National President's Notes

Bill Jones

I have recently returned from a full Executive Meeting in Wagga. All States were represented over a 3-day period. Input was received from all the State Associations with various recommendations put forward.

We were pleased to welcome Ewin Perie, Dean Everett and Trevor Mason from New Zealand whose input was very useful.

National Ground preparation for the World Championships 2006 continues with all 15 trap houses in place and 2 sets of lanes left to be poured. All other 13 are complete.

Pre nomination continues to be received with some 440 accepted. It will shortly be necessary to create a reserve list. It is now anticipated a full field of 675 will compete.

Your committee expects 14 overseas countries to be represented with a full international competition expected.

HANDICAP & GRADE CHANGES

Club Management and Secretaries are reminded that after any event the Management must immediately re-handicap each and every shooter who for any of the reasons prescribed in the ACTA Handicapping Formula qualified for any movement of his handicap. Such adjustments are to strictly conform to the handicapping formula. No shooter is to be permitted to compete in another event should he refuse to accept his new mark.

A Handicap Return must accompany EVERY result sheet forwarded to the ACTA office within FOURTEEN DAYS of each shoot being held.

It is very important that all the information requested be provided - membership number surname and club.

If some clerical error appears on a shooters replacement handicap card when it is issued, it is the shooter's responsibility to have the mistake corrected and to shoot off the correct handicap mark. The Club Secretary, a member of the Executive Committee of the ACTA, Rule Supervisors or the State Handicapper, may correct errors and/or amendments. Correction to errors and amendments must be ruled out and signed with the correction or amendment clearly visible. Correction fluid or the likes of are not permitted to be used.

It is the shooters responsibility to ensure that all handicap and common mark scores have been entered correctly, and progressively totalled.

Club Managements, Rule Supervisors, State or Zone Handicappers or a member of the ACTA Executive Committee have the right to re-handicap or re-grade any obviously under-handicapped or over-handicapped, under-graded or over-graded shooter immediately. The Association is to be notified within 14 days with the reason given on a Handicap Return Form.

ACTA NATIONAL SPORTING CLAYS, 2005

The 12th National Sporting Clays were again held at the ACTA National Shooting Grounds in Wagga Wagga on the 21st and 22nd May. Participation at this years Nationals was slightly more than the previous year and visitors were again attracted from many states within Australia with members from the SSAA and Field & Game also represented. This year the ACTA had decided to use a new grading system which placed shooters in divisions at the end of the day.

Saturday saw 76 competitors contest the ACTA Sporting Clays Championship on bright sunny autumn day. The overall winner of this event was Bart Brighenti with a score of 103/110.

The division placings for this event were as follows: Division 1: 1st Max Kavanagh 102/110, 2nd Brett Dunstan 101/110, 3rd Peter Hall 101/110; Division 2: 1st Ian Stewart 93/110, 2nd Brian North 92/110, 3rd Rod Walton 91/110; Division 3: 1st Kelly Norris 99/130, 2nd Jarad Cartwright 94/130, 3rd Steve Sayers 85/110; Division 4: 1st Alex Mikolajewicz 67/100, 2nd Barry Wild 67/100, 3rd Brad Wignall 66/100. Robert Hall won the Junior section with a score of 87/100, Women's section by Kelly Norris 79/100 and Tom Harris won the Veteran section on a score of 84/100.

Sunday and another day of sunshine. 75 competitors turned out for the Commonwealth Sporting Clays Championship. The overall winner of this event was again Bart Brighenti with a score of 95/100.

The division placings for this event were as follows: Division 1: 1st Peter Hall 101/110, 2nd Brett Dunstan 97/110, 3rd Soc Pilipasidis 100/110; Division 2: 1st Rod Walton 91/110, 2nd Milton Cartwright 104/130, 3rd Brian North 103/130; Division 3: 1st Ian Swindley 92/110, 2nd Noel Watchorn 91/110, 3rd Kelly Norris 90/110; Division 4: 1st Clive Peacock 75/ 67, 2nd Toni Henshall 75/110, 3rd Alex Mikolajewicz 71/110. Robert Hall won the Junior section with a score of 86/100, Women's section by Kelly Norris 77/100 and Tom Harris won the Veteran section on a score of 80/100.

National Sporting Clays Championship

The format at this years National Sporting Clays Championship was unchanged from the previous years with the event being decided over both days.

All sections were again well represented and Field & Game member Robert Hall securing victory in the Juniors division with a score of 173/200. Tom Harris from the Tumut Club was successful in the Veterans division with a score of 164/200 and Kelly Norris won the Women's section with a score of 156/200.

The division placings for this event were as follows: Division 1: Brett Dunstan 185/200; Division 2: Craig McNeil 180/214; Division 3: Ian Swindley 158/200; Division 4: Barry Wild 136/200.

The overall winner and National Sporting Clays Champion for 2005 with a score over the two days of 188/200 was Bart Brighenti from the Griffith Gun Club. Bart received the Royal Blue Sash and pewter belt buckle for his efforts.

The ACTA would like to thank Beretta Australia for their sponsorship of this event and the Wagga Gun Club for their continued assistance with these Championships.

ISSF WORLD CUP CHANGWON - KOREA

The majority of the shooting team left from Sydney on the 7th April. This World Cup was a full World Cup meaning it was for Clay Target, Pistol and Rifle. Most World Cups that we attend are Clay Target only. Travelling with the Australian Team were the Rifle Coach, Pistol Coach and myself.

We flew from Sydney to Seoul where the guns were checked and we then flew another hour to Busan where we were met by bus to travel another hour to Changwon. The bus delivered us to our accommodation. Most of the shooters were staying at the Grand Prix Hotel while 6 pistol shooters and the 3 officials were to stay at the Grand next door. After allocating rooms for the team at the Grand Prix I made my way next door to the Grand. On arrival I was told the other two Officials had immediately left to try and find other accommodation as it was definitely not Grand. We were able to move from the Grand to other accommodation a half an hour away from the rest of the team. I chose to do a reshuffle of rooms and stay with my team and the bulk of the rifle and pistol shooters at the Grand Prix. I must thank everyone for their patience with IN that room and OUT that room. The Grand Prix proved to be definitely different accommodation to what we are used to but unfortunately, this was the only accommodation available.

Tom Turner, Craig Trembath, Adam Vella, George Barton

Tom Turner waiting for final

Michael Diamond - silver medallist

Next day was Official Trap Practice. On arrival at the shooting range the first impressions were pleasing. Everyone thinking that the background looked good and the targets would be easy to see. Due to Technical problems of Traps the 3 Ranges were arranged as follows.

The trap girls keeping warm

Range A 1 - 15 Taiyang Korean Made

Range B 1-6 - 10-15 Loporte France Made 7 - 9 Taiyang

Range C 1-6 - 10-15 Loporte 7 - 9 Taiyang

The weather was light rain and cold. The Trap Team of Michael Diamond, Tom Turner, Adam Vella, Simone Tigani, Emily Signorotto and Michelle Beecham practiced well but realised the targets were not as easy to see as first thought.

Learning this day were a group of school girls from a nearby school. They were being taught how to use the Official Flip Scoreboard. I attended a Technical meeting where the New Rules for 2005 were discussed.

Michael Diamond, Tom Turner, Gleniss Lawrence, Michelle Beecham, Simone Tigani, Emily Signaroto

We woke the next day for Trap Competition which was to be 75 Targets for women plus Final and 75 Targets for men. Raining Cold Very Wet. The ground was covered in water. Trouble with the Traps, broken targets and speakers not working. It was going to be a fun day. The Program had to be changed because as of 12 noon Range B was 2 hours behind schedule and Ranges A and C 1 hour

15 minutes. The Program was changed that the men instead of shooting 75 targets would only shoot 50 today. The women would shoot 75 plus Final.

Simone shot 22 20 22 = 64. Michelle 22 19 22 = 63 and Emily 19 20 23 = 62. Simone was only one target off the Final. They finished well and never gave up. This was a great effort for these girls in the Development Squad. They did us proud under extremely difficult conditions. Their fashion statements on the shooting ranges could bring a whole new look. They had wonderful support from the Trap mens team. Thanks guys.

The Trap womens Final was shot under extremely cold windy conditions under the new single barrel rule. Ma from China with a score of 70 went into the Final leading by 3 and missed her first 7 targets and finished with a total of 11. After a shoot off finished in 4th place. Inoue JPN shot 67 and a great 21 to finish 1st. Giansanto ITA 65+14 5th and Dewitt USA 66+13 6th.

Day 2 of Trap Men 75 Targets. Still so wet underfoot and cold. Would have loved a pair of gumboots. A lot of broken targets and as yesterday I was kept busy checking flipboards as the school girls were having trouble with correct scoring. Tom Turner shot 25 22 23 22 21 to finish on 113. Adam Vella 24 24 23 24 23 = 118. Adam shot off for the Final but missed out and finished in 7th place. Michael Diamond shot very well scoring 24 25 24 24 25 = 122. Michael was in first place going into the final. Michael shot a 20 in the final to finish in 2nd place behind Pelliello ITA on 121 + 23. Bade USA 121+18 3rd Fabbri ITA on 118 + 21 4th Filipovic SOV 118 +16 5th and Lee SNG 118 + 15 6th. As you can see the majority of the scores in the final were not high and I think some thought has to go into the humiliating single barrel finals which can not be good for the sport especially when it is shown on television. Craig Trembath arrived today to a room of luxury.

The 12th was Double Trap Official Practice. It was also a day of teaching the school girls how to use the flipboard for Double Trap. A lot of broken targets or no targets coming out at all. We could sense big problems. Michael and the girls left for home today.

As was sensed not a good day for double trap competition. Continuous broken targets or no targets and to add to this shooters not excepting legal pairs when they came out, especially if they missed their 1st target. Refereeing was not the best. A lot of disputes and hold-ups. The Double Trap Team of Tom Turner, Adam Vella and Craig Trembath had to try and hold their composure. Craig and Adam shot well but were disappointed, particularly with their final rounds. Craig 44 45 41 = 130. Adam 41 47 42 = 130. Tom went into the Final with a score of 46 42 44 = 132. Tom was disappointed with his Final score of 39 to finish 6th. Eller USA 136 + 44 1st Di Spino ITA 136 + 43 2nd Hu CHN 133 + 44 3rd Alaktoum UAE 134 + 42 4th and Rathore IND 133 + 39 5th. George Barton arrived today.

