# SMOK'IN SATISFACTION

We're not supposed to say that anymore are we? But NASTA have not built a reputation as "the smoking clay" for nothing. The fact is that shooters love to blow them up and when they've shot NASTA they want to keep shooting them!

But there is more behind NASTA's popularity than just this because they are also research leaders in clay target technology.

Manufactured in Finland NASTA targets have been used in World Cups and National Championships world wide. Many world records have been set using NASTA targets.

Available in a range of colors both in standard targets and a full range of Sporting targets.

And best of all they come at a fantastic price.

# NATIONAL PRESIDENT'S NOTES

John Mack

*One of the topics at this year's National Executive Meeting was the awarding of our Presidential Medal. It was decided that the award will be awarded annually like other sports and community awards. When we consider that we have 13,000 members as well as perhaps another 1,000 or more volunteers who assist our sport at all levels surely we should be able to find a deserving person amongst us?*

*To enable this to happen we need you to nominate a person from your club or zone who you believe is suitable. Have your club forward your nomination to your respective State or Territory association. We would then ask the State or Territory association to forward only one of those nominations to the National Office for final consideration. This award will be presented annually at the Hall of Fame night held during our National Trap Championships.*

*I look forward to receiving your State's and Territory's nominations.*

*During your travels leading up to next year's Trap Nationals being held in Roma, Queensland, you may see a sign written 4 wheel drive Nissan promoting clay target shooting and the 2009 Trap Nationals. Raffle tickets are being sold and the winning ticket will be drawn at the Roma Nationals for a new Nissan vehicle. I commend the initiative shown by the Roma Clay Target Club and the Queensland State Association in promoting our sport.*

# FROM THE CEO

As I'm writing this our shooters are only a couple of weeks away from heading off to Beijing for the Olympics and Ireland for the DTL World Championships, and by the time you are reading this magazine hopefully we will be celebrating with our international athletes back at home!

The importance of developing pathways for our members to reach their potential in each shooting discipline is increasingly important.

I'm pleased that the ISSF Pathway Program, which is jointly funded by the Australian Sports Commission through Australian International Shooting (AISL), is now underway with the first distribution of funds made to all the States who submitted proposals for Round 1 funding. These funds have allowed the first steps to be taken in establishing the program nationwide, including coaching clinics and talent identification.

For those shooters who will be attending the Olympic Discipline Nationals at Cecil Park in January, there is an important notice in this CTSN regarding the change of dates and program. The date change is due to a conflicting event – The Youth Olympics – being held at Cecil Park on the dates ACTA had scheduled. The Nationals will now be held in conjunction with the Oceania Championships from 20th to 25th January 2009.

The Oceania Championships had been scheduled to be held in New Zealand in early 2009, but unfortunately the NZCTA does not have a venue to host this event in 2009 and Australia has been asked to assist.

The program has been amended for the 2009 OD Nationals with the ACTA Championship for each discipline being dropped due to the shorter time available. It should also guarantee a larger competitor base.

Another item of interest to the ACTA's ISSF Shooters is the establishment of an Athletes' Committee for the ISSF disciplines. At a meeting convened during the 2008 OD Nationals in Perth the shooters overwhelmingly voted to have a Committee established. Subsequent to the meeting a survey was mailed to participants seeking feedback both on the OD Nationals and the concept of an Athletes Committee, including how it should be constituted and elected.

The National Executive has now endorsed the establishment of an ISSF Athletes Committee at its meeting on 14th and 15th June. ISSF Shooters will find a notice regarding the establishment of a Committee of five to be elected from shooters present in person or by proxy at the ACTA OD National Championships (ISSF Nationals). Nominations will close on 30 November 2008 with voting to take place at the 2009 OD Nationals. More detailed information is available on the ACTA's website – [www.claytarget.com.au](http://www.claytarget.com.au), and a full list of nominees will be posted after nominations have closed.

In closing for this month, it is pleasing to see that the surveys carried out at our National Championships are enabling us to keep track of what we're doing better and where we can still improve. By establishing a baseline we are able to measure the feedback at each event each year. This year's Skeet Nationals survey saw an increase in approval from 2007 for the overall event, the office and event staff, and catering. Thanks to all of you who take the time to complete the surveys, and let's work toward an even better 2009!

# World University Games, Bangkok

I've been very slack in getting this article into the CTSN, however, the event and the shooters that went along deserve reporting on.

*Official Practice Matt Rocco Daniel Allam (shooting) Stefanie Tigani Amanda Holt*

Having been away on quite a few trips I often wonder why do team coaches and managers actually give up their time mostly unpaid to provide support to shooters. In August last year I definitely asked myself why did I do it? I definitely questioned why when I couldn't have a shot myself, when I was lugging huge boxes of athlete lunches around Bangkok, when I had to get up at 5:00am in the morning (I am not a morning person), when I shared a very mouldy shower with several barking geckos, when the hierarchy decided that all Australian team officials needed to have a meeting every evening at 11pm, when some of the food was very dodgy, when I had to keep getting managers and coaches kicked off the overcrowded buses out to the range so that athletes could at least get to the range on time to compete. All this in over 40+ degrees heat. However, as soon as the 5 athletes (Amanda Holt & Stefanie Tigani - Women's trap, Daniel Allam & Matt Rocco - Men's Trap and Double Trap and pistol shooter Gary Mullens (Men's 10m Air Pistol and 50m Pistol) started shooting I knew all the sweating & lack of sleep absolutely worthwhile and I knew why I said 'yes' - because it was fabulous to see these five athletes take hold of the very best opportunity they would have to prepare for life at a Commonwealth or Olympic Games.

The 24th Universiade (The World University Games) as a multi-national multi-sports event is only preceded by an Olympic Games. The Universiade is actually larger than a Commonwealth Games. There were more than 6000 athletes and 4000 officials from 200 countries, covering 18 sports. The Australian team was 180 athletes strong.

2007 was the first time shooting had ever been included. The Thais had it as their invitational sport. The 25th Universiade

will be held in Belgrade, Serbia & Montenegro in 2009 and at this stage it appears shooting will be included.

In Bangkok shooting had 39 countries participate and shotgun alone had shooters from 20 countries participating. Athletes had to be enrolled at University and were allowed to be up to 28 years of age hence world class shooters were present. All athletes and team officials stayed at the Thammasat University.

The Apartments Buildings at the Uni were about 10 storeys high - thankfully they had elevators but were pretty basic apartments otherwise. Stefanie and Amanda definitely got a good taste of 'Olympic' living when they realised they were sharing an apartment with two golf girls and the waterpolo boys were just down the hallway. The venue had all that an Olympic or Commonwealth village has but had the delightful Thai additions of a Thai marketplace and massage parlour, in fact about 40 Thai masseurs and masseuses each charging about \$5 AUD for an hour's massage. Sometimes you walked away feeling fabulous, other times you were lucky to walk away at all.

The day of Gary's official practice for his 10 m air pistol event we found out that the bus to the range could take over 2 hours in the morning. He managed to make it just in time as did about 100 other competitors. I learnt a lot about pistol from Gary and also Peter Anderson the Australian Official who was on the Jury of Appeal. Whilst all I could offer to Gary was positive support and helping him find his focus, I also could ensure he arrived on time, had all his equipment, had his start times and numbers and that he was well fed and watered. It was really good to see the shotgun girls and guys turning up and watching each of Gary's matches and likewise Gary turning up out at the shotgun range. Unfortunately the only path between the indoor range and the shotgun range was a dingy alley with small land subsidences, a lot of trash and way too many discarded used condoms. I ensured that when the Australian Chef de Mission turned up I made him stroll through the alley with me instead of being driven around.

The shotgun range at Huamark had two superimposed skeet and trap

# KINGAROY CLAY TARGET CLUB

Location: At the junction of the D'Aguilar and Bunya Highways approximately 209 kilometres north-west of Brisbane

Kingaroy Clay Target Club had their monthly shoot on the 6th of July and was proudly sponsored by Kingaroy Hydraulics Services. With the weather being so rotten only 23 people decided to brave the cold, wet, windy conditions for the sport that they must love. Despite the weather some very good shooting was displayed.

The competition for the day was shot over four events. With the results being as follows. Event 1 30 Tgt Medley C Rob Clarkson 45/50, B Adam Williams 46/50, A Col Tanner 74/75, AA Gary Brown 121/125. Event 2 25 Tgt Single Barrel C Max Behm 19/25, B Jim Jones 21/25, A Stephen Kelly 26/29, AA Peter McDonald 22/25. Event 3 25 Tgt Graded Meterage C Rob Clarkson 31/32, B Jim Jones 23/25, A Alan Thorp 35/36, AA Paul Clarkson 23/25. Event 4 15 Pair Double Rise C Max Behm 18/30,

B Adam Williams 24/30, A Alan Thorp 33/40, AA Gary Brown 24/30. High Guns C Rob Clarkson 103/130, B Adam Williams 108/130, A Alan Thorp 113/130, AA Paul Clarkson 113/130.

layouts, set out in a beautiful tree filled urban park. The park had to be closed to the public each morning as the locals tended to wander a little too close to the shooting action. The discarded items in the alley were not the only hazard at the range. Matt Rocco was the first on the range to meet the real Bangkok hazard to shotgun shooting – dogs! Stray dogs were everywhere and much to Matt's surprise would even run straight over the top of the trap house roof. . . mid shot!

