SMOK'IN SATISFACTION

We're not supposed to say that anymore are we? But NASTA have not built a reputation as "the smoking clay" for nothing. The fact is that shooters love to blow them up and when they've shot NASTA they want to keep shooting them!

But there is more behind NASTA's popularity than just this because they are also research leaders in clay target technology.

Manufactured in Finland
NASTA targets have been used in World Cups and National Championships world wide. Many world records have been set using NASTA targets.

Available in a range of colors both in standard targets and a full range of Sporting targets.

And best of all they come at a fantastic price.

PRESIDENT'S ANNUAL REPORT 2008

It is with pleasure that I bring you my 2008 annual report, my second as President of the Australian Clay Target Association.

Solid efforts by our members at the Beijing Olympics failed to bring home medals for the first time since 1996, nevertheless Michael Diamond and Russell Mark both made the finals in their respective events with Michael narrowly missing out on a bronze medal in a shoot off.

Our 2008 ISSF National Championships were conducted in Western Australia, the grounds and facilities were a credit to the WAGC and WACTA. Being an Olympic year and our championships used as part of the team selection numbers were higher than expected with fierce competition in all events.

The National Trap Championships were held at our National Grounds in Wagga and were our most successful championships in recent years bringing large

entries with record breaking scores despite tough conditions.

Our World DTL teams travelled to Ireland and were successful with Lynne Curtis taking third place overall in the open section with our open team taking 3rd place. In the junior section Glen Barton became World Junior Champion with fellow team mate Anthony Rullo taking out third place, and our junior team winning the junior team event. In veterans Geoff Faulkes placed 3rd O/A and the veteran team placing 2nd, our ladies team placed 3rd

During May our National Sporting Championships and National Skeet Championships were conducted consecutively in the new time slot at our National Grounds with mixed reviews received on this format.

During the year we experienced several staff changes with Rowena Spiranac moving to Queensland, and our executive officer Carrie Elton resigning her position. Sue Pim joined our staff as

accounts/events manager as well as Kaz Butts as executive officer assistant and we look forward to their time with us. To all our staff at the National Office, your efforts have been greatly appreciated, the willingness of our National Office staff to undertake a variety of roles and to support our National Championships is often taken for granted.

The Executive changes for the year saw Mr Gerald Hopgood replace Mr Robert Andrews as the South Australia delegate. Welcome to Gerald Hopgood and a special thank you to retiring member Robert Andrews for the years of contributions given to the association.

During the year our Grounds Committee chairman Mr Robert Nugent has worked diligently towards the purchase of our National Grounds at Wagga to ensure security in tenure. After numerous meetings with the Wagga Wagga council and our adjoining neighbours I have great pleasure informing our members that a formal offer has been submitted to council which was received favourably and to which we await their reply in the near future.

We received fantastic support from many sponsors during the year which the association greatly appreciates; I encourage all members to support those who support our association.

I thank all Executive Members on their contributions in their various sub committees and to the sub committee chairpersons for their positive input to the association, and to Vice Presidents Mrs Elaine Forward and Mr Ron Traill for their tireless efforts in sharing the workload making my position as President so much easier.

Let us remember with affection those members who have passed away during the year and to the families and friends affected by the recent Victorian bush fires we express our sympathy.

Finally, to those that have personally supported and assisted me during my second year as President I say thank you and look forward to a promising 2009.

John Mack

INDEPENDENT AUDIT REPORT TO THE MEMBERS OF AUSTRALIAN CLAY TARGET ASSOCIATION INC.

Scope

The financial report and the committee's responsibility

This concise financial report comprises the committee report, income statement, balance sheet, statement of changes in equity, cash flow statement, notes to the financial statements and the statement by the committee for Australian Clay Target Association Inc. (the association), for the year ended 31 December 2008.

The committee of the association is responsible for the preparation and true and fair presentation of the financial report in accordance with the Incorporated Associations Act 1981 (Victoria). This includes the responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit Approach

I conducted an independent audit in order to express an opinion to the members of the association. My audit was conducted in accordance with Australian Auditing Standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

I performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the Incorporated Associations Act 1981 (Victoria), including compliance with Accounting Standards and other mandatory financial reporting requirements in Australia, a view which is consistent with our understanding of the association's financial position, and of their performance as represented by the results of their operations and cash flows.

I formed my audit opinion on the basis of these procedures, which included:

- examining, on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the directors.

While I considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of my procedures, my audit was not designed to provide assurance on internal controls.

Independence

WIn conducting my audit, I followed the applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In my opinion, the concise financial report of Australian Clay Target Association Inc. is in accordance with:

- (a) the Incorporated Associations Act 1981 (Victoria), including:
 - (i) giving a true and fair view of the association's financial position as at 31 December 2008 and of their performance for the year ended on that date; and
 - (ii) complying with Accounting Standards in Australia; and
- (b) other mandatory professional reporting requirements in Australia.

ISSF Junior Pathway Development Program 2008

19TH DECEMBER – CECIL PARK

The 2008 NSW ISSF Junior Pathway Development Program was held over 3 days at Cecil Park, Sydney from Friday 19th to Sunday 21st December 2008. Graeme Boyd NSW Coaching Director and Junior ISSF coach worked with 12 juniors showing potential in ISSF Trap, Double Trap and Skeet over the 3 days.

The camp was made possible from AISL funding for Junior Development, which provided ammunition, accommodation and coaching by Graeme Boyd to mentor juniors in all aspects of ISSF shooting technique and competition. The training covered gun mount, stance, concentration, target technique and a lot of practice. Juniors were videoed so Graeme could provide one on one analysis and feedback for the group. The coaching was proven to be valuable as Nathan Wilkinson a Hunter Academy of Sport member shot his first ever 25 in ISSF Trap.

The juniors were all keen and concentrated on getting the best out of the weekend. They behaved responsibly and are to be applauded for their hard work which they should see the results of at the Nationals in January.

Graeme worked tirelessly with the group over the 3 days and it to be commended for his enthusiasm and efforts to provide juniors with access to quality coaching.

FROM THE COACH

A very big thank you to Mrs Selina McCloy for not only arranging and preparing all our meals over the three days but also found the time to enter onto her computer the data from the score sheets which provided for me detailed information about each shooter within minutes of the squad finishing each round.

To Mr Ken Douglas for scoring every shot fired over the three days. And recording not only a hit or miss but also recording in great detail all the information I required for Selina to give

me the feed back to analyse the shooter's stronger and weaker points.

To Vince Gatt and the Cecil Park Gun Club thank you from all of us not only for the use of your first class facilities but also for all those much appreciated extra things that you did which made it so easy to run this camp.

To all the members of the camp I thank you for your professionalism, enthusiasm and impeccable conduct during the camp. Also for your willingness to listen and try new ideas that could help your shooting. Thank you for the way you all worked as a team in helping to run the camp.

