NATIONAL PRESIDENT'S NOTES

John Mack

During the 2007 full executive meeting held at our national office, Mr. Mark McInnes was officially appointed as the A.C.T.A.'s historian. Mark has been active at all levels in our sport and for several years served NSW on the National Executive. Marks passion other than for rules is the history of our association. Behind the scenes, Mark has formulated and implemented the points system for induction into the A.C.T.A. Hall of Fame for all of our disciplines, this in itself was a huge effort. His research is extensive and I believe Mark has operatives involved in all our states and Territory's forwarding information onto him. Since it's inception in 2004 the Hall of Fame night held during our National Trap Championships has become a popular occasion, I personally have not missed one yet so book your tickets early for this years event.

In February of 2007 the A.C.T.A. was given the role of administering the Mackintosh International Teams Match, to make a Mackintosh team is seen by many as the pinnacle of their years shooting calendar.

The Mackintosh International Trophy was presented by the late Donald Mackintosh of Melbourne and is the prize in the annual trap shooting competition between England, Scotland, Ireland, Northern Ireland, Wales, New Zealand, Canada, South Africa and Australia. This match has been contested for each year excepting the war years between 1940 - 1947.

Since being given the role of administering this event Mark has researched through the A.C.T.A. archives to present the history of this event, as previously stated this event is prized within Australia and New Zealand but over the years has diminished in its importance by some of the competing countries. With Marks enthusiasm this will soon change, during his research we now have the documentation of all those people that have made Mackintosh teams and the years that they have represented Australia in those teams. Mr Doug Smith from Queensland leads the way representing Australia a staggering 29 times!

In closing, our association is blessed with volunteers such as the like of Mark McInnes that give countless hours for the benefit of our chosen sport, make sure as a member you take the time to thank those who serve us well.

Further to hand information on the Leo Harrison 111 visit is that Leo will be coming up to Queensland with Bill Iles for coaching and a demonstration on double rise shooting, anyone interested should contact Steve Laffey on Ph 0408 754 461.

In January's Presidents Notes I gave praise to two officials of the VCTA for their fine efforts in making their State Carnival a great occasion, in doing so I was remiss in not having given praise to all of the Victorian Executive involved, my sincere apologies to anyone that took offence at my comments, of course full credit must go to VCTA President Mr. Ron Traill and his fellow Executive members.

2007 Skeet Nationals

Driving and flying, Skeet shooters from every state and territory, and New Zealand, descended on the National Shooting Grounds for the 2007 Skeet Nationals.

Conditions in Wagga Wagga ranged from oppressive 40+ temperatures, to rain and thunderstorms, with the only consistent element throughout being the flies. But even they couldn't dampen the enthusiasm and shooting. There was overwhelming endorsement of the change of date for the event to the cooler (and hopefully flyless) May in 2008.

Shoot Marshall, Sue Pim, did a sterling job of keeping the event running smoothly, and the office staff offered friendly smiles and service throughout the shoot.

Major sponsor Beretta provided valuable sponsorship for the event, which is greatly appreciated, as is the support given by Casella Wines, Rio Oceania and Winchester.

Generally the mood was positive, with a good atmosphere building as the event progressed. This year a fun bush dance with local group the Tin Shed Rattlers was held alongside the shooters BBQ. Mayor Kerry Pascoe, Deputy Mayor Jan Hay and Councillor Kevin Wales formed the official party for the Opening Ceremony, showing Wagga Council's continuing support our sport. Extensive local media coverage was achieved with nightly reports on Television, a package on ABC radio and a range of newspaper reports including a two page spread in the widely read Saturday edition of the Daily Advertiser.

The introduction of the new Canterbury Voice Release systems was somewhat controversial on day one (Pre Nationals), but by the end of the carnival over 85% of shooters rated the system as excellent, and only 8% giving the thumbs down.

82% of attendees rated the overall quality of the event very high to extremely high, 10% were satisfied with the quality of the event with 8% rating it as poor to average.

Positive feedback resulted from the evaluation survey, along with some constructive criticism that the ACTA will be able to take on board to further improve next year's Nationals. You can see more of the survey results at the end of this report.

FROM THE CEO

Don't Miss Out! Pre Nom Discounts Extended.

For all of you thinking about nominating for the 2008 Trap Nationals I'm excited to announce that we've extended the 'early bird' pre nomination period from 25 February to 10th March. Take advantage of the discounted rates before they revert to the full nomination fees (see the nomination form in this magazine for all details).

And remember, the more of you who nominate prior to event, the better prepared the Secretariat will be to cater for your needs and to make your event the best shooting experience possible.

Although we won't be pre squadding for the Nationals this time, once you squad for your first national event you will remain in the same squad for all the events. Waves will be rotated, to ensure everyone has an early start! Please note this does not apply to the Handicap due to the specific squadding requirements for the event – they will be squadded separately. The squadding for the Pre Nationals will be done in the same way, i.e. you will retain the same squad number for both events on day 1, and will be re-squadded for the Handicap.

I'd encourage any shooters arriving prior to the Pre Nationals who

are ready to shoot the first wave on the first day to let the office know on your arrival at the grounds.

On the social scene this year there are some great events and new initiatives happening. The fabulous Friday night Beretta shoot will be on again and there will also be a 40th Birthday of the Perazzi MX8 celebration hosted by Perazzi on the Wednesday night. With the annual Hall of Fame dinner, some karaoke for the campers, and a Superb Seafood BBQ for the Presentations on Saturday it looking like a fun time.

In addition, the Annual General Meeting is scheduled for Sunday 30th, and during the carnival you will be able to see and comment on master plan proposals for the National Grounds 'Vision 2020'

At this year's trap nationals the targets thrown will be White Flyers from the successful tenderer for the ACTA target supply in 2008, and we'll have new and improved Voice Release systems from Canterbury International.

