A-10 AMERICAN

HAND DETACHABLE SIDELOCK OVER AND UNDER

STANDARD
\$8,990

DELUXE
\$9,990

All A-10's Feature the following standard options:

- Choice of gauge - 12, 20, 28. All barrels fit on the same 12 gauge frame. (20 gauge frame available for additional cost.)
- Barrels have a weight system for balance and weight distribution.
- Barrels are interchangeable without fitting.
- Multi-gauge and multi-barrel sets are available for order.
- Choice of barrel length - 26", 28", 30", 32"
- Five Trulock choke tubes. Skeet, improved cylinder, modified, improved modified, and full with wrench.
- Ventilated rib
- 2x American Black Walnut
- Receiver machined from a solid forging.
- Steel shot compatible
- Internal parts which have our Hard Gold™ coating
- Barrels are Tuff Bore™ coated so they are steel shot compatible
- Barrels are Cryo Pattern™ for optimum shooting performance
- Pistol grip or Straight grip stock
- Classic 2 point cut checkering
- The very highest quality aluminum case
- Single selective trigger
- Auto ejector
- Butt stock weight system that regulates the weight and balance of the gun
- Galazan™ Pad

National President's Notes

The Legal & Governance Committee is currently handling the delicate issue of a possible conflict of interest involving our NCD (National Coaching Director). There has been much confusion and misinformation circulating regarding this matter and in an attempt to clarify things I wish to advise all that: The NCD has been asked to stop all duties associated with the position until the matter has been reviewed. This DOES NOT MEAN that he is suspended from the Association. The NCD is still able to attend, compete etc at all ACTA grounds and events as normal.

This whole situation, whilst regrettable, is certainly not any reflection on Graeme's character.

ACTA met with AISL (Australian International Shooting Limited) on Monday the 28th of February to address the concerns raised at the informal shooters meeting recently held in Perth, and other matters. A Question and Answer column is being introduced in the CTSN to address matters raised by Olympic Discipline shooters. AISL response to questions raised at the Perth informal meeting has been provided to the shooters Rep.

Briefly I would like to say that AISL exists primarily to produce medals for Australia. AISL is funded almost entirely by the Federal government, is totally independent from its members (ACTA included), and has an independent board. Whilst having to adhere to a strict reporting regime to the government, constitutionally it has little responsibility to report financially or otherwise to its members, the shooting associations. Its aim is to select and fund shooters in accordance with the selection policies readily available on their website, who can shoot World Class scores ie: being the best in Australia means nothing to AISL if you are not shooting an internationally competitive score regularly. Simply put, performance, performance, performance, is the requirement. ACTA affiliates with AISL to allow our Olympic Discipline shooters to be considered for these selection opportunities.

The ACTA encourages clubs to apply for whatever government flood assistance is available. Flood affected clubs who are applying for government support are encouraged to copy their applications to the ACTA office. Flood appeal support from the ACTA can then be easily considered without the club having to duplicate an application. Once again I encourage all clubs to consider fundraising for this cause, to help our own.

I have received some positive comment regarding the financial result achieved last financial year. This positive comment is much appreciated. The policies etc that achieved this result were put in place in 2009 and so we need to thank those involved at that time for their input to the budget, and ensure reviews are conducted regularly to keep the ACTA in a healthy financial situation.

This magazine may reach some households prior to the Trap Nationals, and so I wish all competitors well. Many concentrate on their shooting but many others attend to catch up on old friends, look at the traders goods and generally enjoy the atmosphere. Don't forget your Hall of Fame dinner tickets available via the office. Once again, on your behalf, I thank all of our Sponsors for their terrific support of this event.

Until next month,

Robert Nugent

Executive Officer's Report

Welcome to all members of the ACTA. This is my first column as executive officer and it is difficult to work out what to say. After three weeks here I am still scratching the surface of my role however it has been a busy three weeks and has covered a wide range of areas and issues. Fortunately the staff of ACTA and the Executive has been extremely helpful in filling in the gaps in my knowledge.

I look forward to a long and productive career with the ACTA. I am fortunate to have good staff who have an excellent understanding of their roles and who are dedicated to producing the best results in their jobs. The Executive have been extremely helpful, particularly the President, Robert Nugent and Vice President Peter Haley. The depth of knowledge and experience of all the executive shows their love for the sport and the many hours they have spent not only

competing but in keeping the ACTA in its position as the lead body for clay target competition in Australia.

The one thing I have become aware of is the dedication by many to improvement of the sport of Clay Target Shooting in Australia. As the new Executive Officer I can make a lot of promises about what I will do and how I am going to improve the ACTA office and the sport. The problem then, is to not overpromise and to not under deliver. The one thing I will assure all members is that I will listen to their concerns or problems, investigate them and make a decision if it is my responsibility. If not I will pass them on to the Executive for their consideration.

Already a number of issues have become apparent. As shooters we have a problem with increasing costs to pursue our hobby and develop our facilities yet a need to keep costs affordable. We also are engaged in a sport that has been incorrectly associated with illegal use of firearms in wider society because the public link all firearms together. These factors have made it harder to increase participants and increase membership. We have not reduced membership greatly, however with the population increase our numbers should be going up.

Most of our members enjoy shooting at club, zone and state level with the occasional visit to Nationals. A large amount of our publicity centers on the international shooters and competitions.

Shooters are represented by a number of organisations who developed originally to represent different types of shooting. Shotgun shooters can be found as members of Field and game, Sporting Shooters as well as the ACTA. The different types of shooting require different facilities and different representation although there are many issues we all have in common. At times it appears that we could work better together.

This column has raised a number of problems and issues which need to be addressed to ensure that the sport continues to grow and that the ACTA best represents and supports all Clay Target shooters in Australia. It is quite clear that I have not provided solutions and it would be stupid of me to think that I knew the answers so soon after starting, however I can assure you that I will be working with the executive to address them. Whilst the Executive consists of delegates from all states we are not the only ones with good ideas. All members can have input through their club, zone and state delegates. If this does not occur the executive can only base decisions on information they have been provided with.

The role of Executive Officer is both challenging and rewarding. Challenging because of the range of issues from development of grounds, members issues, legislation and governance and rewarding because of the people you work with at all levels and the satisfaction from being able to improve the Association and the enjoyment for its members in their sport.

I look forward to meeting a lot of members at the various nationals and when my role takes me to your state or clubs events. If I look a bit lost please feel free to come up and say hello and talk about our sport.

Chris Gibson

QCTA CENTRAL ZONE CARNIVAL

THE QCTA CENTRAL ZONE held its Annual Two Day Shoot on Saturday 26th and Sunday 27th February 2011 with over 125 shooters in attendance. This year the Carnival was hosted by the Rockhampton Clay Target Club.

Thank you to the Rockhampton Club who had the grounds looking spectacular and the traps tuned and targets set for what was going to be a hectic weekend of shooting.

The first event of the day was the 50T QCTA Central Zone Double Barrel Championship and the Overall Winner was Alex Dallas from Spring-sure with a 121/121. Other results were as follows 1st AA Grade John Maxwell 120/121, 2nd Ryan Olive 96/97, 1st A Grade Nathan Busteed 90/91, 2nd Jim Riggs 68/69, 1st B Grade Ross Ohlsen 49/50, 2nd Tracey Harker 61/63, 1st C Grade Marty Vine 48/50, 2nd Andrew Earl 47/50.

Champion of Champions Robbie Caban

Event Two was the 25T QCTA Central Zone Single Barrel Championship and the Overall Winner was Robbie Caban from the Mackay Sarina Clay Target Club with a score of 31/31. Other results were as follows: 1st AA Grade Craig Polsen 30/31, 2nd Barry Zimpel 45/47, 1st A Grade John Rodden 30/31, 2nd Eddie Bates 29/30, 1st B Grade Cliff Grimshaw 26/27, 2nd Ross Ohlsen 25/27, 1st C Grade Peter McLellan 21/25, 2nd Andrew Earl 26/31.

Event Three was the 15 Pair QCTA Central Zone Double Rise Championship and the Overall Winner was Craig Freeman with a score of 29/30. Other results were as follows: 1st AA Grade Alex Dallas 37/40, 2nd Grant McPherson 36/40, 1st A Grade Peter Purkis 33/40, 2nd Phil Doring 42/50, 1st B Grade Ross Ohlsen 26/30, 2nd Ken Busteed 30/40, 1st C Grade Marty Vine 36/50, 2nd Terry Burgess 34/50.

Those who stayed on Saturday night were treated to a meal supplied

by the Cambridge Hotel. With a few beverages under our belts most were in bed early preparing for the next day's events.

Event Four was the 25T QCTA Central Zone Continental Championship and the Overall Winner was Ryan Olive from the Rockhampton Club with a score of 74/74. Other results were as follows: 1st AA Grade Grant McPherson 73/74, 2nd John Maxwell 64/65, 1st A Grade Alan Powell 25/25, 2nd Zarah Powell 42/43, 1st B Grade Martin Hoolihan 39/40, 2nd Ken Busteed 26/27, 1st C Grade Timothy Davey 25/27, 2nd Marty Vine 24/27.

Overall HG winner John Maxwell

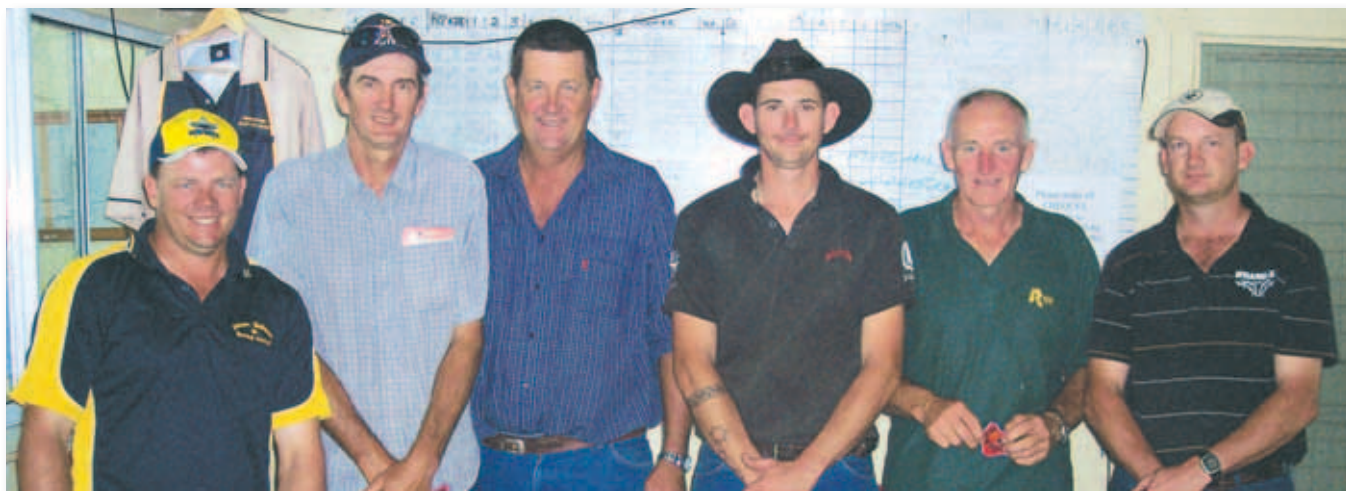

Event Five was the 25T QCTA Central Zone Points Score Championship and the Overall Winner was Robbie Caban with a score of 114/114. Other results were as follows: 1st AA Grade Geoff Moore 113/114, 2nd David Robb 89/90, 1st A Grade Andrew Olive 75/75, 2nd Craig Freeman 113/114, 1st B Grade Peter Watts 86/90, 2nd Don Berrie 83/90, 1st C Grade Keith Green 76/78, 2nd Peter McLellan 73/78.

The Central Zone Teams were selected over the Double Barrel, Single Barrel and Points Score events. The team members to compete at the upcoming Queensland State Carnival in May are as follows: Open Robbie Caban, Barry Zimpel, John Maxwell, Nathan Busteed, Alex Dallas, Andrew Olive, Veteran Jim Riggs, Vic Hyde, Austin Donaldson, Ladies Donna Barletta, Zarah Powell, Lil Brandt, Junior Will Polsen, Tom Lamb, Nathan Warnock.

The Zone Champion of Champions was held in conjunction with the team shoot and the winner with a score of 224/225 was Robbie Caban from the Mackay Sarina Club.

The Queensland Police Clay Target Club sponsored a Junior High Gun which was also held in conjunction with the team shoot and the winner with a score of 132/150 was Will Polsen.

Continued on page 4

2011 Central Zone Open Team Alex Dallas, Barry Zimpel, Andrew Olive, Nathan Busteed, John Maxwell & Robbie Caban

QCTA CENTRAL ZONE CARNIVAL

Continued from page 3

Zone Handicap winner Ken Busteed with Brian Muirson

The final event of the weekend was the 25T QCTA Central Zone DB Handicap and the Overall Winner was Ken Busteed with a 43/43. Other results were as follows 2nd Peter Brandt 42/43, 3rd John Maxwell 33/34, 4th Gray O'Neill 28/29.

The High Gun winners were: Overall High Gun John Maxwell 222/230, AA Grade High Gun Robbie Caban 221/230, A Grade High Gun Nathan Busteed 214/230, B Grade High Gun Martin Hoolihan 209/230, C Grade High Gun Marty Vine 203/230, Ladies High Gun Jessica Robb 206/230, Veteran High Gun Alan Powell 208/230, Junior High Gun Samuel Bylsma 205/230.

