National President's Notes

Your board met in Sydney on the 25th of November and also attended the Australian International Shooting Limited (AISL) AGM on the same day. Mr. Dennis Harwood had resigned from the Board recently and after a ballot was replaced by Mr. Gary Read, who attended his first board meeting. We extend our thanks to Dennis for his time on the board and the executive and welcome Gary. The Board is pleased to advise that Mr. Neil Haydon, a qualified lawyer, has responded to the call for an independent board member with legal skills. Mr. Haydon met with board members and will now take his place on the board until June 2013. We have not yet received any interest in the position requiring accounting or other financial skills, but again ask

that any person with these qualifications interested in being a board member contact the Executive Officer.

The AISL AGM produced some interesting results. Two new Board members were elected for four year terms, (since changed to two) being Catherine Fettel who is the President of Pistol Australia (now required to relinquish that position) and Olympic Gold Medalist Mr. Russell Mark. Mr. Robert Marshall was elected to fill the casual vacancy created by the resignation of Mr. Glenn O'Brien.

Following the elections, 3 Constitutional changes and 5 Special resolutions were put to the meeting. These were all proposed by Pistol Australia and all supported by your AISL delegate Mrs. Elaine Forward. Some required a 75% majority to be carried and all but one was. The board believes that these changes which provide for the President to be elected by the members as opposed to the board, shorten the term of directors and the President to two years, and generally make the AISL more responsive and accountable to its members is certainly a step in the right direction.

The board is of the opinion that in our sport where the scores are based so objectively and there is no need for any subjective judgment, that AISL needs to look at the selection process, simplify it and make it as transparent as possible. We also believe that the current arrangements with AISL running so many Australia Cups and dragging our ISSF shooters all over the country has placed a huge financial burden on anyone trying to represent their country, and has effectively destroyed a large part of what was a healthy domestic competition in this discipline. I feel we can look forward to changes in these areas.

The Fair Work Australia matter referred to in previous columns is now listed for hearing on the 7th December. The notice not only names the ACTA but also some individual members of the executive. I can assure you it does make you feel a little uncomfortable to be named as a co-respondent in a matter of this nature.

The National Ground has been without a grounds man due to ill health for over a month. We have decided to employ a young trainee through a group scheme, for a two year traineeship, to help overcome this problem and plan some succession. Some Government financial assistance has been found for the position.

Target tenders for National Championships have been received and tests will be carried out in the next week to assess suitability. We test flight, visibility (often affected by strength and shade of colour) and breakability. The tests are done at Wagga and are carried out without the shooters knowing which brand is being shot before them rating the target against the three criteria. This process helps us make an informed choice. The procedure which has been in place for some years now has seen complaints from shooters about targets reduced to almost nil. The ACTA policy is to use the best, not the cheapest target available for your National Titles.

The board has appointed Mr. Adrian Cousens as Acting Historian. Adrian shares the passion of former historian Mark McInnes, and as Acting Historian will carry out most of the duties required of the historian's position except production of the previously regular historian's column. One of his first undertakings will be to re-organise our Hall of Fame website pages, adding extra information and standardising the Trap and Skeet sections.

Although this is January CTSN, Jim Shepherd seems to have all magazines out about 3 weeks into the month prior to the cover date, so I imagine you will all receive this prior to Christmas.

I wish you and your families a Merry Christmas and a Happy New Year.

Robert Nugent

Executive Officer's Report

The sport of Clay Target shooting has had the international events, the Glenn Cup and the Glenn Trophy in which we compete against New Zealand, in DTL and skeet for a number of years now. Recently it was agreed to have a similar competition with New Zealand in the ISSF discipline.

The trophy, which is to be a perpetual trophy sponsored by Casella, will be named after Jack Sutherland, (Calrossie), and Jim McKenzie a well known New Zealand shooter. The first competition is to be held at the New Zealand nationals in 2012. The trophy will be competed for in New Zealand and Australia in alternate years similar to the Glenn Cup and Glenn Trophy. The team of three shooters will be selected using results taken from the previous National Championships and the final of the Australia Cup. This year, as the competition was initiated after the 2011 Nationals and will be shot at the New Zealand Nationals shortly after the 2012 ACTA Nationals, scores from the 2011 Nationals were used with the Australia Cup final, conducted in October 2011, to select the team. In the year the competition is shot in New Zealand the scores used for selection will be from the previous ACTA Nationals and the previous Australia Cup final.

Recently it has come to my attention that unlicensed drivers are driving vehicles on the National grounds to move to the practice layouts and back and to move vehicles around the grounds. This is illegal and is prohibited on the grounds. Any accident or damage which occurred would not be covered by insurance and would be the responsibility of the vehicle owner. The public liability insurance specifically excludes accidents or damage caused by vehicles driven by unlicensed drivers. A sign will be placed at the front gate reminding vehicle owners of their responsibility.

I recently visited the Newcastle Lake Macquarie grounds, the site of the 2012 ISSF nationals. The grounds are located near Awaba on the western side of Lake Macquarie and are in very good condition. Club members were engaged in a working bee to ensure that, not only will the grounds look good, they will help shooters produce good results and possibly PQS scores as National squad members are preparing for the Olympics. This should also ensure a very competitive National Championships.

I look forward to seeing many shooters in the New Year at our National Championships and some good shooting.

CTSN Photo Competition Major Winner

Judging has taken place of the final winner of the CTSN photo competition and the chosen winner was Sally Cripps of the Blackall Clay Target Club.

Sally submitted this photograph which was taken at the Tambo Gun Club after they recorded 5 inches of rain for the weekend.

The traps are in the middle of the racecourse complex and organisers had to lay pallets across the straight to allow shooters access to the layouts without losing a boot or two along the way. It just proves that shooters will brave any conditions to have a shot.

The Blackall Clay Target Club receives the major prize of a full page gloss colour club advertisement in the CTSN.

ECHUCA CLAY TARGET CLUB

NOV 11-13 2011

Victorian State Trap Carnival

With severe storms, gale force wind, and heavy downpours through the earlier days of the week, the weather gods must have decided to relent for the Victorian State Trap Carnival held at the Echuca Clay Target Club on the Friday, Saturday, and Sunday, 11th, 12th, & 13th of November 2011. The shooters were blessed with perfect days for clay target shooting on Friday and Saturday, and although light cloud and a mild gusty wind on Sunday was a little annoying, the incoming rain fortunately held off until presentation time.

Over 320 competitors most with family members accompanying them made for a very large crowd of onlookers, especially at shoot off times, which really added to the carnival theme, especially with many sponsors and retail tents erected along the shooting complex. The Echuca ladies committee were kept very busy, feeding and watering so many people, and everyone was extremely grateful for the magnificent job they did.

Included in the opening ceremony was the induction of Echuca Clay Target Club member, Jon Whittakers into the VCTA Hall of Fame, and also Jack "Calrossie" Sutherland, posthumously, into the VCTA Hall of Fame. Grandson, Mr Gary Sutherland received Jack's certificate and spoke on his behalf. Jim Shepherd, was also presented with an induction into the VCTA Hall of Fame, for his tireless administration into the sport. Jim is a Maryborough member. A Special Award was presented to Echuca's Steve Haberman, for shooting a 50 pair straight in the Olympic Double Trap in the Singapore Open in 2011. And Euroa member John King was presented with a Life Membership to the VCTA North East Zone.

Beaufort member, Jack Mathey, was presented with a Life Membership in the Victorian Clay Target Association.

Event One, was a Victorian State 25 pair Double Rise Championship, and Little River Gun Club member, Marc Crimmins, only allowed one of the fifty targets to escape, and

with no one able to match that effort he became the Overall Winner due to his magnificent 49/50 score. Local member, Steve Atkins, who usually shines in this difficult discipline had to settle for 2nd in AA grade, shooting a 57/60 score. Bill Iles a Hay NSW member shot 47/50 to win the Veterans medal, Echuca's, Emma Cox, shot a 46/50 and that earned her the Ladies medal, and Melbourne Gun Club member Jack Wallace won the Juniors medal by shooting a 55/60 score.

Event Two, a 50 target Victorian State Handicap, and after a shoot off lasting just 22 targets Mornington Clay Target Club member Daniel Cleary, hit one more target than Phillip McGrath, a Spring Bay club member who dropped his 72nd target to collect the 2nd place cash which was a very healthy \$1000.00. Daniel Cleary having shot his 72nd target proudly put his hand out for the First Place Sash and cash which was a magnificent \$1500.00 dollars. James Hayden a

Noorat Gun Club member shot a 64/65 score to claim 3rd place, Mildura member Frank Dimasi shot a 55/56 to pick up 4th place cash, and Hobart Gun Club member Christopher Jenkins shot a 54/55 to claim the 5th place prize. Ian Holt from the Colac Gun Club shot a 55/56 to claim the Veterans medal, Werribee's Tracey Barton won the Ladies medal with a 51/52 result, and James Hayden also won the junior's medal with his well shot 64/65.

Boast with a 70/70 score, juniors medal was claimed by Ethan Brindley with a 108/108 result.

