Presidents Notes

On behalf of the Australian Clay Target Association – Members and Executive Committee, I would like to extend our appreciation to all volunteers and staff of the Country Fire Service, Country Fire Authorities and Rural Fire Services in all States that assisted in stopping the fires that recently affected Western Australia, South Australia and Victoria. These personnel are the true heroes of today, along with volunteer members and staff of the marine rescue, the State Emergency

Service and all other emergency service agencies that are called on in times of need. There will be many more natural disasters that will call on these personnel – please support and thank them at every opportunity!

-oooOooo-

In response to an earlier "President's Message" I received a reply bringing to the Executive Committee's attention the amount of lead deposited by competitors in long 'shoot-offs'. I thank the member for the email and I print it below:

"Re the President's Message in the last ACTA magazine.

I have vast respect and appreciation for the skills required to shoot 1000 straight (something I could not even dream of) but the reality is most sports have needed rule changes as the elite perform at higher and higher levels.

The elephant in the room for me is the fact that one thousand shots is approximately 28kg of an extremely dangerous and harmful metal. To a non-shooter/green/anti-gun advocate I would think this level of deliberate

pollution to the atmosphere and environment in the name of a sport is incomprehensible in this day and age, even with our efforts to remove used lead from target grounds.

Cut down the shots and it cuts down the lead exposure in the environment. Our sport is steeped in history and tradition but we progress or we fade away."

28 kilograms per shooter! This is another reason for looking at angles/distances/targets/lead content/etc! This issue will be placed on the agenda for the June Executive Committee to look at same and if you have any input that you believe to be important relative to this issue, please contact the National Office to ensure completeness in discussion. Again, thank you for bringing this to the attention of the Executive Committee.

At the last Executive Committee meeting a proposal was put forward to further recognise Macintosh Team members by presenting each member, in the order of qualification, a specially struck badge with the individuals "number". This idea is not new, it is used in several sports (as example cricket) to identify when members achieve international representation level. These distinctive badges will be designed and struck in the next 12 months and delivered to eligible members. Members that make the Macintosh Team for the first time in future years will be presented with their badge at the National Carnival.

There was also discussion regarding the barcoding on handicap books, these having been removed for the 2015 year. The scanner system has been used by numerous clubs until now to quickly facilitate shooter information into shoot programs. Advice is, that the new on-line registration system is web based and as a result too much information on individuals would be made available to shoot secretaries. This issue is being looked at by the developers and if at all possible will be reinitiated in the future.

Also brought to the attention of the Executive Committee was a proposal to reinstate the "rolling percentages" for grade handicaps. After consideration within the meeting it was resolved that the current grading system stays in place with no change.

I also report to members that the Executive Committee reviewed the "Commonwealth Carnival" format. It was previously proposed to change the events to 1 – 5 placing's only with entry fees to be set at \$100 per event. After discussion with competition members at the last Commonwealth Carnival in Kingaroy Queensland this issue was readdressed by the Executive Committee. I can inform the membership that the carnival will be retained in its current 'graded' format with nomination costs set by the host State.

A reminder to all members that Executive Committee minutes are placed on the ACTA website for all members to view. Please go to www.claytarget.com.au to look at this and any other ACTA information.

I hope that all members are enjoying the friendship and competition that clay target brings to each of you. Remember – all shooting is good shooting!

Stay safe!

Executive Officer's Report

The 2014 year commenced with the very sad passing of National Vice-President Mr Ron Traill. Ron was a very respected and much loved member of the Association and the sport for most of his life. Ron's contribution to the Association cannot be detailed in such a short report, needless to say we all miss Ron's contribution to the Association as a whole and particularly his knowledge of the rules (and the spirit of those rules) and the National Championships. For all those who knew Ron personally he was a gentleman in the true sense of the word and is never far from our thoughts.

Our National representation continues to be of the highest level with the National Trap team attending the World Championships in Hamilton New Zealand with great result detailed in the full World Championships report. The governing body of the International Clay Target Shooting Federation went through substantial change in 2014 with the resignation of President John McCormack of Ireland. Unfortunately John was unable to continue due to workplace legislation in Ireland. Vice President of the Association at the time Mr. Robert Nugent stepped into the breach and continues to provide leadership and direction to the ICTSF through to their next meeting in October 2015.

We welcomed to the National Executive, Mr. Malcolm Dyson from Victoria and Mr. Don Power from NSW. Both Malcolm and Don settled in very quickly immediately being active contributors' to the Association through various sub-committees and as part of the Executive Committee.

My thanks to all of the volunteers who selflessly contribute their time Clubs, Zones and State Associations. Without these people, and those on the Executive Committee who give up their time and holidays to assist this Association we would not be in the position we are today. To all of the sponsors of the "Nationals" we appreciate your support of our National Events and the competitors.

Suzy Balogh commenced in the position of Coaching Director in April 2014. Suzy has already made a powerful impact in the area of Coach Development/Accreditation as well as attending Junior Coaching camps and implementing the ACTA Academy for Nationally recognised Junior's. This is only the beginning of the rebuilding of Coaching numbers and providing a structured pathway for both Coaches and Junior athletes. I take the opportunity to thank the Management and Board of Shooting Australia for their support of the Junior program and Coach education, a very worthwhile investment that will reap rewards in the future.

The new data-base was launched in November with Clubs and State Secretaries now having greater access to membership data as required. The further development of the data-base and new website will bring the ACTA in line with the most modern sporting organisations in Australia.

I wish to take this opportunity to thank the staff of the National office, it was a huge year for them as we firstly spent many hours discussing, revising and developing the template for the data-base. This process was a great deal more complicated than first thought. For us with limited knowledge of the IT requirements however a great deal of

knowledge about what we required it took a great deal of patience and co-operation to get the finished product. It was a true test of their perseverance along with still performing their normal duties as required.

Our new alliance with the Media and Arts unit of Charles Sturt University has already produced dividends with coverage of the National Trap Championships in April in what were very trying conditions for them to operate. The continuation of this project will continue in 2015 with expanded coverage of events including the National ISSF Championships in January.

AUSTRALIANCLAY TARGET ASSOCIATION

Open letter to all ACTA Members from ACTA President, Allan Vilcins

Over the past ten years that I have been on the Australian Clay Target Association Executive Committee, I have heard continuous complaints regarding the selection criteria for representative teams for ISSF shooting. This form of clay target shooting is commonly referred to as the "Olympic" disciplines. These complaints are from a group of shooters that predominantly shoot 'double trap' and 'ISSF trap'.

For completeness, the Federal Government introduced the Australian Shooting Association (ASA) to oversee the utilisation of Federal monies and to report back to government as to its use. This organisation later became "Australian International Shooting Limited" (AISL) – now trading under the name "Shooting Australia" (SA).

The Federal Government has a sports body reporting to the Federal Minister for Sport – this body is the Australian Sports Commission (ASC). The Australian Sports Commission oversees all sports that receive funding from Federal monies and as a result set up the organisation, Shooting Australia. All monies go to SA – not directly to the ACTA and as such are auditable by the ASC.

Enquiries made also found that the International Shooting Sports Federation (ISSF) will only recognise one shooting body, Shooting Australia. Shooting Australia has five member bodies, including pistol and rifle with one being the ACTA.

Since the introduction of the ASA and AISL, selection for competitors into international events has resulted in specific requirements prior to selection. These have tightened over the years and until last year, utilised a specific score that had to be reached prior to selection to represent Australia. This was referred to as the "PQS".

A representation by the ACTA Executive Committee to Shooting Australia resulted in changes. One includes – at qualification shoots, "shoot the required score and win the event and you can represent". This is open to everyone. If the reader of this letter is a member of the ACTA and shoots a qualification score and wins the (nominated) event – they are selected. If no one does so, then Shooting Australia, mandated by the Federal Government utilises set selection criteria to choose representative shooters. This gives both a subjective and objective selection process.

I can only speak for the last ten years. During this time the Executive Committee each year has made enquiries with the Australian Sports Commission and the Australian Institute of Sport as whether the ACTA can become its own National Sporting Organisation (NSO). I have, with the Executive Officer made personal representation in Canberra to the ASC and AIS to attempt same – however with the response of a blunt "no". Their response, as at the last Executive Committee meeting held in December 2014 was again no – the only organisation that the Federal Government, ASC and AIS will recognise is Shooting Australia. They have made it distinctly clear that they will not deal with four or five separate shooting bodies. Only the one they put into place.

Shooting Australia is required to report to Government through the Australian Sports Commission as to targets that they set. Shooting Australia, a "Company Limited by Guarantee", has a requirement to report to member bodies – as they do on an annual basis through their "annual report".

The last annual report of Shooting Australia submitted to the Australian Sports Commission included medals from four shooters that attended the 51st World Championships in Grenada, Spain. Two of these shooters excelled in junior World Championship competition / and ladies competition at a Grand Prix, conducted at the World Championships. In consultation with the Australian Sports Commission I have ascertained that they have no issue with the report and understand clearly its content. They also were aware that these medals in their own right are meritorious in their achievement and commend the winners. Again for completeness, the target set by the Australian Sports Commission for this event was Minimum 0 – Maximum 1 medals. Medals achieved - 4. The two medals mentioned are also included in this total.

