Evolution

In 1866 target shooting was just getting started around the world. The inventor of this game, Charles Portlock, is the one person all of today's shooters can thank for this exciting sport.

These glass balls were much harder to break the "most" clay targets of today. Some will say that today, certain brands of clay targets are as hard to break as the original glass balls. That's not the case when it comes to **White Flyer Targets**.

If you want to see your scores improve, ask your club to throw the world's best, **White Flyer Targets**. Manufacturing the world's finest target for over 100 years, White Flyer continues to evolve into the most innovative manufacturer of targets worldwide. **White Flyer Targets** help shooters win championships and break record scores. Our targets undergo a minimum of 27 quality control steps that keep **White Flyer Targets** consistent in weight, composition and dimensions.

Used recently at the following major championships with new records set:

NSWCTA Single Barrel Championship 2009 – 169/169

NSWCTA Champion of Champions 2009 – 350/350

NSWCTA Handicap 2010 – 100/100

ACTA National Double Barrel Championship 2011 – 900/900

ACTA National Double Barrel Championship 2012 – 995/995

More and more clubs are switching to **White Flyer Targets** as their preferred target. Try them and see what all the talk is about and watch your scores improve.

National President's Notes

Brisbane Club hosted the International Shooting Sport Federation (ISSF) Nationals over the week ending Saturday the 26th January. The competition, the first under the new ISSF rules, was at times held in very poor weather conditions.

With large nominations, new rules introducing lengthened shoot off processes and poor weather it was a credit to the officials running the event that they managed to conclude in daylight each day. This was only achieved with the help of the clubs volunteers and the co-operation of the shooters. Thank you all. Congratulations to all the winners, some of whom were a little surprised to be on the podium as a result of the new shoot-off format.

This was the first shoot where the ACTA uploaded footage to Youtube. Checkout the ACTA website to view. It is hoped to regularly upload content from major events. Numerous media releases were also made.

It became obvious from this event that the Association needs to look at how we can encourage officials to get the ISSF qualifications needed to administer these events and support their attendance. This is something we will be considering in the future and raising with the Australian International Shooting Limited (AISL)

The Board met prior to the ISSF Nationals and many agenda items were dealt with. Thanks to the Board members who so freely give their valuable time to attend these meetings at least six times a year.

A decision was made to re-advertise the position of Executive Officer of the Association. Details can be found at www.sportspeople.com.au and applications close on the 15th March 2013.

The Board is also preparing a position description for a new position within the office. The part time position is for a Media Officer, responsible for our Social Media content, website and media relations. It may be some time before this task is finished and it is hoped to fill the position locally with a post graduate university student.

The program for the DTL Nats in Perth during April was reviewed following a request from WACTA to increase the number of targets. It was decided the advertised program will remain in place. The program will be shot using White Flyer targets and the Australian Team to attend the World DTL in New Zealand will be selected.

I write this column from a Toowoomba motel room. Our trip home to Roma from the ISSF Nationals has been interrupted by road closures to the west of Toowoomba. I hope all the competitors from that event get home safely.

Our thoughts are with those affected by flooding throughout Qld and NSW, and those in areas swept by fire.

Robert Nugent

EARLY NOTIFICATION

Due to the ACTA Trap Nationals the closing date for the May issue of CTSN will be March 15. Copy will not be accepted after this date.

Executive Officer's Report

We have recently completed the running of the 2013 ISSF National Championships held at the Brisbane Gun Club. This was a successful event with more shooters than last year and we were lucky to get completed prior to the heavy rainfall in Queensland. The last two days provided wet, trying conditions for shooters and the results were a testament to the shooters stamina.

The new system for finals did not receive full support from all shooters, however this is the system laid down by ISSF. We saw in many occasions that the top qualifier did not make the medal shoot-offs. This highlights the need to practice the new system and get used to it. In the Skeet, Double Trap, Trap and Ladies Trap Commonwealth and National events the High Guns were

only able to take a second and third out of all events. This will undoubtedly change as shooters get more experience in the new system.

You may have noticed if you have been looking at the web site that we now have a button for media releases. A link to the latest release will also be on the front page of the web site. The first releases have related to the 2013 ISSF National Championships. We obtained good media coverage in Brisbane with an interview on the ABC Regional radio, results in radio sport reports and comments in the Brisbane Courier Mail. These media releases were distributed nationally to all media outlets. Results from the ISSF Championships were being uploaded to the web site daily but this did not include complete shooter scores as that requires more work at the moment. We will get to that eventually.

Also on the web site is a link, under the media section to You Tube with video reports on the ISSF Nationals. This was footage taken at the Nationals and includes interviews with some shooters. A twitter account has also been registered and at the start of the Championships we had 40 links, half from overseas. As the numbers increase it will allow us to distribute information on Championships and brief results and points of interest in a more timely manner to those linked in. As I have previously indicated Squad lists for the 2013 DTL Nationals will be placed on the web site and entrants will be advised of their squadding information by email. Many shooters may be in transit when the information is being distributed so the traditional method of "snail mail" may not reach everyone.

Skeet Championship

Jackel too hard to beat

Hot conditions prevailed at the Wangaratta Clay Target Clubs Skeet Championship shoot on Sunday 20 January. Considering the heat, the club was pleased to put on an excellent day to cater for the four squads of enthusiastic skeet shooters who attended.

This is the first competition where both grounds traps were activated by a voice release system, which proved popular amongst the competitors. Thanks to Phil Smith and Daryl Hunt for their untiring efforts in getting this system up and running. No more slow or fast pulls can occur, often a source of annoyance in the past to competitors expecting to see the target immediately after it has been called for.

David Jackel once again topped the scores achieving 98/100 taking out AA grade, followed by Shepparton shooter, Peter Finn on 93/100. A grade was well won by skeet specialist Fred Guyatt with a tally of 95/100 with Phil Smith very close behind on 94/100. Brian Reid shot 93/101 including a one target shoot off winning B grade and Bernie Evans took out 2nd place. A score of 91/100 saw Kirk Stone win C grade with Andrew Lavis on 85/100 taking 2nd.

DTL shooter, Graham Coyle won the Veterans Trophy 91/100 and Alex Reid took out the Juniors award with 87/100.

BENDIGO CLAY TARGET CLUB

JANUARY 26th & 27th 2013

Annual Australia Day Shoot & Leigh Knight Memorial

Deauville Doubles in progress

The Knight Family: Bert, Barb and Col with a special Memorial Shield presented to them from the Bendigo Clay Target Club

With unpredictable adverse weather conditions right around Australia, the days leading up to the Annual Australia Day shoot at the Bendigo Clay Target Club were filled with apprehension. These fears were proved to be unwarranted when Bendigo experienced 2 days of perfect conditions.

This year the Australia Day shoot was to be part of a two day carnival at the club, with the second day being a memorial shoot to former member, Leigh Knight. Leigh was known throughout northern Victoria, Western New South Wales and Southern Queensland as a fantastic shot, but an even better person. Leigh was tragically killed in a motor vehicle accident in 2011 and his family wished the club to host a shoot in his honour.