And well done to Nathan Wilkinson on shooting his first Olympic Trap 25.

Victorian State Sporting Clays

On January 31st in oppressive weather conditions and with temperatures hovering around 45 degrees, 63 brave shooters in 13 squads competed in the Victorian State 5 Stand Sporting Clay Championships at Maryborough Gun Club.

This is the largest ever attendance for these championships and although the day was an enormous success, with layouts, traps and targets performing admirably, Maryborough members running the shoot were grateful that perhaps the weather had kept a few shooters away.

With the increasing interest in this discipline of our sport, clubs conducting these championships in the future may need to prepare four 5 stand layouts instead of the traditional two, to ensure that this prestigious 100 target State event runs smoothly.

Shooting commenced at 9.30am and the shoot-offs were still on the go at 6.30pm. Many shooters commented on the quality of the layouts and the presentation of targets. The heat and the length of the day seemed to be the only complaints.

When the shoot finally concluded the overall winner with a great score of 92/100 was Leigh Roberts from the Bendigo CTC. Leigh received the highly sought after Victorian State silver badge and State sash. 1st in AA grade and taking home a gold medal was Phillip Stowe 89/100 also from the Bendigo CTC with Colin Macpherson (Maryborough) taking out the silver medal and Rod Wharton (Deniliquin) receiving the bronze. A Grade gold went to Nathan Harris, a junior from

AA Grade: Col Macpherson and Phil Stowe

Bendigo – 86/100 from Bill Eagle (Shepparton) silver and Bryan Rafferty (Maryborough) bronze. B Grade gold winner was Bruce Billings (Bendigo) 74/100, silver Craig Watts (Maryborough) and bronze Peter Tate (Maryborough). C Grade gold winner was Josh Allison 69/100, silver Terry Pigram (Wangaratta) and bronze Daniel Cleary (Mornington). Veterans: Bruce Billings 74/100, Ladies: Kelly Norris 73/100, Junior: Nathan Harris 86/100.

The Victorian State Shoulder to Shoulder team was 1. Leigh Roberts, 2. Phillip Stowe, 3. Nathan Harris.

Maryborough Gun Club uses Corsivia clay targets exclusively and would like to thank our major sponsor GB Corsivia for their continuing support.

The club wishes to commend the Victorian State Executive for continuing to supply the Victorian State silver badge for these championships.

Thanks also goes to the hardworking catering ladies who worked tirelessly throughout the long day, providing shooters with refreshments – Lynne, Chris and Karen – job well done!! During the day at least 80 bottles of sports energy drinks and dozens of bottles of water were consumed, a testament to the relentless temperature.

MATHOURA SHOOTS ZONE TOWER

768 km south-west of Sydney in the Riverina Region of NSW

A fairly warm evening with no breeze, and the chance of winning a Victorian North East Zone, Night Double Rise Tower Championship was attractive enough to entice four full squads of shooters to the Mathoura Gun Club's January 2009 shoot pleasing the committee no end as the January shoot is usually quiet.

An excellent roll up considering it is still in a school holiday period, and some locals are away on holidays, although visitors from Werribee and Bendigo made up for any missing locals. With four events on offer for the night's program, an Echuca club member, junior, Chris Thompson, was a shooter having a night out, featuring in three of the four events, and shooting in C grade, of which no doubt he will very soon move forward, well shot Chris!

The first event was an 10 target Points Score Cash Divide, and only one shooter able to clean score with a 30/30 result, Deniliquin member, Bruce Cook collecting the major part of the cash, with Tim Maher only one point down picking up 2nd place cash, and C Thompson, N Lester Deniliquin, and M Roberts, Echuca all getting a share of 3rd place cash, all having shot a 27/30 score.

Event Two, also a ten target cash divide, this time being a Double Barrel, and two shooters shot the possible, Tim Maher, and P Stowe Bendigo both collecting a share of first place cash, with S Fleming Echuca, Graham Hall Mathoura, W Daley Bendigo, and Trevor Berryman Mathoura all collecting 2nd place cash all having shot a 9/10 score.

The third event was a 15 target Night Double Barrel Tower, with three placing's available on offer, and there was only three shooters able to get the task completed, T Maher, P Stowe, and C Thompson, all shooting all fifteen targets, and all lining up to shoot off for the three places. Chris Thompson dropped his 20th target giving him 3rd place, P Stowe dropped his 23rd target taking out 2nd place, and after shooting his 23rd target, Tim Maher, was the leader of the pack, picking up Overall First place with his unbeaten 23/23 score!

The final and main event was a Victorian North East Zone, 15 Pair Double Rise Night Tower Championship, a reasonably tough event, with no one able to clean score, but Bendigo shooter, Leigh Knight, was the closest, coming in with a 25/30 result, and that was good enough to earn him the Overall Winners Sash, and a 1st in A grade trophy. Local member Harry (Snow) O'Connor came 1st in B Grade with a score of 12/30, and C grade was claimed by C Thompson on a 19/30 score.

A good night's competition with everyone enjoying the evening and with everything running smoothly the shoot and presentations were all over by the respectable time of 11.30 pm

COMMONWEALTH SHOOT AT NEWCASTLE LAKE MACQUARIE CLAY TARGET CLUB

November 28 – 30, 2008

On Thursday 27th November shooters who were camping on site at the Newcastle Lake Macquarie Clay Target Club grounds started turning up and securing a position to set up their accommodation for the next few days. Caravans, and campers with swags all found a possie to suite them. Those of us who wanted to access power for our creature comforts were delighted to find such well set up facilities. The amenities were better than I have on the farm even though the walk at midnight was annoying. Not everyone had to make those trips.

Friday the 28th I awoke to hear the rustle of people starting to set the traps up for the day of competition. The twenty five pair double rise event was the first and only event on the Commonwealth program that day. The traps were set and in no time at all, shooters started registering. They came from all over NSW and some came down from Queensland and others drove up from Victoria. I need to say at this stage the numbers swelled as the weekend went on. The grounds are just over an hour from Sydney, therefore, a lot of metropolitan shooters made the trip up to compete. In no time at all the squads moved out to start the competition.

After all the squads had ventured onto the traps there were a number of shoot offs to determine the winners. The results are as follows.

Event 1: 25 Pair Commonwealth Double Rise Championship 1st OA Arty Del Ben 57/60, 1st AA Daryl Stevens 56/60, 2nd AA Sam Clifford 47/50, 1st A Darren Wells 52/60, 2nd A Jim Mortys 50/60, 1st B Renae Jenkins 40/50, 2nd B Theo Lionatis 40/50, 1st C Hugh Boyd 35/50, 2nd C Kelby Gosling 34/50

Many shooters had an early finish on the Friday as they unfortunately were not on target and too many birds flew off into the distance. Even so, there were shoot offs for places and some very good results were achieved.

