National President's Notes

World DTL Congratulations to all our DTL Teams that so successfully competed at the International Clay Target Shooting Federation (ICTSF) World DTL Championships in Wales recently, and an even bigger congratulations to Matt Schiller being crowned Junior World Champion. A complete report is in this magazine, but I would like to take this opportunity to thank the team members for the way they represented Australia both on and off the Traps. Well done all.

Olympics Unfortunately, our Olympic Team did not fare so well, and every one of us must feel for Michael Diamond after qualifying with 125/125 only to miss out on a medal after a disappointing final. Many of us would have heard Michael speak after the event and although obviously disappointed he showed himself to be the true sportsman and champion he is, both when victorious and when defeated. Susie Balogh also was close to medal contention. We offer our congratulations to all team members. A complete report from Australian International Shooting Limited (AISL) will appear in a later magazine.

Legal Action The legal matter in which the Association has been involved over the last 12 months has now been concluded. The ACTA suspended Mr. Graeme Boyd from conducting his duties as National Director of Coaching in late January 2011, for purposes of conducting an investigation into an alleged conflict of interest involving Mr. Boyd. The ACTA notes that the allegation against Mr. Boyd was not proven at the conclusion of the investigation. The ACTA's actions in investigating the matter do not reflect in any way upon Mr. Boyd's ability as a coach. The ACTA regrets any feelings of hurt or distress experienced by Mr. Boyd during the suspension, investigation or termination. The ACTA thanks Mr. Boyd for his many years of professional service, some of which were provided voluntarily, to the ACTA and the sport of shooting in general. The ACTA wishes Mr. Boyd all the best with his future coaching endeavors.

ACTA Juniors I recently attended the Gold Coast Two Day Trap shoot and the standard set by the Juniors was impressive. In the State Night Points Score we had Mitchell Iles Overall with 149/150 followed by Sam Bylsma 1st in AA with 148/150. The two boys went on with Mitchell shooting 49/50 in the Single Barrel to take 1st in AA and eventually the AA High Gun only 3 points behind the Overall High Gun winner, Geoff Moore, with Sam taking the Junior High Gun. These boys were competing against some of the best shots in Australia and can obviously hold their own. I look at these boys and the Juniors that just competed in Wales at the World DTL and think the question needs to be asked, with so many good juniors in our ranks how do we lift them into the Olympic disciplines without financially stressing them or their families? This is a problem we will be identifying to AISL. After all, since the World DTL resumed in 1994, Australia has had 8 of the 9 Junior World DTL champions, and one Runner Up. Of these 9 juniors 7 remain members of the ACTA.

NSW Weapons Branch The Executive Officer, Fil Petriella (representing our Sponsors/Traders) and I visited NSW Weapons Licensing last week. The Association deals with them regularly as the displays on the grounds at Wagga during the Nationals are covered under the Associations Dealers Licence. They also authorise our Range approvals and safety templates. The costs associated with the current display requirements including, annual risk analysis, temporary fencing, and security guards prohibit displays at smaller events. We now feel some of these issues may have a possible resolution and we are looking forward to working towards eventually having traders on the grounds at more events. We certainly have a clearer picture of our responsibilities as the licence holder.

Suspension There has been comment around certain clubs about the judicial hearing regarding an incident at the Skeet Nationals, involving Mr. Colin Kneebone, as reported in the August CTSN. To clarify matters, Mr. Kneebone was not "acquitted", the complaint was partially upheld, a written reprimand was issued (which has ongoing consequences and has the effect of a good behavior bond) and a written apology to the complainant ordered.

Camping - Perth The West Australian Clay Target Association (WACTA) are still working hard to have the West Australian government allow campers at Whiteman Park for next years Trap Nationals. At this stage the matter has not been resolved and I urge campers and caravanners to make other arrangements in case the WACTA request is not granted.

Safety I again ask for all responsible members to help curtail the ongoing problem of guns being closed and pointed at places other than the layouts or designated traders areas. We will be monitoring this dangerous practice and this being the second time I have mentioned the problem in the Presidents Notes, I would expect action will be taken against future offenders. It is dangerous, unacceptable and will lead to suspension. I encourage all members to help stamp this out.

members who introduce new members to the Association. Current members will be given free registration in the year following them introducing and joining 2 new full members to the ACTA. In other words join 2 and get yours free. We would encourage clubs to consider matching this ACTA offer with their club membership making this an even more worthwhile incentive. More details will be in the next CTSN.

Accounting and membership process upgrade We have had some response from clubs to our proposal to upgrade and modernise our accounting and membership processes, which we welcome. These and our response are printed elsewhere. We welcome input, that's why I try to float ideas in this report, but I would appreciate you keeping the input non-personal. Stick to the issues and any good ideas, and problems you foresee will be considered.

Until next month.

Executive Officer's Report

You will notice that the cover of the CTSN includes more sponsors' logo's than normal. It was decided that those sponsors who supported more than one event or activity of the ACTA should be represented on the cover of the CTSN. The sponsors and their support are as follows: Beretta – Events at DTL Nationals, Skeet nationals and separate support for the National Grounds, Casella – DTL nationals, travelling teams, Perazzi DTL National, Junior Teams and Mackintosh Teams event, Winchester – DTL Nationals, Junior Development camps, Eley –

DTL Nationals, Sporting Clays and Skeet Nationals.

These sponsors and the sponsors of individual events at the National Championships are to be congratulated for the support they provide to shooters. As an Association we compete with many other organisations and events in the firearms industry for sponsorship money and prizes. Shooters can assist by supporting those sponsors and advertisers in the CTSN and show that it is worthwhile supporting our sport and events.

At the Sporting Clay National Championships the President and National Executive members held another informal shooters meeting to obtain feedback from shooters on ways to improve their discipline. Good feedback was received as well as new avenues for sponsorship. This should result in a greater level of sponsorship for this event in 2013. A point made at the meeting was that a lot of graded shooters may feel that the Nationals are only for the elite shooters. Many lower grade shooters may not be aware that medals are awarded for all grades and quite often sponsors prizes include all grades. The method of determining prize money for High Gun awards is based on the same \$1.00 per shooter in the grade for all grades.

While we have recently had the Olympic team and the World Championships DTL teams overseas we also have a Skeet team going to the 2012 NSSA World Skeet Championships in the United States in October.

The team comprises Paul Johnston, Craig O'Neill, Glenn Clarke, Shane O'Brien and David O'Sullivan. We wish the team well, hope they enjoy the experience as much as the other teams and shoot to the best of their abilities.

ROCKHAMPTON

Queen's Birthday Weekend - 2 Day Annual

The Rockhampton Clay Target Club held its Annual Two Day shoot on the Queens Birthday weekend in June with shooters coming from across the State for what was going to be a top weekend of shooting 125 shooters participated over the weekend.

Les the groundsman had the grounds in top order and the campers had the benefit of one of the most picturesque grounds in Australia to enjoy a fantastic weekend of shooting and friendship. The clubs aim is for everyone to have a good time and return again next year.

Vic Hyde had the Gemini traps tuned and polished and targets set for what was going to be a hectic weekend of shooting.

Trophies valued in excess of \$12,000 were up for grabs. As any club would know the key to staging an event is the sponsorship given to the Club. This year we were fortunate to have a number of sponsors and the Club endorses our sponsors' commitment to clay target shooting in Central Queensland. Sponsors for the weekend were Cambridge Hotel Motel, Campco Great Outdoors Centre, Casella Wines, Kennas Chartered Accountants, John Maxwell, Horsley Park Gun Shop, Rural Press (Qld) Pty Ltd, Qld Police Clay Target Club, Westco Truck Sales, Hastings Deering and the Berrie and Warnock families.

The weekend opened with a great dinner totally prepared by Karen Miners and Sandra DeBoer. Some complimentary Yellowtail wines to go with the dinner saw the stage set for a good weekend.

Those who stayed on Saturday night were treated to a carvery supplied by the Cambridge Hotel. With a few Casella Yellowtail Wines and other beverages under our belts most were in bed early preparing for the next days events.

The canteen part of any club is always a problem as it involves a mountain of work with little recognition. This year we had Terry and Vicki Ferguson from Stanage Bay (non shooting volunteers) put their hand up to help out and they did a magnificent job for two days from daylight to dark. Not only that, they donated 10 mud crabs to the club, some for the raffle and snacks on the bar.

Event One was the 25 Target Points Score Capricornia Championship and the Overall Winner was Jordan Byrne with the only possible for the event 75/75.

Other results were as follows:
1st AA Grade Sean Dolan 83/84, 2nd Alex Dallas 80/84, 1st A Grade Kevin Mott 73/75, 2nd Bill Scarborough 72/75, 1st B Grade Angus McDonald 72/75, 2nd Michael Currie 70/75, 1st C Grade Greg Howard 71/75 2nd Bill DeBoer 63/75.

Event Two was the 25 Target Double Barrel Capricornia Championship sponsored by Kenna's Chartered Accountants and the Overall Winner was Jim Riggs with a 131/131. Other results were as follows

1st AA Grade Eddie Bates 130/131, 2nd Vic Hyde 57/58, 1st A Grade Carlo Barletta 34/35, 2nd Barry Harker 33/35, 1st B Grade Joe Taylor 24/25, 2nd Jordan Byrne 28/30, 1st C Grade George Oats 23/26, 2nd Andrew Loch 22/26.

Event Three was the 15 Pair Double Rise Capricornia Championship sponsored by Casella Wines and the Overall Winner was Frank Robinson with a 29/30. Other results were as follows 1st AA Grade Jim Riggs 35/40, 2nd Adam Bylsma 34/40, 1st A Grade John Rodden 32/40, 2nd Donna Nugent 31/40, 1st B Grade Tracey Harker 23/30, 2nd Joe Taylor 27/40, 1st C Grade George Oats 24/40, 2nd Andrew Loch 21/40.

Event Four was the 25 Target Continental Capricornia Championship and the Overall Winner was John Rodden with a 38/38. Other

results were as follows 1st AA Grade Rodney Woodrow 45/46, 2nd David Robb 44/46, 1st A Grade Shorty Moore 29/30, 2nd Nathan Warnock 28/30, 1st B Grade Tracey Harker 25/25, 2nd Allan Love 26/29 and 1st C Grade Dick Marriot 22/25, 2nd Matthew Quinn 20/25.

Event Five was the 25 Target Single Barrel Capricornia Championship sponsored by John Maxwell and Horsley Park Gun Shop and the Overall Winner was Alex Dallas with a 46/47. Other results were as follows 1st AA Grade Dylan Noffke 45/47,

OA HG winner Frank Robinson with Club President Brian Muirson

2nd Scott Moore 43/45, 1st A Grade John Rodden 23/25, 2nd Imelda Shillock 34/37, 1st B Grade Tracey Harker 24/25, 2nd Allan Love 22/26, 1st C Grade Greg Weier 20/26, 2nd Andrew Loch 19/26.

Event Six was the \$2000 Cambridge Hotel Cash Handicap and the Overall Winner was John Maxwell with a 29/29. Other results were as follows 2nd David Robb 28/29, 3rd Nathan Warnock 27/28, 4th Thom Lamb 34/35, 5th Alan Love 31/33.

The Capricornia Team Challenge was held in conjunction with the Handicap event. This year the challenge was won by the Blackall team with a score of 129/150. Team members were John Pay, Joe Taylor, Travis Moore, Shorty Moore, Angus McDonald and Peter Watts.

The High Gun winners were: Overall High Gun Frank Robinson 196/205, AA Grade High Gun Alex Dallas 193/205, A Grade High Gun John Rodden 187/205, B Grade High Gun Tracey Harker 181/205, C Grade High Gun Greg Howard 160/205, Ladies High Gun Julie Allan 183/205, Veteran High Gun Vic Hyde 188/205, Junior High Gun Adam Bylsma 185/205

Last but not least thank you to the travelling shooters, without your support the shoot would not have been the success it was. Be sure to put this event on your agenda next year.

International Clay Target Shooting Federation WORLD DTL CHAMPIONSHIPS

The World DTL team has excelled in its performance at the World Championships recently held in Wales. The Open and Section teams all achieved outstanding results.

OPEN TEAM: Gold Greg Coleman, John Sleightholme, Glen Hayden, Anthony Ryder, Sox Pilipasidis.

VETERANS TEAM: Gold John Maxwell, Domingo Diaz, Mike Daden.

LADIES TEAM: Silver Lisa Hawker, Brittany Sinclair, Tracey McDonnell

JUNIOR TEAM: Silver Matt Schiller, John Duryea, Geoff Aston.

In the individual categories some great results were also achieved.