Tom, Adam and Craig left the next day which was Official Skeet Practice and I'm busy sewing and then resewing Georges jacket. With the ongoing problems at the range they automatically change the program of Men's Skeet event to 50 targets Day 1 and 75 Targets Day 2 plus Final.

Skeet scores are normally very high so it was surprising at the end of Day 1 to see only one 50 on the board. George could see that the scores were not going to be high and was ready for Day 2 after shooting a 24 and 23.

Day 2 of Men's Skeet and George was in early Squad. Great weather quite warm and sunny. George shot a 23 in his first round at some very lippy targets which just got slower and slower as the round progressed. After supposedly fixing trap for the next squad they still did not lock in the spring and it just kept loosening off. George shot a 24 in his second and third rounds to finish on 118.

One shooter shone out in the Men's Skeet event - a young 16 year old from USA named Vincent Hancock. He shot a 124 + 25 to win this event by 3 targets to Elevteri ITA with 122 +24. Third was Achilleos CYP 120 + 25 Sychra CZE 121 + 24 4th.

I left for home and left George all alone to fly back the next day. It was great to have the Rifle and Pistol shooters show a real interest in our Clay Target events. They supported us in a big way and I would personally like to thank all of the shooting team for their attitude in a trying World Cup. I'll just finish with IN OUT.

ECHUCA SHOOT STATE NIGHT DOUBLE RISE

Clear, mild weather, combined with good lights and targets, promised good scores for the Victorian State Night Double Rise Championship event shot at the Echuca Clay Target Club on Friday the 14th May. 25 pair shot over two traps, and the first squad starting competition ten minutes before official start time meant a nice early finish for the night's events. Even though the attendance was reasonable for a night shoot, the presentations were all over by 9.30pm, allowing all that traveled to the shoot, an early night home.

With first and seconds in four Grades in the first event. The 25 pair, Victorian State Night Double Rise Championship. Surprisingly, no shoot off was required for any placings. Jamie Elliott (Walmar) just forcing out local member Steve Atkins by one target taking Overall & AA Grade on a very good score of 47/50, Steve collecting 2nd in AA on a 46/50. 1st in A Grade was club president Ron Traill 44/50, A Grade 2nd was Euroa shooter John King on 39/50. B 1st Mathoura member Roger Kerslake 38/50, B Grade 2nd Marcus Hargreaves (Yarrowonga) 33/50. C Grade 1st Len Coombes (Yarrowonga) 33/50, and C 2nd local, Simon Boyd on one less 32/50.

Event Two a 30 target Night Medley Championship. And, once again Jamie Elliott, who's shooting performance of late has been

excellent, showing the way to win, after a shoot off with Echuca member Peter Kerr to take out Overall & AA Grade on an excellent score of 73/75. Peter, collecting A Grade 1st on a score of 71/75. Scores of this caliber are very good for night competition. B Grade 1st was collected by Roger Kerslake on a 46/50, C Grade 1st L Coombes on a score of 40/50.

With plenty of hot food & drink available, and an early finish to the night's competition, a good time was had by all.

Murray Roberts.

A LIVING LEGEND

By Karen Bruin

Moree shooter, Frank O'Neill was recognised at the April shoot, for his contribution to clay target shooting by the Moree Clay Target Club. Frank has been a member of the club for over 15 years and has an annual event named in his honour which, attracts shooters from throughout the region.

Past Club President, Paul Tattam, presented Frank with a sash titled "Living Legend" from the Club. "Frank has supported the Club for many years. He is always willing to help other shooters, giving encouragement to people new to the sport. Four years ago the Club decided to dedicate an event to the Living Legend. The Frank O'Neill Trophy Day is growing larger each year." Mr Tattam said.

"It's all about doing something I like and having fun" Mr O'Neill said of a shooting career that has spanned over forty years. "I've been to a lot of places, made some great friends and enjoyed myself. I encourage anyone thinking of giving the sport a try to come to the club and see what we do."

59 shooters lined up to compete for the prestigious Frank O'Neill Trophy. Competitors travelled from Armidale, Inverell, Glen Innes, Guyra, Brewarrina, Goondiwindi, Texas and Tarawera to compete in the annual event. A full programme followed a successful open day at the Club on Saturday.

The Club hosted an open day for interested shooters from the region. Shooters were instructed in firearm safety and given a run down of what the Club aims to achieve before taking to the traps.

Brewarrina shooter Helen Overton was the Ladies High Gun. A closely fought competition fast gaining

popularity amongst the ladies is proving to be a winning formula. Overall High Gun for the day was Ken McBean from Inverell.

Major sponsors for the day included Namoi Cotton, McManus Engineering, Lowrey Small Motors, Lillymans Cordials and Not Just Tools.

NSW Western Zone Trap Carnival

Moree Clay Target Club are set to host the NSW Western Zone CTA Trap Carnival on the 2nd & 3rd July. Preparations are gearing up for an anticipated 130 shooters. The programme kicks off at 9.30am on Saturday with a 10 target Pointscore Eye Opener - cash divide. Seven events are planned for the weekend with a prize pool in excess of \$5,000 up for grabs.

Pre-weekend events are available for shooters arriving early. Not to be forgotten, activities for ladies arriving early or not participating in the shoot can be arranged by appointment. Sponsors Bella Sante have a range of activities available to pamper the ladies. Contact David Watts to make an appointment on 0438 657 144.

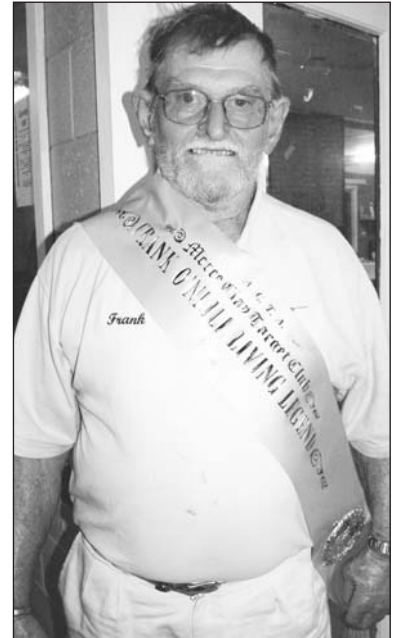

For the hungry hoards Club members will kick off with breakfast

from 7.30am on Saturday. Meals will be available on both days including dinner on Saturday evening.

For the adventurous shooters, ready to brave the chilly conditions, camping facilities are available.

How do I get there? I hear you ask. The Club is located about 10kms north of Moree on the Newell Highway (towards Goondiwindi). Turn right at the Camurra- Warialda Road turn off and follow the road until you see the sign on the gate (left hand side) about 2kms from the highway.

For more information contact David Watts 0438 657 144, Brett Farlow (02) 6751 1999 or Andrew McManus on 0429 457 673.

RATS ROUTES

12/3/05

Well today I head to New Zealand to have another crack at their National Championships. Glen Castellaro is picking up Craig Fitzgerald and myself from my Dental Laboratory at 1.00pm, which will give us plenty of time to drive to Tullamarine, sort out Customs and have a feed before boarding time of 7.00pm. The phone has just rung and a patient needs a tooth fixed on an upper denture, so it looks like I am going to work earlier than I first planned. March is not a good time to have denture maintenance at my laboratory. I shouldn't complain I suppose it will pay for some bullets.

Steve Atkins, single barrel 101/101 and Terry Boucher, double barrel 445/445.

We arrived at Customs at 4.00pm. Thank God we did, we had the worst experience ever. The big Sheila that attended to us looked like she had been sucking lemons for a fortnight. I did ask several times whether she knew what she was doing and she wasn't even sure about that. After 2 hours we left customs in a mad rush to book in.

I probably should have checked my Restricted Goods Permit more

The Tassie boys.

closely, because as it turned out they gave me a copy of Craig's forms and gave Craig his permit also. After booking seats we were told to hurry up and get to gate 2. This is where the serious trouble started. I was page, went up to the desk and they asked for all our Restricted Goods Permits. You guessed it I didn't have one! Another problem cropped up; Glen had taken his spare triggers through security. They weren't impressed. They decided I could get on the plane and all looked rosy for blast off at 7.00pm as scheduled but we were not to be so lucky. I was asked to leave the plane, and after a chat with the irate pilot and numerous airline staff I was issued with my Restricted Goods Permit and allowed back on the plane. We were now 40 minutes late. I was greeted by the other passengers with absolute disdain and got the distinct feeling that I wasn't very popular. We landed in Hamilton at 1.45am and we hoped things were going to improve.

The boys were a bit peckish so they decided a Kebab would be the go where as I preferred some real food, a Bakery with the lot. After sitting down with my chicken and donuts, two young blokes decide it was knuckle up time pushing my table out from under me. After they were broken up I kept thinking "I hope my luck starts to change and quickly". We got to bed at 3.30am.

13/3/05

At last we get to the gun club. The Aussies consisted of Terry Boucher, Rob Nisbet, Bryan Rafferty, Phil Headon, Simon Gee, Bert Boschetti, Stan Collins, Vince Gatt, Theo Leonatis, Brian North, Craig and Lee Bently, Russell and Michelle Felmingham and the Tassie Crew consisting of Brian Bailey, Ray Groves, John Crosswell, Bruce Barker and Alan Styles.

14/3/05

Double Rise and Mini's today after the 15 pair the best in was three 29's. The 'Great White Hope' (Big Simma from Hay) was one of them. After 4 pair Simma was one down along with one other bloke. This other guy didn't like his last pair very much, which meant Simma only had to put some lead on one bird and he puffed them both. We have a new National Champion!

Next up were the Mini's with 21 possibles; five of us shot them Glenn, Terry, Raff, Nissie and myself. Too make a long story short Graeme Williams won it at about 70. Terry finished 5th and I 6th Overall. My only plus was I had been the defending champion from last year with 74 straight and had shot a further 36 straight this year a total of 110. Although I missed plenty of targets from last year to now I haven't shot at a Mini target in that time and whether or not you agree with the NZ long break system I now have a 100 long run in Mini's. It was time to celebrate and listen to Simma tell us how he did it.