Saturday the 29th November saw another lovely day in Newcastle arrive along with even more competitors. Squads were sent off to the traps to compete in the first event, the 50 Target Commonwealth Handicap Championship event. Shooting from 15 meters, Frank Cicala, a very good C Grader, shot off for first place with some other fine shooters from higher grades. The handicapping really equalises shooters if they can remain composed and just keep breaking those targets. The results of this event were as follows, all five place getters deserved every accolade directed their way. On another day the results might differ but that Saturday was their day. Well done boys!

Event 2 50 Target Commonwealth Handicap Championship 1st Frank Cicala 53/54, 2nd Michael Kruger-Davis 53/53, 3rd David Hagarty 51/53, 4th Glen Hayden 55/57, 5th Kevin Raymond 54/57.

The third event pressure we put ourselves under lifts, and it all comes together. It became obvious in many of the grades that if you didn't shoot a clean round then you needed to get yourself ready to back up for event 4 the next day, unless you were in C Grade. Six shooters ended up in the shoot offs for places in their own grade and to establish who would take out the Over All winner that day.

The final results are below and obviously the shoot offs went on for quite a while. It was fascinating watching so many top shooters keeping their nerves together and shooting target after target. Top effort!

Event 3 50T Commonwealth Double Barrel Championship 1st OA Tony Arvanitakis 109/109, 1st AA Glen Hayden 108/109, 2nd AA James Vardanega 102/103, 1st A Tim Wunderlich 75/76, 2nd A Robert Fulwood-Hosking 51/52, 1st B Frank Ziliotto 80/81, 2nd B Brian Frost 47/50, 1st C Lesley Langer 46/50, 2nd C Brock Godwin 45/50.

Sunday 30th November was Day 3, with another 100 targets to break. The 50 Target Commonwealth Point Score was the fourth event of the program, and the first of the day. Arty Del-Ben showed everybody how to win this event outright. Just break every target with your first barrel every time and if no one else does the same, then your perfect round will result in victory. Well done Arty, you saved a lot of cartridges by avoiding the long shoot offs which Vito Ballianna and Glen Hayden fought out to decide 1st and 2nd in AA Grade.

The other grades which require a shoot off were B Grade which was decided after 2 more targets were thrown, with Frank Ziliotto defeating John Douglas for first place. A and C Grade were decided after the 50 targets were thrown. The final results were

Event 4 50T Commonwealth Points Score Championship 1st OA Arty Del-Ben 150/150, 1st AA Vito Ballianna 266/267, 2nd AA Glen Hayden 265/267, 1st A Frank Robinson 148/150, 2nd A Sam Peck 147/150, 1st B Frank Ziliotto 148/150, 2nd B John Douglas 147/156, 1st C Brock Godwin 137/150, C 2nd Frank Cicala 121/150.

The final event of the Commonwealth Championships was the 50 Target Single Barrel event. C Grade was the only grade where a shoot off was not required with young up and coming Newcastle shooter Brock Godwin taking 1st place from Lesley Langer. Yes I was in there too vying for the medals. All other grades required a little more time

Terry Thompson, Australia's Oldest Shooter

Terry Thompson was born on the 3rd of March 1920 and this year will be 89 years young. He started his Clay Target Shooting career in approximately 1950, at the Stratham Gun Club located 20km from Bunbury, where he shot for several years. Terry then started shooting with the Busselton club in approximately 1990 where he is a current member.

Terry recently competed in a 100 target points score event at Busselton and came 4th overall with an impressive 267/300.

His first round of the event he shot them with his first barrel giving him 75 points on the board to start the event, this also left a lot of other shooters with a worried look on their face.

Terry has shot a lot at the Augusta club as he said that the cool conditions agree with him more these days.

Terry did an apprenticeship as a Carpenter which he started when he was 15 working with his older brother Ron who had the building license in those days.

They worked all around the South West, building houses for the state housing commission. His building career was interrupted by World War 2 for several years but when that was over he returned and started work as a carpenter again which he worked at until he retired at the age of 70.

Terry has been married for 67 years to Iris Joyce Thompson and is still going strong today, he has also been a very keen duck shooter over the years and has shot ducks in the early days in places that are now the Burswood Casino and the Causeway bridge in Perth

Richmond River Clay Target Shooters Strike Gold on Norfolk Island

Geoff Jacobsen won a gold medal in B Grade Double Rise and President Mike Sullivan, won two gold medals (25T Single Barrel and 25T Points score) and a silver (50T Ball Trap) while competing at the 29th International Clay Target Championships held on Norfolk Island between 1st and 5th February.

Perched on a cliff top many metres above the sea the Norfolk Island Gun Club is a beautiful but difficult place to shoot clay targets. The wind deflected upwards by the cliff face causes the targets to rise dramatically if not broken quickly. Competition was conducted in three grades and not four as is the case in mainland Australia.

Called an "International" championship because of the strong contingents from New Zealand and Australia the event is as social and informal as club shoots in Australia. Most of the competitors, including us, were there to enjoy the holiday atmosphere that exists all over the Island and soak up the beauty and the history Norfolk has to offer. The shooting was just a bonus"

Mike won the 25 Target single barrel event after a shoot-off with New Zealand competitors Dennis Wilkins and Judith Briggs, won the 25 target points score with 68/75 breaking 23 out of 25 targets in difficult conditions and showed grim determination in the wind and rain running second in the 50 Target ball trap with a good score of 43/50.

at the traps to establish these medal recipients. The final places were as follows:

Event 5 50T Commonwealth Single Barrel Championship 1st OA Glen Hayden 98/98, 1st AA Nick Xenos 97/98, 2nd AA Vito Balliana 74/75, 1st A Dino Santos 49/50, 2nd A Sam Tsoukias 49/51, 1st B Theo Lionatos 51/54, 2nd B John Douglas 50/54, 1st C Brock Godwin 39/50, 2nd C Lesley Langer 37/50.

Overall, the 3 day High Gun for each grade were awarded to the most consistent shooters all weekend. Their pride, along with their family and friends at winning their respective sashes was a credit to them. To shoot so well over 3 big days of Commonwealth competition was extremely difficult and all other competitors pushed them to their limits. Well done and well deserved. Hope to see you continuing in future competitions with similar successes.

The list of High Gun Winners and Overall is listed below.

Overall 3 day High Guns 1st OA Glen Hayden 341/350, 1st AA Sam Clifford 339/350, 1st A Sam Peck 325/350, 1st B Theo Lionatos 307/350, 1st C Frank Cicala 277/350, Ladies Sam Peck 325/350,

Juniors David Douglas 313/350, Veterans Noel Edlington 285/350, Sub Juniors Brock Godwin 268/350.

I would like to say in closing, that I personally was made to feel extremely welcome at the Newcastle Lake Macquarie Clay Target Club by their members and visitors alike. I was invited to Elana and Mickey Clark's farm to enjoy my first Thanks Giving Day Celebration. This lovely couple originally from the USA made me feel like family. It was wonderful. Lanie is an enthusiastic Newcastle Lake Macquarie CTC member.