For this day special sashes were produced with a photo of Leigh in the centre of the badge. This was a one off event and the popularity of Leigh was evident with shooters attending from Brewarrina and Cunnamulla, as well as from the many clubs Leigh attended regularly around Northern Victoria and Southern New South Wales. Leigh's brother in law, Robert Ross worked tirelessly seeking sponsorship and trophies for the day and as a result, trophies on the day were outstanding.

DAY ONE

The Australia Day programme started with a 25 Target Points Championship and despite 110 shooters in the event, only one could manage the 75/75. Robert Ross was ecstatic with his win and was heard to say "this is better than crutching!" We also must thank

our sponsors of the event – Darren Hansford and Luke Torney.

Event 2 was a 25 target handicap with over \$1000 to be distrib-

uted to the first 5 placegetters. Jack Flintoff not only managed the possible, but after only 3 targets in the shoot off was \$500 richer. Runner up was Lindsay Torney, who was to have a great weekend.

The Single Barrel saw Craig Kelly take the spoils with a score of 31/31. The Bendigo Clay Target Club thanks the outstanding sponsor of this event, GB Corsivia and thank you to Colin McPherson for attending and being able to make the presentations.

The Double Barrel was to cap off a great day for Jack Flintoff. His score of 103/103 saw his first break of 100 in Open Competition. Jack had previously shot a 100 break at the ACTA Nationals. The very generous sponsor of this event was GFD Firearms of Kyabram and we thank Bill Eagle for being able to present the winners with their trophies.

After 1 round in the High Gun shoot off, local member Tony Moroni proudly accepted the sash.

At the presentations Daniel Moroni,

being still in attendance, won a large model helicopter as a door prize, which was also donated by "Blackhawk" Eagle. Congratulations Daniel and thank you Bill.

DAY TWO Leigh Knight Memorial

Day 2 also presented great weather and the Memorial Day for Leigh Knight started with a 30 target Double Barrel Championship which saw many of Leigh's former friends attend for the first time on the weekend.

Some 92 competitors entered the event and 21 were successful in shooting the qualification,

however it ended with 2 Wayne's fighting out the title. Wayne Upton missed his 173rd target leaving Wayne Hawker with the Overall sash and trophy.

Leigh Knight was one of the most successful

Double Barrel – Vet Edward Mills, Ladies Lisa Hawker & Junior Jaxon Wilson

Double Rise and Deauville Double shooters we have seen, so it was only fitting that the remaining events for the day be a 25 pair Double Rise Championship and a Deauville Doubles Championship. At one period in time Leigh and Terry Boucher were almost unbeatable in these Championships. Legend has it that at some clubs these 2 often took turns in each shooting 5 pair each, thereby completely demoralising the opposition.

The Deauville Doubles Championship saw only 5 pair of shooters shoot the qualifying and after only 5 pair of targets in the shoot off, it was a very emotional Robert Ross, partnered by Neil Cracknell, who was to wear the winners sash.

The final event on the day was the 25 pair Double Rise Championship and at the completion of qualifying, Wayne Hawker and Casey Fletcher each had a score of 47/50. Casey was to emerge victorious and proudly accepted the Overall winners sash and trophy.

High Guns over the 2 days were – Overall – Wayne Hawker, Ladies – Lisa Hawker, Junior – Ned Colliccoat and Veterans – Jim Shepherd.

The 2 days ran beautifully and we must thank Luke Torney, Peter Akkermans, Darren Hansford, Brian Taylor, Robert Ross and Mark Farthing for ensuring the traps were kept filled and the squads were backed up.

Our kitchen staff of Jan, Marg, Barb and Chris provided fantastic fare all weekend and even had XXXX for our northern visitors. In the office, Darren Pearce and Brendan Moroni kept the paper work flowing and Peter Beaman

ACTA Historian

Some time ago the Association's Historian, Mr Mark McInnes, reached a point where he needed to take a break from his position. To partially offset the vacuum this created, I have been appointed to an interim position to assist the National Office with matters pertaining to the Hall of Fame, Annual

Awards and Records and some measure of a continuation of Mark's historical research. I am extremely hopeful that Mark's absence will prove to be of a sabbatical nature and that in due course his passionate, foresighted and constructive influence will be returned to us. However, in the meantime, for any historical enquiries please feel free to contact me at cuizzo@a1.com.au or on 0418-516395.

Tasmania

Earlier this year I was privileged to be invited back to Tasmania by the TCTA. However this year they proposed that rather than simply a "flying visit" to assist them with the running of their State Skeet Carnival, that I stay on for a couple of months and combine a touring holiday around their picturesque island with a visit to each of their affiliated Clubs and to provide a number of Trap and Skeet coaching days at various locations. The nett result was that Karien and I enjoyed a fantastic holiday and the Tasmanian shooting fraternity seemed happy with the formal part of the exercise. Thus I will take this opportunity to thank the president, Mrs Cheryl Arnol, the secretary Mr Alan Styles and the multitude of Tasmanians who extended not only tremendous hospitality but also a degree of friendship and kindness that I thought had become a lost art in this day and age.

Tasmanian Skeet Carnival

Good venue. Good background. Good program. Good weather. Optional pre-noms. Finished on time every day. All in all a great weekend. The only downside was a lower attendance than expected, possibly due to a large simulated shoot nearby and several other Gun Clubs shooting on the island that weekend. One shot an impor-

tant memorial shoot and a couple even shot skeet. We looked at several possible date changes to try to avoid this but none worked. Maybe the State Association could try to broker a program deal between the clubs.

Anyway those who attended had a great time. Michael Buttigieg won his first State Title which put a big grin on him. I have never won

the Doubles in Tasmania, thanks mainly to the father and son combo of Warren and Raymond Groves, who relegated me to runner-up on a couple of previous occasions. Anyway this year I gave it (to quote Peter Brock) "a red hot go" but my good friend Glenn Clarke gave me a doubles lesson in the shoot-off, along with the need to come back and try again. Glenn had a great weekend also winning the 20 gauge and the High Gun. The president of Tas Gun Club, Johnny Foster, assured me that next year the locals will put up a much better fight. Game on!

Tasmanian Skeet History

Part of my charter as "Acting Historian" is to continue Mark's work in constructing a detailed history of all the winners of the various State Championships in each state that incur Hall of Fame points. During my visit to Tasmania I was able to access old dusty shoot books and perpetual trophies as well as the records and memories of many people. My thanks to everyone who assisted me in this venture, especially Alan Styles, Maurice Crowe, Jimmy Briggs, Ian Rist, Chris Rockliff and Paul and Jan Marshall. The nett result is a full set of winners for the Doubles, 20 gauge and High Gun right back to the inception of each event. As the 12 gauge predates all the other events by a large margin, it is obviously a much bigger challenge. However I have been able to string together an unbroken list back to 1975 and about 60% prior to that. At the end of this article I shall publish the known results from 1978 back in the hope that some of you may be able to fill in a few of the gaps for me.

Ancient Skeet History

Some time ago Mark rang me and said that he had found some very early State Skeet results for Victoria but was puzzled by the scores which were in rounds of 20 rather than 25. I was unable to cast any light on this but filed it away in my "Interesting Homework Basket". Well lo and behold, the very early Tasmanian results threw up the same quandary. As you will see in the list, the 1949 event was won by Rex Powell with 14/20. My best educated guess was to throw away the repeat and the doubles on two and six.