15/3/05

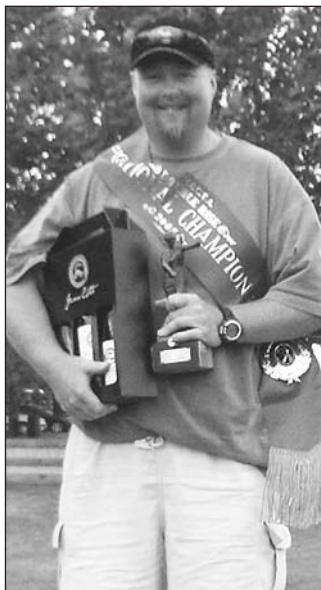

Today we attack the Triples. At the end of qualifying there were six possibles, one of which was Terry Boucher. After one round it was down to the legendary Ray Everett and Terry. One more round and a miss in the double Barrel for Terry and Ray had another title under his belt. It was not the best of days for us Aussies.

16/3/05

Today is Double Barrel day. There were 82 possibles and Michelle Felmingham came up trumps and won the Women's section. Most

Terry Boucher, DTL high gun winner.

Simon Gee, NZ double rise champion.

Michelle Felmingham, NZ women's double barrel and pointscore champion.

of us managed to shoot a few but when it got down to the bit that counts it was up to TLC (Glen Castellaro) and the oldest teenager in Bendigo. The light was getting a bit ordinary but they were both keen to keep shooting. Glen let his 445th land and Terry won his second New Zealand Single Rise Championship. We had a very quiet night at the motel. I cooked the lads a mixed grill; we watched a bit of telly and hit the cot early.

17/3/05

St Patrick's Day and the Single Barrel. It was a real good day for the Aussies, red chalk for Terry, Simma, Arthur, The Apprentice and myself and 10 Kiwi's. Arthur missed his 70th and we were down to one squad at 75. Terry and Simma both missed at 77 and Craig surrendered at 95, that left Phil Brown and myself. The break at 100 couldn't have done him any good as he let his first one land. I shot mine and that was that.

18/3/05

Today's event was Pointscore. Glen pulled a second on his last bird. Ray Groves, Vince Gatt and Craig Fitzgerald were the three Aussies to punch 150/150 out of a total of 11 possibles. Craig and Ray went early and Vince shot a dozen before he needed a second. Michelle won the Women's section again and the eventual winner was Steve Vincent, a local lad. Terry pulled three seconds but was still fortunate enough to get home in the Overall High Gun by one to Simon Gee and Craig Bently. After a lengthy shoot off Craig was runner up for the third year in a row. Raff, the only Veteran in New Zealand who hasn't got a grey hair from his neck up won the Veteran's High Gun.

We left the shoot as soon as possible to go and do some shopping for Hun and the kids before we went to watch a game of Rugby. All of us excluding Arthur have never been to a fair dinkum Rugby game before. Thanks to Michelle getting to know Wendell Sailor she managed to snavel six free tickets to the big game. We arrived at Waikato Stadium expecting the Chiefs to flog the Red's. Fortunately Arthur gave us a blow by blow description of what was going on but I still didn't get on the program. The Reds ended up winning 20 points to 6.

That's about it for another trip to Kiwi Land. I think all in all the Aussies as a group did fairly well. The highlights being Terry's High Gun win, Michelle's two Women's' titles and last but not least Simma's consistent shooting in all but the Mini's. The effort and practise the big postie from Hay has put in since taking up the game 4 years ago is exceptional and he thoroughly deserves any success that may come his way. Until next time

Psychological Skills for Shooting

by Michael Kruger-Davis

CHEATING

In last month's CTSN, Tony Edgar commented about those shooters who manage their percentage so they can stay in "their grade" as he calls it. In the area where I live there are some shooters who are well known for "managing their percentage", and I'm sure this is the case in most areas around Australia and perhaps around the world.

Tony also suggested that I might like to look at this behaviour. So I decided to take Tony's challenge and look at why shooters behave in a way that would be considered as cheating by the rest of us. Now I know I will be criticised by what I'm about to write but I've always lived by the credo that "If you walk on thin ice, you may as well dance."

I began my research by typing two words into a search engine on the net: cheating, sport, and received 815,000 hits. Most of the hits dealt with performance enhancing drugs, ethical behaviours of coaches and officials, modifying genes and cheating on your partner. Initially, I thought that I was not going to find anything that would offer Tony or others an insight into this behaviour. So I went back to my collection of textbooks, and to an article I wrote in June 2001 called "Motivation". Now I don't pretend to an expert on cheating behaviour, but after 20 years working as a psychologist, I have come to realise that we need to look at the motivation behind people's behaviour if we are going to explain it, or more importantly, understand it.

The problem with cheating is that it is tied up with so many other beliefs and attitudes that we hold. Cheating is a coping strategy; it is how some people cope (Christopher Skase was a good example). We also have to remember that tied up in this is our belief about the world, right and wrong and what we believe to be just: our moral autonomy.

A part of the answer of why people cheat lies in the motivation behind why they participate in sport. There are three main theories underlying motivation in sport; Achievement goal theory, Attribution theory and Need Achievement theory. For the purpose of our discussion here I will be concentrating on Achievement goal theory. Achievement goal theory suggests that two major goal perspectives operate in an achievement context such as sport: a task orientation and an ego orientation.

Put simply, a task orientation implies that one participates in an activity for its own intrinsic properties. The enjoyment of the game, the way we feel when we smoke the target, or catch a great wave, or sink a tricky putt. There is a great inner sense of satisfaction

when we do well or when we have achieved a personal best. Ego orientation (or outcome goal orientation) on the other hand has participants striving to demonstrate superior ability compared to everyone else or avoiding the demonstration of incompetence. The need for some athletes and coaches to use performance enhancing drugs would also fit into this area as athletes want to be the best at all costs or at least do not want to look poor compared to others. To this end, cheating is a justifiable means.

Both orientations are present in all of us; and the goal to achieve is what drives us to attend the next shoot. For the clay target shooter, task orientation occurs when we shoot a possible, or shoot a personal best, overtake our previous longest break or just absolutely smoke a target. The break badges section of the CTSN is a perfect example of this. Task orientation is what drives us to practise, visualise, concentrate and do any of the numerous physical and mental skills that enable us to perform well. Ego orientation occurs when we focus on comparing our performance on the personal standards of others.

Standing in front of the score board looking at the scores and feeling good because I shot better than so and so, is a perfect example of ego orientation. So too is the feeling we get when the sash is put over our head or when we shake everyone's hand on the way back to the clubhouse.

Ego orientation, however can get in the way of sportsmanship, dimensions of "respect for social conventions", "respect for rules and officials", respect for one's full commitment" and "respect and concern for the opponent". These dimensions determine whether or not we are good sports. The issue about ego orientation is that it is not all bad. It would be impossible for elite athletes to perform well unless they had a goal to become the champion by beating other people. There is somewhat of a contradiction here but the research shows that serious negative motivational consequences may arise when high ego orientations are combined with low perceived competence. So getting back to Tony's question about shooters feeling that they own a grade and managing their scores to stay there; it is proposed by the researchers in this field, that ego orientation would be more strongly related than task orientation to a willingness to cheat. Research by Duda (1992) found his results showed the predicted positive relationship between ego orientation and cheating, but not between task orientation and cheating. One of the problems human's have is that to achieve, learn, have fun, or improve it is necessary to take risks. We have to move out of our comfort zone and participate on an equal level with everyone else. Those shooters who "own their grades" do not want to take the risk of achieving a better result because that may mean that they are just participating and not winning. Their ego orientation and possible belief that they are not able to cut it in an open competition, means that they will not try to take the risk of performing better and being regressed. To do that would mean that they are task orientated and the fun and enjoyment of the sport is enough of a prize. Being ego orientated locks them into a pattern of behaviour that focuses them on winning something at all costs.

I hope Tony; I have answered your question, "What makes people think they own a grade?" It is easy to oversimplify behaviour and we must remember that we are human and therefore very complex beings (no matter how simple we seem to behave).

Sharpshooters at Echuca High

Echuca Clay Target Club hosted 40 Echuca High School year 9 boy students on Friday the 6th of May, for a coaching clinic on the sport of clay target shooting.

Although most of the students had never held a shotgun before this day, let alone fired one, after an initial talk on the very strict safety measures of gun handling and use, employed at all times, the resulting scores were something to be proud of.

Jason Nichol 10/10

Jack Wilson 8/10

The task before all boys was, with three visits to the Skeet layouts they had a total of ten targets to shoot at, in single barrel format. Committee members were able to give individual coaching to each student as they rotated their visits to the shooting station used.

The behavior and attention of the boys was excellent, and because of this, the ability to achieve good hand eye co-ordination resulted in scores that most did not think were possible. A few of the smaller and lighter framed boys did have a bit of a problem with shotgun weight but eventually they put a score on the card too.

Jason Nichol was the star of the day hitting all ten targets with ease, Rhys McGrath, Jack Wilson & Hew Smith all scoring eight, three scoring seven targets, and six was a popular number of the day.

All of the boys were impressed with the facilities on hand, and the sport, and declared they were looking forward to their next visit. Club committee wishes to thank teachers, Greg Cadd & David Pearson, and the Echuca High School for their interest in the sport of Clay Target Shooting and the good behavior of the students.

ECHUCA HIGH SCHOOL TOPSHOTS

On their second week's visit to the Echuca Clay Target Club Friday May 13th 2005 for another shooting clinic, the 40 students from the Echuca High School proved that although they really were novices to the sport, they were all able to put a good score on the board.

The star performer for the second visit was Rhys McGrath scoring an excellent 9/10 and by doing that, he edged out Jason Nichol for

overall honors by posting an 17/20, with Jason on an 16/20 score. Joshua Strachan and Brad Crilly both scoring a very respectable 14 out of 20 targets shot.

Most targets were shot from the number seven station of the Skeet layout, which is accepted as the easiest station to successfully hit a target, but take into account most of the boys had never held a shotgun before, let alone try to shoot twenty targets in single barrel mode. The resulting scores spoke well for the attention they gave to the Coaches from the Club.