I had great fun camping in my little caravan, and surprise, surprise I even won a Gold and Silver medal to cherish for the rest of my life. I had an extraordinary weekend being with great people and shooting the weekend away. What better way to spend your birthday I cannot image. I am planning more trips to lots of other clubs, and if there is a win or two then great. I find I always win something, just by being with wonderful people, all doing what they love, and that is shooting.

Thankyou Newcastle Lake Macquarie for a brilliant Commonwealth Title Championship weekend. I hope you get to host it again in the near future as I will be back with lots of other shooters.

Psychological Skills for Shooting

by Michael Kruger-Davis

BUILDING AND MAINTAINING HIGH LEVELS OF MOTIVATION

Last month, in a basic way, I examined the psychological conceptualization of motivation. In this article, I wish to go further and examine how to put the principles to work, effectively and practically.

For most people the idea of motivation involves the last minute, pre-game pep talk, where the coach gets the team aroused and motivated. This idea needs to be discarded. The proper time to work on sustaining motivation is outside the competition.

What are the long-term motivational strategies? John Eliot, writing in *The Sports Psych Handbook*, argues that motivation strategies should foster autonomy, competence and connectedness. It is interesting to note that these qualities are also inherent in mental toughness and resilience.

PUSH THE EDGE: Find your weakness and get excited about where your game will be after you change it. Using mental rehearsal and visualization techniques can speed up the process of changing your weakness into a strength.

EXPERIENCE SUCCESS: Use mastery learning techniques to acquire new skills. By this I mean break-up the process into smaller, easier steps and do not move on until you have mastered the pre-requisite skill.

It is important to keep a journal of your performances so that you know when you are more successful.

CHANGE YOUR THINKING: It is important that only your successes go into your long-term memory. There is no need to remember past failures.

GET INVOLVED: Autonomy directly improves motivation, and the greatest contributor to autonomy is having some control or input into the decisions that affect you. You should feel some ownership of the training rules, competition choices, and strategy decisions.

PRAISE OTHERS: You will not be able to see the positive and exciting aspects of your performance, if you can't see the positives and exciting things of others. Also you will develop a sense of connectedness when you have an awareness of the contributions others make.

PUT YOURSELF FIRST: Human beings are most productive when they are not distracted by conflicting basic drives. By this I mean that you cannot perform well if you are hungry, dehydrated or tired. Make sure you eat properly, stay hydrated and get enough rest.

FIND MOTIVATED PEERS: Both on and off the tracks spend time with people who want to accomplish great things, and aren't afraid to talk about it or get excited about your dreams and vision. Effective support is vital for motivation.

It is also important to avoid those "motivational black holes"; those people who are negative, critical, and focus on the distractions and what cannot be achieved.

THINK POSITIVELY: There is always a conversation going on in your head, it is usually subconscious. If you start paying it conscious attention, then make sure it is positive and focuses on what you can do. Don't get hung up on difficulties, distractions and losses.

REMEMBER YOUR DREAM: Spend time frequently reconnecting with the real reason you are competing.

To sum up several aspects regarding motivation are important. Firstly, motivation starts with a sense of purpose. Remember that intrinsic, process orientated motivation is preferred to extrinsic, goal orientated motivation. Secondly, does the athlete see a difference between just beating his opponents and making personal best performances. Next, with respect to team sports, are the team members focused on what the team can achieve or are they concerned with their individual performances. Finally, work out what values are important for the athlete, and frame feedback to mirror these values.

2009 ISSF NATIONAL CHAMPIONSHIPS

This year's ISSF national championships were held at Cecil Park Clay Target Club over 20 – 25 January 2009. While it was a bit hot for a couple of the days, thankfully we escaped the dreadful heat wave that hit southern parts of Australia shortly afterward. Apart from a bit of rain late on the second day the weather held up reasonably well.

As advertised the ACTA ISSF national championships were run concurrently with Oceania Championships, which seemed to evince more interest than usual from competitors. The total attendance was 216 including shooters from 8 countries. We think that is a record for the ACTA ISSF nationals. Another contributing factor according to some shooters was the fact that the program had been shortened two days by the removal of the previous ACTA titles. Obviously costs are always a factor for shooters attending any championships and this seemed to be the case here as well.

The ranges at Cecil Park had been well serviced by the indefatigable President Vince Gatt and Fred Rapley. There was only one very minor breakdown over the whole week which, when one considers the number of targets thrown, was a great achievement. Also the support from Cecil Park club in topping up and maintaining the traps was excellent thanks Vince and your team! One improvement that could be made at Cecil Park would be the provision of a decent area for presentations as these had to be held out in the wind, dust and, one evening, the rain. Perhaps an extension to the Russel Mark Control

Building? Presentations are held throughout the week at the end of the events and are an important part of the competition. I am sure that everybody would prefer to see them done well in good surroundings.

We had a great line up of judges to help, which was great. Combining the ACTA nationals with Oceania provided an opportunity for them to gain useful experience. Tournament Director Elaine Forward insisted that things were run strictly according to ISSF rules and this, combined with the enthusiasm of the judges, lifted the standard of administration of the event.

Claire and Paul Watts ran the office in their usual highly competent manner for which we were very thankful. Great job thanks Claire and Paul!

Unfortunately due to time constraints an official opening was not held

and day one saw the commencement of both the men's Commonwealth skeet and trap championships. The women shot their Commonwealth skeet championship out on that day. Zita Dettori was one point behind Lauryn Mark but after the final Lauryn stretched her lead to 86, Zita 84 with the young West Australian shooter Laura Lee Coles in third place with 82.

Next day saw the completion of the men's Commonwealth skeet and trap championships and the second women's skeet event the National Skeet Championship. Again Lauryn Mark was too strong coming in with a creditable 90 after the finals. However Laura Coles also shot well with a final score of 86. It was great to see how well Laura has developed over the last year or so and she appears to have a great future in front of her. Zita Dettori came in third with 78. Lauryn Mark obviously took out the women's skeet high gun with Laura Coles in second place.

In the men's Commonwealth skeet George Barton blitzed the opposition shooting 123 and finishing with a finals score of 145. (Pity it wasn't the PQS event George!) Keith Ferguson was second with 138 and junior shooter Mathew Maloney third overall with 135. In the men's Commonwealth trap Michael Diamond took out the event 123 and 145 after the finals. Russell Mark was second with 143 with junior shooter Michael McNabb right on Russell's heels with a 142. It was very good shooting by all and great to watch.

At the end of day 2 a trial Glenn Cup event was shot. The best 5 Australian and New Zealand shooters shot 25 targets each. As the Kiwis only had 5 shooters competing it wasn't hard to select their team! Initially it was going to be a 50-target event but popular response from shooters (mainly the Aussies!) was let's finish at 25 it's too late and we're all tired! The imminent onset of rain also hastened both the shooters' and officials' decision.