JUNIOR WORLD CHAMPION: Matt Schiller (Matt also featured prominently in the lead-up events), **Greg Coleman 3rd Overall**, **Lisa Hawker 2nd Ladies**, **John Maxwell 3rd Veterans**

The individual performances of these shooters, especially Matt Schiller, along with the Team medals has placed Australia at the forefront of DTL shooting this year. Their behavior, demeanor and dress was also a credit to both themselves and the Association. Despite some minor clashes early in the competition with the paid referees, who exhibited very little flexibility, there were no incidents involving team members.

Our sincere thanks and congratulation go to them all, for both their performance and the way they represented the ACTA and Australia.

540 competitors contested the event, conducted at the Mid Wales Shooting Centre which, like most UK grounds is privately owned, in this case by Mr. Arthur Williams. Laporte 12 Volt Traps were used throughout the layouts and performed flawlessly. CPC English made targets were used and also performed well. The ground is set in a very attractive farmland setting, and is serviced by a permanent dealership with over 50 guns on display, and with a wide range of clothing and shells for sale. Other facilities on the grounds

were minimal with catering and bar facilities being temporary in a large marquee. A large number of campers were present, probably more than at our Trap Nationals, but there was no shower facilities and minimal and basic toilet facilities.

Team members found some voice release were delayed and although changes were made, erratic release was still a problem. Targets were set flatter than our normal settings, and generally always appeared to be low. Prior to the final 50 targets of the World the bank of layouts on which the Australian Ladies, Juniors, and Veterans were to shoot were considered too low by team members. In Australia it would be a simple matter to get the height checked. The situation in Wales is that if you want the height checked you pay and risk 100 English pounds to get it checked. The call to have a height check needs to be made by a competitor, which took place and when checked the traps were shown to be significantly low. The paid referees were very well presented, all wore ties and ran their respective layouts all day. There were still some

AUSTRALIAN OPEN TEAM: Gold – Anthony Ryder, John Sleightholme, Greg Coleman, Sox Pilipasidis & Glen Hayden

AUSTRALIAN JUNIOR: Silver – John Duryea, Matt Schiller & Geoff Aston

AUSTRALIAN VETERANS TEAM: Gold – John Maxwell, Mike Daden & Domingo Diaz

AUSTRALIAN LADIES TEAM: Silver – Brittany Sinclair, Lisa Hawker and Tracey McDonnell

instances of inconsistency apparent. Not having to referee or score is certainly popular amongst shooters but in Australia we have to date been unable to get the appropriate people nor afford the cost.

There were 2 incidents involving cheating, one suspected during the leadup events and one during the World itself. When it was realised that scoresheets had been altered for the same competitor twice an investigation proved the suspicion and a member of the French Team was disqualified. Our advice is that his association has since suspended him for 3 years.

International Clay Target Shooting Federation General Meeting (including 2014 World DTL dates)

The ICTSF held its General meeting on the Wednesday before the event, and I can confirm that the next World DTL in 2014 will be conducted in New Zealand. The New Zealand Nationals will commence on Saturday the 1st March until the 7th with the World DTL from Monday the 10th March until the 12th. They will be held at Waikato Clay Target Club, 556 Holland Road, Hamilton, New Zealand. See www.wctc.co.nz Entries open on 1st June 2013.

The ICTSF Sporting Championships will be next held in Canada in 2013. The event will be run at Galt, Ontario (approximately 1 hours drive from Toronto) on the 31st July until August 4th. Supporting events will be held with the Championships but details are unavailable at this time.

The ICTSF has agreed to admit a new member being French Polynesia. They have approximately 400 members mostly DTL shooters.

The Skeet Championships which were being promoted by the ICTSF has now been removed from events the ICTSF will conduct.

The ACTA now has two items for consideration prior to the next ICTSF meeting in Canada. The first is whether we would support the running of the World DTL annually into the future. The second is whether we support the current practice of dropping the lowest score from each team total, when calculating a winning team. I welcome any letters for the CTSN regarding these matters.

The ICTSF confirmed its position that it will not conduct any of its events in countries that have adopted the compulsory use of Steel Shot.

The meeting concluded by electing Mr. John McCormack from Ireland as President and myself as Vice-President. Secretarial duties will be carried out by NZCTA and the CPSA will handle the finances.

The Association would especially like to recognise the support towards the World DTL Teams by Casella Wines as our Major Overseas Team Sponsor and Perazzi Australia for the extra support shown to our Juniors.

Robert Nugent

Some comments from Team members

*What an amazing trip! Being so far from home I was extremely proud to be part of an Australian team that, for the first time, all medalled in the teams match. It has been such a great experience to learn from other well known world class shooters, and not only see old international friends but also meet new ones. Thank you to the ACTA and the support I have been given from my family and friends. **Tracey McDonnell***

*I wish to thank the ACTA for allowing myself the opportunity to compete in Wales. It was a great experience. **John Duryea***

Before making the trip to Wales, I had never been on an aeroplane. Upon arriving, after 21 hours of flying time, I never wanted to get on one ever again. I was a little bit unwell (a lot unwell really). After a nights rest, I felt much better & was ready for a couple of days touring around Wales.

It was then time to start shooting with the opening event of the 'Festival of DTL Shooting', the British Open. The weather was perfect & this was a successful day for me (scoring 299/300), picking up places in both Juniors & Overall. I was happy to have made a good start to the program.

The European Championship was the next event – shot over two days. Once again, we enjoyed good weather. I finished this with 591/600, taking a cash prize for 2nd in Juniors.

It was now time for the World DTL Championships – our reason for going to Wales. The three days of competition was once again shot under good weather conditions – the second day was a somewhat windy, but otherwise pretty good. I finished with a score of 889/900 – having shot a 300/300 on the final day. The Australians shot well in the 'Worlds', every team appeared on the podium. Aussies were also on the podium in each 'individual' section as well. A great effort by all & we were all very proud of our group achievements.

One of the best things that I take away from the experience is the friendships that were made. We met some really great people. In particular, James Henry & Gerry McCoy from the Irish Team. We met these guys a short time after our arrival at the Mid Wales Shooting Centre. James acted as our guide throughout the events & the boys were most helpful & generous with their knowledge & support – there were a number of shooting procedure differences. We look forward to meeting up again in New Zealand 2014.

I would like to thank the ACTA & Perazzi Australia for their assistance in funding the Junior Team.

On a personal note, I would like to thank all the shooters who contributed to my fund-

*raising, either through donation, raffle ticket/100 club purchases or attendance to my fundraising shoot. In relation to the shoot, I would like to send a big THANK YOU to Boorowa Gun Club, Perazzi Australia, Ray Trade, Marlo Motors, Cliff Dykes Photography & the individual shooters who donated shells for prizes. **Matt Schiller***

*I was so happy to finally go Overseas and represent Australia in the Junior Team to Wales. My first successful shoot was the sponsored 100T p/s event in which I placed 1st in the Juniors. This gave me confidence a boost just before the World DTL Event. My next event was the European 200T p/s in which I came 3rd behind Matt Schiller who was 2nd. Next the World DTL in which we the Junior team came 2nd and my team member, Matt Schiller was World Junior Champion. The weather was good, the trip was long and very tiring but overall Australia did very well. **Geoff Aston***

ATTENTION SKEET SHOOTERS

At the recent National Executive meeting, it was put to the Championship Committee to invite comment from the Skeet shooting fraternity on the following suggestions regarding the Skeet Nationals.

1. Sometime in the near future, should 28g and 410g become individual National 50 target events and not form part of the High Gun, or should they?
2. In the near future, if number 1 is adopted, should the Champion of Champions event be decided from the first 25 targets shot from the 410, 28, 20 & 12 gauge National events, and will not be a separate event. In the event that a shoot off is required. All shoot off's will be shot doubles from stations 3, 4 & 5 using the smallest gauge.
3. Should banded targets (orange with black rim) be used at National Skeet events?

Please direct your comments, suggestions or thoughts to the Chair of Championships via the ACTA office.

Terry Marsden
Chair – Championships Committee

Rule amendments, interpretations and proposed changes

Below is Rule 2.01 in total as it should be read now with changes from August 1st 2012 shown in red. The intent of the rule has not changed from what it was previously only the time regrading happens.

What this is saying is if a shooter has shot 200 targets halfway through a day then these 200 targets plus any further appropriate targets shot will be used for regrading purposes at the end of the day. This also applies to downgrading should this be the third consecutive group of 200+ targets to be recorded.

Also included are proposed rule changes that have been sent to all states for their consideration.

I hope this clarification will make interpretation and implementation of the rules easier.

Ron Traill, Chair, ACTA Rules

HANDICAPPING/GRADING

Section 2

2.01 COMMON MARK AND HANDICAP SHOOTING

- (a) All appropriate 15 metre scores (common mark) shall be recorded for percentage performance classification irrespective of how the event is run.

Note: All targets that are shot under 15 metre (common mark) competition conditions to be entered on the ACTA shooters record card – with the exception of Eye Openers (maximum of 10 targets), Double Rise, and those shot Targets Only.

- (b) (i) A graded event is a competition common mark shooting event in which all the competitors shoot from the same mark and prizes are allocated for various grades of competitor.
- (ii) A graded meterage event is where a shooters grade is used to determine a mark from where all shooters in that grade shall compete, e.g. AA Grade may shoot from 21 metres; A grade from 19 metres, B grade from 17 metres and C grade from 15 metres. Scores shot in this event shall not be recorded on a shooters handicap card.
- (c) Shooters shall be graded into four grades by their percentage performance over all standard targets fired upon in 15 metre competition day or night, including shoot-off targets, with broken targets to count in Double Barrel and Pointsoring events. Results in events shot from other than 15 metres shall not be included. (Except as in sub-section 2.01(h)).
- (d) Clubs shall have the option of running all Championships other than State or Commonwealth Championships either as graded events or as one class events.
- (e) Grades shall be: AA 97% and over; A 94% and under 97%; B 87% and under 94%; C under 87%.
- Note: Club Managements have the option of shooting D Grade under 80%.*
- (f) Shooters failing to produce their ACTA Score Book at competition shoots shall pay a \$20.00 penalty fee to the club.
- (g) Club Managements have the option of running common mark events OA, AA, A, B, C; AA, A, B, C; First, Second, Third; or by combining. AA & A or A & B or B & C grades.
- (h) It shall be the responsibility of a designated club official to enter individual event scores and progressively mark the shooter's card with his 15 metre results. After each 200 targets double barrel regrade the shooter if necessary. Double Barrel scores will be transposed for any better scores from the other events column of **near** equal target amounts if possible. **(this being a maximum difference of plus or minus 10 targets)** i.e. Continental and Single Barrel.
- If the 200 targets fall during an event or shoot-off, regrading will not take place until the completion of that event. All targets to the end of that event and shoot-off targets are to be used in calculation of percentage.
- This calculation shall only be done at the end of a day's shooting**
- (i) A shooter must shoot a minimum of three (3) consecutive groups of 200 targets, i.e. 600 targets, at a lower grade percentage to be downgraded. He can only be downgraded one grade at a time. All scores after the last

grading must be carried forward onto a new record card. Other than in the authority vested in Rule 2.04(g).

- (j) Shooters awaiting the issue of a card after registering for the first time shall be allowed to enter in any competition. Scores shot during this period must be kept and entered on his card when received.
- (k) If a shooter has lost his card he shall be allowed to compete providing he is registered with the ACTA. He shall be allowed to compete in his grade in common mark events and shall be allowed to compete in handicap events from the mark he claims to be his correct handicap mark. Should he win prize money or trophies they must be retained by the club until such time as the shooter presents his card to the club for marking.
- (l) Should it be found that the shooter has claimed the wrong handicap mark or grade, the Club shall advise the State Association so that the matter may be investigated. If it is determined that the shooter deliberately misled the Club Management regarding his grade and/or his handicap, the shooter may be suspended for a period of up to three (3) months.
- (m) A shooter must not shoot in a grade higher than his best performance. Once having attained a grade he may elect to remain in that higher grade when due for regrading. If he so elects he must remain in that grade for the next three groups of 200 targets. If the shooter so elects his card must be marked to indicate such. E.g. Prefer A grade.
- (n) Managements conducting graded common mark events shall provide a minimum of one prize or trophy for each grade.
- (o) All wins shall be recorded with a OW (overall) or GW (grade) beside scores on handicap cards.
- (p) Any shooter re-registering after a period of non-registration shall be placed in the same grade and handicap as when he was last registered.
- (q) A shooter registering for the first time shall be graded on the first 50 double barrel targets. These 50 targets will then become part of the first 200 targets for grading purposes. Newly registered ACTA shooters with experience and grade classification in other shotgun codes (e.g. Field and Game) shall for the first 200 targets shoot at the highest grade attained in that code.
- (r) Upgrading of shooters after 200 targets is limited to one grade at a time.
- (s) **No shooter will be regraded or re-handicapped until the completion of competition on that day.**

PROPOSED RULE CHANGES

"Rule 2.01(e) Change % for B Grade from 87% and under 94% to 90% and under 94% and C Grade under 90%".