However, in an extraordinary stroke of good luck I was approached by one of the elder statesmen of Tasmanian clay target shooting, Mr David Hallam, who said he had heard of the historical research I was doing and wondered if I might be interested in borrowing his 1936 ACPTSA Rule Book. Would I? Does a wild bear defecate in the forest? That little book proved to be an absolute treasure trove of information. So much so that I got permission to photocopy before returning it and sought first refusal if he would ever part with it.

So how do you shoot 20 skeet? First you shoot singles on stations one through seven. Forget station eight. That's fourteen. For the other six you go back and shoot three pairs on stations two, four and six. While I was contemplating the pair on four I found that you always shoot the high target first in the pairs, which provides an interesting scenario on six. However things then got a bit easier when I found that no electric power was used. The trap-boys, who remained in the traphouses in those days, cocked, loaded and released the machines, all by hand. As they would have trouble hearing shooters calling from distant stations, they actually responded to a whistle blown by the referee, upon being advised by the shooter that he was ready.

And the pairs? Not as bad as first thought. The high-house trap-boy responded to the whistle, but the low-house boy responded to the gunshot, thereby giving following pairs rather than simultaneous. The reason for deleting station eight also became clearer upon examining the field layout diagram. In 1936 they were still using a half circle rather than a semi-circle and the target flight-path was still over the top of the opposite house, rather than 36' to the side of it. So if you were attempting to shoot a low eight on field two and someone missed a high target on field one, it would probably smack you in the back of the head.

Tasmanian Records

Here's an example of how time and history can combine to provide a reality check. Back in the mid eighties I was somewhat smug in the knowledge that I had won the Tasmanian Skeet Championship four years running. However a few years later Stuart Browning took some

of the gloss off it by emulating that feat. Ah well, better a shared record than none at all. That was until about ten years later when Chris Rockliff showed Stuart and I how it is really done by winning the event six years running from 2002 through 2007. Then to make it worse, my historic research showed that I wasn't even the first. Sperry Marshall won the event four years running from 1969 to 1972. The moral of the story? When you start to think that you are a legend, watch out. Hindsight will probably show that it was only in your own lunchtime!

And if you want to talk about legends, what about Sperry Marshall? Everyone knows what a great Trapshooter he was. As an example, last year at the Macintosh reunion he was one of only five people in history to get a Gold Macintosh Badge for 20 or more appearances in the Macintosh Team. And I didn't even know that the bloke shot any Skeet. Turns out that after winning his first State Skeet Championship in 1953 he went on to win it 10 times during the next 20 years – That's a 50% kill-ratio! And if you include the 3 times his brother Paul won it during that time it means the trophy spent two thirds of it's life in that era sitting on the Marshall's mantelpiece.

Interstate shooters travel to Port Augusta's birthday shoot

With the weekend weather forecasting hot dry conditions with moderate winds the Port Augusta club was ready for a November weekend of high quality competitive shooting. A total of 50 shooters with some travelling from Queensland, New South Wales, Victoria, Northern Territory and various areas of South Australia competed in 8 events over the two day competition. There were four ladies and six juniors who nominated for the weekend shoot with some very impressive results recorded from these groups

Ten squads of shooters nominated for both days for the various events with hopes of collecting one or more of the trophies and prizes available with 5 Rifles and 4 Bar Fridges just to name a few. The Port Augusta Club was able to have three traps operating over the two day shoot.

Saturday was a fine warm day with a mild breeze and little cloud cover and shooters were keen to participate in the competition. The first event was 25 Points Score, which gave shooters the opportunity to settle in and get a feel for the conditions. All of the squads progressed through this event reasonably quickly. This event provided some lively shooting between Ross Walsh, Brian Thomas and Lionel Stringer and resulted in a shoot off which finally resulted in AA & OA winner being Ross Walsh 108/108 and 2nd Brian Thomas 105/108, A 1st Kym Zaniol 74/75 and 2nd Tony Dipaolo 72/75, B 1st Tania Evans 72/75 and 2nd Darrell Bryant 70/75. There was a C grade shoot off between Anthony Miller and Ryle Maitland finally resulted in C 1st Ryley Maitland 74/84 and Anthony Miller 73/84, Veterans 1st Brian Thomas 75/75, Ladies 1st Tania Evans 72/75, Juniors Jarred Nicholls 70/75.

Event two for the day was 25 Target Single Barrel ending up with a shoot off in the AA grade with Stephen Morris, Vince Bone and Darryn Nichols going to a shoot off to decide the AA and OA winner for this

event that resulted in AA & OA winner being Vince Bone 30/30 and 2nd Darryn Nicholls 29/30. In the A grade a second place shoot off occurred between Stephen Donnelly, Greg Tapscott, Howard Sleep and John Muscio. This resulted in Stephen Donnelly taking out second place. A 1st Jarred Nicholls 23/25 and 2nd Stephen Donnelly 26/29. The B grade resulted in a second place shoot off between Jack Tapscott and Darrell Bryant which resulted in Darrell taking the honours for second place. B 1st Tania Evans 24/25 and 2nd Darrell Bryant 23/27, C 1st Elaine Seawright 21/25 and 2nd Ryley Maitland 20/25. In the veterans grade a shoot off between, Rob Cook, Merv Starr and Brian Thomas resulted in Merv Starr taking out first place. Veterans 1st Mervyn Starr 33/35, Ladies 1st Tania Evans 24/25, Juniors 1st Jarred Nicholls 23/25.

The third event for the day was the 50 Target Double Barrel which again saw some fine shooting from Darryn Nichols closely followed by Martin Collumb with both shooters producing an excellent display of clay target shooting. The shoot off for the overall winner for this event involved Stephen Donnelly, Lionel Stringer, Tania Evans, Rob Cook, Merv Starr, Darryn Nicholls, Martin Collumb, Darrell Bryant, Matthew Stokes and Ross Walsh. AA & OA winner was Darryn Nicholls 228/228 and 2nd Martin Collumb 227/228, A 1st Stephen Donnelly 50/50 and 2nd Billy Baynes 86/87, B 1st Darrell Bryant 97/98 and 2nd Tania Evans 62/63, C 1st Ryley Maitland 46/50 and 2nd Elaine Seawright 45/50. The veterans shoot off occurred between Rob Cook, Merv Starr, Darrell Bryant and Brian Thomas resulting in, Veterans 1st Rob Cook 80/80 and 2nd Mervyn Starr 79/80, Ladies 1st Tania Evans 50/50 and 2nd Deserie Baynes 49/50, Juniors 1st Billy Baynes 52/53 and 2nd Jarred Nicholls 51/53. The ladies and Junior shooters provided some lively competition for the experience AA & A grade shooters and kept them on their guard throughout the weekend shoot.

Saturday night saw everyone enjoying a four course feast of smoked fish, crabs, pasta, roast and vegies and a smorgasbord of sweets all supplied

State Champion of Champions winners: Bones Freeman, Vince Bone, Jarred Nicholls, Darrell Bryant, David Jones, Deserie Baynes

HG winners: Darrell Bryant, Ross Walsh, Darryn Nicholls, Jarred Nicholls, Deserie Baynes & David Jones

by the members, I think everyone left their tables very well fed and happy with the last event of the day.