Australia won with a score of 117 to New Zealand 104. The trial was the result of requests from shooters and subsequent agreement from NZCTA to run a Glenn Cup style event in ISSF similar to that run in

Charlotte Kerwood

Deserie Baynes

DTL. ACTA will now report to NZCTA with the outcome but is likely the event will become a fixture at future ACTA ISSF nationals at least.

Presentations that evening were a little chaotic due to the late finish, wild weather and the necessity to hold them outside. Thanks for the patience of those shooters who attended.

Day 3 saw the commencement of the men's National Skeet and Trap Championships as well as the women's Commonwealth Trap Championship, which was shot out to finality. The National series of championships are those for which PQS scores can be shot thus raising the pressure on shooters. This was the first of the "big" days of the competition and the last of the 27 squads didn't finish shooting until after 6 PM. The cooperation of shooters in squads backing up quickly to ensure that the shoot went through on time was marvellous and a big thank you to you all. The final of the women's trap saw some spirited competition. Stacey Roiall and Deserie Baynes were tied after the final with 84 but Stacey won the shoot-off 1/0. Catherine Skinner and UK visitor Charlotte Kerwood tied for third place with 83 with Catherine winning the shoot-off 2/1. The longest shoot-off was for fourth place between Suzy Balogh and Stephanie Tigani with Suzie edging Stephanie out after 3 targets!

An inaugural meeting of an ISSF athlete's committee had been scheduled for the end of shooting on this day but that proved impossible due to time constraints. The ISSF athlete's committee was approved by the ACTA Executive at its meeting in June 2008 as a consequence of a request from shooters at an informal meeting during the Perth ISSF nationals last year. The AISL athlete representative Suzie Balogh has kindly undertaken to organise a meeting at the Australia cup in Brisbane in March. Thanks Suzie!

Day 4 saw the finalisation of both the men's skeet and trap national

Michael (Mick) Harris

George Barton

L-R Allan Norwood, Josh Collard & Andrew Smith

Nick Kirley

not without a close challenge from Adam Vella. Michael had shot the first PQS score of 2009 with 123 but slipped a bit in the finals to allow Adam to catch up. Both finished with 142 but Michael won the shoot-off 4/3. Nino Pedulla came third with 138. It was great to see the large number (31) of junior shooters competing in both trap events. Michael McNabb again headed the junior shooters taking out the junior high gun. Michael Diamond obviously took out the open high gun.

The last two days saw the double trap Commonwealth and National Championships both being shot out each day. Double trap is not listed on the women's international calendar so the events were open

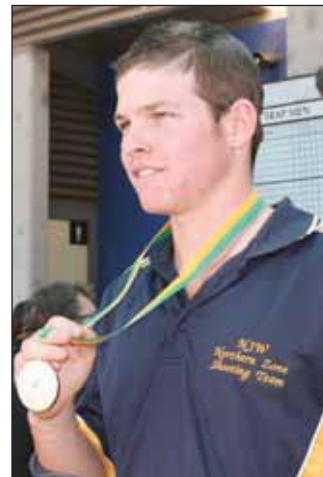

Russell Mark

to women to compete (which is the way it should be!). It was great to see two ladies Charlotte Kerwood from the UK and Narelle Cook from Nhulunbuy (way up north in Arnhem Land) battling it out with the men. Russell Mark again showed his national dominance of this event by winning both championships (174 and 180) and taking the high gun (262) by an 11-point margin. However Russell watch out, as junior shooter Nicholas Kirley was not that far behind you coming second in both events and second overall high gun! Craig Henwood came third with 161 on the Commonwealth Championship and Charlotte Kerwood was third with 164 in the National Championships.

championships as well as the women's national trap championships. It was another big day but cooperation from shooters and Cecil Park Gun club was again excellent. English visitor Charlotte Kerwood won the women's trap championship with 88 after the finals with Anna Shedrina on 85 and Deserie Baynes 82. Suzie Balogh was unlucky in missing shooting a PQS by just one point. Charlotte Kerwood won the women's trap high gun with 136 with Suzie Balogh and Deserie Baynes in second and third places respectively.

It is still uncertain as to where next year's ISSF nationals will be shot but an announcement will be made in the magazine later this year. After discussions with shooters the International Shooting Committee will be recommending to the ACTA National Executive a revised program for 2010 with double trap being shot first at the same time as the men and women's skeet. It remains to be seen how that will work out. Anyway 2009 was a great event and we look forward to seeing you all next year.

4TH ANNUAL GOLDEN CROW

Wagga Gun Club 31/1/09-1/2/09

Held at the National Ground, Wagga Wagga

The 4th Annual Golden Crow two event was held the National Ground on Saturday 31 January and 1 February. It was possibly some of the hottest conditions experienced by shooters at the National Ground over both days with the mercury reaching into the mid 40's on both days. Shooters from all over NSW and northern Victoria attended along with a strong contingent from ACT and sprinkling of Queenslanders.

The first event was a 25tg eye opener, this got most shooters off to a good start with plenty of red dots on the board.