I must also point out to members is that the ACTA is responsible for domestic competition only, this being local, State and National competition. Selection for Commonwealth Games, Olympic Games and World events is the responsibility of Shooting Australia – endorsed by the Australian Sports Commission. Selection policies adopted by Shooting Australia must comply with the rules set down by the Australian Sports Commission with policies being developed by the SA High Performance Committee. The High Performance committee is an advisory committee only and contains twelve persons – we only have one representative, who even though may argue for changes to our position gets one representative vote. The final decision is binding however on all member bodies, regardless of the decision made – voted for or against by our member. Once policies have been made by the High Performance Committee, they make recommendation to the SA Board who then forwards same to the ASC. These are then forwarded to the Commonwealth Games, Australian Olympic Commission and Paralympic Games organisation for their input and ratification, before any changes can be made to any policy.

At the last Executive Committee meeting held in December two representatives of ISSF shooters attended the meeting and made a presentation to the Executive on their belief as to how ISSF in Australia should be conducted. Not only was it an interesting and informative session, it placed a whole new perspective on how selections for international representation should be made. One of these submissions is that there should be a 'first past the post' system in place. There is merit in their submission and there are just as many arguments for as against. As a result of this submission, the Executive Committee voted to allow three co-opted members onto a newly formed sub-committee of the ACTA, being the International Shooting Committee. This committee was to include the three co-opted members and three members of the

Executive Committee, allowing for a balance between administration and competitors. This however as at the time of writing this letter was deemed untenable to the group of shooters. One thing that must be remembered always is that the ISSF co-opted shooters are not Directors of the ACTA and are not responsible for decisions made. There is always under the Associations Incorporation Act, a requirement for ratification by the Directors of the Association to ensure member's interests are upheld. To allow non-Directors to make decisions on behalf of the association can be extremely damaging to the membership should civil litigation commence.

Where to now?

I ask that there be further communication to rectify ISSF issues as it is an extremely important sport to the membership of the ACTA.

This issue is over ten years in the making. One idea of the ISSF shooters was to disaffiliate with Shooting Australia and force the hand of the Australian Sports Commission. Where does that then leave our 'up and coming' shooters that may be looking towards Commonwealth, Olympic or World representation? If there is no dialogue between Shooting Australia and the ACTA, and, the Australian Sports Commission continues to refuse to recognise the ACTA as a National Sporting Organisation, this equals no selections and no funding. Therefore no overseas representation by our organisation. Think about it – no Commonwealth, Olympic or World shotgun competitor attendance by ACTA members.

I do however believe in transparency, in administration and competition. There may be a better system that complements our athletes yet fulfils the Australian Sports Commission requirements. I will always work towards an amicable resolution towards this and other ACTA issues. I hope that this can continue in the future.

I ask that this committee at least meets to discuss this matter with a view to resolve this issue to the satisfaction of ACTA members through consultation with all parties.

Unfortunately some damage has occurred as a result of social media. Some members of the ACTA may be brought before a Judicial Hearing to explain the posts they have created. Others may receive a letter outlining their poor behaviour and cautioned about future behaviour, and I am of the belief that others may be summonsed to civil proceedings. I have cautioned members numerous times of the pitfalls of social media and again warn of the dangers.

Further to this, I remind members that there are rules for all ACTA conducted competition that must be adhered to. If the rules state a clothing rule, then it will be adhered to for ACTA competition. If it states an ammunition maximum load, it will be adhered to for competition. Breach the rule and you will not be permitted to compete. Furthermore every member is reminded that at no time will the following be tolerated on any ACTA facility, by any person. Behaving in a rude, offensive, aggressive, demeaning, racist or discriminatory manner - to any person, official, volunteer or other competitor.

In other words, "play by the rules". If you don't wish to – don't attend. As always, I am open for discussion by email at president@claytarget.com.au or phone 0439584531.

Allan Vilcins, ACTA National President.

Inaugural Dave Harley Memorial

Mt Bogong Clay Target Club held the inaugural Dave Harley Memorial 50 Target Double Barrel Event on Sunday 4 January 2015 with a pleasing 38 shooters in attendance.

Painting of Dave Harley by member Alex McGregor

Dave Harley sadly passed away in September 2014 and will always be remembered as a hard working member of the Mt Bogong Clay Target Club. Dave held various executive positions as Secretary, Treasurer and Trap Master during his time with the club.

Dave was a regular visitor at Albury, Wangaratta and Corowa gun club shoots and was a keen participant at the Veterans Games held at Wagga Wagga, often achieving a place on the podium. Dave was always willing to promote junior involvement and was generous with his time providing tips and coaching to anyone interested in the sport.

Dave was a true gentleman and will be sadly missed. He will always be remembered at the Mt Bogong Clay Target Club with the establishment of the Dave Harley Memorial 50 Target Double Barrel event which will be held in January each year in his honour. Rest in peace Dave.

Overall winner was AA shooter Daryl Hunt (113/113) after a shoot-off with AA Grade second placegetter Bryan Bockman (112/113). Other Grade winners were A Grade Kevin Jones (50/50), B Grade Jason Elkington (49/50) and C Grade Les Butler (39/50).

Daryl Hunt OA Winner Dave Harley Memorial with Jim West (Pres)

Winners were thrilled to receive a leatherman as their prize (kindly donated by Kevin Jones) as Dave was known to never go anywhere without one in his pocket.

The second event for the day was the 25 Target Handicap which was reduced to 15 targets due to the large number of shooters and time constraints. A number of shooters shot the possible and the winner of the event after shoot-offs was Gary Evans (30/30) from Phillip Wojtowycz in second (29/30) and third Doug Sutherland (26/27).

Thanks to all who attended for making the day such a great success and thanks also to this month's shoot sponsor Crowe Horwath.

Queensland State Skeet Carnival

PIONEER CLAY TARGET CLUB
SEPTEMBER 19 – 21, 2014

It's always exciting to have a new venue for a State Carnival and the Pioneer Clay Target Club in Mackay delivered all the goods. With a great turnout of 71 shooters, the club provided excellent layouts, targets, camping facilities and amenities, first class food and a terrific team of workers. Along with the perfect weather conditions our carnival was off to a great start.

The club conducted the Multigauge Championships preceding the carnival with Craig O'Neill winning overall with 194/200, terrific shooting across the four gauges. John Rodden won overall in the 28 gauge, Laurie Chelepy in the 12 gauge and Craig in both the 20 gauge and 410. 44 shooters contested these championships so well done to all competitors.

The carnival kicked off with the 50T State Skeet Handicap with 8 possibles coming in. Craig O'Neill shot 158/158 to outlast the lower grades and take the sash and silver Queensland badge. Roma's John Cormack came in 2nd with 153/158, Townsville members Errol Reeves and Ian Palmer were 3rd and 4th respectively shooting 135/140 and 119/130, and local Adrian Ward finished in 5th place with 99/110.

100T State Skeet Championship was the next event on the card

Old Skeet Champion
Antony Ballarino

and the final qualifying event for the State teams. With no possibles recorded Laurie Chelepy won the title with 99/100, also taking the sash, prize and silver Queensland badge. Grade winners in this event were Mark Fanning AA grade 110/112, Errol Reeves A grade 97/100, Malcolm Bell B grade 97/100 and Brett Brown C grade 89/100. Sash winners in the sections were Antony Ballarino for the Juniors 97/100, Debbie Young Ladies 93/100 and John Pethybridge Veterans 96/104.

Event 3 was the 50T 20 Gauge Championship and we sincerely thank Laurie Chelepy and the many other well equipped shooters who loaned guns, chokes, barrels and ammunition to allow other shooters to compete in this event. Caboolture's Craig O'Neill featured once again to win overall with 58/58, closely

20G OA Champ
Craig O'Neill

followed by Port Denison's Antony Ballarino, 1st in AA on 58/60. Jake Beveridge from Melbourne shot an impressive 57/58 to take 1st in A grade with Dave Jones, Bairnsdale 1st in B with 49/50 and Glenn Reeves winning C grade 48/54. Vere Storch won the Ladies 47/50. Jake took home the Junior sash and Sam Smith from Brisbane won the Junior trophy with 48/50 and Dysart's Tony Long was the best Veteran 49/50.

The weather remained kind to us throughout as we finished with the State Doubles Championship in which 69 shooters participated. The only possible was shot by John Cormack who kept his focus, and that permanent smile, to take the championship title, sash, prize and silver state badge. Brilliant shooting by so many juniors in this event who came in with really impressive scores: On John's heels was Thomas Rhue who won AA with 49/50 with Sam Smith 2nd in AA on 52/54, Jake Beveridge won A grade with 49/52, Aislin Jones took the Ladies sash shooting 44/50, Thomas won the Junior sash and Antony Ballarino won the Junior prize with 47/50. Clear to see there are some great young skeet shooters coming through the ranks in all states. Other winners were Rockhampton's Michael Chelepy 1st in B grade with 48/50, Jason Phillis 1st in C with 44/50 and winner of the Vets prize, Laurie Chelepy

SEZ Veterans Team 67/75: John McLennan, Kel Madsen & Guy Bedington. Well done to the Western Zone juniors who won their team category, WZ Junior Team 53/75: Max Johnstone, Brodie Hewitt & Kurt Waldron. Thank you to the Zones for submitting teams for this competition.