Sunday was again a warm sunny day with moderate southerly breeze which on occasions developed into strong gusts throughout the day. The day began with Champion of Champions, which consisted of 75 targets. This was comprised of three rounds of 25 targets Double Barrel, Single Barrel and Points Score. The overall winner for this event was Ken Freeman aka Bones with a score of 124/125. The AA Champion of Champions resulted in a shoot off between Vince Bone and Ross Walsh. AA: 1st Vince Bone 147/150, 2nd Ross Walsh 146/150, A: 1st Jarred Nicholls 122/125, 2nd Billy Baynes 118/125, 1st B: Darrell Bryant 117/125, 2nd Neville Wehrmann 110/125, C: 1st David Jones 101/125, 2nd Jordan King, Veterans: 1st Darrell Bryant 117/125, 2nd Rob Cook 112/125, Ladies: 1st Deserie Baynes 115/125, 2nd Tania Evans 94/125, Juniors: 1st Jarred Nicholls 122/125, 2nd Billy Baynes 118/125.

A team event was organised and comprised of five competitors for each team, made up of members from Port Augusta, Broken Hill, Adelaide International, Interstate and Port Augusta 2. This resulted in three teams, Broken Hill, International and Port Augusta having final scores of 246/250. These three teams went into a shoot off and concluded with Port Augusta running out as final winners. Scores were: 1st Port Augusta 71/75, 2nd Broken Hill 70/75, and 3rd International 68/75.

The final event for the day was the 25 Target Handicap. The overall winner for this event was Darrell Bryant 66/66, 2nd Rodney Hindmarsh 65/66, 3rd Tania Evans 49/50 and 4th Darryn Nicholls 40/41. Veterans winner was Darrell Bryant 66/66, Ladies Tania Evans 25/25 and Juniors Jarred Nicholls 24/25.

The overall High Gun event went to a shoot off between Darryn Nicholls, Ken Freeman and Ross Walsh. This event produced some excellent shooting from these three competitors which unfortunately saw Ken back in the car park after the first round. This left Darryn and Ross to continue on for another two rounds which provided a first class shooting spectacle for all present on the day. The shoot off went to three rounds with Darryn Nichols emerging as the eventual winner with a score of 337/342. Other scores in the High Gun grades were, AA: Ross Walsh 295/300, A: Jarred Nicholls 288/300, B: Darrell Bryant 284/300, C: David Jones 243/300, Veterans: Darrell Bryant 284/300, Ladies: Deserie Baynes 277/300 and Juniors: Jarred Nicholls 288/300.

The Port Augusta Gun Club would like to thank all sponsors for their contributions and all the competitors for coming and making this weekend the huge success that it was, and look forward to seeing you all again in 2013.

CUZNER TAKES CASH AND SASH

Leon Cuzner, on his regular visit from Goulburn, had a fantastic day at the annual Tarraganda 100 Open

Championship held at the Bega Gun Club's facility on Sunday.

Thirty-four shooters turned out for this feature event on the local shooting calendar. Everyone fully appreciated the pleasant breeze that kept the temperature at its summery best. Not too many were impressed with the breezes effect on the targets as it gusted and tossed them up or down at just the wrong time, but everyone had a great day.

The Tarraganda opens with 25 targets double barrel followed by 25 target single barrel, 25 Points Score targets are then addressed

followed by the final 25 of Continental, making the shoot a true test of marksmanship

After the first round, six shooters had managed to collect the possible 25. However the wind got to the field in the single barrel, with B Grader Tony Gray and A Grader Geoff Mills having the best of it with scores of 23. With points score and continental to go the field was well packed with potential winners. Points Score results saw Ray Welch and Leon Cuzner each collect 71 points, giving

Winners are Leon Cuzner O/A Champion, Ray Kearns B, Alf Niesar A, Bob Walters AA, Roger Brown C

Leon a two point advantage over Bob Walters. Both Bob and Leon scored 23's in the continental to give Leon the prize with 141/150. Bob collected the prize for AA Grade with his total of 139/150 and after a longish shoot off Chris Davis placed second from Ray Welch 160/174 to Ray's 157/174. Alf Neisar picked up first in A Grade from Geoff Mills with a score of 137/150 to Geoff's 134/150.

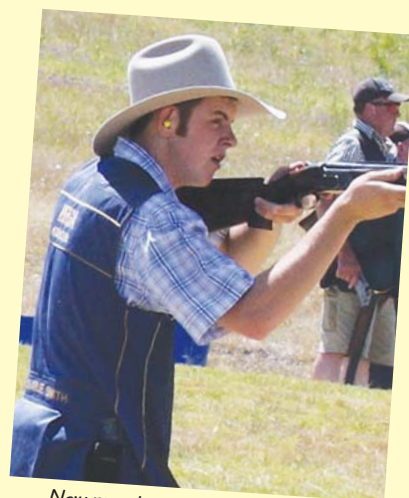

In B Grade, veteran Ray Kearnes, who shot 25/25 in the first event, held off Craig Field with a 131/150 to Craig's 129/150 and in C Grade, Roger Brown shot 121/150 to take the sash with Brian Moffitt on second 118/150.

Leon Cuzner followed up his success in the main event, by collecting \$462 from the shoot raffle. Shooting off 25 metres he cleaned the targets with a couple of very nice chips –great shooting.

A special mention for James Body who had his first full competition day. Shot some great second barrels in the continental and collected 18/25 in the single barrel. Also welcome to Tom Sheehy who has joined the sport under the watchful eye of Charlie Smith. Great to see younger shooters taking to the sport.

4th Annual Dog Trap Creek Classic

Warm weather and gusty winds kept competitors on their toes and Bill Jorgensen loses his \$500

In warm and windy conditions a large number of shooters from across the state turned out to compete in the 100 target program.

With the combination of both the weather and the 50 target points, 50 target double barrel program we all thought Bill Jorgensen's \$500 cash to shoot the day clean would be safe, but one shooter had other ideas.

Wayne Hawker, alias "Fang" or just "Angry", from Kaniva, shot extremely well, shooting a clean 200/200 to take home the \$500, leaving Bill to ponder his losses.

Wayne Hawker with High Gun sponsor Bill Jorgensen and the \$500

The first event, the "4th Annual Dog Trap Creek Classic" (25 targets points + 25 targets double barrel), with a gun overall and rifles for grades, was won outright by Wayne Hawker 100/100. 1st in AA went to Ashley McKnight from Maryborough

(138/140) and Roger Duthie from Hamilton took home 2nd in AA.

A grade 1st was Bill Jorgensen (99/100), 2nd Thomas Pilgram. B grade 1st went to Toni Hogg from Kerang (96/100) and Zac Biggin placed 2nd. In C grade Leslie Comensoli from Cohuna with a score of 75/100 came in 1st and Cass Comensoli took out 2nd.

The second event, the "4th Annual Dog Trap Creek Championship", also 25 target double barrel and 25 target points, just to test the shooters nerves, saw State Handicapper and dairy farmer from Cohuna, Ray Peatling, finish 1st overall with a fine score of 160/160 from Casey Fletcher, also from Cohuna, who had to be satisfied with 1st in AA. 2nd in AA went to Wayne Hawker.

