National President's Notes

Last month I spoke about volunteers and what they can bring to the association. I had the pleasure in November to attend the Victorian trap carnival where several presentations were made. The first were to Mr Lynne Curtis and Mr Ron Traill, VCTA members for the Victorian "Hall of Fame". The achievements read out for each were outstanding and both are very worthy recipients.

I then spoke to two further ACTA awards presented on the day. Both of these were to Mr Ron Traill, ACTA Vice President who was presented with ACTA "Life Registered Shooter" (Life Membership) and the ACTA "Presidential Medal." Ron has been a member of the

ACTA Executive Committee for over 20 years, Vice President, Secretary, Board and Management Committee member, and Chair of the Championships and Rules Committee in that time. His tireless efforts and knowledge of the association is outstanding and as such was presented these awards for his contribution to the sport.

What made this day extra special were two things. Firstly Ron's wife and members of the family were present and secondly the awards were presented to Ron by the ACTA office staff. The four ladies from our office attended, made the presentations and pinned the award medals on Ron. Ron was also presented with the framed certificate and large Presidential medal. I thank the four ladies, Jenny, Judy, Maureen and Sue for being there and making the presentation, as it is something that Ron was especially appreciative of. These ladies have worked closely with Ron over the years and it was fitting that they made the presentation. Thank you all again.

I must also point out that for the 10+ years that I have known and worked with Ron, he has never asked for favour or reward. Ron is also the first one to put up his hand to complete, organise or volunteer for a task. It is with this unselfish ethic that Ron is a fitting and worthy recipient of two of the ACTA's highest honours.

Last month the National Executive Committee met to discuss and determine a course of action for issues that arise for the ACTA. Each committee prepared a report which has formed part of the minutes and was sent to each State Secretary. The minutes can be also located on the ACTA website. Discussion included the 2015 World Championship in New Zealand. Several members of the Executive Committee are attending in New Zealand to prepare a report and submission to the Executive on how the event was conducted, marketing, sponsorship, presentations and layout. This information will be invaluable to the 2015 World Sporting committee which will lead to our association hosting the 2018 World DTL Championships. I thank those for the work they are to undertake and ask all ACTA members to assist the committee by providing information as to what worked, didn't work or what can be improved into 2015.

Following the Executive Committee meeting, along with Mrs Elaine Forward (Western Australia) and Mr Tony Turner (Executive Officer), I attended the Australian International Shooting Limited (AISL) annual general meeting. I am pleased to advise the ACTA membership that Judge Kelynn Prescott from South Australia was elected to the Board of AISL along with a re-nominee, Mrs Catherine Fettel from Pistol Australia. Mrs Fettel was also re-elected as the President of AISL. I congratulate both and know that Judge Prescott will be a hardworking and prominent member of the AISL Board. Members of the ACTA should also be aware that Judge Prescott, even though retaining ACTA membership, does not represent the ACTA on the AISL Board. This is standard board practice. Judge Prescott must make decisions for the AISL organisation as a whole, this being "Shooting Australia". I extend to Judge Prescott the association member's best wishes.

Something that has been brought up numerous times in the CTSN is the issue of firearms licensing. It amazes me that there are still people competing or participating in our sport that do not hold the appropriate class of licence and in some instances, breach their State firearms legislation by not holding a firearms licence at all. Unfortunately if an incident (injury or death) occurs and subsequent enquiries reveal that a participant in that incident is in breach of firearms legislation, it is quite possible that the insurer may not cover the individuals or club should a claim occur. The only course of action open to the injured individual is to litigate against members of the clubs committee. All members would understand that this risk exposes committee members to a financial implication, something no one would want to see. Some States require members to produce their firearms licence when nominating or attending practice. Others don't. However I believe all States require an individual to carry their firearms licence when in possession of a firearm (unless under supervision, new shooter, come and try etc.). The onus is on the club committee to ensure that all persons that participate in our sport minimise the risk to themselves. How they do that is up to them. Simplified, ensure that everyone who attends your club has a firearms licence or is covered under legislation - I cannot state this more bluntly.

Some States also have "cause or permit" legislation built into their Firearms Act. This means, that if you caused a person to breach the Firearms Act - as example provided the person a firearm

National President's Notes *Continued from page 1*

and/or ammunition in contravention of the Act, or, as a member permitted a person to breach the Firearms Act – as example allowed a person to compete or participate without a firearms licence, if a prosecution is successful, the penalty imposed on the person breaching the Act would also be placed on the person who allowed the act to occur. This means that you may also suffer a suspension, have penalties imposed or even lose your firearms licence. Not a nice outcome.

On a far better note, I hope each and every one of you, and your families are enjoying a fantastic holiday period and celebration and I look forward to seeing you all in 2014.

Stay safe!

Allan Vilcins

Executive Officer's Report

The National Executive meeting in November achieved a great deal in relation to the progress of the Association. The major decision was to introduce a new data base as our current data base was developed over thirteen years ago, apart from some upgrades it has remained the same. The new data base will be Web based allowing access from anywhere. Members will be provided with a login and password so they may update their details at any time. Club and State Secretaries will have access to the data base when conducting events. The data base will require the shooters ACTA number only to check information including currency. The data base comes with a website and allows the staff of the ACTA to produce reports on many aspects of our membership allowing us to clearly analyse data such as attendances at State and National Championships.

There will be opportunity to nominate on line individually and also nominate as squads for these for Championship events. We will be able to further track Coaching accreditation and Referees details, all as part of the management system.

The new computer structure will allow us to store historical data such as Hall of Fame and Doug Smith, Adrian Cousens Medal winners. The full capabilities of the system will take us time to implement and will include a handicapping system and the Shootmaster event management program, all integrated into the program.

In other developments the Executive have appointed a sub-committee to commence arrangements for the hosting of the World English Sporting Clubs event in 2015. The committee will include President Allan Vilcins and also includes past President Robert Nugent along with my secretarial services. An expression of interest has been advertised in the magazine for Clubs wishing to

host the event. We have been fortunate to have Peter Hall and John Younger and former New Zealand President Ewen Pirie volunteer their services to set the traps for the Championship events. Their combined experience will be invaluable. Lyell Pettman from Queensland has volunteered to assist with referring for the event, Lyell's experience will be welcomed in ensuring the event is world class. Whilst this event is some time away good planning is imperative to ensure its success.

Pre-Nominations for the ISSF Championships in Perth close Friday the 3rd of January 2014. Preparations are well in hand through the Western Australian Gun Club committee. We thank them in advance for their support and dedication. A reminder that all members wishing to shoot the ISSF Championships (and any other 2014 Championships) must be a 2014 financial member.

It would be remiss of me not to mention our National Office staff at this stage. Maureen Ryan (memberships and CTSN collating & production, National Championships) Sue Vesperman, (Coaching referees, traveling teams, National events, trophies and badges) Judy Ferry (Finance, National Championships, Executive meetings) and Jenny Robinson (reception and general duties assisting other staff) David Jocelyn, (National Groundsman), Brodie, (Trainee, National Ground). Whilst all of the staff have specific roles within the organisation they are a multi tasked group and provide support at the Nationals each year as well as providing input to drive the Association. Without these dedicated and resourceful staff the Association would be a great deal poorer.

Thanks you also to those members who represent their States on the National Executive. Without these volunteers who give their time and expertise to the Association, some of many years, we would not be in the healthy position we are today. Our special thanks to Ron Traill and Elaine forward who have completed over 20 years on the executive.

Thank you to the volunteers who assist us with the running of Nationals events, whose input and work in the office and on the ground is greatly valued by the National Executive and the National office staff. A special thank you to the Western Australian Gun Club for hosting the National Trap Pre-Nationals in Perth at Whiteman Park, an enjoyable lead-up to the National Trap Championships. The Western Australian Clay Target Association hosted the National Trap carnival again at the picturesque Whiteman Park with overall numbers exceeding those expected. This was due in part to the support of Western Australian shooters and through the promotion of the event by the WACTA.

The Northern Territory Clay Target Association hosted this year's Commonwealth Carnival with great feedback provided to the Association from the event. To all of those who assisted in conducting these events, thank you for your support.

Have a safe and Merry Christmas, I look forward to a positive and fruitful 2014.

Tony Turner

Huge success for Victorian STATE TRAP CARNIVAL ECHUCA CLAY TARGET CLUB

The 2013 Victorian Clay Target Association's, Trap Carnival held at the Echuca Clay Target Club achieved the best attendance figures likely on record! A total of 378 shooters competed in the shoot, a large percentage having brought their families along for the 3-4 or 5 day weekend, and that would probably have used the accommodation available by at least 300 plus rooms. Weatherwise, everyone was grateful that the predicted rain held off for the entire shoot, but the strong gusty wind that prevailed throughout the program certainly tested the shooters ability.