Well done to all shooters who earned a place in the Queensland Postal Teams at this event. Open Team: Antony Ballarino, Laurie Chelepy, Mark Fanning, Dave Dundon, Errol Reeves, Craig O'Neill, Thomas Rhue, Glenn Walker, Laurie Rodden, Matt Rhue, Sam Smith, Chris Barber, Malcolm Bell, Theo Pieterse & Tim Dodds. Team members to compete at the Nationals in 2015 are as follows: Open Team – Antony Ballarino, Laurie Chelepy, Dave Dundon,

Section HG winners Tony Long, Aislin Jones & Thomas Rhue

with a record score for this award of 438/450, well done Craig. The 2 Person Team was won by master and protégé duo Laurie Chelepy and Antony Ballarino 502/516. Section High Gun winners: Ladies – Aislin Jones 229/250, Junior – Thomas Rhue

257/264, Veterans – Tony Long 223/250.

The sash, gold Queensland badge, prize and perpetual trophy for Overall High Gun for the Carnival went to Craig O'Neill with 285/292. Craig maintained his brilliant form the entire weekend to take the top prize with very impressive performances in every event. Congratulations Craig, well done and great shooting.

We would sincerely like to thank John Rodden and the entire team at the Pioneer Clay Target Club. Competitors and visitors were so impressed by the great facilities, wonderful hospitality and friendly service throughout the weekend, and we realise many club members were unable to compete due

Grade HG winners Laurie Chelepy, Matt Rhue, Theo Pieterse & Ian Palmer

to their work commitments for this carnival. Kitchen and bar staff worked tirelessly to cater for everyone and it was lovely to be treated to homemade delicacies all weekend. The grounds and targets were a credit to the hard work put in by all club members and the competition ran like clockwork. Thank you to trappers, ground staff, committee and club members and all who helped make this carnival such a success.

We would also like to thank Peter Ballarino, Dave Jones, Jaco Pieterse

and Marie Carmody for contributing photos for this report. It was terrific to see that so many interstate shooters travelled long distances to support our carnival and this great club, along with Skeeties from across Queensland. Congratulations to all winners and team members, and thanks to all who came to compete and add to the terrific atmosphere of this event.

Bendigo – where else would we celebrate Australia Day?

BENDIGO CLAY TARGET CLUB
JANUARY 26, 2015

102 Shooters took the opportunity to celebrate Australia Day at the Bendigo Clay Target Club in near perfect weather conditions. In AA we had 46, A grade 23, B grade 13 and C grade 20, 13 Veterans, 9 Ladies and 12 Juniors made up the sections.

The day started with all shooters determined to make a name for themselves and better any previous personal score.

The aim of all shooters was to win the \$500 cash Handicap sponsored by Go Pest. 7 shooters recorded a perfect 25/25 but 3 shooters in the shoot off failed to make it 26/26. First place and the cash went to Thomas McGrath (Alexandra) on 37/37. Junior lady shooter Matisse Appleby (Bendigo) took 2nd place, 3rd to Wedgy (AW Legend) (Bendigo) with a score of 30/31 off 25 metres. Father and son, Daniel and David Demasi (Colac) filled fourth and fifth places.

The major event of the day with 4 O/U shotguns sponsored by GFD Firearms (Kyabram) for each grade winner commenced at 2pm with everything

Ashley Bolwell – Overall winner in the GB/Corsivia Points Score Championship with Luke Torney, Bendigo President & Col Macpherson representing GB/Corsivia

The first event was a 25 target Points Score Championship and at the completion of qualification, 5 AA shooters had recorded the perfect 75/75, however the shoot off was to last only 10 targets.

The Overall Championship winner, Ashley Bolwell (Central Wimmera) score of 105/105 saw him with 500 GB shotshells. Runner Up in AA was Geoff Palmer (Colbinabbin). A Grade and a further case of GB shells to Michele Rocca (Frankston Australia) on 101/102 and second place was Carl Comensoli (Cohuna). The B Grade 1st place went to Gary Salvaggio (Castlemaine) on 72/75, and John Barklam (Melbourne) was second. A delighted Josh Knight (Bendigo) was the winner in C Grade shooting a score of 69/75 from Callum Lonergan (Tumut).

Bendigo Secretary Glenn Woodhatch with Tom McGrath Overall winner of the Australia Day Go-Pest Handicap

Points Score grade winners – C grade Josh Knight, B grade Gary Salvaggio & A grade Mick Rocca

Handicap place winners – 2nd Matisse Appleby, 3rd Bill Eagle, 4th David Demasi & 5th Daniel Demasi

Overall High Gun Brian Taylor, with President Luke Torney

Bill Eagle, representing GFD Firearms with Double Barrel Overall winner Laura Woolley

Section winners – Veterans Jim Shepherd, Juniors Thomas Pilgrim & Ladies Laura Woolley

Only 5 targets later local girl, Laura Woolley was ecstatic to win Overall and AA. Peter Mills (Frankston Australia) was second in AA. Club and Zone Handicapper Peter Beaman (Loddon District) with a score of 40/41 was the A Grade winner with Russell Black (Warracknabeal) second. B Grade went to Geoff Hill (Woods Point) on 31/32 and Denis Hannigan (Boort) shot 32/34 for 2nd

running smoothly. At completion of qualification 26 had recorded possibles. The shoot off commenced with 10 targets from each of the 4 traps used during the day. After these 40 targets, 5 shooters were still with the chance of taking home a new shotgun.

placing. After shooting a possible Barry Smith (Beaufort) shot a further 5 targets to comprehensively win C Grade. Second placing in C grade went to Luke Tyson (Mildura) with a score of 31/33.

In the High Guns Jim Shepherd (Maryborough) secured Veterans shooting 132/140. A score of 128/130 won the Ladies for Laura Woolley (Bendigo) and the Juniors for Thomas Pilgrim (Ararat).

The Overall High Gun was a 4 way shoot off for Laura Woolley, Brian Taylor, Ray Peatling and Thomas Pilgrim. After a great shoot off the title went to Brain Taylor (Bendigo) on 153/155.

The success of the day is most dependant on the support of our fantastic sponsors and with this in mind Bendigo Clay Target Club introduced a policy some time ago of not allowing prize winners to collect their winnings prior to presentation. This policy is most successful and a clubroom full of shooters and friends at the end of the day made the presentations that more enjoyable and meaningful for everyone involved.

We wish to sincerely thank GB Corsivia, Go Pest and GFD Firearms for their outstanding support. The Club would also like to thank Margaret, Barbara and Darren for keeping everyone well fed and Rod, Peter and Brendan for ensuring the office ran smoothly. On the tracks, Luke, Sterl, Brad and Brian saw that the traps were continually loaded and that the shoot flowed like clockwork.

Double Barrel grade winners – B grade Geoff Hill, A grade Peter Beaman & C grade Barry Smith

VCTA South East Zone Trap Carnival

MELBOURNE GUN CLUB
SEPTEMBER, 2014

The Zone DTL Carnival was conducted at the Melbourne Gun Club in September on a clear day with a slight breeze. The grounds looked just great and a credit to the Club President Darrel Jonson and his Committee.

The pre-nom, pre-squad system was working well with the 9am start time in place and working. There were 141 shooters in attendance making up 22 Teams and 5 Junior Teams.

Handicap winner Andrew Aquilina with Lynne Curtis

Event one, the handicap, saw seven possibles and after ten shoot off targets there were two Andrew Aquilina and Gavin Boyd, with Andrew the winner 42/42 and Gavin second 41/42. John Robinson was third 30/31 with John Mollica the Back Marker and James Steevens 24/25 the Junior Front Marker.

SEZ D/B winner Geoff Aston

Event two the 25 Tgt Double Barrel had seven full squads of possibles and it took 100 shoot off targets to get down to one squad, then another fifty to get to the last two, Geoff Aston and Hecta Crawford and that was the order in which they finished Geoff overall 118/118, with Hecta first in AA 180/181. Josh Spicer was second in AA 161/162, A I Findlay 127/128, T Eden 125/126, B B Cole 41/42, M Hutchins 29/30, C R Risley 24/25, T Morgan 28/30, Ladies I Gladman 109/110, Jnr T Eden 125/126.

With the D/B now completed the Team section on the day was won by Frankston Australian #1. Team members were M Bravin, D Hutchins, C Galea, J Kalaboukas and L Curtis with a total 240/250, ahead of Melbourne A2B 236 and Mornington Red 234. Wonthaggi Juniors took the day with 94/100 T Eden and J Steevens, this win also gave them the 2014 series 459/500.

The Open Team round 1 winners where Frank/Aust, round 2 Mornington, round 3 Morwell, round 4 Mornington and the final Frank/Aust.