RICH RIVER CLASSIC

December the 27th 2012 saw a perfect day weatherwise for the shooters arriving at the Echuca Clay Target Club for the annual Rich River Classic Shoot. A clear blue sky, the gentlest of breezes, temperature about 28 degrees, and a background of light cream coloured crop stubble making the black targets stand out magnificently, ensuring all shooters would perform at their best, trying for a share in the \$7000.00 worth of trophies at this shoot.

Starting the day at 9.00am, the first event was a 25 Tgt Classic Points Score Championship, gratefully sponsored by Midstate Credit Management, and eventually the battle for the Overall Winners Sash was between Colbinabbin's Charlie Burns and Echuca's Drew Healey, Drew failed to hit his 35th target and when Charlie hit his it was all over. Charlie Burns the Overall Winner and 1st in AA Grade with an end score of 105/105. Drew Healey scoring 102/105 collected the 2nd in AA Grade trophy. A Grade 1st went to Jim Shepherd 75/75, A 2nd to M Rocca 73/75. B 1st was P Watkins 75/75, B 2nd T Hogg 74/75. C Grade 1st was Cassandra Comensoli 71/81, C 2nd Les Comensoli 70/81.

A 25 Tgt Classic Single Barrel Championship was Event Two, and Goulburn Murray Credit Union was the much appreciated sponsor of this event. Melbourne Gun Club member, Paul Haslem, outlasted all others in this shoot off to collect the Overall Winners Sash, and the 1st place in AA Grade trophy with a well shot 48/49. Gordon Fletcher shot a 31/32 and that score earned him 2nd place in AA Grade. A Grade 1st was T White 47/49, A 2nd A Kidd 35/37, B 1st Geoff Ervin (Echuca) 24/25, B 2nd P Watkins 23/25. C Grade 1st A Evans 20/25, C 2nd Cass Comensoli 19/25.

James Strangis and Graham Menhennet were the last two shooters doing battle for 1st place in the 25 Tgt Classic Handicap which was Event Three. Graham dropped his 43rd target and when James Strangis, a Werribee member, hit his he

was the 1st placegetter in the Handicap, and the proud recipient of the 1st place Sash, and the \$500.00 cash dividend, having shot an unbeaten 43/43 score. Graham recording a 42/43 result put his hand out for the 2nd place cash which was a \$300.00 dividend. Allan Kidd shot a 35/36 score earning him \$150.00 which was the 3rd place cash, Tony Robb collected \$150.00 for shooting a 32/33 score earning him 4th placing, and 5th place went to Echuca member, Glenn Rathbone, Glenn shot a 30/31 benefiting him by \$50.00. This Handicap Event was sponsored by both the Shire of

Campaspe, and Commercial Helicopters Pty Ltd, and the Echuca Club and all the shooters are very appreciative of their sponsorship.

Event Four, a 25 Tgt Classic Double Barrel Championship, and with numerous squads to compete in the shoot off after having shot all 25 initial targets, it looked like it was going to be a fairly long shoot off, but within a reasonable time it was down to just one squad of shooters. At 200 targets shot the remaining shooters agreed to move back to the 18 metre mark to increase the degree of difficulty, this move soon lowered the remaining competitors to just Wayne Dunbar, a Hay NSW member, and Echuca's Craig Fitzgerald, at 250 targets shot both shooters were turning the targets to soot, and a betting person would be hard to say that they would ever miss, after a brief discussion both shooters decided to call it quits at 250 targets shot. Wayne Dunbar collected the Overall Winners Sash and the 2nd place trophy of a Cookware set valued at \$199.95, and Craig Fitzgerald picked up the 1st place trophy being a \$250.00 Ag Parts Gift Voucher.

Both Wayne Dunbar, and Craig Fitzgerald, giving all others attending the shoot, a demonstration on Double Barrel shooting, and both recording an unbeaten 250/250 score. Well shot gentlemen! These two taking out 1st and 2nd placing's in AA Grade. A Grade 1st was Robin Algie 83/84, A 2nd Ron Traill 47/48, B 1st Noah Calandro 37/38; B 2nd Jack Clerke 24/25, C Grade 1st Barry Rogers 24/25, and C 2nd was Cass Comensoli 23/25. This Double Barrel Championship was sponsored by S J Edwards Concreting, and the Echuca Club thank them for their sponsorship.

High Gun Awards were next, with the Sashes gratefully sponsored by Stewart Gillman, and the Overall High Gun Winner, dropping just two points over the whole program, was Echuca's Drew Healey, Drew shot an excellent

148/150 score for his win, which included an Overall High Gun Sash and a hand made deluxe Coffee Table. A Grade High Gun Winner was Martina White, and she shot a score of 144/150 for her win. B Grade High Gun Winner was Peter Watkins scoring a 154/162 for his win. C Grade High Gun Winner was Les Comensoli recording a 129/150 for his win. The Grade High Gun winners all received a Grade High Gun Sash, and 250 shotshells.

With a big program to get through for the day the Echuca committee

was pleased that everything ran so well, to the point that the shooting, and even the presentations, were all over by the respectable time of 6.30pm, due in no small part that the Double Barrel came to an agreed finish. A very big thank you was given to the Ladies, for their effort in feeding and watering all in attendance, and Club President Ron Traill thanked everyone for attending and making it a very successful shoot, and wished a good year of shooting for all in 2013.

Ball Trap Shot at Echuca

Six full squads of shooters arrived at the Echuca Clay Target Club for the January 2013 shoot. And with 135 targets on offer for the day it was an excellent effort by the office staff to complete the days shooting, and have presentations all finished by the early time of 5.45pm.

Strangely after all the very hot weather Echuca had been experiencing, Sunday the 13th turned out to be cold, wet, and miserable, as far as clay target shooting is concerned.

Although there were many shooters who had travelled fair distances to attend the shoot, which the Echuca Committee thank them for their effort, the main winners for the entire shoot were all Echuca members.

Steve Traill collected the Overall Winner Sashes for Both the 25 target Ball Trap Championship, and the 25 target Double Barrel Championship, he also became the last man standing in the Club Mug event, picking up a nice purse of \$95.00 for that event. What an effort for the day, good shooting Steve Traill!

Event Two, a 25 target Handicap, and on a day of poor weather for shooting you would normally think that a front marker would easily outshoot all others, but no, Stephen Atkins out shot everyone, shooting from a back mark he claimed 1st place

with an excellent score of 34/35, and collected a \$100.00 cash trophy for his effort. 2nd place was collected by another Echuca member, Craig Fitzgerald, Craig collected \$50.00 for his 2nd placing, and 3rd place went to Peter Ackermans, a member of the Bendigo Clay Target Club, Peter received \$30.00 for his 3rd placing.

A 50 target Skeet event, which was a graded cash shoot, ended with Steve Atkins winning A Grade 48/50, Geoff Charleson a Swan Hill member, winning the B grade cash 48/50, and Doug Faulkner an Echuca member taking the C grade dividend having shot a 45/50.

A good roll up of shooters for a January shoot, and apart from the very ordinary weather for competition, all who attended enjoyed the well run shoot.

Psychological Skills for Shooting

Michael Kruger-Davis

I have thought about writing an article such as this several times of the past 12 years or so. In writing this article, I wish to express my sincere

sorrow for anyone reading this who may have been affected by mass shootings that have occurred throughout the years around the world. I also wish to point out that I am in no way discounting the grief, sense of loss or distress that readers, families or friends of those involved may feel.