### Women's Trap

All of the shotgun shooters practiced very, very well. Stefanie particularly shot smoothly and confidently in practice finishing with a personal best – but unfortunately wasn't able to emulate that on comp day – suffering quite badly from heat stress. 20 women competed from 12 countries. Amanda Holt was brilliant on comp day, she was calm and focussed, for a shooter who had only ever made a final at a club shoot, her performance of a 69/75 to enter into the final was a great result. Unfortunately after such solid work in qualifying for the final Amanda's lack of finals experience really did show with quite a low single barrel score. The winner of this event was Zuzanna Stefecekova from Slovakia with a 72/75 + 23/25 = 95, 2nd Marina Sauzet from France 71 + 19, 3rd Wei Sa Yang (China) 70+19, 4th Supawan Karjaejuntasak (Thailand) 67 + 19, 5th Amanda Holt (Australia) 69+11 and 6th Jana Mezeiova (Slovakia) 68+10. Stefanie finished equal 12th with 63/75. Both girls gained a world of experience from this shoot, and soon after they returned to Australia Amanda shot her first National final at the AISL Grand Prix in Sydney and finished 3rd with a very credible 18/25 single barrel.

### MEN'S TRAP

Again the level of competition was strong, with 15 countries represented. Daniel shot solidly for the two days to finish with a 114/125 and went into his first international final out of the junior ranks. He shot a strong 20/25 to finish 5th. 1st Prosperi (Italy) 117+21 +10, 2nd Nikandrov (Ukraine) 115 + 23 + 9, 3rd Hupka (Slovakia) 116 + 21, 4th Tsai (Chinese Taipei) 114 + 21, 5th Daniel Allam (Australia) 114 + 20,

6th Hlavczek (Czech republic) 114 + 17. Matt Rocco finished equal 15th with a 111/125.

### DOUBLE TRAP

The men's double trap scores ranged from a credible 136/150 to 49/150, again 28 competitors from 11 countries. Daniel had had so much fun with the trap that he was keen to give double trap a try. The Gold was won by Furashev (Russia) 136+45, Silver Khamgasem (Thailand) 133 + 47 and bronze Leybo (Russia) 135 + 31. Matt finished mid field with 115 and Daniel 102.

The standard of the referees was brilliant. I have only ever experienced such a flawlessly refereed competition once, which was at the Athen's Olympics. The officials even yellow carded the Italian coach for some very, very obvious coaching from the sidelines.

Gary Mullens finished 39th out of 47 competitors in the Men's 10m Air Pistol and 31st in the Men's 50m Pistol. He started off each of his matches quite shakily but improved as he went along with some very fine bullseye '10s' shot.

Competition was over. We had one more night in Bangkok before we left. In the wisdom of the Australian Team Organisers we were to travel home before the closing ceremony. This was in an attempt to curb general team misbehaviour. I would have liked the shooting team to have stayed for the closing ceremony as it would have rounded off their whole experience. I had had no trouble with the shooting team, probably because unlike other coaches and managers at this event I actually went along to the markets, temples and night clubs with them ... just to check they all got home safe.

### 2008 WORLD UNIVERSITY SHOOTING CHAMPIONSHIPS

This year in October after the Olympics and Paralympics are over the 2nd World University Shooting Championships will be held in Beijing at the Olympic Shooting venue. I am proud to be able to take the Australian University Shooting team over to this event. This is a self funded trip and again the shooters see the valuable opportunity to further their international experience by participating. The team at the time of writing this article is Stefanie Tigani and Amanda Holt (Women's Trap) Matt Rocco, Daniel Allam, Tim Bourke (Men's Trap & Double Trap) and the pistol shooters Allana Slater and Gary Mullens.

# West Australian Junior Youth ISSF Camp 2008

Location 156 Kms east of Perth

*ISSF Camp Group*

The Junior Youth ISSF Camp for 2008 was held at the Cunderdin Meckering Clay Target Club on Thursday the 10th and Friday the 11th of July. Western Australia was both fortunate and privileged to have Mr Peter Quire travel from Adelaide to share his extensive knowledge and expertise in the field of ISSF. Mr Quire was joined by local coaching identities Tim Catling, John Harris and Lex Shipp who were also all too happy to share their knowledge with the participants attending the Camp.

All Camp participants enjoyed a balance of practical and theoretical learning sessions varying from gun fit, shooting etiquette, ISSF rules, technique problem solving, mental skills training, fitness, nutrition and developing skills in preparation for competition. Camp participants were also fortunate enough to debrief their shooting sessions with the Coaches one on one and view current training dvd's from the WACTA Library pertaining to shooting ISSF.

All who participated improved their shooting scores and there was great rivalry between the shooters who joined forces for a friendly zone teams' competition. The camaraderie of the participants was also high for the giant size game of Jenga and other recreational activities in the evening!

On behalf of the participants I would like to sincerely thank all of the Coaches involved in this year's ISSF Camp. I would also like to take this opportunity to thank the Cunderdin Clay Target Club's helpers for all of the work they did both behind the scenes and in hosting the Camp. Without their help the 2008 Junior Youth ISSF Camp would not have been such a success.

The West Australian Clay Target Association will endeavour to hold an annual Junior Youth ISSF Camp in the coming years. The aim of this Camp is to identify and encourage young people to shoot more ISSF by helping them to improve their ISSF shooting skills ensuring the development of WA Juniors.

# 30th Central Victorian Grand Prix

## June 27th - Maryborough Gun Club

Shane Stokes

On a cool, bright day ninety-six competitors from twenty-nine clubs throughout Victoria and interstate came to take part in the biggest 1-day program on the V.C.T.A. calendar.

The day commenced with a 25 target Single Barrel Graded Championship sponsored by Doran's Earth Moving.

AA Grade shooter, Shane Stokes from the Hamilton Club, was the eventual winner, taking the overall sash with a score 35/35. Sox Pilipasidis from Noorat Club had to be content with second in this grade. Wayne Calaby from the Maryborough Club won A Grade,

26/27, from Terry Foster, Horsham. Maryborough member, Leigh Watts, won B Grade, 27/28 from Gary Vickers who had travelled from Warrnambool. C Grade went to two Kyneton shooters, Leo Hatzigiannis, 23/25 from Matthew Venezia.

### STEVE HABERMAN WINS HIS 5th GRAND PRIX

Event 2, the main event for the day, was the Annual Central Victorian Grand Prix - 25 target Double Barrel Graded. Seventeen competitors shot a possible and the Grand Prix - and AA - was eventually won by Steve Haberman (Geelong) with a score of 149/149. This is the fifth time Steve has won this prestigious event. The sash was donated by Gilmans, Nathan Cassells (Bendigo) was second, 148/149 and third in AA Grade was Roger Duthie (Hamilton) with a score of 145/146. These three shooters have all won this event in previous years. A Grade went to

# Illawarra Gun Club Anniversary Shoot

**Location: Illawarra is conveniently located 1 hour drive south of Sydney**

Illawarra Gun Club held its two day carnival on 7 and 8 June. The weather was reasonably kind over the weekend with very little rain and no wind which is rare for Illawarra.

*Glen Castellaro, winner of both Championships on Saturday and Overall High Gun winner*

We had competitors travelling from New Zealand and throughout New South Wales. Numbers overall were down and approximately seventy two shooters competed each day.

Our first event on Saturday was 25T D/B C/D with 13 possibles. The second event was the Illawarra P/S C'ship with O/A 1st Glen Castellaro 90/90, O/A 2nd Mat Patmore 89/90, AA 1st Charlie Smith 101/102 and 2nd Kosta Zimaras 100/102, A 1st Mitchell Cobbin 73/75, 2nd Manuel Gomes 90/93, B 1st Josh Lambert 74/78, 2nd Josef Schoefer 71/78, C 1st Frank Cicala 63/65, 2nd Ben Baaner 53/55, Ladies Samantha Peck 72/75, Juniors Jason Owen

70/75, Veteran Gary Rootes 101/105.

Event 3 was the 50T Illawarra Gun Club C'ship and this was won in fine style again by Glen Castellaro who shot 121/121, O/A 2nd was Arty Del Ben 120/121, AA 1st Nick Xenos 113/114, 2nd John Crompton 100/101, A 1st Theo Lionatos 80/81, 2nd John Crompton 100/101, B 1st Robert Hggart 54/57, 2nd Josh Lambert 53/57, C 1st Ben Baanar 42/50, 2nd John Papadatos 41/50, Ladies Kathie Gault 51/52, Juniors Mitchell Cobbin 50/52, Veterans Gary Rootes 49/50.

After competition had finished we were entertained on the club grounds by Charlie and Brian Smith, our competitors from Bega, with some very skillful whip cracking.

Later in the evening a complimentary dinner was provided by the

*Charlie & Brian Smith from Bega - "the whip crackers"*

club and thanks to Alan Roe, John Haug, Olga Cassar and Val Tickle who served up the excellent evening meal which was well received and complimented on by those who stayed. Thanks also to the staff in the kitchen for providing a good choice of food for competitors and their families over the two days of the competition.

Sunday morning arrived with the weather initially cloudy and drizzly but cleared up prior to the commencement of the shoot.