Currently the Government is funding a Future Athletes Program which includes Clay Target Shooting, and soon nomination forms will be going out to all secondary schools, perhaps one or two of these students may be interested in applying.

The Echuca Clay Target Club Committee wish to once again thank teachers David Pearson, Greg Cadd and Ted Kaye, also the Echuca High School for promoting the sport of Clay Target Shooting to their Students. Although none of the students may ever take up the sport, they have now been taught to respect firearms, and have the knowledge of firearm safe handling and use.

TOWNSVILLE GUN CLUB

The Townsville Gun Club hosted the Northern Zone 25 DB Continental Championship on Sunday 15th May 2005.

A great turn out and range of shooters for this Sunday's events, with better than perfect weather for all layouts, this produced some amazing shooting from the lower grades of competitors which made for some high pressure shootoff results.

Everyone shooters and spectators held their breath as C grade H Lategan took out the much prized, Northern Zone Continental Championship Overall winner sash, after a very tense shootoff. Well done Mr Lategan.

Today's, Northern Zone Continental Championship results are as follows:

Northern Zone 25 DB Continental Championship: Overall winner H Lategan 27/27

TEXAS CTC ANNUAL SHOOT 20 APRIL 2005

We've held a lot of shoots but never written into the CTSN so this is a first for us.

To run a successful shoot you need four things good targets, a well run office, good food, and good company. Sunday morning dawned a beautiful day with perfect weather, all sunshine and a light breeze to keep away the heat. This followed a hectic week of

12 year old new shooter Jack Webster pointing to his score.

preparation. The replacement of the trap machine on Layout No. 2 saw Bruno De Bortoli and Ray Potter fund the purchase of the new Canterbury machine with a team of volunteers to jackhammer out the old footings and relay a base thanks to new committeeman, Tim Middleton and team. As a result the targets were flawless for the first time use.

Tim's wife Silvana has taken on the Secretary's job and with the help of Andrew from Moree and Tom Durkin our Treasurer everything ran smoothly. Now, to thank the important people at any shoot the Canteen, Fay, Rhonda, and

Raylene fed us whilst Rod on grill made sure the steaks were as good or better than any restaurant They cooked and served up a main meal and desert that had us all thinking our vests had shrunk.

An excellent feed for the lucky 38 shooters and their families who attended. A good time was had by all and we'd like to thanks the following sponsors, Potters Petroleum SHELL, Rhonda and Tom Durkin (Echo Partnership), Bruno De Bortoli and many others for their generosity and no shoot would be complete without good company, shooters from Moree, Goondiwindi, Brisbane, Sydney, Tarawena, and Warwick. 12 year old Jack Webster shot the 25 Target Single Barrel clean this was the last event on the day well shot Jack. New Zealand Skeet Nationals 2005 Christchurch

A Warm Welcome in a Cool Climate

It was with some trepidation that three squads of Aussie skeet shooters made their way to Christchurch in May for the NZCTA Skeet Nationals. Most of us had been keeping an eye on maximum and minimum temperatures for a few weeks and were a bit scared by the low numbers being displayed. Monday the 9th started at

Mal Briggs 20 gauge and Kilwell 100 winner

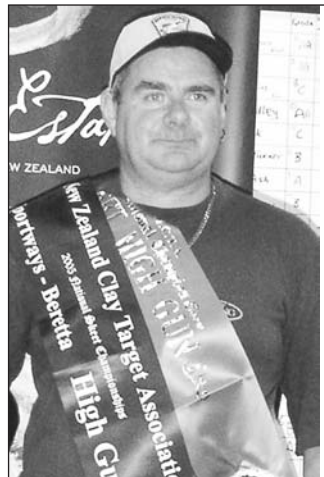

minus 3 Celsius with half an inch of frost on the windscreen! Ohhh This is going to be a great week!

And so it was. The temperature might have been cool but the hospitality was as warm as could be. Thanks to the many Kiwis who welcomed us and especially to the President of the NZCTA, Mr Ewen Pirie, the President of the Canterbury CTC, Mr Derek Sheen and our intrepid shoot Marshall, Mr Gavin Searle. In all fairness, the weather was kind for the week, no precipitation and sunny most days. I was assured it could have been much worse.

Canterbury CTC is a marvelous venue, and naturally all layouts were fitted with the famous Canterbury Voice Release machines. The background was clear, the clubhouse luxurious and we were

Craig O'Neill- Clever Mirage Handicap Winner

High Gun Winner Paul Johnston with new Beretta 682E

well fed and able to partake of a refreshing beverage or two at the end of shooting each day.

550 targets over six days gave plenty of opportunity for fun. Aussie shooters held their own and were prominent on the winner's stand. Mal Briggs from Frankston starred on two occasions. He shot the only hundred to take out the 20 gauge on Tuesday and then again

on Thursday to win the 100 Target Kilwell Pre-Nationals trophy match. Pedro Da Silva from Werribee won the shoot-off of seven possible 50's in the second trophy match on Wednesday.

Friday the 13th saw some magnificent shooting from relatively new shooter from Brisbane, Craig O'Neill who took out the Clever Mirage NZ Skeet handicap with a score of 50 + 184 shoot-off targets. Well done! In the afternoon the Glenn Trophy match between the top five skeet shooters from Australia and New Zealand got underway. A scratchy first round by our Australian team had their supporters worried, but a good comeback in the second saw our team of Mark Newman, Adrian Lucchitti, Paul Johnston, Nick Aird and Jamie Cameron win and retain the trophy with 244 over New Zealand's 240. Another well done! Anyone who has ever been involved in Team shooting knows it's not easy.

An all Australian shoot-off for the Baschieri and Pellagri Doubles on the last day of competition saw Adrian Lucchitti from Sydney edge out Pedro Da Silva for the championship.

Adrian also featured in the overall High Gun shoot-off with Grant Taylor from New Zealand and fellow Aussie Paul Johnston. Unfortunately Adrian dropped first and left a trans-Tasman battle between Grant and Paul, keenly watched by more than a hundred

Glenn Trophy team - Jamie Cameron, Nick Aird, Mark Newman, Adrian Lucchitti, Paul Johnston

onlookers. After several nail-biting rounds of the traditional shoot-off formula Paul Johnston emerged with the High Gun sash and the Beretta 682E Gold Sporting shotgun sponsored by Sportways and the crystal wine bucket donated by Merv and Margaret Pratt.

Congratulations to all the organizers and workers and the generosity of the sponsors for this great week of Skeet. This NZCTA championship is the second trial carnival since the Skeet was separated from the DTL carnival. By all accounts the NZCTA is pleased with the results; the attendance was increased in every event compared to last year, and a stand-alone Skeet Championship will now be a permanent feature on the NZ shooting calendar. The NZCTA has also adopted the complete NSSA rules and format which is a positive step to standardize and internationalise our sport. I hear on the official grapevine that the next NZ skeet meet will be changed to the last week in January, which will be very convenient for Aussie shooters who want to escape the blazing Australian summer for the balmy climes of Aotearoa. Can hardly wait!

Taree Wingham Gun Club

FLYING FOX CARNIVAL 23/24 APRIL 2005

Perfect weather greeted the 61 competitors for each day of our annual Flying Fox Carnival, held over the ANZAC long weekend.

The first event, a 25 target Double Barrel Cash Divide, including all grades, shooting the possible, testimony that Gemini traps remain the best value automatic trap on the Australian market.

The Wingham Country Lodge Single Barrel Championship followed, with regular visitor Artie Del Ben winning overall after a shoot off with Tom Harris (Tumut) & Brad Hooper (Kempsey). Port Macquarie duo, John Howel & Dick Piper won the A grade & B grade respectively & Camel Hill beauty Vicky Norris taking C grade.

Inter-club Challenge winning team from the NSW Gun Club. Rear from left: Don Johnson, Graham Dowling, centre: Artie Del-Ben, Rodney Van Beek; Front: Hugh McMaster and Denis Pearson.

Helen and Adrienne Gay, respective winners of the ladies and junior high guns.

Mal Tilley, director of Milperra Marketing, sponsor of the double barrel championship with overall winner Artie Del-Ben.

Vertans high gun, Peter Fitzalan.

The premier Double Barrel Championship, sponsored by Milperra Marketing, went onto dusk, with Artie again winning the sash & cash with 168/168, after a great shoot off with local A grader Jim Wilberforce 124/125 & B graders Gary Joass 167/168 & Don Johnson 132/133, pushing the NSW Gun Club shooter all the way. Junior Nathan Wilkinson of Greta took C grade 45/50 and our local club Secretary, Daryl Pasfield in AA grade 68/69. Sunday morning commenced with the Wingham Services Club ANZAC Handicap, a regular event, won this year by Don Johnson (NSW) 37/37, after a shoot off with Paul Turner (Cessnock) 36/37 and

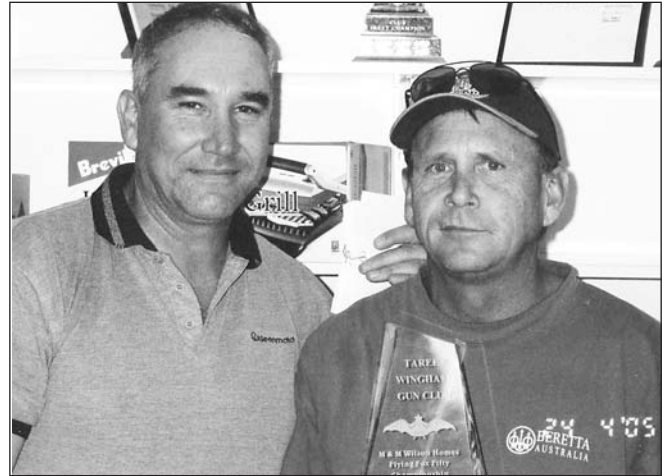

Artie Del-Ben, winner of the single barrel championship with Mitch Pedron, representing the sponsor, Wingham Country Lodge Motel, with club president Terry Duck.

Don Johnson, Anzac handicap winner.

Brad Hooper, overall carnival high gun.

Tony Norris, overall winner of The Flying Fox Fifty Championship with sponsor Michael Wilson.