GUN CONTROL

When I awoke and heard the news on 14th December that a mass shooting had occurred at a school in the US, I was sickened and appalled that this could happen and that it did happen. This incident, brought back memories and thoughts of similar events at Dunblane, Port Arthur, Columbine, Norway, Cumbria, etc.

Unfortunately any type of disaster is news and where it involves guns the media are able to milk it for all its worth. Here is a snap shot of three days in one week in January:

Thur. 17/01/13

- PM under fire on gun crime. Page 1
- Obama's push on gun's creates ripple effect. Page 6
- Letter to the Editor re game Council website

Tues. 15/01/13

- Illegal guns are not a problem, says study author – but police disagree. Page 3
- It's weapons at 20 paces as all eyes turn to test case of Colorado. Page 6
- Three million guns is more than enough. Editorial Page 10.
- Cartoon. Page 10
- Tougher laws, gun buy back on target. Page 11

Mon. 14/01/13

- Australia reloads as gun amnesties fail to cut arms. Page 1

There are several interesting facts here.

Firstly, the language that is used. The headlines use firearm related speak to grab the attention of the reader: "under fire", "reload", "on target" and "weapons at 20 paces". In an effort to grab attention and make an emotional connection, the media use words and phrases that will invoke negative thoughts and emotions when talking about firearms and firearm ownership.

As responsible firearm owners it is incumbent upon us to not allow these emotionally charged words to be used. Guns should be referred to as firearms as this is a neutral word:

weapons, on the other hand immediately invokes images of warfare, conflict and crime.

There is a section of our brain called the amygdala and this is the area that regulates emotion. The pre frontal cortex on the other hand, is the area of the brain that makes us aware of the consequences of our behaviour. By using emotionally charged words, phrases, pictures and film clips, the amygdala is stimulated and the response is likely to be emotional. Gun ownership, like any other issue needs to be discussed in a rational manner. For example, every time the NSW press do an article on NSW Shooters and Fishers Party MLC, Robert Borsack they trot out a file photo of him sitting next to an elephant he has just shot. Regardless of the issue he is talking about, the media have by using this picture, created a negative perception of Robert in the reader's minds. They cannot rationally examine what he is saying when they are flooded with emotions.

Next, these articles draw on a range of issues relating to firearm ownership. In these three days the articles, looked at gun crime in Sydney (criminal related), hunting in national parks, the current debate in the US regarding whether assault type rifles should be prohibited, armed guards at US schools, gun amnesties and buy back schemes, gun importation and purchases of new firearms, the difference between legal and illegal firearms, challenges in the US to the law regarding gun ownership and the Second Amendment.

For the Coalition on gun control this is mana from heaven. With so many issues being discussed, they can have an input into any of these topics by just arguing that firearm ownership should be limited if not banned. For responsible firearm owners, there are too many issues here, most of which have no bearing on our interests or our focus for having a gun in the first place.

The anti-gun lobby is arguing that there are now more guns in Australia than before the buy-back. This may be correct, but what they are not saying is that the guns that were hidden in cupboards have now gone, the assault type rifles have now gone, background checks are needed before purchasing firearms and that all firearms have to be securely stored. Nor are they saying that suicides and homicides in Australia have fallen since the buy-back and firearm restrictions have been put in place. These new firearms are legal and registered. As responsible firearm owners we know the differences between these firearms and the ones used by criminals. The anti gun

lobby does not want this distinction discussed because they do not want to have to admit that some people in society are responsible, safe and can be trusted with registered firearms.

Thirdly, there is a overstating of the importance given to the gunman. People who commit these atrocities clearly have some form of mental health problem or personality disorder. If the media were to ignore the story, or at least report it without giving any credence to the perpetrator, then the perpetrator would not get the attention and approval that he/she is seeking. The media can still run the stories and if they gave the focus to the victims, or the emergency workers or some others who behaved in a positive way then the perpetrator misses out. This would have the effect of limiting others from thinking that they would receive fame and infamy, if effectively they were ignored.

Finally, there is the issue of mental health. To commit acts of mass killings shows a complete disregard for societal norms and rules. Therefore to behave in such a way is not normal or likely for a well-adjusted and mentally healthy adult.

So what can we do to protect our sport and our rite to own firearms?

We must take control of the agenda. We need to get stories and examples of responsible gun ownership into the mainstream media. In 2012 Matt Schiller and became the DTL Junior Champion, Renae Birgan was Women runner-up in the FITASC World Championships and Jason Owen was runner-up on the X Factor. We should have capitalised on the three great achievements by shooters. The general public needs to know what great ambassadors they are for our sport. The Olympics are all well and good, but the coverage is dependent upon winning and the Olympics are soon forgotten. There are world championships happening all the time, that often feature Australian's in the winning positions.

We need to use and get the media to use the language that will place us in a positive light in the eyes of the general public. We must not allow the media to use words like weapons: we need to point out, like a cracked record, that you need golf clubs to play golf and you need a shotgun to shoot clay targets. Our focus should always be that we are involved in a sport (clay target shooting) or a life style choice (hunting) and because we do these pursuits in accordance with the current legislation we are responsible and law abiding citizens. We should point out that because we have a current firearms permit the society deems that we can be trusted.

We need to behave in a way that does not compromise this trust for ourselves or for other shooters. We need to embrace the rules for safe storage and make sure that we behave in an exemplary way at all times.

By Paul Edwards

After a week of fires and heat waves, with temperatures in the high 30's for days on end, Sunday's cooler temperature and at times cool breeze were a welcome relief and a mental break as a lot of the Goulburn's Clay Target Club members are farmers and rural fire fighters when needed. With smoke still on the horizon, fires were still on the back of every one's mind and a day of fun and laughs is just what the doctor ordered. Our thoughts go out to the farmers that have lost so much to the fires and thanks to the many tireless firefighters who do so much with little thought to their own safety.

Whilst every one of the 35 shooters in attendance was there for a fun day, competitive natures are hard to hold back and as such 6 perfect scores were posted with many more just a target or two out of contention. With just one event on the card, a flat out 100 target double barrel scramble with the inevitable marathon shoot off at the end of the day. With our club's growing numbers and the success of the last couple of years, 2013 has meant the club has had to go from shooting half a day to now having access to the shooting grounds for the entire day. What was once a 12pm start is now 10am and early access to

the grounds to prepare for the days shooting has been a blessing.

The early start was needed, as the ensuing shoot off took quite a few hours. In the past these necessary shoot offs had to be avoided and results were commonly decided by a coin toss because there was never time before dark, a sad way to finalise a sporting competition. With time on our side and plenty of daylight left the competition began. From six starters an early departure was Frazer Roberts just 5 targets in, this was a surprise, normally in the thick of things right till the end. Onwards and upwards with Josh Lambert bowing out with 190 odd straight targets, this was later found out to be Josh's best result after more than 20 years of target shooting (90 targets better).