We promise you a great atmosphere, plenty of friendly smiles and a "can do" attitude.

If you haven't already nominated, do it now!

Looking forward to seeing you all in March.

School Students Enjoy Target Shooting at Echuca

Location: On the Murray River which forms the border between Victoria and New South Wales

On Friday the 14th and Monday the 17th of December 2007 Echuca Clay Target Club was host to a total of 51 students from Echuca College, Kyabram Secondary College, and Saint Augustines P10 School, also from Kyabram. The students were a mix of gender from year's 7, 8, and 9, spending between two and four hours at the club to learn the safety and the handling procedures employed in the sport of Clay Target Shooting.

With at least ten club members on hand to act as supervisors and coaches, including some from Mathoura Gun Club, it was not long before the students were on the layouts actually ready to try their skills out in the sport. Friday was the busiest with the bulk of the

Teacher Courtney Peters aims up

students attending on that day, and yet the coaches were up to the task, being able to give every boy or girl individual coaching at shot gunning. After the initial tuition, the task applied to the students was to shoot five Skeet low house targets, then move to the Trap layout, to shoot another five, set up as straight away targets, all in single barrel mode. And with the more than usual visit time allocated, numerous students lined up to shoot at another ten targets, having raised their enthusiasm by scoring well initially. Most of the teachers in attendance also tried their hand at the sport, with results favouring the good side.

Surprisingly, with year seven students being younger and of smaller stature than their elders, the coaches were worried that they would have so much trouble holding up the heavy shotguns, that they would have trouble hitting any targets at all, and yet it was almost a 100% result, as far as some targets being shot by all students. In some part the purchase by the club of special low velocity, low recoil cartridges, solely for these coaching clinics, most probably aided the result.

Without writing up all scores, the top scorers for each school are as follows, Kyabram Secondary College, Best Girl, Olivia Comelli 6/10 and 8/10, equal Best Boys, Jack Hepburn 8/10, and Kurt Northausen 8/10. Saint Augustines P10 School, Best Boy, Stephen Drake 8/10 and 6/10. Echuca College, Best Girl, Amanda Carrington 7/10, Best Boy, William Irish-Moysey an excellent full score of 10/10, well shot William, the only possible score, also shooting an 8/10 score, on his additional ten targets.

A thank you must go to the club members, who donate their time and effort to make these clinics a success, and also to the schools and school teachers, for taking an interest in the sport of Clay Target Shooting, and lastly to the students, for not only participating, but for obviously paying attention to the coaches, to help themselves achieve such good results.

BOB WEST

SECRETARY – ONLY FOR A FEW YEARS!

On the 17th September 1957, Bob West was elected Secretary/Treasurer of the Colbinabbin Gun Club – and would you believe – he is still there!

The Colbinabbin Gun Club was formed on the 9th August 1954, but it was not until October 1972 that it affiliated with the Australian Clay target Association when it changed its name to the Colbinabbin Clay Target Club. One might say that Bob 'jumped the gun' a little by joining the ACTA in 1961 via the Huntly Gun Club (now the Bendigo Clay target Club). In 1976 the Victorian Clay Target Association was formed and Colbinabbin joined immediately.

Throughout the many changes Colbinabbin has experienced, Bob has been the man responsible for all the coordination and getting the job done. During the time he has been Secretary, there have been several major events, least of all, the club has had 3 locations. The first was a farmers paddock outside the Colbinabbin Township, then the town's Recreation Reserve and currently the location at Elmore on the site of the Field Days.

Right through his time as Secretary, Bob's wife Margery has supported him – so much so that she took over the duties of Treasurer many years ago.

In 1992, when the club had to relocate to Elmore, the members saw fit to bestow a Life membership on Bob – surely a "difficult" decision in that at the time he had filled the role only for 35 years.

During the 1980's many students from Rushworth High School used the club's facilities under the expert leadership and coaching of Bob. He not only supervised their training, but travelled with them to compete at a number of School Championships.

At both Colbinabbin and Elmore, Bob has overseen the erection of clubhouses and trap layouts as well as the many duties expected of a Secretary, all with a smile and all with the club and members foremost. To exceed 50 years in any position of administration to the public is an outstanding achievement.

Well done Bobby West.

own expense have built a Memorial for Tom Turner as a lasting memory for the man they all called a great mate and top bloke held a unveiling ceremony. Kev Moxley and Dick Chapman spoke of a man who not only loved and participated in this sport but of a great mate and loving family man. Gwen Turner flanked by sons Tom and Paul stood by with great pride and thanked their friends for such a loving tribute and said how much Tom would have appreciated to be held in such high regard from all that knew him.

That night the Cessnock Kitchen put on what could only be described as a sumptuous banquet of seafood and salads and pastas for a measly cost to the punters. These ladies deserve all the accolades they get as once again they proved that Cessnock knows how to put on a great meal. Thanks ladies especially Renae who drove down from Tamworth to help out Sarah Jane and the rest of the hard working kitchen crew. Once again a job well done!!!

Then after a great dessert which included my lovely wife's baked chocolate cheese cake, (which I got none of!!), slices, pavlova, and trifle the punters took to the floor as the Calcutta went into full swing. TJ and Charlie Saunders had heads spinning in all directions in a frenzy of bids and counter bids as syndicates jockeyed to buy shooters who could deliver in the 30 target Handicap event on the next day. Special thanks to Ben Machul for the spreadsheet that turned what can be a confusing process into a pleasure. Absolute lifesaver thanks mate!! After this was said and done those left over sat down and enjoyed a few ales and caught up with old mates.