Finally Event Five, a 50 target Victorian State Points Score Championship, and this day was different from Friday and Saturday, having plenty of cloud patches, and varying gusty wind, it was to be expected that the scores were not going to be as impressive as in the previous events. 165 points was all that Werribee member Chris Brown had to shoot to beat off the last contender, Cosgrove shooter, Russell Felmingham, who dropped his last target entirely, giving Chris the Overall Winners Sash and trophy with a 165/165 result. Russell Felmingham had to settle for 1st place in AA Grade, with his score of 162/165.

Again, Bill Iles, collected the Veterans medal with a 161/162 score, Helen Overton from the Brewarrina Clay Target Club shot a 186/189 to secure the Ladies medal, and John Duryea picked up the Juniors medal with a 148/150 score.

Totalling the actual events, targets and points, gave Little River GC member, Marc Crimmins, the honour of being the Overall High Gun Winner with a score of 341/350, congratulations and well shot Marc! Marc received his red, OA HG Sash, and gold Badge, also he was presented with

an OU shotgun by Nathan McDonnell, representing the Sponsors, Spartan Global, and his name will be recorded on the Ian Hill perpetual Cup. John Duryea shooting for the Hay NSW GC totalled 340/350 and that earned him the AA Grade Overall High Gun Sash. The A Grade Overall High Gun Sash was won by Colac member Sarah Holt, Sarah totalled a 368/390 score after an interesting shoot off. Bailey Vogelzang a Mansfield member claimed the B Grade Overall High Gun Sash with his 319/350 total, the C Grade Overall High Gun Sash was taken by Michael Hopkins a Wonthaggi member with a score of 305/350. Bill Iles put his name on the Veterans Overall High Gun Sash with a score of 337/350, the Ladies Overall High Gun Sash was captured by Emma Cox who shot extremely well for the entire carnival, Emma's score was 333/350, the Junior Overall High Gun Sash was claimed by John Duryea another shooter performing so well this year, shooting a 340/350 score.

Teams were decided throughout the carnival with some shoot off's required and the following is how they ended up, starting with the Postal Teams.

Victorian State Postal Teams:

Open Team: David Nielsen, Craig Fitzgerald, Andrew Brady, Geoff Aston, Chris Brown, Sox Pilipasisdis, Nathan McDonnell, David Fenn, Geoff McLean, Stephen Atkins, William Woodward, Robert Collicoat, Steve Haberman, and finally, last but certainly not least, because he also claimed the Team High Gun Sash, Russell Felmingham.

Ladies Team:

Lauren Duthie, Penny Smith, Brittany Sinclair, Vilya Vogelzang, Emma Cox, And Sarah Holt, who also put her name on the Team High Gun Sash.

Junior Team: Jack Wallace, Penny Smith, Thomas Allen, Matthew Downes, Rhys Eeles, and finally Team High Gun winner, David Fenn.

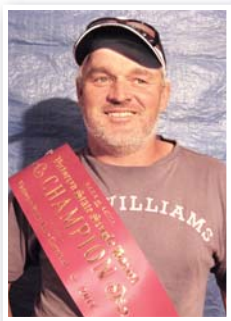

Veterans Team: Team High Gun Sash, winner, Chris Carrol, Jon Whittakers,

and on this day Werribee members were unbeatable taking out this and the next event. Mathew Cocks survived the shoot off to score an excellent 82/82 and that earned him the Overall Winners Sash and trophy, John Duryea a Hay NSW member dropped his 82nd to become the 1st in AA grade winner on a score of 81/82. Ian Dickins from Colac shot an 48/50 score and that gave him the Veterans medal, Sandra Ellis a Spring Bay member picked up the Ladies medal by shooting a 53/54, and John Duryea easily took out the Junior's medal when he had shot a 50/50 score.

Event Four, was a 50 target Victorian State Double Barrel Championship, and although the shoot off lasted long enough to have to be finalised on the Sunday morning, it again was a Werribee member, Nathan McDonnell, who survived all others to win the Overall Winners Sash and trophy having shot a very healthy 389/389 final score. NSW Gun Club member Arty Del-Ben dropped his 389th target and that gave him 1st place in AA grade with his score of 388/389. Morwell GC member Andrew Brady dropped his 354th target earning him 2nd in AA, and Echuca member Steve Haberman let his 351st target

Nathan McDonnell

An extremely successful Trap Carnival with high nomination numbers, good shooting and good reports of satisfaction on the way the program was run. The Grounds were

a picture, and a big testament to how much work the Echuca Clay Target Club members have put in, during the previous weeks to get them to that standard. With all events except the Double Barrel finalising on the day, it was very easy to see the advantage of being able to run a full ten traps for the Carnival.

A big thank you must go to the State Committee for their effort in organising and running the program, and also to Frank Auditore for his management of the computer system. Someone that must be thanked must surely be the shooters themselves, who enable Trap Carnivals like this to actually function, by entering nominations, and travelling to the location. A very big thanks, and good shooting, for the rest of this year and into 2012.

JOHN BRYANT MEMORIAL CUP

The John Bryant Memorial Cup was first contested for in 2010 and celebrates the shooting career of one of Victoria's greatest shots. John sadly passed away in 2010. John was inducted into the VCTA Hall of fame in 2009 and generously donated a perpetual trophy for the best junior shooter in the State Double Barrel event under the age of 18 years. The 2011 winner of this very memorable trophy is 16 year old Ethan Brindley from the Albury/Wodonga CTC who won with a score of 108/108. Ethan also receives a replica copy of the cup to take home.

We're Back

After a long absence from regular monthly DTL shoots a small group of senior club members decided to approach the committee for support to embark on a programme of monthly Budget 100 target shoots with cash prizes for all grades as well as a overall prize and or sash for the winner on the day. The nomination for the day is \$40 and prize money is guaranteed \$80 for overall first, \$40 for 1st, \$30 second and \$20 third in all grades from AA to C Grade.

With short notice the first of these events was conducted on the 1st October with only a small but enthusiastic attendance. With minimal advertising other than by word of mouth our second shoot was held on the 5th November with double the entries of the first. The quality of shooters can be reflected in the results for the programme of one 100 Target event comprising 50 target double barrel and 50 target Points Score. In future the programme will vary but still comprise 100 targets whether it be double, single, points score or even double rise events.

Results from our November shoot which was conducted under

ideal conditions and trialling Winchester White Flyer targets were as follows.

Overall went to Paul Farrugia and L Reghelin, with a score of 198/200 and decided to split the prize money for overall and A Grade.

AA grade was won by the Big Banana Vince Gatt on 197/200 missing only one target in the points score. Second and third was fought out by the two veterans Peter Papps and Herb Prior both on a score of 196/200 Final placings Papps 216/220 Prior 214/220 for second and third respectively.

A grade second place went to Andrew T (Tsolakis) with a score of 194/200 ahead of Mick Bajada on 193/200 Mick went into the Point score with 50/50 on the board but fell foul of the points Score, B grade was won by Don Durrant on 185/200, C grade was won by Simon Ho 127/200 from R Bartolo on 118/200

From comments made during the presentations we had a very happy group of shooters all itching to get amongst it at our next shoot on the 3rd of December. See you there!

At this point I would like to thank the following people – Vivien for looking after us with all that lovely food in the canteen, Maria, Gracie & Rebecca for all their hard work in the office, Ben & Anthony Bartolo for looking after the trapping, Peter & Herbie for looking after nominations & putting together this shoot report.

On behalf of CPCTC I'd like to extend my warmest wishes for a Merry Christmas & a safe & Happy New Year to all.

COMMONWEALTH CARNIVAL

Downside Clay Target Club hosted the 2011 Commonwealth Carnival at the National ground in Wagga Wagga commencing Friday October 28 and concluding Sunday October 30. It was a last minute decision for the carnival to be hosted in New South Wales and the timing saw it occur between the NSW and the Victorian State titles. Needless to say with everyone feeling the pinch for spare dollars the numbers were not what we would have hoped to get.

Thanks to a small but dedicated team at the club, the event went off without a hitch and all those who did attend enjoyed themselves. I would like to make a special mention of thanks to the girls in the National office who organised, at very short notice, the advertising, medals, sashes, badges, EFTPOS machines and all the camping details associated with running this event. Another huge thank you must go to the fantastic ladies in the events office - Janenne Kidd from Wagga who ran the computer and took the fantastic photos that appear along with this article, Lynne Teale who always stands ready to pitch in when needed, Janene Schiller and Matt's Amy from Young - all of whom rolled their sleeves up to do the handicapping and manned the windows to sell practice tokens and generally looked after all the queries the shooters had. Thanks also to Leanne Turner who fed everybody all weekend and to Don Power and his crew for making the bar

Matt Schiller OA HG & OA PS

facility available. Also thanks to the indefatigable Bob & Lyn Blake of Downside who worked tirelessly the entire time to ensure everything went smoothly behind the scenes.

Friday kicked off with the Champion of Champions 75 target event with 47 competitors. With a score that was to set a trend for the only possible shot (apart from the Double Barrel and Double Rise) the overall winner with 125/125 was Jason Owen from the Narromine Club in NSW. 1st AA Gary Hayden, 2nd AA Mark Drain, 1st A Jim

Mortys, 2nd A Allen Cole, 1st B Joseph O'Brien, 2nd B Kay Hunt. The Women's title went to Wendy Barton, Juniors to Jason Owen and Veterans to Jeff Nash.