With the Echuca shooting complex really looking picture perfect, a testament to the many hours of work put in by the Echuca Club's Committee, the first procedure was for Campaspe Shire's CEO, Keith Baillie, to break a clay target, which he did quite proficiently on his third shot, Keith then pronounced the 2013 VCTA Trap Carnival, Open.

Campaspe Shire's CEO, Keith Baillie

Also included in the ceremony was the induction of two new members into the Victorian Clay Target Association Hall of Fame. Presentation of a VCTA Hall of Fame jackets and badges were made to 2013 inductees Mr Lynne Curtis, Frankston Australia President, for his achievements and commitment to the sport and to Mr Ron Trill, who also received the ACTA Life Registered Shooters medal and the prestigious ACTA Presidential medal.

Ron has been a long serving member of both the State and National bodies, the NE Zone and the Echuca Club and has worked tirelessly in his roles of Club and Zone President, Rules Supervisor, and many other roles.

To show him the appreciation for his efforts ACTA representatives from Darwin, South Australia, and Wagga Wagga, attended the ceremony. Ron, who is battling an illness at this time, responded with his thanks, and his remark that it was all totally unexpected.

Thursday the 7th of November was a practice day, and yet even with that as an advantage, because of the windy conditions, on Friday there was only one shooter able to down all fifty targets in Event one, the 25 pair, State Double Rise Championship, and he was Cobar Club member,

Arthur Turner OA Double Rise

Brittany Sinclair

Thomas Pilgrim

Robert Andrews

Arthur Turner. Arthur shot a clean 50/50 score, a score that no other shooter could achieve, and without the need for a shoot off he became the Overall Winner of this Event. The Major Sponsor of this Event was Falcon Cartridges. Also 1st in the Veterans from the Bordertown Gun Club was Robert Andrews 47/50, in the Ladies section it was Brittany Sinclair 1st from the Noorat Gun Club 48/50, and Thomas Pilgrim, an Ararat member won 1st place in the junior division with a 49/50, these Trophies were sponsored by Spartan Global.

Next was the Victorian 50 Target State Handicap, and coming as a complete surprise to everyone, when it was down to five shooters left that could get a place, and in this wind, all shooters left were surprisingly behind the 21 metre mark. Missing his 52nd target Port Augusta

shoot his 86th target to become the proud Overall Winner of the State Handicap. Kyle shot it easily, and became the proud recipient of a \$1200.00 cash trophy, plus a Franchi Phoenix U/O shotgun valued at \$1750.00, a very generous 1st place dividend supplied by the major sponsor of this event, Beretta Australia, for shooting a score of 86/86.

Day two, Saturday the 9th of November, and the first event on the agenda was the 50 target, State Single Barrel Championship, with a major sponsorship from Bronze Wing, and with the wind seemingly getting stronger by the day, this reasonably difficult discipline was never going to go into big numbers, and that was the case, with the Overall Winner decided just three targets into the shoot off. Port Augusta Gun Club member, Matthew

Matthew Stokes OA Single Barrel

Sandy Ellis

James Willett

Stokes, only had to shoot at and hit three targets and he had won the Overall winners sash, and trophy, with a 53/53 score. The trophy being a handsome \$1,400.00 cash, plus 1,000 shotshells. Corowa GC member, James Willett, after letting his 53rd target escape, had to settle for 1st place in AA Grade with a 52/53 result. Jeparit GC member David Flavel shot a 47/50 and that earned him 1st place in the Veterans, Sandra Ellis shot an excellent 48/50 score earning her 1st place in the Ladies category, and James Willett also claimed 1st place in the Junior's on top of his AA grade win, with his 50/50 score. Trophies for this category were sponsored by Collumbo Shooting.

Dave Flavel

1st C Lachlan Holdsworth

3rd B Jack Cullinan

Gun club member, Matthew Stokes, shooting off the 25 metre mark put his hand up for 5th place, Brian Doyle, a Hay NSW member, and also off the 25 metre mark dropped his 71st target and that earned him 4th place, shooting off 24 metres was Graham Menhennet a Sebastopol shooter, who dropped his 82nd target and that gave him the 3rd place trophy, Werribee member Patrick Guida standing on the 22 metre spot let his 86th target escape earning him the 2nd place trophy, and all Kyle Booth, a Hobart Tasmania Club member, shooting off the 23 metre mark, had to do was

Steve Haberman OA Double Barrel

Gary Pike

1st B Jack Gibbs

Event Four, the 50 target State Double Barrel Championship, and finally a home town win, with Echuca CTC member Steve Haberman holding off five squads of shooters all having shot all fifty targets and needing to continue the next day just with NSW GC member Athos Del-Ben until Athos (Arty) dropped his 258th target, Steve shot his 258th and it was all over. Steve Haberman collecting the Overall winners Sash, and \$1,400.00 cash, also 1500 shotshells, scoring an unbeaten 258/258 result. That result, although quite impressive, was known by all in attendance that it could easily have been double, or even triple, had the weather been kinder and calmer. Arty Del-Ben, settling for 1st in AA Grade with his 257/258. Bronze Wing, also was the Major sponsor of this event. Mildura member Gary Pike shot a 65/65 to win 1st place in the Veterans category, Tracey McDonnell recorded a 66/66 score to obtain 1st place in the Ladies category, Tracey is a Castlemaine shooter, Little River GC member Mitchell Iles scored 75/75 to put his hand up for the 1st in Junior Trophy. These categories were sponsored by, Perazzi Australia.

*AA Double Barrel 3rd Nathan Telford,
2nd Craig Kelly, 1st Arty Del Ben*

Apart for the Team events to shoot for, this event five, 50 target, State Points Score Championship, is the last event for the Carnival, and Miall's Gun Shop is the major sponsor, and with the wind persisting it was not expected to go to any large numbers in the shoot off, and that is exactly how it played out, with a score of 159/159 being enough for Central Wimmera CTC member Craig Kelly to collect the Overall winners Sash. Paul Salafia, a Leeton CTC shooter, dropping just one point, allocating him to 1st place in AA Grade, with a 158/159 result. Craig Kelly picking up \$1,000.00 cash and a Mauser N12 3006 Rifle valued at \$2,700.00, for his Overall Win. David Flavel 1st in Veterans 149/150, Lisa Hawker Ladies 148/150, Kyle Booth Juniors 151/153. These three categories were sponsored by Collumbo Shooting.

An enormous amount of energy was put into the Carnival preparations by Echuca and State members and they all must be very proud the way the entire Trap Carnival ran, so smoothly and trouble free.

The ladies did a magnificent job in the kitchen, feeding and watering what must have been a 500 plus crowd.

There was a minor complaint regarding the enlarged car parking area, but this will be greatly improved for 2014.

A very big thank you to the sponsors, whose contributions made this a very attractive competition, and finally a compliment to the shooters for the way they conducted themselves during the Carnival.

The VCTA and Echuca club look forward to seeing all competitors and visitors return in 2014.

4. If the shooter was previously in B Grade he may elect to stay in that grade in accordance with Rule 2.01(m).

DISPUTE RESOLUTION

The National Executive is concerned that there is a growing expectation on the part of States, Zones, Clubs and individual members that the ACTA will become involved in what is essentially personal disputes.

Many of the matters communicated to the National Office are simple disputes or personal issues that have no place in the ACTA disputes process. Some matters are between a shooter and his or her club for any number of reasons; some are member to member and in some instances are personal relationship based.

If a club or zone feels it is appropriate to take action in relation to a complaint, then they should use the processes within their own constitution or rules. If there is an allegation of assault or the misuse of a firearm, then the Police in your local area should be contacted immediately.

The ACTA disputes process is only available under S.11 of our Constitution if matters cannot be dealt with by Members' under

their own constitution or rules and after all appeal avenues have been exhausted under those processes. The matters that can be dealt with under this process are also defined in S. 11 of the ACTA Constitution.

The National Executive will always support fairness in all matters of complaint but it must be stressed that the ACTA does not, under our constitution, have the capacity to over-ride any dispute process in a Club, Zone or State constitution.

We encourage all State and Zone Secretaries to make this memo known to your member clubs to avoid unnecessary contact with the ACTA office that may result in advice that the aggrieved member is less than happy with. It is important that we all follow due process in any matter that affects our sport and we seek your support to convey this message.