Neil Privett another veteran shooter also had a personal best day with 236 straight targets but this was not enough to win the event. After Neil missed and left the competition, leaving Matt Patmore, Darryl Reed and Kim Chiavarini all with impressive credentials and the potential to shoot 700 to 800 targets straight, the club committee were forced to change to competition to points score (meaning a miss with the first barrel and you're out). This changed things dramatically and within 7

Matt Patmore overall winner, Neil Privett in background

targets Kim Chiavarini needed a second barrel and exited the competition. Darryl Reed just one target later completely missed handing the victory to a seasoned campaigner Matt Patmore with 258 not out.

Fitness at this level is earned over years of competition, most small clubs don't have the ability to allow these shoot offs to run their natural course and thus the physical and mental fitness is never allowed to build up. With better technology, better equipment, better targets and an increasing number of shooters with the ability and knowhow to shoot 600, 700 and 800 targets straight, it's only a matter of time before a shoot off goes past the magic 1000 target mark.

The Goulburn Clay Target Club is looking forward to a big year, membership numbers are up and we have more traveling shooters every month. For further information, Leon Cuzner can be contacted on 0428 382 995.

“ Ergonomic stock, extended field of view
and all of my experience. Now what’s
your excuse for missing the target? ”

Ralf Sommer,
Stock maker with
21 years of experience

K-80 PRO TRAP

There's a good reason why the K-80 Pro Trap is a shotgun legend. It's a combination of everything that makes that crucial difference in competitive shooting. The raised and adjustable floating rib, provides a significantly broader field of view. The adjustable stock allows individual fitment, merging shooter and shotgun into one. With a 10 year warranty and legendary reliability, it will still be wearing in when the others are worn out!

PHOTO COMPETITION NO. 8 WINNER

The winning photo for Photo Competition No. 8 was taken by Barry Skinner of Majura Park Gun Club.

The photo is of Tony Czinker as he was shooting the Zone teams event at the recent NSW State Trap Carnival, and captures the moment when the shot leaves the gun.

Barry's club, Majura Park, will receive a digital camera.

Alan Francis (Frank) Honeyman 27/3/1923-13/11/2012

I believe Frank first became involved in the sport of Clay target shooting in 1952 and after 45 years of involvement in various country clubs including a long stint at Bourke Gun Club he moved to Sydney and became a member of Sydney Clay Target Club in 1997, where he competed at both Sydney and Marconi clubs, on most Sundays you could find Frank at the club after first attending church.

I first met Frank at a Clay target shoot at Dubbo Gun Club in about 1990, we talked about the sport from back in the 50's and 60's, Frank was a wealth of knowledge, he knew all the top shots throughout Australia in those days, I think Frank's passion came from working on the land, his way of coping with the tough life style, was travelling to shoots all over the country, mostly just to see his mates and many friends he had made.

And mates he had plenty, everyone that came into Frank's life remember him fondly, he would tip his hat to all the ladies and then try to shoot

the pants off all competitors male or female, a good sport and gentleman no matter what the outcome.

Frank never rose to be a "Top shot" as he put it, but if friends, sportsmanship and attitude were what mattered Frank was an out and out "Champion".

A couple of years ago myself and other mate, John Crompton asked Frank if he would like to travel to a small shoot at Moss Vale in the Southern Highlands, would I what was his answer, I think a few of my old mates shoot at that club he said.

On the Saturday morning we picked him up at 5.30am we were surprised when he told us he had not slept much as he was excited to possibly run into some of his old buddies, he never drew breath from his front door to the Gun club front gate.

He did meet up with a few of his long time acquaintances and relived some of the days gone past.

Do not forget that Frank was 87 years of age by now, we had a great day out together finally dropping Frank back home at approx 8pm on that night, boy were we tired, to this day I do not know how we kept up with him.

A couple of months later we asked him about coming with us for a two day shoot at Bathurst, leaving early on the Saturday morning and home again late on the Sunday night, I would love to come was his reply.

He stayed with his Granddaughter and family who live just out of Bathurst on the Saturday night which I know he enjoyed the time with them immensely.

On the Sunday morning I said to him are you getting tired mate, yes I am but we haven't come this far to sit and watch, let's have some more fun today he said.

A tough man and tough competitor, in the years I have been fortunate to call Frank a very good friend I have never heard him utter one expletive or say a derogatory word about anyone we have come into contact with.

Although one day I did hear him utter a four letter word (Damn or Darn) a quick apology was forth coming because there were ladies within earshot.

My wife Karen said to me one day, "Frank is such a Gentleman". I guarantee if you look up the expression "Gentleman" in the dictionary there will be a photo of Frank.

About 18 months ago one of the last shoots Frank was able to compete in, he was involved in a four way shoot off in the main Handicap event of the day.

The Club President, one other member, myself and of course Frank, shooter 1 Bang Bang missed, shooter 2 Bang Bang missed, shooter 3, Myself Bang Bang missed, it was all up to Frank and sure enough Bang Bang his trusty Old BROWNING Under-Over had done its job, he had hit it and he won the event, not bad at now 88 years of age.

He was delighted by his win a Grand total of somewhere near \$75.00 no fortune but as always very reluctant to receive any praise a very modest man, and that is why he had the respect of all that were lucky enough to come in contact with him.

Just last Sunday the club members held a 21 Gun salute in respect and memory of Frank.

From all his mates at his beloved Gun Club we extend our deepest sympathy to Frank's family and many friends.

We will miss you mate, until we squad together again.

Adam Shale top shot at Wangaratta

Overcast and damp weather prevailed at the Wangaratta Clay Target Club's 5 Stand Sporting Clays Championship held on Sunday 13 January. Fortunately, the temperature dropped to a much more comfortable level than we have been experiencing lately.

Nine squads of keen and enthusiastic shooters rolled up to enjoy another top shoot at Wangaratta, all enjoying the first class facilities provided by the club. The club opened two grounds on the day and presented a good mix of difficult and easier targets to satisfy all skill levels.

Adam Shale won overall with a brilliant score of 91/100 and Craig Dixon came in second in A grade on 80/100. Adam shot at a consistently high level all day and is an expert at this game. Marty Seymour, recognised as one of the best sporting clay shooters in the district shot 89/100 winning him AA, with local member, Brett Jory on 81/100 taking 2nd place. Doug Sutherland won B grade with 78/110, ahead of Reg Carmody on 75/110. Matt Crosher, a regular shooter here at Wangaratta took out C grade on 71/100 and 2nd place was won by Michael Vandergulik with a tally of 63/100.

Gaye Shale, Adam's mum, won the ladies trophy with 69/100 and her daughter, Demi took out the juniors trophy shooting a score of 71/100.

Record month for Richmond River Gun Club

With the year winding down rapidly the Richmond River Gun Club held its annual Christmas shoot. A bold experiment was decided by the committee to run a shoot two days out from Christmas day, and a week later a sponsored walk through sporting clays day.

For the Christmas shoot there was a thirty target medley, a fifty target double barrel/single barrel followed by a deauville doubles shoot that was attended by over fifty shooters. Each event was contested with much vigour and enthusiasm. With hams and other prizes given out.

As with most of these days no committee has a crystal ball as to know the amount of people that may or may not turn out. And as the current trend continued it was the same for the Christmas shoot, and the sporting clays. Expecting a smallish crowd due to Christmas holidays, it was to the clubs great surprise to see a record attendance for the two shoots. In the space of seven days a total of thirty squads shot at the grounds of Richmond River. Ten squads at our Christmas shot and a staggering twenty squads for the sporting clays.