The main reasons for proposing these changes are:

1. The number of competitors competing in C grade is far below any other grade.
2. Presently there is a differential of 3% between A and AA grade whereas there is 7% between C and B grade.
3. Currently 90% is used for inward movement in handicap shooting. (Previously it was 87%)

Resolved rule change to be distributed to all states for feedback

"Rule 2.02(c) is changed to:

15 - 124 competitors – 1st 1 metre.

124 - 249 competitors – 1st 2 metres, 2nd 1 metre.

250 + competitors – 1st 3 metres, 2nd 2 metres, 3rd 1 metre".

"Rule 2.02(d) to be changed to 97 - 99% handicapped 1 metre, 100% handicapped 2 metres".

"Rule 2.02(e) - any handicap score of 50/50 will earn 1 metre handicap".

The reasons for the proposed changes to Rules 2.02(c), (d), (e) are to simplify handicap movement by using whole metres only. This has been requested by handicappers and shooters alike.

Resolved rule change to be distributed to all states for feedback

200 Skeet Targets at Broken Hill

The weekend of the 14th & 15th of July was the Broken Hill Gun Clubs Two Day Skeet shoot. We had an excellent attendance with 32 shooters out to have a go at the 200 tgt event. We had 20 visiting shooters, coming from as far away as Melbourne, Dubbo, Renmark and Port Lincoln, it was great to see. Saturday was the worst of the conditions for the weekend, it cold, windy and overcast, it would only get to 14-degs. Sunday was better, clear blue skys a slight breeze but still very cold it only got to 16-degs. With a great display of sashes and trophies up for grabs the shoot got underway.

The first event for the weekend was sponsored by the Broken's Rifle Club it was a 25pr Skeet Doubles Event. Overall & 1st in A grade was Kenneth Carey with a great score considering how windy it was, he shot 49/50 well done, 1st AA was Benn Baker 48/52, 2nd grade AA Shane Bennett 47/52, 2nd A grade Kevin Mules 48/52. 1st grade B Bruce Baker 46/50, 2nd B grade Robert Thorne 44/50, Robert bought all the bad weather with him from Melbourne, thanks Bob. 1st C grade Paul "Mopsy" Daly 39/50, 2nd C grade Neville Hill 38/50. Vets Wayne Channing 43/50 and Ladies Sarah Bennett 47/52.

The second event on Saturday was sponsored by Broken Hill Bottle & Recycling it was a 50 tgt Graded Skeet Event. Overall & 1st AA grade was Benn Baker 50/50, 2nd AA grade after a shoot off was Evan Stephenson 113/116. 1st A grade after a shoot off and showing the boys how to really shoot sheet was Sarah Bennett 62/64, 2nd A grade Laurie "Lawrence" Irons 61/64. 1st B grade Brian Spring 47/50, 2nd B grade Nando Praino 46/50. 1st C grade Roy Pitt 46/50, 2nd C grade Bruno Mantesso 41/50. Vets again was Wayne Channing 45/50 and Juniors was Jared Nicholls 30/50.

Sunday was the 100 tgt West Darling Skeet Championship, it was sponsored by Old Ted Southern. There were three 100/100's shot in this event which was great to see and after a really good shoot that would give some

L-R: Ben Murphy Skeet Ground are the very proud Sash winners Bruce Baker, Steve Zadow, John Lemmich, Benn Baker, Shane & Sarah Bennet with their son, and Kenneth Carey

shooters a good long break for the weekend, Overall went to Ben Baker 139/139, 1st AA grade Shane Bennett 138/139, 2nd AA grade Darren Nicholls 116/117 and 3rd Evan Stephenson 95/100. 1st A grade Sarah Bennett 98/100, 2nd A Grade Brendan Pearson 97/100 and 3rd A grade Les Charles 96/100. 1st B grade John Lemmich 96/100, 2nd B grade Sim Neoh 95/100 and 3rd B grade Bruce Baker 94/100. 1st C grade Paul Daly 90/100, 2nd C

grade Roy Pitt 85/100 and 3rd C grade Bruno Mantesso 83/100. Now on this event we ran a "D Grade" as well, it was the idea and was sponsored by Channo and was hotly contested, 1st D grade Rodger Perry 86/100, 2nd D grade Steven Barnes 83/100 and 3rd D grade Tom Davis 81/100. Vets was Barry Foley 94/100 and Jnrs Jarred Nicholls 62/100.

Overall High Gun went to Benn Baker 196/200, well done Benn. Grade High Guns for the weekend were AA Grade Shane Bennett 195/200, A grade Sarah Bennett 192/200, B grade Steve Zadow 185/200 and C grade Roy Pitt 167/200.

Now what skeet is all about trying for those long breaks, there were some good "Long Breaks" shot over the weekend considering the conditions, I worked them out to be, if we take into account the cash divide event we shot on Saturday afternoon to be Evan Stephenson a 146/146, Benn Baker a 150/150, Darryn Nicholls a 152/152 and Shane Bennett with two a 103/103 and a 147/147 good shooting Shane.

Again it was great to see so many visiting shooters, the Broken Hill Gun Club is so lucky to have you come out this way each year, thanks also to our many generous sponsors for the great display of Sashes and Trophies. Thanks to the hard working people in the kitchen, cooking us breakfast each morning and a magnificent dinner on Saturday night, the workers in the office, behind the bar, ref's, scorers, trappers and the many people who help clean up the layouts, well done to you all. It will be on again next year and I hope to see you all again, who knows I might even get my own way and the weekend will be a "300 tgt" skeet shoot.

TRELOAR CLAY TARGET CLUB

The inaugural shoot for this new Club was held on 10 August 2008. The Club is proud of its growth in a few years and the installation of excellent facilities through the hard work of willing volunteers and generous sponsors.

"Sport is a great leveller." Whoever made this observation was on target. Imagine shooting 125 clay targets out of 125 over a couple of days and then missing several targets in the next and final rounds (as Michael Diamond did at the recent Olympics) to the dismay of shooters everywhere. But that is what happens more often than not. Each time the clay target shooter aims at a target the challenge is out there from the wind, rain, sun, background noise, interruption or mind set to miss.

There are some shooters who consider down the line target shooting not challenging enough - some say even boring - but there aren't too many of these critical shooters who can consistently shoot 25 from 25 in various events from double barrel, single barrel, continental or points score.

Despite the cool wind on Sunday, Peter Holmes from Tamworth Club won the High Gun Medal for the day. Peter is a great club man as he is always willing to coach and help out in the office. Trophy winners were Neil Davison, John Lisle from Walcha and Cam McKellar.

A warm welcome was extended to visitors, Hugh Faris from Wee Waa, Grahame Armour from Armidale and new shooter Gordon Gilder from Premer. It was good to see Tony and Will Burgess return after their trip around the Top End.

The Club sends best wishes to member Sam Gall for a quick recovery from ill health.

For night shooting brilliant lights have been installed through the expertise of Steve Traynor Electrical and Matt's Electrical, both from Gunnedah.

For keen shooters, there is no time for their precious shot guns to rust - the shooting calendar is so full and inviting.

34th Central Victorian Grand Prix

With heavy rain leading up to the weekend it was a relief to see the sun come up and reveal a clear, blue sky. Hot egg and bacon rolls around glowing cauldrons welcomed the 150+ crowd. Past champions were in abundance with many hopefuls vying for the prestigious title.

Competitors from 44 different clubs (is this a record?) in Victoria, NSW and South Australia converged on Maryborough to compete for this highly regarded event.

The theme was "Are you good enough?" and when the dust had cleared, the chips landed. Wayne Hawker ("The Machine" from

Colin Macpherson representing Major sponsor GB Corsiva, Wayne Hawker, the 34th Grand Prix Overall winner with Steve Haberman of SH Shooting, sponsor and supplier of the overall prize the Sabatti Trap shotgun

Jeparit) was just that. A perfect 164/164 booked his place on the honour board plus the under and over trap gun on offer. Wife

Lisa, not to be out-done, took out the AA High Gun over the day's three events ensuring a happy trip home.

(Beaufort) 117/125. Veteran Jim Shepherd (Maryborough) 119/125. Hard work and good organisation saw all events completed by 4.30 ensuring a large crowd staying for the presentations. The gen-

erous sponsorship of Bruce Burns (GB Corsivia), Steve Haberman (SH Shooting), Rodd "Petal" Flower (A&L Guns) and Wal Britten (Maryborough) deserve special mention. Shooters are reminded to support them as their sponsorship for our sport is invaluable.

A big thank you too the shooters who travel so far each year to make this Victoria's most prestigious one day event. This support has enabled the CVGP to become a must on many shooters' calendar.

Following the shoot, club members enjoyed a well earned dinner at the "local" where the only negative for the day was recanted. John "Giant Killer" Bale had stopped for petrol and splashed petrol on his arm. He drove off, lit a cigarette, his arm caught fire and thrust it out the window trying to put out the flames. He was pulled over by police and booked for an "unsecured firearm"!

Inaugural 2 Day Shooting Carnival

Bundaberg Clay Target Club held its first Two Day Shooting Carnival on Sunday the 4th and 5th August, at our new complex with 85 shooters vying for the cash & cartridges in perfect conditions. Everything ran smoothly as the traps purred consistently, thanks to the attention by Tim Gardner with help from Rob Rehbein. An excellent roll up of Shooters traveled from Sunshine Coast, Gladstone, Rockhampton, Maryborough, Gympie, Central Burnett, Barcardine, St James (Vic) Narrandera, Warnambool, Kingaroy, Queensland Police Clay Target Club Callide Dawson, Warwick, Toogoolawah, North Arm, Caboolture, Brisbane, Tarawera The Cohuna and Bundaberg. It was pleasing to see a good roll up of our own shooters attend. The shoot progressed really well with no interruptions or breakdowns. It is always good to finish the shoot reasonable early letting the traveling shooters get on the road before dark. The shoot produced good targets with no wind and no arguments. Good shoot was had by all.

State Title and First Sash to Ian Andrews at Surat

A beautiful fine warm sunny day welcomed clay target shooters to Surat for the start of the two day annual. The targets were of the finest quality and arrived in the best condition thanks to Wards Transport for their support. The targets being the new enviro targets being produced by Clay Targets Australia. Being the first club to shoot a full carnival with the new targets Mr Mike Murphy, Director of CTA travelled to our club to view our presentation of the new targets. With our club grounds facing north the flat black target suited conditions perfectly with no shine like the previous pitch targets. Shooters could not find too much wrong with them as they flew nicely, broke easily with minimal trap distortion, I would recommend clubs try these Australian made targets as they are brilliant.

Saturday began with a 25 target Points Score event which was a fine event to warm everyone up with the first red on the board, Frank Robinson and Malcolm Collins hitting all the targets with Frank being the winner after Mal posted the perfect paw paw with this event finalised the next event was 25 target single barrel. This event saw another four shooting the event clean with Frank putting more red on the board but it was Gavin Langridge's turn for the sash at the end of the shoot off.

The Double Barrel Championship soon followed, this event sponsored by CRC Electrical, Condamine, this saw 15 shooters shoot the possible in this event and after a fairly quick amount of targets all that was left was Kiwi (Richard) Morrison from Roma and Malcolm Smith from Wandoan to do battle for the sash with the win to Kiwi on 103/103. Being finished early for the day the club decided to shoot the double rise event early so that the travelers would get to leave early on Sunday, with this event being sponsored by Six Mile Building, Roma, six shooters recorded a 29/30. After ten pairs of targets Shane Fitch from the Gold Coast club took home the honours over club president Geoff Moore.

Saturday night meal was a delicious hot roast and veg with sticky date desert thrown together by Viv, Fay and Callan and their band of helpers that do all the hard work behind the scenes and is much appreciated by all. The evening progressed on to the Calcutta with our local auctioneer Glen Neilson again doing the honours there was \$2100.00 available for the winning syndicate for the handicap event on Sunday.

This year Surat hosted a State Continental Points Score Championship with the winner being awarded a State Red Sash. This 50 Target Championship proved to be a bit hard first up with all the shooters being a bit dull as there was no red posted on the board, the best score being Roma shooter Ian Andrews on 148/150 to claim his first ever sash, a good one to win being a state one.

The last event was the Handicap sponsored by Cleaver Firearms and with a 14 gun Gun Safe up for grabs as first place. There was only one shooter to shoot the possible in this event with a skinner. Nick Sheppard from Dalby, might explain why Bill Allan bought the field at the Calcutta, second was Ian Andrews, third was Dean Cusack, fourth Gavin Langridge, and fifth was a previous year's winner Terry Haynes. This

concluded the program for the weekend with our usual office staff of Rodney Woodrow, Julie Allan, Brett Brown and Jamie Barker keeping the squad sheets and books up to date at all times therefore enabling us to let the travelers go home at a respectable hour. A big thanks to all the people that keep on giving their time to help clubs to run successful carnivals you are very much appreciated.