Southern Zone Champion of Champions

The seventy five target Southern Zone Champion of Champions event and the final round of the Fimac Engineering Handicap Shield encouraged a great roll up of thirty-five shooters to the Bega Gun Club's grounds for the November shoot. The Club welcomed South Australian shooter, Dianne Loughhead and West Wyalong visitor, Graeme Fairman as well as the regulars from neighbouring Cooma and Bermagui. The day commenced in summery sunshine before resorting to a very blustery south-wester for the last event, the Fimac.

Event one was the Southern Zone Champion of Champions, comprising 25 target double barrel, 25 single and a final 25 target handicap. After the double barrel, A Grade Ray Kearns, AA Grade Stuart Bennett and Chris Davis had the only 25/25 scores on the board, closely followed by a cluster of ten shooters, one down on 24/25. The single barrel 25 began the sorting out process with only Ray Welch recording a clean 25/25. This placed Ray and round one winner Ray Kearns all square on 49/50, with Stuart Bennett, Chris Davis and John Seide one point behind.

SZ Ch/Ch Ray Welch

Across the grades, with a round to go, Ray Welch led AA Grade, Ray Kearns A, Craig Field and Bert Deacon shared B Grade and in C Grade, Roger Brown had escaped to a four target led.

Round three again saw some fantastic scores, Chris Davis leading the way with 75/75, closely followed by four shooters who had to pull a second to finish on 74/75. These results saw Ray Welch and Chris Davis head back out to decide overall winner and John Seide and Shane Platts trying to sort out second in A Grade. After a short shoot-off, Ray emerged overall winner, 172/175, with Chris taking AA Grade, 170/175. Second in A Grade finally went to Shane Platts with a score of 143/150. Tony Gray shot a fine 122/125 to win A Grade. B Grade was won by Dick McInnes with a score of 112/125 from John Walker on 110/125, whilst C Grade was won by Roger Brown 110/125 to Mick Diss' 101/125.

The final round of the Fimac Engineering Handicap Shield, sponsored by Shane Platts of Fimac Engineering again produced some great shooting, despite the best efforts of the south wester that played havoc with the targets. Alf Niesar, Chris Davis and Steve McIntyre all finished on 24, forcing a shoot off for winner and places. After a further three targets, Steve

Craig Field smokes his target while the squad looks on

emerged the winner 26/27, Chris second, 25/27 and Alf third, 24/27. The scores will now be added to the previous three rounds' results and the winner announced at the December shoot.

High Gun for the day went to Chris Davis, who shot consistently all day to record a score of 147/150.

The Club shoot raffle had three draws for the day with each ticket winner taking turns to try collecting the \$500 on offer. Garry Martin started proceedings and graciously missed one. He was followed by Keith Pearce who again did right by the treasurer. As is allowed, Pauline Body, holder of the third ticket chose to elect someone to shoot on her behalf. Bypassing husband, President Phil, proved a master stroke. Instead she sent out

14 year son, James. James began his shooting career in C Grade at the beginning of the year and has rapidly progressed to A grade. With lots of advice and support from the crowd, he took a big piece off the first target and then proceeded to "cream" the remaining four. So, next month, we begin again. Meanwhile, negotiations as to the spending of the prize are on at the Body household. Well done James.

AUSTRALIAN AUTO TRENCH SALES

Steve Whitehead Tel: 0409 744 104
steven.whitehead@bigpond.com

News from Auto-Trench Australia

Canterbury Trap Intl Ltd has long been recognised as the supplier of premium singles/doubles trap machines. Their catch phrase of "Innovation and Versatility" has always rung true. In yet another first for Australian clubs, Auto-Trench Australia will soon be offering on-site trap servicing and tuning. No other supplier has a dedicated technician that will travel to any club requiring our expertise, to return your 'years old' machine back to 'as new' condition.

Steve Whitehead has been factory trained on Canterbury trap maintenance and assembly, and along with six years of hands-on experience Steve comes with all the knowledge that your club will need. Steve carries a complete

range of spares with him so that any replacement parts can be dealt with immediately.

Canterbury trap has always sought to reduce club costs to do with traps and they began this by designing a well engineered product, then backed it up when Russell Smart attended several DTL Nationals to deliver maintenance clinics and train club mechanics. Small amounts of monthly maintenance will result in better target presentation and flight and less likelihood of target breakage or trap damage. E.g. setting the throwing arm correctly provides maximum spin to be imparted to the target, resulting in the truest target flight with minimum deviation thus giving your shooters a more enjoyable sport. Therefore the Canterbury trap is tuned to the brand of target that your club uses, giving the best possible chance for the target to perform as intended. Are your traps set up correctly?

Steve can visit your club!

To keep costs to a minimum, Steve will not charge to visit (unless he has to backtrack to your club) and provided that there is suitable accommodation for his caravan. Service on your traps and any replacement parts are at normal charge-out rates plus GST. While he's there, Steve will happily train your club mechanic/s as he works through your machines – NO CHARGE.

In order that Steve can set an itinerary we suggest that you call him to indicate you would like a visit from him next year.

If your club is interested in having Steve call in and tune your Canterbury traps then please book early to avoid disappointment by phoning 0409 744 104 or e-mail steven.whitehead@bigpond.com.

This service is available from January 2014.

Northern NSW DTL Schools Carnival – Tamworth

Students from the School Carnival

Tamworth Clay Target Club held the first every Northern NSW down the line Schools Carnival on 25th October 2013. This event is something the club members have been working on for some time and it was a great pleasure to see it actually happen. Tamworth club has been hosting Farrer High School for practice for two years and more recently Peel High School also from Tamworth. The students have been a pleasure to have at the club. They have taken instruction well and developed in leaps and bounds. Scone Grammar High School in Scone has also been attending the Scone range for sport and having a great time developing their abilities.

As a club Tamworth felt it was time to have the sport of clay target shooting acknowledged like other sports are with a shooting carnival.

An invitation went out to all schools inviting them to attend and the response was good, although some schools had reservations in allowing their students the day off. Students from Farrer High, Scone Grammar, The Armidale School, St Mary's Gunnedah, McCarthy Catholic College, Moree Secondary College, Gunnedah South Public School, Tamworth High School and Peel High School

Tamworth were in attendance. They all formed teams including Combined Catholic Colleges, Combined Public Schools, T.A.S (The Armidale School), Farrer 1,2 and 3 and Scone Grammar.

The day started at 10am allowing travel on the day of competition. The first event was a 25 target double barrel. This saw three 25/25's including C grader and new shooter from Scone Toby Croaker with a personal best. The other two shooters with a possible were Harry Jarratt and Ben Mulligan both from T.A.S. Fourth and final event for the day was 10 pair double rise. This was new for some of the very beginning shooters and would sort the tally for the end of the day high guns. Leading all the way to win overall with a great 25/30 after a shoot off was Ben Mulligan from T.A.S with Jake McHugh from Farrer having to be happy with 1st in A with 21/30, 2nd

Jake McHugh with George Barton & Wes Leedham receiving the OA Team trophy

in A Harry Jarratt 16/20, 2nd B Liam Kelly 13/20, 1st B Brad Ireland 14/20, 2nd C Brad Maxey 14/20, 1st C Tabatha Schultz 16/20.

After completion of shooting there were the High Guns to be sorted as sashes were on the line.

Taking out C grade High Gun was Tabatha Schultz 129/145, B grade High Gun Liam Kelly 114/145, A grade High Gun Jake McHugh, AA grade High Gun Ben Mulligan 143/159 and overall from T.A.S Harry Jarratt 147/159.

Throughout the day the scores were tallied and the top three scores for each team were taken to determine the winning team for the event.

Scone Grammar High 242, Combined Public Schools 337, Combined Catholic Colleges 351,

The Armidale School 367, Farrer High School 373.

Congratulations to all schools and many thanks to everyone that made the day. Without the teachers, parents and club members that helped things would not happen and it is so important to promote the sport to our juniors and have it recognised as it should be. Thank you to Berretta Australia, Greg Coleman and Tamworth Firearms in the help they provided in getting guns, ear muffs and jackets for the students to use through Tamworth Clay Target Club. Also thank you to George Barton who ran a coaching day on the Saturday after the shoot and was out on the Friday taking notes and presenting prizes. We are looking forward to the next carnival in early 2014.

Successful Snowy Mountains Trap Carnival

The Tumut Clay Target Club's 2013 return to a two day October shooting carnival incorporating the covenanted 100 target "Snowy Mountains Ton" has been hailed a success by Tumut club management, despite attendance being down on expectation.