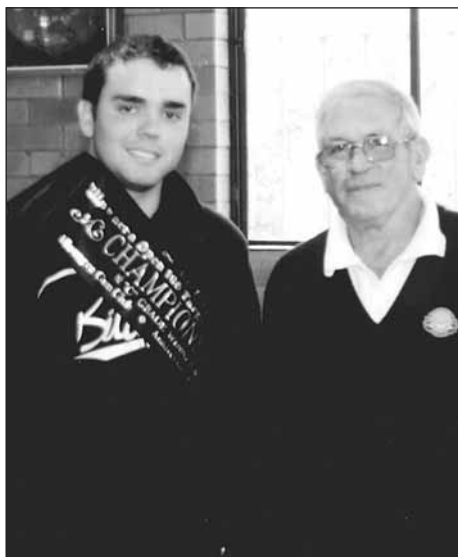

Event 4 the 100T Illawarra Open, was the major event of the weekend with cash prize money of \$5,750.00 up for grabs. After the qualifying round the eventual winner O/A was Scott Wallis with 161/161, O/A 2nd was John Crompton 160/161, AA 1st Joe Camilleri 132/133, 2nd Glen Castellaro 112/113, A 1st Jason Owen 144/145, 2nd Jim Mortys 99/100, B 1st Stefan Seckar 98/100, 2nd Brian Smith 95/100, C 1st Ben Baaner 91/100, 2nd Jose Nunes 86/100, Ladies Samantha Peck 97/100, Juniors Mitchell Cobbin 89/100, Veterans Gary Rootes 98/100.

O/A High Gun was won with some outstanding shooting by Glen Castellaro who shot 249/250. One target behind to win AA High Gun John Crompton who shot 248/250. A grade High Gun was won by Jason Owen with 242/250, B High Gun was won by Brian Smith with 234/250, C High Gun won by Ben Baaner on 204/250, Ladies High Gun by Samantha Peck on 241/250, Junior High Gun Mitchell Cobbin 235/250 and the Veterans High Gun was won by Gary Rootes on 242/250.

The committee of the Illawarra Gun Club would like to thank all our sponsors for their continued support and thank all the competitors for their participation over the weekend.

# ACTA SKEET NATIONALS REPORT CARD 2008

During the 2007 Skeet Nationals held at the National Grounds in Wagga Wagga in November, attendees were asked to fill in an evaluation survey of 10 questions to rate the event from a shooting and visitor experience perspective, and provide comments and feedback on what they liked, and what could be improved. Sixty five surveys were returned, giving a sample of half the shooters.

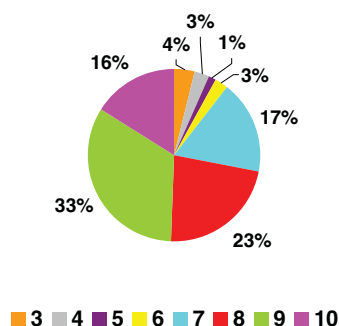

In 2008, we continued to build on this feedback, by again asking shooters to complete a questionnaire. This year, the Championships were held from the 19th to 24th May, and 79 surveys were returned for analysis. A number of the questions relating to the event itself and the facilities provided at the grounds were repeated, allowing us to measure progress and slippages. By building on this knowledge each year we can be sure that the needs of the majority of participating members are being met.

There were only six months between the 2007 and 2008 events, so it is pleasing to see that some improvements have been recorded, including an increase in the rating of the quality of the overall event and catering, with a small increase in the approval rating of the event and office staff. Some problems with the voice release system resulted in a downturn in its approval this year.

The feedback on targets thrown and the facilities at the national grounds remained the same.

More detailed charts follow providing a breakdown of responses, together with a selection of comments and suggestions for improvement.

## Q1. How would you rate the overall conduct of the event?

In 2008, 72% of shooters rated the overall conduct of the event between 8/10 and 10/10 compared with 56% in 2007, and increase of 16%. This year 20% gave a mark of 6/10 or 7/10 against 36% last year. Those giving lower scores between 3/10 and 5/10 totalled

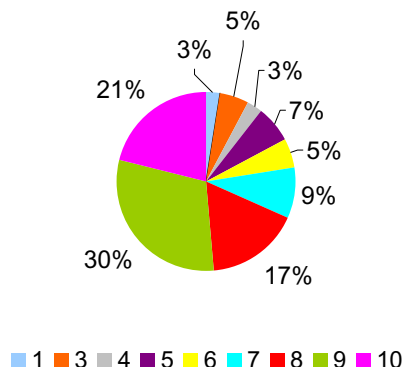

## THE REPORT CARD

	On a scale of 1 to 10 (with 10 being highest and 1 being lowest)	2008	2007
Q1	How did you rate the Quality of the Overall Event?	8.1	7.7
Q2	How did you rate the Targets thrown?	7.7	7.7
Q3	How do you rate the change in calendar for November to May?	7.4	n/a
Q4	Do you think the Skeet Nationals and Sporting Nationals should be held back to back	6.8	n/a
Q5	How would you rate the overall conduct of the event and office staff	9.2	9.1
Q6	How would you rate the voice release system	6.0	8.1
Q7	How would you rate the food and beverage supplied at the carnival?	7.9	5.8
Q8	How would you rate the facilities at the National Grounds?	7.5	7.5
Q9	How would you rate the draft Master Plan for the Grounds?	7.7	n/a
Q10	How would you rate the draft Master Plan for the Grounds?	8.5	8.7

8% in both years. This means 16% of the shooters migrated into the top approval category, with disapproval remaining static. Feedback from shooters included:

*"The best for atmosphere for many years"*  
*"First time here, but very well run"*  
*"The event was a lot better than last year"*  
*"Well run, good targets, visibility. Points off for voice release problems"*  
*"Need more days shooting"*  
*"No ammo for sale"*  
*"Slow results for shoot offs"*

## Q2. How would you rate the targets thrown at the event?

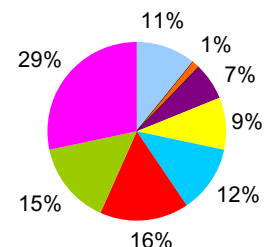

This year 21% of shooters gave a top score for targets thrown compared to 28% in 2007. However, 30% of shooters rated them a 9/10 against only 15% last year. Overall, this year there was a 4% percentage increase in those who rated targets thrown as very good to excellent (8/10 to 10/10) from 64% to 68%. The lower scores from 1 to 5 remained fairly constant – with 18% in 2008 as against 17% in 2007. Comments ranged accordingly:

*"Real good"*  
*"Started OK, but progressed downhill"*  
*"Good. Better than last year"*  
*"Average - tended to vary left to right"*

*"Targets OK. Voice system not"*  
*"Inconsistent flight"*

## Q3. Do you like the change in calendar from November to May?

1 3 5 6 7 8 9 10

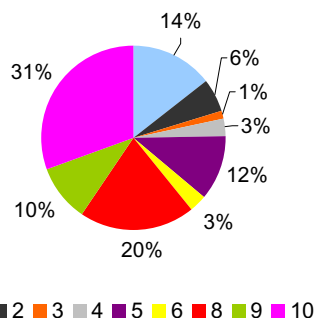

The change of timing of the Skeet Nationals from hot and dusty November, to a much cooler May was appreciated by a majority of the shooters with 60% giving an 8 to 10, and a further 21% reasonably happy with the change. 12% gave the thumbs down, with the cold and earlier darkness cited as the main objections.

*"Cooler weather is nicer than hot weather"*  
*"Enjoyed the cooler conditions and no flies, but the mud needs to be looked at"*  
*"If rain and hail stays away - excellent"*  
*"Too cold and wet"*  
*"Better, but need to complete program on time (same day). Need lights"*  
*"No flies. Yippee!"*

## Q4. Do you think the Skeet & Sporting Nationals should be held back to back?

A majority of shooters (61%) were in favour of holding the Skeet and Sporting Nationals back to back, citing the increase in shooters numbers as a positive. In contrast 20% were against the back to back format and many of those supporting it did so on the proviso that the Skeet titles be held prior to the Sporting.

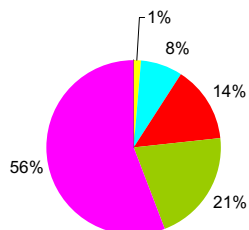

There was a keenness among some respondents to reintroduce the small gauges during the pre nationals, and for a day or two rest in between the two disciplines. They said:

*"Any increase in shooter numbers is a plus"*  
*"Good idea - but reverse the order"*  
*"Yes, so more shooters attend"*  
*"One or two days in between would be good"*  
*"Skeet first, then Sporting"*  
*"But what about small gauges?"*

#### Q5. How would you rate the overall conduct of the office and event staff?

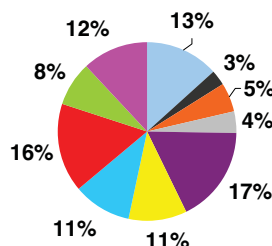

6 7 8 9 10

The total of shooters rating the staff performance as very good to excellent (from 8 to 10) rose from 87% last year to 91% in 2008. 56% of attendees gave a 10 out of 10 score to the office and event staff (53% in 2007), 21% gave them 9 out of 10 (24% in 2007), and the percentage of those giving an 8 out of 10 rose to 14% from 10% last year. In is also noted that this year there was no score below a 6/10.

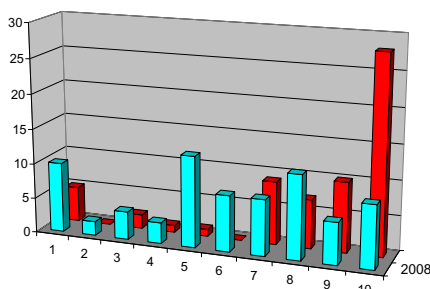

*"Excellent. Very friendly and helpful"*  
*"Everything ran smoothly"*  
*"Very helpful"*  
*"Paul Johnston and the staff did a great job"*  
*"Good, bar the delay in organising shoot offs leading to long days and shooting in the dark"*  
*"Give them a better office and equipment"*

#### Q6. How would you rate the voice release system?

1 2 3 4 5 6 7 8 9 10

#### Q6. How would you rate the voice release system 2007 vs 2008??

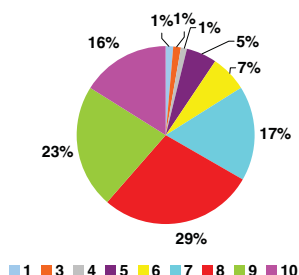

The Voice Release system continued to be controversial in 2008, with fewer people giving it a 10/10 rating this year (12% against 44% last year) and more giving a low rating (13% against 8% last year). Comments indicate that the greater spread in the rankings appears to have been the result more inconsistency experienced in 2008 versus 2007. Many of those who gave lower ratings commented that they like the system, but that it needs further refining to achieve a top score.