The High Gun awards sponsored by Roma Powder Coating and made by Sam Moore. The garden chairs are a big draw card each year for shooters to compete for. Big thanks to Cherilyn from Roma Powders Coaters for their ongoing sponsorship and is also one of our newest members. The Overall High Gun sponsored by Guns and Ammo (Gavin Langridge) Daryl Stevens Stockmaker and Signasaurus Roma.

Overall High Gun was won by the sponsor Gavin Langridge with a score of 346/355, AA Grade High Gun winner was club president Geoff Moore with a score of 362/377, A Grade High Gun winner was Scott Bain Roma 341/355, B Grade High Gun Peter Driscoll Roma 316/355, C Grade won by Moree shooter Tabatha Schultz 274/355, Ladies was awarded to Jess Robb 329/355, Junior High Gun Daniel Andrews 340/355, Veterans Graham Rudd 310/355.

Avon Valley Clay Target Carnival

Hosted by the Northam and Districts Gun Club the Avon Valley Carnival was kicked off in perfect conditions with a warm, sunny day on Friday. Breaking with club tradition, Friday consisted of two events, a 50T Points Score, sponsored by Bushy Tanks and a 25T Single Barrel sponsored by Plantagenet Wines. The 50T Points Score was taken out by local Northam member, Mark Middleton. The 25 Single Barrel was won by Katanning's Tim Catling.

A frosty start Saturday morning was soon to be followed by another impressive day for shooting. 63 shooters congregated to begin the day's shooting with the 30T Medley. This event was sponsored by Fenwick Farm which was ironically won by Fenwick Farm's owner/manager Corey Glass after a shoot off with CMT veteran Ivan Halbert.

Next on the program, a 50T Points Score. Neil Suckling eventually took overall after a shoot off with Russell Jaggard and Northam's Arthur Ward.

A perfect score eluded Jason Oliveri after scoring 49/50 in the 50T Single Barrel but he was unchallenged for the overall for the event as a result of his great shooting.

A crisp, frosty morning again on Sunday was following by sunshine but a slight westerly breeze picking up through the middle of the day. Generously sponsored by Better Wear Welding, the 25T Single Barrel was a hotly contested event with a shoot off between 7 shooters all on 25/25. Included in the shoot off was Northam's Colin Blanchett who was in C grade for the event and earned his 25 Break Badge. Although the overall title eluded Colin, his great shooting was rewarded by being reggraded to B Grade soon after. Strangely enough the person responsible

for doing the handicap books, Anthony Burnard, took out overall. Well done Tony!

The inaugural Roy Holtfreter Memorial Trophy was the 50T Double Barrel. NDGC's man of the moment, Corey Glass, was uncontested for overall with his excellent shooting and earned his 50 Break Badge simultaneously.

The last event for the carnival was the 20 Pair Double Rise which came down to a shoot off between Jason Oliveri and Russell Jaggard with scores of 37/40. Jason eventually got up over Russell to take out the overall in a highly competitive atmosphere. Special mention goes to a local boy, Tom Richards (14) who was unfortunately shooting targets only but could have been in his first shoot off for 3rd in C grade in the double rise event after only being introduced to the sport 3 months ago. Great shooting, Tom!

Although failing to win an overall, Russell Jaggard was soon rewarded for his consistency by taking out the Overall High Gun with 357/365, knocking off Jason Oliveri by just 1 point who scored 356/365. Arthur Ward took out Veteran's High Gun, Carol Scheer won Ladies High Gun and won herself a balloon ride from Windward Ballooning. Connor Hart from Edgehill took out the Junior High Gun and took home a swag for his efforts. In the Graded High Guns Jason Oliveri took AA High Gun, Northam members Corey Glass and Mark Middleton took out A Grade and B Grade High Guns respectively, with Patrick Cream of Geraldton taking C Grade High Gun.

By and large the Avon Valley Carnival held in Northam was a great success. Although down in numbers from last year the weather was fantastic and competition was fierce. Special thanks go to the all the shooters (especially those that travelled from as far away as Geraldton & Leonora), all the sponsors, kitchen staff and NDGC members who helped out beforehand and during the event. Hopefully next year will be bigger and better.

NSW State Skeet Carnival - August 2012

With nearly 100 shooters coming together to compete over

the 3 days we were sure to see some excellent results, and the competitors, who travelled from all corners of Australia, did not let us down. The small gauge event was shot under windy conditions but the standard of shooting was high and this set the precedent for the whole weekend.

The ground looked magnificent, the targets were flying true, the weather conditions improved for Saturday and Sunday and so did the level of competition.

NSW would like to thank all their sponsors and everyone who assisted at the carnival, this includes our Shoot Marshall Ben Buhagiar, Tournament Director's (Senior) Les Aberley, (Junior) Scott Wright, IT Professional Frank Auditore, Handicapper Alison Farish, Trap Mechanic Fred Rapley, Canteen Ladies Donna Campbell & Elaine Reid.

The following is a breakdown of competitors for the carnival: 97 shooters: 57 NSW (2 from ACT), 28 VIC, 10 QLD, 1 SA, 1 WA, 19 veterans, 13 ladies and 6 juniors

NSW Clay Target Assoc looks forward to seeing you all next year at the new venue of Cecil Park in Sydney.

28th Golden Fox Open

The first weekend of June 2012, Dubbo Gun Club hosted the 28th Golden Fox Open. As Saturday morning rolled in so did the rain, with such an outlook the committee's hopes were down as to the number of shooters willing to brave the wet conditions, the forecast being for rain both days of the weekend. However as noms come in and squads filled there were 92 competitors representing 27 different clubs from across N.S.W. willing to give it a go.

First up on Saturday was the 30tgt Medley sponsored by Dubbo Tool Centre. Overall taken out by Brian Doyle from Hay Gun Club with the only possible of 50/50 under these wet conditions. First in AA was Allan Jones from Cessnock with 73/75 from Dubbo's Ben Fairman on 95/100. John Polack from Cobar claimed A grade with 49/50 in front of Scott Anshaw on 73/75. Ben Howard of Dubbo was 1st in B grade with 47/50 just in front of Robert Hosking from Goolma on 46/50 with Nik AndriaOpoulas on 43/50 claiming 2nd.

The second event on the card for Saturday was the Macquarie Valley Single Barrel with three shooters lining up to shoot off, Arty Del-Ben claimed O/A with 41/41, Brian Doyle first in AA with 40/41 from Peter Fitzalan of Dubbo on 35/36. Errol Tucker claimed A grade with 34/35 after a shoot off with Paul Jackson and Scott Anshaw seeing Paul Jackson from Singleton take second with 33/35. B grade went to junior shooter Dane Doyle on 29/30, Steve Cassar from Illawarra 2nd on 24/25. Anthony Holzigal collected 1st from Danial Barry from Goolma on 21/26.

Event three the Ryan & Rankmore 50tgt Double Barrel had five squads lined up for the overall shoot off, after the first round of 25 targets the field had narrowed to 12 competitors, after round 4 just 6 remained, Kate Schiller and Greg Coleman both bowed out on 108. Wayne Dunbar from Hay Gun Club let one go on the 129th target leaving Jeff Nash and John Crompton to carry on until Jeff lost his 142nd target letting John Crompton from Sydney G.C. collect the cash and sash with an impressive score of 192/192. Kate Schiller from Boorowa was 1st in A grade with 157/158, 2nd going to Peter Phillpot from Marconi with 65/66. B grade went to Robert Hosking on 51/52, 2nd Steve Cassar with 49/50. C grade saw Mendooran's Roy Butler claim 1st placing with 51/53 from Dubbo's Peter Tremble on 50/53.

Sunday morning started with a slight fog but cleared before shooting began.

The first event for Sunday was the 30tgt points

L-R Robert Hosking B grade HG, Kate Schiller A grade HG, Dane Doyle Sub Junior HG, Charlie Sherry AA grade HG, Glen Castellaro OA HG, Anthony Holzigal C grade HG, Jeff Nash Veteran HG

score sponsored by Macquarie Valley Pest Management. Overall taken out by Charlie Sherry with an excellent 213/213, Matt Schiller collected 1st in AA with 201/213, Glen Castellaro captured 2nd with 125/126. A grade going to Dubbo's Marcus Bruce with 90/90 leaving Alex Nohra and Yilmaz Neziz to shoot off for second, resulting in Yilmaz winning with 119/120.

Charlie Sherry PS winner

Goolma's Bradley Mitchell shot well to take B grade with 88/90, Steve Cassar had to shoot off with Andrew Murphy to secure 2nd place on 105/108. A three way shoot off was required to decide C grade with Anthony Holzigal from Cobar winning on 107/120 from Roy Butler 2nd with 106/120.

Next was the 30tgt Dave Funt Buildings Handicap in 1st place was Ross Hibbert from N.S.W. Gun club gaining a metre with 45/45, 2nd went Duncan McPhee from Mendooran on 44/45, Peter Boland from Hermidale 3rd with 41/45, Lawrence Doyle claimed 4th

Captain Ben Luck with Ross Hibbert HC winner

with 35/36 from Charlie Sherry on 31/21.

The Dubbo Meat & Seafood Centre's Double Rise was to round out the weekend shooting with only one possible of 40/40 shot by Cobar's Glen Castellaro. Wayne Dunbar was 1st in AA with 48/50

Glen Castellaro OA HG

with Peter Boland 2nd on 46/50. A grade was won by Duncan McPhee on 46/50 from Graham Baylis of Narrabri on 45/50. Robert Hosking collected B grade with 36/40 from Ben Howard on 41/50. C grade was collected by Nick AndriaOpoulas with 30/40, Jason Wall came in 2nd with 37/50.

For the second year in a row no shoot off was required to decide the High Gun winners with the Sub Juniors going to Dane Doyle with 240/285, Juniors going to Brian Camilleri on 265/285, Helen Overton from Brewarrina the Ladies on 270/285, Veterans was Jeff Nash on 273/285, Anthony Holzigal won C with 252/285, B grade went to Robert Hosking with 263/285, Kate Schiller collecting A grade with 269/285, AA was Charlie Sherry with 278/285.

The Golden Fox and \$500 in cash for Overall H/G was won by Glen Castellaro of Cobar shooting an excellent score of 281/285 to only be four points down for the weekend.

A big thank you to all our sponsors for their support, the C.W.A. ladies in the kitchen, the trapper boys from the Scouts, Peter, Shane & Errol in the office, Geoff, Ben, Andrew, Ashley, Dave, Les & Ben on the lanes for a well run shoot. To all who helped ref or score or in any other way a big thank you to you all.

Blustery conditions for CLONCURRY ANNUAL SHOOT

With gale force winds coming directly from the polar ice caps the stage was set for another blustery Cloncurry Annual Shoot. Each morning dawned calm and not too cold, but in true Curry style it only took the announcement of "Squads One, Two and Three to the tracks" to herald the start of the wind. Yes, you did read right, there were three squads to a wave at this year's Annual!

Arguably Queensland's most rapidly growing club (membership increased from 7 in 2011 to 28 in 2012), in the last six months they have hosted a Coaching Weekend to help their new shooters get off on the right foot (two of whom won C Grade prizes at the State Trap Carnival), replaced an existing trap house and installed a third layout. The club has applied for a GCBF grant and assistance from a local mining company to purchase two new Canterbury traps. These will hopefully be approved by the end of the year. In the meantime a quick phone call to neighbouring club Normanton arranged the loan of two Canterbury traps and club members volunteered to transport them four hours each way.

New local shooter and Lemmon's Store owner Allan Abdy had a trade tent set up displaying guns and shooting accessories and arranged to have George Barton from Beretta to fly up and promote their wares. It was great, particularly for newer shooters, to have access to gun-fit advice from George and try guns from Beretta.

With 42 shooters in total it was a fine effort to end up with a total Calcutta pool of \$3500. Generous sponsors helped to provide a well laden trophy table.

Special thanks to

Curley Cattle Transport, Sean Kenney, K&R Cartage, Lemmons Store, Cloncurry Tyres, Niverak Smash Repairs, Ausfuel, OzeCool, Brodie Hardware, Central Hotel, Kemco Engineering, NQX freight systems, Desert Ice, Halls Firearms, Winchester, Global Welding Supplies, Bell Concreting (supply and installation of 3rd layout).

Jason Williams shot consistently well over the weekend to win his first Overall High Gun in tough conditions. George Barton outlasted "The Gulf Grey" Wayne Reeves in a shoot-off for the AA Grade High Gun, and "The Old Fox" Mick McGill in career best form took out the A Grade High Gun. Locals Mick Richards and Matthew Nielsen won the B and C Grade High Guns, respectively, and Diane Reeves took out the Ladies.