The series 2014 went to Melbourne 1190/1250. The Series High Overall was Lance Cazaly 246/254. Series H/C, Bonnie Rowland 121/125. Series D/B was

SEZ S/B winner Sox Pilipasidis

Mitch Foon with the only clean 125/125. Series Junior, Bonnie Rowland 230/254.

Event three, the 25 Tgt Single Barrel, had twelve possibles and after a fourteen target shoot off it was Sox Pilipasidis 39/39 Overall with Andrew Brady 38/39 first in AA, Don Rhodes 35/36 was second. A J Mollica 30/31, B Rowlands 29/30, B I Esplin 24/25, P Pingham 22/25, C N Ianios 23/25, R O'Hagan 22/25, Ladies B Rowland 29/30, Junior J Wilson 32/33.

The last event was the 25Tgt Points. This was still being shot under very good conditions and produced just one squad of clean scores, this was reduced to two shooters after the first bracket of 25 shoot off targets, Jaymie Zechner 183/183 was the Overall winner, with first in AA Brendon Jones 180/183 second in AA was Geoff Aston 150/153. A J Mollica 105/108, T Eden 74/75, B W Sou 71/75, B Cole, C R Wilson 71/75, R O'Hagan 70/75, Ladies L Hawker 74/75, Junior T Eden 74/75.

SEZ P/S winner Jaymie Zechner

John Mollica Carnival High Gun, Bonnie Rowland Series Handicap High Gun, Mitch Foon Series D/B High Gun

Carnival High Gun was John Mollica 149/150, Ladies High Gun Lisa Hawker 148/150, Junior High Gun Matthew Hollingworth 145/150.

Zone Open team: F Santoro, J Spicer, A Crawford, M Foon & P Haslam.

Junior Team Wonthaggi, J. Steevens & T. Eden, Carnival & Series winners

Lance Cazaly Series O/A High Gun

SEZ Open Team, L-R: F. Santoro, P. Haslam, J. Spicer, M. Foon, A. Crawford

SEZ Ladies Team, S. Lennane, I. Gladman, S. Gamlin

SEZ Junior Team, B. Rowland, J. Clerke, T. Eden

Ladies team: I Gladman, S Lennane & S Gamlin. Junior team: T Eden, B Rowland & J Clerke. Veterans: B Woodward, C Carrol & J Barklem.

Many thanks to the Melbourne hard workers on the score board, who also with the help of the change from the sweeps, managed to raise \$208 for the Royal Children's Hospital, well done.

SEZ Veterans Team, W. Woodward, C. Carrol, J. Barklem

The attendances for the year were great with an average of 137 over the 5 events. This was a great return for this popular series. The Zone Council wish to thank our many supporters and the Carnival Sponsors, Faranda Brothers, Preston Earthmoving, PM Excavations, John Rowe, Allcom Constructions, Three Point Constructions, Impact Specialised Building, Ashton Steel, Sonora Sports and Beretta Australia for the Carnival as well as all the Team rounds during the year. These much appreciated backers help to put together this very successful Premier Teams Series.

Good shooting to all those who participated during the year and we will meet again and do it all again in 2015.

Annual Spring Fling 150

LOWER NORTH CLUB DECEMBER 21, 2014

On Sunday 21st December, Lower North Gun Club celebrated a great year of shooting with their annual Christmas shoot. Even though it was hot and windy, 34 shooters came along for a free Christmas lunch and a mixed program of shooting, pool and darts.

The first event was the 25 Target Christmas Handicap won by Bob Cook with 41/42, 2nd Rito Borzillo with 40/42, 3rd Daniel Morgan with 39/41, 4th Brian Thomas with 33/35 and 5th Sean Coffey with 33/35.

The second event was the 30 Target Points Score Challenge and Pool & Darts won by Dino Olivero with a score of 105, 2nd Bob Cook on 108, 3rd Barry Duncan on 110.

The final event was the 25 Target Mixed Metre. AA grade was won by Dino Olivero with 40/41, 2nd Brian Thomas with 39/41, 3rd Martin Collumb with 28/30. A Grade was won by John Byrnes with 25/25, 2nd Bob Cook with 26/29 and 3rd Max Pontifex with 25/29. B Grade was won by Les Francis with 24/25, 2nd Luigi Ciaramellano with 22/25 and 3rd Daniel Morgan with 22/26. C Grade was won by Rocco Spinella with 21/25, 2nd Sean Coffey with 19/25 and 3rd Dean Grimmond with 18/25.

Overall High Gun for the day was won by Dino Olivero with a score of 157 and Junior High Gun was won by Fred Wheaton with a score of 133.

Prizes for the day were sponsored by Lower North Gun Club and by club member Loretta Aikins, who each year provides a beautiful array of gifts accompanied by a ham, turkey or duck.

Lower North Gun Club once again presented Aggregate Champion Awards to an adult and junior shooter for 2014. The Aggregate Junior Champion is sponsored by Robert and Linda Andrews of Mundulla, who also sponsor each Junior High Gun winner throughout the year, and is presented for the most Junior High Guns won for the year - it went to Jack Tapscott who won 9 of the 11 High Guns in 2014.

The Aggregate Club Champion is decided from points awarded for wins, places in events in each grade and for overall wins and High Gun wins.

John and Sue Byrnes with Aggregate Club Champion Greg Tapscott

This award is sponsored by John and Sue Byrnes of Waikerie, who also provide a much coveted handmade wood turned clay target trophy for each High Gun winner throughout the year – the 2014 Aggregate Club Champion went to Greg Tapscott.

Everyone had a fantastic day and went home with arms full of prizes with the promise of more great shooting to come in 2015.

Tom Turner Memorial Shoot

CESSNOCK CLAY TARGET CLUB

NOVEMBER 1, 2014

Robert Thompson with the Turner Family and his new .223 cal Marlin Rifle.

The biggest event on the Cessnock Clay Target Club was on again. The shooting facilities were better this year than ever thanks to the hard working committee, new concrete paths to each trap, new phono pulls, a couple of new traps and an even more comfortable club house with improved kitchen facilities. The grounds were full of campers. Everyone was guaranteed a good time no matter their score.

Mainey cooked breakfast while Ruth began the task of recording the nominations and organising the squads.

The clock struck 8:30am and the first squads were called to the traps for the 25Tgt Points Score, sponsored by KC Tools, as the morning haze lifted. After the 111 shooters had done their best there were eight possibles to shoot off. The shoot off saw Bill Baratto (114/114) the overall winner over Paul Turner.

Results Event 1: OA Bill Baratto (114/114), AA 1st Paul Tuner (113/114), 2nd Frank Seve (98/99), A 1st Elton Chetcuti (95/96), 2nd Anthony Azzopardi (92/96), B 1st Darren Whipps (74/75), 2nd Jason Hancock (88/90), C 1st Anthony Snow (80/81), 2nd William Waite (78/81).

The 2nd event was 25Tgt Single Barrel and under perfect conditions there were 9 possibles. The shooters with possibles were squared and the shoot off got under way. The old fox Garry Rootes held off an in form Peter McDonald to take the overall 82/82 and the Adina watch sponsored by O'Neill's Jewellery.

Results Event 2: OA Garry Rootes (82/82), AA 1st Peter Mc Donald (81/82), 2nd Robert Thompson (38/39), A 1st Robert Machul (43/44), 2nd Bill Baratto (47/48), B 1st Jason Hancock (28/29), 2nd Travis Edwards (27/29).

C 1st Anthony Snow (26/27), 2nd Luke Glynn (25/27).

The 3rd Event was 50Tgt Double Barrel and it was no surprise that there were 15 possibles with the conditions and quality of the targets thrown. The squad sheets were prepared and the shoot off started squad fashion 10 targets from each trap starting on Trap 1. With the pressure on there was a steady stream of shooters walking back to the club house shaking their heads. Kyle Walton let his 121st target slip by to allow Vito Balliana to take the overall trophy sponsored by Nioa and Arms & Ammo.

Results Event 3: OA Viti Balliana (121/121), AA 1st Kyle Walton (120/121), 2nd Graham Baylis (78/79), A 1st Shane Pinkerton (94/95), 2nd Bill Baratto (81/82), B 1st Nicholas Snow (96/97), 2nd Veli Sirtlan (63/64), C 1st Jack Turner (53/54), 2nd Luke Glynn (49/50).

That was the shooting done for the day and the ladies in the kitchen shifted up a gear preparing the seafood meal that has become another signature of this shoot. Meanwhile Beau, Brett and Shannon were getting the boards set up for the big Calcutta auction and Ruth and Dave were in the office resquading everyone to minimise walking and allow the phono pulls to be used with a minimum of disruption/distraction in the next day's handicap event. Needless to say everyone had a great night, some went to bed early some did not.

Sunday morning and Mainey and his team were at the BBQ early cooking breakfast because it was an 8:30am start. The squad sheets were ready and the sun put everyone on notice that it was going to be a scorcher.