Once again thank you to the Rockhampton Clay Target Club members for their efforts over the weekend.

The catering part of any club is always a problem as it involves a mountain of work with little recognition. Thank you to all of the ladies who put their hand up to help out over the weekend, they did a magnificent job and worked tirelessly over the two days. The Rockhampton Clay Target Club greatly appreciated their help and support.

Last but not least thank you to the travelling shooters, without your support the shoot would not have been the success it was. Be sure to put this event on your agenda for next year.

Sunshine Coast Clay Target Club Update

The Sunshine Coast Clay Target Club's (SCCTC) Annual Two Day shoot was planned for 15th & 16th January at the Brisbane Gun Club (BGC). Due to the devastating floods in Brisbane during the week leading up to the shoot, the committee made the decision to postpone the shoot to another time. The committee wishes to express their thanks to the BGC for their help in offering their grounds to us.

The SCCTC Two Day annual shoot will now be held on the weekend 28th and 29th May. The BGC was given the opportunity to hold the postponed shoot on these dates but couldn't compete with the offer from the Gold Coast Clay Target Club (GCCTC). The GCCTC has been extremely helpful in offering their grounds to hold this shoot.

NSSA Skeet Shoot BRISBANE GUN CLUB 4, 5 & 6th March 2011

I had the pleasure of attending the NSSA registered target skeet shoot at the Brisbane Gun Club over the weekend 4, 5 & 6th March 2011. I am writing this article, as the Brisbane gun club deserves a big pat on the back for running what I consider an outstandingly successful event. It was one of the best-presented and conducted shoots that I have ever had the pleasure of attending. Brisbane Gun Club, take a bow.

Shooters from as far afield as Melbourne (Mals marauders x 5), Pat from Townsville, Shane & Maurie from WA, John from Canberra, Harry from Sydney and myself from Wodonga rolled up to take the field up to 31 competitors.

The traps, grounds and amenities were all of a high standard and the staff needs to be complimented for a job well done. The club supplied referees and scorers and I for one did not receive a single slow or fast release for the entire weekend. The Matterelli traps performed as advertised and there were minimal "no targets". Lunches of chicken & salad were supplied at a very reasonable price of \$7.00 with nibblys, biscuits and brews available on demand. The bar was a favourite parking place at the conclusion of each days shooting.

The weekend was conducted under the NSSA rules and procedures and was marshalled by Glenn Walker. Not having ever shot under the NSSA format I was extremely impressed with the smooth flow of events. There were no delays or confusion; all shooters were advised prior to the weekend of their squadding and time required on station one for each event. The flight rotations were fair and adhered to; everyone knew exactly when and where they had to be at any given time.

The 500 targets thrown consisted of 50 pair of doubles on the Friday, 100x12 gauge & 100x28 gauge on Saturday concluding with 100x20 gauge & 100x410 on Sunday. Nominations were a respectable \$200.00 for the weekend with purses for grades, high guns and overall available.

I attended this shoot primarily to support the Brisbane gun clubs endeavours to run a NSSA registered shoot, my secondary motive was to tie one on with Dave Dundon which I scored the perfect 200 out of 200. I initially had reservations regarding the need to have an American modelled shoot here in Australia. I was of the mind "we can do it as well as anybody" we don't need to be told how to do business by the Yanks. I am now a convert. I can honestly report that a shoot of this nature is not only fun as you get to shoot the whole event in one visit but when finished, its over and done with, you can relax, shoot through or have an ale, no waiting around getting cold or stale and having to get hyped up again to perform the next wave of the same event.

I hope that the shooters from other clubs that attended this shoot return home and consider a NSSA event for inclusion in their next years shoot calendar.

To the organisers, referees, scorers, shoot marshal, bar staff, kitchen staff, grounds persons and my mate Dave Dundon who loaded the traps all weekend thanks people for a great weekend.

I for one will make the pilgrimage to Brisbane if the club runs an event of this nature in the future. Thank you Brisbane.

Dennis Savage, ACTA No 64930

Night Continental Shot at Mathoura

If you wanted to name one of the most difficult disciplines in clay target Trap shooting, night single barrel continental would immediately come to mind, and that was the main event on the Mathoura Gun Club's February 2011 program. On a night that was almost perfect for trap shooting, being mild and calm, although a little humid, there were some good scores recorded throughout the entire nights program.

Deniliquin members Ned Collicoat and Bruce Cook, and Bendigo member Leigh Knight all recorded a full 10/10 score in event one, a ten target Single Barrel Cash Divide, all sharing the cash dividend. And as a preparation for the main event, a ten target Double Barrel Continental Cash Divide was shot next with plenty of full scores again. Bruce Cook, Leigh Knight, Cameron Foster, and local shooter Harry O'Connor all sharing the cash having all shot a full 10/10 result.

Rob Collicoat OA & A SB Cont

A 25 Target, Night Single Barrel Continental Championship, was next and although there were no full scores in this much tougher event, two shooters managed to drop only two targets, Rob Collicoat and Roger Kerslake both having recorded an excellent 23/25 went out to shoot off for Overall and their grade. One target each was all that was required with Rob hitting his and Roger letting his escape, that gave Rob Collicoat the Overall Winners Sash and 1st in A Grade trophy with his 24/26 result.

There were no nominations for this event from B Grade shooters

so C Grade was checked and resulted in Bert Knight (Bendigo) and local member Peter McClusky who both shot a 17/25 score going out to decide a winner. As with the previous shoot off, one target each was all that was needed, Bert missing his and Peter smashing his to take out the 1st in C Grade honour and trophy.

Back to conventional shooting for the last event for the night, a graded Cash Divide ten target, Points Score, and Deniliquin member Tim Maher and Mathoura's Roger Kerslake both ended on perfect scores of 30/30 to share the A Grade cash, and Peter McClusky only dropped one point to collect all the C Grade cash with his very impressive 29/30 result. A very enjoyable night of Clay Target Shooting that ran so well that even the presentations were all over shortly after 10.00pm.

Murray Roberts

L-R Jason Owens, Helen Overton, Hank Macinnes, Taylah Jane Turner, Tom Turner, Russell Sainsbury, Darcy Chetcutti, Martyn King

Hheavy rain and howling wind late on Friday night wasn't the start the members of Newcastle Lake Macquarie Clay Target Club were looking for to begin the two day DTL Lakeside Classic but at this late stage there is no rescheduling shoot days.

Saturday morning dawned overcast and windy and on arrival at the club I was surprised to see a good roll up. The set up crew led by shoot marshal/president Ross McLean, his assistant John Piper and a host of committee and helpers had set targets as good as possible in the blustery conditions.

One hundred and fourteen shooters faced the daunting task of breaking targets and the early scores showed there would be no break records this weekend.

Joe Camelleri started well with the only 90/90 in the 30 target PS cash divide and Gary Rootes showed some good form when he skinned the 30 target SB. In the premier event the Lake Side Classic double barrel Robert Clarke from Port Macquarie outlasted your truly (see me for excuse number 15 from the "why I missed that target" pocket book) with a fine 114/114 in testing conditions. Brad McCudden shot his

75 break during this shoot off to take "A".

Sunday morning's weather was un-changed from Saturday, numbers were down to 97 (I think there could be some fair weather shooters in our fraternity) but all faced the conditions with high expectations. All the 89's lined up for the O/All shoot off in the 30 target PS with Allan Jones holding out Hank Macinnes.

The back markers

Allan Jones

Brock Goodwin

struggled in the handicap with 3 of the 5 placegetters being front markers. Russell Sainsbury was very excited to win the gun holding out Anthony Hugo 2nd and Steven Saul 3rd. Jason Owen travelled all the way from Narromine to shoot from 23 metres but couldn't do better than 5th place against Taylah-Jane Turner 4th (yes she has all the advantages of being Tom Turners daughter).

It was great to see our city brothers and sisters come up from the big smoke and even better to see a fantastic young shooter in Darcy Chetcuti, with the Sydney Harbour Bridged glued to the top of his gun, over take the old salt Allan Jones in a shoot off after they both dropped only 1 point in the 30 target champion of champions.

Congratulations to all the winners see the CTSN for full results and a big thank you to all the helpers, ground, kitchen and office staff.

To our sponsors, AAA Arms and Ammo - Sarah-Jane and Tom Turner, Gun Tavern - Steve Begley, Waterco Plumbing - Shane and Sherida Armstrong, Etelec electrical - Mathew Etsel, Horsley Park Gun Shop - Tony Abela, thanks, your ongoing backing for our wonderful sport is fantastic thank you for your assistance.

Graham Gosling, Secretary

Russell Sainsbury & Tom Turner

Rotarians have a shot at Wangaratta

The Wangaratta Clay Target Club once again provided its grounds and expertise from club members by hosting another worthy community group on Thursday 17 March. Rotary District 9790 conference members visited the club for some shooting tuition and practice, which was organised several months ago by past president of the clay target club, Mr Rob Steel.

Several of the visitors had not handled a firearm before and were under direct supervision of local club members. Nearly everyone present had a try at this terrific activity, both at skeet and down the line disciplines. The comments received from the Rotarians were very positive and everyone had a great time.

Before shooting commenced Rob Steel gave a very informative talk on many aspects of both shotgun and rifle shooting. Rob discussed safety issues, technique, gun terminology, club history and gave a display of reloading cartridges. The Rotarians all showed a keen interest in the theory side of

Rear: Ian Davies, Middle L-R: Julie & Richard Gozdzik, Max Gribben, Gill Aussems, Barbara Gilbert & Sandy Flint, Kneeling Rob. Steel & Gerry Smith

target shooting and firearm basics before they stepped out to have a try.

The Wangaratta club has provided its venue for many worthy clubs and organisations

in our community and is very proud of the high levels of instruction that it has provided through its voluntary membership base.

2011 YARRA VALLEY DTL CHAMPIONSHIPS

Melbourne Gun Club grounds surrounded by flood waters 2 weeks prior to event

Left: A squad of shooters compete

AA grade Chris Brown, Matthew Cocks, Rob Williams, Simon Gloster, Paul Mitchell, Paul Drennan, Phil Grainger, Rob Anderson 60/60. A grade Craig Patterson, Mick Rocca, Darryl Johnston 60/60. B grade Brad Rodger 59/60. C Grade Glen Farmer 58/60.

The next event was a 30 Target Single Barrel which produced 9 possibles. After 26 targets in the shoot off we were down

to just two, with Bill Iles and Cheryl Arnol both shooting beautifully. On the 60th target Cheryl stumbled leaving Bill the victor. A great effort by both shooters.

OA Bill Iles 60/60, AA grade Phil Headon 55/56, AA grade 2nd Wayne Parks 51/52, A grade Cheryl Arnol 59/60, A grade 2nd Paul Haslam 33/34, B grade Bruce Bird 29/30, B grade 2nd Jeff Fraser 31/33, C grade Glen Farmer 34/37, C grade 2nd Inge Esplin 33/37, Junior Jack Wallace 27/30, Ladies Cheryl Arnol 30/30.

The last event for the Saturday was a 30 Target Double Barrel with \$1000 cash up for grabs. 7 squads of possibles lined up on the tracks for the overall prize and with the quality of shooters out there it looked as if it could go for a while. Dark clouds rolled in over the grounds making target visibility harder and caught a lot of shooters off guard with the wrong coloured lenses. At 134 targets it was all done and dusted with Mark Crevatin the victor over Phil Grainger.

OA Mark Crevatin 134/134, AA grade Phil Grainger 133/134, AA grade 2nd Simon Gloster 120/121, A grade Tony Plum 79/80, A grade 2nd Don Rhodes 63/64, B grade Sharon Lennane 42/43, B grade 2nd Brad Rodger 41/42, C grade Glen Farmer 29/30, C grade 2 Nathan Zechner 32/35, Junior Jack Wallace 31/32, Ladies Emma Cox 83/84.

Everyone then returned to the club house for a feed of steaks supplied by Charlie Battisti, and some lovely pork done by Frank Santoro, a big thank you to both of you and to all the work done by the ladies

Melbourne Gun Club once again held their Yarra Valley DTL Championships over the weekend of February 26th and 27th.

A lot of pre-planning had gone on to ensure a great shoot this year. Darren White worked hard at gathering sponsors for the weekend's events and a good array of prizes had been sorted.

The one thing we could not control in the lead up was the weather!! Record rainfalls in early February in the area saw the club almost flooded out, water lapped the tops of our levee banks (see photo) and most of the car park turned to swamp. A massive effort on the Saturday night of the State Skeet Titles (2 weeks prior) saw all of our DTL & Trench traps & microphones pulled out and lifted to "higher ground", just in case.

To have all 7 layouts back in and working required some late nights by a small handful of our members and for this we are very thankful. Only a few minor hiccups were experienced on the Saturday which were to be expected after what we had been through but otherwise all ran smoothly with both days shooting finishing early.

Saturday dawned a pleasant day with brilliant sunshine and not a breath of wind. 115 shooters including 6 juniors and 14 ladies entered the day's events, which was on par with last year. The first event to kick the program off was a 20 Target Points Score Cash Divide, with the following shooters taking the spoils.

Winner of the main event Craig Fitzgerald with Steve "Hollywood" Sayers from Beretta

Major winners for the weekend L-R Frank Santoro (Ch/Ch), Craig Fitzgerald (Mixed Meterage), Bill Iles (SB), Mark Crevatin (DB & OA HG), Emma Cox (Lad HG) & Jack Wallace (Junior HG)

who helped out. The bar was open and everyone enjoyed a refreshing ale or 2 and a nice sociable night.