Competitors travelled to Tumut from Victoria, southern & western NSW and the ACT to partake in the October 12 & 13 program and have provided a great foundation upon which the Club can build for 2014 and beyond. The return of the two day carnival is a multi-years project, but it needs all shooters support in order to survive in the long-term.

More than 60% of nominations were in AA grade and a further 20% in A, leaving B & C with less than 20% in total, in fact C Grade was technically an ineffective competition. Veteran and Lady competitors made up 20% & 15% of the pool. Maybe the way to go for some events next year is to award prize pools in proportion to the number of entries per grade and reward the grades that provide the support something for shooters and management to consider.

Shooters came to Tumut looking for good targets, tough competition and country hospitality and that's exactly what was provided. However the Tumut Club couldn't go it alone and the carnival weekend was very well supported by local Tumut businesses as well as industry partners Winchester Australia and Power Ammo (Wagga Wagga).

Tumut's weather in October is always reliable and this makes for the very best of competition standard 2013 was no exception with all five competition matches held over the weekend producing one or more perfect qualifying scores each event simply put unless you can post a 100% qualifying result in the AA grade class then you're going to be an event spectator nothing unusual about that.

Shoot results were published in last month's CTSN, but just to recap on Saturday, the points score match was won by Tumut's David Crane with a faultless performance of 150/150, one point ahead of Phil Body (Bega), Tony

Barton (Tumut) and Rob Yeo (Wagga Wagga) each returning a score of 149/150. The continental was won by Rob Yeo (Wagga Wagga) 124/124 holding out Glenn Barton 123 and Wendy Barton 105, both Tumut members. 6 shooters qualified at 50/50.

Saturday concluded with dinner at the club many thanks to Sharyn Maxwell who wore the brunt of the beforehand preparatory works and her band of able helpers throughout the weekend that kept everyone feed and watered all weekend long. Club Officials John Maxwell and Stan Wall also conducted the Calcutta Draw on Saturday night, leaving nothing but shooting to be done on the Sunday.

Sunday commenced with the usual 25 target double barrel eye opener, preparing all for the signature event of the weekend the "Snowy Mountains Ton". 19 shooters returned the perfect 25/25 score and a further 10 returned an eye opener round of 24/25.

The "Snowy Mountains Ton" is a competition of

100 targets double barrel and in 2011 & 2012 was won by a singular perfect qualifying score. This year 5 shooters (all AA's) returned

A Grade Narelle Cook

B Grade Wayne Smith

C Grade Elizabeth Green

Junior HG James Body

Lady HG Wendy Barton

HG Geoff Kidd

a perfect qualifying round of 100/100 being Don Power (Wagga Wagga), Willo Cameron (Canberra) Tumut's Glenn Barton and David Caccioppoli and Victorian Veteran Wally Wombwell (Tyrendarra). A further 6 shooters returned a qualifying score of 99/100, agonisingly one short of the required 100.

In somewhat blustery winds for the shoot-off just ahead of a typical spring storm, Glenn Barton emerged victorious at 158/158

over David Caccioppoli 157/158, (both Tumut) and Canberra's Willo Cameron 143/144.

A Grade was a tie between Junee Veteran Bill Hulm and Wagga Wagga Lady Narelle Cook after both returned 97/100 in the qualifying round. In a decider that lasted only 4 targets Hulm emerged as the A grade winner.

B Grade was won by Bega's Peter Johnston 98/100 with Wayne Smith (Canberra) settling for

his third second placing of the weekend at 95/100.

C Grade was a battle between Tumut locals Max Reitze and Elizabeth Green with Reitze taking the C grade prize at 87/100, 2 ahead of Green.

Snowy Mountains Ton section winners were Veteran Wally Wombwell (Tyrendarra) 100/100, Lady Alex Heffernan-Power 98/100 and Junior James Body (Bega) 94/100.

With the competition matches all determined the focus quickly turned to the prestigious High Gun awards that is the award for the best weekend aggregate score over all 5 competition matches in Overall as well as each of the 4 grades and 3 sections.

Tied for Overall High Gun at 348/350, just two points down for the weekend was Tumut's Glenn Barton and Wagga Wagga's Rob Yeo, the shoot-off being won by Yeo.

GYMPIE CLAY TARGET CLUB

Annual 2 Day Shoot

The weather was hot and fine and dry. A total of 53 competitors attended on Saturday and 55 on Sunday. Visitors attended from Toowoomba, Darwin, Brisbane, Caboolture, Bundaberg, Central Burnett, Redcliffe, Roma and Chinchilla. All the equipment was serviced and all systems go, but there was a problem with our new phono pulls when all three traps were being used. They worked fine when one trap was used. However the old phono pulls were used and things were better on Sunday. There were 69 possibles on the board, this being a great results for the number of competitors present. The problem encountered with the phono pulls will be taken up with the manufacturer.

The Gemfields Gun Club wishes to thank all the bar, kitchen, office volunteers, all three are often the most thankless jobs, but without these people there would be no annual shoot. The 2 Boeing pilots turned learner water truck drivers as dry as it was this seemed a never ending job. Our many sponsors who donate items/cash for prizes every year, your ongoing support is very much appreciated. The trappers who once again did a great job keeping the traps full of targets and the layouts clean & tidy. Also anyone who helped out in any way (and in particular those who are not members of the Gemfields Club) thanks for helping make it a great week-end, hope you all had a safe trip home.

5 STAND SPORTING

Spring weather brings out the best

Sunday 10 November provided perfect weather for the good turnout of keen 5 Stand shooters at the first rate facilities provided at Wangaratta. This was the final shoot of a three month aggregate where some top trophies were awarded to the best scores, all very generously sponsored by Opal Arms of Wangaratta.

Christian McGauran shot a terrific score of 92/110 targets in this challenging discipline to win in A grade, just ahead of Allan Perryman on 90/110. Adam Shale took out AA grade with another top result of 91/100 only one target ahead of Marty Seymour on 90/100. B grade was nicely won by Gordon LePoidevin shooting 76/100 followed by Chris Backas with 72/100. Junior top shot Callum Parker won C grade with 73/100 and local groundsman Graham Coyle took out 2nd on 67/100.

A nice mix of ladies, juniors and veteran enthusiasts

The great trophies of a .22 cal. rifle for the winners of the aggregates and a \$100 gift voucher for 2nd place were awarded to the following:

SKEET

Roberts tops the shoot

A perfect day and excellent targets all helped made the Wangaratta Clay Target clubs November skeet championship a real winner for shooters on Sunday 17th.

The club had visitors from as far as Echuca and Melbourne to take part in our last skeet championship event for 2013. Some excellent results were recorded on the day and the top trophies on offer were generously donated by Kudri & Linda Demaj.

Top grade AA skeet shooter Leigh Roberts dropped only one target during the event to win him the overall title, with David Jackel coming in on 2nd place with 96/100. Phil Smith had another very good result of 97/100 winning A grade one target ahead of Sheparton skeet enthusiast Colin Finn on 96/100. Local club member and regular shooter here, Mario Marino drove up from Melbourne winning B grade on 91/100 followed in 2nd place by Bradlee Spurling 89/100. Bradlee's mentor Brian Reid, assisted him during the day resulting in him developing a consistent approach which really paid off at the end of the day. Mark McDonald shot 92/106 ahead

*Standing L-R: Mark McDonald, Colin Finn & Phil Smith
Seated: Leigh Roberts, David Jackel, Bradlee Spurling, Mario Marino & Greg Miller*

of Greg Miller on 91/106 to decide the C grade winners.

Our club would like to express our appreciation to Margot Robinson who has worked tirelessly in the kitchen over the years in providing lots of nice, healthy food to shooters on skeet shoot days. Margot has decided to give the task away for now and she will be very hard to replace in this important position.

The committee would like to thank the skeet shooters who have supported our club during the year. Our club has planned for as many 100 target skeet shoots during 2014 as possible and remains fully committed to this important discipline.

Wangaratta is renowned for providing value for money to all shooters with good trophies and is famous for the friendly and welcoming atmosphere to competitors of all skill levels.

Psychological Skills for Shooting

Michael Kruger-Davis

EGO IS NOT A DIRTY WORD!

Most readers will recognise the title of this article as the title of the 1975 Skyhooks hit. At the time Skyhooks thought that having an ego was normal. The first verse of the song went:

If I did not have an ego I would not be here tonight

If I did not have an ego I might not think that I was right

If you did not have an ego you might not care the way you dressed

If you did not have an ego you'd just be like the rest

Last weekend at a Field and Game shoot in Ardlethan, whilst a few of us were sitting under a tree having lunch, a shooting mate said: "I don't want you to think I have an ego."