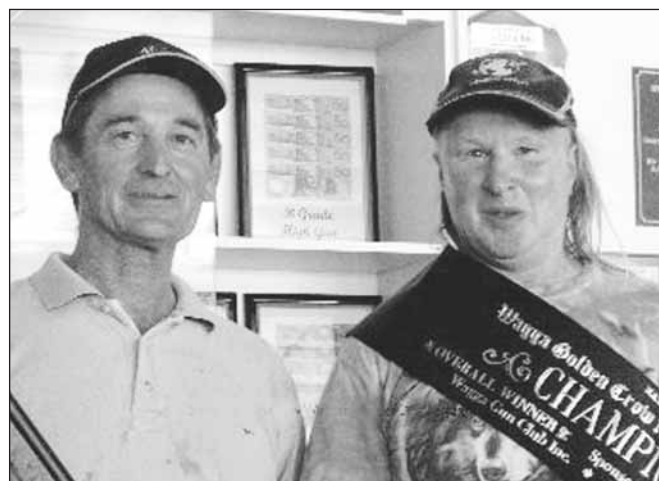

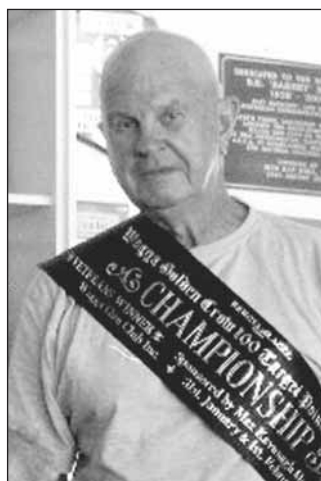

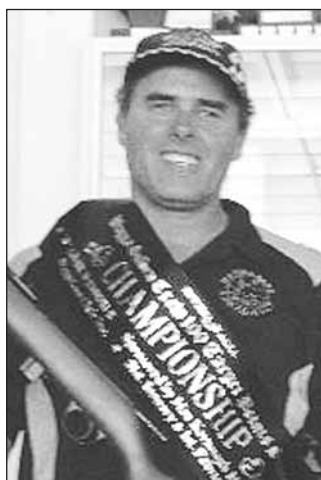

The second event was the 50 target Flemings Hardware Single Barrel Championship. This event attracted 105 shooters with the overall winner after a shoot off being Allan Jones 73/73 Sydney, AA Grade 1st John Crompton 72/73 Sydney, 2nd Glen Castellaro 69/70 Cobar, A Grade 1st Michael Elmes 74/76, Narrandera, 2nd Adam Piddington 73/76 Narromine, B Grade 1st Trina Watchorn 49/50 Yass, 2nd Matt Schiller 48/50 Grenfell, C Grade 1st Raymond Schiller 47/50 Grenfell, 2nd Darcy Munro 46/50 Wagga, Veterans Jeff Nash 47/50 Orange, Ladies Christine Nyveld 46/50 Yass, & Juniors Brian Williams 61/64 Coleambally.

Event 3 was the 50 target Lawson Motel Point Score Championship.

107 Shooters lined up in the very hot and still conditions. Arty Del-Ben and Don Power decided that they wanted this one and went back out into the heat with Don being the eventual winner with 263/263 points. AA Grade 1st Arty Del-Ben 261/262 Sydney, 2nd Roger Duthie 191/192 Hamilton, A Grade 1st John Maxwell 150/150 Wagga, 2nd William (Button) Powell 149/150 Orange, B Grade 1st Bert Deacon 153/156 Bega, 2nd Trina Watchorn 152/156 Yass, C Grade 1st Macaulay Wall 140/150 Tumut, 2nd Mark Payne 140/150 West Wyalong, Veterans Jeff Nash 148/150, Ladies Christine Nyveld 140/150, Juniors Jason Owen 162/164 Narromine.

On Saturday night a Calcutta was held at the Farmers Home Hotel where all the shooters for the Golden Crow were auctioned. After some spirited bidding, some quality shooters were snapped up for bargain prices with the rest of the field selling for reasonable prices. The scene was set for an intriguing day of shooting the following day as shooters were not only shooting to be the Golden Crow winner, they had their peers jeering them on for the win to bring the dollars home. Wagga Gun Club would like to thank the Farmers Home Hotel for their continued support of this event by providing the excellent Shooters Steak meals and use of the hotel for the Calcutta.

On Sunday the hot fan was still blowing with 112 shooters turning out for the day with plenty of cold drinks the order of the day.

Event 4 was a 25 target eye opener with plenty of possibles shot

Event 5, the main event for the weekend was the THE GOLDEN CROW 100 target Max Kavanagh House Relocators Points Score Championship. This is the fourth year that Max Kavanagh has generously supported this event and the quality and number of shooters in all grades continues to grow as the word is spread re the excellent targets to shoot at and the excellent trophies up for grabs.

Previous winners include 2006 Steve Guest 300/300, 2007 Steve Guest 299/300 and 2008 Ross Leirsch 591/591.

The eventual winner was Roger Duthie after a shoot off with Benjamin Machul, both on 299/300. Roger's final score was 323/324, AA Grade 1st Benjamin Machul 322/324 Cobar, 2nd James Vardanega 337/339 Griffith, A Grade 1st Gary Kennerson 297/300 Sydney, 2nd Peter Boland 314/300 Hermitdale, B Grade 1st Robert Southwell 297/300 ACT, 2nd Jarrod Turner 292/300 Cobar, C Grade 1st Macaulay Wall 290/300 Tumut, 2nd Todd Yates 279/300 Cobar, Veterans Jeff Nash 294/300, Ladies Christine

THREE EVENTS AT SPRING BAY

Location On the East Coast of Tasmania, 100 kilometres
north of the island state capital, Hobart

Sunday 21 December saw 26 competitors line up for the three event program at the Spring Bay Clay Target Club. A fine sunny day was forecast and the bureau was right for a change! North easterly about 3 knots and bright sunshine. After the first decent rainfall for about 18 months the grass on the hill behind the trap was all green and around the club house and tracks neatly mown to form a perfect background to shoot the White Flyer full fluoro targets. The first event was 25 targets Double Barrel cash divide which saw some 10 possibles share the cash.

The next event was the ladies Taipan Shield team. The Spring Bay Clay Target Club were fortunate to have had 4 ladies registered in 2008 and with an invitation to Kath von Stieglitz from the Mersey Clay Target Club to join Sandy, Cheryl, Karen and Dianne the excitement level was very high. After a brief presentation of team shirts by the President to the ladies as a memento and with their 2 scorers Robbie and Howard and referee Graeme away they went to shoot 25 targets each.

The next event was a 50 target Double Barrel Christmas championships, the continuing good weather and good targets once again saw some great shooting with two possibles and 49's on the board. With one of the possibles being shot by Tony Bennett as targets only, the overall went to Adam Arnol.

At the half way mark of this event competition was halted briefly to partake in a magnificent lunch prepared by Heather and her merry helpers. To see the spread the ladies had prepared was almost unbelievable. As the President said at presentation time 'thank you' seemed so insignificant when we look at the contribution these willing helpers make to our clubs and our sport but to Heather, Rhonda and Karina we do say a big thank you.

The last event of the day was a 25 target single barrel event. Once again some good scores come in with two 24's shooting off. 23 and 22 taking the other grades.

Guns away and presentation time saw the President welcoming everyone and thanking all the club's volunteer staff. Sandy and Grant Ellis were invited up to present the trophies as they were our sponsors for the day. As all clubs and sports would know to have people or businesses chip in with sponsorship is like gold these days and Sandy and Grant have been great supporters of Spring Bay Club since becoming members once again we say thank you sincerely for that significant contribution. At the end of the presentation the President went through Club housekeeping which is a little segment were people who are sick, injured, bereaved, having a birthday are acknowledged. Other clubs also get a mention of their shoots coming up.

PS - Since writing this we have learnt that Tumut have won the Taipan Shield by one target from Spring Bay. Congratulations to the Tumut ladies and we look forward to all teams competing at the end of 2009.

5TH CHAMPION OF CHAMPIONS

Melbourne Gun Club

Saturday the 31st of January Melbourne Gun Club held their 5th Champion of Champions DTL shoot. Prior to the shoot Melbourne and surrounding suburbs had suffered one of the hottest heat wave's on record with 3 consecutive days of temperatures soaring over 43 degrees. This left organisers concerned that crowd numbers could be effected by the scorching heat and proceeding bushfires throughout the state but we were still able to manage a record of 16 squads in attendance mainly due to the hard work the committee and members had put in to ensure of a top quality shoot.

Again the mercury reached over 37 degrees in the area leaving a lot of shooters hot and bothered but despite the heat some fantastic

scores came in showing the quality of the targets that were set for the day. The girls were kept busy handing out shooters free icy poles to try and keep everyone cool, a gesture I think that was appreciated by all.