*"Good, because then nobody is responsible for a slow pull"*  
*"Very good"*

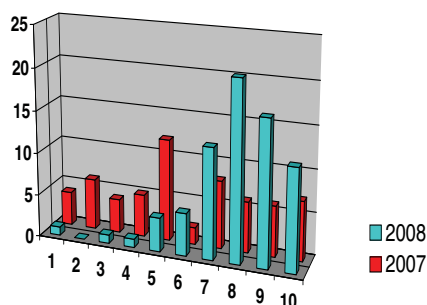

*"System will be excellent when debugged"*  
*"Needs refining"*  
*"Last year was better - seemed to have more problems this year with no pulls and targets thrown with gun closed"*

#### Q7. How would you rate the food and beverage at the 2008 carnival?

1 3 4 5 6 7 8 9 10

#### Q7. How would you rate the food and beverage at the carnival - 10 out of 10 being excellent? Comparison between 2007 and 2008?

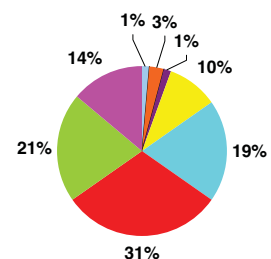

There was a significant improvement in the approval rating for the catering at the 2008 Skeet Nationals, with a whopping 36% increase from 2007 in those rating it from very good to excellent (68% in 2008 / 32%

in 2007). A further 24% rated the catering from good to very good. This year only 3% scored the catering a 4/10 or less, against 32% last year, with 5% giving an satisfactory score, against 20% in 2007. Comments this year included:

*"Best food ever"*  
*"Much better - choice and affordability"*  
*"Great friendly service"*  
*"Plenty of choice - fair prices"*  
*"Great food, friendly staff. Much improved on last year!"*  
*"Pretty good. Much better than last year"*  
*"Nice food, but could have a better range and healthier food"*

#### Q8. How would you rate the facilities at the National Grounds?

1 3 5 6 7 8 9 10

There was an 9% increase in shooters who rated the facilities at the National Grounds as very good to excellent (57% in 2007/ 66% in 2008). A further 29% gave a good to very good rating this year, against 18% in 2007, with 5% giving the facilities a low rating. Comments ranged from:

*"Very clean, neat, tidy. More seating would be good"*  
*"All facilities were very nice"*  
 to  
*"Not good enough"*

Many respondents provided suggestions for improvements, with the consistent message that toilets, shade and shelter and lights for night shoot-offs should be high on the list. Other items listed were measures to deal with mud and the need for more permanent structures.

*"Toilet at each end of fields"*  
*"More showers and toilets"*  
*"Need more shelters and benches, huts and seats in each layout"*  
*"Gravel paths. More powered sites"*  
*"Lights required - shoot offs should be held at 6.00 pm"*  
*"Need a concrete apron in front of club house"*  
*"Lights on main ground. Fence down at the end Ground"*  
*"Permanent marquee"*

#### Q9. How would you rate the Draft Master Plan for the National Grounds?

The majority of those who took the time to study the Draft Master Plan for the National Grounds appear to think it is on the right track, with 74% giving a very good to

# MIXED SHOOT AT ECHUCA

Location: On the Murray River which forms the border between Victoria and New South Wales

Sunday the 29th of June was the fifth Sunday of the month, and the Echuca Clay Target Club had a mixed bag of events on offer for the five squads of shooters that arrived to compete for the sashes, trophies and cash on offer for the day. Trench, Skeet, Handicap, and Trap made up the program, and it seemed that all who attended did actually enjoy shooting the varied program!

The Trench Championship was the first event and club President Ron Traill could not be beaten, with a commendable score of 21/25, taking out the Overall sash and 1st in B grade for his effort in this very difficult discipline. AA grade went to Yarrawonga member Terry Walls on 19/25, A grade to Bendigo shooter Peter Akkermans after a very short shoot off, ending on a score of 21/27 for Peter, and C grade was taken out by Steve Traill on a 20/25 score.

Second event was the 50 target graded cash divide Skeet, with A grade taken out by Echuca member Craig Scott on a 43/50, G Charleson, a Swan Hill member, collected B grade 1st with a top score of 46/50, and Ron Traill, having a day out, picked up C grade cash with a very good score of 44/50.

Ron Traill OA & B in Trench

Terry Walls OA PS

A 20 target Handicap was the next event, and Colbinabbin member, Geoff Palmer, shooting off the 19 meter mark, was the only shooter able to successfully hit all 20 targets, giving him 1st place honours. And after a shoot off, Alan Patten, a Shepparton/Numurkah member took out 2nd place with a score of 30/32, and 3rd place went to Echuca member Greg Norris with a 28/31 score.

A 20 target Points Score Championship was the final event, and Yarrawonga shooter, Terry Walls, was the only shooter with a clean score of 60 points giving him the Overall Sash and 1st in AA grade. Club secretary, Peter Sing, collected A grade 1st after a battle with others to end on a score of 91/93 for Peter. B grade 1st went to Alan Patten with his 55/60 score, and C grade 1st was taken out by Miss April Thompson, an Echuca member, and April shot a score of 42/60.

A very enjoyable shoot, shot in calm, but fairly dull and cold conditions, ending at an early time in the afternoon, giving everyone an early start home.

Crushing orange targets begins with being able to see the maximum amount of orange light available in the colour spectrum with more definition and optical clarity. The BALLISTX MAX ORANGE series from HDS is a target sports only light management system allowing an increase of 600% more orange light through the lens than a standard lens while still maintaining registration of the full colour spectrum to gauge proper depth of field. This is critical to achieve MAX recognition of the speed, trajectory and distance of targets.

excellent rating, and 20% of that group giving the draft plan a 10 out of 10. 5% of respondents gave a low mark of 1 out of 10. The survey also requested suggestions for improvement. Feedback included:

*"A lot of thought put in and I hope it gets built"*

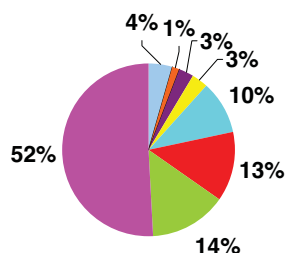

*"Great"*

*"Good, but what about lights"*

*"Double Trap, Ball Trap, Continental and Trench"*

*"Improvements should be done quickly - not take 20 years"*

## Q10. Are you considering attending next year's Nationals?

52% of this year's attendees say they'll definitely be back next year, with another 40% looking to return as well. 5% say they will not be, or are unlikely to be, at the 2009 Nationals and another 3% are still to make up their minds.

Work commitments, time and money are cited as the main impediments to attending, with the use of voice release systems a concern to a small number of shooters. They said:

*"If work commitments allow"*

*"Time and money permitting"*

*"If I can afford to"*

*"No, too far away"*

*"No if the voice release system isn't working properly"*

# Annual 2 Day Carnival

## Dysart Clay Target Club July 5th-6th

Location: Central Queensland

An enthusiastic but small group of shooters were mustered into 6 squads for the Dysart Clay Target Club's annual 2 day Carnival last weekend. The chilly 9.30am start on Saturday morning got underway after a hearty breakfast of bacon and eggs and hot coffee with the first of 7 events scheduled for the 2 days of competition.

11 competitors from across all grades were able to share in the prize money for the first event, the 15 target medley, a great little eye opener competition for the start of the day.

Event 2 the 50 target double barrel competition set the scene for the rest of the carnival with AA Grade shooters, Bruce Powell and Scott Meaney heading to a shoot off to determine the overall winner of the event after both shooters shot the possible score of 50/50. Bruce Powell emerged the victor with a total score of 56/56 and Scott the winner of the AA Grade with 55/56.

Event 3 the 25 target Single barrel event was next and once again Scott Meaney shot the possible 25/25 to take out overall, Bruce Powell AA and Jim Wiseman B both shot a credible 24/25 to take out their respective grades as well.

Event 4 the last event for Saturday and now in warm sunshine was the 24 target Continental competition. It was in this event that B Grade shooter, Russell Tanis 36/36 made his presence felt with a good fight in the shoot off for overall with Emerald veteran shooter Cliff Grimshaw A Grade 35/36 and included in the shoot off for minor placings, John Phillips B Grade 25/27 from the Gemfields club and junior Dysart shooter Klay Parkinson B Grade 24/27.

Sunday morning's competition began with the 24 Target Double Barrel cash divide. The mornings weather however created some problems for shooters with a slight breeze and cloudy, dull conditions, making it a little harder to see the Corsivia orange fluorescent targets against the mixed backdrop of earthen banks and gum trees at the Dysart Club, however not to Bruce Powell, the only shooter to shoot the possible score 25/25 and take out the overall for the event. Mick Fuller, Zarah Powell and Ray Meaney A Grade shooters and Jim Wiseman, Russell Tanis and Jason Moore B Grade shot a credible 24/25 in the same event

Event 6, a 25 target Points Score competition proved to be the toughest event of all with no possible scores taken to the secretary's office at all, the highest score of the event and the overall winner on 73/75 was Scott Meaney and included in a shoot off for minor placings, Russell Tanis 74/81 defeated Klay Parkinson 73/81.