Sunday saw an improvement in the weather and the days shooting kicked off with the Yellowtail Champion of Champions event. After a shoot off which featured shooters from AA grade to B grade Matt Patmore was the overall winner with 74/75 with Paul Farrugia first in AA grade with 73/75 and Paul Turner second with 70/75. Shannon Brown won C grade with 45/50 and Tommy Mitchell came second with 43/50.

The second event for the day was the much-anticipated Arms & Ammo sponsored Cec Barnard Memorial Handicap and the Calcutta syndicates were all watching the buys with eager anticipation. When all was said and done Tom Turner was the winner with 39/39 followed by Darren Smith with 38/39. Third was Bradley Salem with 32/33 and a very happy dad!! No prize for guessing who brought that young fella in the Calcutta!! Congratulations Brad and Dad. Fourth was Mick Bajada with 31/33 and David Peri rounded the event out.

The final event of the day was the 20 pair Double Rise Trophy. Tom Turner and

Psychological Skills for Shooting

by Michael Kruger-Davis

CONFIDENCE

Several articles last year examined the idea of mental toughness, which is defined as the set of behaviours and beliefs about yourself, your work, your sport, and how you interact. I outlined seven characteristics of mental toughness; being competitive, confident, in control, committed, composed, courageous and consistent.

I have already examined what is necessary for composure and this month I want to explore confidence. So what is self-confidence? Patrick Cohn from Peaksports defines self-confidence as how firmly you believe in your ability to execute a physical skill or perform a task. Confidence, according to Cohn, comes from a baseline assessment of past performances, training, and preparation. As your competency or skill mastery grows, your confidence becomes proportionally stronger, which is strengthened more with successful training and quality practice.

The following is a list of sources of self confidence. Rank the following from 1 to 10 (adding others if I have missed an important aspect of your own)

- Past successes in your sport
- An effective training program
- Immediate performance
- Positive comments from others
- Supportive people in your life
- Training or quality practice
- Quality coaching
- Optimistic coaching
- Belief in your physical talent
- Your own method or technique
- The quality of your equipment
- Level of your competition
- Warm up routine
- Comfort with the environment
- Mental preparation
- Performance review
- Mental game coaching
- Coping well under pressure
- Good teamwork
- Positive rapport with teammates
- Positive rapport with coach
- Trust in teammates
- Sports diet, hydration, etc
- Fitness level or conditioning
- Other sports you have played
- Weather
- Game plan or strategies

On a separate piece of paper, write down the top 5 sources of confidence that are under your control. Focus on what you can control to boost your confidence. Remember that what people say about your performance is not under your control.

Now that you are able to recognize the sources of confidence then it is also important to be able to recognize when confidence is dwindling. The biggest factor limiting confidence is self-doubt. I have written several articles over the years on self-doubt, and if readers need to revise, then go back over old issues or read "The Inner Game of Golf" by Tim Gallwey, which puts the whole idea of self doubt into perspective. Self-doubt is the opposite of self-confidence and it kills momentum, and stops athletes performing well because they are scared they will fail.

Self-doubt can be developed by a set of unhealthy and irrational beliefs about yourself and life in general. These beliefs include the following:

1. Strict expectations: "I can't make any mistakes if I want to win."

What happens here is, is that you try to hard and tense up. You become less fluid and your unable to move and swing the way you should.

2. Negative self labels: "I'm a poor finisher." This focuses you mind on negative judgements about past performances and takes you away from the here and now.
3. Over-generalisations: "I don't do well on this course." Again you are focusing on the past and ignoring what you should be focusing on, which is the present.
4. Perfectionism: I need to be perfect. This is impossible and will lead to the following behaviours that will further undermine your self-confidence:
 - Setting unrealistic goals and strict expectations
 - Dwelling on shortcomings and failures
 - Worrying about past mistakes
 - Being too self-critical
 - Comparing yourself to others
 - Overanalyzing your performance
 - Viewing your performance as either good or bad
 - Measuring your self worth against your sporting success
 - Focusing on future gains instead of playing in the present.

Now that you can recognize the sources of self-confidence and you can identify those irrational beliefs that get in the way and produce self-doubt.

Muhammad Ali once said "Champions aren't made in the gym. Champions are made from something they have deep inside them: A desire, a dream, and a vision. They have to have last minute stamina: they have to be a little faster: and they have to have the skill and the will. But the will must be stronger than the skill."

There are five steps to seeing yourself as a winner:

Firstly, write down three positive self-labels that positively describe you in your sport, which you can truly believe.

Secondly, post these descriptions on your mirror, fridge, desktop, etc where you can see them every day.

Thirdly, Strive to identify and discard any negative labels that others have given you or that you have made up yourself. Write them on a piece of paper, crumple the paper, and throw it away with authority.

Next, when speaking to others about yourself or your abilities, use the positive self labels you have formulated with confidence. (Avoid deliberate outward displays of cockiness because people who lack confidence will view it as arrogance.)

Finally Goal: feel cocky on the inside while appearing humble on the inside.

By using the previous five steps, identifying the sources of your confidence and recognizing the negatives that get in the way, you will be on the way to being more self-confident which is an important aspect of mental toughness.

Victorian ISSF State Titles

This years Victorian ISSF Titles were again held at Melbourne Gun Club from Friday 23rd of November until Sunday the 25th of November.

The weather to steal a quote from a rival state was "beautiful one day, perfect the next" with temperatures between the mid to high 20's. Decent rainfall in the week prior to the shoot had given all the surroundings a tinge of green making target visibility excellent.

Numbers for the competition were respectable with the Titles falling this year in the middle of a busy ISSF Calender.

STATE DOUBLE TRAP 75 Pair + Final

The Double Trap event was held on Friday the 23rd of November with 3 squads nominating.