Cloncurry club members pulled together to put on a great shoot, providing excellent meals and a welcoming atmosphere. With a little help from a couple of Normanton members the office ticked along nicely, allowing a timely finish on Sunday. Next year's Annual Shoot will be on 27th and 28th July, and this go-ahead little club would appreciate your support.

Letter to the Editor

SINGLETON CLAY TARGET CLUB INC.

17th July 2012

Our club notes with interest the National President's Notes on page 1 of the August 2012 Edition of the CTSN and the proposal that the ACTA again wants to collect its own membership fees directly from members and its reasons why this will "supposedly" increase membership retention. (Even though in the same article the President makes mention of the fact that the Executive know that it was "reacted to negatively by the membership" the last time they proposed this last year)

Can we address some of the statements in the article?

Statement

An Industry Forum organized between Board members and representatives of the Firearms Industry took place at Melbourne Gun Club on 13 June 2012 to explore ways to grow our sport.

Clubs Response/Question

1. To be honest we cannot see the clear connection between a forum with the Firearms Industry and growing our sport unless they were discussing more sponsorship. If as the article suggests they were discussing membership retention ("The single issue we considered, following input from industry, that would help retention is the way we collect our shooters registration fee") we believe this is not a subject that they would be fully versed on or truly understand.

2. If the ACTA executive are serious about a Forum regarding how to retain membership it should and **must** take place with the true stake holders in the sport namely the clubs & members themselves.

3. It appears to us that the only reason not to do that would be that the ACTA doesn't want to hear the **REAL** reasons membership is suffering.

4. Later in the article is this state-ment "Following a recommendation from the Association Auditors ..." The Auditors would not know how to retain membership and are not interested in what happens on the "shop floor" so any recommendation from them about this matter is worthless in solving the problem.

Statement

"The benefits from this proposal could be immense.

Clubs Response

The benefits from this will be immense for whom? The clubs and their members had already rejected the collection of membership fees last year and for good reason. If you truly think that a governing body like the ACTA will do a better job at retaining members than a club secretary who has an intimate understanding and friendship with all of the clubs members you have "got rocks in your heads"!

If it wasn't for the efforts of the club secretaries and other members of the club in convincing members to rejoin for the friendship and camaraderie of being part of the club there would be a huge number of members not rejoining. Take away that personal contact at renewal time and give them the opportunity to just say no to a letter from a governing body that they have no real relationship with and see what **will** happen!

Already this year our club has lost over 10% of its members and we can assure you that trying to collect the fees from them directly would have made **ZERO** difference to them rejoining. In fact we would have lost a lot more members had it not been for the hard work of the executive committee in convincing some members to stay on for another year.

If the ACTA took the time to contact those shooters who had not rejoined this year instead of running a talk fest with groups that have no idea what's happening out there in the real world of

shooting, you would have the true answer to all your problems or is the ACTA, as we suspect, too scared of the truth or not really seeking it anyway!

The **No 1** reason why members are leaving the sport in droves and new members are hard to convince to rejoin after their first year is that there is no ability for the clubs to offer them a membership at a reasonable price if they only want to shoot at their own clubs competitions or more importantly to shoot for targets only for an unrestrictive time. Surprise, surprise, not everyone who wants to shoot clays wants to do that competitively.

Shooters who don't want to be part of any competition or shooters who only want to shoot competitively at their own club (probably make up over 60% of the membership) or shooters because of work commitments or rosters can only get to the club a few times a year are now priced out of shooting in their own minds because of the high cost of membership that they see as excessive for the amount or type of shooting they are doing.

Want more members and want to retain them? Simple, bring back "Club Only" Memberships at a realistic price and also change the "New Start" Category to make it available to any shooter, new or current at the fee of \$50.00 for an unrestricted amount of time.

Now the benefits from this will be immense.

If our club could offer the above we already know that 90% of the members we lost last year would return to the sport they really enjoyed and there are numerous potential new members out there who would also sign up if we could offer them a cheaper membership option that suited their needs.

The Wash-up

Each club would have heaps more members thus making more money by throwing more targets, the shooters would be happier because they would feel they are getting a fair deal on their fees for what they want to do (happy shooters telling other non-shooters how great the sport is not disgruntled former shooter telling everyone how expensive

the sport is and how inflexible the governing body is.)

Even the ACTA would benefit from not only the increase number of fees they will collect from the increased number of members but even the members coming into the sport as target only ("new start") shooters may well enjoy the sport that much that they decide to take up Full Membership and become more competitive.

Don't believe our club? Try discussing the above with as many clubs as you can, you will find the answer is as we have outlined.

You can do this by getting into the 21st century; communicate with the clubs and their members by email with questionnaires etc. on a semi regular basis to find out what the majority of shooters want and the direction they want the governing bodies to take them and their sport.

There's a wealth of knowledge out there in shooters who have been involved in the sport for a very long time, all you have to do is ask them.

You might not like or agree with everything they have to say but we guarantee that the sport of clay target shooting will be the better for finding out.

Yours truly,

*The Executive Committee of the
Singleton Clay Target Club & their
members.*

President Bruce Smith,

Vice President Lionel Finlay,

Secretary/Treasurer Denis Pearce

Response to letter from Singleton Clay Target Club Inc.

The ACTA welcomes letters such as this as they help us to identify many of the myths which plague the sport.

The first point mentioned is the ACTA wants to collect its own membership fees, This is not correct. The ACTA is looking at a proposal to allow members to renew membership on the web site which would include club, zone and state payments which would automatically be directed to the respective accounts and information provided to all levels of

Letter to the Editor

Continued from page 18

membership. This process would in fact reduce work for club volunteers in that they would not have to do the work themselves nor send returns to the ACTA, State or zone. It would allow the Club to immediately see who has not re-signed for their own follow up. This would also ensure that the ACTA could send out stickers immediately and not when the club is able to forward the membership to the National Office.

Contrary to the comments made in the letter from the Singleton Club the Firearms Industry has a vested interest in the sport. In fact their livelihood depends on it. For business to grow the sport needs to grow. All of the industry members at the meeting were current members of the ACTA as well as regular shooters. The firearms industry has on-going contact with a range of members from most clubs in the Association. Shooters regularly talk to them about their sport and clubs. The industry also

speaks to a range of shooters in different associations as well. They are in an ideal position to listen and compare comments from club to club and organizations. Also contrary to the comments made by the author of the letter, the Association Auditor has an involvement with, and is regularly in contact with, a number of sports and also sees what is being done by other sports.

The writer is absolutely correct in saying that local club staff are the most effective method of keeping members who are re-considering their membership. While we talk about the cost it should be noted that most sports are just as if not more expensive than the membership rates for Clay Target Shooting. It should also be noted that the Singleton club indicated that the removal of club only membership had lost members. The Club only had 2 "club only" members in the year before this was removed. As was indicated

in the CTSN previously the initial reason for club only membership was to allow some of our older and more experienced shooters, who no longer wished to shoot competitively, to remain in the club and was restricted to 10% of membership. In certain clubs this policy was ignored with some having 25-35%. This then moves the costs of services onto full paying members and the clubs. Similarly new start was a method of getting people in to the clubs who had never shot before, to get them interested, and then to become full members. The advantages of a graded entry into our sport are obvious and may we respectfully suggest that clubs should concentrate on converting those people to full members. The ACTA, however, would be interested in hearing from other members on this issue.

Unfortunately in our litigious society personal liability is a major issue which we cannot ignore. The facts are that any person who shoots at an affiliated club, irrespective of whether in competition or not, represents a similar risk to

our insurers and therefore cost to our members.

The ACTA does not rely just on comments from the Industry Forum to develop policy. The National Executive comprises 2 members from each state who have come through their respective club, zone and state executives. These members provide feedback from all levels of their representation. In addition the National Office receives letters, such as this, phone calls from members and the executive are also out at shoots in their states on a regular basis obtaining feedback from shooters. The National President conducts informal shooters' meetings at national championships to get feedback on a range of issues.

All of these matters under consideration have been brought to our attention by various stakeholders in our Sport. We would be negligent if we did not consider stakeholders suggestions. Outlining these ideas in the magazine provides a forum for stakeholders to have input to assist the executive to make a more informed decision.

WANGARATTA CLAY TARGET CLUB

JUNE 9th, 2012

Top Shots at DTL Championship

Back L-R: Dave Harley, Doug Thomas, Peter Wilson, Daryl Hunt. Front: Jacob Taylor, John Gemmill, Harry Ward, Corey Wilkinson, Terry Walls, Logan Wemyss, Hayden Smith, Rob Taylor

A good attendance of almost 50 keen trap shooters turned up to compete at the Wangaratta Clay Target Club Down The Line championship shoot on Saturday 21 July. A perfect, sunny and windless day provided ideal shooting conditions for the two championship events held. The day finished relatively early, which was good considering the short daylight hours at this time of year.

The 10 tgt Points Score eye opener was divided amongst 8 shooters, which then led into the 30 tgt Points Score Championship event. AA grader Terry Walls shot a perfect score of 105/105 winning him the overall sash and in 2nd place was John Gemmill on 104/105. A score of 87/90 was enough to win A grade for Peter Wilkins, ahead of Robert Taylor on 104/108. Hayden Smith shot 85/90 points to secure him the sash in B and Dave Harley took out 2nd place with 81/90. C grade was sorted out with first going to Corey Wilkinson 81/90 and 2nd won by Andrew Box 80/90.

The last event was 50 pair Double Rise championship and local AA grade shooter Daryl Hunt, suffering with a bad cold, won with a tally of 46/50 ahead of Tim Peacock 64/70. Logan Wemyss succeeded as A grade champ on 42/50 and 2nd went to Robert Taylor 41/50. Lou Rech returned a score of 42/50 winning him B grade, defeating Dave

Harley, 2nd place with 39/50. This event saw Andrew Box win first in C grade this time with 33/50 and Jacob Taylor on 31/50 taking out 2nd.

After all the results were tallied up the O/all High Gun was taken out by Daryl Hunt 164/170. The Juniors trophy was won by Harry Ward 157/170, Ladies to Megan Grassi 142/170 and Veterans awarded to Doug Thomas 159/170.

NARRABRI Clay Target Club

Narrabri CTC held its monthly shoot on Sunday 17th June in good conditions.

Skeet shot before lunch was won by Troy Holman from Brian Holcombe. After lunch at 1pm the trap shoot commenced.

1st Event was a 50 target Double Barrel off 15 metres. 1st AA grade was Troy Holman 52/54 after shoot off with Graham Baylis 51/54 2nd. 1st A grade was David McInnes 47/50 after shoot off with Frank Hedley 2nd. 1st B grade Justin Man 43/50 after shoot off with Hugh Faris coming in 2nd. C grade went to Rod Johns 30/50 after a two year spell from shooting due to travelling around Aussie.

The next event was a 25 target Points Score and 25 Single Barrel combined. 1st AA grade was Troy Holman 98/100, 2nd John Harris 94/111 after a shoot off with Graham Baylis (lost another one to the young fellas). A Grade went to Frank Hedley 94/100 from Dean Thomson 92/100. B grade with 90/100 went to Hugh Faris from Bruce Ping-Kee from Moree 79/100. C grade went to Rod Johns 71/100.

ECHUCA CLAY TARGET CLUB

JULY - SKEET

75 targets of Skeet was the July 2012 program at the Echuca Clay Target Club, and even though it was a bitterly cold day, it still attracted a reasonable roll up of competitors, some from as far as Swan Hill and even South Australia.

Event one, was a 50 target Skeet Championship, and although not one shooter could down all 50 targets, two managed a very respectable 47/50 score, Echuca member Howard Hawking and Mathoura Gun Club member, Roger Kerslake. Just four targets into the shoot off and it was all decided, with Roger Kerslake hitting all four, earning him the Overall Winners

Championship Sash, and the 1st in B grade cash dividend, Roger ending on a 51/54 score. Howard, after missing his fourth shoot off target, had to settle for 2nd in B grade. C grade 1st was taken out by Echuca Club's President, Ron Traill, Ron having shot a 42/50 score, Hugh Nihill shot a 32/50 and that earned him 2nd in C grade. Strangely there were no A grade shooters in attendance.

The second event was a 25 target Skeet Handicap, and although there were a considerable number of shooters in the shoot off, having been eligible via their handicap numbers, newcomer Fred Guyatt, a member of the South Australian Gun Club outlasted all others to secure 1st place with a well shot 47/48 result. Roger Kerslake shooting well on the day earned himself 2nd place with an excellent 45/47 score. Swan Hill member Geoff Charleston shot a 43/45 in the shoot off and that earned him the 3rd place cash dividend.

All competitors at the presentations were thanked for attending on such a cold day, and the Skeet shoot, apart from the weather conditions ended up as a very successful shoot.