Last event of the day shot around midday on Sunday was the 24 target Handicap Event. Springsure shooter Zarah Powell brought in the best score of 24/25 and another short shoot off determined the minor placings with Steve Miller 29/31 2nd Scott Meaney 28/31 3rd Klay Parkinson 25/28 4th and Jason Moore 27/31 5th.

High gun winners for the Dysart Clay Target Club 2008 Carnival were, Overall Bruce Powell 262/276, AA Grade Scott Meaney 259/276, A Grade Cliff Grimshaw 232/250, B Grade Klay Parkinson 221/250, C Grade Todd Holmes 224/250, Juniors Jack Phillips 173/250, Ladies Zarah Powell 220/250, Veterans Barry Nasser 190/250

High Gun winners included. L-R Zarah Powell, Barry Nasser, Jack Phillips, Bruce Powell, Scott Meaney, Cliff Grimshaw, Klay Parkinson, Todd Holmes

# Psychological Skills for Shooting

by Michael Kruger-Davis

## HYPNOSIS FOR SPORT

Throughout this year the dominant subject for these articles has been mental rehearsal and visualization. The main reason for this has been the work I have been doing with the Southern Sports Academy, and helping these talented athletes, lift their potential and performance by using mental rehearsal skills, as well as the technical and physical skills they had been used to using.

Recently, whilst walking through town, I noticed a flyer for a hypnotist who is coming to perform at the local RSL club. Visions sprang to mind of people running about doing silly and dangerous things as part of post-hypnotic suggestions. Now I don't want to criticise the 'hypnotist' and what he is doing: which is nothing more than an act to make money, but I do want to put hypnosis as a tool for developing mental skills into perspective.

I need to point out that I have completed a "Diploma in Clinical Hypnotherapy", and as result I see hypnotherapy as a valuable technique in either general therapy or specifically for sport.

Hypnosis has quite a long past and was originally used as an anaesthesia for surgical operations prior to chloroform and other chemicals. The original process was called mesmerism and was developed by Franz Mesmer in the 1700's. Hypnosis took another blow when it was rejected by Freud for psychoanalysis and then hypnosis became commonplace in theatres and with entertainers. Following the Second World War, hypnosis had a revival because of the move away from the lengthy process of psychoanalysis and the need for effective, short term therapeutic interventions.

There is a general lack of understanding of what hypnosis is in the general community. Stage shows, television and the movies have portrayed a distorted view of this valuable technique. It is necessary to deal with some of the misunderstandings before I deal with the subject in general.

According to Winter & Martin, hypnosis is not sleep. Sleep is a state of reduced consciousness whilst hypnosis is a state of heightened consciousness. Hypnosis is a natural state of mind that we all feel from time to time. Those times when you are so engrossed in a book you do not hear someone at the door or you are driving and you can't recall going past a particular landmark or over a bridge. This is how you can expect to feel as you are hypnotized and it is likened to that feeling just before you go to sleep.

Hypnosis is not a state of being out to it or being in a trance. Actually you are just relaxed. Sometimes, this relaxation can be very deep, but for performance hypnosis there is no need. So as a result you will remember everything that happens to you whilst you are hypnotized.

Because of showman hypnotists, as seen on television, people often

think that the hypnotherapist will make them do things that they do not want to do. This is not really possible and will not happen with a psychologist because they are bound by a code of ethical practice. It must also be remembered that hypnosis in sport is used to improve concentration and confidence, reduce anxiety, or to help clients change behaviours such as quitting smoking or losing weight.

Hypnosis in sport had been widely used for sometime in the Eastern Bloc countries. The first scientific report of it's use in the Western world was in 1943 when Professor Dorothy Yates used hypnosis to assist a squad of university boxers. In the 1940's-1950's there was widespread use for sports such as basketball, baseball and ice-hockey. In the early 1960's hypnosis was used to assist a Red Sox baseball player, Jackie Jensen, of anxiety due to flying. He was about to give up baseball because he could play away games because of his fear of flying. In Australia, Dr Guy Grant, helped the North Melbourne football team win their first-ever grand final.

Athletes, in general have been reluctant to confess that they have been using hypnosis for performance enhancement. This is possibly due to a misguided belief that "tampering with their psyche" is a reflection of a basic weakness, unnatural or unethical. These beliefs cannot be further from the truth. Firstly, there is nothing weak about striving to improve or to enhance your performance. Secondly, it is entirely natural. There are no performance enhancing drugs involved, because in the main it is relaxation with carefully placed positive suggestions and affirmations. Finally, if practiced by a psychologist, under a rigid code of conduct, and if it is available to all athletes then it can't be considered unethical.

What does it feel like when hypnotized. Most people are surprised when they experience their first session because they realize that they weren't asleep and that they could hear everything around them or that they could have opened their eyes. This helps the client better understand that they are in control of their behaviour and environment. It is possible to go into deeper states of hypnosis but still clients are aware of the noises and things around them. Actually, under hypnosis clients are three times more aware of the noises and things around them.

According to Winter & Martin, our normal alert state of consciousness acts something like a watchdog to incoming ideas; it screens what it will let through. This watchdog my often stop positive thoughts from getting through and allows you to dwell on negative judgements about yourself or your performance from the past. Hypnosis helps get the watchdog out of the way so that you can get your message through to the part of the mind where images, attitudes and memories are stored. Hypnosis helps you do this through a combination of physical relaxation and mental concentration.

Over the next few months I will focus further on hypnosis and will include some self-hypnosis strategies for readers to try.

The **CONDAMINE GUN CLUB** would like to thank everyone who contributed to making our annual shoot a success. Thank you to our major event sponsors: CRC Electrical, Teys Feedlot, and Condamine Kitchens. Thank you also to our High Gun sponsors: Millard Tyre Centre, Charolais Cattle Company, Lowes Petroleum, Sean Grams Building and Bobcat Service and Murilla Foodworks. A big thank you to everyone who worked in the bar, office, kitchen and on the layouts. An extra special thanks to Paul Moore, Rod Woodrow and Viv Moore for doing the office work and to Bill Belcher for his work on the BBQ and donating the Bears for the raffle.

# TASMANIAN GUN CLUB TWO DAY SHOOT

Location: Location at the convergence of the Macquarie and the South Esk Rivers, 27 kms from Launceston, and 12kms off the Midlands Highway

A total of 33 shooters competed on the two days of competition and some excellent scores were shot.

Bernie Smith proved again that he is an exceptional shooter winning the major event with a perfect 100/100. He had to stave off a little bit of a challenge to beat Barney Howell for the AA Grade High Gun sash over events 2, 3, 4, 5 & 6 after both shot 289/300 over those events.

Junior shooter Sam Archer also once again proved he has excellent ability with a near miss in the major event Sam shot 99/100 to come second.

There seems to be a bit of friendly rivalry between Sam and his dad, Marcus, Sam seems to have the better of his dad in the trap events, but Marcus has Sam's measure in the skeet events.

Sam has now notched up 100/100 several times and I have no doubt that he will go on to shoot some formidable scores in the future. Chris Rockliff's perfect score on Saturday in the 50 target skeet event was also an excellent achievement as he worked tirelessly all

day with the running of the competition as well.

Mr and Mrs Terry Haynes visiting from Moree in New South Wales also had a good weekend, Terry with a win in the 50 target points score event and his wife with two C Grade wins and also the ladies graded High Gun sash.

Results as follows: Event 1 50T Northern Districts Skeet Championship Overall and AA Chris Rockliff 50/50, A grade John Sturzaker 48/50, B grade Phil Turner 49/50, C grade Marcus Archer 47/50. Event 2 30T Medley shot from 16 metres. Overall and A grade Peter Rockliff 50/50, AA grade Barney Howell 72/75, B grade Nathan Ward 52/50, C grade Ron Ringwaldt 42/50. Event 3 50T Points Score, Overall and A grade Terry Haynes 165/168, AA grade Barney Howell 145/150, B grade David Hall 140/150, C grade Ron Ringwaldt 115/150. Event 4 10T Budget Eye Opener 10/10 shot by P Turner, P Smith, A Flockhart and B Howell. Event 5 25T Single Barrel Overall and AA Nanette McCallum 25/26, A grade Adam Flockhart 23/25, B grade Kim Hibble 23/26, C grade

Nigel Fish 20/26. Event 6 75T Northern Districts D/B Championship Overall and AA Bernie Smith 100/100, A grade John Crosswell 74/75, B grade David Hall 73/75, C grade Mrs J Haynes 71/75.

Overall High Gun sashes over events 2, 3, 4, 5 & 6 AA grade Bernie Smith 329/340, A grade John Crosswell 292/300, B grade David Hall 276/300, C grade Mrs J Haynes 240/300 Ladies Mrs Nanette McCallum 286/300, Junior Sam Archer 286/300, Veterans John Crosswell 292/300.

The club has Skeet and Trap practice Wednesday afternoons from 2.00pm visitors welcome.

The club is now the centre of an excellent school boy competition which is being conducted between several of the northern high schools.

School boy practice is scheduled every month, this will be able to be carried on under lights as the afternoons are now cut short by our winter nights.

Dear Your Say

I would like to take this opportunity to congratulate Mike Swale, on the intelligent and well thought out letter he submitted to Your Say, published in the July issue of the CTSN.