Hank Macinnes (Port Macquarie) 32/33, Gary Carlyon (Gunnedah) 52/53 taking 4th from the Tamworth comedian Ross Freestone 51/53, who finished 5th & in the trophies.

Our annual championship, The Flying Fox Fifty, (25DB, 25PS), sponsored by M & M Wilson Homes, had to be decided again by a shoot off due to 4 shooters posting the possible 100/100. To his credit Tony Norris (Camel Hill) was too strong in the finish taking

overall 139/140 from Daryl Pasfield AA, & Tony Squire (Taree-Wingham) 119/120 & sponsor Michael Wilson 116/120, being first & second in A grade. Another local, builder, David Berry won the B grade 99/100 & Ken Sauders (Kempsey) 90/100 the C grade.

The final event, the Australian Hotel Double Rise Championship, sorted the men from the boys, with our National President, Bill Jones, winning overall 29/30. After a shoot off Artie Del Ben won the AA grade from Brad Hooper, Brett McKinnon (Port Macquarie) the A grade 27/30, Don Pearson the B grade 24/30 & local Steve Filby the C grade 21/30.

Regular visitor Helen Gay (Camel

Hill) won the Ladies High Gun for the carnival, with daughter Adrienne winning the Junior High Gun, & Peter Fitzalan (Dubbo) the Veterans.

The grade High Guns were won by Artie Del Ben AA, Paul Moore (Toogoolawah) A, Don Johnson B & young Nathan Wilkinson the C grade.

Kempsey Stalwart Brad Hooper, was the overall carnival High Gun with a fine score of 249/255.

The inaugural NSW Gun Club, Taree-Wingham Gun Club interclub challenge was also conducted at the carnival with the big new trophy being taken home by the visiting team of Rodney Van Beek, Artie Del Ben, Hugh McMaster, Don Johnson, Graham Dowling & Denis Pearson. Well done fellas.

The committee extends its appreciation to all the shooters who travelled to patronise our Carnival & we gratefully acknowledge the support of our sponsors, Wingham Country Lodge Motel, Milperra Marketing, Wingham Services Club, M & M Wilson Homes, Australian Hotel, Winchester Australia & the Firearms Safety Awareness Council.

A big pat on the back to our small band of hard working members for an organised shoot & for having the grounds in picture card condition. Also to Chris, Diane & Rilka in the kitchen, thank you for the great food & nibbles.

Hope to see you all again at next years Flying Fox, which will be held in conjunction with the Northern Zone Championships Carnival on the weekend of 29/30th April 2006.

Max Function.

Australian Hotel double rise champion, Bill Jones.

June - 2005

Lonato - World Championships have been shot, and not much joy for Australia. The best result achieved was from Deserie Baynes who made the final in the Women's Trap event finishing 6th a great effort in such a tough competition.

An awesome result was had at the Rome World Cup where Adam Vella came from behind to snatch victory in the Men's Trap event and claim Australia's first quota spot for the Beijing Olympics. He shot 118/125 + 23 + 2 in sudden death elimination. Just goes to show you that with the single barrel final format, you are never out of it, and can claw your way back in and win. Stacy Roiall tasted success in Italy as well, finishing with a Bronze medal in the Women's Trap Event shooting 67/75 + 19 in the final.

During the course of the month I have received quite a few emails. Robert Fox the President of the Darwin Clay Target Club sent me some information, reminding everyone that the Northern Territory ISSF State Carnival is due to be held on the 12th-13th of August and they are hoping to improve on the numbers. So all the keen ISSF shooters looking for a top quality layout, should seriously consider heading up and supporting the Darwin Gun Club. Our successful Athens Olympic Shooting squad had training camps at this range prior to heading off to the 2004 Games, so it is highly thought of. Also the 2007 Arafura Games will be held in Darwin, and is a unique opportunity to get the feel of competing against overseas competitors, which is invaluable. So pencil it your diaries, no doubt there will be more info on this next year for all those that are interested.

Donation

A gold coin donation was asked of the shooters and their families at the Shooters BBQ held at the West Australian Gun Club during the 2005 DTL Nationals.

This money was donated to the Telethon 7 charity appeal. A total of \$376.65 was raised and the letter of thanks is below.

Dear Cheryl

On behalf of the Telethon Trustees I wish to thank you for your very kind donation to Telethon.

For the first time in 36 years, the annual 24 hour televised Telethon charity appeal was conducted outside of Channel 7 Perth's studios at the new Perth Convention Exhibition Centre. The Telethon Tally Board reached \$2,867,467, the most significant total since 1999, with the assistance of your generous pledge of \$376.65.

Telethon's beneficiaries include Princess Margaret Hospital for Children, Telethon Institute for Child Health Research, Speech & Hearing Centre and other charities dedicated to improving the lives of children and young people throughout Western Australia. Your donation will greatly contribute to the provision of care, facilities, services and support provided by these organisations.

Thank you once again for supporting Telethon.

Yours sincerely

Majura Park Gun Club held its NSW Grand Prix leg on Sunday the 29th May. I have been told that the conditions were perfect, but cool in Canberra. A total of 5 squads competed in the event, which had been reduced to 75 targets to ensure that the event would finish on time. The Overall Winner was Frank Minici with 70/75, well done to Frank. This event was been made even more attractive by the club holding a separate 100 target Trench Handicap event on the Saturday. This allowed the club to sort out any technical difficulties with the home made magazine feeds on the traps. It is great to see another club actively pushing trench, and some people should realise that the club is doing its best.

Mildura Gun Club held their annual ISSF Double Trap & Trap Grand Prix on the Queens Birthday weekend. Four squads turned up for the Double Trap, the Overall Winner was Craig Trembath with 130/150 + 45 in the final. Closest to Craig was Russell Mark back on 124. Well done to Craig.

The Trap event saw seven squads participate; the Overall Winner was Nidal Asmar on 114/125 + 20 in the final. Deserie Baynes was close behind on 114 + 18. All the guys in Mildura, Len Cook, Larry Demasi, Max Partridge etc did a fantastic job to have the place looking sensational and running smoothly. The traps & targets were great. I can tell you that on the Saturday night I had a little experiment on just how many beers is enough!! When you can't remember it's a pretty good sign that you are done. The Home Made Beer at the Brewery Pub was sensational. Thoroughly enjoyable and can't wait to try that experiment again.

Congratulations to Russell Mark, who has been elected to the Executive Board of the Victorian Olympic Council. The Councils role is to represent the Australian Olympic Committee in Victoria. The council also stretches out to educate school aged children in the philosophy of being an Olympian & also promoting the message of "live clean, play clean" as part of its drug education program. Another impressive credential added to Russell's resume. Good luck with it.

ARE YOU FAIRDINKUM??

Informed sources tell me that German Police have released a particular skeet shooter on bail, after he was detained for forgetting to clear his bag of left over shotgun cartridges at the end of competition in Italy. Apparently he is lucky to make it back to Australia in one piece; it was looking quite serious there for a while. Hence the importance's of making sure your bags are clear of any left over shells before trying to board a plane. In this day an age the authorities worldwide take this very seriously.

The ASA should be commended for finding the money to fund the Junior Team to go to the World Championships in Lonato. It was looking as if they would all have to fund themselves to Italy, but a couple of weeks out the ASA came up with the money to fund their travel. An excellent opportunity for the Juniors & one they will never forget which will hopefully give them an advantage for future Australian Teams.

Newcastle Lake Macquarie Clay Target Club

Come and Try' Clay Target Shooting Day - SUCCESSFUL!!!

Congratulations to the members of Newcastle Lake Macquarie Clay Target Club. These members whom are a tireless bunch recently hosted an open day for people with disabilities.

Graham Gosling in conjunction with Sue Barben from NSW Sport and Recreation's Hunter Office organised the day which was well patronised by some 14 people with disabilities aged from 12 years to 75 who were supported by up to 25 family members.

The level of disabilities varied so the guys used a variety of measures to ensure that the kids (and young at heart) had a great time.

With several of the group in wheel chairs they appreciated the use of the extensive concrete paths that the guys have put in over recent times.

Rod Nicholson brought his 28 gauge gun which was much appreciated by some of the more frailty built shooters and using only low recoil cartridges the other participants had a great time smashing clay targets, Hitting flying targets proved beyond the challenge of some of these kids so some targets were set up out on the range on

sticks, the smiles on their faces when they blew them up was priceless.

A good number of club members turned up to assist with the running of this event as you could appreciate the level of supervision that was required to assist the participants through the challenges of shooting the targets. All of these men and women thoroughly enjoyed the time that they spent with these kids who showed great spirit in spite of their own difficulties.

Later in the day the carers' themselves had a go and judging by the smiles on their faces and the cheers when a target was hit they also had a great time.

We all enjoyed a BBQ lunch cooked by the boys and certificates from Sport and Rec were handed to all participants.

It was an extremely successful day with NSW Sport and Recreation's Hunter Office, Development Officer, Sue Barben said the day was a first for the Hunter Region, and gave participants the chance to experience a sport with a difference. She, the participants and their carers' thanked the club and members for their generosity and time as they enjoyed the sport enormously.

Inverell R.S.M. Clay Target Club

100 Pair Double Rise Championship

Saturday 16th of April Inverell held a Two Day shoot. Starting with Event 1 -Ball Trap Event 2 the start of the 2 day program 25t D/B C/D, Event 3 25T D/B Championship, Event 4 25T HCP with the events over for Saturday some of the shooters got some Double Rise practice in before the main event on Sunday.

Sunday 17th of April finally arrived for Inverell RSM Clay Target Clubs 100 Pair Double Rise Championship. The day was perfect not a cloud and no wind greeted the shooters who turned up for Inverell's first 100 pair D/R day. The grounds were immaculate, the 3 new Canterbury Traps were primed with targets and set up. The traps performed all day perfectly with no problems at all, they threw the pairs consistently and perfect all day. The seven squads of shooters who attended from the Gold Coast, Guyra, Moree, Tamworth, Glen Innes, Goondiwindi and the locals were all keen and ready to start. Olympic Trap shooter Tom Turner gave us his support for the day thank you Tom.