Event 4 the first event of the day was 30Tgt Points Score. There were 10 possibles after the 114 shooters had done their best in perfect

Paul O'Neill, Peter Larcombe (holding his new rifle and the Ces Barnard Shield) and Tom Turner Jnr

Tayah Turner and Peter McDonald winner of the Spika safe

conditions. The shooters were squared for the shoot off that started on trap 1 with 10 targets per trap. The shooters knew that to pull a second barrel was the same as a miss in this company. Finally it was down to just two, Peter McDonald and Tony A who pulled a second on his 60th target to give the overall to Peter McDonald. For his effort Peter picked up a fire proof gun safe sponsored by Spika with the rest of the trophies sponsored by Arms & Ammo.

The results Event 4 were: OA Peter McDonald (180/180), AA 1st Tony Arvanitakis (179/180), 2nd Nick Xenos (101/102), A 1st Craig Main (132/135), 2nd Kevin Pearce (116/117), B 1st Beau Brown (102/105), 2nd John Moutopoulos (86/90), C 1st William Waite (87/90), 2nd Bayly Lynch (83/90).

The stage was set for the big one of the program, the Ces Barnard Memorial Handicap, with thousands of dollars of prizes, sponsored by Arms & Ammo, on offer. After 30 targets there were 15 possibles and the squad sheets were drawn up while the final wash up of the Calcutta was sorted. The heat

ANNUAL TWO DAYS OF TRAP

COFFS HARBOUR CLAY TARGET CLUB JANUARY 3-4, 2015

Coffs Harbour Clay Target Club on the annual 2 day down the line shoot held on 3 and 4th January 2015, with 1 of the main attractions being a Quintrex Boat, trailer and Motor up for grabs with every one that shot the program going in the draw.

With recent rain and a couple of dedicated members the grounds were a picture as well as our resident wild life being the centre of attention.

We borrowed 2 Canterbury traps from Grafton so we could throw identical white flyer targets, the traps and clays worked perfectly all week end, a big thank you to Grafton and their Trap Mechanics for helping us set up the speed distance angles etc.

We had shooters from 35 separate Clubs with shooters coming from South Australia, Victoria, Queensland and all over NSW, with 110 shooters in total, the first event was a 25 target eye opener with a large number of shooters sharing in the spoils.

Nick Tanner and Scott Smith after the shoot off for overall

The 2nd event was a 30 target single barrel, first C grade, Trent Hohn 2nd June Sainsbury, B grade first Nancy Davis, 2nd Megan Wilkins, A grade, first Nick Tanner, 2nd Dennis Walsh, AA first Peter Brenton, 2nd Jeff Richardson.,

The 3rd event was 50 target double barrel, winners were C grade, Chris Kachel, 2nd was Dean Field, B grade, 1st Gerard Sainsbury, 2nd Leah Beaumont, A grade 1st Romeo Spagnolo, 2nd Mick Wilkins, AA after a long shoot off 1st Tom Turner, 2nd Jeff Richardson.

President Dean Short presenting overall medal to Scott Smith

Sunday the 4th event was 50 target points score, winners were C grade Trent Hohn 2nd Russell Sainsbury, B grade 1st Dean Field, 2nd Arthur Walker, A first Nick Tanner, 2nd Dennis Walsh, AA 1st Justin Turner, 2nd Dale Ellis.

The 5th event 45 target champion of champions shot off 18 metres, winners were C grade first Adam Hone, 2nd Graham Jones, B grade, Nancy Davis, 2nd Jason Bennett, A grade, 1st, Nick Tanner, 2nd, Phil Ryder, AA grade 1st, Pat Guida 2nd Peter Brenton.

Overall High Gun winners were, C grade, Jason Bennett, B grade, Theresa Montgomery, A grade Nick Tanner, AA grade Dave Edmonson, overall winner was Scott Smith.

Junior High Gun was Courtney Watt, Ladies High Gun Tammy Henshall, Veterans High Gun John Lisle.

The boat motor and trailer donated by jetty boating was won by Peter Holmes. It was by far the best attended shoot in recent times with a large number of families taking the opportunity to camp and spend time at our beaches before the shoot.

A special thank you to our sponsors who were mentioned and named during the shoot, and with a display of their banners,

DTL captain, Barry

Tom Turner Memorial Shoot

was on, the mercury was hovering at 40+, and the pressure of the competition started to show. John Maxwell from 25 metres showed us how it is done but missed his 11th shoot off target to take 5th prize. Two targets later Elton Chetcuti missed and picked up 4th prize and it was down to three. Brad McCudden was making the front markers walk but it was to no avail as his 52nd target hit the ground in one piece. Jason Hancock and Peter Larcombe slugged it out for another ten targets before Jason let one get away. Peter Larcombe picked up 1st prize of a Lithgow .22 calibre rifle with a well shot 62/62.

The results Event 5 were: 1st Peter Larcombe (62/62) (Lithgow .22 cal rifle), 2nd Jason Hancock (61/62) (Marlin .223 cal rifle), 3rd Brad McCudden (51/52) (Powabeam Driving lights), 4th Elton Chetcuti (42/43) (Niney knife sharpener), 5th John Maxwell (40/41) (Beretta Shooting bag).

The final event on the program was the 30

target Champion of Champions from 18 metres. The heat really took its toll with only one possible recorded by Frank Bradwell. Trophies were sponsored by Ridgeline and Arms & Ammo.

The results Event 6 were: AA 1st John Maxwell (74/75), 2nd Brant Woodward (71/75), A 1st Frank Bradwell (75/75), 2nd Rob Machul, B 1st Jack Turner, 2nd Beau Brown, C 1st Peter Larcombe, 2nd William Waite.

The shooting was finished but the High Guns had to be sorted. They were as follows: Overall Robert Thompson, AA Shane Defreites, A Elton Chetcuti, B Jason Hancock, C Jack Turner, Veterans Frank Bradwell, Ladies Karen Kennerson, Juniors Travis Edwards

With the presentation over the shooters made their way home after another great weekend of shooting at Cessnock Clay Target Club, see you all next year.

RICH RIVER CLASSIC

ECHUCA CLAY TARGET CLUB
DECEMBER 27, 2014

Twenty full squads of shooters was a very pleasing result for the Committee of the Echuca Clay Target Club, for their annual Rich River Classic held on the 27th of December. With over \$9000.00 value in trophies, two shooters short of 120, to compete for the

large amount of placing's in the four events was going to ensure an excellent day of clay target shooting. The weather could not have been much kinder, although a little windy right at the start, it soon settled down to almost perfect shooting conditions, and with the grounds looking a picture, it was very pleasant for all the competitors who travelled to Echuca from far and wide.

A 25 target, Rich River Classic Points Score Championship was the 1st event and it needed only 15 shoot off targets to get a result between two Echuca shooters, Casey Fletcher, and Craig Fitzgerald, Casey shot his 40th target with the first barrel, and unfortunately Craig had to use his second barrel, earning him 2nd place in AA grade. The Overall Winners Sash, and the 1st in AA grade trophy, went to Casey Fletcher with a score of 120/120. Well shot Casey, congratulations! This Points Score event was sponsored by Goulburn Murray Credit Union, and the Echuca Committee are very grateful for their assistance.

Event Two was down to one shot only, being a 25 target, Rich River Classic Single Barrel Championship, and once again it was AA grade shooters sparing for the Overall win, and surprisingly it went for quite a few targets ending when Mitchell Iles of the Melbourne GC dropped his 62nd target, and when Tumut NSW member, John Maxwell, shot his 62nd it was all over with John Maxwell claiming the Overall Winners Sash, and the 1st place in AA grade trophy, with his excellent score of 62/62. Congratulations John, well shot! Mitchell had to settle for 2nd place in AA grade with a 61/62 result. This Single Barrel event was sponsored by Midstate Credit Management and the Echuca Club thank them very much for their help.

A 25 target, Rich River Classic Handicap was event 3 and although there was plenty of targets shot in the ensuing shoot off, no one could topple Coleambally member, Glen Evans, the Overall Winners Sash went to Glen having become 1st in the Handicap, and picking up a handsome \$500.00 1st place cash prize. Les

Comensoli a Cohuna member collected a \$300.00 cash prize for taking out 2nd place in the Handicap, B Thomson picked up \$150.00 for shooting himself into 3rd placing, N Asmar finished in 4th place and that earned him a \$100.00 cash prize, and finally in 5th place was M Hutchins and he collected \$50.00 in cash.

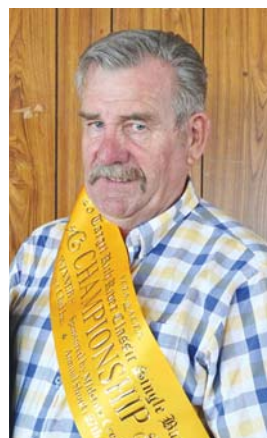

This Handicap event was sponsored by Mark and Kate Rogers trading as, OZ CHOPPERS, and again the Club is very grateful for their help.