I was rather surprised by this and said: "I hope you do", it's what makes you the person you are. The conversation then grew like a conversation of psychologists around a table at a dinner party, and we started talking about the other components of Freudian ego states.

Freud developed a structural model of the psyche, which had three components: the Id, the Ego and the Superego. These three components are theoretical constructs and are functions of the mind rather than actual somatic structures that are dealt with by neuroscience.

The **Id** is the only component of the personality structure present at birth and is the disorganised part of the personality structure that contains our basic and instinctual drives: our bodily needs, wants, desires, and impulses, particularly our sexual or aggressive drives. The Id works on the **pleasure principle**, which means that it has a tendency to seek immediate gratification of any impulse, seeking to avoid pain or displeasure at all costs. The Id is unresponsive to any demands of reality. The Id has no values and cannot make judgements: no understanding of good or evil, or morality. So as you can see the Id is child-like because it must have its needs met immediately. If it feels hungry, it wants to eat now rather than wait patiently and queue up to be fed. To satisfy that need it will steal the food.

The **Ego** acts according to the **reality principle**. It seeks to please the Id's drives in realistic ways that will benefit in the long term rather than bring it grief. The Ego's role is to mediate between the Id's desires and reality. This reality principle is a regulating mechanism that enables the individual to delay gratification and function effectively in the real world. The ego, rather than just steal the food would line up to buy it.

Today, Ego has many meanings: one's self worth, an inflated sense of self worth, the conscious thinking self. It is probably from this meaning

of an inflated sense of self worth that my shooting mate assumed it was, which started this whole discussion.

The other component of the Freud's model is the **Superego**. The superego reflects the internalisation of cultural and societal rules. The superego aims for perfection. It is the opposite of the Id. Where the Id wants instant self-gratification, the superego strives to act in a socially appropriate manner. The superego is our moral compass: it controls our sense of right and wrong and guilt. It helps us fit into society by getting us to act in socially acceptable ways. There can sometimes be a battle between the Id and the Superego and it is the goal of the Ego to reconcile the two.

Freud's theory of psychosexual development makes great reading, gives a good understanding of where modern psychology originated from and makes for great dinner party conversation. The theoretical constructs have now been superseded by more measurable and scientific approaches evident in the emerging nature of neuroscience.

Current neuroscience shows three brain structures:

1. The brain stem
2. The limbic system, and
3. The cortex.

The **brain stem** is the old part of the brain that regulates our unconscious, physiological functioning like breathing, heart beat and reflexes.

The **Limbic System** involves the Amygdala, the Hippocampus, The ventral Striatum and the Hypothalamus.

- The amygdala plays a central role in the processing of emotions.
- The hippocampus plays a major role in encoding memories.
- The ventral Striatum is involved in motivation: therefore an underactive VS will mean a lack of drive.
- The Hypothalamus is the control centre of the endocrine system that regulates hormones.

The **Cortex** is the part of the brain involving conscious thought and reason. It involves the prefrontal cortex, the right and left hemispheres and the corpus callosum.

- The prefrontal cortex controls the executive function: managing emotional impulses, planning, organisation, working memory, inhibition, and weighing up consequences.
- The right-hemisphere is responsible for synthesising information, visual processing, social engagement, attachment processes and being able to listen to music, understand images, maps, themes and patterns as well as motor functioning.
- The left-hemisphere is responsible for cause and effect reasoning, logical reasoning and verbal processing, controlling feelings and language.
- The Corpus Callosum is the bridge of nerve fibres connecting the two hemispheres and transporting information between them.

You may see a similarity between Freud's ego states and modern neuroscience. The whole concept of what makes us who we are and how and why behave has been the driving force behind psychology as a science for decades. The bad press that 'Ego' has received over the past few years is probably due to the rise of narcissism and narcissistic personality disorder. I'll leave topic for a future article.

Dave and his wife Rachel, have been proud and loyal sponsors of one of our sporting/bush shoots for 15 years. On these occasions, the old side-by-side guns are dusted down and used to compete with for this shoot event. Dave has always been one of the first to make himself available to assist with our working bees and the general upkeep of the club and the facilities.

Risto Laine has been a member of the Top End Gun Club since 1994 and is our second longest concurrent serving member. Risto has also been active in the club at all level serving as President 1998 to 2000 and is currently our public officer which he has held this position for the last six years.

a long-term sponsor of our club events and without members like Risto our club would struggle to survive.

Dave and Risto are true members in every sense of the word and always have had the best of the club at the fore. They are integral members of our club and we congratulate them on being awarded life membership of the Top End Gun Club Inc.

Baker Memorial Shoot at Kempsey

There was movement at the range for the word had passed around, that the Baker Memorial Shoot had come to Kempsey town. All the guns had come from near and far to enter in the fray. But when the smoke had cleared Emily and Brad had won the day.

The Baker Memorial Shoot is held to remember and commemorate the lives and achievements of Len and Lil Baker, founding members and lifelong supporters of the Kempsey Club and Clay Target Shooting generally. The shoot is considered to be one of the highlights of the Kempsey shoot calendar.

Participants for the shoot travelled from as far afield as Newcastle, Taree, Coffs Harbour and Port Macquarie to vie for the honour of having their names engraved on the Baker Family Perpetual Trophy.

The normally pleasant sunny conditions experienced by the Mid-North Coast proved fickle for our shoot. Guns were shooting in rainy, cold, windy conditions with the occasional storm thrown in the further challenge the shooters. They days shooting consisted of four events, 25 Target Double Barrel, 20 Pair Deauville Doubles (Len & Lil Baker Memorial), 25 Target Continental and 25 Target Point Score.

Despite the conditions, Laurie Doyle shot 25/25 in the Double Barrel event and Peter Brenton shot 75/75 in the Point Score. The premier event was the 20 Pair Deauville Doubles of 20m, the Len and Lil Baker Family Memorial. This event was won by Brad Hooper and Emily Saul, 2nd Steve Saul and William Saul, 3rd Kerry Miller and Phil Ryder. The results for the other events can be found in the competition results NSW area of this magazine.

High Gun for the day went to Kerry Miller.

As usual, the ladies in the canteen provided delicious homemade treats for those of us who don't worry about our waist lines. Jenny in the office ran the shoot with her normally efficiency. Members braved the rain to full traps and carry out the many tasks needed to be done to run a smooth and trouble free day.

On another note, I am sure you have noticed the fresh looking club house, now that the interior and exterior painting has been completed. Thanks must go to Ted and his committee for giving freely of their time to organise and oversee these improvements.

The club has practice on Wednesday afternoon each week and don't forget to mark your shooting calendar for Saturday 21st December 2013, 12 noon for the Christmas shoot.

*Cuzzo's
Ramblings*

This month's writing period is a short one as we're off to New Zealand in the middle of the month to shoot in the Glenn Trophy Team at the New Zealand Skeet Nationals. I was all set to go four years ago when my right eye decided to quit on me. Karien was very disappointed as she has never been across the Tasman and was really looking forward to visiting the Land of the Long White Cloud. When I unexpectedly qualified again this year the first thing she said was "If your other eye stuffs up, I'm going without you this time. You can stay home and find a Labrador". That's the last time I send her up to Steve Atkins to get some new teeth made. He is a very bad influence on her!

Tasmanian Skeet Carnival

"Styles" always puts on a good show and this year was no exception. Tas Gun Club is a great place to shoot for a start. Flat ground, perfect background, a stone's throw from the airport and a short traffic-free drive from Launceston. It's no wonder Tasmania always gets a strong Interstate contingent to their State Carnivals. Team Bairnsdale continued the great run they've been enjoying this year with Michael Buttigieg winning the Doubles and Glenn Clarke taking out the main event with a strong 99 resulting in a "skinner". We

*The newest and prettiest member of
Team Bairnsdale - Aislin Jones - Junior High Gun*

even took out the Junior High Gun thanks to a great effort by one of our newest members, a lovely little girl by the name of Aislin Jones. She even managed to break her first 25 so we ceremoniously shot her hat for her. The "Apple Isle" traditionally shoots their Skeet Carnival on the fourth weekend of October each year so think about marking this one on your calendar now for next year.