The second event was the 50 target Handicap with Glenn Barton from Tumut, NSW shooting not only the only possible out of a field of 46 and taking the Overall, but doing so off 25 metres - a great effort. 2nd place went to Ben Fairman from Downside, 3rd to Jeff Nash from Orange, 4th to John Duryea from Hay and 5th to Jim Mortys from Cecil Park.

Saturday dawned a bit damp and gloomy. Not the best for the first event which was the Single Barrel. Again, with the only possible, the winner was John Duryea from Hay out of 59 competitors. 1st AA Glenn Barton, 2nd Jeff Nash, 1st A Trina Watchorn, 2nd Jim Mortys, 1st B Mitchell Kneebone, 2nd Lyn Blake, 1st C Amy Jenner. The Women's title went to Kate Schiller, Juniors to John Duryea and Veterans to Jeff Nash.

Sixty-three shooters lined up to compete in the 50 target Double Barrel. 13 shot possibles and after 153 targets in the shoot off Glenn Barton came out on top to take the overall from Craig Ceely of Downside. 2nd AA went to Peter Fitzalan, 1st A Vic Tomasoni, 2nd A Trina Watchorn, 1st B Joseph O'Brien, 2nd B Alexandria Heffernan-Power, 1st C Amy Jenner. The Women's title went to Kate Schiller, Juniors to James Buchholz and Veterans to Peter Fitzalan.

Sunday was fine but very windy - of course - it was Double Rise day after all! But before the pain of the Doubles the 50 target

Points Score had to be shot. 65 competitors slugged it out in difficult conditions and Matt Schiller came up trumps with the only possible and took the overall with a 150/150. 1st AA Wayne Headon, 2nd Darryl Reed. 1st A Clinton Kneebone, 2nd A Bob Blake, 1st B Joseph O'Brien, 2nd Alexandria Heffernan-Power, 1st C Andrew Roach. The Women's title went to Wendy Barton, Juniors to Matt Hayden and Veterans to Jeff Nash.

Fifty-eight brave and hardy souls competed in the 25 pair Double Rise event, not only against each other, but the wind as well. The best score for the day was 42 with 3 shooters entering into the shoot off. After only five pair we had a result and Jason Owen took the Overall from Justin Hitchens 1st AA and Gary Hayden 2nd AA, 1st A Jim Mortys, 2nd A Rick Mathers, 1st B Joseph O'Brien, 2nd B Alexandria Heffernan-Power. There were no competitors in C Grade.

Another theme that ran through the weekend was the age of our event winners. Coming in

at only 23 was Glenn Barton with two titles, Juniors Jason Owen – two titles, and John Duryea one title. Matt Schiller carried this trend on by not only winning the Points Score but also taking out the Overall High Gun with an excellent score of 458/475 at the tender age of 19. Not only was this wonderful shooting but the way these young men conducted themselves throughout the shoot and at presentations was heart warming and ensures our sport is in good hands moving forward.

The AA grade High Gun went to Jason Owen with 481/500, A Grade to Jim Mortys 440/475, B Grade to Joseph O'Brien 405/475 and C Grade to Amy Jenner 216/475. The Women's High Gun was won by Wendy Barton with 430/475, the Juniors by Jason Owen 456/475 and the Veterans by Jeff Nash on 454/475.

Our thanks to Casella Wines whose

L-R Jeff Nash Vet PS, Matt Hayden Jnr PS, Wendy Barton Lad PS

sponsorship ensured the prize money levels were commensurate with this event even with the low numbers in attendance. Also thanks to Gary Hayden who donned his ACTA Executive uniform to assist with presentations. Noel Edlington, Peter Whitlock and Bob Blake complimented Gary by dressing in their NSW Executive gear and really making the presentations an event in itself.

State Tower Championship at Derwent Valley

The Derwent Valley Field and Game Club Inc have over the last three months constructed a Tower to throw clay targets from and the first event for this new facility was a 50 target State Championship competition conducted on Sunday the 6th of November.

Chris Jenkins overall winner

As usual with most small sporting clubs plenty of extra voluntary work was necessary to make an improvement like this happen and a huge thanks for this must go to Roger Manton (Briarbanks Engineering) Ron Moses, Keith Howells, Graeme Jarvis and Darryl Johns.

Results at the end of the Tower competition and overall State Tower champion for 2011 was our local Derwent Valley club member Chris Jenkins with a 49/50 score followed by Stuart Woods A grade 48/50, Tom King B grade 44/51 and Des Burrows C grade 39/50.

The other event on the day was a fifty target Down the Line competition and the AA grade went to Kyle Booth with 88/88 (a 50/50 followed then by a shoot off adding another 38 targets) Tom Jenkins A grade 48/50, Neville Shepperd B grade 47/50 and Brian Bailey C grade 46/50.

The Derwent Valley Field and Game Club Inc is at present the only Club in Tasmania with Down the Line, Skeet and Tower layouts all under the Australian Clay Target Association guidelines plus membership with Field and Game Federation of Australia and through this the ability to conduct sporting clay target competitions under international rules.

For anyone wanting to know more about clay target shooting competitions, practice and "try out days" they should contact the Derwent Valley Field and Game Club Inc President Ray Williams on 6261 3444.

Barellan Clay Target Club

Barellan Clay Target Club recently awarded Life Membership to two long serving and dedicated members.

Life members, Allan Bound & Les Irvin

The first to receive the honour was Mr Les Irvin from Barellan. Les has been a member for more than 32 years and president since 1980. A position that he has held for all but 2 years in 1984 & 1985. He is a hard worker for our club (as is all of his family) and the club wouldn't be the club that it is today without his dedication and commitment. Les and his family travel around to the local shoots and help out where necessary with refereeing, scoring etc.

The second recipient of Life Membership was Mr Allan Bound from Ardlethan. Allan who is currently our club coach has been shooting since the 70's and has been a continuous member of our club. He is widely known

throughout the shooting community at not only Down the Line but at Field & Game shooting. He is a happy-go-lucky character and loves to help novice shooters, and it is no surprise that he is our coach.

Two truly deserving recipients of our Club's highest honour, joining only three other life memberships that have been awarded over the years.

MEINDL Marksman 8
Trapshooting Shoes

Marksman I - Pistachio Marksman II - Dark Brown Marksman I - Marine

Improve your shooting posture.

Stance, posture, and balance, are all vitally important to achieve success in the sporting world. This holds especially true for trap shooters.

Like the boxer who balances on the ball of the foot to allow for quick reactions and improved balance. A successful trap shooter requires similar degrees of balance and reaction time.

The Meindl Marksman is a light-weight shoe that assists the transfer of weight from the heel forward onto the ball of the foot. This improved stance offers increased control under recoil and a faster response onto targets.

The Meindl Marksman is available in two models the Marksman 1 and the Marksman 2 in both ladies and men's sizes.

NSW GUN CLUB CHARITY SHOOT 17 & 18 August 2011

We couldn't have asked for a better weekend, in terms of both shooting and conditions. Saturday turned out some great weather; 25 degrees and clear skies, with the smell of gunpowder soon in the air. We had a fantastic turnout; more than a hundred shooters turned up for Day 1 of our anniversary shoot, and as usual we turned it on with breakfast and some great coffee courtesy of our local barista, Joe Chiapetta. Many thanks, Joe.

Shoot Marshall Arty Del-Ben, OA Medley & OA HG with President NSW Gun Club, Hugh McMaster

At 10am the first shot was fired, our opening event being the 30 TGT Medley which was shot from 18 metres. No shooter managed a possible, but seven competitors shot 49. Arty Del-Ben won the subsequent shoot off for overall, finishing with 124/125. The results for the grades were as follows: AA Grade: 1st N Xenos, 122/125, 2nd G Coleman, 98/100, A Grade: 1st Y Neziz, 47/50, after a

shoot-off with Ross McLean, 2nd 47/50, B Grade 1st N Malouf 49/50, 2nd F Bartolo 45/50, C Grade 1st G Americanas 48/50, 2nd G Muoio 45/50.

Our second event was a 30 TGT Points Score. This time around, we managed three possibles out of the mix, and the shoot-off was quickly resolved. Congrats to the overall winner, Nick Xenos, who shot 105/105.

As for the individual grades, trench shooter extraordinaire Tony "Cyclops" Cantali topped AA grade with Tony A. a close second. Honours for A Grade went to young Chris Barber who shot 89/90, with Y Neziz runner-up with 87/90. B Walters took B Grade on 89/90 with Megan Wilkins second on 86/90.

A Del-Ben with N Xenos, OA PS & Hugh McMaster

An up and coming junior in Drew Preece claimed the C Grade title, with another junior Brody Walters taking second place with 83/90.

Event 3 was the 30 TGT Double Barrel, incorporating the Bill van Beek Perpetual Trophy. As expected, this event churned out quite a few possibles, 17 in total. It took close to 80 targets before a winner was decided, with Rodney van Beek finally getting his hands on his old man's trophy after shooting 110/110. Great shooting, and congratulations to Rodney.