Finally Event Four, the prestige event, the 25 target, Rich River Classic Double Barrel Championship, and this was always going to take a long time to finalise, not only because of the excellent weather and background at Echuca, but also because of the huge number of shooters that shot a possible 25/25 score. Finally it came down to a battle between Damien Hutchins a Frankston member, and Mitchell Iles a Melbourne member, and when it did not seem as though either shooter would ever miss a target Mitchell dropped his 173rd, and when Damien shot his it was all over, Damien Hutchins the Overall Winner and 1st in AA Grade on an excellent winning

score of 173/173. Actually the scores were much higher than 173, but additional scores were shot off more meterage than 15 metres and was not recorded. Damien for his effort was presented with an Overall Winners Sash, and given a rifle for his prize donated by Beretta Australia, as was the other 3 grade winners, and the committee of the Echuca Clay Target Club thank Beretta Australia for their excellent sponsorship. Mitchell Iles had to contend with 2nd placing in AA grade for his shooting effort. Actually proof that the handicapping procedure is accurate and working well is the fact

that all Overall Winners in this Rich River Classic at Echuca were AA Grade shooters.

The Overall High Gun was won by Echuca's, Craig Fitzgerald, on an almost perfect score of 149/150 for the entire shoot, congratulations Craig! Craig received an Overall High Gun Sash donated by Stewart Gillman Sashes, and 1000 cartridges. All the High Gun Sashes were donated by Stewart Gillman Sashes and the shotshells were donated by Ian Phillips, trading as Aussie Gumboots, and the Echuca Club sincerely thank both of these sponsors. The AA grade HG went to Casey Fletcher 147/150, A grade HG winner was Geoff Palmer 142/150, B grade HG went to Peter Watkins 143/150, C grade HG winner was Charlie Hudson-Czerniecki 130/150. Ladies High Gun winner was Jessica Robb 146/150, Veterans HG Don Morris 137/150, and finally the Junior High Gun winner was Mitchell Iles 144/150.

Although the Double Barrel Championship was fairly late finishing, mainly due to the enormous numbers having shot the possible, a testament to how good the shooting conditions were, there was still a large number stayed for the final presentations, acknowledging how enjoyable the entire days shoot was. Some travellers had to leave earlier, and they only missed out on a possible photo shoot, but certainly were very happy with their trophy prizes. The President, Stephen Atkins thanked everyone for attending, especially long distance travellers, and hopes to see them in the new year.

Normanton Gun Club 30th Anniversary

Normanton Gun Club held their 30th Anniversary Annual Shoot on the weekend of the 24th and 25th May 2014. Commemorative glassware was offered up on the trophy table along with belt buckles, 39 sashes, and cash prizes totalling over \$10,000.

Sixty-six shooters from 17 clubs across Queensland and interstate contested the six event programme over five layouts. The fifth layout was introduced last year, and has made a huge difference in the smooth running of the shoot. Taking Saturday night's event out of the programme allowed the evening to be an enjoyable social occasion, as shooters and townspeople enjoyed the somewhat well-known camp oven catering of the Normanton Gun Club.

This year, as the club celebrates 31 years of shooting they are hoping to break the existing record for prize money paid out. The more nominations received, the more there is in the prize pool, so bring your friends to Normanton on the weekend of the 30th & 31st May 2015 for a weekend of good shooting, great company and hopefully glorious weather.

Zone Night Tower Points Score Shot at Mathoura

Mathoura Gun Club had a reasonably small attendance at their January 2015 shoot; and there were two reasons for that, in that it was the Australia Day weekend holiday, and also that it was day three of a 38 degree hot spell with a fiercely hot north wind blowing, certainly not ideal clay target shooting weather.

Almost three full squads arrived from a very wide area, to compete for the Victorian, North East Zone, Night Tower Points Score Championship Sash.

Actually the shooters that did attend struck it fairly lucky, in that within less than an hour of arriving the wind dropped completely, and the temperature dropped about ten degrees, making for almost ideal shooting conditions. Competitors were from Finley, Numurkah/Shepparton, Kerang, Echuca, and Mathoura.

Event One a 15 target Trap Points Score Cash Divide, and Num/Shepp member Peter Finn led the shooters scoring a 42/45 result, earning him all the 1st place cash. Rod Pollamounter a Kerang member shot a 36/45 and that earned him all the 2nd place cash, Carl Scott and Gerrard James, both Mathoura shooters, shared 3rd place cash having scored a 35/45.

Event Two, a ten target Tower Points Score Cash Divide, and long standing Mathoura member Harry (Snow) O'Connor, and Peter Finn, shot all the targets using one shot only, scoring a perfect 30/30, earning them a share each of the 1st place cash. Barry Bloodworth a Num/Shepp member dropped just one point, and his 29/30 gave him all the 2nd place cash.

Event Three, the main event was a Victorian, North East Zone, Night Tower Points Score Championship, and without the need for a shoot off, Peter Finn outclassed all others by shooting an excellent 72/75 score, earning him the Overall Winners Sash and the 1st place in A/AA Grade Trophy. Well shot Peter, congratulations! B Grade 1st was collected by Barry Bloodworth, Barry shot a 65/75 score, and the C Grade 1st Trophy was won by Mathoura's reasonably new shooter, Carl Scott, Carl scored an admirable 71/75. Again, good shooting Carl!

Carl Scott C Tower PS

Barry Bloodworth B Tower PS

Peter Finn OA Tower PS with Peter McClusky, President

Finally at the presentations, Peter Finn's name was drawn out of the barrel as the winner of the night's raffle, a toolbox, topping off a tremendous night for Peter. Mathoura's new President, Peter McClusky, thanked all the travellers for making the effort to attend on such a hot and windy holiday weekend, wishing them a safe trip home.

Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

Pain in the neck

Several years ago, I wrote a series of four articles that explored hypnosis and showed a range of scripts to help with relaxation, ego-strengthening and guided imagery. Not long after these articles were printed I had a number of shooters comment that they had

used the scripts to help them relax and prepare for competitions.

The scripts were from a book, "Hypnosis and the Art of Self-Therapy" written by Gordon Milne in 1995 and published by Lothian. The book has formed the foundations for hypnotherapeutic interventions. Hypnotherapy is very useful in treating stress, anxiety, sleep disorders, sexual dysfunctions, nail-biting, warts, and headaches. It is also useful in teaching clients the importance of relaxation and can be used to increase performance in sport and in the arts.

Recently, I had a shooter ask me about tension headaches and how they could be treated. The shooter stated that before big shoots he would develop pains in his neck through tension and he would end up with a severe headache.

Before we even look at using hypnotherapy to treat headaches and neck pain, it is essential that any physical causes are dealt with. Therefore it is important that you seek the opinion of your GP to make sure it is not caused by something more serious. Headaches and neck pain are not uncommon for shooters: ill fitting gun, dehydration, recoil, tension of the competition, etc can all lead to causing headaches and neck pain.

So, how can headaches and neck pains be treated. Firstly, it is essential that we start with the general relaxation script. I have included the script again below:

1. Gently close your eyes . . . settle back comfortably . . . feet together, hands resting on the sides of the chair or on your thighs (5).
2. Take a deep breath and hold it (5). Let go the breath and feel yourself letting go the tension as you breathe out.
3. Again . . . deep breath and hold it (5). Let go the breath and feel yourself letting go the tension as you breathe out.
4. In a moment I am going to say five relaxing phases . . . as I say each phase slowly . . . breathe in deeply . . . then as you breathe out repeat the phrase slowly . . . not aloud, just think it in your mind as you breathe out . . .
5. Letting go the tension now (5). Unwinding now, as I breathe out (5). Feeling the calm and the relaxation (5), flowing all through my mind and body (5). Relaxing all over (5)
6. Once more (repeat).
7. And I want you to notice that each time you breathe out, you become more and more completely relaxed over your whole body . . .
8. Just take a minute taking deep breaths and saying "letting go of the tension" as you breathe out. Start now (60)
9. Good now focus your whole attention on your body where it is lying (5) Feel how comfortable it is, from your toes . . . to your scalp.
10. Just think of nothing else but how your body feels at this moment (5) If your attention wanders bring it straight back to your body's feelings (5)
11. And once more I want you to notice each time you breathe out, you become more and more completely relaxed over your whole body . . .
12. Deep breath now, and hold it (5) say to yourself as you breathe out "letting

go of the tension" (5) And now repeat this over and over for one minute, until I stop you (60)

13. Now focus your attention on your legs . . . from your toes to your thighs . . . just let it happen on its own . . . first your toes . . . and a nice, calm, soothing relaxed feeling is beginning in your toes . . . and moving into your feet (5)

14. from your feet, past your ankles . . . into your legs (5) past your knees . . . into your thighs (10)

15. a numb, heavy wooden like feeling is moving up from your toes . . . into your feet (5), past your ankles and into your legs . . . and into your thighs (5)

16. just let all those muscles in your legs go completely limp, relaxed and numb (5) – the same sort of feeling you get if you sit cross legged for very long (5) a numb heavy wooden like feeling . . . your legs are so heavy they are sinking right down where you are resting (10)

17. Now I want you to notice the same feeling moving from your thighs into your body . . . into your abdomen (5), into your chest & your back (5). Just let all those muscles in your chest, your back, and your abdomen go completely limp and relaxed (10)

18. It may be a very heavy, numb feeling . . . or a floating feeling . . . or it may be a heavy and a floating feeling (5) Your subconscious mind will decide which feeling you should have (10). Good.