I for one, agree whole hearted with all that Mike had started, and I am sure that there would be plenty more shooters who would feel the same. But unfortunately they simply could not be bothered to write in and say so.

I hope that "the powers to be" (as Mike called them) read and reread the article so that it sinks in.

There are a couple of points that I feel strongly about and would like to comment on.

I have been saying for years that Australians are intelligent enough to be able to make their own rules and I cannot think of any reason why we should be governed by rules from ANY other country.

As far as the rolling percentage rule goes, what a great comment Mike makes. What difference does it make on any shooters' previous 200, 600 or 1000 targets ago? Why change a system that has worked so well for years? I.e. 200 competition targets at a higher percentage to be upgraded and 600 competition targets at a lower grade percentage to be downgraded, simple, effective, nothing else required.

I agree with the last paragraph in the Editors Note that yes, when shootings doubles at station seven, fragments from the low can break the high and some of these pieces may come in the direction of the shooter, but let's be serious, how often would this happen? The statement could be misinterpreted that someone other than the shooter is ducking for cover.

Once again, well done Mike

## Annual Two Day Shoot

**Location: The township of Condamine is located south of Miles on the meandering Condamine River**

The Condamine Gun Club held their Annual Two Day Shoot on Saturday 14th and Sunday 15th June. The wet weather before the shoot, was a relief for local farmers, but resulted in over 20 apologies from shooters who were unable to attend due to planting commitments.

*Peter McDougall taking his winning shot in the shoot-off for the "Kiwi Trophy" awarded annually to the best local shooter for the Handicap event*

The two days brought in excess of 55 shooters. Shooters from local clubs, including Chinchilla, Dalby, Roma and Surat attended, as well as shooters from further a field, including Mundubbera, the Atherton Tablelands and Tyagarah in NSW.

The weather added to the challenge on Saturday, with cold blustery conditions. Three events were shot on the first day. The opening event the 30T DB Sweepstakes, saw three AA shooters take possibles, Clayton Cusack, Alex Dallas and Richard Morrison. The second event the 30T Medley,

which was sponsored by Teys Feedlot was also tightly contested, with David Robb AA 50/50 taking overall. The main event for the first day, the CRC Electrical 50T Double Barrel "Condamine Bell" Championship was fiercely contested, with Brian Kneipp 57/57 taking the overall prize, consisting of the much coveted Condamine Bell.

Sunday provided a beautiful day for shooting, with clear skies, warmer temperatures and no wind. Shooters however, did not respond as well to the favourable weather conditions, with few possibles being shot for the day. Two events on the second day, stand out, the first being the 30 Target Points 15M "Chair Event" in which first prize is a Squatter's Chair. This event is sponsored by

Condamine Kitchens, which is owned and operated by Club President Brett Pile, who also makes the chairs. This year, as always shooters came with the intention of taking home a chair however only five ever manage to leave with one. Overall in this event was Ray Turner 89/90 Tyagarah. Brian Kneipp 97/99 Moree took out the AA grade, Veronica Forsythe 87/90 Roma took out the A grade, Richard Giltrow 84/90 Moonie took out the B Grade and C grade went to Grant Cramp 78/90 Kingaroy. The 30T Single Barrel "Condamine Bell Championship" was the last event for the week-end, with local shooter, Brett Pile taking home the coveted Bell.

The Overall High Gun sponsored by Charolais Cattle Company was awarded to Ray Turner from Tyagarah 266/280. AA grade High Gun sponsored by Millard Tyre Centre was taken home by Brian Kneipp from Moree 265/280 A grade High Gun sponsored by Sean Grams Bobcat and Building Services by Peter McDougall from Miles

261/280, B grade High Gun sponsored by Murilla Foodworks by Steve Flanagan from Condamine 261/280 and C grade High Gun sponsored by Lowes Petroleum Grant Cramp from Kingaroy 250/280. Veterans High Gun was awarded to Geoffrey Bryant from Roma 252/280 and Ladies High Gun to Veronika Forsythe from Roma 245/280.

The "Kiwi Trophy" which is awarded annually to the best local member for the Handicap event was taken home by Peter McDougall Miles.

Full details of the scores for the two days can be found in the results section.

A special thank you must go to all of the staff in the kitchen, behind the bar and on the layouts. An extra big thank you to Paul Moore, Rod Woodrow and Viv Moore who did the office work for the weekend all are members of other clubs but agreed to give us a big helping hand Thankyou.

All in all an excellent weekend was had by everyone and we look forward to seeing everyone again next year.

*Clayton Cusack awarding the overall winner Brian Kneipp (left) the coveted Condamine Bell for the CRC Electrical Condamine Bell D/B Championship*

*Brett Pile receiving his "bell" and prize from Jennifer Philp for the 30T SB Condamine Bell Championship*

*High Gun winners from left to right, Grant Cramp, Steve Flanagan, Peter McDougall, Brian Kneipp and Ray Turner*

# Warracknabeal Pioneers New Enviro Sash

Russell (Blackie) Black and Roger (Ruthless) Lehmann

At Warracknabeal on July 26 when two shooters, Russel (Blackie) Black and Roger (Ruthless) Lehmann refused to concede defeat, and looked like running the club broke, out of necessity the club decided it would be cheaper to present two sashes.

Not having a second sash in their possession management quickly manufactured one from high quality, double strength, double thickness Home Brand toilet paper. Incorporating staples and paper clips and with expert texta-pen calligraphy the sash looked magnificent. The two protagonists then tossed to see who would take home the prize sash.

Relentless Roger took the prize. Commenting later, Roger stated "I have never had a sash that I could actually use for anything before, this is fantastic. You can take it home and use it at your leisure or put it in the glove box of the car for emergencies. This new sash could certainly leave a nasty taste in the mouths of other more traditional sash suppliers and may even wipe them away. Saving money for the club and being dual purpose will certainly make this enviro sash a winner."

The 30 target Double Barrel Championship was won jointly by Roger Lehmann and Russell Black. A Grade R. Housell, 2nd B. Jorgesen. B Grade B. Papst, 2nd C Ferrier. C Grade J. Krause, 2nd W. Mann.

Event 2 was 30 target Mixed Targets. Overall and AA was taken out by Russell Black with Dave Flavel second. First in A Grade was T. Foster, B Grade B. Papst and C Grade L. Niewand.

# SKEET HALL OF FAME DINNER

The concept of a National Skeet Hall of Fame was born a decade ago. The belief was that Skeet had a rich heritage within Clay Target shooting and that the Champions of the past should be recognised. Planning began in 2000, and finally the inaugural National Skeet Hall of Fame Induction was held in May 2008.

*Reg Clarke middle, pictured with Peter Haley Executive Member left and Barry Kable Hall of Fame Member right*

In addition to the Hall of Fame, it was deemed that an award be established for the most successful Skeet Shooter of the Year. To give the award the prestige deserved it should be named after the most successful Shooter in Australian Skeet shooting history, hence the introduction of Adrian Cousens Medal.

The RSL Club was the venue for the inaugural National Skeet Hall of Fame induction, Adrian Cousens medal and Grand Slam Awards. As luck would have it the days' shooting was over with enough time to spare for the Event staff (also the Hall of Fame organisers) to arrive to greet guests and start the function on time. The catering was fabulous provided again by Nathan and his team from Wagga Catering, who catered the National Trap Hall of Fame Dinner earlier in the year. Bill Forest provided the entertainment for the evening, thank you Bill. Ron Traill welcomed everyone on behalf of the Australian Clay Target Association.

Approximately 90 people were in attendance, Todd Bender from the US was a special guest his presence made possible by Colin Sim. Thank you Colin for your continuing support of our Sport. Adrian Cousens and his wife Karien, were also of our special guests, Adrian attending to present the inaugural Adrian Cousens Medal. Our guest of honor was Mr Reginald Clarke inaugural National Skeet Hall of Fame inductee, accompanied by his lovely wife, Jean. Master of Ceremonies for the evening Mr Mark McInnes, National Historian, instrumental in making the night possible.

*Adrian Cousens - Grand Slam Award*

We also unveiled a new award the development of Grand Slam Award. The criteria is 200 target Break 12 Gauge; 100 target Break 20 Gauge; 100 target Break Doubles. Ron Traill presented the winners with their plaques they were Laurie Sceresini and Adrian Cousens. Congratulations on your Grand Slam achievement.

*Ron Traill presented Laurie Sceresini his Grand Slam Award*

*The Adrian Cousens Medal*

The inaugural Adrian Cousens Medal was next on the night's presentations. Adrian was welcomed to the stage by Mark McInnes. Adrian addressed the audience, noting that he had not been involved in shooting for approximately five years. He spoke about what he had taken from the sport and that he believed it was now time to give back. It was evident that Adrian is respected for his shooting achievements by everyone in attendance.

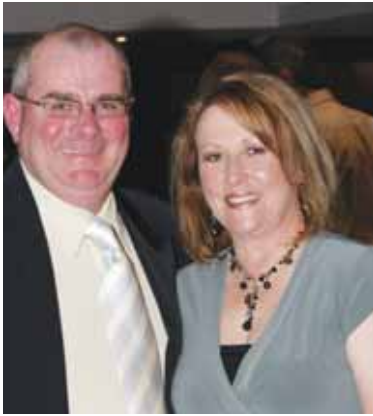

Adrian interviewed each of the finalists, there were some interesting and amusing stories told. Finalist for this medal were Malcolm Briggs, Leigh Roberts, Julian Lucchitti, David Dundon and Laurie Chelepy. Adrian certainly seemed to enjoy reminiscing on previous events, people and places. He finally removed the suspense and announced that winner of the 2008 inaugural Adrian Cousens Medal was Leigh Roberts. Eventually the microphone was returned to the MC, safe to say Adrian has come out of retirement and returned to shooting!