Victorian Skeet Carnival History

Thank you to all the people who have taken the time to ring or e-mail me in relation to our two "missing" Victorian Skeet Carnivals in 2005 and 2007. The bottom layer of the pyramid is venues and I'm now positive that both events were conducted at the Melbourne Gun Club. The second layer is dates and I now believe that the 2005 event ran from April 29 to the 1st of May and that the 2007 event was conducted between the 4th and 6th of May. Of the five Overall winners each year, I believe I have now nailed down four on each occasion. Which leaves two glaring gaps. Can anyone please help me with the Skeet Doubles winner from 2005 and the 20 gauge champion in 2007? Plus although I have a few of the winning scores, most of those are blank too, so if you won any event during that time, I would appreciate you trying to dig up your old place cards and giving me a call, as these usually list the score as well.

The Privacy Act

Just in case anyone is worried about their rights under the Privacy Act in relation to the personal information that the ACTA holds about them in the membership data base, I can categorically guarantee you that your fears are totally unfounded. And how can

I be so sure of that? In the course of my research activities to determine the identity of the winners of our major tournaments, I often need to contact some of our members by phone or e-mail. However any and all attempts to obtain the relevant membership contact details from Head Office are met by a polite refusal.

Very Private

The rationale is that as the ACTA Historian I am an "appointee" rather than an "employee" and therefore providing such information to me would contravene the Privacy Act and potentially expose the Association to draconian penalties. Therefore if you have any information which you think may help me, please be "proactive" and contact me at cuzzo@a1.com.au or on 0418-516395. Alternatively if you decide to be "reactive" and wait for me to contact you, then don't hold your breath as it may not happen in this lifetime. Bottom line? If my Fairy Godmother appears and grants me the customary one wish, it will be for a time machine. I'm going back to the 1960s and staying there in a time when life was simple and straightforward. A time when sex was safe and cars were dangerous and people liked it that way!

November's Trivia Question

When I asked for the youngest ACTA Trap-shooter to qualify for a Grand Slam Award, I didn't realise what a can of worms I was opening. Of the two youngest shooters to have qualified and received a Grand Slam Award, Ben Rumbel and Glenn Barton, I think Glenn was the youngest at 20 years and about three or four months, versus Ben at 21. However Matt Schiller was only 20 years and 21 days at the time of achieving his third and last element of the "Trifecta" at the 2013 Trap Nationals. He will receive his award at the next Hall of Fame Dinner in 2014. Andrew Brady certainly agrees with me and I'm sure he will put a free nom to good use.

This Month's Trivia Question

Name the two ACPTSA (forerunner of the ACTA) shooters who shot Trench (Olympic Trap) for Australia at the 1956 Olympic Games in Melbourne? E-mail your answers to cuzzo@a1.com.au before the 15th of January and the first correct one drawn will get a complimentary entry to one National Championship event of your choice in 2014.

'Tis the Season

As most people will receive this edition of the CTSN around the middle of December I would like to take this opportunity to wish you all a Merry Christmas and hope you enjoy a very happy New Year during which hopefully you can find time to shoot more targets.

Records Tumble at Castlemaine on Cup Day

The Castlemaine Clay Target Club held its annual Melbourne Cup Shoot on Tuesday the 5th of November. In attendance was 57 shooters from 11 different clubs that had travelled across the State to take part in the event. The conditions were as perfect as they can get with Mid 20s, blue skies and no wind.

DB AO winner Aaron Hawdon, shot 431/431

The events on the day were the 25tgt Double Barrel, 25tgt Single Barrel and the 25tgt Points Score but it will be the Double Barrel event that will be remembered and spoken about for a long time to come. Not only did the event/shoot off take 9 hours in total to complete but it saw records fall and break badges earned. The shoot off was held in between events and long into the night after the main presentation was held and most had gone home. The most targets shot at the Castlemaine Gun

Club sat at 238 and that has held by Terry Boucher since November 2001. 12 years on and now that record belongs to Aaron Hawdon who shot a flawless 431/431 and also achieved 8 break badges up to 500 for his efforts over the course of the day. Along for the ride was Nathan McDonnell who shot 430/431 and Tracy McDonnell who shot 370/371 and also picked up her 400 break badge. The High Gun went to Chris Dalrymple with a perfect score of 245/245 and that saw him also take home the jackpot of \$400.

winners. Only Brad and Geoff remained after the 43rd target and went shot for shot, calling a stalemate after 90 targets, choosing to level the stand-off following the last event of the day. Geoff Baxter eventually won over Bradley Hooper.

Warwick shooter Jennine Gerrard took out the A Grade shoot off with Peter Kennedy of Glen Innes, while in the B Grade, Ben Marshall of Guyra finished in front of Stephen Ward of Urbenville/Woodenbong after 22 targets.

The eventual results for the first event were: AA Grade: 1st Geoff Baxter 142/142, 2nd Bradley Hooper 141/142; A Grade: 1st Jennine Gerrard 51/51, 2nd Peter Kennedy 50/51; B Grade: 1st Ben Marshall 71/71, 2nd Stephen Ward

The Glen Innes Clay Target Clubs Annual Spring Fling held on Saturday 2nd November lived up to its name with beautiful warm weather lasting the duration of the shoot. It was a bit of a treat to bust out the shorts and leave the usual warm clothes at home.

57 shooters came to battle it out for the day's events with a good field of travelling shooters from Ballandean, Boggabri, Gunnedah, Coffs Harbour, Grafton, Guyra, Inverell, Kempsey,

Moree, Richmond River, Tamworth, Urbenville, Woodenbong, Walcha, Warwick and Yamba.

The events started with a 50 Target Double Barrel and a shoot off between Geoff Baxter (Guyra), Bradley Hooper (Kempsey), Paul Turner (Inverell), Tony Turner (Inverell), Matt Colley (Inverell) and Kim Nealon (Yamba) to decide AA Grade

The 50 Target Single Barrel proved easier to sort place getters, but shoot offs seemed to be the decider in most grades.

Dan Johnson of Warwick took the honours after hitting nine straight targets, which left Paul Turner and Matt Colley to continue shooting to decide second place. Paul eventually wore down Matt and finished in front 25 from 26.

The A Grade Single Barrel shoot off for second place was Jennine Gerrard over Leah Costanzo of Ballandean, while in the B Grade Nancy Davis of Richmond River took second place after a shoot off with local Glen Innes shooter Owen Larkings.

Eventual results for the Single Barrel were: AA Grade: 1st Dan Johnson 58/59, 2nd Paul Turner 74/76; A Grade: 1st Paul Wright 49/50, 2nd Jennine Gerrard 49/53; B Grade: 1st Ben Marshall 49/50, 2nd Nancy Davis 51/55; C Grade: 1st Dean Field 43/50, 2nd Luke Marshall 40/50.

The third and final event for the day was a 50 Target Points Score. In AA Grade, places were again decided after a shoot off with Kim Nealon, Clyde Mitchell of Moree and David Edmonds of Guyra. Edmonds exited first leaving Clyde and Kim to battle it out for the top spot, with Kim the eventual winner 48 /48.

In C Grade, a shoot off for second place saw Therese Nealon of Yamba out shoot Luke Marshall.

Final results for the Points Score were: AA Grade: 1st Kim Nealon 198/198, 2nd Clyde Mitchell 195/198; A Grade: 1st Emily Saul 149/150, 2nd David Conduit 147/150; B Grade: 1st Ben Marshall 142/150, 2nd Owen Larkings 137/150; C Grade: 1st Dean Field 123/150, 2nd Therese Nealon 123/153.

The shoot offs continued for overall results with the A Grade shoot off between Emily Saul of Kempsey and David Conduit, Overall Junior Shoot off with William Saul also of Kempsey, and Nick Tanner of Tamworth and Overall Veterans Shoot off between John Lisle of Walcha and Geoff Baxter.

The final results for the day were Overall High Gun winner Matt Colley 248/250; AA Grade: Kim Nealon 247/250; A Grade: Emily Saul 252/260; B Grade: Ben Marshall 240/250; C Grade: Dean Field 214/250, Ladies High Gun: Jennine Gerrard 235/250; Junior High Gun: William Saul 253/270; and Veteran High Gun: John Lisle 294/300.

To top off the Spring Fling, four shooters competed well enough to change grades. Ben Marshall from Guyra went from B to A Grade, Emily Saul of Kempsey went from A to AA Grade as did two local shooters Peter Kennedy and Paul Wright with congratulations to all from the club.

The club also extends thanks to all those who helped out behind the scenes at the working bee, in the kitchen, the trap boys and in the office.