AUGUST - DTL

August 12th saw eight squads of shooters arrive at the Echuca Clay Target Club to compete in the five events on offer for the day. Clear and sunny for most of the day, but with an intermittent very cold south west breeze, that moved the targets considerably, making it very difficult for the shooters to post good scores. Shooters came from a wide area, even including Melbourne, and something that does not happen very often, there were an almost even number of participants in all four shooting grades.

A 25 target Points Score Championship was event one, and after only two targets into a shoot off Echuca's Drew Healey won the Overall Winner's

Sash and the 1st in AA grade trophy with an end result of 79/81.

Event two was a 25 target Single Barrel Graded Cash and Echuca member Craig Fitzgerald was the only shooter able to post a full score, earning him 1st place cash in AA grade with his 25/25 result, 2nd in AA grade was shared between Steve Traill and Drew Healey, both Echuca shooters and both shooting a 24/25. A grade 1st was shared between J Wilson and P Keck both on a 24/25. B grade 1st was Lindsey Torney 23/25, with S Peatling taking B 2nd cash with a 21/25 result. C grade 1st was shared between N Ham and N Calandro both having shot a 16/25.

Steve Traill, 1st in Club Mug Comp

A 25 target Handicap was event three, and once again after a shoot off only lasting two targets, R Neilsen was the 1st place winner with a 27/27 score, 2nd place went to Warrick Kely 26/27 and 3rd place went to Craig Fitzgerald ending on a 25/26 score.

25 targets of Double Barrel Championship was event four, and after a shoot off that lasted to the 103rd target of the event, Melbourne Cricket Clay Target Shooting Club member, William Preston, was the only one able to shoot the 103rd target and that made him the recipient of the Overall Winners Sash and also earned him 1st place in A grade. That 103/103 score added to his already good shooting record also earned him a rise to AA Grade, well shot Bill, congratulations.

10 targets of Club Mug was the last event, and Echuca member Steve Traill hung on to be the last man standing, and that earned him a handy \$90.00 reward. Other results are as follows, Event 1 P/S AA 2nd C Fitzgerald 72/75, A 1st J Wilson 78/81, A 2nd J Costa 71/75, B 1st S Houston 71/75, B 2nd A Wilson 70/75, C 1st J Hogan 61/75, C 2nd T Bertalli 59/75. Event 4 D/B, A 2nd G Rathbone 80/81, AA 1st C Fitzgerald 102/103, AA 2nd S Traill 30/31, B 1st Scott Houston 31/32, B 2nd Alan Wilson 26/27, C 1st Tom Bertalli 21/25, C 2nd N Ham 19/25.

With almost 50 shooters to shoot 110 targets each, spread over five events, the program ran very well the entire day, with presentations over by the respectable time of 5.30pm.

THE NEXT GENERATION OF VISUAL EQUIPMENT FROM PILLA

2013 OUTLAW X

2013 Outlaw X Carbon Fiber Fork Temple Arm has been extended 6mm to achieve perfect weight distribution from the nose to the rear of the head.

Every lens has an integrated acetate sweat bar to hold the lens off the forehead to prevent smudging of the backside of the lens.

No other shooting glass technology provides more sight picture than the Outlaw X. The visual field is completely unobstructed as there is no front frame.

Temple tips are easily adjusted to customize fit and provide optimal comfort. The temple tip high performance rubber and has a titanium inner core.

QUICK CHANGING OF LENSES

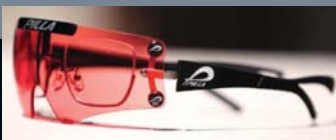

Our patented Snaptech technology has been engineered to provide a solid fulcrum for easy changing of our temple arms to maximize your visual performance with the optimal light transmission. The wide temple creates a flat surface for easy leverage to snap the temple in place and remove.

The nose bridge is made of soft rubber and can be customized to fit any shape nose. The inner core is titanium

Patented Carbon Fiber Fork Temple Arm cradles the head – Complete reduction of weight – Entire frame with lens weighs one ounce.

Novelty Field & Game Shoot

The long weekend of the 9th & 10th of June is always scheduled for our major shoot of the year, when a two day, Novelty Field & Game clay target shooting competition is held.

On Saturday 9th June the Tom Turner Memorial Redbank Creek championship of 100 targets is held in honour of a true gentleman who won this event in 2005 just a few days before his untimely passing. The event is proudly supported by the Turner families and Arms & Ammo gun shop.

Sunday's event was the 100 target Cable Handling Services Challenge. Cable Handling Services are the major sponsor of the weekend's shooting.

Our attendance is usually dependent on the weather and this year the weather Gods smiled on us as we had two beautiful

days of glorious winter weather. This resulted in record attendances of 111 on Saturday and 99 on Sunday. Visitors came from all clubs in the Hunter, Sydney, Central Coast, Quirindi and the Northern Tablelands.

Saturday's Memorial shooting started at 9.30am and the results were: AA Grade 1st Steven Atkins 92/100, 2nd Andrew Garvie 104/114, 3rd Jamie Hayes 103/114, 4th Stephen Payne 90/100; A Grade : 1st Frank Araco 89/100, 2nd John Benham 88/100, 3rd John Hosking 87/100, 4th Paul Turner 85/100; B Grade: 1st Bernie Lawlor 78/100, 2nd Martin Camilleri 77/100, 3rd Darrell Austin 95/128, 4th Len Brooks

HG L-R: Shirley Mitchell representing Tommy Mitchell JR, L: Amy Buys, V: Frank Searles, C: Pat O'Dwyer, B: Bernie Lawlor, OA: Stephen Payne; AA: Steven Atkins, A: Frank Araco

At the presentations all shooters had a lot of praise for the volunteers, without their hard work the weekend would not have been the success it was Col and Lionel looked after the maintenance and re filling and we had very little lost time because of their efforts.

A big thank you to Tony for the loan of his quad bike to allow quicker access around the nearly kilometre long course.

Julie and Ally in the office were kept busy accepting nominations and writing up scores and the kitchen ladies led by Ann & Shirley did a magnificent job of feeding the masses breakfast, lunch and dinner all weekend and deserve a huge thank you.

VCTA SCHOOL STUDENTS CHAMPIONSHIPS South East Zone and North West Zone

SOUTH EAST ZONE

At the well presented Frankston Australian C.T.C. on Thursday 2nd August this year's Zone Championship commenced at 10am, conditions were good with the breeze not a big factor.

OA winner Nathan Zechner

There were 197 shooters nominated from 32 schools and this was an all time high for this Zone.

The event shot Single Barrel with a sighter then ten to count as part of the first round and this provided four

clean scores. The second round commenced just before noon and this last ten produced five clean scores, but no one who had shot the first round was able to put both rounds together.

Kyle Dunkley and Nathan Zechner, a junior, shot off for the Overall with Nathan from

Winnig team, Lavalla

Senior Boys K Dunkley J Wallace & T Satori

Junior Boys D Atherton J Wilson & W Smithwick

Senior Girls T Shingless B Patterson & S Bennison

Junior Girls J Summut & B Counsel

Emmanuall Coll, winning the contest with 23/25. Kyle was first in Senior Boys with 22/25. The shoot off for second and third in Senior Boys was contested by five shooters on eighteen and took a further fifteen targets for Jack Wallace from Lilydale High to collect second and Tom Satori 31/35 from Lavalla Coll third.

In the Senior Girls section Bridie Patterson 21/25 from Salesian Coll, was first, Sam Bennison 19/25 from Lavalla second and Tayla Shingless 17/25 from Sale Coll, third.

The Junior Boys winner was Jaxon Wilson 16/25 from Galvin Park Coll,

Will Smithwick 20/25 from Lilydale High was second and Dale Atherton 18/25 from Wonthaggi Sec, Coll, was third.

The number of participating Junior Girls was a Zone record and in this section Kaitlyn Summut 15/25 from McKillop Coll was first, Bree Counsel 14/25 from Nagal Coll second Bonne Coleman from Catholic Coll, Sale was third.

The winning team was Lavalla with 70/100 with team members T Santori, J Asmussen, A Bowman, M Ewert and S Prosser.

The Zone wish all the trophy winners good luck and good shooting at the State final in September at Bendigo.

The sponsorship for this event comes from Winchester, the VCTA, Frankston Australian CTC, and the South East Zone Council, all have participated for many years and their continued support is very much appreciated.

Finally a very big thank you to all who made a day with 40 squads work so well, it was a great day and it did work well.

Zone Secretary, Chris Carrol

Kylie Lyons fires up at Mathoura

Cohuna member Kylie Lyons travelled to Mathoura Gun Club on Friday the 27th of July and had an exceptional night out, claiming 1st place in the main Handicap event, and securing 2nd place in both other events. Four full squads of shooters arrived to compete on a wintry cold night for places in the three event program. A pleasing roll up for a cold July shoot, but with two fires burning, and hot food and drink available, it was reasonably comfortable for all the competitors.

Event one, was a ten target Handicap Cash Divide and Denilquin member Tim Maher was the only full score, claiming 1st place cash for his excellent 10/10 score. Four others dropped one target to share in 2nd place cash, they were Cohuna members James Hogan and Kylie Lyons, and Mathoura members Gerard James, and Anthony Maddick, all four shooting a 9/10 score.

Twenty five targets of Victorian North East Zone Night Handicap was next and Kylie Lyons and Tim Maher both dropped just one target, resulting in a seven target shoot off that ended with Tim dropping his seventh, Kylie shooting hers earned her the Sash for, 1st place in the Handicap, with a 31/32 score. Tim taking out 2nd place on a 30/32 result, and after a one target shoot off between Denilquin's, Bruce Cook and Euroa's, Laurie Fitzpatrick, with Laurie dropping his 1st target and Bruce hitting his it was all over with Bruce putting his hand up for 3rd place with a 24/26 result.

A 15 target Points Score Cash Divide was event three, and apparently the cold night air must have started to take hold, as no shooter could claim a full score, Laurie Fitzpatrick was best on the ground with a 42/45 result, earning him 1st place cash, and Kylie Lyons, and Anthony Maddick, both lost just one more point, giving them a share of 2nd place cash each.

It was a very enjoyable night of clay target shooting. On a cold winter's night that luckily the rain that had been around did not come down during the shoot.

Wangaratta – All Abilities on Target

On Thursday August 16, The Centre's CARN (Centre Active Recreation Network) arranged an All Abilities shooting day with the Wangaratta Clay Target Club, providing an opportunity for people with a disability to test their skills at clay target shooting.

The majority of the All Abilities participants were paraplegic, and had an excellent time taking turns at shooting the targets, with everyone hitting the targets almost straight away.

One of the participants, Lincoln Budge became paraplegic after a car accident 4 years ago. He is an inspiration and a great ambassador for disability sport - he currently trains intensely as part of the Australian Paralympic Development team, with aspirations of making the 2014 Paralympic Winter Games in Russia, and was also runner up at the Australian National Wheelchair Water Skiing Championships and has played wheelchair basketball at state level, so naturally, he was a 'gun' at clay target shooting and challenging the rest of the group.

Member of the Clay Target Club, Brad Spalling, was the instructor for the day and did a fantastic job teaching the group and giving some great advice on accuracy and technique.

The more shots that were fired, the more the group wanted to shoot - going through over 450 shells in just a couple of hours! As always the Wangaratta Clay Target Club is very supportive and encouraging in getting new groups to try out clay target shooting. If you are interested contact the Wangaratta Clay Target Club President on 5727 3794, or alternatively if you have a disability and would like to be involved, contact Rob Newman from The Centre on 5721 0200.

William Saul Memorial Shoot at Kempsey

Once again the Kempsey Clay Target Club hosted the 75T Double Barrel "William Saul Memorial" shoot this August with 24 local and visiting shooters vying for the memorial trophy on a beautiful day, although a bit windy at times.

William Saul was long time shooter from Kempsey who, during his shooting years, was selected to attend the Olympic Games trials for Melbourne in 1956. Unfortunately, William did not get selected to attend the games. Back in those days there were only two shooters allowed to be selected to represent Australian, slightly different from current games selection criteria. A great honour all the same and we can proudly say he was a member of Kempsey club and we still have members of

his family, Steve, Emily and William Jnr, as members of our small club. This year and for many years past, the Saul Family has sponsored this event and the club extends its deep appreciation to them for their generosity.

The overall winner of the memorial shoot was local, Brad Hooper shooting 127/129 after a great shoot-off with Rob Clarke from Port Macquarie who subsequently took out 1st place in AA Grade with 126/129 and Peter Brenton, also from Port Macquarie, coming 2nd in AA with 69/75. Other winners were: A Grade

Julian Booth 70/76, Steve Saul 69/76; B Grade Ken Saunders 67/75, Mick Wilkins 70/79; C Grade Samantha Ryder 59/76, Neville Gibson 58/76 and incentive prizes going to junior shooters Abby McMahon and Beau Powick.