Going into the last round Craig Trembath 45, 47 held a 1 tgt lead from Russell Mark 46, 45 with Nathan Cassells back from a break from ISSF Shooting and Nick Kirley right up their tail ensured an exciting last round.

State Double Trap Champion
Craig Trembath

The last round saw Craig Trembath shoot another 47 to lead into the final on 139. Russell Mark was next to qualify with 135. Nathan Cassells 134. A nice 48 in the last round from Blair Signorotto put him next on 133. Nick Kirley 131 and Marc Crimmins 121 completed the top 6.

Another 47 in the final was more than enough for Craig Trembath to hold on and become the 2007 State ISSF Double Trap Champion with an excellent score of 186/200

Overall Craig Trembath 139 + 47, AA Grade 1st Russell Mark 135 AA Grade 2nd Nathan Cassells 134, A Grade 1st Marc Crimmins 121, A Grade 2nd Rowan Lendon 119, B Grade 1st Blair Signorotto 133, B Grade 2nd Matt Rocco 103, C Grade 1st Frank Petsch 91, C Grade 2nd Jim Moustas 89, Junior Nick Kirley 131

State Shoulder to Shoulder team to represent Victoria at the 2008 ISSF National Titles in Perth is Craig Trembath, Russell Mark and Blair Signorotto.

STATE ISSF SKEET 150 Tgt + Final

Held on Saturday 24th and Sunday 25th of November the ISSF Skeet event only attracted 8 competitors. Although numbers

Anthony Sottasanti
2007 ISSF Skeet Champion

were down competition was still fierce and the event went right down to the wire.

After 150 Targets James Bolding lead into the final with 142/150. Behind him was Anthony Sottasanti on 141 with Zita Dettori 139 and David Cunningham on 136 right on their tails.

A perfect clean round in the final by Anthony Sottasanti was needed for him to become State Champion and he did just that finishing on 166/175 showing that if not already he will be a force to be reckoned with in the future.

David Cunningham won AA grade with 136 but struggled all weekend being short of shells, apparently a certain Double Trap Shooter had "borrowed" 4 packets from a previous competition and still hadn't repaid him!!! A grade with a score of 142 was James Bolding, A grade 2nd was Zita Dettori with 139.

State Shoulder to Shoulder Team for Perth is Anthony Sottasanti, James Bolding and David Cunningham

Hopefully next year we will see a few more Skeeties!!!!

STATE ISSF TRAP 150 Tgt + Final

58 competitors lined up for the 2007 State ISSF Trap and competition was tough right from the word go. Shooting in squad one Nathan Cassells made an early statement he was back posting the first 25 of the competition. Adam Vella also posted a 25 in his first round to show his intentions for the weekend.

Over the next 2 rounds there was plenty of red ink on the board with 25's from Adam Vella (50 straight) Frank Finken, Brett Dunstan, Suzy Balogh, Stacy Roiall, Craig Henwood and Todd Malone.

After 75 Tgts Adam Vella and Craig Henwood were joint leaders on 73/75. Brett Dunstan 71, Todd Malone and Nathan Cassells 70 along with a big bunch of shooters all in the high 60's all within striking distance at the half way mark.

In the Ladies Suzy Balogh and Stacy Roiall had pulled out ahead of the rest of the girls, but Stef Tigani and Michelle Beecham were right

CHARITIES BENEFIT FROM CLAY TARGET SHOOTING

Location: Located 712 km west of Cairns and 681 km west of Townsville

Queensland Cancer Council and The Royal Flying Doctor Service have benefited from Clay Target Shooters over the past 12 months. At the Normanton Gun Club's 2007 Christmas Shoot on Saturday 1st December, the President of the Queensland Clay Target Association & the Northern Zone QCTA, Mr. Wayne Reeves, presented cheques to

*Shaun Sellwood representing the Royal Flying Doctor Service
Receiving a cheque from Wayne Reeves*

*Katherine Stock representing Qld Cancer Council receiving a cheque
from Wayne Reeves*

Katherine Stock representing Qld Cancer Council, and Shaun Sellwood representing the Royal Flying Doctor Service.

These two charities are benefactors of funds raised by the Paw Paw Club who impose fines on shooters over the year for missing first target in a shoot-off or losing the last target in an event when that shooter hadn't missed any up until then. The Paw Paw Club was formed to raise money for charity and each year wherever the State Trap Championships are held that Zone chooses the charities to benefit from these funds.

This year the Northern Zone QCTA asked every Club within our Zone to nominate a charity of their choice and on percentages of that response the result was that Qld Cancer Council received \$1600.00 and the Royal Flying Doctor Service \$400.00.

So ended a great weekend of ISSF Shooting, with excellent scores being shot in all disciplines. A huge thank you to the long list of helpers who worked through out the carnival to ensure everything ran smoothly and the shoot finishing with plenty of time for our interstate travellers to get to the airport on time for their respective flights.

Congratulations to all who were successful in making shoulder to shoulder teams, I am sure you will represent Victoria with pride and we wish you all the best in Perth in 2008.

COACHING COURSES

For our sport to survive, we need an additional 100 accredited coaches in NSW.

We have some 4730 registered shooters but not enough coaches to call on for open days, coaching seminars and just plain everyday coaching at club level, so come on shooters, send your name to Kaz and register for the coaching accreditation seminars [All Levels] to be held at a club near you, in your zone at a date to be fixed.

New South Wales Gun Club

Gold Sovereign Side X Side Championship

On the day of the inaugural Gold Sovereign shoot last year the organising committee was initially apprehensive as to the interest in Side x Side shooting. Our concerns were allayed when 56 shooters attended. We also thought that it might have been a one off interest which might be difficult to achieve again.