19. Now think of your face and forehead (5), and feel your face and forehead smooth out with relaxation (5) as the tension flows out . . . and the relaxation flows in to take its place. (10)

20. The muscles around your eyes (5) and around your mouth (5) – let them relax (10) And let the muscles in your jaw feel limp and loose as your lips part slightly as the tension lets go. (10)

21. The relaxation spreads from your forehead (5), through your scalp (5), to the back of your neck, where so much tension gathers . . . and feel the back of your neck go limp and soft and loose as the muscles let go and the tension flows out. (10)

22. The shoulder muscles too . . . let them go limp (5) That numb wooden like feeling spreading down your arms from your shoulders to your fingers . . . your arms feel like dead weights where they are resting (5), so much you doubt whether you could move them . . . but you don't want to move them (5), A heavy detached feeling is in your arms . . . as if you've been sleeping on them (10).

23. Now I'm going to count from 1 to 20 . . . and as I count . . . each time I count . . . I want you to let yourself sink more and more deeply into this nice relaxed state. . .

24. 1 . . . deeper and deeper. . . 2 . . . more and more calmly relaxed . . . 3 . . . nicely, deeply now . . . 4 . . . 5 . . . sinking deeper and deeper . . . 6 . . . 7 . . . 8 . . . 9 . . . 10 . . . half way there . . . so relaxed that nothing can disturb you . . . 11 . . . 12 . . . 13 . . . 14 . . . 15 . . . going down to a deeper, tranquil state of mind . . . 16 . . . 17 . . . 18 . . . 19 . . . 20 . . .

25. Completely relaxed now . . . eyes so heavy you don't think you can open them . . . just feel your whole body thoroughly and completely relaxed, its so calm, so peaceful to remain in this nice, relaxed state.

26. Just remain in this nice, quiet state until I speak to you again. (60)

So now that you are in a deep state of relaxation, the next step would be to do some goal specific scripts such as ego-strengthening exercises or sport specific imagery. The script for tension head aches and neck pain follows:

1. As the muscles of my head and neck continue to relax more and more they feel warm and comfortable. . . . As the tension flows out and the relaxation flows in to take its place (5)

2. I can feel the muscles relaxing in my neck and scalp, warm and comfortable (5)

3. And maybe I can see the inside of my neck and scalp. . . and see as I feel the muscles. . . pink and warm and comfortable (5)

4. Repeat once and then move to the dehypnotising script.

Dehypnotising script: In a few moments I'm going to count backwards from 20 to 1. As I do you will gradually return to your normal state feeling . . . losing

ALICE SPRINGS
CLAY TARGET CLUB

Members of the Victorian Woods Point Gun Club (aka the Wood Ducks) fly north for a bit of diversion bi-annually for our Masters Games shoot.

2015 ASMG Wood duck contingent Raffle ticket sellers extraordinaire

Would you buy a ticket from this man

At every Masters competition they humbug unsuspecting competitors with raffle tickets, making outrageous promises for amazing prizes. Although, in all fairness, this year the Port was actually drinkable and the Jerky was seriously worth the risk of a car hijack. In 2012 they raised an amazing \$1,700 over 4 days – bear in mind in 2012 no one was prepared to guarantee the provenance of the Port.

Our committee thought long and hard about this particularly

generous donation and preferred to put it to a specific use rather than slip it into generic funds, and hence the idea of a new club gun was mooted. We have club guns of course, but mostly those left by departing members, or simply just accumulated over the years with little thought given to the viability of the gun model for beginner shooters. We did prefer to stick to their specific dollar amount and started to look around for appropriate models, and we settled on a Beretta.

Rob Lay with President John Wood offering half a gun

Our new gun was cleaned and buffed and given back to Woods Point members to give to us.

During the actual presentation, the President of Woods Point would accept no thanks, preferring to acknowledge the generosity of Masters Games competitors. So based on inter-club correspondence, the following inscription plate was agreed on.

*Presented to the
Alice Springs Clay Target Club
by the Woods Point Wood Ducks
from funds raised by the competitors at the 2012 Masters Games*

So, Alice Springs Clay Target Club got a new club gun, big deal, most clubs source club guns at some time, but.

It's not rare to hear comments around the traps despairing the loss of membership, the difficulty in attracting new and younger members and the effort in getting members to working bees etc. Struggling clubs and struggling committees can feel very alone and overwhelmed when it comes to chipping away at the chores attached to running a club.

The donation of our "new" second-hand Beretta gun to our club highlights how not alone we are. It also highlights to me how easy it is to support another club. If we talk more about positive ideas and ask for advice or assistance, we'll find there are heaps of clubs out there willing to support their sister clubs in some form or another. Maybe we just need to start relying on each other and working on our inter-club relationships.

So, "thanks Woods Point" and "thanks generous Masters Games shooters" from all members of the Alice Springs Clay Target Club.

Cuzzo's Ramblings

MARCH
2015

It's been a long writing month encompassing six weekends due to an early close last month for Christmas. Although I was scheduled to attend our local shoot at Bairnsdale on January 3rd to shoot some Skeet practice with my old mate Gerry Petruska, a family medical situation put paid to that. So my only appearance at a Gun Club over the entire festive period was at Frankston for their monthly Skeet Shoot where a very strong field saw a six way shoot-off of 99s and I managed to run last. However the main topic of conversation during the day was our upcoming Annual Skeet Shoot, the Bairnsdale 400, which we traditionally hold on the fourth weekend of March.

Opportunity knocking

This year will mark the third holding of this unique event where we shoot nothing but Skeet Doubles for the whole three days. I'm surprised and also a little disappointed that this program is still unique and that some of the other notable Skeet shooting clubs around the country haven't got on the band wagon yet. We must be a little slower on the uptake than the Trap shooters because it didn't take them long to start offering multiple opportunities for people to shoot Trap Doubles once the concept of Grand Slam Awards started to sink in. And as we have had a fair proportion of interstate shooters make the long trek to our little country club over the last couple of years, I'm sure there are openings there waiting to be taken up.

Pleasant Surprises

As well as individual event winners and an overall high gun, we also have a prize for the longest break achieved over the weekend. We originally envisaged it to be a sort of miniature version of the Annual National Long Break Award. However that concept bounced back on us in the nicest possible way, as on both years the recipient of our insignificant little prize went on to claim the ACTA's Annual Award. And just for good measure we completely overlooked the fact that both these breaks probably established new National Records, a realization that only came to light long after the oil in the machines had well and truly cooled down.

Forgotten Records

The National Long Break Record for American Skeet in standard 12 gauge events was researched and documented long ago and an engraved plaque resides at the National Office to preserve this information and it's history for posterity. We

Steve Vaccaro – Skeet Doubles Long Run record holder

started shooting Skeet Doubles seriously way back in 1987 with the advent of a National Championship. However for various reasons it never occurred to us to recognise and document the National Record for this event as well. Until Now! I believe the current holder is Steve Vaccaro with

133 in 2014 and I believe he superseded Michael Buttigieg's mark of 103 which was established in 2013. Prior to that I think I probably held the record at 100 from the Skeet Nationals in 2000. And before that I have no idea! If anyone has any information on this matter from 1987 onwards please contact me. After a couple of months I'll publish the known history in the CTSN and then see whatever else comes out of the woodwork.

And Again

Now that we've broken the ice with the Skeet Doubles, where are we with the National Skeet Long Run Record for the 20 gauge? Probably in just about the same boat up the same creek and still short of a paddle! I'm sure that Leigh Roberts' fantastic effort of 438 straight at last year's Skeet Nationals would stand him in pretty good stead to be the current holder. I'm also pretty sure that Leigh would have taken the baton from Gil Farish who established a break of 322 at the Skeet Nationals in 2008. Fast rewind back to 1999 when I won the first National 20 gauge

Gil Farish – Held the 20 Gauge record for six years

with the only 100 and consequently probably established the record at that point. So the \$64 question is: What happened during the ensuing nine years up until Gil set the World on fire? I have no idea and would be most appreciative of any information or leads that help us try to track the timeline of this

event as well. As with the Skeet Doubles I'll wait a couple of months to see what surfaces and then publish the known history in the CTSN.

The End Product

The desired outcome for both these projects is to bring them into line with the 12 gauge and have a similar plaque for each of the events residing in the Trophy Cabinet at the National Office. These plaques would contain the timeline for each record and detail the various names, places and

12 Gauge Long Run Record plaque

scores that are relevant to each one. Once we believe that the history of each one is as concise as it can be I would be appreciative of offers from interested people to commission and donate the various plaques to the ACTA. So if you have any interest

at all in the preservation of this type of historic information, this would be as good a time as any to stand up and be counted.