VCTA South East Zone Teams Event Round Four

The last round of the home and away events was conducted at Nepean CTC on the third Saturday in August. Shooting over three grounds the 111 shooters represented 19 teams and four Junior teams. Kicking off with an early start into event one the 25 target Handicap, this saw only two possibles and with an obvious home ground advantage and in the same squad, Laurance Horsfall and Alex Stewart both 15 metre shooters, shot off for the first place which was won by Laurence 48/49 with Alex second 47/49. Tony Psaila was third 34/35 and Darren White was the Back Marker, Riley Sugar 22/25 the Junior Front Marker.

The Team section at the half way mark had Morwell 1 in the lead with

114, Melbourne Green and Werribee equal on 112 and the pack spread out after that with most teams finding the going a little tough.

Event two the Double Barrel was a little more productive with twenty one shooting the 25 and the four squads worked themselves down to a point that at a total of 120 there were two shooters left. Neil Rundle won Overall 159/159, Matt Dunkley 158/159 was first in AA and Hecta Crawford 119/120 was second in AA. A Grade A Bird 56/57, N Zechner 44/45, B G McClusky 25/25 A Weyerman 29/30, C A Stewart 30/31, A Elliot 29/31 Melbourne Green came home with the best Double Barrel score and a total 231/250 to be the day's winners with members S Aston, M Dunkley, D Johnston, S Morley and W Kotlarowski. Morwell 1 and Werribee were next with 230 each. The Junior Team was Werribee 95/100 N Zechner and J Zechner.

Overall High Gun was Alex Stewart 49/50, Ladies High Gun Megan Boast, Junior High Guns A grade N Zechner 48/50, C grade Alex Preston 44/50.

The Zone Council and the shooters that they represent wish to acknowledge the generous ongoing support from Beretta Australia.

ACTA/VCTA recognise outstanding commitment

Ron Traill awarded ACTA Life Registration, ACTA Presidential Medal, Induction into VCTA Hall of Fame

National President Allan Vilcins, speaking at the award ceremony with Ron & Glenis

Glenn Woodhatch presenting Ron with his Hall of Fame Certificate

Ron Traill's involvement with clay target shooting began in the late 1950's when he took on the job of a trapper at the Sale Gun Club, Victoria. From trapper he was "promoted" to "puller"- on the old Plus traps. Ron moved to Rochester in about 1975 and after establishing his dairy farm, he joined the Echuca Gun Club in the early 80's. Shortly after joining, he found himself with the position of Secretary. At his first shoot he was teamed with John King in a Deauville Doubles Championship. Second placing was enough to get him hooked. In Ron's own words, "from then on I could not help myself!"

At the Victorian Clay Target Association's State Trap Carnival at Echuca in November Ron was presented with three prestigious awards.

Watched by his entire family, including his wife, children, grandchildren and about "400 of his shooting family from across Australia", Ron was inducted into the Victorian Clay Target Association's (VCTA) Hall of Fame, awarded Life Membership to the Australian Clay Target Association (ACTA), and donned with the esteemed ACTA Presidential Medal, during Friday's opening ceremony.

Emotional and battling illness, Ron said he felt "extremely honoured" to be presented with the awards.

"It was an emotional day, I was very taken back by it all," he said.

"When I first began as president of Echuca Gun Club, I didn't do it for the accolades and the awards were not something I set out to earn. I just love giving to the sport. The people I've met from across the

Judy, Sue, Jenny and Maureen from the ACTA office with Ron

country and overseas have made it all worthwhile. It's been a wonderful experience and I've loved every moment of it since I became involved".

Ron said he had a "suspicion that something was going on" when he received a call from both Associations wanting him to attend Friday's ceremony.

Knowing he had been previously nominated for Life Membership, his Hall of Fame induction and Presidential Medal came as a complete surprise.

"I was expecting the life membership to come at the National Championships in Perth, Western Australia, back in April, but they apparently decided to hold on and award me with all three during last weekend's carnival", he said. "I was slightly suspicious because I was confused as to why they wanted me at the opening ceremony. I also knew the process, as I've been part of the cover up for inductees before. I honestly didn't know what was happening. It was all a surprise, especially the presidential award. Not in my dreams did I think I would receive such an award."

The achievements offer momentary relief for a man fighting a battle with illness. Ron was diagnosed with lung cancer in March and has been in and out of hospital due to recent breathing difficulties, which require the 66-year-old to have fluid drained from his chest.

He was released from hospital for two hours especially for the ceremony and

Echuca President Steve Atkins presenting Ron with a Championship win earlier this year

needed the assistance of an oxygen tank to help him breathe.

The award recipient, described as a "very loyal supporter and knowledgeable man" by VCTA President Malcolm Dyson, said nothing was going to stop him from attending the ceremony.

Ron held the Echuca Gun Club presidency for about 24 years before stepping down at the start of the year, making way for current president Steve Atkins. Ron was President of the VCTA for about 10 years, and has held the position of North East Zone President for in excess of 20 years.

He is still the vice president of VCTA and is one of two Victorian delegates on the ACTA board, a position he has held since 1992. Ron is a current Vice President of the ACTA. As Chairman of the ACTA Rules sub-committee, Ron's knowledge of shooting rules and administration is outstanding, as is his expertise in trap settings and repair.

The ceremony was attended by the National President Mr Allan Vilcins, ACTA EO Tony Turner and the entire office staff of the ACTA.

Other guests at the presentation included the second ACTA Vice President Mr Robert Fox who travelled from Darwin for the occasion, ACTA Board member Mr Garry Read who arrived from South Australia, Mr Arty Del Ben ACTA Board member NSW, Mr Gary Hayden ACTA delegate for Victoria and the entire VCTA Executive.

VALE

Gladys May Barnes

6/5/1925-10/5/2013

It is with great sadness the Mildura Clay Target club announce the passing of Mrs Gladys May Barnes on the 10th May 2013 at home suddenly, Gladys was a life member of our club.

Gladys never shot as a competitor ,however over the years she travelled around the shooting scene with husband Clarrie, who was a foundation member of the Mildura Gun Club. They would travel in the early days from Leaghur Station to National and State championship and to local shoots.

Gladys was a keen spectator at our Easter shoot and would come to the club for all the four days.

Gladys always had some delicious treats for afternoon tea to share at the shoots including providing the old fashion Christmas plum pudding for our Christmas shoot which became a tradition.

Great producer of food and award winning needlework

Life Member of Mildura Gun Club and Murulla Country Womens Association branch.

Adored and loved by husband Clarrie for 65 years

Devoted and loved aunt to many nieces and nephews.

Young at heart right to the end

Strove to do her best in all of life's pursuits.

The club members will miss her smiling face at Christmas and Easter shoots. Gladys you have been reunited with your one love, Clarrie, for ever may you both R.I.P.

Norman Watts,
Mildura Clay Target Club

TOWER SHOOTING AT MATHOURA

Friday the 22nd of November saw three squads of shooters arrive at the Mathoura Gun Club to compete in the two Tower, and one Trap, events on offer for the night's program. Weather-wise it could not have been much better, mild but not cold, with almost no wind at all, ensuring good scores for the competition.

Event One, a 10 target Double Barrel Tower, Cash Divide, and six shooters all managed a clean score and all six shared the 1st place cash. They were Colin Finn (Bendigo), Barry Bloodworth (Numurkah/Shepparton), Bruce Cook (Deniliquin), Tim Maher (Deniliquin), Mick Keirl (Mathoura), and Laurie Fitzpatrick (Euroa), all having scored a clean 10/10.

Mick Keirl, OA SB Night Tower

Event Two, a 15 target Points Score, Trap, Cash Divide, and a 41/45 shot by Mick Keirl was good enough for him to put out his hand for the 1st place cash, a 38/45 score shot by another Mathoura member, Bill Simpson, was enough to take out the 2nd place cash.

Event Three, the main event for the night, a 25 target Single Barrel Night Tower Championship, a reasonably difficult discipline, with only two shooters who could manage to only lose two

Barry Bloodworth,
1st B Grade SB Night Tower

1st A Grade SB Night Tower

targets, Colin Finn, and Mick Keirl, both on a 23/25 score and both having to shoot off for the Overall winner's sash. Colin dropped his 35th target and Mick made sure of his, making him the Overall winner and the 1st placegetter in C Grade. Mick's score was a 33/35. Colin ended up with a 32/35 score and that gave him 1st place in A Grade. Barry Bloodworth shot a 21/25 earning him 1st place in B Grade. Mick Keirl was having an exceptionally good night's shooting and he is definitely headed for a higher grading in Tower shooting. Well shot Mick, congratulations.