Club President Theo Stamoulis
Et C grade winner Van Maclean

However our concerns were unfounded and on 10th November 63 competitors turned up for the second Gold Sovereign Championship. No doubt the prizes on offer were a sound inducement \$1000.00 cash and a genuine 1879 gold sovereign for overall; \$600.00 + sash for first; \$400.00 for second and \$200.00 for third in each grade. As tempting as the prizes were, the great majority of the competitors were there simply because they enjoy shooting old (and new) Side by Side shotguns.

Gold Sovereign donor John Newton, Overall Champion Andrew Shacklock,
Trophy donor Tony Garland

A glance at the nomination forms indicated that shooters came from Newcastle/Lake Macquarie, Hermidale, Upper Hunter, Cooma, Dubbo, Cecil Park, Sydney C.T.C., West Wyalong and Cessnock. It was obvious from the pride in ownership of most of the guns that many were heirlooms and had seen several generations in the one family. Quite a few of the guns had been found in poor to average condition and had been meticulously restored to pristine appearance. The replacement value of some of the more outstanding guns is staggering.

After an early breakfast cooked expertly by Club President Theo Stamoulis, the clubhouse was given over to a display of 36 rare and unique side x side shotguns. These came from the collections of our club members and from other avid collectors. Amongst the treasures on display were a cased pair of Purdeys (consecutive serial numbers); a Guinard (Paris); The William Powell side lock owned and shot by Donald Macintosh, our first Olympic shooting medalist and undoubtedly one of the greatest trap shooters ever seen in Australia; Boss; William Leech side lock; Royal Grade William Greener; made to order William Ford and many more outstanding examples of the very best gunmakers' craft. The value of the guns on display, both monetary and sentimental, would be difficult to estimate.

Prior to commencement of the competition all guns were checked by the Club Armourer, Terry Dawson, to ensure that all safety regulations were met. Some of the older guns, although not nitro proofed, had been sleeved at fair expense. At 10.00 o'clock two shots fired from a 1876 Charles Boswell 10 gauge

signalled that competition was about to commence. 50 targets sporting followed by 25 tgts D.T.L and then 25 tgts continental point score made up the program (all shot as one event - 150 points) Thanks to our shoot marshal, Dave Morgan, and Col Harris for setting up an interesting lay-out.

From the 63 competitors participating there were 33 gunmakers represented - Aya, Bentley, Turner, Beretta, Browning, Bruno, Cogswell & Harrison, Boswell, Clark, Fabarm, Gamba, Gazelle, Greener, Grulla,

Henry Clark, Hollis, Tolley, Dickson, Krups, Liege, Lorona, Miroku, Sarsequeta, Shaco Freres, SKB, William Ford, W & S Holloway, Betts, Watson, Webley & Scott, Winchester, Zamitor Hermanos & Merkel. The oldest gun used in competition was 111 years old and the youngest was 3 years old. As in the inaugural shoot the committee members were interested to see how the older guns with fixed field chokes, double triggers and extractors competed against the more modern side x sides with variable chokes, single triggers and ejectors. Last year the older guns came out in front - this year the newer guns moved ahead. Four of the top 10 scores were shot with guns over 50 years old. Perhaps the most visible shooter was our lady entrant, Tere Alexeeff. Dressed immaculately in period costume Tere shot the program with her customary great smile and determination.

As the competitors went out to participate Terry Dawson had the unenviable task of selecting the 'Best Presented Gun'. Club member, Andrew Shacklock generously donated an antique gold pocket watch suitably engraved to the owner of the most outstanding gun (which had to be shot in the competition). After lengthy consideration Bill Staughton's 'Royal Grade' William Greener was chosen as meeting all the criteria of an exceptional side x side firearm.

The weather was conducive to good shooting and apart from a minor problem with one trap the day went off smoothly, with Hugh McMaster and Dave Morgan overseeing all activities. As we paused for a great lunch, prepared and served by Judy and Rose, the organising committee commented on the convivial atmosphere of both shooters and spectators.

During the final round 25 white targets were mixed into the traps, the smashing of which earned the shooter a bottle of wine. At the conclusion of the competition Andrew Shacklock, using a refurbished Merkel, was a clear winner with a commendable score of

Theo Stamoulis Taylor Morton 2nd C grade & Hugh McMaster.

135/150. Andrew cleaned up with \$1000.00, a gold sovereign, and his name on the unique Side x Side Championship trophy, designed and created by our great Club supporter Tony Garland, owner of the Stockade Gun Shop in Terrey Hills. Achieving the highest score of any N.S.W.G.C member also earned Andrew the right of having his name added to the Club's honour board.

A shoot off was necessary for AA between Paul Farrugia and Frank Searles, with Frank being successful.

A highlight of the presentation was to see the elation of C grade winner, Van Maclean, who is probably still wearing his sash!

Thanks to our generous sponsors - The Stockade Gun Shop, Devlin Land Pty Ltd, Sherwood Smash Repairs, Charles & Stuart Real Estate, Geoff Slee Gubstocks, Mialls Gun Shop, Camilleri Gun Stocks, Horsley Park Gun Shop, Safari Firearms, John

Newton, Neale Guy, Andrew Shacklock.

Thanks also to Carolyn in the office, Graeme at the bar and everyone else who assisted with filling traps etc.

The Side x Side Committee are determined that, with some fine tuning, next year's event will be bigger & better. It is the consensus that in 2008, sporting targets will make up a larger proportion of the program.

DAVID HALLAM – A GENTLEMAN

The Bendigo Clay Target Club and the Loddon District Police Trap Club are mourning the loss of one of their favourite members – David Hallam. To say David was a Gentleman is a gross understatement.

David left a positive impression with everyone he came into contact with, and none more so than the members and visitors to Bendigo shooting grounds.