It was then time for the highlight of the night, the Inaugural Skeet Hall of Fame induction of Reginald Clarke. Barry Kable interviewed Reg, stories from their many years of shooting were told. Reg first began shooting when he decided in the 1950s to retire from competing in competition motor cycle racing.

## DENILQUIN CLAY TARGET CLUB

**Location: Denilquin is situated on the Edward River, on the edge of the Riverine Plain**

Wet and windy was the order of the day at Deni on Sunday the 20th of July. At last we could have a shoot with rain its been so long for most of us that it was a pleasure to actually shoot in the rain. With low numbers it was a quick day of shooting but a very enjoyable one.

Event 1 15tgt points c/d AA Peter Lindberg and Tim Maher 41/45 A grade John Gemmal 41/45 B grade Ron Cugley 39/45 C grade Ned Collicoat 31/45 all taking home some cash.

Event 2, 30 Tgt ONESTEEL d/b O/all and A Grade Warrick Kelvy 55/56 after a shoot off with John Gemmal, AA Grade Tim Maher 32/34 after a short shoot off against Rob Collicoat who was slightly disabled for the days shooting B Grade Ron Cugley 35/37 and C Grade Ned Collicoat with score of 27/33 after a short shoot off with Trevor Bradley.

Event 3, 30 Tgt ONESTEEL Continental d/b O/all and AA Grade Tim Maher 29/30 A Grade Warrick Kelvy 28/30 B Grade Ron Cugley 26/30 and C Grade was Ned Collicoat with 24/33 after another shoot off with Trev Bradley.

The Last Event the Harbor Transport H/C is the money event and this is the one to win. The winner of this event out right with 10/10

was Ned Collicoat I guess he must have been sick of shoot offs and decided to win this outright the amount of money won will never be known as it went straight into his wallet and into his pocket. Well shot Ned.

High Gun for the day was Tim Maher with 106/115 very good shooting on such a wet and cold day.

The club would like to thank the sponsors again for such a good fun day had by all.

On the 23 June 2008 our long standing live-in grounds keeper/security/ everything man, Slim McLeod, died due to ill health Slim had been sick for some time but it really got to him in the last

few weeks, he will be sadly missed around the club and as visitors to our club will testify to he always had the grounds looking good too.

# KEMPSEY CLAY TARGET CLUB

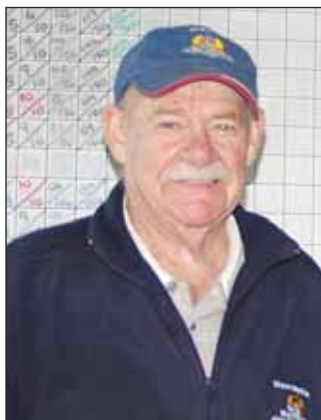

## Saturday 21st June 2008

Location: Situated right in the heart of the Mid North Coast of NSW

Our shoot started with a minutes silence so that we could remember our good friend Paul Pritchard who passed away in May after a valiant fight against cancer. He will be missed by all the members and friends of the Kempsey Clay Target Club. His wonderful stories of grouse and pheasant shooting in some far off place, his words of wisdom for novices and his genuine friendship were just some of the thoughts that sprang to mind while thinking about Paul. If God has a Clay Target Club, then Paul Pritchard will be there with his unique Akubra hat with a feather in the side, filling traps, helping others and breaking every bird he calls for. Thanks for the memories Paul, you were a wonderful ambassador to the sport and a true gentleman.

Graham Gosling High Gun Winner

R Wilson Overall Winner

We then took to the traps bathed in brilliant sunshine even though there was a nip in the air. We started early so as to fit all events into the schedule. Did I mention that the date was the 21st June? Yes the shortest day of the year! The sun shone bright but short and we had a big program with six squads rip roaring and ready to go.

Our first event was the 10 Target Double Barrel Cash Divide off 15m

which was an eye opener. Good to have this short event to clear the mist out of eyes after thinking of Paul's passing. The results were:

AA Grade: G Gosling, C Overton, Steve Wallis, B Jones, D Pasfield 10/10, A Grade K Saunders, P Deland, G Joass, S McMahon, 10/10, B Grade K Pearce, M Wilkins, 10/10, J Gosling 9/10, C Grade M Carter 10/10, L Langer, A May, E Clarke 9/10.

Then we had the 100 Target Point Score Kempsey Macleay Classic which was shot in two walks. By the end of the event I know my arms felt heavier than all the lead that I had fired down the barrel. It was at this moment I was rather pleased that it was the shortest day of the year and our shoot had to be cut short by one event. So, we missed out on shooting the 50 target Double Barrel and wimps like me were put out of their misery hoping the lactic acid in my upper arms and the area where there is supposed to be pectoral muscles didn't start to seize up and become areas of acute pain. The things we do in the name of our chosen sport are amazing.

The results in the Kempsey Macleay Classic were Overall R Wilson 293/300, AA Grade 1st G Gosling 298/306 2nd Scott Wallis 297/306, A Grade 1st R McLean 287/300 2nd S McMahon 285/300, B Grade 1st M Wilkins 273/300, 2nd T Burns 262/300, C Grade 1st C Piper 244/300, 2nd P Brenton 239/300, High Gun Graham Gosling 302/310.

Afternoon tea was prepared by the catering team and I have to say that I always forget my diet on the day of a shoot. Whoever is silly enough to watch their kilojoules when the Kempsey ladies prepare a spread has to be off their rocker. Thank you to, Robyn Baker, Kerry Powick and Meg Gosling, and any other ladies who helped on the day. Jenny and Lesley Baker recorded the results and as usual did an excellent job.

I won't be able to report on our July shoot as I will be in Cambodia with a group of school students and staff from Melville High School building houses for victims of land mines. Therefore if you want to know what's happening on the Mid North Coast of NSW, then I suggest you just come on the 19th July at 1pm and see first hand yourself. The other alternative is to wait and see what I can glean from stories by my fellow shooters (not all reliable). We could be looking at a few fantasies if I write their anecdotes, so just come and make your own story happen. Good luck around the traps.

## JIM ELLIS AND TREVOR RESCHKE

Jim Ellis and Trevor Reschke were both talented clay target shooters who contributed their time and talents over a number of years to benefit their sport.

John and Trevor were both zone coaches in the S.A. and National Coaching schemes. Their work and support in their areas with coaching shooters of all ages made a real difference.

Our sport is poorer for their deaths. They will be missed by all who knew them.

## MERVYN JOHN HOLDEN

12/4/1947 – 18/2/2008

Ganmain Gun Club wishes to inform the shooting fraternity of the sad and sudden passing of Mervyn (Merv) John Holden. Mervyn has been a continuous member of the Ganmain Gun Club and the ACTA since 1963, thus being a proud member for over 45 years.

After leaving school Mervyn joined his father and brother on the family farm, he was a good and meticulous farmer and went on to become a very successful farmer and family man in his own right. Mervyn involved himself in his local community and, among other roles, was captain of the Rannock Bush Fire Brigade for 25 years. An enthusiastic member of Lions, he held various positions in the club during his 25 years as a member.

As a keen shooter he enjoyed hunting and target shooting, winning many trophies, including the inaugural Australian Tin Can Shoot and went on to win it on several other occasions.

Shooting, Fishing and Camp Oven Cooking took him on many adventures, including fund raising for charity, and he was in the forefront in the organising of the very successful Rannock Red Cross Shoots. He threw himself into fundraising for the fledgling Wagga Field and Game Club and Country Hope.

Travel was something he enjoyed and he did much of it, mostly by his way of not returning the same way he went.

Mervyn John Holden is survived by his wife Dianne and children, Kathy, Margie, Bruce and their partners, seven grandchildren and his brother Keith. A fitting tribute by way of a very large funeral Mervyn Holden at Rannock Cemetery was followed by a well attended wake in Coolamon, where many fond memories and amusing incidents from Mr Holden's very full life were shared by his many friends.

# RICHMOND RIVER

Location: 776km's north of Sydney between the rainforest and the sea

Near perfect conditions was the order of the day at Richmond River Gun Club's monthly shoot on Sunday 22/6/06 when thirty seven clay target shooters competed for an array of trophies and prizes donated by Vary Organic Farms of Kyogle who sponsored the day. There were nine perfect scores in the 5 target point score eye opener.

Scores in this event will ultimately determine the winner of the late Jan Harding Memorial Trophy which has been running over the last six months. While yet to be confirmed, indications are that a shoot off will be necessary between Maurie Westbury Richmond River and Rus Wesslink Grafton to decide the winner.

Fourteen year old Jake Davis shot his first possible 25/25 in competition in the double barrel stage of the fifty target medley on his way to winning the Junior High Gun for the day.

Roy Warren, Phil Westbury, Rus Wesslink and Jeff Lowndes also shot first stage possibles. Warren, Westbury and Lowndes broke all 25 targets in the points score stage with scores of 74/75, 74/75 and 73/75 respectively.

A picnic atmosphere prevailed during the luncheon break and then it was back to the serious business with a 50 target double barrel continental. Conditions were perfect with very light wind and clear blue skies but the extra challenge of targets that varied in height as well as angle proved too much for many.