Top of AA Grade was Greg Coleman on 109/110 with Arty Del-Ben having to settle for second spot on 99/100. A Grade went to Ross McLean, J. Hirsch claiming second, B Walters and Dianne Deland took 1st and 2nd in B Grade respectively. C Grade for this event came down to a battle of the ladies, with Kay Hunt edging out Elena "Curly" Clark to take first place.

Saturday's competition came to an end well before 5.00pm, so credit goes to the staff for helping the day to run so smoothly, and giving us plenty of time to kick our feet up afterwards and enjoy the night's festivities. The boys from Orange were well amongst them, making sure the bar staff didn't get too bored, so a couple of thanks for that.

Sunday provided us with another glorious day for shooting, keeping up the clear skies and sunny weather, and the

Chloe Frost with Judy Czinker enjoying the days shooting

atmosphere was made even better with another round of breakfast and some fresh coffee waiting for everyone when they got there.

Event 1 of the day was the 30 TGT Handicap. Coming into the home straight of the event, Joe Caltabiano had a chance to win the event with his last shot, but missed his target from 25 metres. Good effort, Joe, but he didn't know at the time that he'd missed out. No possibles had been recorded for the event, so the eight shooters who shot 29 were right back out there for a shoot-off. Joe's miss must have been an omen, because his nephew Steve Caltabiano shot through 12 more targets to claim 1st place and the overall handicap title with a 41/42. Y Neziz fell just short

of first and settled for second place with his 40/42 effort, 3rd went to Rob Clarke with 39/41, 4th to K Thompson with 37/39, and rounding out the top 5 was 5th place C Sherry who shot a 34/36.

An interesting note to take from the handicap shoot off was that the majority of the shooters in it were shooting from quite far back; at least 23 metres in most cases. Some high-quality shooting there.

Next up was the 30 TGT Single Barrel, but the weather decided to make the event a tad more challenging, the wind turning around full force. The targets were getting quite tricky by the time the event kicked off, and it showed in the results; top score was 29, which four people scored to prompt a shoot-off.

But the shoot-off was over by the fourth target, with Steve Caltabiano being the last shooter standing. We all scratched our heads in surprise and got a good laugh out of it. Jokes aside, congrats to Steve for another great win at the shoot. 1st in AA Grade was H Guerriero with Con Plessas second. In A Grade Shacky finally won something to take first place with A Hurford

Continued from page 17

in second, Bob Walters was starting to raise some eyebrows with yet another win in B Grade, leaving N Malouf as runner-up. New member, and daughter of our legendary pole dancer Brian, Chloe won C Grade with 25/30, just ahead of second placed Brody Walters.

Our final event for the day, and the carnival, was the 15 Pair Double Rise. By now, the wind was really gusting through and playing haywire with the targets. And it showed, too, with Rodney van Beek managing an outright win with a 28/30. Most of us were in awe watching Rodney shooting off Trap 2, where he somehow managed to hit thirteen straight pairs under the testing conditions. AA went to Arty, followed by Agro, and Ziad topped A Grade by edging out Louis Galea. Bob Walters added yet another feather to his cap by winning the B Grade section (we were sensing a pattern by this point), ahead of Albert Muoio. C Grade went to Brody Walters over Chloe Frost.

When the dust had settled and the wind had died down, the scores had all magically worked out, with no shoot-offs required to decide any of the High gun winners. The winners are listed as follows; Sub Juniors: Brody Walters, 218/255, Juniors: C Barber 230/255, Ladies: S Peck, 230/255, Veterans: P Fitzalan, 233/255, C Grade: G Muoio, 222/255, B Grade: Bob Walters, 237/255, A Grade: Y Nezir, 237/255, AA Grade: H Guerriero, 247/255, Overall High Gun: A Del-Ben, 248/255.

Team shoots were also being held in amidst some of the other events. The three man team on the Handicap event was sorted as N Xenos, C Plessas, and T Cantali. Well done to the boys on their shooting.

We also held two inter-club competitions during the shoot. First was

Port Macquarie Gun Club versus NSW Gun Club. Congratulations to Port Macquarie for their solid win, and it was great to see you all make the trip to take part in our shoot. The other competition was between Orange Gun Club and NSW Gun Club. NSW Gun Club just barely managed to win, and we were quite pleased with our efforts, since Orange is a hard outfit to roll.

To all our sponsors, we'd like to extend our gratitude for helping to sponsor the events: Clay Targets Australia, Casella

Elena Clark visting shooter from Newcastle Lake Macquarie Gun Club with Arty

Wines, Horsley Park Gun Shop, Milperra Marketing, Eley Australia and Vittoria Coffee. Many, many thanks to each and every one of you.

Some honourable mentions are also deserved for their contributions to the shoot: To everyone who helped to keep the grounds in immaculate condition for the shoot, and the board of the NSW Gun Club for putting together and running this charity shoot. To the office staff led by Frank for keeping the shoot ticking over, shoot marshals Arty and Neale for making sure the events ran smoothly, and Arty's boys Aron and Shannon for helping out with the trapping. To the kitchen staff and especially Col Harris for cooking up a cracking breakfast on both days.

To Hugh McMaster, President of NSW Gun Club, for his continued support of this shoot, and his open mind towards any new ideas which could help to improve shooting for both members and visitors. And to Duffy Forest's Rural Fire Brigade, for lending a hand on Sunday to help with the traps and raking shells between waves.

The attendance for this shoot was up from previous years, so obviously we must be doing something right to keep the shooters happy and wanting to come back. We'd also like to assure everyone that the shoot will be running again next year, bigger and better than ever.

Overall, the shoot was a smashing success and a great weekend for everyone involved, especially for NSW Gun Club Members who managed to win every event including the High Gun. We managed to raise over \$4,500 dollars for Charity over the course of the shoot, and would like to take this chance to thank everyone who participated for their patronage. We'd also like to invite one and all to our shoot next year.

The Squire reports from West Wyalong

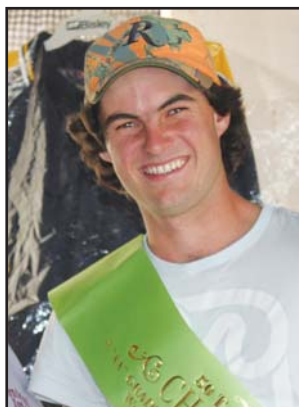

There were six squads of shooters at the West Wyalong Clay Target Club's Open Shoot held on the last weekend in October.

Organisers had hoped for another two or three squads but the quality of shooting on the day more than made up for the lack of numbers.

There was however, a good representation of shooters from across the central west and Riverina including Griffith, Junee, Goulburn, Yass, Boorowa, Cowra, Young and Forbes.

Matt Patmore OA winner 50 Tgt PS

Matt Schiller 1st AA Grade PS

Narelle Ambrose Lad winner 50 Tgt PS

A who's who of regional clay target shooting shot the possible in the 10 Target Double Barrel Eye Opener including local club members John Wason, Graham Duncan, Geoff Brettschneider, Denis Funnell, Don Turner, Dozer Collins, James Turner and Michael Fyfe.

The first serious event of the day was 50 Targets Points Score and it was Matt Patmore who had recently returned from a clay target shooting stint in the USA who showed the way winning overall 149/150.

First in AA Grade was Matt Schiller 148/150 and second was Clive Foster 147/150. Wayne Ambrose 143/150 won A Grade from Steve Schiller 143/150 after a shoot off to decide the winner. Allan Schirmer 137/150 won B Grade from Graham Duncan 135/150. C Grade winner Edward Fryer shot 131/150 to narrowly defeat Amy Jenner 130/150.

Narelle Ambrose 135/150 claimed the Lady's sash while Junior James Turner and Veteran Ray Schiller each shot 140/150 to claim victory in their respective sections.

Overall prize money of five hundred dollars was up for grabs in the 25 Target Handicap event and after the noise had died down it was Brett McAllister who claimed the 300 bucks first prize and he left it to Paul Batson, James Turner and Ray Schiller to sort out the minor change.

Paul had an early miss and was out of the shoot off but James the junior and Ray the veteran both shooting off 19 metres kept at it for another 20 targets before Ray had a miss and let James into second.

It was noted after the shoot that although it was James who won the \$200 it was his Mum who had her hands on the dough.

With the quality of shooters on hand it was obvious the 50 Target Double Barrel would take some time to finalise and this proved to be the case. Six shooters shot the maximum targets and two dropped out of the shoot off relatively early. Shortly after 150 targets Laurie Doyle from Junee had a miss but was able to claim his 150 break badge as consolation and that seemed to cheer him up. Shortly afterwards Matt Schiller had an uncharacteristic miss leaving Dozer Collins and Matt Patmore as the last men standing. Two hundred targets came and went before eventually Matt Patmore missed and Dozer Collins claimed a popular win.

It was a shame that so few shooters were on hand for the presentation as the major sponsors Royan's Truck and Trailer Repairs, Access Recycling Services and Rocket's Earthmoving had a fine array of sashes to be awarded.

New Club President, Dozer Collins did a fine job at the presentation but it was so long since The Squire had won a sash Dozer had to give him instructions on how to put it on correctly.