David was an active shooter all his life, commencing his love of the sport on the family farm, "Pinelea" at Hopetoun. This life long involvement in shooting was a legacy of his father and grandfather who

conducted "unofficial" trap competitions for many years on "Pinelea", raising funds for the local church. The opening of the Hopetoun Gun Club saw the end of the shoots on the farm, and with David attending Dookie Agriculture College, shooting was put on hold for some years. On returning from college, David's first priorities were to improve the farm and to establish his family. However he continued to hone his shooting skills on vermin and regular duck shoots, along with Bronzewing shooting at Patchewollock (yes – it was legal when David was a young man!)

Right throughout his life on "Pinelea", David saw a number of clay target traps starting with a very early hand released spring trap through to the "electric sonar triggered rig" (as described by his son, Bernie).

In the late 1980's, David became very involved in the Hopetoun Gun Club and this was where he began to establish his reputation for an insistence on safety at all times. He also enthusiastically began to coach juniors and to support the school shooting programme. He had a simple piece of advice he gave all aspiring champions, "Don't look at the trophies before you shoot, just worry about the target." He was also known for his policy of making the parents very welcome at the club as this would ensure "that they'll bring the kids back."

On retiring, David moved to Bendigo and immediately sought out the local clay target club and to his surprise found there were two clubs he could devote his time to. The Bendigo Clay Target Club and the Loddon District Police Trap Club. He immediately became actively involved in both as a committee man and as a coach. It was at Bendigo he was to finally gain his coaching accreditation. It was here he also began to shoot skeet regularly, and this was to become his preferred discipline. He set a goal to improve his scores and grade and was overjoyed when he finally reached A Grade in both trap and skeet. If only all shooters aspired to reaching their highest potential!

He also continued his involvement in the school shooting

programme and readily took over the running of "Dad's Army". Each Tuesday, David put aside everything else to oversee "Dad's Army" and he continued in this role until such time as his illness prevented him from doing so.

David's passion for making juniors and their parents welcome at Bendigo resulted in many joining the ACTA and a number were to go on to achieve State and National honours. Such was the influence of David.

ERIC VINCENT

19/02/1933-15/11/2007

It is with deep regret that we inform the shooters who knew Eric or had shot with him that he passed away Thursday morning 15th November after a long illness.

I first met Eric in the early 1970's through Skeet shooting at Griffith competing in the Robb & Keenan shield and the Riverina Zone skeet teams. He was always helpful and quick witted, always coming up with a quirky saying to help ease the pressure in these events. He always beat me!!!

He was, at the time of his passing a life member and past President of the Wagga Wagga Gun Club and had been a member of the Tumut Gun Club also. He was a regular competitor through out the Riverina district & Victoria, and his last shot was fired at a skeet shoot at Albury in January 07, where he took home a couple of B grade trophies.

Reloading was Eric's passion and he had no less than 8 shotshell reloaders set up for all gauges and loads as well as rifle reloaders. He was a "reloader extraordinaire". He was also a very good cook (from his army days) and loved cooking game as a speciality and his sauce making is legendary.

He was a constant companion of Barney Rooke (before his passing) and they would regularly compete at skeet and other forms of clay target shooting in the Riverina.

Eric leaves behind his wife Joan, 3 daughters and 7 grandchildren.

It's Your Call

No. 26

By
Bill McCarthy

You have just finished refereeing a squad and instructed the shooters to "Unload your guns and check your score". Quite a normal and everyday procedure.

One of the shooters challenges his score. E.g. "I shot a 24 not a 23 as is recorded on the sheet".

IT'S YOUR CALL.

Well if you are looking for a short answer you will be disappointed. Every incident of this nature brings to mind a number of safeguards which you as a referee should have put in place.

Firstly if you have complied with GRTS4 you will have no problem in adjudicating on this challenge. GRTS4 requires you as a referee to have a scorer stand close to you so that you can observe what is recorded on the score sheet. The same rule requires that the scorer observe the targets as a check referee, In the absent then, of a previous challenge at the time the target should or could have been disputed, the score will stand as recorded.

In, addition if a target has been incorrectly called as lost during the event, other squad members would normally indicate if it had been a hit. Here again is evidence that the shooter is not on very safe ground in regards to his claim. Another aspect of the rules which we should bear in mind is that the Referee's decision as to whether a target is hit or missed is absolute and can not be challenged in a jury. Rule 4.20(h).

On the other hand, even though you have not abided by GRTS4 and observe what the scorer has recorded, there are other considerations which you should take into account especially if you had called the result of each shot clearly and loudly as is required of all Referees under Rule 4.22(a). By calling the result of each shot in this manner there would have been opportunities for the shooter to hear the result of each shot. If he hasn't heard the result he is entitled to ask you for the ruling at that time. Those of you who whisper or fail to call at all may well place yourselves in an invidious position should a challenge be forthcoming after the event is concluded.

So there we have it.

- 1. Have the scorer sit or stand close to you so that you can observe what is recorded.*
- 2. Clearly and loudly announce the result of each shot as it is completed.*

You may well save yourself and a shooter some embarrassment and confusion. You should always remember that if you capriciously or unfairly alter the score you could be effectively taking a target from the shooter's contemporaries in the same grade.

The 8th of December saw the annual Golden Dog Hotel 100 Target Down the Line Competition, after the original date was postpone due to bad weather. But finally the day came for the Coffs Harbour Clay Target Club in conjunction with the Grafton Clay Target Club, and with perfect weather and around 30 competitors it was set to be an exciting day.

Overall HG and A Grade winner Mick Wilkins with CHCTC President Bob Aitchison

There were a few perfect rounds for some competitors with a mention going to Junior Alex Young who was the only competitor of the day to have two perfect rounds.