Saturday night it began to rain (again) and that continued on into Sunday morning. But right on cue as the first squads of the 45 Target Champion of Champions were called out the skies cleared leaving good conditions for shooting.

No possibles were recorded but a squad of shooters were 1 point down. After a run thru of 5 targets each of DB, SB & Points we had a victor in Melbourne Gun Club member Frank Santoro (must have been all that good pork). Frank took home 750 shotshells for his efforts.

OA Frank Santoro 99/100, AA grade Paul Mitchell 97/100, AA grade 2nd Craig Fitzgerald 121/125, A grade Matt Dunkley 97/100, A grade 2nd David Luelf 96/100, B grade Rick Wallace 70/75, B grade 2nd Brad Rodger 68/75, C grade Travis Jackson 68/75, C Grade 2nd Sam Hopgood 64/75, Junior Jack Wallace 70/75, Ladies Emma Cox 72/75.

Going into the last event of the day which was the main event of the program there was a bottle neck at the top for the High Gun

in which any one of 7 shooters was in with a chance, none more so than young Emma Cox who was taking it right up to the big boys.

Event 5 was a 50 Target Mixed Meterage event sponsored by Beretta Australia. Overall prize a Beretta Silver Pigeon Trap Gun and each grade Beretta merchandise. A big thank you to Beretta for their sponsorship.

After the 50 targets there was only 4 possibles. Darren Shepperd from 15 metres, Roger Esplin, Steve Atkins and Craig Fitzgerald off 21 metres. After 3 targets we were down to the duo from Echuca in Steve Atkins and Craig Fitzgerald. A further 13 more targets saw Craig come out on top and claim the Silver Pigeon Trap Gun.

OA Craig Fitzgerald 66/66, AA grade Steve Atkins 65/66, AA grade 2nd Roger Esplin 52/53, A grade Paul Haslam 54/55, A grade 2nd Steve Zielger 53/55, B grade Glen Coolahan 49/50, B grade 2nd Bruce Bird 48/50, C grade Darren Shepperd 50/51, C grade 2nd

Sam Hopgood 56/57, Junior Jack Wallace 46/50, Lady Cheryl Arnol 48/50.

With that there was a total of 4 shooters all tied for the Overall High Gun. After a lengthy shoot off that involved shooting 2 targets from the middle lane of the weekends programmed events Mark Crevatin took the \$300 cash.

HIGH GUNS: OA Mark Crevatin 285/290, AA grade Simon Gloster 283/290, A grade Paul Haslam 233/245, B grade Bruce Bird 224/245, C grade Glen Farmer 223/245, Junior Jack Wallace 226/245. Congratulations to Jack for taking a clean sweep of all junior events, Ladies Emma Cox 234/245.

This ended a very successful 2 day shooting carnival which saw some great scores recorded. A big thank you to all of our wonderful sponsors for the 2 days. Beretta Australia, Marlen Group (Darryl Johnston & Mark Cannon), Bark King, Paramount Project (Craig Patterson), Sheridan Morley, Jim Hutchinson, Peter & Kathleen Wilkins,

John Mollica, Tindar Constructions (Darren & Tina White), Australian Traffic Control, Yarra Valley Toyota, Lilydale Meats, Corsivia-GB, Shot Property (Mal Jones), KCS Communications, Laser Electrical, Michart Plumbing and Yarra Valley Motel. Without our sponsors a shoot like this would not be possible so please think of our sponsors the next time you make a purchase.

The club would also like to thank everyone who helped in any way to make this shoot the success that it was whether it be refereeing, scoring or helping to set up the grounds, traps and bbq etc.

We plan to hold this event next year so pencil in February 25th and 26th it is one shoot you do not want to miss.

TOOWOOMBA CLAY TARGET CLUB

Annual Skeet Carnival

Thirty eight shooters from clubs around Queensland attended at the Toowoomba Clay Target Club on the weekend of the 26 & 27th of February 2011 to contest the four events on the program.

Perfect weather conditions were a delight although it warmed up a bit in the afternoons.

The first event of the day was the 50 target handicap sponsored by Laurie Sceresini and dedicated to his father Aldo Sceresini. The overall winner for this event after a lengthy shoot off was Aaron Knowles from the Gold Coast club

Aaron Knowles

with a score of 84/90. Second went to Thomas Rhue from Caboolture club with a score of 82/90 and third place to Tracey Ashton from the Gold Coast with a score of 74/79.

Event two was advertised as a 100 target event with fifty to be shot on Saturday and the second fifty on Sunday, however, this was changed to two fifty target events with a sash

Ashley Mason & President Max Barton

for the overall high score over the one hundred targets. Overall for the fifty targets was Dave Dundon 54/54. AA 1st Laurie Sceresini with 60/62, 2nd Matthew Rhue 59/62.

David Dundon

A 1st Ashley Mason 49/50 and 2nd was Pat Dury from the Townsville club with a 50/52. B grade was won by Toni Campbell who has been absent from the shooting scene

for a few years, obviously hasn't forgotten anything as she shot a beautiful 50/50. Second went to Aaron Knowles with 49/50. And C grade had the usual matchup between Keith Simpson, a trap shooter, and Betty Fawcett with Keith being the victor with 46/52 and Betty one point behind with 45/52. The high score for the one hundred targets was won by Dave Dundon with a great score of 99/100.

Sunday morning was welcomed with clear skies and pleasant temperatures.

Event 3 was another 50 target graded skeet and this time the overall was won by Craig O'Neill

Mark Fanning

from the Brisbane club with the only 50/50. AA 1st Mark Fanning from Brisbane with 55/56 and second to Dave Dundon with 76/78. Debbie Young showed up the men by winning first in A grade with 51/52, a really long shoot off. Second went to Max Barton with 50/52. B grade went to Paul Bozier from the Bundaberg club with 49/50 and second to Aaron Knowles with 48/50. C grade was won by Darroll Kowald with a 44/50 and second to Col Gray with 43/50. Overall high gun for the one hundred targets was won by Dave Dundon with 99/100.

The last event on the program was the fifty targets skeet doubles which always sorts the men from the boys. Overall was won by Paul Adams 61/62. We all look forward to watching Paul's progress in the ISSF program and you can rest assured that one day in the near future he will be representing

Laurie Sceresini

Albert Shield team L-R Toni Campbell, Ashley Mason, Max Barton, Len Edwards, Viv Nolan & Laurie Sceresini

Paul Adams

Paul Moloney

Australia at overseas competitions. AA grade was won by Laurie Sceresini with 60/62 and second went to Mike Swale from the Gold Coast 52/54. Ashley Mason

Mike Swale & Max Barton

took out the A grade competition with 60/64 and Len Edwards was second with 59/64 after letting each other back in to the competition by missing the same targets in the shoot off. B grade was won by Paul Moloney with 48/54 and second went to Toni Campbell with 46/54. C grade was won

Len Edwards

Toni Campbell

by junior shooter Adam Bozier from Bundaberg club with 43/50 and second to Betty Fawcett with 42/50.

Overall High Gun for the weekend competition was won by club member and sponsor Laurie Sceresini with a well shot 196/200, an indication of the weather we experienced over the weekend.

The Albert Shield was also contested again this weekend between the Toowoomba and the Gold Coast clubs and Toowoomba was victorious beating the losers by 7 points. This will be contested again in April at the Gold Coast club with hopefully a few B and C graders in the team.

A big thank you to Laurie for his sponsorship. Also to those who helped with the kitchen and for the donation of food for the two days. Shoot marshal Ashley Mason was on the go the whole weekend. Thank you to Betty in the office, a big job for one person to handle as well as shoot the program.

The competition and presentation was completed by 3pm which gave everyone a chance to get home at a reasonable time. We look forward to seeing you all again next year.

The Squire reports from West Wyalong

The weather was ideal and club members had done a good job in setting up enjoyable and challenging ranges for the 100 Target 5 Stand shoot at the West Wyalong Clay Target Club on the last Sunday in February.

It was very pleasing to see shooters arrive from Wagga, Parkes, Forbes and Beckom for the shoot.

Considering the wide variety of targets the scores coming into the club house were very good and it looked like being a tussle between Wagga shooter, Vic Bowman and the Beckom hotelier, Mick Munro for the outright honours.

After 50 targets competitors were ready for a break and the ever efficient Narelle Ambrose soon had the barbecue going and sizzling steaks were being served to hungry shooters.

During the lunch break local shooters discussed the \$12,000 grant recently received from the Department of Sport and Recreation to further upgrade the down the line and skeet traps.

This amount brings to a total in excess of \$20,000 received by the club in grant money over the last two years.

The final two rounds of 5 Stand held after lunch saw Laurie Redfern with a score of 75/100 take out AA Grade from Brett Hooper 74/100. Vic Bowman maintained his form throughout the day easily winning A Grade 82/100 from Graham Duncan and Allan Schirmer who both shot 73/100. The winner in B Grade was Steve Tipping 71/100 ahead of the evergreen Charlie Strike 65/100. A score of 54/100 was enough to see Tony Bratton win C Grade from Kelvin Maxwell.

President, Kelvin Maxwell, ably assisted by Graham Duncan presented the prizes. Prizes included Winchester merchandise especially sent over from America by Andrew Redfern to his dad, Laurie to be presented to first in each grade.

Duncan Chainsaws and Mowers also contributed by supplying boxes of cartridges to second in each grade and to the High Gun.

The newest club member and excellent Field and Game shooter, Mick Munroe from Beckom was the High Gun winner with a fine score of 85/100. The Annual and General Meetings were held recently with major office bearers being: President; Kelvin Maxwell, Vice President; Dozer Collins; Secretary; Wayne Ambrose and Treasurer; Chris Patterson.

During the wet conditions the underground trap houses were plagued by water problems. Members moved a vote of thanks to John Wason and Wayne Ambrose who have donated automatic pumps which should solve the problem.

Camping at the National Ground

All bookings for camping at the National Grounds must be made through the National Office:

In person, Phone 02 6938 2121, Fax 02 6931 0125,
Email info@claytarget.com.au

Bookings for events will be taken from the first day of the corresponding event in the previous year, for example 2012 bookings will be taken in 2011.

Payment for all bookings must be paid in full at the time of booking.

An administration fee of \$10.00 will be payable for any cancellations.

Letter to the Editor

18 February 2011

We write this letter partly in response to the *National President's Notes* in the February 2011 *Clay Target Shooting News* and partly out of concern for our sport and the Australian Clay Target Association.

In his notes the President continually uses acronyms (eg CTSF, ICTSF, NSSA) in fact they were used 17 times – some of them we recognised, some of them we did not.

Surely if you wish to write to the heartland then you must communicate in language we understand and is of interest to us!

The President was concerned that there were no photos of the Commonwealth team members in our journal. We know they are great sportspersons. We do not want to see Michael Diamond's photo in our journal again, it is far more important to see it on the back pages of our national newspapers promoting our sport. You are preaching to the converted!

We believe that we are let down by our Association in not actively promoting our sport to the 20.5 million Australians who are not shooters.

We return to the heartland –and it is here that we believe our Association exists for all members and clubs across Australia.

We hear people, other than ourselves questioning the value for money from our membership. What are we /is our club getting as a benefit? We feel neglected.

At club level it appears to be very little, not even promotion at a national level.

People in the heartland are losing interest and deserting to other disciplines which, in general, appear to have lower membership fees and event nomination costs.

Whilst clubs need to promote themselves at a local level, support from the higher echelons needs to be targeted to produce a positive image which clubs can also elevate in their own locality.

There have also been recent very pointed articles in the journal concerning non member visitors to clubs which we presume is a not so veiled reference to Field and Game type Associations and the Sporting Shooters Association of Australia members.

In small clubs these visitors can mean the difference between having a shoot and not having a shoot, they are potentially new members and a source of funding. Driving them away does not endear them to our sport.

The old chestnut of insurance was mentioned but surely members belonging to the associations are adequately insured. In my opinion it should be the individual club's discretion to admit these shooters to a club competition.

Yours sincerely

**Allan Schirmer Member No: 28678
Graham Duncan Member No 2008**

I thank you Mr. Schirmer and Mr. Duncan for your letter and apologise if I have confused you. By my count I used 21 abbreviations in February column with 4 of these being ACTA thrice and CTSN once. That leaves ICTSF (International Clay Target Shooting Federation) 9 times, NSSA (National Skeet Shooting Association) once, AISL (Australian International Shooting Limited) thrice and ISSF (International Shooting Sports Federation) 4 times.

The ICTSF is the recently formed (app 3 yrs) body that controls the World Down the Line Championship, The World Skeet Championship and The World Sporting Clays Championship, all now shot under English Rules

The NSSA is the American body controlling American Skeet.

The AISL is the Australian company tasked and funded by the government to

oversee our International teams, training and selection in the ISSF disciplines as shot at Commonwealth and Olympic Games. AISL replaced the old Australian Shooting Association.

The ISSF is the international controlling body of all Olympic shooting sports.

I hope this clarifies this as you can see how much room even a simple explanation takes up in the CTSN when I am sure simply asking around, a call to the office or searching the abbreviations on google could have provided the answers.