Congratulations also to Brad Hooper for taking out the monthly High Gun with 146/150.

SIDE BY SIDE CHAMPIONSHIP Kerang Clay Target Club

Fine and sunny conditions greeted those shooters that attended the Kerang Clay Target Club on Sunday the 12 August 2012. As well as our local shooters, competitors attended from, Cohuna, Swan Hill, Moulamein, Bendigo and Beaufort.

The program for the day consisted of two events. Event 1 50 Target Side by Side Double Barrel Championship Sponsored by Wayne Clapham Firearm Sales And Repairs of Kerang. Event 2 30 Target Double Barrel Championship sponsored by Peter O'Brien's Kerang Refrigeration and Airconditioning Services.

Event 1 50 Target Side by Side Double Barrel Championship. Sponsored by Wayne Clapham Firearm Sales and Repairs of Kerang. Overall and AA Grade Peter Akkermans 47/50, 2nd Eddie Parker 46/50, A Grade Michael Schmidt 46/50, 2nd Fred Siciliano 45/50, B Grade Andrew Holdsworth 45/50, 2nd Geoff Manuel 43/50, C Grade Jack Holdsworth 45/50, 2nd Tyler Schmidt 38/50.

Results for those shooters who used Under and Over guns in this event were 1st Kelvin Simmonds 49/50, 2nd Ray Peatling 48/50, 3rd Frank Massara 55/60

Kerang Clay Target Club would like give a big thankyou to the 36 shooters who competed in this year's Side By Side Championship and congratulate Peter Akkermans on winning. Kerang's Side By Side Championship is gaining in strength each year and we will be conducting the Annual Kerang Clay Target Clubs Side by Side Double Barrel Championship on the 11th August 2013 for all those shooters who like to go back and relive the nostalgic era when the Side by Side Shotgun was in vogue and bring back memories of the old Champion like Donald Mackintosh, Calrossie (John Sutherland), Duxbac (Horrie James), Jack McCraith and our own local shooter like Lloyd Pay, Keith Veall, Stan Kerr, Roby Manuel, Frank Guilmartin, Peter Wilkinson and Des Thomas.

Some of the notable Side By Sides used in this championship were a Purdey owned by Donald Mackintosh, a WW Greener owned by Calrossie - John W Sutherland

who won his first Championship at Kerang in 1901 and his last a Commonwealth Galah championship in 1948 at the age of 70 years. Calrossie amazed the world with his ability with a gun for 50 years. He was to shooting, what Bradman was to cricket.

Event 2 30 Target Double Barrel Championship. Sponsored by Peter O'Brien's Kerang Refrigeration and Airconditioning Services. Overall and AA. Grade Ray Peatling 63/63, 2nd Kelvin Simmonds 62/63, A Grade Robin Algie 30/30, 2nd Fred Siciliano 39/40, B Grade Andrew Holdsworth 29/30, 2nd Jeff Hogg 34/36, C Grade Michael Brown 28/30, 2nd James Hogan 35/39

The winners of the Kerang Clay Target Club Inc Special Effort were Peter Akkermans and Les Comensoli.

Kerang Clay Target Club would like to take the opportunity to thank all of the sponsors for their support as without good sponsors these events are not possible. Likewise we would like to send a big thank you to all those who assisted to make this shoot run so well and look forward to seeing your return to our club.

Psychological Skills for Shooting

Michael Kruger-Davis

KEEPING YOUR THOUGHTS POSITIVE

In July, I was fortunate to be part of the coaching team for the National Junior Development squad. I say fortunate, because it is very rewarding working with a group of adolescents who are focused on improving. Their behaviour, good sportsmanship, sense of

humour and drive to improve, place our sport in good hands.

At the beginning of the camp, I asked what they wanted to get out of the sessions, and the main response was; How to keep your mind quiet and focused on doing well? This is a recurrent theme at workshops and coaching clinics.

The best way to keep the mind quiet is to give it something else to think about. Meditation is the best solution but is not appropriate for the shooting range. It is however the best way to practise getting rid of those unwanted thoughts that intrude at the worst possible time, but this practise should be done off the field. Meditation will feature in future articles. It is important to realise that if thoughts cannot be completely removed so it is better that they are positive thoughts rather than negative thoughts. I am going to revisit things that I have previously written about keeping your thoughts positive.

According to Burton & Raedeke, positive thought patterns help create a "flow" mindset by boosting confidence, maintaining an optimistic attitude, promoting concentration at crucial moments, enhancing motivation to push you to your limits, creating an optimal level of arousal and ensuring poise and mental toughness when confronting failure or adversity. Wow, what a sentence: and it's not just the words and wondrous phrases. This is it. If we could consistently develop this flow mindset, we would rarely miss, fail or lose, and if we did lose or miss, we could handle it. This is mental toughness.

Burton & Raedeke outline eight strategies that we can use to help us use self-talk productively and effectively. They refer to these strategies as "smart talk commandments."

1. *Be an optimist not a pessimist.* Self-talk is always a choice; it can either be positive or negative or it can be a combination of either. As an athlete we should focus on our strengths, and push for personal bests that can help us reach our middle and long term goals. Rather than look at the "glass being half empty or half full, looking at the glass as having room for more wine!"
2. *Remain realistic and objective.* Positive self-talk must be just more than thinking positively, in a way that can confuse reality with day dreams. Dreams and visions are important but they must be translated into specific goals and action plans. Smart talk will keep our thoughts well grounded and realistic: this is important because it will help develop resilience, which is our ability to bounce back from a defeat if the goals we have set ourselves are realistic and achievable.
3. *Focus on the present, not the past or the future.* Regular readers will have heard this before, and it needs to have the status of a mantra. If we focus on the past we are likely to relive old failures and misses and make judgements about our performance based on these skewed thoughts from the past. The same is true for focusing on the future: because we cannot be guaranteed of victories, we become anxious about the outcome and this anxiety leads to self-doubt. Self-doubt leads to our muscles tensing up and we miss. The present is the only time any of us can act. If we stay focused on the present we can concentrate on the process (shooting), and the product (score) will look after itself. Burton & Raedeke, state that smart-talk forgets the "if only's

(past) and the "what if's" (future) and concentrates on staying in the moment and enjoying the here and now. How often have you shot well in the first 25 targets and poorly in the second 25 targets. Because of the great start you project yourself into the future and you start to try and protect a score that you think you have, rather than staying focused on the process of shooting the targets one at a time as they come out.

4. *Appraise problems as challenges rather than threats.* Athletes who view problems as challenges bring out the best in themselves by remaining motivated and performing up to their capabilities. If you perceive problems as threats you will become consumed with avoiding failure, become stressed and perform poorly. In an event, rather than beat yourself up if you miss a target, refine your goals to deal with this new set of circumstances and select a goal that will work towards achieving a personal best or limiting further misses to keep you in the team selection or in the running for the high gun.
5. *View successes as replicable and failures as surmountable.* Success is something you can do again and again if you believe that the success is due to effort and ability rather than just good luck. Coaches and the athletes themselves need to attribute failure to something they can control: for example, the failure may be due to fitness (physical skills), poor shot (technical skills) or poor concentration (mental skills). Skill development in any of areas may assist in solving the problem. Smart talk helps the athletes see that the causes of their failures can be fixed and that success is achievable. When you are looking at your skills and you wish to refine them, remember "Perfect Practise makes Perfect".
6. *Focus on the process so that the product can look after itself.* Burton & Raedeke believe that self-talk focus should be on the process goals (eg, hard work, mental preparation, skill and strategy development) that help us achieve the desired product goals. For shooters the process is the actual act of shooting: pre-shot routine, mounting the gun, acquiring the target, swing, pulling the trigger and following through. The product is the score.
7. *Concentrate on the things you can control.* This according to Burton & Raedeke is the most important aspect of self-talk. If we try and change people and events beyond our control, then all we do is create stress for ourselves. If however, we focus self-talk on the things we can control, our emotions and behaviours remain positive and constructive. We cannot control our opponents behaviour but we can control our own: smart talk would tell us to "Act not React"
8. *Separate your performance from your self worth.* Your worth as a human being has nothing to do with how you shoot. Sporting ability, is only one aspect of who you are: your work, your ability to develop and maintain relationships, your ability to provide something for the sport or other who compete are more important than your ability to perform well. Everytime you compete you must remember that "you" are not your score, your score was how you performed on the day. Remember to look at the whole score and not just the number. 49/50 doesn't mean you cannot shoot, but it can tell you that you didn't concentrate for that one target. Missing the first target might tell us that we were not properly prepared, where as missing the last target might be telling us we let our mind leave the present and move to the future.

It is important that by following the eight strategies listed above you should be able to construct positive thought patterns which will help support your ability and should lead to further success. It must be remembered that it is impossible to stay positively focused all the time. Because we are human, it is very easy to slip into a negative mindset that will work against the good work that the positive thought patterns are trying to achieve. The plan is to have a positive thought patterns that significantly outweigh the negative thought patterns.

A huge thanks to Dino Barros for a beautiful cake to share on the day, your continuous support is very much appreciated. Thanks to Alex Nohra of Direct Wine Cellars for your generous sponsorship of fine wine. Thanks to all who purchased raffle tickets for meat trays, fruit baskets and wine. We thank the Marconi committee for making this shoot possible and memorable. A huge thanks to our President Peter Phillpott and shoot marshal, done without a hitch.

Thank you to Sharon our treasurer and secretary for organising the prizes, Pam in the office for your hard work, the ladies in the canteen, Fulvia and Michela, and Paolo for cooking an excellent BBQ.

We welcome all the shooters back next year for the 41st Marconi Anniversary shoot. Without you our shoot wouldn't be held thank you very much!!

MALCOLM FULLER MEMORIAL

On Sunday 22nd of July, Marconi Clay Target Club held the 17th Annual Malcolm Fuller Memorial Shoot. The day started off with light showers but that didn't stop the 101 shooters that arrived to compete in the 90 mixed target event which has been very popular for the past couple of years between Marconi CTC and NSW Gun Club. Nominations opened at 9m and competition started at 10am. Nominations took a bit of time to get shooters moving but in the end everything went perfectly, with shooters coming from different metropolitan clubs in and around the Sydney area.

President Peter Phillpott, OA winner Matt Patmore, Vice President Angelo Piazza

The event started off with 30 targets DB, 30 SB and 30 PS. The Overall winner AA M Patmore with a wonderful score of 197/200, 2nd in AA grade J Crompton with a score after a shoot off with M Patmore 196/200, 1st in A grade A Tsolakis with a score of 143/150, 2nd in A grade J Mortys with a

Darnick hosts local and interstate shooters

A very successful Clay Target shoot was held on 6th & 7th July, at the Darnick Gun Club NSW. Eager campers from 21 clubs including Frankston, Mildura, Numurkah, Euroa, Bendigo, Port Augusta, and Castlemaine travelled to take advantage of the mild winter weather but cold nights! Friday night's event 15 PR D/R sponsored by Gates Goats was shot under lights attracting 60 shooters. Locals Bill and Jack Palmer were among 6 shooters to scoop the cash divide prize. The others were B Doyle, G Young, C Barnden & J Gowers.

Saturday morning began with a very frosty start and all the campers enjoyed a cooked breakfast provided by the club before warming up to a long days shooting with clear sunny skies and an amazing top of 17C.

There were 5 events for the day and a record 81 shooters nominated. It was great to see 11 junior shooters in attendance. 27 shooters gained a place in the 1st event for the day,

Clayton Griffiths was 1st in C grade 21/25 and won four sashes for the day. Congratulations Clayton don't think you will be in C grade for long! Ben Palmer took out the Darnick Members High Gun with a score of 102/105

The ladies in the kitchen were kept very busy providing Friday nights' BBQ tea, and on Saturday morning and afternoon tea, pies and pasties and Yiros rolls for lunch. Thank you to all the local girls who lend a hand, and bring along such delicious cakes and desserts to feed hungry shooters. It is not possible without your help. Spog Box and his little band of helpers again traveled from Mildura to participate in the shoot and prepare a magnificent roast dinner for Saturday night. Well done Spog, as always it was a beautiful meal enjoyed by about 120 people. The club organised Danielle Hogan, a young singer from Mildura to entertain us for the night. At midnight her boyfriend popped up onto the stage and "proposed" with a ring much to the

Trench Shooting at Echuca

With little chance of practice at Trench shooting it was not surprising that not one full score was recorded in this difficult discipline, even with ideal weather conditions for shooting.

Glen Rathbone OA Trench

25 targets of Handicap was the next event, and Echuca's Warrick Kely earned himself 1st place with an impressive 25/25 result. Glen Rathbone and Buddy Morris did battle for the other placing's with Glen holding out to get 2nd place with his 34/35 score, Buddy having to settle for 3rd place with a 33/35 result.