Baker Family Memorial Shoot at Kempsey Clay Target Club

Jack & Graham Gosling with Abby & Emma Jenkins

Saturday 17th November at Kempsey Clay Target Club we had a fantastic day for the Baker Family Memorial Shoot. The first event was a 10 Target Double Barrel from 15 metres eye opener, with five strong squads shooting for a share of the cash. The results were as follows: AA Grade D Pasfield, M Flanagan, J Webster, G Baker, G. Gosling 10/10, A Grade B Ellison, S Saul, K Saunders, M Wilkinson, S McMahon, B Jones 10/10, B Grade J Gosling 10/10, A Baker, R Jenkins, T Baker, J Baker 9/10, C Grade M Burke, 10/10, M Carter, G Morgan, L Langer 9/10

The second event was the 50 Target Mixed (10 tgt x DB, SB, PS, 10Pr D. Rise) from 15 metres. Some squads started the mixed event on the Double rise and some of the less experienced shooters also know as "mugs", which includes myself, found this very interesting to say the least, especially after only shooting at ten targets prior to this. I know I watched quite a few pairs of birds sail off into the distance to continue the breeding program for clay targets. Without these regular missed targets by shooters I have come to the conclusion there will be no more clay pigeons to shoot at in the future. (That's another one of my excuses for missing so many targets each week, so feel free to use it if the need arises. I have lots of other excuses, but if all else fails, telling the truth can work too but is less creative).

As you can see there were a lot of very capable shooters who not only saw the targets, but hit them and did very well. These shooters did not let the order of events interfere with their goal. The final results for this second event were AA Grade M Flanagan 69/70, P Baker 68/70, G Baker 65/70, A Grade K Saunders 63/70, B Ellison, B Neill, S Saul, N Wilkinson, J Jenkins, B Jones 62/70, B Grade A Baker 63/70, R Jenkins 60/70, J Gosling 56/70, C Grade D Jenkins 55/70, R Duck 54/70, G Morgan 53/70.

The final event of the day which was the 20 Pr Deauville Doubles 20m Len & Lil Baker Memorial shoot had been the draw card for many visiting shooters, many related to the Baker family. It was a proud moment when father and son combination of Jack and Graham Gosling broke every pair of birds to take first place. There

were smiles all round and Meg Gosling (wife and mum to the pair) was extremely chuffed to say the least. Well done boys! But look out next year I'm sure there are a few others who are looking to dethrone you next November. The overall results in this event were 1st J Gosling & G Gosling 20/20, 2nd D. Pasfield & B Jones 27/28, 3rd J Webster & M Flanagan 19/20.

The High Gun was awarded to Michael Flanagan 79/80 who is no stranger to the winners circle either and his consistency in all events makes him a worthy winner. Well done Michael!

Robyn Baker, Kerry Powick and Meg Gosling provided a fantastic afternoon tea while Jenny and Lesley Baker worked all afternoon recording the results. Thank you ladies we really do appreciate your work behind the scene. Ted and Glen Baker had the grounds set up before anyone arrived and looked after all the Baker clan who stayed after the shoot. Many shooters at Kempsey wonder what Kempsey CTC would be like without the support of the Baker family and all I can think is that I hope we never find out. This family puts so much into shooting and many enjoy their hospitality, support and advice

and I would like to take this opportunity to thank them on behalf of all shooters who come to Kempsey. So, if you haven't shot at Kempsey in the past or haven't been for a while it would be good to see you in the New Year and you too can experience first hand the warmth and friendliness that the Bakers and Kempsey CTC extends to all shooters. We look forward to seeing everyone at our next shoot on Saturday 17th January 2008, shoot starting at 1pm. Come and have a great afternoon shooting and socialising.

JACARANDA OPEN CLASSIC

Grafton Clay Target Club

Location: Grafton is located about 40 km due west of the coast and 625 km north-east of Sydney at the junction of the Pacific and Gwydir Highways

Grafton Clay Target Club held a very successful Jacaranda Open Classic in November 2007 even after a week of wet weather leading up to this event. In fact it rained so heavily on the day before that unfortunately the Coffs Harbour Clay Target were forced to cancel their Golden Dog 100 which is generally held as a dual shooting weekend with the Grafton Club.

The Jacaranda Open day dawned slightly cloudy but it did not deter the 10 squads of shooters who shot the three events. As if on cue a very light shower delayed the start of the shoot by about 5 minutes but after that the showers avoided the grounds all day and there was a fantastic display of clay target shooting. Our new 3 layouts setup meant the program ran smoothly throughout the day.

All events showed the determination of shooters to take home the large array of excellent prizes on offer that were later to be distributed by the newly installed Jacaranda Party and shoot offs were required in all events to decide winners.

The first event was the inaugural perpetual Peter McGuire Memorial Shield shot over 25 targets points score. Peter was a club stalwart who loved points score events. His family had provided the memorial shield plus a winners shield and overall prize and the competition for it was a fitting memory to him. The Shield was eventually won by John Cunningham from the Dorriggo Club who is a long time friend of the McGuire family and constant visitor to Grafton Club. John was very excited to be the first to have his name inscribed on the shield.

The second event was the Jacaranda Mixed Targets shot over 10 targets each of double barrel, single barrel and points score. Another display of excellent shooting saw Brad Henshall from the Tamworth Club the eventual winner after a fine shoot off.

The Jacaranda Double Barrel Championship was the third event and seemed to be the event that everyone wanted to win. However in the end there were only three shooters who had shot the 50/50 and they

settled in for their shoot off. Strangely enough this only went for 26 shots and again Brad Henshall (Tamworth) was the winner of the sash.

A count back revealed that two shooters were equal for the Overall High Gun. As Brad Henshall and Kim Nealon (Yamba) settled in for a gritty shootoff there were a dozen or so cars arriving singling the arrival of the 2007 Jacaranda Party. The Party saw a determined display of shooting until Kim Nealon took out the High Gun prize.