Now to the balance of your letter. How can you expect a national newspaper to carry a photograph of our commonwealth games medal winners when you do not wish to see them in your own magazine. Newspapers are there to make money so I hope they never see your letter as why would they ever print another shooting related story if there is this little interest even amongst the "converted" Don't forget there are new members who join annually who have never seen our medal winners, or the recognition rightly offered to those that excel in our sport. AISL and ACTA both provide Press releases regularly to a large number of Newspaper conglomerates, and television and radio channels but we have no control over what they choose to use.

Exposure of our sport in any media, whilst certainly limited is almost always positive, and that is why we expose our high profile shooters at every opportunity, both within our Association and externally.

Regarding the comment "People in the heartland are losing interest and deserting to other disciplines" I've lived most of my life in Western Queensland. I come from a club formed in 1914, 500 kms from the coast where all shooters are members of the ACTA, we shoot ACTA rules, and we all have a good time. I think this qualifies as being from the "heartland" After 3 visits to our club you are expected to join. This is how our club is the fastest growing in Queensland at the moment, not by allowing them all the benefits for free, and them never joining. Perhaps you need to look at your local circumstances, and how much effort is being put into keeping your members and growing your club or are you still doing what you were doing 20 years ago? This is a time of change and we must change with it. More flexibility with shooting times and dates, ability to shoot practice, offering other disciplines etc. there are many things you can try.

I make no apologies for the Association stance about unregistered shooters competing on our grounds, which incidentally is the same position held by the other two National Associations you mentioned. Please don't assume that I was making a "veiled reference" to any other association members. I meant unregistered shooters, as I said, and if you knew me you would know I am not one for making "veiled references" anyhow.

I think your last paragraph sums it up. Anyone who believes insurance issues are an "old chestnut" lives in a bygone era. The ACTA covers your Club office bearers, your Zone office bearers, and your State office bearers, for Officers and Directors Indemnity, your Club, State and Zone for public liability and covers your clubs members for Accident and Death and Permanent Disability from when they leave home to shoot until when they return home. This includes Loss of Income insurance. There have been claims paid on all of these member policies. Having non-members competing outside of the rules is fine until something goes wrong, and it does, so are you prepared to wear the consequences personally yourselves? It won't be that we won't help you, it will be that our insurer does not have to because you operate outside the rules.

There must be a lot of fools in Australia if your "old chestnut" theory is correct as the Public Liability and Officers Indemnity insurance business in Australia is worth Billions, and why do you suffer an Executive spending over \$75,000 annually on insurance if you really believe it an "old chesnut" Your cover is dependent on and relies upon you following ACTA rules. It is there for your protection. Please do not jeopardise it.

The ACTA is your voice with Legislators and Sponsors alike and does just a little behind the scenes you may not be aware of. The ACTA produces and mails this magazine so you can have your input, and 13000 members can make their own judgment on your letter and my reply. I must remind you that the ACTA executive members are all volunteers. What do you get for a hundred dollars anywhere these days?

I look forward to meeting you both at the Trap Nationals in April.

Regards, Robert Nugent

A U S T R A L I A N CLAY TARGET SHOOTING NEWS

DIGITAL ARCHIVING

Over the past months you would have read, in our President's Notes or heard about the archival digitisation of the Clay Target Shooting News (CTSN).

In this report I will try to briefly explain how this digitisation is achieved, how we are progressing, what it will mean to our members and historians, how you will be able to access the data and importantly how as members you may be able to help us locate the missing issues that will complete our records.

After the decision was made by the ACTA Executive to have the CTSN archived, funds were allocated and quotations sought. The company chosen to undertake this project was Midland Typesetters, one of the leaders in book production in Australia and a company that specialises in this area. At this point I was given the task of managing the project and duly set about compiling a list of the available CTSN issues.

It was first necessary to establish the total number of pages that needed scanning. We knew the money allocated would only go so far and we needed a cut-off date to work to. The ACTA was always aware that further allocations would be needed to complete the archiving. With the help of Maureen at the ACTA office and Glenn Woodhatch, (past President of the ACTA) we counted, or in some cases estimated just how many pages we were dealing with and established that the archiving could be completed, at least up to the end of 1985.

I had fortunately saved, with the exception of a few misplaced copies all of the CTSN issues since I started shooting in 1975 and to get the job underway sent the years 1976 to 1985 to Midland Typesetters.

The process of digital archiving firstly involves the scanning of all pages into a Portable Document Format (PDF), a task usually done quickly through the document feeder on the scanner. However in the case of the CTSN issues, which needed to be kept intact, this process becomes a quite lengthy, one page at a time exercise.

After the initial scanning, the pages are then transferred to a PC

running Xerox proprietary software, which straightens and cleans up the scans and converts the PDF through an OCR (Optical Character Recognition) application into a readable and searchable document. The single page PDF files are then transferred to a Mackintosh computer where using Acrobat Pro and Enforce Pitstop programs the pages are individually opened and checked for quality integrity and re-collated into issues and years.

Marcus Stringer from Midland Typesetters
operating the Xerox ApcosPort C55401
4 colour digital duplex scanner

Prior to December 1969, CTSN was published in an A5 format and as a consequence the presentation of these issues will be 2 pages on view. This effectively cuts our costs in half for these years. The first batch of Newsletters are now almost finished and I am about to deliver the second batch to Midlands.

Early in February I was contacted by Moira Henwood, (Craig's Mum) who had heard about the archiving and who had in her possession many old CTSN issues. It turned out to be a wonderful offer and after further investigation Moira discovered that all issues from 1960 up to 1975 inclusive were to hand. These copies will constitute the 2nd batch to be processed.

The ACTA first started to produce a newsletter in October 1947 but at that time it was titled "Australian Clay Pigeon Shooting News". The name changed to the "Australian Clay Target Shooting News" in January 1958. We have been contacted by many people already offering copies for scanning including Frank James from Kerang who recently supplied me with the May 1956 and April 1958 issues, both of which were missing from our files.

The following is a list of issues that are still missing and the Association would be most grateful for any assistance from members in locating these errant copies. Any copies we receive for scanning will be recorded and dutefully returned to their owner.

MISSING CTSN COPIES:

- 1947: Oct, Nov, Dec
- 1948: Jan/Feb, Mar, Apr, May, June, July, Aug, Sept, Oct, Nov, Dec
- 1949: Jan/Feb, Mar, Apr, May, June, July, Aug, Sept, Oct, Nov, Dec
- 1950: Jan/Feb, Mar, Apr, May, June, July, Aug, Sept
- 1951: Dec
- 1952: Jan/Feb, Mar, Apr, Oct, Nov, Dec
- 1954: Jan/Feb
- 1955: Jan/Feb, Mar
- 1956: Jan/Feb, Sep
- 1958: Jan/Feb, Nov
- 1959: Jan/Feb

Hopefully we can locate these CPSN & CTSN Issues and complete our archives. If you can help please contact Maureen at the ACTA office on (02) 6938 2121.

All issues from 1986 to 2005 are to hand and the ACTA has indicated the availability of more funds being available in the future to complete the archiving task. From May 2005 the CTSN files are already fully digitised and held by Ironbark Graphics ready to be made into a searchable PDF file at no extra charge to the Association.

When complete the digital archives will most likely be stored by a third party server provider and files will be accessible through an ACTA website link. All members will be able to access the total history of the ACTA through the pages of the CTSN. The files will be fully searchable and members will be able to type in a search request to access the relevant information.

Over the next months I will endeavour to keep you up to date with our progress and let you know when the first files are accessible.

Jim Shepherd

RICHMOND RIVER GUN CLUB NEWS

SPORTING CLAYS

The fifth Sunday in January saw the return of sporting clays to Richmond River Gun Club's Lismore facility with the much appreciated prizes of fresh prawns again being donated by Ballina Fishermens Co-Op.

Sporting clays only happens at Richmond River three or four times a year (5th Sundays) so our members, who are predominantly trap shooters, did not see the usual numbers beside their names on the board. Twenty one shooters faced up to an interesting array of targets set up by Terry Preston and his small band of helpers. A portable trap loaned by John Lucas of Iluka allowed an "incomer" to be included which really balanced the field.

*Frank Scibilia
Sporting Clays winner*

Frank Scibilia with rounds of 20, 24 and 18 for a total of 62/75 was overall winner from John Lucas (61/75).

Handicaps were assessed after the first two rounds and then applied over the 75 targets resulting in Steve Marcon, John Lucas, Mike Sullivan, Roy Warren and Ron Field all having prawns for dinner that evening as did Danny Borello who was given the sponsor's encouragement award and Ben Pitman the junior prize.

The next sporting clays day will be on the 5th Sunday in May 29th.

NIGHT TRAP

Friday night, 11th February, was a warm calm night although there had been plenty of rain over the days leading up to the event. Eighteen shooters took part in a programme shot from 16 metres consisting of 25 DB targets shot in daylight, and then 25DB, 25PS under lights. After the application of the "Richmond River Handicap" system where points are added to the off-gun score according to grade, Matt Williamson who shot very consistently all evening was declared the winner from Kim Nealon with President Mike Sullivan 3rd.

*Matt Williamson
Night shoot winner*

Night shoots are not held at Richmond River during the winter months so the last one for the current season will be held on 8th April, resuming in September.

SKEET

Justin Hayden again showed his class on the skeet field with scores of 22, 24, 25 = 71/75 defeating thirteen other shooters at the monthly Skeet comp held on 19th February. Ian Taylor was 2nd.

Skeet comps are usually held on the third Saturday of each month but in May will be brought forward to the second Saturday (14th) because of

Sponsors Geoff and Sue Pringle

the two day trap shoot being scheduled for Saturday 21st and Sunday 22nd.

MONTHLY DOWN THE LINE SHOOT

Life member and Club stalwart Geoff Pringle and his lovely wife Sue, sponsored the monthly trap shoot held on the 4th Sunday in February with almost perfect conditions. Despite being a

little warm, it was a bright sunny day with little or no wind and plenty of red numbers on the board.

The second round of the Jan Harding Memorial Trophy 5 complimentary targets scored on a point score basis progressively over five months preceded the days competition with 11 scores of 15/15 being recorded.

A twenty five target double barrel graded cash divide followed immediately with possibles (25/25) being shot by Phil Westbury, Mark Formaggin, Greg Mengel and Wayde Hawkins in AA Grade, Geoff Pringle and Roy Warren in B Grade and Jenny Wilson in C Grade. A grade was shared between three with Jeff Lowndes, Terry Preston and Harold Batson all scoring 24/25. Phil Consalvo and David Bodley shared the minors in C grade each with 23/25.

Four shooters only shot 25/25 in the double barrel stage of the 80 target mixed medly which was the event of the day. In the second stage, 25 target points, Ian McDonald (AA) Jeff Lowndes (A) together with Peter McKenzie and Jamie Beddoes in B Grade all shot the perfect score of 75/75.

Moans and groans were heard all over the range after the 15 pair of double rise final stage when inexperience at this discipline saw the hopes of many hopefuls, within striking distance of the prizes after the first two rounds, dashed.

When all the scores were tallied, Ian McDonald (124/130) was the winner of AA Grade from Wayde Hawkins (123/130); Jeff Lowndes (118/130) won A Grade from Terry Preston.

Jamie Beddoes followed his 75/75 in the points with a 20/30 in the Double Rise to take B grade with 116/130. Secretary Geoff Jacobsen (131/160) defeated President Mike Sullivan (128/160) for the first time in a shoot off for the minors.

Visitor Rodney Gardiner from Yamba Club, on his first visit to this club won C Grade with 99/130 from David Bodley (97/130) and Jenny Wilson (95/130).

Wayde Hawkins and Ian McDonald chose to share the High Gun with Jamie Beddoes taking Intermediate High Gun.

The club's April trap shoot will be held on 24th April despite it being Easter Sunday. Since a number of our members will be attending Taree-Wingham's Flying Fox Carnival and the Northern Zone shoot held in conjunction, a more relaxed programme including 15 or 20 pair of Deauville Doubles (draw partners) will be staged.

See our ad in this issue concerning our Annual Two Day Trap Carnival to be held in May or check out www.northernriversgunclubs.com for more information.

Ian McDonald AA Winner

King of the Mountain

BATHURST GUN CLUB

BATHURST GUN CLUB held its Annual 2 Day King of the Mountain Shoot on 12th and 13th February 2011.

A record number of shooters from all around the state nominated on Saturday morning for a keenly contested event.

Through the day the weather was not as kind as it could be with some squads having to deal with a few sharp rain showers. Somehow the good scores continued to be shot.

Event one was the Eric Troy Memorial Trophy 75 Target Champion of Champions. Two shooters John Finn and Mat Schiller managed 124/125 with the shoot off going to the man from Cowra John Finn lasting 24/25, Mat Schiller 23/25. A Grade to Bob Duncan 123/125, B Grade Arthur Bartollo 121/125 plus 48/50 to beat Terry Alho 120/125 plus 42/50,

C Grade to George Americanos 116/125 from James Yu 114/125, Ladies Helen Overton 122/125, Junior Darcy Chetcuti 1201/25, Vets Jeff Nash 120/125.

Double Barrel Championship

O/A Tim Wunderlich 50/50 plus 56/56 to edge out Darcy Chetcuti 50/50 plus 55/56. A grade to Bob Duncan, B Grade to Terry Alho 49/50, C Grade to James Yu 47/50, Ladies Helen Overton 49/50, Junior Mat Schiller, Vets John Newton.