Dozer thanked Narelle Ambrose, Alison and Libby Wason for their effort in the canteen and a special mention was made of Sue Turner and Janene and Amy Hewitt who had worked so efficiently in the shoot office.

Still Engineering 100 Target Double Barrel at Bathurst

Eight squads of shooters contested the Still Engineering 100 target Double Barrel. The event was shot over 4 layouts with 25 targets from each.

Dick Piotrowski and Bob Alston were the only shooters to finish 100/100. Close behind was Peter Haley 99/100, Henry Phillip, Jeff Nash, Joe Caltabiano, Ross McLean and Peter Hayman 98/100.

The shoot off for the winner's cheque was very entertaining with both shooters going toe to toe for another 58 targets, Dick held off a determined challenge from Bob to take the overall prize money.

L-R: Sponsor Matt Still, Dick Piotrowski, Bob Alston

The performance has elevated Bob to AA grade which pleased the assembled crowd no end. Well done Bob.

Bathurst Gun Club has completed the extension to the front awning of the Club House, it has

L-R Back: Peter Haley, Sam Laspina, Dick Piotrowski, Bob Alston & Charlie Bonano; Front L-R: Henry Phillip, Wayne Love, Mike Harber & Matt Still

Thanks good to all the usual people in the kitchen, scorers and referees and to our sponsor Matt Still from Still Engineering. Without their help these events do not happen.

Just remember we are planning a big King of the Mount in February 2012. We hope to see you there.

Psychological Skills for Shooting

Michael Kruger-Davis

STRESS TEST

For most of us when we were at school we learnt to read, write and do sums. We do these skills on a daily basis and we would definitely notice how difficult some aspects of our life would be if we had trouble doing them. Dealing with stress is something that

we need to do on a daily basis as well and yet learning to manage stress is left entirely to chance.

Earlier this year I wrote a selection of articles about dealing with stress. This article is a follow-on article in that series.

From time to time in our lives we become overwhelmed: bills, being bullied, excessive demands on our time and resources, flat tyres, traffic, late bus, quarrelling kids and partners, etc. We can cope using destructive ways: drugs, avoidance, alcohol are common but they do not fix the problem they just hide the symptoms. In the September/October edition of *Scientific American: The Mind*, there is an article by Robert Epstein, *Fight the Frazzled Mind*, which claims that research over the past few decades suggests that there are four broad, trainable skill sets or "competencies" that we can use to manage stress non-destructively. The competencies are:

1. **Source management.** This involves reducing or eliminating the sources of stress.
2. **Relaxation.** Practising such techniques as breathing exercises or meditation
3. **Thought management.** Correcting irrational thinking and interpreting events in ways that don't hurt you.
4. **Prevention.** Planning and conducting your life so that you avoid stressors.

The author conducted research involving 3304 (this is a large sample) of ethnically and racially diverse people from all over the world through participation in an online test at [http:// MyStressManagementSkills.com](http://MyStressManagementSkills.com) using a survey that explore the usefulness of the four competencies listed above.

The author thought that he could predict the outcomes of the study fairly well and supposed that the most used competencies would be relaxation followed by thought management. Both of these are reactive strategies: that is you use them when you are experiencing stress. What he found however was the proactive strategy: Prevention: doing things

such as planning your day and trying to avoid stressors before they affect you, was the most effective competency. This was followed by Source Management, which includes things such as delegating tasks, organising your space scheduling your time, etc. The reactive strategies: relaxation and thought management were the least predictive strategies.

There is an interesting lesson here. Manage your stress proactively. Taking some deep breaths or counting to ten when you are stressed are good strategies but you will be much better off if you can find ways to avoid situations that make you feel stressed in the first place.

Epstein asks, "Can we fight stress more effectively? Fortunately, his study showed that (1) People who had training in stress management are better at it than people who have not and (2) the greater the number of training hours the better the skills. This means that regardless of what our natural reactions to stress are, learning stress-management skills is likely to be helpful in the long term.

Epstein outlines 6 strategies for fighting stress before it starts.

Firstly, **Seek and kill.** Take a few minutes each day to identify your stressors and find ways to reduce or eliminate them.

Secondly, **Commit to the positive.** Replace self-destructive coping strategies such as drinking, drugs or over eating with positive helpful strategies such as exercise, relation, yoga, etc.

Next, **Be your own secretary.** Keep lists of what you need to do, use your diary or smart phone to be better organised and planned for what needs to come next.

Fourthly, **Immunise yourself.** Use exercise, thought management and relaxation strategies to be in a better frame of mind to tackle stressful events.

Next, **Make a little plan.** Spend a few minutes each morning planning your day. You will get more done, waste less time and feel less stressed.

Finally, **Make a big plan.** This will give you greater control over your life. The more control you have the less stressed you will feel.

An inability or unwillingness to deal with stress can have a devastating effect on our lives. The study also showed a high positive correlation between test scores and the levels of happiness people reported. The concept of happiness I will deal with in future articles.

Epstein state the bottom line is: that stress management is both trainable and beneficial and you can reap the greatest benefits by fighting stress before it starts.

Before I conclude this month, I recommend that readers go to www.abc.net.au and look or listen to the Radio National: Background Briefing program of Sunday 14/11/2011 called "Guns are Back". This is a reasonably balanced report but it gives us insight into the thinking of the anti-gun lobby (Coalition for Gun Control) and the input from the media. There is also opportunities to make comments or read other peoples comments. This was far better coverage than the article that appeared on the cover of *The Australian* on Thursday 27th November, which showed shooters with quarry such as elephants, bears, zebras, etc. These images are harder to justify to those that would like to have our sport shut down.

GLEN INNES

Spring Fling Open Shoot

The shooting conditions must have been very close to perfect during The Spring Fling shot at Glen Innes Clay Target Club on Saturday 5th November 2011. How else to explain that seven shooters out of 42 shot themselves into a higher grade over three events? That's unheard of. Maybe one or two or none, but seven?

A big contingent arrived from Inverell in brand new very colourful (red, green, blue and yellow) club shirts, of course immediately were dubbed the "parrots". The "parrots" did very well though. Matt Colley from Inverell won the Overall High Gun.

The graded High Guns were spread from Guyra to Lismore, Inverell and Glen Innes.

New Glen Innes shooter Peter Kennedy has taken to clay targets like a duck to water and won the C Grade High Gun as well as one first and two seconds.

We thank all the shooters who travelled from Coffs Harbour, Cohuna, Grafton, Guyra, Inverell, Port Macquarie, Richmond River, Tamworth, Toowoomba and Warwick. Thank you to anyone who helped in any way in preparing for or on the day of the shoot.

Tim Maher Stars at Mathoura

Tim Maher won three of the four events at the Mathoura Gun Club's October shoot.

Tim Maher with acting president Harry O'Connor

Shooting under lights, Tim dropped just one target in the main event, a 25 target Double Barrel Championship, giving him a 24/25 result and the 1st place in A grade trophy and also the Overall Winners Sash

He also dropped just one point in event three, a 10 target Points Score Cash Divide, earning him a 29/30 score and 1st place cash, and he was the only shooter able to shoot a clean round of 10/10 in the last event, a 10 target Single Barrel cash divide, giving him the 1st place cash in that event. Well shot Tim!

Mathoura members took care of the other grades in event two, the 25 tgt Double Barrel, Trevor Berryman collected B grade 1st on 18/25, and Peter McClusky after a short three way shoot off lasting just three targets, shot a 23/28 to take out C grade 1st.

Event One was a ten target Double Barrel Cash Divide, and two Echuca shooters shared the cash for 1st place, Anthony Maddick and Lance Muus, both having shot the full ten targets.

Event Three, the Points Score, that saw Tim Maher collect 1st place with his excellent 29/30 score, also saw Ricky Kiel pick up 2nd place cash with a 27/30 result, and Peter McClusky shot a 26/30 to put his hand out for the 3rd place dividend.

Event Four was a 10 target Single Barrel Cash Divide, with Tim Maher taking care of the 1st place dividend with his perfect 10/10 result, R Kiel shot an 9/10 score, as did A Maddick, so they shared the cash left for 2nd place.

If you take into account the atrocious weather that was on offer for the shoot, a very strong gusty swirling wind that was bringing up dust clouds all night, and moving the targets around no end, the resulting scores shot on the night were really very good.

Caboolture Clay Target Club members go bush & take a stand at Teelba

Teelba Club House

After months of planning, nineteen members from Caboolture Clay Target Club set out on a 5 hour drive to Teelba on Friday 9th September. The early hours of Friday morning saw the rain come in, about 20mm fell over the region making the final leg of the journey interesting for some of our members and segregating the arrival times. Members who arrived the night before were able to escape the small dirt section of Teelba Road turned into a muddy skating rink from the early morning shower.

D.C. & Brian were the first to arrive on the Thursday morning, followed by Dave/Maz, Andy/Lois with caravans in tow on their final part of a Western Qld trip. Rain Clouds loomed on the horizon

Over the course of the day what seemed to be half of the Caboolture club arrived, it was the "Helwigs", Clinton and his merry men slid into the grounds around midday with Ryan following right on his tail. After a quick Stubby (or three) a short while later in comes the "Grunter Hunter", Mark, Chris and Luke have arrived with more traps, gear and tales from the dreaded mud strip, which found them taking an unplanned detour off the road into the scrub. Throughout the day the last of the utes arrived carrying the final traps, some of the Caboolture lads seemed to have trouble navigating the bush, with a pair not arriving until 10pm that night.