The day started with a 25 pair D/R C/D event with 1st AA Grade John Sleightholme & Geoff Lancaster 46/50. 2nd AA Grade John Kent & Tom Turner 44/50. 1st A Grade Joe Marshall 46/50. 2nd A Grade Jamie Hayes & Ray Brown 45/50. 1st B Grade Dimity Boydell 43/50, 2nd B Grade Tyson Kennedy 37/50, 3rd B Grade Tanya Marshall & Don McAdam 35/50. 1st C Grade Bob Schieb 32/50, 2nd C Grade Lance Kent 3rd C Grade John Clark 21/50.

With the cobwebs worked out the main Event 100 TGT D/R started taking overall and the \$500 was Craig Hayes (Tamworth) with 190/200 well shot Craig. 1st AA Grade Ken McBean (Inverell) 189/200, 2nd AA Grade John Sleightholme (Tamworth) 184/200, 3rd AA Grade Robert Gaden (Guyra) 202/220. 1st A Grade Joe Marshall (Tamworth) 184/200, 2nd A Grade Ray (Jumbo) Brown (Goondiwindi) 177/200, 3rd A Grade Michael Maloney 172/200. 1st B Grade Tanya Marshall (Guyra) 157/200, 2nd B Grade Dimity Boydell (Moree) 153/200, 3rd B Grade Don (furball) McAdam (Gold Coast) 148/200. 1st C Grade Bob Scheib (Gold Coast) 147/200, 2nd C Grade Lance Kent (Inverell) 128/200, 3rd C Grade John Clarke (Glen Innes) 124/200.

Overall High Gun Ken McBean (Inverell) 284/300, AA Grade Craig Hayes (Tamworth) 279/300, A Grade Mike Wade (Inverell) 240/300, B Grade Tyson Kennedy (Inverell) 214/300, C Grade Bob Schieb (Gold Coast) 211/300.

Many thanks go to the shooters who attended and supported the club. The members who sponsored the 29 sashes John Kent, Lance Kent, D & C Piskhe Bricklaying, G & P Anderson Day Care, Cindy McBean - Patches Coffee Mill, Ken McBean - McBean & Son in our first 100 Pair D/R event held by the club. Glen Anderson our shoot secretary did a magnificent job in the office as well as shooting & keeping the score sheets up to date. The ladies in the kitchen keeping everyone fed, Keith & Lance running the raffles and cleaning up the shells on the layouts (wish we had more Keith's). The club members who kept the clays up to the traps & Mike Wade for the score board updates. John Kent in giving his expertise with the setting up of the 3 new Canterbury traps to throw perfect on consistent Double Rise Targets all day. A lot of the shooters said they thoroughly enjoyed the day and will be back again. If you missed it "Yes we are going to hold it again" in March 2006 put it in your shoot diary or keep a lookout for it.

**Thankyou

Sydney CTC Double Rise Extravaganza

On Saturday the 31st of April Sydney CTC held it's inaugural 150pr Double Rise Championship. A beautiful day dawned and while numbers were down a little on what was originally expected 21 shooters took to the traps to show what they had.

The committee had worked especially hard to set good doubles for this shoot (as they always do!). With 150 pairs of doubles it was an excellent chance for the good double's shooters to shoot a double rise break and the not so good doubles shooters to improve their doubles shooting.

With a variety of shooter's from Sydney, Marconi, Cecil Park, NSW Gun Club and The Forest CTC, it was the experience of renowned double's shooter Arty Del-Ben who led from beginning to end. Shooting a very impressive 47/50 in the first round Arty kept his composure and remained consistent throughout the day to take out the overall prize with a very good score of 271/300. Rodney Van Beek from NSW Gun club was hot on Arty's tail all day and took out "AA" grade with a very good 260/300. "A" grade was taken out by seasoned Lady shooter Loz Lloyd and "C" grade was taken out by Sydney CTC Junior Matthew Salem.

Many thanks go to the Sydney CTC committee who helped put on an excellent shoot! Check the CTSN for upcoming Double Rise shoots as with much positive feedback from a lot of the shooters on what an enjoyable day was had we will definitely be holding more of these shoots through out the year.

Dear Your Say

I write in support of Kathy Gault and Robyn Langley and the contents of their letter in "Your say" in the June issue of CTSN.

Between 1989 and 1997 I was privileged to shoot in the Taipan Shield team for Cressy Gun Club in Tasmania. During that period Cressy won the shield in 1990, 1992, 1993, 1994 and 1997 - 5 out of 9 is not bad in anyone's language. It is pretty clear that Cressy have almost equal bragging rights with Majura Park!

As stated by Kathy and Robyn, when the Werribee Taipan Shield Team have achieved as many wins as some of the clubs who have competed in the past then, Dustin, please feel free to sing their praises. In the meantime, perhaps you should check the rules of entry. Unless they have changed in recent years, a team cannot be formed in 'your area, zone, State, whatever'.

The rules are specific. The Taipan Shield team has to be a club team that consists of no less than 3 ladies registered with the one club. I do not believe that requirement has changed and is the primary reason Cressy has not entered a team now for some years. So contrary to your assertion that 'they (Werribee) are counting on you doing absolutely nothing', many clubs simply would not qualify to enter a team.

Dustin, if you are going to write what could essentially be a good column for the CTSN then please ensure that, regardless of what you write about, your facts are accurate. So far, your 'facts' on any subject have not been that great!

Dear ACTA

We are so very grateful for your collection of donations to the amount of \$820.00 in support of CARE Australia's Southern Asia Appeal. Please extend our thanks to all those involved in your fundraising efforts.

CARE is focusing on delivering assistance in the four worst-hit countries. Now initial relief needs have been met, CARE will focus on helping people to rebuild their communities over the longer term.

In Indonesia, CARE is distributing water purification kits, helping survivors protect themselves from water-borne diseases. We are also providing buckets with lids and jerry cans to help people store and safeguard their drinking water.

In Sri Lanka, CARE is working with its partners and the Sri Lankan government to provide basic food, clean water, clothes, bedding materials, temporary sanitation, and other basic supplies in six of the hardest hit areas.

In India, CARE is distributing relief items and is procuring large volumes of emergency relief supplies within India for immediate distribution to flood-affected people in hard-hit coastal areas. These supplies include water purification tablets, oral re-hydration salts, clothing plastic sheeting for temporary shelter, sleeping mats and sheets, and basic medicines.

In Thailand, CARE teams are at work in the hardest hit southern provinces, supplying medicines and distributing first aid kits and other essential items, including oral re-hydration packets and water, rubber gloves, candles, blankets and basic clothing.

For further updates on CARE's work in southern Asia, please visit

our Website at www.careaustralia.org.au

On behalf of the people who will benefit from your kindness, thank you for making a life-saving gift.

Dear Your Say

Proposed Introduction of \$10.00 Levy

It has come to my notice recently that the Victorian Clay Target Association is going to introduce a \$10.00 levy in the near future on every Victorian Registered shooter.

This levy will be collected at the start of each year for the previous 12 months registration of each individual club member, meaning that if a club has 45 registered members for 2005 they will be billed \$450.00 in 2006 and the club will then have to charge its members accordingly.

What is the motive behind this levy that the VCTA is going to introduce?

Well I can tell you this much the VCTA can and will be able to do whatever they like with it, but there is a definite push from the elite shooter's to have a substantial amount of it earmarked for extra prize money towards the Victorian State Carnival.

My argument is why penalise 95% of registered Victorian shooters for the benefit of 5% that may wish to compete at a 3-day carnival. If they want more prize money to compete for let them put their hand further in their own pocket, the same as we all do when we decide to compete at any of the big 2 day shoots, irrespective of where they are held.

Some people may say "What's this bloke on about it's only \$10.00 the price of a couple of packets of shells." It is the principal of the thing that matters to me, and remember who knows what the levy might be in 2 or 3 years time if we sit back and let it be introduced now, it could easily be \$20.00 or \$30.00.

As this proposed levy is going to be administered by the VCTA I would urge all clubs to reject it outright and refuse to pay the levy as it is unjust and unwarranted, after all what can they do about it if clubs refuse to pay.

To the Victorian shooters who have an opinion on this matter irrespective of whether you agree or disagree with what I have had to say put pen to paper and give your opinion.

I would like to add that I have been a registered VCTA shooter continuously since 1965 and have competed on a regular basis at all clubs throughout the Western District of Victoria, Colac being my home club and this is the first time ever I have felt strongly enough about an issue to put pen to paper.

Warning to all Clubs.....

I wish to advise you of a recent occurrence at our Club, and to warn other clubs and Committees against allowing groups to shoot at or visit their grounds on a regular basis. Individuals should always be made welcome.

Some two years ago our then President was invited to attend a shoot at another grounds. He thoroughly enjoyed his day and saw the potential to bolster his aging Committee with some young blood from this other club.

Pretty soon a 'gentlemens agreement' was reached and the other club was shooting at our grounds on a monthly basis.

Everyone was happy - the visiting club had a verbal assurance of facilities being available and our club had help on the Committee.

After twelve months the 'visiting' club offered an injection of funds to be used for facilities for their benefit and requested a written agreement or sub licence to ensure security of their investment. At this stage the visiting club was paying less to shoot on the grounds

than the host clubs members and the injection of funds was suggested as a way on balancing the books. Over time costs had risen and the monies being paid per round resulted in a profit of approx 31c per 25 targets to the club who had the facilities, with this host clubs members paying an average of \$8 more per day to shoot.

So negotiations began - understandably, the visiting club pushed for a reply to their letter offering funds and solicitors became involved advising host clubs that sub licences, indeed any formal arrangement was not possible and would contravene their lease agreement and furthermore to accept any large sums of money would give the visitors a legal right to their name being on the lease.

This all came to a head at one of the host clubs ordinary Committee Meetings where five of the twelve committee present were identified as members of the visiting club, including the visiting clubs Vice President. So discussions on what to charge the visiting club resembled a "How much would you be happy to pay?" scenario - at which point - I as President realised money was a side issue and what was really being established was who was running the club.