Day two dawned overcast and stayed that way all day, until late when the wind decided to blow. First event 50 target P/S Championship O/A went to the very consistent Tony Arvanitakis with 150/150 plus 90/90 from Theo Lionatis 150/150 plus 89/90. Some seriously good shooting there. A Grade Peter Hayman 149/150, B Grade to Duncan Robinson 145/150, C Grade to Chris Gittany 138/150, Ladies Trina Watchorn 147/150, Junior Jason Owen 147/159, Vets Bob Duncan 148/150 plus 161/162.

Event 4 25 Target Handicap saw many hopeful shooters face the traps but were put firmly in their place by two very experience shooters in John Newton 25/25 plus 18/18 from Wal Rae 25/25 plus 17/18.

Event 5 was the 30 target Continental C/Ship with the weather turning not so kind. O/A eventually to Dennis Smith 30/30 plus 49/49 from Bob Duncan 30/30 plus 48/49. AA Grade to Mat Schiller 30/30 plus 36/37, B Grade to Bob Alston 30/30 plus 2/3, C Grade to Sam Laspina 27/30, Ladies Helen Overton, Junior Darcy Chetcuti 30/30 plus 22/23, Vets Ray Jenkins 29/30.

The challenge Shield which is a competition between the home club Bathurst and NSW Gun Club was a decisive victory to the NSW Club. Well done NSW but don't get too cocky as there is always next time.

Overall High Gun for the weekend was Tony Arvanitakis with a very commendable 377/380, Ladies High Gun to Helen Overton 366/380, Junior Mat Schiller 373/380, Vets Jeff Nash 366/380.

While the shooting out front was of a very high standard so was the effort of the ladies in the canteen as well as our band of hard working members that put in a big effort to keep the weekend running smoothly. A big thanks to all those people.

Thanks also to our sponsors Gun Smoke Bathurst, Keppel Street Newsagency, Browyn Aberley from Georgousness and Citigate Mount Panorama Resort and members who contributed to the events.

Because of time constraint on Sunday afternoon the final event was reduced by 20 targets, the Club has decided to make a donation through the NSW Clay Target Associations Fund for flood affected Clubs in Queensland.

Bathurst Gun Club hope to see everyone again next year for another challenge on the Mountain.

President Brian Doyle was very proud and honored when the Hay Gun Club was named Organisation of the Year at the Hay Shire Council 2010 Australia Day awards ceremonies.

The Hay Gun Club has been operating since the 1800's early 1900's and is one of Hay's most oldest and prestigious organisation. The club was nominated for the restoration of the Easter 2 Day shoot Carnival instigated by President Brian Doyle.

Up to the early 1970's the Club held an Easter Shoot Carnival competitors came from all states to shoot for a new car one of those lucky winners was George Christie who now resides in Hay and is now the local taxi driver. That year he won the Volkswagen car.

After a 30 year break it was Brian Doyle who suggested we hold a 2 Day Shoot Carnival once again, to be held in April 2010. Plans were put into action, working bees held, meetings every week, and sponsorships sourced. After many months of hard work all volunteering their time and labour The Hay Gun Club was ready.

The Shoot was an enormous success and 130 registered shooters came from SA, QLD, VIC, NSW, TAS and the ACT attended. Shooting for over \$15,000 in prizes and cash.

The Event attracted Olympic, International, National, and State level of competitors and also our local members.

Such a major event held in Hay, the shoot injected over \$100,000 into the local economy in accommodation, meals and fuel. Many tourist attractions were utilised by the competitors and families

In 2010 the Club has successfully achieved the following:

Senior memberships have increased memberships by 50% and Junior memberships have increased by 85%;

Introduction of monthly coaching clinics for Junior members and new members;

Grounds re-fenced and trees planted

2010 the Club has successfully competed at:

International level Samoan Games Junior
Selected/represented Australia in the New Zealand Games
Two club members selected/represented Australia Macintosh representative team
National level events
State level events NSW and VIC
Zone level events NSW
Regional and local events
Teams events International, National and State
Teams events NSW and VIC
Sportsperson of the Year HAY 2010 Rob Anderson
Attended NSW ATCA Junior Coaching Clinics
Attended NSW ACTA Junior Zone Coaching Clinics
Juniors successfully represented Yanco Ag High School DTL clay target and rifle shooting Clinics and events.

2011 NATIONAL SKEET CHAMPIONSHIPS OFFICIAL PROGRAM

WAGGA WAGGA, NEW SOUTH WALES 16th to 21st May, 2011

To be staged on the ACTA National Ground, Tasman Road, Wagga Wagga, New South Wales by the Australian Clay Target Association.

Jury Rule 8.16(a) & (b)

CONDITIONS OF COMPETITION

Entry

Entry into the 2011 Australian Skeet Championships is open to all shooters who are registered for 2011 with the Australian Clay Target Association. Temporary honorary membership will be offered to overseas visitors who can produce evidence that he or she is a current financial member of their home country's equivalent body to the Australian Clay Target Association. Australian competitors must produce their 2011 registered shooter record book before nominating.

Divisions

The competition will be divided into separate divisions for, Womens, Juniors, Sub Juniors and Veterans, excepting the National Skeet Handicap where places shall be awarded from 1 to 10.

Any eligible competitor paying nominations is entitled to receive awards in the Womens, Juniors, Sub Junior or Veterans section only. A minimum of three persons must compete in any grade or section before trophies are awarded.

When Australia/New Zealand Skeet Postal team selection is involved, shooters who are eligible for the Open team selection as well as section teams shall chose in which team they may be selected. They cannot compete in both Open and Section teams. To be eligible for selection or naming in any team, competitors must have competed in a clear majority of programmed events.

Age Qualifications

Veterans - are those competitors who, on May 16, 2011 will be over the age of 65 years.

Juniors - are those competitors who, on May 16, 2011 will be under the age of 18 years.

Sub Juniors - are those who, on May 17, 2011 will be under the age of 15 years.

Starting Time

Each day's event shall commence at 8.30am.

Shooters who fail to appear in time for their squad may forfeit their nomination and will be re-squadded towards the end of the event. Should a shooter being late for his squad then elect to withdraw from the event, he will not be eligible for any refund of nominations paid.

Cartridges

For all events, excluding the National 20 gauge Championship, load size is limited to 28gr struck measure shot size not larger than No.7. For the National 20 gauge Championship load size is limited to 24gr struck measure shot size not larger than No.7.

Cartridges of the competitor's choice, including re-loads, may be used in all National Championships. Cartridges will be available for purchase at the National Championships. Random checks may be carried out.

Target and Traps

Targets through the program are to be as determined by the Management Committee. All targets thrown remain the property of the organisers. All throwing equipment will be electronically operated.

Classification

It is the responsibility of the competitor to see that their entry is correctly classified - and indication can be obtained from the daily scoreboard. This applies to skeet grades, Womens, Juniors, Sub Juniors and Veterans divisions.

Contestants are reminded that re-grading and re-handicapping will be carried out on a daily basis, where required by the rules.

Major Sponsors

The Association gratefully acknowledges the sponsorship received from sponsors.

Practice

Practice, subject to trap availability, will be available throughout the championships. Tokens may be purchased at the event office.

Shoot-offs, Continuation of Events

If, for any reason, the event cannot be completed on the day it commences, the management reserves the right to stop shooting at any time, if considered necessary. In such a case, the competition will recommence where it left off on the following day.

Nominations - All Events

Pre Nominations Close Friday 15th April 2011

Nominations accepted prior to 10.00 AM on day at an additional \$25 per event

One visit only to winnow only for Championships

All championship nominations include a contribution to the discipline fund.

Note: Reduced Nominations shall apply to Juniors and Sub Juniors. Reduced Nominations shall also apply to partners, they being wives or husbands, whose nomination must be lodged at the same time as the member paying full nomination fees.

Additional Team Events

In addition to the Championships the following team events will be conducted in conjunction:

- Five Man Club Team
 - Team members must be registered through the club for which they are competing.
 - The competition is open to teams of five shooters, registered through the same club.
 - The nomination is \$25 per team.

Trophies: Each member of the winning team receives a memento ACTA medal. The winning team will be presented with the FITASC Perpetual Trophy. \$25 from each team entry will go into a prize pool for the winning team.

- Two Man Team
 - The competition is open to teams of two male shooters.
 - The nomination is \$20 per team.

Trophies: Both members of the winning team receive a memento ACTA medal. The winning team will be presented with the Adrian Cousens Perpetual Trophy. \$20 from each team entry will go into a prize pool for the winning team.

- Mixed Pairs Team
 - The competition is open to teams of one male and one female shooter.
 - The nomination is \$20 per team.

Trophies: Both members of the winning team receive a memento ACTA medal. The winning team will be presented with the C & J Burt Mixed Pairs Perpetual Trophy. \$20 from each team entry will go into a prize pool for the winning team.

- Two Women Team
 - The competition is open to teams of two female shooters.
 - The nomination is \$20 per team.

Trophies: Both members of the winning team receive a memento ACTA medal. The winning team will be presented with the NSWCTA Perpetual Trophy. \$20 from each team entry will go into a prize pool for the winning team.

Authority

This program shall control the 2011 National Skeet Championships. The shooting rules of the Australian Clay Target Association will govern all points not otherwise provided for.

The Association's Executive Committee, reserves the right to, at its discretion at any time prior to the commencement of any event on the 2011 National Skeet Championships program, to change or modify the program in any way.

Gambling is not permitted on events staged by the Australian Clay Target Association.

Albury-Wodonga Clay Target Club Annual 2 Day Open Skeet

*Doubles winner Barry Moss
with President Gerry Lafferty*

Another great roll up of visiting shooters attended this popular shoot with quite a few visiting Albury for the first time and all declaring it to be a great event and determined to return again next year.

Saturday was a warm 32 degrees with ten squads nominating for the first event of 50 targets cash divide, David Jackel and Leigh Roberts shared the spoils in AA with each shooting the possible, A grade was shared between Jacqui Durham and Rodney Kneipp while in B grade John Pethybridge shot a brilliant 50 to edge out Dennis Savage on 49, C grade was taken out by our regular visitor from Bega Bert Deacon with 43/50 with second going to a local new shooter Ryan Bockman on 42/50.

The second event of the day was the 100 target City of Albury Championship which saw Gil Farish, Leigh Roberts, Justin Hayden and Peter Vella all shoot 98's, Justin went on to shoot another eight targets before dropping a high 3 which was enough to win A grade, the remaining three went on to shoot two clean rounds before going to doubles, Peter was the first to miss one with Leigh following soon after leaving that little champ from Benalla Gil the winner on 152/154 and Leigh second on 151/154, second in A grade was Jacqui Durham

with 96/100, 1st in B went to Eddie Dzelalagie with an excellent 102/107 after a shoot off with Bryan Bockman who shot a great 101/107, congratulations on attaining A grade Bocky, C grade was won by Bertie Deacon on 84/100 with second going to the gentleman from Mt Beauty Reg Phefley 79/100, Ladies went to Jacqui Durham 96/100 Juniors to Christian Lagos 94/100 and veterans to Reg Petts 95/100.

Sunday dawned fine and clear once again with 11 squads nominating for the start of the third event on the program the 100 target Elks Hunting and Fishing Skeet Championship, there was great anticipation from everyone who had bought shooters in the Calcutta the previous night to see which shooter's would win the grades in this 100 target Calcutta event as there was a total of \$2000.00 in the prize pool meaning the owner of each grade winner received \$500.00.

Peter Vella showed that his form in America was no fluke by shooting the only possible of 100/100 to take AA, Gil Farish was runner-up in AA

with 97/100, A grade went to Laurie Durham also on 97/100 with second in A going to Michael Buttigieg on 96/100, Eddie Dzelalagie and Andrew Daff shot off for B grade with Eddie missing his high 2 leaving Andrew to take B with an excellent 101/105 which was a great effort as he was sick the previous day, Eddie was second with a fine 100/105, Brett Fellows won't be in C grade for very long after nailing 94/100 to take the grade with Bert Deacon coming second with 90/100, best Lady

Wangaratta Hosts Myrtleford Venturers

On Tuesday evening, 22 February a group of 8 youthful members and some parents of the Myrtleford based Alpine Gateway Venturers attended the grounds of the Wangaratta Clay Target Club.

Club members provided tuition for this enthusiastic group in both Down the Line and Skeet shooting disciplines.

Some of the group had not used a firearm before and the sport of clay target shooting was another activity for the Venturers to try out and enjoy.

Fortunately, every member was able to connect with some targets on the night and the resulting comments from this group of young people were very positive. The club is confident that some of the group will come back again for some further shooting experience and perhaps even develop into future top shots in the sport of clay target shooting.

A group of young, very enthusiastic Myrtleford Venturers

The Wangaratta Clay Target club has provided its grounds, equipment and expertise in introducing many groups from our locality to this exciting and satisfying sport and puts a lot back into the sporting

community as a result. Wangaratta members were very happy to host this group of Venturers who also contribute positively back to our local community in lots of ways.

Albury-Wodonga Annual 2 Day Open Skeet

Continued from page 20

was Jacqui Durham 96/100, Juniors Eddy Elder 94/100 and Bernie Evans Took out Veterans with 92/100.

The final event for the weekend was the Elks Hunting and Fishing 50 Skeet Doubles Championship which saw B grader Barry Moss take out overall after a shoot off with doubles specialist Paul Johnston, Barry shot a brilliant 58/60 to take overall and B grade and Paul was first in AA with 57/60, second in AA was Glenn Clarke, A grade was won by Eddy Elder shooting a fine 47/50 with Pedro Da Silva taking 2nd in A, Mark Corbett from the Cooma Gun Club shot his best ever doubles score of 47/50 to take second in B grade and our hard working committee man Anthony Metry took out C grade with a very good 41/50, runner up in C was Brett Fellows on 39/50.

