs using Corsivia Clay Targets. To qualify, clubs must buy a minimum of 1 pallet of clay targets over the duration of the competition. Entry is simple — use this page, or a photocopy. Fill in the number of clay targets counted on this page and register the name of your club and contact details in the box provided. Targets counted should include those targets in boxes but not targets illustrated on cartons. One entry only per club. The first correct entry drawn, will win for their club one pallet (12 000) of Corsivia clay targets shipped to anywhere in Australia. The draw will take place at the ACTA office in Wagga Wagga on Monday November 28, 2005. The result will be published in the ACTA Clay Target News.