Event 1 was a 40 Target Point score event which 4 possibles were shot. Local Melbourne Gun Club member Paul Haslam outlasted the rest of the field to record an excellent score of 162/162 winning the \$300 cash up for grabs and beating Mornington's up and coming junior shooter Joel Lennane on 159/162. Joel was the winner of A grade and also the Junior winner for this event. B grade went to another up and coming Junior in Geoff Aston of Melbourne Gun Club with 114/120 and Brooke McMillan winning C grade with an excellent 116/120. Wangaratta visitor Emma Cox shot a magnificent 119/120 to win the ladies event.

The next event was a 20 Target Single Barrel and again the scoreboard showed some excellent scores with 2 squads of possibles going out to the tracks for the shoot off. Mark Crevatin continuing his good form from the Tasmanian State Titles finished on top with a score of 39/39 and winning a Samsung MP3 player and dinner at the Nixon Hotel. Peter Mills from Cerberus won AA grade with 38/39. Steve Pellegrino of Melbourne blitzed the A grade shooters with a well shot 34/35. B grade was won Elise Bell also of Melbourne who shot a possible and shot off with the big boys recording 22/23. Elise also took out the ladies event. C grade went to a relative newcomer to our club in Clay Wyhoon with a very well shot 19/20 and Emma Cox this time was too good for the Juniors also shooting 19/20.

At this point things were looking pretty tight for the Overall High Gun prize which was a 125CC Dirt Bike proudly sponsored by Mt Evelyn Garden Centre. We had 3 shooters on

1 point down in Sam Clifford, Paul Haslam and Andrew Brady and a number of shooters right behind them on 2 points down.

The last event for the day was a 40 Target Double Barrel and 18 possibles were on the board, which was going to ensure a big shoot off. We weren't disappointed. Morwell Gun Club president Chris Murphy shot brilliant to win the event with a good score of 218/218 and winning \$300 cash. One of the clubs sponsors and members Barry Humphris came in first in AA with 217/218. A grade prize was taken out by Melbourne Committee member Roger Esplin with 46/47. B grade by yet another Melbourne Gun Club member Tom Labor who put the skeet gun away for the weekend to shoot trap and shooting a very creditable 88/89. C grade was won by junior shooter Ross Anderson on 38/40. Ross then had to shoot off for the Junior prize with Geoff Aston, the shoot off lasting another 38 targets with Geoff being the victor. Emma Cox capped off a very good day of shooting winning the ladies prize with 35/40.

The High Gun came right down to the last squads shooting with Sam and Paul both coming in with a 39 in the Double Barrel, Andrew Brady needed to run the 40 clean to take the High Gun prize and he did just that winning the 125cc Dirt Bike with a score of 1 point down for the day. Great Shooting Andrew!!

The BBQ was then lit and everyone enjoyed a good feed with plenty of burgers, sausages and salads to be had and of course being so hot the odd nice cold beer didn't go astray either from behind the bar. The day was a great success and couldn't have been made possible without the hard work of all concerned and of course to our sponsors for the day a huge thank you we couldn't do it without you.

KEMPSEY CLAY TARGET CLUB

Club Shoot Saturday 17th January 2009

Kempsey is on the Mid North Coast of NSW and in the middle of January you would expect it to be hot and humid, or just down right hot. No, we had cool temperatures, it was overcast and intermittent showers were falling. Where summer went, no one knew, but it could have been worse, it could have been torrential rain falling. As any shooter would know, the weather doesn't stop a clay target shooter from walking to the traps, that is, not unless lightening is crashing. No worries there, so off we strode to start shooting.

I would like to thank Century Batteries for their ongoing sponsorship of the January Shoot. All competitors appreciate the financial incentive even though they may not have taken home a share this year. I am sure that they do intend to return next January with the aim of cleaning up the prizes.

Once again thanks to the ladies in the recording office, Lesley and Jenny Baker and our caterers, Robyn Baker, Kerry Powick and Meg Gosling.

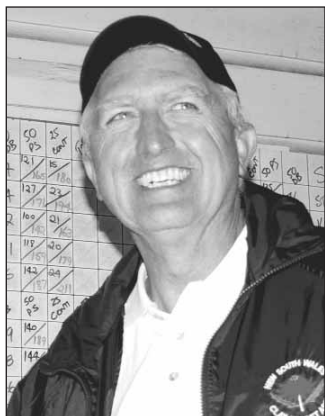

Lesley Langer Publicity Officer

Seven squads were shooting for the Century Battery's prize money. It was a one hundred target event, 50 Target Double Barrel and 50 Target Point Score. These were shot in four walks of 25 targets. Graham Gosling shot consistently well to take out the Overall Winner's prize and Century Batteries Medallion with a score of 192/200. Well done Graham

VALE

KUHNE, PAUL

16 February 1965-14 November 2008

The Collie Clay target Club is deeply saddened on the tragic passing of one of their members Paul Kuhne.

Paul joined the Collie Club in 1996 and soon became an invaluable and dedicated member. Paul reached AA grade in Trap, A grade in Sporting and was also becoming a very competent Skeet shooter.

Paul travelled to as many shoots as possible and touched the lives of all he met and befriended. His ever smiling face and enthusiasm will be sadly missed, not only by the Collie Club members but by all who knew him.

Our deepest sympathy goes to Paul's wife Robyn, children Tory and Bradley, his adored grand children Blaydon and Jacey, and to all of his extended family and friends

Rest in Peace Paul.

News from Richmond River Gun Club Lismore

Location 776km's north of Sydney between the rainforest and the sea

The shooting year started well for Richmond River Gun Club on 25th January when 35 shooters lined up for the opening daytime event for 2009 in sultry overcast conditions.

Harold Batson runner up B Grade DB

Terry Preston new to Trap but A Grade SSAA sporting clays shooter

A progressive complimentary five target points score event is conducted over the first six months of the club's shooting calendar in memory of the late Jan Harding with nine competitors recording 15/15.

The event of the day was a fifty target double barrel. Six shooters shot first stage possibles but only two were able to complete the event without missing a target.

Kevin Harding pulled only one second barrel in his 50/50 to narrowly outpoint Ian McDonald 49/50 (24/25) in AA grade while Jeff Lowndes of Yamba showed his concentration capacity during a heavy shower of rain in his second round for 50/50 winning A grade from Bill McKechnie Gold Coast with 48/50 (23/25).

A shoot off was necessary to decide B Grade with Rus Wesslink of Grafton and Harold Batson of the Richmond River Club both on 47/50. Harold shot a second stage 25/25 to get into the shoot off but unfortunately for him, the third extra target eluded him.

Terry Preston, a new trap shooter but a very experienced SSAA sporting clays competitor, took full advantage of the ACTA grading system winning C grade with 49/50 (25/24) much to the chagrin of Junior Jake Davis 48/50 and Don Johnson 47/50.