Overall High Gun over the 2 days was Leigh Roberts total score of 292/300. A Grade Laurie Durham 285/300, B Grade Barry Moss 283/300, C Grade Ryan Bockman 232/200, Veterans Reg Petts 277/300, Ladies Jacqueline Durham 278/300, Juniors Edward Elder 282/300.

Our sincere thanks to our sponsors Elks Hunting

Visitors from left Reg, Dave, Rodney, Steve and Mark

and Fishing and Ian McGeoch Gunsmith for their generous support without the help of these people the show would not go on.

Also a big thank you to Diana Cox for the Lamb, Bernie Evans for the Venison and Ross Carter for the wild ducks (legally shot on the

rice fields of course) also our president Gerry Lafferty for cooking it all to perfection, those that attended the Saturday night feast and Calcutta were treated to a magnificent spread, we hope to see you all again next year, in the meantime good shooting.

ISSF SHOOTING

Performance Qualifying Scores (PQS)

Given the importance of ISSF competition to our sport, the Board has directed that a regular column be established in this magazine to, over time, address the various issues that our elite shooters have to contend with. It is hoped that this column will also provide useful information not just to ISSF shooters but to the wider audience of DTL, American skeet and sporting shooters and thus enhance the understanding of the elite portion of this wonderful sport of clay target shooting.

It is intended that this column will deal with a specific issue each month in a simple question and answer format.

If our good readers have particular questions you would like to see discussed please send those into the ACTA office. However please be aware that there will be a backlog of subjects for the column so it may take some time before your particular question features in the column. If you wish an immediate reply please inform the office and we will endeavour to oblige.

For the inaugural issue we have decided to address the issue of performance qualifying scores (PQS) as this is a major issue of concern raised by many ISSF shooters.

QUESTION: What is the purpose of the PQS and why are the current levels set so high?

ANSWER: The ultimate purpose of any sport entering international competition is to compete and win medals at the Olympic Games. Australia is a small country and international competition is the toughest there is. Money is always limited, international prestige is at stake and so sports administrators are regularly faced with tough choices. As a general rule all Australian sports organisations involved in the Olympics, require that for athletes to be supported for international competition, they must demonstrate that they can perform at a minimum level that enables them to have any realistic chance of winning medals. That level will always be perceived as arbitrary but in reality it is set by standards achieved elsewhere by our

competitors. In some sports athletes are not considered for high performance training unless they can effectively equal current world records. Thankfully clay target is not so stringent.

Make no mistake: it is all about winning medals. The Australian Sports Commission (ASC) and the Australian Institute of Sport is charged by Government to do everything in its power to win medals for Australia and in the end there is only one medal that counts – an Olympic one preferably gold. All else is secondary. Funding is inexorably tied to winning medals – no medals no funds. The prevailing view across all sports administrations is that there is no point sending athletes overseas to represent Australia if their performance has not been demonstrated to be internationally competitive. Because it is considered that there is no point, no money is available to send second level athletes to ‘gain overseas experience’ (this can be obtained at the competitors expense at the many Grand Prix events held throughout the world). Any sports administration that uses government funds i.e. taxpayers money, for such purpose would soon be called to order. AISL is responsible to the ASC and therefore must adhere to that policy.

This is rather a long winded introduction to our PQS but it is important to understand the forces that drive AISL at least in their broadest sense. A PQS is proposed by the AISL High Performance Manager and approved by the High Performance Program Joint Management Committee (which is responsible to the AISL board and ultimately the ASC) as the **minimum** performance level to be **considered** for entry into the high performance squad. (For those who may not be familiar with all this, AISL take responsibility for the development and training of a select group of clay target, rifle and pistol shooters selected for the high performance squad. Selection of teams to represent Australia overseas is made from those within the respective HP squads.) Shooters must be able to demonstrate that they have shot a PQS several times under different circumstances before being accepted into the HP squad. The HPPJMC ideally would like demonstration of ten PQS over two years but AISL have agreed that five is a fair indication of consistent performance.

A common misconception is that having

shot one PQS a shooter is therefore entitled to represent Australia overseas. This is incorrect as the **PQS is not a travelling score**. AISL maintain individual shooter records over many years and are able to graph the rise or fall of performance enabling scientifically robust assessments of individual performance. This is no different in principle to any other sport in the international arena. Team selection is thus based on long term performance under a range of conditions not just at one event.

The criticism has been made that the system is training people to shoot just for a PQS and not how to handle pressure in a final to win. Unfortunately the game is unforgiving – to win one must be able to get into a final and on international standards the level of PQS is the average minimum to even get close to a final.

The levels of the PQS (140 in double trap, 121 in men's trap & skeet and 69 in women's trap & 70 in skeet) have been set from ongoing analyses of international competition. It is an unfortunate fact that average performance levels of international athletes in all sports keeps increasing due to new technology, sports psychology, sports science etc. A score of 118 put Michael Diamond into the final when he won gold at the 1998 World Cup in Lonato. Nowadays that score may see a person finish as far down as 20th. The recent World Cup in Concepcion in Chile is illustrative of current standards. In the double trap four shooters with a score of 142 shot off for the last two places in the finals. The four shooters who shot 140 were placed 10th downward.

A criticism raised at the ISSF athletes' meeting in Perth is that it is 'easier' to shoot good scores on overseas grounds. Unfortunately the figures held by AISL do not support the argument. We are reluctant to list individual scores but please be assured that we looked very carefully at the specific example put forward by the Perth meeting. The record of that shooter simply did not demonstrate that it is easier to shoot good scores overseas. The broader records indicate that it is equally hard wherever an event may be.

Up till now Australia has a wonderful record of winning medals in this enormously challenging sport and we all should be extremely proud of our elite shooters' achievements. Unfortunately if Australia is to continue to win at this rate our shooters are going to have to shoot better and better scores. It is indeed a most unforgiving sport. We wish all you ISSF shooters the very best but you personally need to work very hard to get to the top.

Next issue we intend to examine what is an MQS and its relevance to the HP squad.

International Shooting Committee

BENDIGO – March 19

Clays rather than Feathers

The decision to conduct a shoot on the day of the Victorian Duck Opening was always going to be questionable; however, 5 squads of shooters opted for “clays” rather than “feathers” and enjoyed a great day of competition.

The first event of the day was a 25 target Single Barrel Trophy event. B grade shooter, Wayne Whitehead showed the much more credentialed shooters how it should be done by carding the only possible.

Event 2, a 25 target Double Barrel also went to a B grade contestant after 7 shooters recorded the

possible. Rod Walton, Bendigo’s hard working treasurer achieved a personal milestone in recording his first 50 break and his first Overall DTL win. Perhaps Sporting may take a back seat for a time.

The final event of the day was a 50 bird Mixed Target. Maryborough shooter Peter Tate recorded

Rod Walton with Club President Glenn Woodhatch

a 66/70, sufficient to give him the Overall title. Shoot Offs were needed to sort grade placings.

EVENT 1 25 Tgt Single Barrel Trophy: AA Grade 1st Neil Berry 24/25 2nd Tony Moroni 30/33, A Grade 1st John Barklem 23/25 2nd Anthony Plum 22/26. B Grade 1st Wayne Whitehead 25/25 2nd Darren Pearce 22/25. C Grade 1st Kylie Lyons 20/25 2nd Kimberley Moroni 17/27.

EVENT 2 25 Tgt Double Barrel Championship: Overall & B Grade Rod Walton 55/55 2nd Darren

Pearce 29/30, AA Grade 1st Ricky McKinnon 54/55 2nd Tony Moroni 52/53, A Grade 1st Peter Beaman 46/47 2nd John Barklem 38/39, C Grade 1st Geoffrey Hogan 24/25 2nd Kylie Lyons 23/25.

EVENT 3 50 Tgt Mixed Tgt Championship: Overall & AA Grade Peter Tate 66/70 2nd Ward Wende 96/105, A Grade 1st Peter Beaman 97/105 2nd James Shepherd 95/105, B Grade 1st Wayne Whitehead 60/70 2nd Wade Canny 88/105, C Grade 1st Kylie Lyons 54/70 2nd Geoffrey Hogan 49/70.

SOUTH AUSTRALIAN

Sash winners

OVER THE LABOUR DAY WEEKEND of the 12th, 13th, and 14th of March 2011, shooters travelled to South Australia from all points of the compass for the 2011 South Australian State Skeet Carnival.

Saturday dawned fine and warm and the 1st event was the 50 target 20 Gauge Championship. After some very fine shooting Bronte Evans emerged overall winner with a perfect score of 50/50. Congratulations to Bronte.

Overall: Bronte Evans 50/50, 1st AA: Paul Johnston 49/50, 2nd AA: Steve Vaccaro 50/52, 1st A: Benn Baker 56/57, 2nd A: Lynton Schubert 55/57, 1st B: Colin Jacobs 49/50, 2nd B: Aaron Zupanic 58/60, 1st C: Zakaree McGuirk 43/50, 2nd C: Nick Grigg 42/50, Ladies: Tracey Ashton 50/56, Veteran: Ray Wendt 48/50, Junior: Eddy Elder 48/50.

This event proved to be a good warm up for the 50 target Handicap which was event 2 of the carnival. The handicap was very hard fought and by the time it was concluded, it was decided to delay presentations until after Sundays events. Overall: Colin Jacobs 141/147, 2nd: Phil Casey 138/145, 3rd: Kevin Mules 128/133, 4th: Aaron Zupanic 124/129, Junior: Eddy Elder 57/60.

Well done to the winner and place getters; handicaps are always

20 Gauge winner Bronte Evans

Colin Jacobs, Handicap, B Gr High Gun

Paul Johnston, 100 tgt Championship

a tough test of endurance, concentration and skill.

Sunday dawned cloudy and windy and the targets reflected this in the morning. When later the skies cleared and the targets were behaving, ground 2 gave the shooters some trouble. However, this was attended to promptly and the day progressed smoothly.

Event 3 was the 100 target Championship. It was won by a very determined and steady Paul Johnston with a perfect score. Congratulations Paul. The results reflect the strength of the competition. Overall: Paul Johnston 100/100, 1st AA: Craig O'Neill 98/100, 2nd AA: David O'Sullivan 97/100, 1st A: Larry Piscioneri 99/100, 2nd A: Lynton Schubert 98/100, 1st B: Colin Jacobs 98/100, 2nd B: Kevin Mules 105/111, 1st C: Travis Scott 92/100, 2nd C: Martin Collumb 90/100, Ladies: Tracey Ashton 90/101, Veteran: Ray Wendt 94/100, Junior: Eddy Elder 96/100.

State Skeet Carnival

Monday morning was a fine and sunny Autumn day a good lead in to Events 4 and 5 on the final day.

Event 4 was the 50 target City of Adelaide. Again, some fine shooting resulted in several shoot offs before the results were finalised. After shooting the initial 50 clean, and a short shoot off later, Craig O'Neill took out the overall. Overall: Craig O'Neill 58/58, 1st AA: Shane O'Brien 55/55, 2nd AA: Adam Goodall 54/55, 1st A: Kenneth Carey 50/50, 2nd A: Laurie Durham 59/60,

Craig O'Neill, 50 tgt City of Adelaide, AA Gr High Gun

David O'Sullivan, OA High Gun

Zakaree McGuirk, C Gr High Gun

Benn Baker, 50 tgt Doubles Championship, A Gr High Gun

1st B: Colin Jacobs 50/51, 2nd B: Aaron Zupanic 49/51, 1st C: Geoff Grove 48/50, 2nd C: Travis Scott 46/50, Ladies: Leonie Johnston 44/50, Veteran: Ray Wendt 48/50, Junior: Eddy Elder 47/50.

Finally, the last event, the 50 target Doubles Championship. Strong shooting saw Benn Baker take out this event with a commendable 55/56. Overall: Benn Baker 55/56, 1st AA: Steve Vaccaro 49/50, 2nd AA: Craig O'Neill 48/50, 1st A: Laurie Durham 48/50, 2nd A: Eddy Elder 49/52, 1st B: Sim Hee Neoh 46/50, 2nd B: Kevin Mules 44/50, 1st C: Travis Scott 43/50, 2nd C: Michael Huxtable 41/50, Ladies: Tracey Ashton 39/50, Veteran: Ray Wendt 45/50, Junior: Aaron Zupanic 43/50.

And so to the presentations for the Overall High Guns: Overall: David O'Sullivan 318/328, AA: Craig O'Neill 290/300, A: Benn Baker 304/314, B: Colin Jacobs 287/300, C: Zakaree McGuirk 259/300, Ladies: Leonie Johnston 258/300, Veterans:

Leonie Johnston, Ladies High Gun

Ray Wendt, Veteran High Gun

Ray Wendt 285/300, Junior: Eddy Elder 286/300.

Congratulations to all winners and placegetters.

Many thanks to the shoot marshal, Lynton Schubert, who ensured the competition ran smoothly. Also, thanks as always, must go to the sponsors and to all who worked both on and off the grounds, to the office staff and the volunteers in the kitchen who kept us all supplied with goodies.

Looking forward to next year already!