Early hours of Friday morning saw the rain come in; D.C. & Brian had the jug on for coffee with Brian looking a little weary from the night before, breakfast was underway on the BBQ & time for [yep] another beer.

The stories started to flow of the night before, starting with Brian's sleep over in the private shearer's quarters across the road. During the night a few gunshots rang out, "Bugger" thought Brian that must be a crazy bushman aiming at me, plus the ghosts that walked around his abode,

The young & the restless

the psycho with a cut-throat razor, not to mention the snakes & spiders. On top of this he took a slide off the dam wall road into a ditch, bogged (bloody Nissans). So barefooted he makes his way back across to the club house, collecting 6 inches of mud on the soles of his feet, to find someone willing to pull him out. By that time Ben, a local Teelba member, came to Brian's rescue and pulled him out with his Toyota, OH What a feeling!!

11pm under lights

With the skies clearing and the westerly's picking up the task of setting up the two five stands layouts began, in between a few beers. By day's end the traps were set up and in position, ready for the shoot on Saturday morning. The last task to complete was filling the traps with targets, which arrived on a tandem trailer with more mud on it than a WW1 tank in the Somme.

With nothing left to do but wait for the shooters to arrive the following day, out came a few more liquid gold's matched with a couple of Teelba members. The night went on and by this time the stars had come out, the crowd grew, even with the wind blowing, no one cared.

Saturday arrived bringing Ben, Wendy and a couple more of the Teelba members to cook up a nice hot breakfast for everyone. More Teelba members started to roll in, amazed at the layouts we had set up, comments and doubts were whispered around the crowd. Traps down a dam wall? Across the other side of the dam? An Incomer? Loopy? Cross-over? Bloody hell even a rabbit? Where are the "straight-a ways? And what the hell are those steel frame things in a row of 5 all about, what are these city folk talking about?

With the forty shooters registered and ready to shoot it was time to show Teelba what 5 stand was all about. At 10.00 O'clock the first squad was called up, a little later than we are used to starting, but after all out here we are running on Teelba Time.

After three rounds of twenty five targets were shot there were some credible scores posted from some shooters who have never seen five stand before. Teelba Club members were amazed at the targets that were presented. Comments over heard included "what's wrong with that trap, its targets are rolling on the ground?" and "I didn't know you could throw targets 100 meters?"

During the day, Wendy and some more of the hardworking ladies and men of the Teelba Club were back to supply a hot casserole for lunch before presentation time.

A sheep on the spit with country veggies were cooked for the evening meal, enjoyed in the company of people from the surrounding areas. Obviously the "bush telegraph" had got around as people started to call

Oh what a feeling Mudota

Caboolture Clay Target Club

in to see what the Caboolture Club was all about, mostly youngsters, all wanted or rather needed to have a shoot, experience or not. A DTL was set up for practice right through to the evening where the spot lights were turned on and the camp fires burned. At 10pm shots were still ringing out over the countryside, some people had called it a night, most had not, it was time for the most talked about event, the "Teelba Walk Back". Andy A was the first out for Caboolture, sent off to the club house at only eleven meters. Caboolture's reputation lay with Dave Milton to fight it out with Jon Penfold back at 27 meters, luckily[skilfully with the help of "Bundy"] Dave picked up the last target and the prize pool despite heckles from the crowd.

The night's events ended with the hotly contested "Goanna Pull" coming down to a bout between Jack Lasker and Jon Penfold with Jon hanging on for the win.

Midnight had crept up on a very long day and people started to retire to the comfort of their sleeping quarters. Out came the port over at Dave and Andy's vans. D.C (looking worst for wear) declined, but Clinton was still in full swing and Ryan had joined in for his first forced glass of Tawny? Then off to bed for most, apart from the few noisy youngsters up at 4.20am playing Hip-Hop, Rap and Techno music. What happened to good ole Slim Dusty?

On Sunday morning a BBQ breakfast was on, finishing up with goodbyes from the Caboolture Clay target club as the last lot left at 10.30am.

All in all, just a bloody great weekend, full accolades to Clinton for months of planning, the Sporting Shooters who have put in 100% in setting up, without them it would never have happened, well done Chris, Mark, & their fellow sporters.

Of course all of these things would not have been possible if it weren't for Ben Lasker, who asked all those months ago why we don't bring out some sporting traps so the boys at Teelba could have a go, to which Clinton replied "why the hell not". After a great weekend of shooting and some prizes won by the Caboolture boys, it was figured that the Teelba community was a great bunch of people, making us feel welcome and letting us play on their grounds.

Next year it will be bigger and better, with a date defiantly being set in the calendar for next year.

RESULTS: Event 1 1st Luke Chapman 23, 2nd Len Edwards 23, 1st Mark Baldwin 18, 2nd Darrell Colman 18, 1st Andy Atchison 15, 2nd Craig Richards 14, 1st Chris Moss 11, 2nd Shaun Salter 10.

Event 2 1st Andy Aitchison 23, 2nd Len Edwards 21, 1st Ben Lasker 18, 2nd Henry Balfour 17, 1st George Finn 14, 2nd Kevin Ryan 13, 1st Marty Weier 10, 2nd Zac Jones 9.

Event 3 1st Len Edwards 22, 2nd Darrell Colman 22, 1st Brett Pile 19, 2nd Ryan Cooley 19, 1st Zac Jones 14, 2nd Brett Bidstrup 14, 1st Cory Little 11, 2nd Stephanie Pile 11.

DENI GRAND PRIX SUPA SHOOT

The scene was set for a good weekend no pre nom's, no rain and no floods like last year and the prizes were waiting for the winners.

The weekend started off on Friday arvo with a few of the campers turning up and a relaxed practice shot. The club house was still being finished off as the old club rooms were flattened about 3 months ago and we had a deadline to get it finished. As the evening went on more and more campers turned up and picked a spot but some had their spots pre booked and allocated like Glen Castellaro. As the evening went on it turned to early morning listening to the stories of who is going to win what and by how many.

The morning was perfect a slight breeze but not too bad Event 1 the eye opener saw 13 possibles in AA, 2 in A 30/30, B grade 2 x 28/30, C grade 1x 25/30, which all got some cash to start the weekend off.

Event 2 was the 30 tgts Brunner Fabrication points which was strongly contested and ended up in a shoot off between Steve Haberman and Tim Maher with Tim Maher winning 108/108. Back to back for Tim he won this event last year well done Tim and you weren't at the late Friday night brag session. Steve with 1st AA 107/108, 2nd Brian Doyle 93/96, A grade went to Greg James 89/90, 2nd Ron Cugley B grade Chriss Prince 87/90, 2nd Paul Hamilton 84/90, C grade Dane Doyle 86/90, 2nd Barry Rogers 62/90.

Event 3 was the 30 tgt Mawsons Concrete single barrel with only 5 shooters to shoot the 30, Steve Haberman and Jack Colliccoat ended up being the last 2 in the shoot off. The shoot off went to 42 with Steve winning and left Jack with AA grade 41/42 2nd in AA John Rowe 38/39, A grade Tony Plum 33/34, 2nd A Leon Gibson 32/34, B grade Bailey Vogelzang 29/30, 2nd B Reg Walker 28/31, (we think Reg let the Junior win as we know what a softy Reg is), in C Grade we have the oldest competitor to the youngest C grade Dane Doyle 24/30, 2nd C Barry Rogers 17/30.

Event 4 the main event for day 1 was the 30 tgt Betta Electrical double barrel with a lot of possibles we had our work cut out to get these shooters though before dark as we don't have lights. The shoot off went down to 3 Brian Doyle, Wayne Hawker and Steve Haberman who decided to split o/all, AA first and 2nd AA at 255/255 which made life in the office easy. A grade went to Sharon Lananne just regarded with a nice 33/34, after a shoot off with Ron Cugley 2nd A 32/34, B grade Ash Jorgensen 44/45, 2nd B Reg Walker 29/30, C grade Dane Doyle 25/30, 2nd C Barry Rogers 20/30 in this event being our main for day 1 we also paid 1st in juniors, vets, sub juniors. Ladies was Emma Cox 30/31 Juniors Ned Colliccoat 43/44, Vet Bill Iles 104/105, Sub Jun Logan Weymyss 69/70.

Rob Colliccoat & OA High Gun Brian Doyle

The ladies in the kitchen provided a few nibbles and a couple of drinks were had to finish off a great day and we all heard the excuses why we missed.

Day 2 started the same blue sky and slight breeze.

Event 5 a 10 tgt eye opener and 13 possibles in AA 30/30, 4 in A

grade, 1 29/30, in B grade and 1 28/30 in C grade. We could see it was going to be a day of good scores and it was.

Event 6 The main event for the day a 60 tgt Duck poachers medley 20tgt double 20 tgt continental and 20 tgt single and appropriately sponsored by SH Shooting. This sorted out the ones that could keep their timing and the ones that could not. I think the Continental in the middle had a few struggling.