It was then time for the Jacaranda Queen, Princesses and Junior Princesses to assist with the distribution of the prizes and once again all were impressed with their poise and maturity as they presented the prizes to the winners.

With no shoot at Coffs Harbour on the previous day and their shoot being postponed until 8 December the winner of the lucky draw for shooting both programs had to be also postponed until then. As a 'stop press' we can now reveal the Dave Mulhearn from the Coffs Harbour CTC will now be working to tidy his garden with the Makita electric chain saw.

MATHOURA CHRISTMAS SHOOT

Five squads of shooters arrived at the Mathoura Gun Club on Friday the 14th of December to participate in the Christmas program the club presents for the competitors, as well as a very enjoyable dinner spread for all those in attendance.

The December shoot always includes the 25 target Double Barrel Club Champion event of which the winner must be a club member to take the honour. And on this occasion Rob Collicoat from Deniliquin shooting off with fellow Deniliquin resident Tim Maher proved to be unbeatable, collecting Overall and AA grade 1st and being a Mathoura member also achieved the Club Champion status for 2007. Rob who has been shooting very well of late ended on a score of 45/45. Tim Maher won the B grade 1st on 42/43, and Bendigo shooter Bert Knight collected C grade 1st on a score of 20/25.

Rob Collicoat shot so well on the night that he had clean scores on the scoreboard right throughout the program, and that made him a winner for the ongoing, Graham Hall, clean score jackpot of \$162 cash, good shooting Rob!

An event run at the start for a squad of sub junior's, shooting ten targets single barrel, saw Echuca lad, Josh Allan, collect a trophy, taking 1st place after a shoot off with his brother Nicholas lasting just one target. Well shot Josh, and hopefully many more wins. Local Mathoura lad, Luke Hams, also shot well in the event.

Event one, a 10 target Double Barrel, saw 7 possibles, and after a reasonable shoot off, ended with Rob Collicoat 1st and Club president, Roger Kerslake 2nd.

Event two, a 10 target Single Barrel, and there were three possibles to shoot off ending once again with Rob Collicoat seeing off all others to take out 1st place and Ben Kerslake collecting 2nd.

Event three, a 10 target Points Score, and this time there was 6 possibles shot, and after another ten targets we had local member

Mathoura sub junior Luke Hams

Josh Allan sub junior winner

George Bradley, clean on 60/60 taking out 1st place, and another Deniliquin member, Bruce Cook, collecting 2nd place on a score of 57/60.

An extremely enjoyable evening of Clay Target Shooting, with four events on offer, mixed in with an evening meal, and a separate sub junior event run, meaning it had to be a late night out. But, with the weather virtually perfect for the shoot, and a good number of people present for good conversation, nobody seemed to mind the late 1am finish.

West Wyalong Clay Target Club

Location: Right on the crossroads of the Newell and Mid Western Highways, close to the centre of NSW

Clive Foster was the star of the Christmas Shoot held at the West Wyalong Clay Target Club recently.

In a stunning display of marksmanship, Clive shot the entire set program without missing a single target, a magnificent effort which illustrates why he is considered one of the best shots in country NSW.

"Santa" Frank Ashton had been out to the club on Saturday and when shooters arrived on Sunday the interior of the clubhouse was decorated and it gave a real Christmas feel to the shoot.

Wayne Glasson turned up with an air conditioner and it was a great improvement on the blowfly tied to a piece of cotton that Bert Boyd had been using to keep himself cool as he worked on the squad sheets in the office.

The day got underway with a 10 Target Points Score eye opener as shooters continued to arrive to finally make up six squads.

In the 20 Target Points Score Continental event that followed Dozer Collins began a good day when he won AA Grade 57/57 and Picolo Fyfe won A Grade 56/57. B Grade went to Adam Thompson 20/20 and C Grade was won by Peter Rae 19/20.

The 20 Target Handicap saw Clive Foster and Dozer Collins shoulder to shoulder in a shoot off which was decided in Clive's favour 34/34. Dozer shot 34/35 and late arrival Russell Brown started his day by placing third with 24/25.

The 20 Target Double Barrel was always going to take some sorting out and after a prolonged shoot off involving eight shooters, Clive Foster emerged as overall winner 56/56. Dozer Collins clinched AA Grade 23/24 with Kelvin Maxwell shooting 55/56 to win A Grade. Condo shooter Adam Thompson was having a good day winning B grade 19/20. Wayne Glasson won C Grade 18/20 while Neville Block was the Veteran winner 19/20. Narelle Ambrose won the Ladies section 17/20 and Mitch Brown won the Juniors 16/20.

Just before the 10 Pair Double Rise there were five spots of rain so Patto put the gun in its case and settled down for some early Christmas cheer.

Once again it was Clive Foster who took home the bacon – or more correctly, the ham as he shot 20/20 to win overall. Dozer Collins' mum will not have to buy much meat at Christmas either as he won AA Grade 18/20. Bert Boyd likes double rise and had a comfortable win in A Grade 18/20. Adam Thompson won B Grade 17/20 and Russell Brown was an easy C Grade winner.

There was great fun to be had with the 20 Target Flush and there was plenty of interested spectators giving lots of good natured advice as pairs of shooters took aim at the targets streaming from the trap-house. Len Lord and Wayne Ambrose were the best shots and had the fastest fingers to finish with 18/20.

Winner of the High Gun for the day was Clive Foster.

Narelle Ambrose cooked a lovely Christmas pudding for the raffle which was won by Patto.

Mindful of their drive home shooters shared a couple of drinks as Club President; Graham Fairman presented the chooks and hams and wished everyone a Merry Christmas and a Happy New Year.

He also reminded shooters that there would be no Boxing Day shoot this year and the next scheduled shoot is 27 January.