HG Peter Kay

Jnr HG Mitchell Johnston

The Richmond River Gun Club is in its infancy as far a sporting clays, and no doubt we learnt a great deal that day, as usually what happens when you are thrown in the deep end. To our amazement the club was still taking nominations at 11.00am and at 11.15 the office nominated its one hundredth participant.

Everyone that completed the shoot was courteous, patient and tolerant, nobody seemed to care that they were still shooting at six pm, and in fact the longer the shoot lasted so did the atmosphere. There were several shoot offs required to sort out the minor gradings with the overall winner Peter Kay from Dubbo. Although some of the crowd decreased towards the end of the day there was still a relatively large number there to watch the evening shoot off. Even if it was with the aid of car lights. It was a great day and thank you to all those who helped and participated. For the results please see the results section of the magazine. Special thanks must go to Terry Preston Trap captain, and Don Johnston.

Richmond River wishes to thank our sponsors throughout 2012. And a reminder that our two day shoot is in May and will be advertised within the coming months. Thanks to all who supported the club throughout the year.

Holcim Aust National Capital Shoot

Flemington on Melbourne Cup Day? No, although visiting shooters could be mistaken, as the hard work of Majura Park Gun Club members showed with new concrete paths, manicured lawns and garden beds in full bloom. Overcast skies, a slight breeze and an expected top of 20 degrees Celsius wasn't going to dampen the first day of the Holcim Aust National Capital Shoot. 106 shooters gathered around for the opening speech and the first wave was sent to the line, shots fired, clays were dusted and the event was under way.

The first event on the board was the Falcon Cartridges 50 target Points Score. Barry Skinner, David Caccioppoli and Robert Duncan shot possibles. The shoot off for overall was nearly as long as the event with Barry and David going shot for shot. Barry with a 249/249 was the overall Points Score Champion. David Caccioppoli 248/249 took the top spot in AA Grade leaving the minor places to be shared between Arty Del-Ben and

OA winner Dave Caccioppoli with Holcim representative Andrew Smedley and MPGC President Joe Thaller

Tony Arvanitakis, not wanting to shoot for it they split it. With Robert Duncan 150/150 already in first for A Grade, Kevin Hurt 148/150 claimed second and Clinton Woods 147/150 took third. Jeff Melbourne 145/150 was the clear winner in B Grade, Phillip Christenson 144/150 taking second from Mickey Cubas 143/150. C Grade was won by Steve Wilkinson 137/150 with Tanya Skinner 136/150 and Gary King 132/150 filling the minor respectfully. Juniors was won by

Ben Shingles 141/150, Kate Schiller 146/150 winning the Ladies and Roy Eles 146/150 taking Veterans. Big thanks to Falcon Cartridges for the generous support.

The Second event was the Perazzi 50 target Double Barrel and with 24 red scores on the board, a shooter from the top 3 grades, it was open to anyone. Shooters slowly disappeared from the line, with fading light. The remaining squad stopped for dinner and waited for the lights to warm up. Matt Schiller, Arty Del-Ben, Tony Arvanitakis and Leon Cuzner went back to the line on 250. Leon was to fill 3rd in AA Grade with a 285/286. Tony missed his second target after

Hurt 107/108 and William Powell 51/52. B Grade was won by Jeff Melbourne 91/92 who also got his first break badges 50, 75 and 100. MATHOURA SHOOT TOWER

A very successful January shoot was held at the Mathoura Gun Club, with four full squads of shooters arriving from a wide area to compete in the two Tower events, and a DTL points score. Weather conditions were set to make clay target shooting difficult, with a strong, gusty, southerly wind, ahead of a cool change, managing to move targets around quite a lot. But apart from the wind, the temperature was good if perhaps a little cool, and with no rain with the change, shooters had a reasonable chance to record some good scores.

A 15 target Trap Points Score was event one, and sharing the 1st place cash division was Deniliquin's Tim Maher, and Mathoura's new member, Mick Keirl, both having shot a full score of 45/45. Walmer member Graham Hall shot a 41/45, and that earned him 2nd place cash.

As a warm up for the main event, and 2nd on the program, was a ten target Double Barrel Night Tower cash divide, and four shooters managed a full score of 10/10 in this event. They were, another new Mathoura member, Carl Scott, Harry O'Connor also Mathoura, Brandon Melotte a Walmer shooter, and Mark Vistarini, a member of Cohuna CTC. All shared in the 1st place cash.

A 25 target Night Tower Points Score Championship was event three, and the Overall winner, and 1st place in B Grade, was Numurkah/Shepparton member, Barry Bloodworth. Barry lost a target and used two 2nd barrels to achieve his commendable

score of 70/75, an excellent result shooting under lights and in such windy conditions. A Grade 1st was collected by Cohuna member Mark Vistarini having shot a score of 67/75. C Grade 1st had to be decided between two shooters both having scored a 61/75 and that shoot off lasted just two targets, leaving Mathoura's Carl Scott to take out the C Grade 1st trophy, Carl ended up with a 67/81 score.

All competitors commented they had enjoyed the shoot, and because it ran smoothly throughout the night, presentations were completed before 11.30pm.

Bruce Cook Mathoura Club Champion

Friday the 14th of December 2012 saw three full squads of shooters arrive at the Mathoura Gun Club for the clubs Christmas shoot. Fine weather ensured that there was going to be some good scores shot for the night, and the shooters did just that. Club president Roger Kerslake shot a full score of 10/10 in the first event, a ten target Single Barrel Cash Divide, and that score earned him all the 1st place cash, Euroa member Laurie Fitzpatrick, and Colbinabbin member Joanne Boyer shot for 2nd and 3rd placings both having recorded a 9/10 score with Laurie picking up 2nd place cash with an end score of 13/14, and Joanne taking out 3rd place with a result of 12/14.

Ten targets of Double Barrel was event two, and again, one shooter only on a full score of 10/10 and that was Charlie Burns, a Colbinabbin member, collecting 1st place cash, a one target shoot off between Bruce Cook (Deniliquin) and Mathoura member Peter McClusky ensued next, with Peter dropping his first target, giving Bruce 2nd place on a 10/11 score, and Peter collecting 3rd place on an 8/11 result.

Event Three was a ten target Points Score, and again one shooter only with a full score of 30/30, and that was Bruce Cook, Bruce collected all the 1st place cash. Mick Kierl shot a 27/30 and that earned him the 2nd place cash, and Charlie Burns shot a 26/30 and that earned him the 3rd place cash dividend.

A 25 target Double Barrel was event four and this event is always used as an event to find the Club Champion for the year. Charlie Burns, shooting extremely well for the night shot all 25 targets, procuring him the 1st place in A Grade trophy but not the Club Champion Sash as he was not a member of Mathoura, the Club Champion honour went to Bruce Cook, who shot a 24/25 score, by being a member at Mathoura, he is the Club Champion of Mathoura for 2012. B Grade 1st was Mathoura's Bill Simpson 21/25 and C Grade 1st went to Peter McClusky with a 20/25 result.

Bruce Cook,
Mathoura Club Champion 2012

It was an excellent shoot for December, with the shoot running smoothly all night, and the shooters enjoying a delicious meal supplied by Donna McClusky and her helpers, which was very much appreciated by all who attended.