The O/All shoot off ended up with Wayne Hawker and Jack Colliccoat left to battle it out neither were going to give up with an u/o up for grabs and 100+ people watching. They went through quite a few rounds before Wayne went 1 down to give Jack the overall and the gun which I know will be sold so Jack can have some play money at uni. O/All Jack Colliccoat 192/193, 1st AA Wayne Hawker 191/193, 2nd AA Rob Anderson 158/159, A grade Greg James 97/100, 2nd A Logan Weymess 96/100, B grade Mick Mcfarlane 98/100, 2nd B Chriss Prince 97/100, 1st C grade Dane Doyle 88/100.

Event 7 15 pair Ladies Committee Double Rise O/All was Brian Doyle with a nice 29/30, AA 1st Glen Castellaro 58/60 at last he has a score on the board after Friday nite with the late nite and the few drinks we had Glen slowed until now the last event, nice work boys. 2nd AA Steve Atkins 57/60, A grade Alan Patten 25/30, 2nd A Ben Brown 24/30, B grade Olivia Comelli 32/40, 2nd B Laurie Cook 31/40, C grade Dane Doyle 17/30.

The High Guns were pretty well all worked out without shoot offs.

O/All High Gun and sponsored by Middendorpe Electrical was Brian Doyle with a score that was outstanding for the 2 days 335/340 a great score considering the variety of targets that we shot over the weekend we had a few that thought they may catch Brian but he just kept his head down and did the job. Well shot Doyley.

AA Steve Haberman 332/340, A Greg James 332/340 a top score for A grade only 8 down well shot, B Chriss Prince 301/340, C Dane Doyle 284/340, Ladies Emma Cox 317/340, Juniors James Willett 327/340, Sub Juniors Mitch Iles Crevatin 320/340, Vet Ron Cugley 315/340.

Some great scores were shot for the weekend and with an early finish for the travelers it made it a nice weekend. The ladies had some nibbles for the ones that wanted to stay for a while and we sorted out the finer points of the weekend over a beer or two. The committee would like to thank all of the sponsors we had for the weekend as the event would not have been such a success without them. We are looking to grow this event and make it a major on the shooting calendar with more sponsors and support I'm sure we will see this. The travelers made this shoot we had them for all over the Frankston boys were here again having a great weekend we had South Aussie shooters, Griffith, Stawell and even Maryborough just to mention a few. The Kitchen could not have been better with our new club rooms finished Friday Lunch time before the shoot the ladies did a marvelous job feeding and watering us especially Mon who stayed up all week preparing food for the weekend. Central IGA donated all the food for the girls a huge donation for the club. Heather who helped in the kitchen and everyone else thanks. We hope to see you all back next year and bring a friend.

Wangaratta Clay Target Club

NOVEMBER DTL

Kayla Grassi top Junior shooter

Young, local lady shooter, Kayla Grassi shot brilliantly on Saturday 19 November at the Wangaratta Clay Target Club. Kayla not only won 2nd in her grade in the 50 Tgt Double barrel championship, competing against all adult shooters present, but also achieved the Junior high gun trophy for the day. Her end result of 225/230, considering the wet conditions she was shooting under, proved her ability to master her chosen discipline of Down the Line trapshooting. Kayla stayed controlled and calm while shooting off against Brett Jory in the double barrel event, resulting in a win for her in this event.

The club had a very good attendance of 56 shooters, some of whom had travelled long distances to attend the shoot. The Wangaratta complex is widely regarded as one of the most popular clubs in Victoria, largely due to the excellent grounds with a good clear background, state of the art facilities and a friendly and welcoming atmosphere. Any club, like Wangaratta, that has been active and popular for over 90 years demonstrates a long history of making the right decisions and good administration levels. This high level of commitment and hard work from our current committee and members continues on to the present day, with lots more exciting projects planned for the future.

The 50 Tgt Points Score C/Ship event was taken out by local AA grade shooter, Daryl Hunt with the perfect score of 177/177 well done Daryl. Close behind Daryl was Brett Ford winning 2nd on 174/177. First in A was Brett Jory with another top result of 149/150, ahead of Dallas Ball shooting 153/156. Mansfield junior top shot, Bailey Vogelzang returned with a tally of 147/150 winning B grade and 2nd place won by local shooter Lou Rech with 146/150. C grade was well won by David Constable on 142/150, nudging out Reg Carmody on 139/150. Reg not a bad result for a 5 Stand Sporting clays enthusiast!

The next event was a 50 Tgt Double barrel C/Ship, generously sponsored by Darren Stone, from Wangaratta Saw & Lawnmower Service and Stihl Products. Once again, Daryl Hunt shot perfectly winning AA and Overall Champ with a result of 130/130. Daryl now has a Stihl blower to help keep his yard tidy around his home. Ben Vogelzang shot an almost perfect score of 129/130 winning 2nd in AA. A grader Dallas Ball shot another perfect result of 50/50 winning 1st in A, with 2nd place going to Kayla Grassi after a long shoot off, with a score of 130/131. In this event, Bailey Vogelzang also won a Stihl blower, smashing 58/59 targets to win B grade another great effort from a Junior competitor. Harry Ward took out 2nd in B with a score of 56/58. Once again, history repeated itself with David Constable winning C grade on 51/54 defeating Reg Carmody again on 50/54.

Once all the scores were totalled at the conclusion, Daryl Hunt won the Overall High Gun with 237/238, Veterans to Reg Phefley 220/230 and Juniors to Kayla Grassi 225/230.

5 STAND SPORTING CLAYS

Junior Adam Shale wins overall

Ideal weather conditions encouraged over

L-R: Reg Phefley, Brett Jory, Reg Carmody, Daryl Hunt and Bailey Vogelzang

40 trap shooters to attend the November 5 Stand Sporting Clays Championship event held at the Wangaratta Clay Target Club on Sunday, November 13. The club provided shooters with a wide range of challenging targets for this clay target discipline. The shoot was held over two grounds which more than satisfied all skill levels present on the day. This type of trap shooting appeals particularly to field shooters, as many of the targets presented duplicate the same type of challenges a sportsman would be presented with while shooting game.

The 100 target event was taken out by Junior shooter and AA grade, Adam Shale with the brilliant result of 89/100. Adam is part of a strong shooting sports family, where his sisters and mother are all enthusiastic, top shots. Adam was the only competitor of the day to shoot a perfect 25/25 in one of his segments, a truly remarkable feat for a discipline with a higher difficulty factor. Local club Secretary and hard worker for the club, Brett Jory shot 83/100 winning 2nd place. First in A grade was taken out by Mark Reynolds with 77/100, just ahead of Brendan Graham shooting 75/100 on 2nd place. Colin Finn, who also shoots Skeet, won 1st in B with a score of 70/100 and 2nd place went to Brian Hoyland on 68/100. Jake Henshall won C grade shooting a tally of 64/100 and 2nd to Josh Moore on 53/100.

The club is now in a position to offer three types of target shooting, including practice, at their North Wangaratta grounds. The club looks forward to another successful and busy year in 2012, by providing state of the art facilities and a friendly atmosphere to all shooters and visitors.

L-R: Brendan Graham, Colin Finn, Josh Moore, Adam Shale, Brian Hoyland, Brett Jory & Mark Reynolds

Tasmanian Gun Club Skeet Championships

The Tasmanian Gun Club Inc. held the annual Tasmanian Skeet Championships at their club on the weekend of the 29th and 30th October 2011

Conditions on the first day were cold and quite windy with frequent drizzling rain, making the competition very difficult. The second day saw an improvement in the weather, but the wind still persisted. The intermittent patches of sun were welcome, the club house was pretty well packed most of the weekend.

A good attendance of 55 shooters attended over the weekend, numbers were up considerably thanks to the contingent of mainland shooters who always support our carnival. The carnival now has a very creditable prize pool, thanks to the generosity of Casella Wines, World Heritage Cruises, the Rockliff Family, George Pinner and John Foster.

There were some very good scores shot with Chris Rockliff of Sassafras winning the prestigious High Gun award with an aggregate score of 246/250, this resulted in him being presented with a sash, a coveted silver Tassie Badge, a cruise on the Gordon River courtesy of World Heritage Cruises of Strahan and a cash prize.

Chris's only event win for the weekend was the 100 target State Skeet Championship with 113/114, however this is the major skeet event in the Tasmanian calendar and the one all skeet shooters strive to win.

The Don Taylor Memorial Championship held on Saturday was won by Phil Turner of Devonport with 68/68 after a shoot-off with Glen Clarke, Alan Spinks and Bernie Smith who took out the AA, A and B grades respectively.

Good shooting by Matthew Glover saw him claim C grade and the junior section with a 49/50.

Phil Turner's 50/50 also saw him claim the veterans section.

The State Skeet Doubles Championship was won by Glen Clarke with an excellent 57/58 after a shoot-off with Graham Blaskett and Eddie Elder.

Graham and Eddie both shooting an event score of 49/50 had to be happy with the AA grade and A Grade prizes, Eddie also claimed the junior section.

The scores were also high in the State 20 gauge Championship event, this event has been a feature of the carnival for the last two years and is now firmly entrenched on the annual skeet championship weekend.