Christine Durham

Eddy Elder, Junior High Gun

Tracey Ashton, 20 Gauge, 100 tgt Championship, 50 tgt Doubles

NATIONAL SKEET CHAMPIONSHIPS

CONDITIONS OF ENTRY

GENERAL

1. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
2. Shooters will be Pre Squadded and any interpretation of this will be the responsibility of the Tournament Director.
3. Each shooter is to take enough cartridges to shoot at 50 targets. A time limit of two minutes will be imposed for the changeover for each 25 targets. Should the two-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** will be incurred.
4. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
5. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
6. All shooters must sign the score sheet after each 25 targets. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
7. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
8. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
9. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
10. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
11. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall choose in which team they will be selected. They cannot compete in both Open and Section teams.
12. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any section prize.
13. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
14. Pre-Nominations will close at 5pm on Friday 15th April 2011.
15. Anyone participating in the practice of card playing at the National Championships is expected to be considerate of the requirements of others, and the presence and behaviour of the card players must not cause inconvenience or disturbance. Tournament Director to adjudicate.
16. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
17. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
18. Reduced Nominations shall apply to Juniors and Sub-Juniors. Also partners' entering into the same event whose nomination is lodged at the same time as a member paying full nomination fees. Shooters paying reduced Noms are eligible for Overall, Grade and section prizes.
19. ***All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Championships.***
20. Squads of 5 to shoot 50 targets in one visit only to the traps. Squads of 5 to shoot 100 targets in one visit to the traps or as designated by the Tournament Director.
21. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible for any refund.

Have you *really* taken the time to **TEST** the **FLIGHT** of the *clay targets* you shoot?

CORSIVIA clay targets have been aerodynamically designed to ensure that their **FLIGHT PATH** is true and less affected by adverse weather conditions than any other clay target.

The golfball like dimples assist with a smooth airflow over the target which stabilizes them and virtually eliminates the ducking, diving and curling that are synonymous with other clay target brands.

CORSIVIA Standard Targets were used at the ISSF World Cup – Sydney 2011

The **CORSIVIA AUSTRALIAN TRAP** target, has a higher profile than the universal **STANDARD** target and is specifically designed for DTL Trap shooting in Australian conditions.

This target has the same dimple technology but the extra height ensures that the flight and visual presentation are better when thrown at the slower DTL Trap speeds.

Psychological Skills for Shooting

Michael Kruger-Davis

HOW TO VISUALISE

At the ACTA Junior development camp in Wagga last year, rather than just lecture, I asked the participants to pose questions that they wanted answers to. From that camp one question springs to mind: "How can you deal with pressure?"

Stress has a profound effect on performance. According to Raedeke & Burton, it can impair performance, destroy self-confidence and deprive performers a sense of enjoyment. Stress also promotes interpersonal conflict, destroys teamwork, increases the likelihood of injuries and when sustained leads to burnout that may drive athletes to early retirement. When we are functioning well our resources are capable of dealing with the demands. When the demands increase and are equal to the resources then we become strained. Stress however occurs when the demands are greater than the resources to deal with them. If this stress is prolonged then this will lead to burnout.

Stress is often blamed for problems in sport but this assumption may be due to one of two misconceptions. Firstly, it is thought that excessive competitive demand: eg, having to sink the putt to win, kick the goal to when the game is on the line, etc. increases the stress level. This is often associated with choking (which is due to self doubt) but if the athlete has the skills and resources to cope then they should be able to handle this level of stress. Secondly, that the increase in physiological signs (sweating, increased heartbeat, tension, etc) and psychological symptoms (poor attention, concentration, etc) then this must be stress. It may just be the state of arousal that the athlete is going through at the time.

Raedeke and Burton define stress as the substantial imbalance between what we believe is demanded of us (competitive demand), and what we perceive our capabilities to be for meeting those demands (personal control) for situations in which success is important. This is important to understand because it is the perceptions (not the competitive demands themselves) that determine the amount and nature of the stress we experience. Perceptions can either lead to positive or negative self-talk, that can develop into beliefs that can either lead on to being in the flow or choking.

Athletes have to weigh three types of information to make sense of stressful situations; competitive demand, personal control and coping strategies.

Competitive demand involves your evaluation of how a demanding situation will affect your ability to attain important goals. If you go to a club shoot with a goal to shoot the possible and win the event, there may not be much stress. However, if the goals are more important: ie, State or National championship, there will be a greater amount of uncertainty in achieving this goal, therefore increased level of competitive demand.

Personal control refers to your perception of how well you can manage competitive demand and achieve important goals. Personal control relies on two factors: whether you believe the source of stress is surmountable and whether you believe that you have sufficient performance capabilities to do so. Your performance capabilities are things like knowledge, skills, tactics, and preparedness. So, if you feel that you have the skills and capabilities to beat the stressors then you have high personal control and you will probably achieve. If on the other hand you think that you are unable to deal with the stress of the situation, then you will have low personal control and will most likely fail. If you remember the articles on self-talk, then you will understand the concept of challenge appraisals that mean you will put a positive spin on the competition and turn the obstacles into opportunities. Threat appraisals on the other

hand, highlight negative beliefs and cause you to fear failure, feel pessimistic and adopt poor problem management strategies: threat appraisals therefore lead to failure.

Coping strategies are just that. They are the things that will help you deal with the stressors and develop challenge appraisals. Coping strategies can be put under the headings of problem management, emotion management and maladaptive coping. Maladaptive coping strategies hurt rather than help: drugs, alcohol abuse, excessive venting of emotions and avoidance are all examples of maladaptive coping and should be avoided. Problem management, using techniques such as goal setting, planning, performance routines) will help reduce or eliminate stressor. Emotion management (positive thinking, relaxation, etc) enhances positive well-being by reducing emotional distress even if the problem remains.

Next month I will explore the concepts of problem management and emotion management in more detail.

Last week I was pleasantly surprised to find in the mail another Arrow Laser Shot. Those readers who have attended a clinic or approached me at a shoot will vouch for my level of passion for this simple but effective tool. I know of no better way to determine correct gun fit, check your gun's point of impact or practise gun mounting. With just a few minutes each day you can have an efficient way to perfect gun mount with immediate feedback as to whether you are on the mark or not. When I opened the Arrow Laser Shot it became apparent that this is the model for skeet shooters, especially those shooters who use sub-gauge barrels or full length tubes. You can use this model for all gauges: .410, 20g, 28g, 16g, 12g and even 10g. The 12g version or the multi-gauge version can be obtained via www.arrowlasershot.com

Hopefully soon there will be an Australian distributor for Arrow Laser Shot, but in the meantime ask me to demonstrate mine when you catch me at a shoot.

Changes to Boorowa Club's Shoot Program:

22nd October 2011 Central Zone Champion of Champions

17th December 2011 Boorowa CTC Christmas Shoot

Please mark these dates on your calendar.

Attention all Skeet Shooters:

In this issue of the CTSN we have the flyer for our Annual State Skeet Championships.

We will be advertising in the June and July issue of the CTSN the Skeet Nomination Form.

In the mean time if you require a nomination form, you can get a copy off the website (address above), or by contacting (details above) the office so we can post/fax/email a copy to you.

Nominations close 22nd July 2011, so make sure you do not miss the cut off!!!!!!

Beaufort Clay Target Club

Ball Trap and Single Barrel Continental

On a very warm day at Beaufort Clay Target Club, 17 shooters lined up for the club's annual 75 target ball trap championship.

The trap was set by the two ball trap setters and the first round of 25 targets a score of 25/25 was shot by Ash McKnight of the Maryborough Clay Target Club. On the second round of 25 targets no shooter shot the perfect score, however a large number of shooters improved on their first round score. At the end of the second round Wayne Harris (Ararat) and Ash McKnight (Maryborough) were leading the shoot, however by the end of the third round Wayne and Ash finished on the score of 70/75. A shoot-off followed with Wayne winning Overall and A grade with a score of 72/77. Peter Falkinder took out B grade with a score of 65 and C grade was won by Peter Chapman with a score of 62.

Wayne Harris & Vice President, Peter Falkinder

The second event was the SWZ 25 Target Continental Single Barrel Day Championship. No shooter shot the perfect score, however

Wayne Harris again lead the way with a winning score of 24/25, taking out Overall and AA grade. A grade was won by Peter Falkinder after a shoot-off with Wayne Medwell with a score of 26/28. B grade was taken out by John Kelly with a score of 20/25 and C grade was won by Bob Aldrich with a score of 20/25.

Results:

75 TGT Club Ball Trap Championship: O/A & A grade: W Harris 72-77, 2nd A McKnight 71-77, B grade: P Falkinder 65-75, 2nd N Vagg 64-75, C grade: P Chapman 62-75, 2nd A Vincent 55-75.

SWZ 25 Target Continental Single Barrel Day Championship: O/A & AA: W Harris 24-25, 2nd P Tait 22-25, A grade: P Falkinder 26-28, 2nd W Medwell 25-28, B grade: J Kelly 20-25, 2nd D Long 19-25, C grade: R Aldrich 20/25, 2nd A Vincent 15-25.

High Gun was taken out by Wayne Harris with a score of 94-100.

David Long, President

Telstra 100 Target Ironman Championship at Ararat

The Ararat Clay Target Club held its monthly shoot with competitors facing up to 110 targets and a 12.00 start.

L - R Arthur Champneys, Gavin Horrigan, Telstra Champion Gary Hargreaves and Rob Jorgenson

Numbers were well down with only 19 shooters turning up for the Telstra 100 target Ironman Championship.

The first event was underway, 10 target eye opener, 5 target continental points score & 5 target D/B points score, with Ballarat shooter Wayne Calaby coming back to the clubhouse with the only 30/30 on the board, closely followed by Len Cook from Beaufort & Ash McKnight from Maryborough with 29/30.

Now the Telstra 100 target championship; 25 target continental, 25 target single barrel, 25 target double barrel, 25 target points score, the total we were shooting for was 150. Half way through there were 4 to 5 shooters very close but in the end our very own trap master Gary Hargreaves was all smiles with his score of 149/150. Beaufort veteran Len Cook was second in AA with 145/150, A grade went to Callawadda shooter Rob Jorgenson 145/150, second was Maryborough shooter Ash McKnight 143/150, B grade went to Melbourne shooter Gavin Horrigan 131/150, second was our very busy secretary Graeme Leslie 129/150, C grade went to local Arthur Champneys 125/150, second went to Callawadda junior Ash Jorgenson 131/162. Our High Gun for March went to the Beaufort vet Len Cook 174/180, off the fence went to Ash McKnight from Maryborough. Once again special thanks to Telstra Ararat.

Bill Harris, President

New Zealand 2011 Nationals Report

By Stephen Atkins

Well I did say in 2006 I would probably not return until 2047. Well I weakened. My wife Helen and daughter Stephanie have come along to make a bit of a family holiday out of the shoot.

We arrived at Auckland Saturday arvo at 2-30 which meant I missed out on the National Ball Trap Championship. This is one of the smartest things I have done of late, the lads tell me they were doing a fair few revs and our blokes didn't handle them well at all. The winner was the "Texas Ranger" - Boston Walker. As most people will remember he won our National Single Barrel last year.

The Mini Target Championship was the first event on Sunday. Depending on the light and cloud cover some were hard to pick up but it was the same for everyone. The only two Aussies who could hold their heads up were Rob "The Yowie" Yeo and the "Zirconian" Simon Gloster. It was no surprise to see Simon get some red ink as he had been running hot for about 2 months. In saying that he, went about 10 birds before one landed. The Yowie was doing a whole lot better and when it got down to him and Lindsay Rogers we all hoped he would get over the line. Lindsay missed at 45 and the Yowie only had to break the next one to be the Sparrow King of the World but he didn't. Needless to say he got a touch up about eight targets later.

The next event was the New Zealand Double Rise Championship. Glen Hayden was going for three in a row which has never been done before. We all knew it was going to be tough. It was fairly windy and the targets were jumping around a fair bit. After all the scores had been tallied Colin Waghorn was declared the winner with 48/50. A very good score under the conditions. Sam Clifford and the "Kable Guy" had to shoot off with a couple of other guys for minor placings. Sam came through with the goods by shooting the only 10/10 in the shoot-off.

Monday - still windy, just what we needed for the National Handicap. Only four or five possibles - all Kiwi's except for a young guy from

Fiji, Christian Stephen. His story is quite interesting as this is his first competition in his shooting career. He has been under the guidance of Glen Kable and is coming along very well. I am led to believe he has shot quite a few thousand targets in practise but because he lives in Suva, Fiji, there is no competition, so for him to achieve what he has in this tournament is remarkable.

A few of us think that Walshy must have been in Fiji about 16 years ago, except for skin colour he is a dead ringer for the Walrus from Broken Hill. When Christian gets a bit of facial fur only their mothers will be able to tell them apart.

Brendan Malcom was the overall winner at about 80/80 with Christian Stephen second. Simon Gloster punches in a 49, Arty a 48, good job off the back peg.

Tuesday - today it's the Triples 15 D/B, 15 P/S, 15 S/B, all off 18 metres. There were six possibles. Sam Clifford and our newest inductee to our Hall of Fame, Craig "Chisel" Bentley and four Kiwi's. The Aussie contingent were all hoping this would be Australia's first win at these National Championships but it wasn't to be. Kiwi's first, second and third. David Turner was the High Overall.