These smooth talking visitors have our Committee convinced that their presence on the grounds will save the club - the Committee fell over themselves trying to please these 'visitors'. With no

Committee support and a large amount of the workload I decided to return to the sport of shooting and stop building the cash cow to underpin the 'visiting clubs' profit margin. It had taken some years and a lot of lobbying but the visitors now effectively have control of the club - they don't need to contribute to the work to run the club when they have us - the host clubs Committee believing they will 'save the club'. Remember 5/12 or 6/15 people on a Committee- 'for the good of the club' becomes the visiting club not the leaseholder or host club.

I am writing to all clubs and warning you not to allow visiting clubs to shoot their own program on your grounds. And above all visiting clubs should NOT have representation at Committee level. Otherwise you'll be working and they'll be shooting.....for less than you.

Now, would probably be a good time to look at your constitution and amend it so that shooting members of another club of the same discipline, within the same locality can't be office bearers at your club.

By the Ex President

It should be noted that the visiting club is not affiliated with the ACTA and therefore has a substantial saving in membership costs whilst using the same facilities.....for targets only of course.

Night Double Rise at Mathoura

May 27th and four squads of shooters arrived at Mathoura Gun Club for the night's competition, which included 20 pair of Double Rise as event two.

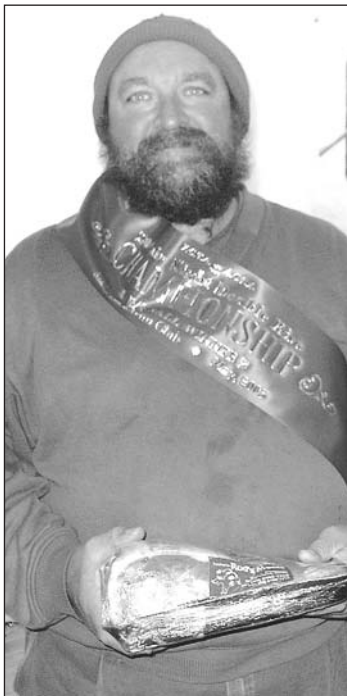

All day had been cold with an icy wind blowing then fortunately by 7pm the wind had dropped and the temperature turned mild for the rest of the night. Off the tracks all shooters were well looked after, with a fire in the clubhouse, and another outside and plenty of warm food and drink available, but on the tracks no shooter could put the full 40 targets on the score board. With the talent of shooters in attendance and the good well-lit targets it was a surprise none did, but Leigh Knight from Bendigo gave it a fair

nudge dropping only four targets with club president Roger Kerslake only two more down. Results for that event were Overall & A Grade L Knight 36/40, B Grade R Kerslake 34/40, C Grade junior shooter from Deniliquin, Jack Colliccoat on 30/40.

Event One was a 5 pair Double Rise eye opener and three shooters collected the money with two targets down, L Knight, local H O'Conner, & J Colliccoat all 8/10.

Event Three, a 15 target Single Barrel, and three shooters on 15/15 shot off for placing's, George Bradley (Mathoura) held off to take first place on 22/22, Leigh Knight 2nd on 21/22, and R Kerslake 3rd with a 19/20. Those that had to travel some distance appreciated a 10.30pm finish, and a very enjoyable evening was had by all.

Dick Toshack Memorial Champion of Champions

In sunny, warm to hot weather in May, the Cowra Gun Club conducted the annual Dick Toshack Memorial Champion of Champions event that is composed of 10 targets each of DB, SB, PS, and Handicap. There were six 'possibles' shot and the ultimate winner was Tony Wright with Gary Blattman runner-up and thereby first in AA grade, followed by Cowra shooter Tony O'Leary.

David Hunt won the regular Jackpot trophy Handicap event.

The Lachlan Valley Double Barrel Night Championship was conducted in conditions that were cool turning cold. The winner was Neil Privett after a shoot-off with Tony O'Leary. The High Gun Winner for the day was Tony Wright with 203/205.

Don't forget Cowra's 100 target Volvo Gold Cup on the weekend of the 6th and 7th August. Juniors have free nomination into both the Volvo Gold Cup and Cowra Diesel DB event, which is held on the Saturday. Be sure to book your accommodation early, and remember that nominations close each day at 10am.

Arafura Games 2005 - Darwin

The Arafura Games are a sporting and cultural festival held in Darwin every two years. They host a range of sports from the Asia Pacific Region, including traditional sporting events such as swimming, track and field etc. It also exhibits some more exotic and spectacular sports such as Sepaktakraw, a South East Asian sport, which is a cross between soccer and volleyball, played with the feet, mostly overhead. That's an interesting concept isn't it? If you want to know more best you come to the next games. Bring your trap or skeet gun or both. This year's games attracted entrants from as far away as Europe, North America, South Africa, New Zealand, India, Asia, and the other Australian states. The Darwin Clay Target Club hosted the clay target events.

Events contested between 16 and 20 May were ISSF Trap, Double Trap and Skeet. The competition was an international affair with shooters from Chinese Taipei, Brunei Darussalam, and Papua New Guinea as well as Darwin and Top End Gun Clubs competing. Naturally the competition was shot under international rules and the Tournament Director was International Referee and Judge, Elaine Forward of Tambellup WA.

What an eye opener for local shooters! Elaine enforced the rules! All clothing, guns and cartridges were inspected prior to competition to ensure conformity with the rules. No talking on the walks (this might be construed as coaching). Shooters were penalised for time breaches and for opening guns between single

An International Affair

targets on station four in the skeet event. What an experience! Referees, scorers and Line markers were not drawn from competitors! Silence on the walks! A totally different experience from the more relaxed manner and attitudes at our club shoots. Thank you, Elaine, for a very professional and illuminating experience. Your advice and responses to queries from shooters (off the walks) was invaluable. We would all love to see you back here in two years time for the next games.

The competition produced a number of surprises, not least for the PNG team who were expecting a DTL competition! None of them had shot ISSF events and had little knowledge of the rules and procedures that applied. Regardless they applied themselves and took home several medals and a lot of experience. It is apparently extremely difficult to obtain legal firearms in PNG. This resulted in their shooters having unsuitable guns for the competition ie trap guns for all events including skeet, left handers having to use guns with right handed stocks etc. Darwin Club members assisted with left handed stocks and loans of skeet guns and equipment to assist this affable and determined group. (The local gunsmiths also gained a lot of work.) Darwin and Top End members wish them all the best in developing their club and hope to see them back here for the next games.

Local shooters performed well with Vince Mollica winning gold with 135/150, Christos Despotis silver with 127/150 and Dwayne Devanney bronze with 120/150 in the mens Trap. Hjh Norash bte Hj Abu Talib won the women's gold, None Azlenna bte Khaldon silver and Siti Aishah bte Aji Hj Ali the bronze, all from Brunei. Tom Hamilton of Darwin won the Junior's gold medal, the silver went to Darren Short of PNG and bronze went to Angus McDonald of PNG.

The men's Double Trap gold medal was won by Christos Despotis with 150/200, the silver went to Dwayne Devanney with 137/200 while the bronze was won by Saiful Rezal Japar of Brunei with 123/200. The women's Double Trap gold medal was won by Hjh Norsah Haji AbuTalip, silver to None Azlyenna Khaldon and bronze to Norsizellawati bte Basri, again all of Brunei. Israel Yama of PNG was the best Junior.

The men's Skeet gold medal was won by Rizali Tagal with 132/150, the silver went to Kamis Juing with 130/150, both of Brunei while the erstwhile John Doyle of Darwin picked up the bronze with 126/150. The women's Skeet gold medal was won by Siti Aishah bte Aji Ali, and silver to Norsizellawati Basir both of Brunei while Israel Yama from PNG was again the best Junior. A remarkable

Dwayne Devanney - like a bulldog eating custard

The Clay Target Sports Ambassador, whom we would refer to as the Shoot Marshall, was young Vince Mollica. Vince deserves a special mention. He ran an excellent shoot with only minor mechanical hitches. He refereed each round of every event during the week and still managed to win the gold medal in the Trap event.

"Claybuster Col" Smith from Adelaide

effort from this youngster as he has only been shooting for three weeks!

Naturally enough events of this nature require a lot of planning and effort to bring them to fruition. Bob Fox of Darwin, Clay Target Sports Coordinator for the tournament, was heavily engaged in the planning and organisation, even to the extent of arranging import and export permits through Customs for our international visitors. He also ran the office and assisted with all aspects of refereeing, scoring etc throughout the competition. These duties prevented him from shooting. A very big thanks goes to Bob for all his efforts. Thanks must also go to all the volunteer's who assisted, in particular to Tom Farmer and Sacha Keronen of O'Loughlin College who worked as line markers, scorers etc for the entire tournament.

The club was fortunate to receive a grant from the NT government for the new Laporte traps, which worked wonderfully well. They were installed for the training camps run here for our Olympic shooters prior to the Athens Olympics. A requirement was that the club establishes a junior coaching program. Perhaps Tom and Sacha, who have, since joined the Darwin club, might become part of that junior program.

Clay target shooting received great media coverage throughout the games, both locally and internationally! Results were emailed to the games media centre daily and were printed in the next day's NT News. There was also coverage by TV crews from Brunei, Chinese Taipei and the local

networks, particularly Channel 7 who featured clay target shooting in a promo ad for the Games. The Arafura Games media centre also did a human-interest story on the PNG juniors - focussing on Israel Yama.

Dwayne Devanney was the most consistent shooter of the games making the finals in all three events and finishing out of the placing's only in the Skeet where he came fourth. Dwayne is a young bloke who knows how to enjoy life. He was a great ambassador introducing our PNG friends in particular to Darwin's nightlife. Dwayne, a wordsmith by anyone's measure, observed in anticipation of the closing ceremony "Its going to be messy, like a bulldog eating custard."

Riverina Zone Trap Carnival and Junior Classic

The Riverina Zone held their Zone Trap Carnival and Junior Classic on Sunday 29th August at the National Shooting Ground at Wagga. Four events, which were sponsored by Casella Wines of Griffith, were contested; Handicap, Single Barrel, Pointscore and Double Barrel and the Zone provided free nominations for the Juniors as well as running a separate Junior Classic in conjunction with the carnival. A full round of results is in the club results section.