A smooth running shoot that ended up reasonably early giving all travellers an early home time. A big thank you to all the helpers, especially to Donna for feeding and watering all that attended on the night.

GRAFTON CLAY TARGET CLUB NOVEMBER 2013

JACARANDA OPEN CLASSIC

The second Sunday each November is a very important day for the Grafton Clay Target Club as this is the day of the Jacaranda Open Classic. This year was no exception with our Open Classic also being the second day of a unique dual two day shoot in company with the Coffs Harbour Clay Target Club.

The grounds and surrounds had been worked on by Members and the crop of bindies looked superb from the side effect of 5 months sparing rain and drought. Today was predicted to be different with the Bureau of Meteorology promising drought breaking thunderstorms late in the day. So it was that nine squads of members and visitors began the day positive of having their names recorded in the winner's results. Many visitors had travelled great distances to share our day with us.

First event was the 25 target Peter McGuire Memorial Points score. Peter was a long standing enthusiastic worker for our Club who simply loved shooting Points score and his Perpetual Trophy is generously sponsored by the McGuire Family. The event is always keenly contested and this year again was no exception. Three shooters came in with the perfect score of 75/75 and in the ensuing shoot off John Reid from the Guyra Club held it together to overcome Steve Kilfoyle and Peter Caldwell (both from the local club) to boast the holder of the Shield and overall winner with a score of 87/87.

Second event was the Jacaranda Mixed Classic made up of 10 targets each of Double Barrel, Single Barrel and Points score. Ted Schneider from the Richmond River Club shot an excellent score to be the only shooter to come in with the perfect score of 50/50 and so was a very happy winner and took home the Overall Sash and prize.

The day was going so well that there was even time to stop and have a quick lunch courtesy of our wonderful band of canteen ladies.

Third event was the hotly contested 50 target Jacaranda Double Barrel Championship. At the end of the 50 targets John Lisle (Walcha), Rod Gardiner (Yamba) and Brad Hooper (Kempsey) were the only shooters to come in with the 50/50. After a surprisingly short shoot off Brad Hooper triumphed and took home the Overall Sash and prize with a score of 71/71.

After spending a night camping at our Club Laurie Doyle from the Taree Wingham Club was stopped from leaving at the gate by club security and handed the Coffs Harbour/Grafton dual club Woolworths voucher for \$100.00 as the winner for attending both shoots.

With the presentation completed shooters departed for their homes after having a great day with excellent targets and great camaraderie and vowing to return to the Grafton hospitality. As the last visitor left the grounds the promised drought breaking storm bucketed down with the Grafton members who had put in a hard and enthusiastic day saying 'We made it'.

The Squire reports from West Wyalong

The October shoot at the West Wyalong Clay Target Club was going to be a long one starting with 50 targets of skeet at 10.00am and moving into 100 targets for the down the line program in the afternoon.

The organisers of the skeet were worried following the poor turnout for the 100 target event in September but they need not have been concerned as by the start time four squads of shooters had nominated with visitors from Griffith, Grenfell and Temora boosting numbers.

Although there were no possibles on the day, Graham Duncan, Mark Rosenbloom and Allan Schirmer each managed 24/25 in one of their rounds.

Mick Munro, who had just returned from representing New South Wales in the Australian Field and Game Association titles won A Grade with a total of 45/50. Griffith shooter, Mark Rosenbloom had a good day scoring 47/50 to win B Grade and Graham Duncan was very pleased to take out C Grade with 47/50.

A big thank you to Chris Patto, who again sponsored the skeet event and supplied packets of ammunition for the winners.

The skeet held things up for a bit, but Graham Duncan got cracking on the barbie and with the help of Angie Dent, Gloria Duncan and Narelle Ambrose in the kitchen everyone was soon fed and in a good frame of mind for the afternoon program.

There had been a small changeover of shooters during the meal with some of the skeet shooters leaving and down the line shooters arriving but there were still four squads on hand.

The first event for the day was 25 Target Points Score Cash Divide held under favourable conditions considering the winds of the previous few days.

Matt Patmore started what was to be a very successful day taking out AA Grade with the only possible on the scoreboard. Luke Kirkby, Clive Foster and John Wason 74/75 each pulled a second barrel and had to be

content with sharing second place. Narelle Ambrose, who has not been doing a lot of shooting lately, showed her style in A Grade 67/75 ahead of Barellan visitor, Les Irvin 66/75. Over from Wagga for the day and obviously feeling a lot better, Charlie Strike 74/75 had a good win in B Grade from Adrian Hodges 71/75.

Matt Patmore scored a possible 50/50 in the 50 Target Double Barrel along with Don Turner to split AA Grade. Narelle Ambrose 49/50 claimed her second victory for the day in A Grade and Adrian Hodges also with 49/50 was the B Grade winner.

As the squads gathered for the 25 Target Handicap everyone was taken by surprise as a whirly wind roared out of the mallee and straight over John Wason's ute. Everything in the back of the ute was scattered including an empty gun case which soared ten metres into the air spreading choke tubes and gun spares over a wide area.

It next headed towards the number two trap layout catching Graham Duncan in no man's land. Graham was left trying to hang onto his sombrero and being severely sand blasted. He was still wiping his eyes and spitting out grit half an hour later.

Next in the whirly wind's path was the trap layout where the force of the wind made the power pole holding the lights sway about and scattered the shell tubs and empty shells across the grounds. The shell tubs were sent bowling across the paddock with the two little Ambrose tackers in hot pursuit.

When things settled down a bit an emu bob was organised to try to find John Wason's gear if any finds a gun sock hanging from a tree in their backyard, John would like to hear from you. The Squire described what happened "as remarkable" John Wason's description is unprintable.

After this happened everything else was going to be an anticlimax.

Wayne Ambrose 28/28 won the Handicap from Charlie Strike 27/28 and Allan Schirmer 31/32 was third. Matt Patmore 148/150 was the High Gun on the day.

A very interesting and eventful day!

TWO DAY CARNIVAL AT SPRING BAY

On Saturday 19th and Sunday 20th October the Spring Bay Clay Target Club conducted its annual Two Day Carnival. This year numbers were down compared to last year but reading the ACTA News, that seems to be the call from many clubs across the nation.

The weather over the previous 4 or 5 weeks would not have inspired shooters either with rain and hurricane force winds almost every day but fortunately both days of the shoot were good with light northwesterly winds and temperatures around 23/24 degrees.

The first event on Saturday was the fifty target South East District Double Barrel. After the first round over the single trap there was plenty of red on the scoreboard but as the temperature started to climb and the heat rising off the lush green grass in front of the traphouse the targets became very deceptive. After all squads had gone through only one possible was on the board, that being Grant Ellis with five 49's close behind. Whilst there was no shootoff for minor placings it was good to see some of our younger competitors shooting credible scores.

A further 25 target cash divide completed the day. During the course of the day a major trap issue occurred and much was made of the manner and speed at which the club could assess the problem and change the trap in twenty minutes from the time the trap failed to the commencement of shooting again thanks to the effort and understanding of all on the ground.

After a hard day at the office, it was time for some frivolity and what better place to enjoy oneself than at the local Blue Waters Motel. The club had booked tables in advance and many of those competitors together with family enjoyed a good meal. It was also a great opportunity to give something back to the sponsors of the weekend with the club inviting representatives of Swansea/Bicheno Community Bank (Bendigo Bank), Tandara Motor Inn and Elphinstone Engineering to join us for the evening. Unfortunately the manager of Tandara couldn't make it due to staffing issues at his motel but he wished us well.

Sunday dawned warm and sunny but still with a slight tricky breeze. After most had enjoyed a hearty egg and bacon sandwich courtesy of Robert, Charmaine and Rhonda in the kitchen, the competition commenced with a 50 target South East District Points Score and once again plenty of red in the first 25 but only one possible at the end with Sandy Ellis taking the trophy, making it a husband and wife duo for the two major events. A further 25 targets points score cash divide to fill in the day and it was all over for another year.

With presentations completed everyone was on the way home by 3.30.

In conclusion many thanks must go to Cheryl, Sandy and Anita for the great job keeping the shoot running. To Rhonda, Robert and Charmaine for the wonderful food and coffee all weekend and of course Elphinstone Engineering for their sponsorship of the South East District DB on Saturday, Tandara Motor Inn for their sponsorship of Sunday's South East District Points Score and lastly to the Swansea/Bicheno Community Bank (Bendigo Bank) for the generous sponsorship of the high guns over the two days.

**See all of you in 2014!