Hobart shooter Michael Blackwell shot an excellent 64 out of 64 to win overall after a shoot-off with John Foster, Chris Rockliff and Bernie Smith of Devonport. John had to be satisfied with AA on 61/61 and Bernie with B on 50/50.

An excellent 49/50 saw Matthew Glover from Burnie claim both the C grade and the junior section.

The 100 target State Tasmanian Skeet Championship was won by Chris Rockliff on 113/114 after a shoot off with mainland junior Eddie Elder, both shooting an excellent event score of 99 out of 100. Eddie had to be satisfied with a win in A grade with his 99/100.

Shane O'Brien all the way from Kalgoorlie shot an excellent 98/100 to win AA and Katrina McLaren shot a creditable 96/100 to win the ladies section.

Katrina always manages to shoot excellent scores and this year managed to get a 100 break badge. Break badges were also won by Alan Spinks 75/75 and both Tom and Chris Jenkins 50/50.

All in all a very good weekends shooting enjoyed by shooters from all over the state and from the mainland.

This years Carnival held on the 22nd October at Frankston Australian and the presentation of the grounds was a credit to the club, this was also the final round of the Premier Teams Event.

One Hundred and Forty Shooters had gone through the pre-nom procedure and fronted for the day. This group also represented twenty five teams.

Handicap Winner
Jason Grivas

The Handicap was the first event and this came in with seven possibles, after fifteen in the shoot off there were three, Jason Grivas, Nathan Zechner and Merv Whitelaw, with a further thirty targets and by now shooting in very heavy rain, it was Jason 1st 58/58, Nathan 2nd 57/58, Merv 3rd 42/43, the Back Marker was Ben Brown 28/29 with James Zechner collecting the Junior Front Marker 22/25.

The teams event is conducted over the first two events of the Carnival, the Handicap and the Double Barrel, so at the half way point Werribee 1 and Nepean 1 had the edge with 117 a piece, Werribee 2 was 116 and Melbourne Green 114. In the Junior teams Werribee was up two on both Melbourne teams and three on Mornington.

The Double Barrel was next and produced forty seven possibles, this reduced to four squads after the first twenty five shoot off targets and by the hundred mark there were four shooters, with the Overall going to Brett Dunstan 123/123. 1st in AA Frank Santoro 122/123, and Wayne

Hawker was 2nd with 112/113, A W Preston 53/54, T Plum 52/53, B C Prince 43/44, K Dunkley 35/36, C A Kidd 38/39, J Grivas 37/38, Ladies S Lennane 30/31, Junior U Maloney 48/49.

In the teams Werribee 2, P Ardaci, D Nielson, N Cooke, N Zechner & J Zechner, shot 124/125 in the Double Barrel to overtake Werribee 1 and shade them on the day by a target 240/250 next was Nepean 237 and Melbourne Green 235, yet another very close finish.

In the Juniors Werribee was also the winners with 97/100 Nathan and James Zechner also part of the winning senior team.

DB OA Brett Dunstan

SB OA Geoff Aston

Next was the Single Barrel and there were 11 possibles which quickly came down to two after eighteen shoot off targets, Geoff Aston and Mark Crimmins, Geoff took Overall with 70/70 and Mark 1st in AA 69/70, 2nd AA was A Brady 43/44, A L Mirabella 39/40, B Preston 28/29, B P Pingham 26/27, K Shaw 25/27, C J Grivas, 27/31, M Hopkins 26/31.

The last event on the program was the Points and this provided eight possibles and eighteen 74/75's, so at the end of the day the targets looked pretty good.

However after twenty five in the shoot off it was down to Wayne Hawker and

Beretta Australia and R.C. Cartridges are an enormous part of what is, this great event. The ongoing support and sponsorship is a large part of what makes the Carnival and the Teams series so strong.

There are a number of Zone members who are able to support the Carnival and the Council, as well as all the clubs and shooters that are represented by that body, all the shooters in this collective group are very grateful for this ongoing support.

Many people make a day like this come together, from the pre-nom setting up weeks in advance, through to the Handicap cards at the end of it all and it is a good day when it all works, a big thank you to all the team.

Finally thanks to the Frankston Australian's President and his support staff for the work that goes into grounds preparation and throwing that many targets in a day, a great job well done.

OCTOBER SHOOT SUCCESS

The traditional second October shoot was held at the Bega Gun Club on Sunday 30th October. Thirty-six eager shooters turned up to contest the final round of the Fimac Engineering Shield as well as a fifty target points score and a 25 target continental. The Fimac is a handicap event, shot over four rounds throughout the year, ensuring the winning shooter performs consistently at each shoot. The Club is very grateful for the continued support of this prestigious event by Fimac Engineering, Bega. The weather did its best to make things interesting by showering on contestants at regular intervals. There is definitely an opening for wipers for glasses.

The day commenced with the 50 target points score, shot in two lots of 25. Charlie Smith picked up 146 points for first in AA Grade, with Stuart Bennett runner up on 143/150, A Grade went to Stuart Shipton, with a score of 145/150 whilst Robert Southwell shot 142/150 for second, B Grade went to Don Ubrihien with a total of 135/151 from John Siede 135/151, John Walker picked up C Grade, scoring 130/150. Runner up was Brian Moffitt on 126/150.

The second event for the day was the Fimac Engineering Handicap Shield round. C Grader, Mario Magrin shot one of only two clean rounds for the day to win, 25/25. As a reward, Mario also moved his handicap mark back a metre. Congratulations! After a shoot off

involving four shooters, Stuart Bennett finished second with a score of 25/27 and third went to John Siede on 31/34.

The twenty-five target Continental finished off the day. With a varying breeze and the variations in flight of the continental targets, everyone was assured of great time. In AA Grade, Charlie Smith lived up to his grading by winning with a score of 24/25 from second placed, Chris Rowland, 23/25, A Grade saw the second possible of the day when Ray Welch creamed 25/25 to take first. Stuart Shipton followed up his good result in event one with a score of 23/25 to collect second. B Grade went to a shoot off to decide the winner, with John Siede winning 25/27 to junior shooter, Brody Walters 24/27. C Grade also went to a shoot off with John Walker scoring 25/27 to Mario Magrin's 24/27

The shoot raffle continues to elude the lucky ticket holders. This shoot it was Adam Campbell who graciously accepted the meat tray instead of the \$500 prize money. The Club continues to be grateful for the efforts of its members in saving a payout.

Consistency is still plaguing Charlie Smith, who took out the High Gun award with a score of 190/200. Well done!

The Club's encouragement awards for this shoot went to Barbie Magrin and to Brody Walters.

Next shoot is our Christmas Shoot which will be held on December 4th. Shoot will consist of novelty events and the Invitational High Gun shoot (5DB, 5SB, 5PS, 5HCP). As usual, all the Christmas goodies will be there for lunch. Hope to see you all there. Major awards for the year will be presented including the Fimac Shield.

RICHMOND RIVER CLUB NEWS

There were mixed reactions to the events contested at Richmond River Gun Clubs October 2011 monthly shoot 50 Target Double barrel and 50 Target Ball Trap.

Some were pleased Ball Trap is only on once a year and others expressed the opinion we should shoot it more often but the general consensus was that it had been a fun day.

Red numbers were scarce even in the Double Barrel. None of the 39 shooters managed the coveted 50/50. Lou Hearne, Geoff Jacobsen, and Phil Westbury in AA, Peter Brown in A and Luke Barnes in C Grade all had 25/25 on the board after the first round but could not follow up. Ian McDonald in AA, Roy Warren, Dickie Bennett and Kevin O'Brien in A grade recovered with 25's in the second round.

After the completion of shoot offs, Phil Westbury was 1st in AA from Geoff Jacobsen. In A grade, Kevin O'Brien and Dickie Bennett looked like settling in for the afternoon and shot an extra 36 targets before one got away from Dickie.

David Bodley 48/50 won B Grade outright with second going to Frank Binding 62/65 after a shoot off also involving D J Milligan, Therese Nealon, Rus Wesslink and Matt Williamson. C Grade went to now B Grader Luke Barnes with a good 49/50 from Phil Consalvo and new member Tim Johnson.

The Ball Trap grading system and the fact that quite a number of shooters had not shot that discipline in the past caused some confusion and some unexpected results.

Rod Moody was successful in AA with 46/50 from Kim Nealon, Scott Brereton 46/53 defeated Geoff Pringle 45/53 in A Grade; Geoff Jacobsen 46/50 won B Grade from Peter Caldwell 45/50 and Luke Barnes made it a double winning C Grade with 43/50 from Nancy Davis 39/50.

Geoff Jacobsen won the monthly High Gun Tankard with a 95/100 aggregate and Luke Barnes the intermediate High Gun with 92/100.

By the time this article is read, Christmas will be over and we will be well into the New Year. Richmond River starts the 2012 Trap programme with a 25 DB grade cash divide, a 50T Single Barrel Championship and 25T Continental on Sunday 22nd January with Sporting Clays the following weekend 29th January.

Night Trap is held on the 2nd Friday of each month and Skeet on the 3rd Saturday. Sporting Clays in one form or another is held in those months where there are 5 Sundays.

The club's full programme is published in the NSWCTA Blue book or may be viewed at www.northernriversgunclubs.com.