A mixed 50 target event of Grade Meterage and Continental rounded out the day.

Fortunately the rain dissipated but so did the good scores. The added handicap of extra metres put an end to possibles.

Ian McDonald 48/50 won AA from Kim Nealon 46/50. A grade saw Rick Spencer (48/50) successful with Phil Westbury 46/50 second.

Club President Mike Sullivan was the winner in B Grade with 47/50 with Geoff Jacobsen 45/50 second while Terry Preston continued his winning way in C grade with 46/50 from Bruce Copper 45/50.

Shooters please note that our programme over the next couple of months differs to that

Northern Zone of NSW Junior Coaching Clinic

Overcast and windy conditions greeted the 27 young people from across the NSW Northern Zone for what has now become an annual event.

Newcastle Lake Macquarie Clay Target Club hosted 11 young ladies and 16 young men on the 8th, 9th and 10th of January. With such a large number and a wide variation in shooting experience the participants were split into three groups, the Olympic discipline shooters, DTL and beginner squads and sent off to their allocated layouts.

It became obvious from the first run across the lanes that clay target shooting in the north has a bright future with some great scores

being posted. Some fine tuning along with constant and consistent reminders from the coaches over the three days, scores on the Saturday became extraordinary, one young lady who had only shot a round of two targets went from 5/25 to 17/25, well done to her and coach Rick Bannerman.

Michael Kruger-Davis with his relaxed and informative theory sessions was again a hit with the participants, those members who are after an edge over their clay target shooting rivals should book a session with Michael.

Tom Turner gave up a couple of days from his AAA (Arms & Ammo) shop at Cessnock to pass on his vast experience, lending a hand with the Double Rise, Olympic Trap

and Double Trap coaching, which was appreciated by all those who had a go for the first time and by the group who concentrated on the Olympic Disciplines.

A highlight of the three days was definitely the trivia night, organised and hosted by Rennae and Jason Jenkins. If you didn't know the answer to the shooting questions, finding out was educational. We were challenged to identify some interesting paraphernalia, from an umbilical cord clamp to a solder sucker, and a fun night was had by all.

After a tiring, for the adults anyway three days and with new friendships made and some techniques to try, the clinic members left for home, and the coaches, family members and kitchen crew retired to their homes for a well earned sleep.

Congratulations to all the young participants on their enthusiastic behaviour and achievements and to all Northern Zone members, including members of the Northern Zone committee, a big thankyou for investing in the future of our sport. To Rick and Lorraine Bannerman thanks again for supporting me and the clinic, three days off from a very busy business is a huge sacrifice.

I look forward to seeing all the juniors around the traps over the next year, hearing of your triumphs and working with you through the challenges you will face.

*Good Shooting

Bathurst Gun Club & the major sponsor of the event, Gunsmoke Bathurst presented their King of the Mount shoot, at the Sulman Park range, on the western side of the famous Mount Panorama racetrack, over the weekend, on the 7th & 8th of February. The weather was extremely hot, as the shooters tried to share a King of the Mountain title, with the V8 Supercar drivers. In all the categories ladies, veterans, juniors & open, there were former or current Australian representatives, vying for the excellent cash & prizes on offer. One of these reps, Helen Overton, from Brewarrina, shot the program clean on Saturday & looked like such a strong contender, that the King of the Mount title looked like it might have to be renamed, to become the Queen of the Mount for the first time! Helen has been shooting since she was ten years old, on the family property & 2008 was her most successful year to date. She

Trapshooting Champions – Past and Present

John W Sutherland - “Calrossie”

The second of the “greats” was John W Sutherland, “Calrossie”, he was born at Wallan on the 4th April 1878 and like his father and brothers had a great love of shooting. He grew up in an atmosphere of gun powder, his family were all excellent and keen rifle shooters.

John’s early life was spent with his older brother George, helping to manage the local general store at Katandra. He was also the local mail man, he commenced his mail run in about 1896 and continued until he left Katandra about 1905.

In 1905 he became manager of the Calrossie butter factory, about six miles from Yarram in Gippsland. Living and working on Calrossie estate were many men called “John” or “Jack” and so to distinguish one from the other, they acquired nicknames like “Long Jack” and “Tall Jack”. John Sutherland became known as “Calrossie Jack” and it was from this nickname that his anonymity in the field of shooting came from.

John took up trapshooting in 1895 at 17 years of age and made his first appearance in a pigeon match in Shepparton. Although he was unsuccessful at first he persisted and it wasn’t long before his name began appearing on the winner’s boards. He won his first championship in 1901 at Kerang and continued to win from then on.

He won his first Commonwealth title in 1906 when he won the Commonwealth Sparrow Championship and from this time on he became the most prolific winner of trapshooting championships in Australia.

As a result of his growing prowess in the sport he was able to gain employment with Kynochs in 1907, his job entailed the practical use of guns and ammunition for field and trap shooting.

John married Isabelle English at Caulfield on October 23, 1912 and they lived at Ormond, they had three sons Leslie, Donald and Keith.

Kynochs was later acquired by ICI and so the “Calrossie” ICI era began. Throughout the 1920’s he travelled extensively throughout Australia both working with ICI and competing in the major trap shoots of the time. He won state championships in Victoria, New South Wales, South Australia and Tasmania and gained recognition as the best trap shooter in Australia.

In 1928 he went to Europe to compete, whilst in Europe he won championships in England, France, Italy and Monte Carlo. He won the aggregate for the season in Monte Carlo and was subsequently recognised as the best trap shooter in the world.

Whilst he was in Monte Carlo he created a new world pigeon record of 128 birds straight. He was now at his peak and would go on to dominate trapshooting until the outbreak of war in 1939.

In 1932 he set the Australian record of 121 starlings without a miss at Melbourne Gun Club. This record was never broken.

He won the Commonwealth Pigeon championship a record six times, the first time in 1916 and the last time in 1941. He also won the Commonwealth Sparrow and Starling championships multiple times. In all, he won more than 20 National championships.

Calrossie eventually won more than 100 trap shooting championships, the last of which was the Commonwealth Galah Championship at Kerang in 1948 at the age of 70 years. He competed in his last trap shoot in 1958 at 80 years of age, after which live bird trap shooting was discontinued.

Calrossie was the most influential trap shooter of the time, he was the key figure in the transition from live targets to clay targets and in conjunction with Horrie James and Donald Mackintosh he was instrumental in the formation of the ACPTSA.

He has left us a legacy that is firmly entrenched in our sport, his shooting style. He developed his style over 30 years of competition

and then passed it on to the great Fred Burns and Newton Thomas who in turn passed it onto the generations that followed.

He died in 1968 at the age of 89 years and was cremated at Springvale in Victoria

Calrossie amazed the world with his ability with the gun for 50 years. He was to shooting what Bradman was to cricket.