Ninety-two shooters tuned up on what turned out to be a perfect day for shooting. Zone clubs represented included Albury, Barellan, Coleambally, Corowa, Downside, Griffith, Hay, Junee, Leeton, Moulamein, Narrandera, Riverina Target and Hunting Club, Tumut and Wagga. Shooters fought hard and the shoulder to shoulder team was decided with only two points down. The shoulder to shoulder team for 2005 is S. Guest (149/150), B. Doyle (148/150), C. Salafia (148/150), R. Liersch (148/150), P. Headon (148/150).

The Ladies team consists of D. Doyle (140/150), L. Blake (135/150) and J. Kidd (133/150). The Veteran team is E. McCullough (147/150), W. Ronald (145/150) and D. Metzler (139/150). The Riverina Zone Junior Team is Aaron Turner (148/150), Tom Brandon (142/150) and L. McMullen (133/150). Shooters also turned up from Victorian clubs; Mansfield, Werribee, Mt Bogong and Wangaratta and NSW clubs including Orange, Canowindra, Cowra, Warren, Majura Park, West Wyalong and Gunning-Dalton.

A feature of the competition was the generous support that was given by our sponsors. Ian McGeoch, Gunsmith of Albury, sponsored the Hudson Challenge Shield. The winning team from Griffith shot 113/125 and consisted of Arthur Turner, Aaron Turner, Ross Walsh, James Vardanega and Brett McAllister. The winning team won free Noms to the NSWCTA handicap event at the state carnival.

The second teams event was the Johnny Cox Memorial which was shot in conjunction with the Pointscore event and the winning

team from Hay shot 366/375 and consisted of B. Doyle, D. Doyle, P. Headon, F. Headon and S. Gee. Col Elkington from Elks Hunting and Fishing in Albury sponsored this team event.

The Lawson Motor Inn owned by Geoff and Janenne Kidd provided the High Gun trophy of two night's accommodation during the State Carnival in October. The High Gun winner was Dick Piotrowski, from Orange with a score of 174/150. The Ladies High Gun was sponsored by the ACTA who provided free Noms for the 2006 National Double Barrel Championship; Wendy Barton won this prize. The Riverina Zone NSWCTA donated the Veteran High Gun and the Junior High Gun trophies and the respective winners were Eric McCullough with 168/175 and Aaron Turner with 170/175.

Shot in conjunction with the Trap carnival is the Riverina Zone Junior Classic. The Juniors shoot the same program and are eligible for overall, grade and section trophies but they pay no Noms at all. The Riverina Zone NSWCTA sponsors the Junior Classic by providing the targets free of charge. This year The NSW Shooting Association and The NSW Firearms Safety and Training Council generously sponsored the Junior Classic. Coupled with this sponsorship was sponsorship by Coca-Cola. This was a major breakthrough for the zone because it meant that each age group winner took home a sash, half a case of shells and a case of Coca-Cola. Second placegetters took home five packets of shells and a case of Coca-Cola. Coca Cola's generosity was such that two encouragement awards, of a case of Coke each, was given to Tracey Barton and Tim Podmore.

One of the features of the day was the support given to the Zone to maintain that the shoot ran smoothly and was a success. Chris Condon and Carole Hall did a fantastic job in the office, and Zone Handicapper; Charlie Strike was kept busy all day keeping cards up to date. A big thank you also to those shooters who stepped in and helped score and referee.

Next year the Riverina Zone Carnival will be held on the Monday of the Long Weekend in June at the National Shooting Ground.

May Medley Teams Shoot

Canberra's May Medley four man teams shoot was shot in cold blustery weather -goodbye balmy Autumn, hello Winter.

Thirty seven shooters plus B/O were confronted with some wild Trench, Skeet and DTL targets which did not help scores for the day. Simulated Field was shot in the pine forest which seemed 10 degrees warmer and resulted in some good scores in this discipline. Visitors attended from Goulburn, Bermagui, Cooma, Yass, Sydney,

High gun winner, Bill Warriner

Gunning Dalton, Majura and Illawarra. Bermagui had a strong presence with three teams after attending Berridale Skeet shoot on the Saturday. It was good to see three lady shooters participating in what is considered a fairly exacting event - Michelle Craig, Pat Byrne and Jan Redman (with Jan's husband,

"Cooma" Mark Corbett, Steve McIntyre, Doug Blewett and Bill Warriner.

Darren, the only one to put together a perfect score in the Simulated). People choose not to camp probably because of the cold weather, but shooters are reminded that camping, use of the Club room and hot showers are available with prior notice.

Results

First "Cooma" 327/400

Doug Blewett, Steve McIntyre, Bill Warriner, Mark Corbett.

Second "Three + One" 293/400

Third "No Name" Stephen Newcombe, Noel Watchorn, Kym Chiaverini, Peter Hoare.

High Gun: Bill Warriner 89/100

Our thanks go to the Coordinators who gave up their day to run the separate disciplines; also Terry Forrest who slaved away in the kitchen for the day and who gave us some delicious roasts with the trimmings for lunch. Rumor has it that Terry has finished fitting out his new caravan and he and his wife will shortly be joining the "Grey Nomads" and will probably be dropping in to various clubs. Finally, a special thanks to John Kearns who ran the office and kept us on the financial straight and narrow.

CONDITIONS OF ENTRY - NSWCTA SKEET CARNIVAL

1. In the event of any shooter not being able to produce their handicap card, a duplicate shall be issued for the duration of the Carnival. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded. Note: A fee of \$20 may be charged for the issue of any duplicate handicap card.
2. Squads of 5 to shoot 100 targets per day, in brackets of 50, two visits to the traps, 2nd 50t moving up one trap. eg 1-2, 2-3, 3-4, 4-5, etc.
3. Shooters will be squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director.
4. Each shooter is to take enough cartridges to shoot at 50 Targets. Shooters are expected to perform changeovers (between rounds as well as between squads) as quickly as possible, and certainly not exceed the maximum time limit allowed of two minutes. Anyone exceeding that time limit may be penalised.
5. Shooters who fail to appear in time for their squad may be resquadded later in the event, but resquadding is not guaranteed, and non-participation is a possibility.
6. Should a shooter being late for his squad not be resquadded or elect to withdraw from the event, any refund of nominations paid is not guaranteed.
7. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
8. Competitors will be called upon to referee or score throughout the period of competition. The persons' designated to referee or score must fulfil their obligation to do so. Failure to either referee or score may incur a penalty of the loss of one target in the next event. Should a following event not be programmed then the penalty of the loss of one target may be incurred in the event concerned.
9. Setting and adjusting of traps is the sole responsibility of Shoot Management. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised.
10. All disputes must be in writing together with a \$20 deposit, which is refundable subject to the appeal being upheld.
11. All disputes and deposits must be lodged with the Tournament Director who shall arrange a hearing with an appointed jury.
12. Optional purse prizes will be available for collection on the following day of each event with the exception of the final day. All payments must be signed for and proof of identification given if requested.
13. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall chose in which team they may be selected. They cannot compete in both Open and Section teams. To be eligible for selection in any team, competitors must have competed in a clear majority of programmed events.
14. Any eligible competitor paying nominations is entitled to receive awards in the Open, Womens, Juniors or Veterans section, however the overall winner cannot take any section prize.
15. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals, trophies and/or cash are awarded, irrespective of nomination paid.
16. Nominations will close 10.30am Friday, 10.00am Saturday and Sunday or at the discretion of the Tournament Director.
17. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the NSWCTA Executive Committee whose decision shall be final.
18. An acceptable standard of dress is required for all competitors - Tournament Director to adjudicate.
19. All competitors must comply with Firearm Licensing Laws in their state of residence.

B&P

BASCHIERI & PELLAGRI BOLOGNA
QUALITÀ E INNOVAZIONE DAL 1885

Six times Olympic champion. No other brand has ever won so much.

No other cartridge has ever propelled champions further than the Baschieri & Pellagri ones.

B&P is today reviving the challenge with its gems:

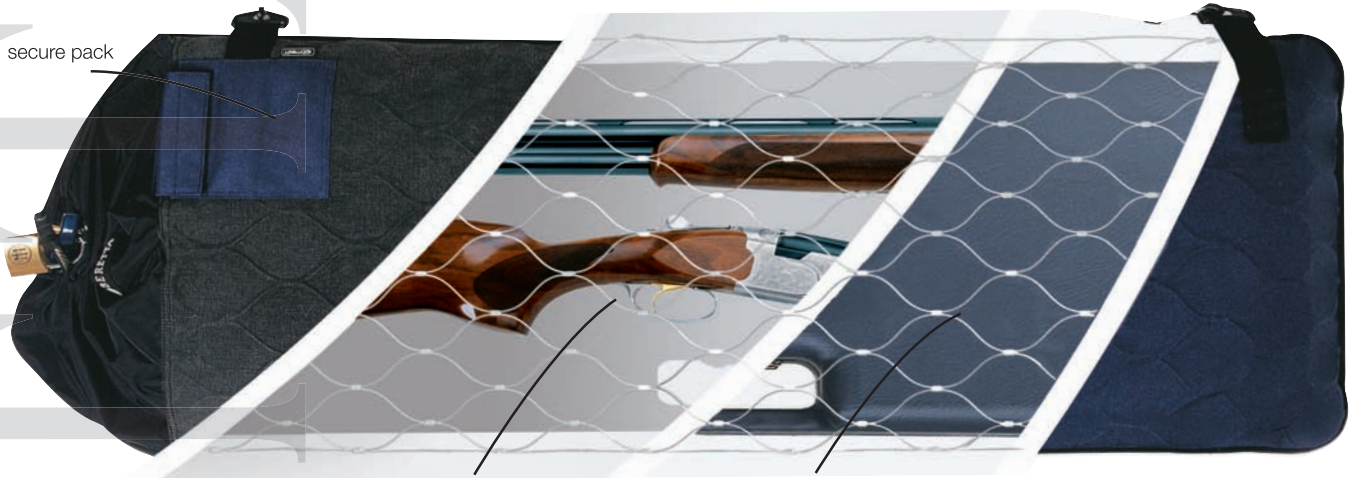

“F2 Legend”, “F2 Mach”, “F2 Flash” and “Sporting Clay High Velocity”.

The protagonist powering the barrels of great champions such as Ennio Falco, Adam Vella
and of those aiming for the best.