Twenty five target stage possibles were shot by Ray White 45/50, Kev Harding 48/50, Ian McDonald 48/50 and Rus Wesslink 45/50 but Jeff

Rebecca, Mike and Tony Ryder - B Grade High Gun

Lowndes A Grade Yamba was the only one to record the perfect score of 50/50.

Jenny Wilson 124/150 won the Ladies High gun narrowly from Rebecca Vary 123/150 and Mary-Anne Smith 122/150 third.

# Southern Zone ISSF Carnival CANBERRA INTERNATIONAL

John Coaker from Narromine shooting

The Southern Zone ISSF Carnival was held at the Canberra international Clay Target Club on May 17th and 18th, and of course the Saturday was wet weather gear and beanie weather but the Sunday saw shooters languishing in the sun between rounds. There were the regular campers and vans taking in the beautiful views and the wildlife.

Five squads of ISSF Trap shooters attended the weekend, unfortunately with the clash with the American Skeet and Sporting Clays Nationals ISSF Skeet numbers were well down on previous years.

The first day of the Southern Zone ISSF Carnival was a 100 Target Handicap plus a final shot single barrel with Handicap added on. The system that was used utilised the grading system of AA, A, B and C and the percentages that dictate the grading. Hence AA (>93%) was given an additional 7 targets on top of their score out of 100, A (>82%) had 18 targets added onto their score out of 100, B (>70%) had 30 added on and C grade which is less than 70 % had 44 targets added on. The beauty of Handicap shooting in ISSF is that it will not always be the usual AA and A grade shooters that will make the final, thus giving a chance to C and B grade shooters to experience a single barrel final and have the chance of winning overall. Clay target shooting is a sport for all ages, abilities and levels of skill and handicapping is the best way of levelling the playing field and keeping less skilled shooters interested. However the downfall with Handicap shooting is if people are not really shooting in the grade that they should be in or with this particular shoot with shooters that are very new to ISSF and are not yet in a grade which best represents their skill level. However the outcome of the ISSF Trap Handicap on this day was quite impressive and the six shooters in the final represented a good mix of ages, skill levels and gender. Frank Minici (CPCTC), Andy Vaccaro (Majura Park) and Samantha Peck (CPCTC) underwent a five target miss and out shoot off to decide who would be the last shooter into the final round they had all finished on a score of 105/100 when handicap was added onto their original score. Samantha was the winner of this little contest and was to shoot in her first ISSF Trap final.

The results from the final round were:

1st Alex Vassilimis (Illawarra B Grade Junior) 2nd Willow Cameron (Majura Park B Grade) 3rd Samantha Peck (Cecil Park B Grade Lady and only her 2nd ISSF shoot) 4th John Coaker (Warren B Grade) 5th Elio Zadro (Cecil Park C Grade Veteran) 6th Ben Duncan (Majura Park C Grade and only his 3rd ISSF shoot). The scores from the final which ranged from 19 to 8 out of 25 show that being able to shoot single barrel finals (particularly as well as Michael Diamond and Adam Vella do is very hard to achieve) and is a totally different skill and concentration level than the previous double barrel rounds of the day.

The actual Southern Zone Championship and Team selection was held on the Sunday. Mark Corbett from Cooma/Berridale Gun Club

## ISSF Super GRAND PRIX Trap & Skeet held at Cecil Park Clay Target Club

Located 42km west of Sydney centre

With perfect Sydney weather on Saturday and slightly overcast for Sunday, there was a strong roll up of 8 squads for the ISSF Super Grand Prix held at CPCTC. Shooters came from as far a field as New Zealand and Victoria to enjoy the atmosphere and share in some of the prize money. We would like to sincerely thank all those shooters that came along and had a great weekend also sticking around for the bonus 50tgt event that was held directly following our main event of 150tgts.

2 finals were on offer over the weekend which was to encourage the Ladies, Veterans and Juniors to come out of the woodwork and join in, which we think went down pretty well with a good turn up from all but the ladies (COME ON GIRLS!!! Only 2 could make it on the day-but hopefully more for next time).

Results as follows: Open Final O/A Nidal Asmar 133+21, 2nd Brant Woodward 133+20, 3rd Nathan McDonnell 133+19, 4th Frank Minici 132+19, 5th Daniel Di Pietro 129+21, 6th Stephen Zadro 131+19.

LVJ FINAL 1st Ladies Anna Shedrina 119+20, 2nd Ladies Karien Putter 102+12, 1st Junior Nathan Wilkinson 122+21, 2nd Junior Alex Vassilimis 122+18, 1st Vet Tony De Muri 112+19, 2nd Vet Reno Cangiano 110+16. Grade Results A 1st Tony Cantali 128, 2nd Tong Shang 127, B 1st Achraf Dannaoui 123, 2nd Maurice Nasr 120, C 1st Nazim Ali 110, 2nd George Chahine 106. 50tgt Option Extra Comp 1st Nidal Asmar 47, 2nd Brant Woodward 46, 3rd T. Boukamel 45.

Skeet Results 1st Mathew Maloney 118+24, 2nd Mauro Conti 109+18.

winning the SZ ISSF Skeet Championship and his young daughter Tenielle coming a very close second. Tenielle is a real find for women's ISSF skeet and I hope that as a junior she is given many opportunities to fulfil her dreams in this sport.

In the Southern Zone ISSF Trap Championship the Finals' results were 1st Tony Cantali 88/100 + 16 final+ 2 s/o = 106/128, 2nd Stephen Zadro 88/100 + 16 final + 1 s/o = 105/128, Milad Nasr (Jnr) 83/100 + 20 final = 103, Alex Vassilimis (Jnr) 84 + 18 = 102, Michael McNabb (Jnr) 85 + 16 = 101, Daniel Allam 86 + 14 = 100. Overall winner and SZ ISSF Trap Champion was Tony Cantali, 1st A Stephen Zadro, 2nd A Milad Nasr, 1st B Alex Vassilimis, 2nd B Willow Cameron, 1st C Elio Zadro, 2nd C Luke Cassar.

The three person Southern Zone ISSF Trap team for 2008 is Tony Cantali, Stephen Zadro and Milad Nasr. Milad shot a brilliant 20/25 single barrel to move from 6th spot in the final to being in his second Southern Zone ISSF Team in a row. This will be Tony's 3rd time and Stephen's 4th. Carnival High Gun winners were: Overall Tony Cantali, Womens Suzy Balogh and Juniors Michael McNabb. It was great to see so many travellers and locals supporting ISSF shooting. Good luck to the SZ ISSF Trap team at the NSW Championships in August at Cecil Park.

# Simulated field & game at Singleton

**Location: 2½ hrs north of Sydney**

Singleton Clay Target Club's annual two day simulated field & game shoot was staged on the long weekend of 7th & 8th June.

The weather prophets predicted a wet weekend however the gods smiled on us & produced a glorious day on Saturday although Sunday was dull with a light drizzle!

The Warkworth shooting complex adopted a carnival atmosphere with a large number of caravans, tents, leanto's etc covering the grounds. Sixty-three shooters from all over NSW attended including Mudgee, Gulgong, Quirindi, Tamworth, Sydney, Tumut & all over the valley. Two major events were to be decided Saturday's 75 target Tom Turner Memorial & Sunday's 100 target Ridway's Family Cable Handling Services championship.

At the presentations all winners were presented with beautiful sashes & prizes, all shooters commented on a great weekend of shooting also praising the range & layout.

Anne Finlay & her helpers, Chris, Robyn, Shirley & Tracey deserve a huge thank you for catering all weekend. Geoff & Ann in the office, Col who looked after the traps & all the volunteers who set up & packed up. A big thank you to you all! A special thank you to Craig & Stephen Cox of Cox's bakery (near Toyota) who very kindly donated the beautiful bakery products, thanks boys much appreciated! Finally a big thank you is extended to the Ridgeway family & Cable Handling Services for their ongoing sponsorship. In the Weekend of 13th & 14th September a full weekend of shooting similar to the one just concluded will be held.

Our July monthly shoot on the 12th & 13th will be 100 targets double barrel championship. A new event will be introduced namely 25 targets shot with older style side by side shotguns to be held after the championships. Good sponsorship has been received for this event.

An update on our relocation, the septic system & drainage has been installed & the wall sheeting for the kitchen, office & amenities block should be installed very soon.

For further enquiries please contact Denis Pearson our secretary on 6572 4700.

## **TASMANIAN GUN CLUB** *Monthly Club Shoot Sunday 13th July*

A total of 28 shooters attended the competition and again some excellent scores were shot.

Stewart French of the Tasmanian Gun Club proved that he is an excellent shot over multiple disciplines shooting the whole days programme without missing a target, a total of 193/193. He had to shoot off for two events with several other shooters before winning those events.

Next month is a big month for the club with the third round of the Olympic Trench Club Grand Prix being shot on Sunday the 27th July, a full programme of skeet shooting on Sunday the 10th August, a day/night shoot on Saturday the 30th August which includes three State Championships, followed by the final round of the Olympic Trench Club Grand Prix the following day, the 31st August.

The club has Skeet and Trap Practice Wednesday afternoons from 2.00 pm visitors welcome. School boy practice is scheduled every month, this will be able to be carried on under lights as the afternoons are now cut short by our winter nights.

Event 1 25 Target Skeet Championship AA Grade Chris Rockliff 25/25, A Grade Stewart French 25/25, B Grade Darrel Height 29/32, C Grade Nathan Ward 25/25.

Event 2 25 Target Double Barrel AA Grade Stewart French 108/108, A Grade John Crosswell 71/71, B Grade Robert Strong 30/30, C Grade Mayson Brown 21/25.