Craig Fitzgerald OA DB

Neil Ham 1st Club Mug

25 targets of Trench was event one, at the Echuca Clay Target Club's July shoot, and all wins and placing's were taken by Echuca members. Glen Rathbone held off all others with a 23/25 score and that ensured him the Overall Winners Sash and the 1st in B Grade trophy, well shot Glen! Steve Traill dropped an additional target ensuring him the 2nd in B Grade trophy, Drew Healey also shot a 22/25 and that won him 1st place in A Grade, 2nd place going to Craig Fitzgerald with a 20/25 result. C Grade 1st was taken by Ian Phillips with a 19/25 score, and Geoff Ervin shot a 17/25 giving him 2nd in C Grade.

A 25 target Double Barrel Championship was next on the agenda, and it needed 111 targets shot to obtain a winner, and that winner was Echuca's Craig Fitzgerald, picking up the Overall Winners Sash, and the 1st in AA Grade trophy, with his excellent score of 111/111, some of which was shot off the back mark of 18 metres. Drew Healey was the shooter that pushed Craig that far but he had to settle for 2nd in AA Grade after dropping his 111th target. Ian Phillips collected 1st in A Grade with a 38/39 result, Peter Watkins who shot a 24/25 picked up 2nd in A. G Rathbone shot a 35/36 giving him 1st in B Grade, Peter Keck taking 2nd in B with a 24/25 score, Echuca's Neil Ham shot a 22/27 earning him 1st in C Grade, with C Keck 2nd with a 21/27 result. Neil Ham also held on to win the last event, the Club Mug, picking up a nice \$70.00 for his effort.

Echuca has recently fitted a full set of automatic Olympic Traps (trench), and although apologies were in order at this shoot over some teething problems, after they are seen to, members will have the opportunity to not only shoot competition, but also practice on the Olympic Trap.

Top Shots Farish & Jackel

The Wangaratta Clay Target club held its July Skeet Championship shoot on Sunday 29th. Clear, but cold conditions prevailed during the day and a perfect score was recorded by Gil Farish in the first event. The club ran two events on the day, including a Skeet Doubles Championship. A good mix of lady, junior and veteran shooters helped make up a good days shooting and everyone was very happy with the first class facilities provided by the club.

Gil Farish achieved the only perfect score on the day in the 50 Tgt event, just one target in front of David Jackel on 49/50 to win the overall title. Hard working committee man and skeet enthusiast, Phil Smith won A grade with a score of 54/56 and Arthur Willett shot 55/58 winning 2nd. It was good to see Bradley Spalling achieve a win in B grade with a score of 46/50, defeating club treasurer Bryce Robinson on 45/50. Spalling has been plagued by an annoying 'trigger freeze' of late but after some good advice from another club member he appears to be overcoming this issue. Lady top shot, Jacqueline Wemyss shot 46/50 winning her C grade ahead of Reg Phefley on 44/50.

The next event was 25 pair Skeet Doubles, which resulted in David Jackel, a renowned doubles expert, tallying up a terrific result of 49/50 winning him the overall title. James Willett also shot an impressive score of 48/50 to secure him 2nd place in AA grade. A grader, Alan Kidd defeated Phillip Smith with a score of 44/50 against Smith's result of 42/50. The winner of B grade was decided after a short shoot off between Brian Reid and Bradley Spalling. Reid took out the sash with 46/54 one target ahead of Bradley on 45/54. Once again, lady shooter Jacqueline Wemyss won C grade with an excellent score of 45/50 ahead of Rick Palmer on 39/50.

Harry Memery won the veterans trophy 83/100, Ladies trophy to Alison Farish on 68/100 and top junior for the day was Callum Parker on 76/100.

The Squire reports from West Wyalong

L-R: Winner Allan Schirmer, 2nd Mick Munro

SKEET

The fifth Sunday in July was not a good choice of days for the West Wyalong Clay Target Club to hold their 100 Target Skeet day as unfortunately it clashed with other shoots in the area.

Nevertheless there were a couple of squads and Digger Ellison made the trip over from Forbes to have a shot with the locals.

It was really good to see Geoff Brettschneider back having a shot.

Geoff has not been in the best of health lately but he stuck it out for the full 100 targets a sterling effort.

Pat Mulqueeny from Ungarie has made return to clay target shooting after a long absence and although he had never shot competition skeet before his score of 75/100 should see him back at the traps more often.

The small group made for a very relaxed atmosphere and with the new traps working well shooters had an enjoyable day.

The day settled into a contest between Mick Munro and Allan Schirmer and when Allan shot 24/25 in his second visit to the layout Mick was under pressure.

Allan Schirmer 88/100 ended up winning the day from Mick Munro 86/100.

Graham Duncan made the presentation and reminded shooters of the night shoot to be held on Saturday 25 August followed by the Doug Lindsay Memorial Side by Side Shoot the following day.

SPORTING CLAYS

There was a talented line up of shooters at the Central Zone 100 Target Sporting Clays Championship hosted by the West Wyalong Clay Target Club on the fourth Sunday in August.

Not only was the Zone Championship to be decided but the team to represent the Zone at the NSW State Sporting Clay Championships would be chosen from the competitors at the end of the day.

Although there was a relatively small group of competitors the field was bolstered by contingents from Wagga and Dubbo.

The day was fine but there was a lazy breeze blowing so shooters were well rugged up as they walked around inspecting the challenging but quite shootable layouts.

Allan Schirmer fired the first shot of the day to get the program underway on time. After the first two rounds it was becoming clear that Mick Munro 45/50 would be hard to toss but other likely contenders in consideration were: John Sidoti 43/50, James Zammit 42/50, Brad Wighall 42/50, Stephen Peak 42/50 and Allan Schirmer 43/50.

Bruce and Matt Dent had an enjoyable time cooking the barbeque and had everyone fed in good time for the final two rounds of the event during the afternoon.

L-R Back Row: Damien Periera 2nd AA Grade, Laurie Redfern 1st AA Grade, Mick Munro OA, Stephen Peak 1st B Grade. L-R Seated: Tony Bratton 1st C Grade, Steve Tipping 2nd B Grade, Brad Wighall 2nd A Grade

CZ Sporting Clays Representative Team L-R Graham Duncan, Mick Munro, Allan Schirmer

Everyone had their heads down but it was Mick Munro from Beckom who maintained his earlier form taking the handsome grey and maroon zone sash for Overall with his score of 89/100. Laurie Redfern and Damien Periera 81/100 had to shoot off for AA Grade with Laurie being successful. John Sidoti 88/100 won A Grade from Wagga shooter Brad Wighall 85/100. Stephen Peak 81/100 claimed B Grade ahead of Steve Tipping 73/100. Forbes visitor, Tony Bratton 65/100 was the C Grade winner.

After a shoot off between Graham Duncan and Bruce Dent to decide third position in the Central Zone Team to shoot in the state titles next year the team will be; Mick Munro, Allan Schirmer and Graham Duncan.

This is the second consecutive year that Mick and Allan have been selected in the team.

At the conclusion of the presentation, President, Dozer Collins made a special mention of the sponsor, Duncan's Chainsaw and Mower Centre who supplied cartridges for Overall and winners and to Tony Cronin who supplied second place prizes.

Dozer also thanked Mick Munro of Ardlethan/Beckom Field and Game for the loan of their simulated rabbit thrower and Graham Duncan and Doug Murray for the loan of their traps.

Dozer Collins did a great job in the office and in keeping things organised during the shoot. His effort was appreciated by all the shooters in attendance.

Northern Zone Championships

Guyra Gun Club hosted three days of top level clay target shooting over the weekend of 27, 28 and 29 July 2012.

On Friday night, when some would question the sanity of shooters contesting a night event in Guyra in July, 53 shooters gathered for the evening's event. Glen Anderson, (Inverell), shot 99/100 to win the 50 target Night Winter Championship. Jeff Richardson shot 98/100 to take AA Grade from Tim Bourke 100/103. A Grade was won by Libby Clark with 93/100. A Grade 2nd went to Dave Newberry 92/100. B Grade was won by Nick Tanner with a score of 96/100 and Thomas Richardson shot 90/100 to take second place. C Grade was won by Shane Pinkerton with 71/100 and Cejay Alsop shot 64/100 for second in C Grade.

Braving a snow fall on Saturday morning, Guyra's Jeff Richardson shot 28/30 to win the 15 Pair Double Rise Northern Zone Championship. He was one of 108 shooters who took part in the Championships. The Grade results are as follows: AA Grade 1st Brad Henshall 46/50; AA Grade 2nd Andrew Skinner 45/50; A Grade 1st Jack Barker 26/30; A Grade 2nd Ralph Larking 34/40; B Grade 1st Nick Tanner 23/30; B Grade 2nd Russell Sainsbury 30/40; C Grade 1st Shane Pinkerton 30/40; C Grade 2nd Cejay Alsop 27/40; Ladies winner Libby Clark 25/30; Junior winner William Saul 28/40; Veteran Rex Wilson 23/30.

Event Three was the 25 Target Northern Zone Handicap. Alan Jones from the Hunter Valley club of Camel Hill, shot 31/31 to win the event. Second place went to John Reid with 30/31. Third was taken by Paul Deland shooting 32/33. Jeff Richardson shot 31/33 to take fourth and Cesar Diaz shot 24/26 to claim fifth place.

*Tony Rogers and Brad Henshall
DB Championship*

Event Four was the 25 Target Northern Zone Double Barrel Championship. Brad Henshall prevailed in the shoot off to win with a break of 96/96. Tony Rogers fought out the shoot off with Henshall and took first in AA Grade with 95/96. The other Grade results are as follows: AA Grade 2nd Dave Edmonds 58/59; A Grade 1st Ethan Dial 43/44; A Grade 2nd Ross Maclean 34/35; B Grade 1st Thomas Richardson 51/52; B Grade 2nd Dave Mills 34/35; C Grade 1st Shane Pinkerton 24/25; C Grade 2nd Leah Beaumont 22/25; Ladies winner

Tammy Henshall 44/45; Veteran winner John Cunningham 24/25.

The final event on Saturday afternoon was the 25 Target Single Barrel Northern Zone Championship that saw three shooters, Brad Henshall, Geoff Baxter and Cesar Diaz, shoot the 25/25 possible. After the briefest of shoot offs, Brad Henshall was the winner with a score of 26/26. The Grade results are: AA Grade 1st Geoff Baxter 29/30; AA Grade 2nd Cesar Diaz 28/30; A Grade 1st Scott Brereton 24/25; A Grade 2nd Paul Deland 23/25; B Grade 1st Will Saul 23/25; B Grade 2nd Dave Mills 29/34; C Grade 1st Todd Wilson 20/25; C Grade 2nd Adam Barnett 19/26; Ladies winner Tammy Henshall 23/25; Junior Emily Saul 25/30; Veteran John Cunningham 24/25.

A sunny and still day greeted the first squads on Sunday morning, with crunching frost underfoot replacing Saturday's snow. 130 shooters participated in great winter target shooting conditions. Brad Henshall dominated the Northern Zone Points Score Championship with an excellent 108/108. Geoff Field shot 107/108 to win AA Grade and Justin Turner's 96/99 gave him second in AA Grade. Libby Clark won A Grade with 73/75, just beating Mike Sullivan on 72/75. Emily Saul shot 72/75 to win B Grade from Phil Ryder on 83/87. C Grade went to Samantha Ryder, shooting

64/75. Second place went to Todd Wilson with 63/75. Margaret Burke won the Ladies event, shooting 71/75 and Ethan Dial took the Junior's spoils with 85/90. John Cunningham shot 74/75 to take the Vet's prize.

The weekend's seventh event was the time honoured 100 Target Northern Star Conveyancing "Cool 100" Championship. Seven shooters scored the 100/100 possible. Peter Boland, a Hermidale Club member, won the event with a break of 158/158. John Reid took AA Grade with 157/158, and Kim Nealon shot 152/153 to take second in AA Grade. The other Grade results are as follows: A Grade 1st Frank Seve 98/100; A Grade 2nd Jack Barker 159/162; B Grade 1st Ben Mulligan 99/102; B Grade 2nd Phil Ryder 98/102; C Grade 1st Mark Cormack 96/100; C Grade 2nd Shane Pinkerton 93/100; Lady Tammy Henshall 95/100; Junior Nick Tanner 101/106; Veteran John Kent 129/132.

Overall High Gun spoils went to Guyra Shooter John Reid with an excellent score of 273/300. The Grade High Gun prizes went to the following: AA Geoff Field 272/300; A Frank Seve 258/300; B William Saul 254/300; C Todd Wilson 233/300; Vets Paul Deland 292/300; Juniors Emily Saul 286/300; Sub-Junior Ethan Dial 248/300; Ladies Tammy Henshall 257/300.

The Guyra Club has hosted an excellent event. Club members are congratulated on their work prior to and during the weekend.