Wednesday - National Double Barrel - perfect conditions about half of us Aussies shot the possible and expectations were high one of us could bring home the goods. At 200 it was down to 20 shooters with five Aussies still having a lash. Custard missed soon after but considering he picked up the flu this morning it was a good effort. Fitzy went at 220, Craig Bentley at 240 and Chris Brown didn't like his 275th. This was Chris's p.best so at least he achieved something. I blithered on a chook at 290 and that was it for Australia. Six Kiwis to fight it out.

Thursday - the six guys left, started first thing in the morning. It wasn't long before it was down to three. Jon Beddis third, old Ewan Perie second and the overall winner for the second time this week was Brendan Malcolm. From what I've seen of this young bloke he is an exceptional shot and a real nice guy to go with it.

Friday - got Custard's flu. Single Barrel Championship today and even better conditions than yesterday. This looked like being a good day for the Aussies, six possibles out of a total of 24. Yowie, Arty, Glen Kable, Craig Bentley, Senior and Junior Hayden. Most of our guys dropped like flies except for Glen Hayden and Craig Bentley. When they reached 100 there was three left. Glen came a credible third but still no cigar for Australia. Jon Beddis was the victor with Peter Goodwin second.

The only good thing to come out of today is now we have Sam Clifford, Arty Del-Ben and Glen Kable leading the High Gun with Custard,

Aussies enjoying the NZ National Championships at the Waikato Gun Club

a Kiwi and myself one point behind them. All things being equal we should take this one home?

Friday - another ripper day for the last event, the Points Score. On the way out to the gun club Helen said we had to get a cake for Neil and Wilma Berry's 50th wedding anniversary. That is one big break badge in this very hard discipline. Congratulations!

From Wilma: *Have to say we were totally surprised by the announcement and the cake - thanks Helen, you will keep.*

Wilma & Neil Berry celebrating 50 years of marriage

Arty, Glen and myself shot before the other three contenders for the High Overall. After we were done Arty was still one in front of me as we both posted 149's, Glen a 146. Arty had to sit back and see what Sam and Glen Kable could deliver. Sam ended up the same as me by posting a 148 and Glen a couple more than that. That gave Arty back-to-back NZ National High Guns - well done. And at last the Aussies had got one.

There were only four possibles in the Points Score Championship, all Kiwi's. Brian Hartley ended up winning even with a dose of gout, Dave Muckeridge second and Peter Goodwin third.

Some people may say this is the worst group of Aussies to ever go over to the New Zealand Nationals. I would disagree strongly. I would say it was a team with some of the better shots in Australia that didn't perform anywhere near their best - that's shooting.

One thing I must comment on is the standard of shooting in New

Zealand. I first shot in their Nationals in 1989. Since then I have competed in a further eleven Nationals so I have seen a fair few of them. In that time I have seen them have only a couple of guys that I would say were real good trap shooters at National level - John Wooley and Ray Everett were the standouts and then as the years went on a bloke called Gavin Searle started winning on a regular basis.

Steve "Schultz" Atkins

Now they have plenty of guys capable of winning both in our country as well as their own and the big plus for them is a lot of them are young blokes.

Terry Boucher using a 50 cal Sniper Rifle, for sale in NZ

They include Col Wagnorn, Boston Walker and Brendan Malcolm, to name just a few.

I know Les Clarke brings a couple of squads of kids over to our Victorian Carnival each year for experience and I am told must shoots conducted for school students attract about 170 shooters each shoot. They really do have some good prospects on the way through.

Until next time - good shooting.

CTSN PHOTO COMPETITION No.2, 3-MONTHLY WINNER

The picture is of Tamworth Clay Target Club member Geoff Hunter shooting in Pittsburg, USA 17/2/2011

Geoff is the one in the blue with the gun up.

Yes that is snow and yes there is always some turkey in a tee shirt.

Geoff was wanting to show us Sunday afternoons USA style. Everyone except Geoff is using a single barrel gun - Bloody Aussies.

For Geoff's effort his club will receive a digital camera and will be in the running for the major prize over 12 months of a full page gloss colour club advertisement in the CTSN.

PHOTO COMPETITION NO. 3

Clubs/members can send Photo's (Digital only) to the CTSN email address. If space permits we will publish the best of these.

Will be selected every 3 months with the winner's photo being published in the CTSN with an article & receive a camera for their Club.

The overall will receive a full page gloss colour advertise-

ment in the magazine for a shoot event (to be used in the next 12 months)

* Each photo will need to be less than 6 months old.

* The photo will need to be picture-ready for publication in the magazine (no touch-ups required).

* Must be of Clay Target shooting or related to a shooting event.

CLASSIFIEDS

Rates and Conditions

This section is for the exclusive use of ACTA members, and has been introduced for the purchase, sale and exchange of personal equipment.

PLEASE NOTE: Due to the new Gun Laws, all classified ads submitted must include the serial number of all guns advertised, and also the shooter licence number. We are also no longer allowed to advertise the sale of any pump-action or semi-auto shotguns or the parts thereof.

Rates (inc GST) are as follows:

\$11.00 — 0-60 words

\$22.00 — 60-100 words max.

Advertisers must comply with the copy deadlines as detailed on page 2 of this issue, and your name, address and telephone number must be supplied. Copy should be typed or carefully hand-written.

Payment must accompany advertisement.

NSW Members and Dealers

As stated in Firearms Act 1996, Section 54 "A person must not cause an advertisement for the sale of a firearm or firearm part to be published unless:

(a) the person is a licensed firearm dealer, or

(b) the proposed sale is to be arranged by or through a licensed firearm dealer and the advertisement contains such particulars as may be prescribed by the Regulations".

The Regulation states, "For the purposes of section 54(b) of the Act, the following particulars are prescribed in relation to an advertisement for the sale of a firearm that is arranged by or through a licensed firearms dealer.

(a) the licence or permit number of the seller,

(b) the name and address of the dealer concerned."

The Firearms Act 1996 applies to both the Publisher and the individual placing the advertisement. Failing to abide by this Section attracts a maximum fine of \$5,500.

WANTED: "For Private Collection" Old Paper shot shells and 2 piece packets. Will pay up to \$500 for trade brand packets. Powder tins. Gun Shop Catalogues. Australian Clay Pigeon Shooting News before 1960. Air Rifle packets & tins. Shooting memorabilia. Will pay good money. Pay top money for two piece Packets. Ph Mick Ward on 03 5775 1652. Shooters Licence No. 437 647-40B.

Echuca Clay Target Club

200 Target Pre-National Day

Echuca Clay Target Club held a 200 target day of competition for the March 2011 shoot, mainly aimed at the shooters who intend to compete at the National ground at Wagga Wagga in April. Four fifty target events, three of them as Championships, was enough to attract seven squads of shooters, on a Sunday that started out calm clear and sunny, but later changed to overcast with several storm clouds passing by that although they made visibility poor, fortunately did not dump their heavy rain at the club.

Local member, Drew Healey, an A grade shooter who has been improving dramatically recently, shot well enough to take out the Overall Winners Sash and 1st in A grade, in the 50 Target Points Score Championship, with the only full score of 150/150, and also, dropped

Left: Phillip Heaton OA SB. Right: Drew Healey OA & A 1st PS, OA High Gun

only four points for the whole shoot, which gave him a score of 296/300, that not only earned him the Overall High Gun Sash, but also with his high scores, gave him a rise from A to AA grade, congratulations Drew!

Hay NSW member, Phillip Heaton, also had a day out, claiming event

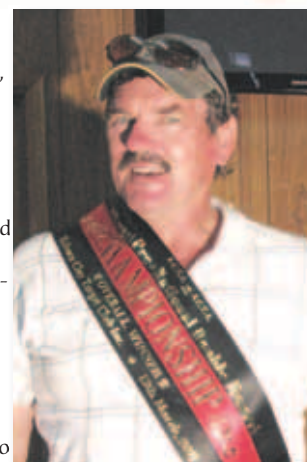

one, a 25 pair Double Rise Cash Divide, taking the 1st in AA grade cash with an impressive 47/50 score, and after shooting a 49/50 score in the Single Barrel Championship, he claimed the Overall Winners Sash and 1st in AA grade trophy in that event as well, Phillip was part of a good number of shooters that arrived from Hay and Deniliquin that the Echuca club wish to thank for travelling to the shoot.

Lastly, the Pre National 50 Target Double Barrel Championship, and although there were two full squads that shot the possible, they soon started to drop out of the shoot off to the point that the stayers were Hay member, Brian Doyle, and Echuca member Rob Godfrey, Rob shot his 192nd target and Brian lost his, and it was all over, with Robert Godfrey putting his hand up for the Overall Winners Sash and 1st in AA grade trophy, the result of his magnificent 192/192 score, on a day that the black targets were all but disappearing into the black thunderstorm clouds that were moving around.

A big day of Clay Target Shooting that with an early start time, and smooth running, finished at the respectable time of 6.00pm. With 200 targets, plus shoot offs to get through it was a very good result.

Full results for the shoot are as follows. Echuca Pre-National 25 pair Double Rise. AA 1st P Heaton 47/50, AA 2nd R Collicoat 56/60, A 1st D Healey 48/50, A 2nd P Sing 41/50, B 1st G Strauss 33/50 B 2nd J Boyer 30/50, C 1st N Zechner 32/50, C 2nd B McCraw 30/50. Echuca Pre-National Points Score Championship. OA & A 1st D Healey 150/150, A 2nd C Burns 143/150, AA 1st R Felmingham 188/189, AA 2nd S Atkins 187/189, B 1st J Boyer 140/150, B 2nd G Ervin 129/150, C 1st B McCraw 129/150, C 2nd P Traill 131/153. Echuca Pre-National Single Barrel Championship OA & AA 1st P Heaton 49/50, AA 2nd R Felmingham 70/73, A 1st D Healey 48/50, A 2nd L Gee 47/50, B 1st J Boyer 44/50, B 2nd N Lester 34/50, C 1st N Zechner 45/50, C 2nd P Traill 40/50. Echuca Pre-National Double Barrel Championship OA & AA R Godfrey 192/192, AA 2nd B Doyle 191/192, A 1st G Palmer 58/59, A 2nd C Burns 49/50, B 1st N Lester 44/50, B 2nd G Ervin 43/50, C 1st B McCraw 64/68, C 2nd P Traill 63/68.

Murray Roberts

Robert Godfrey OA DB

Victorian State Champion of Champions

The Frankston Australian Clay Target Club hosted the State Champion of Champions event in fine conditions on Sunday 6 March, with 55 shooters attending.

The event was shot from 18m with a number of possible scores recorded in the 25 targets DB. However, the 25 target single barrel reduced the number of candidates for the overall

dramatically and after the 25 target points Bill Woodward was the overall winner with a score of 124/125. One point clear of Wayne Parks 1st AA 148/150 and Keith Calder 2nd AA 147/150. Other grade winners were 1st A Dallas Ball 119/125, 1st B Jeff Fraser 140/150 and 1st C M Craven 97/150.

Right: Bill Woodward O/All winner of the Victorian State Champion of Champions

ACTA CLUB HISTORY

Wanted-Help with information regarding ACTA Clubs both past and present

Through my Association with Clay Target Shooting & my hobby of Gun Club badge collecting it has become apparent that there where hundreds of small clubs throughout Australia which are no longer in existence.

As we lose our older generation of shooters we are also losing the history of these clubs, so I am endeavoring to collect as much information on both past & current clubs to insure our history is preserved.

I have made up list of clubs (State by State) from old CTSN magazines and through the help of some of our more senior shooters. I would be most grateful for any additions to these lists & any basic information about any of the clubs on the lists.

I am looking for information such as: When the club started; Is it still operating; Location of the ground; Any name changes or has the club amalgamated with any other clubs/clubs

Even just additional club names if no other information is available.

The lists when completed, will be available to any interested persons or clubs.

P.S. I have no interest in becoming an historian.

I look forward to any help available.

VCTA South East Zone Premier Teams

Round 1 – Wonthaggi Gun Club

February 5th was the first round of the Premier Teams Event for 2011 this was held at Wonthaggi Gun Club. No one shot in rain but most drove through varying amounts of it to get there.

Ninety shooters contested the day and they made up the sixteen teams represented.

Event one the 25 target Handicap saw four shoot the possible, Damien McLeod, Josh Spicer, Roger Esplin and Col Widdows. Making it easy for the administrators,

Damien was first 43/43 Josh second 42/43, Roger third 29/30 and Col took the Back Marker 26/27. The Junior Front Marker was Colin Harrington 23/25.

At the half way mark of the teams section, Melbourne Red was in the lead with 116 from Morwell and the M.C.C. both on 113.

Event two the Double Barrel produced twenty-three possibles and nineteen

twenty-fours, indicating that the conditions were not all that bad.

After the first twenty five in the shoot off there were seven and the Overall got down to Chris Murphy 126/126 from first in AA Bernie Scanlan 125/126 second Josh Spicer, A: P Fraser 73/74, M Dunkley 72/73, B: J Heyblom 28/29, B Barlow 27/28, C: C Mitchell 41/42, C Harrington 40/42.

The High Gun was contested by Josh Spicer and Roger Esplin with the only two clean

sheets for the day, Roger won with 66/66. Ladies High Gun I McJames 47/50, Junior High Guns A: J Lennane 47/50, B: M Woods 44/50, C: C Harrington 47/50.

The winning team was Melbourne Red 238/250 (team members R Williams, M Pooch, G Aston, D White & J Spicer), Morwell was next 233 from MCC 232. The Junior team was Mornington 94/100 (team members J Lennane & C Harrington).

Zone Secretary, C Carrol