State Records

While I'm on a roll with records and the history thereof, I might as well forge on. I was browsing through the December 1983 edition of the CTSN recently and on page 23 stumbled upon a request for information on State and National Long Break Records. I wonder what ever came of that request as the records at the National Office are still fairly minimal in relation to these matters. Also about twelve months ago I printed a request in this column for any information on the current and previous holders of the State Skeet Long Break Record in each State. So far very little information has come to light. Surely there are people out there who know or can remember these things and I would suggest to you that now is the hour to get off your backside and help me amass and collate these very important parts of our history before they are lost in the annals of time. Victoria would probably be the easiest to construct so maybe I'll start with a preliminary list of that one next month and see if I can't get the ball rolling.

More Pleasant Surprises

Back in the December issue I asked for some very difficult help: The procurement of a small number of old/ancient issues of the CTSN in order to fill the few remaining blanks in my magazine collection. Due to the enormity of the task I wasn't holding my breath so I was very pleasantly surprised to receive two of these rare volumes in the mail. If you are considering helping me with this please cross August and September of 1966 off your list and thank you very much Warren Charlton for parting with these historic gems.

January's Trivia Question

The person who has amassed the largest collection of runner-up titles from the Australian and New Zealand National Championships is that famous "fang maker" from Tongala in Victoria, Steven J Atkins Esquire. President of the Echuca

Steve Atkins – A true Champion and a great role model

Gun Club, Double Rise shooter extraordinaire, champion bull rider, legendary sky-diver and all round good guy. The "Rat" started this auspicious collection in 1987 when he was runner-up in the Overall High Gun to Michael Diamond. 1987 is a very memorable year for a number of reasons. Young Mick (he was all of fourteen at the time) kicked off his Silver Australia Badge collection with THREE that year. As well as the Overall High Gun he also won the Double Barrel and the Macintosh High Gun.

Memorable Results

The great Doug Smith almost paired the Double and Single Barrels for a third time when he won the Single Barrel but lost the Double Barrel to

Jon Whittakers – Another living legend and a great bloke

the subject of useless trivia, although Jon was one of the first to congratulate me, I know that he was very disappointed that day because the event was the 27th National Double Rise and until I shot the only 49 on the last flight, he had looked like shooting off for the Championship.

Almost a Set

The significance? Jon had won the 27th National Double Barrel in Griffith in 1979 and the 27th National Single Barrel in Melbourne in 1981 and this would have made a great set. The first correct answer drawn was submitted by that famous opal miner, Joe Marshall from Tamworth in New South Wales. And the numbers? For the record, Mrs Atkins little boy has a fairly well balanced portfolio.

Mick at 455. I won the Double Rise for the second time and that year I even got to take the badge home. Mark McInnes opened his Hall of Fame point account when he won the shoot-off for runner-up in the Double Rise against Jon Whittakers. And while we're on

He has eighteen Runner-ups to go with his eighteen Royal Blue Sashes and eighteen appearances in the Australian Macintosh Team. Later this month I would not be at all surprised if he vandalises the beautiful symmetry of that very impressive record.

This Month's Trivia Question

March this year is Trap Nationals month due to the event being moved forward a couple of weeks. One of the major talking points about the Trap Nationals over the past few years has been the large number of targets required to be shot to win all of the events and especially the Double Barrel. So let's look at the flip side of that: the least number of targets shot in a shoot-off for a National Trap Championship. Obviously the least number possible is one and that has happened from time to time. So when was the last time that **on two consecutive days** at the Trap Nationals, only one target was required to be shot in order to secure Silver Australia Badges for the two victors? E-mail your answers to cuzzo@a1.com.au before the 15th of March and the first correct one drawn will get a complimentary entry to one National Championship event of your choice during the next twelve months.

Mixed bag of events at Echuca

January 2015 at the Echuca Clay Target Club was a thought provoking shoot for most of the competitors that arrived as it was a mixture of Skeet, Ball Trap, Handicap, and Double Barrel Trap, and although the office staff thought that the shooters would be very choosy as to selection, it was almost the opposite, with almost all shooters electing to shoot the whole program.

An early start, and ideal shooting conditions, ensured an early finish for the good roll up of competitors, and the 50 target Graded Trophy Skeet started almost on time with the advertised start, and visiting shooter L Roberts demonstrated how it is done, being the only one able to down all 50 targets, giving him the Overall Winner Title, and also 1st place in AA Grade. Todd Pickering shot a 49/50 earning him the 2nd placing in AA Grade. Craig Scott an Echuca member shot a 48/50 and that score gave him the 1st in A Grade trophy, Peter Finn scored 45/50 earning him the 2nd placing in A Grade. B Grade 1st was taken by another Echuca member, retiring Treasurer Peter Sing, Peter scored a 47/50 for his win. B Grade 2nd on a 43/50 was another Echuca member Geoff Ervin. C grade 1st was collected by Bendigo's Peter Beaman scoring an excellent 49/50, obviously looking to rise in the grading ranks, and finally Barry Bloodworth on a 38/50 won the 2nd in C Grade trophy.

A 30 target Ball Trap Championship was next on the agenda and Echuca shooters featured prominently in the event with Craig Fitzgerald only dropping one target in this difficult discipline to claim the Overall Winner's Sash and the 1st in AA Grade trophy with his excellent score of 29/30, Steve Atkins just one target further down claiming 2nd in AA Grade on 28/30. After a one target shoot off Peter Beaman put his hand up to claim 1st in A Grade on a score of 28/31, Echuca's Drew Healey,

on a 27/31 result claimed 2nd in A Grade, B Grade 1st was Geoff Palmer 27/31, B 2nd Craig Scott 26/31. C Grade 1st was L Piasiri 26/30, and C 2nd was G Hogan 22/30.

A 30 target Handicap was next and it needed just 4 targets of shoot off to deliver all four placing's. First place was claimed by Peter Beaman, having a wonderful day out, Peter's score was an excellent 33/34, 2nd place went to Craig Scott on a 32/34, 3rd place was claimed by Echuca's Patrick Calandro 31/33, and finally 4th place went to Echuca's Casey Fletcher on a score of 30/32.

The last event was a 30 target Double Barrel Championship. And finally, after 88 targets it was decided on the next target, with Steve Atkins shooting his 89th and claiming the Overall Winner's Sash and 1st place in AA Grade, and his final opponent, Robert Godfrey, after dropping his 89th target settling for 2nd in AA Grade. A Grade 1st was M Cox 31/32, A 2nd G Fletcher 29/30, B Grade 1st John Pola 26/30, B 2nd S Scott 24/30, C Grade 1st K Comonsoli, C 2nd Julie Hogan 28/30.

Even with such a mixture of disciplines in the program all who participated seemed to thoroughly enjoy the day's competition, and with smooth running even the presentations were all over by 5.30pm.

CONDITIONS OF ENTRY – TRAP NATIONALS

1. Any shooter wanting to compete at the Trap Nationals must be a registered member of the ACTA for the current financial year that the championships are being held.
2. **If a vacancy exists in any events at the Championships a person must nominate for all events they wish to shoot at the nomination window in one visit. To be eligible to shoot in any event the nomination must be received before 10.00am on the day of the event.**
3. In the event of any shooter not being able to produce his/her Handicap Card, a duplicate shall be issued for the duration of the National Championships. This card will then be forwarded to the Club Secretary to enable scores shot to be recorded.
Note: A \$20 fee will be charged for the issue of any duplicate Handicap Card.
4. Squads of up to 6 to shoot 50 targets/75 targets/100 targets in brackets of 25 targets or pairs, one or two visits only to the traps. National Handicap event to be 5 (five) person squads, 5 (five) targets per lane.
5. **Shooters will be Pre-squadded as per ACTA rules and regulations and any interpretation of this will be the responsibility of the Tournament Director. Withdrawing from an event should (if possible) be done giving 48 hours notice in writing (if possible) prior to the event or by ringing the National Office and leaving a message after hours.**
6. Each shooter is to take enough cartridges to shoot at 50 targets/75 targets/50 pairs. A time limit of two minutes will be imposed for the changeover for each 25 targets or pairs. Should the two-minute time limit be exceeded then a penalty of the **LOSS OF ONE TARGET** may be incurred.
7. Shooters who fail to be at their squad on time will be required to shoot at a designated trap at a time suitable to management
8. Should a shooter being late for his squad then elect to withdraw from the event he will not be eligible for any refund of nominations paid.
9. All shooters should sign the score sheet after each 25 targets/pairs. Once a shooter has signed his score sheet he has accepted his score and grade. Any score sheet not carrying the shooters signature will be credited with the lowest score recorded.
10. All competitors will be called upon to referee and/or score throughout the period of competition. The persons' designated to referee and score must fulfil their obligation to do so. While replacement referee and scorers are permissible, the penalty of a loss of one target for their failing to officiate shall be made against the officially designated person. Failure to either referee or score will incur a penalty of the **LOSS OF ONE TARGET** in the next event. Should a following event not be programmed then the penalty of the **LOSS OF ONE TARGET** will be incurred in the event concerned.
11. Any unauthorised shooter interfering with or attempting to interfere with the trap will be penalised **FIVE (5) TARGETS**.
12. All disputes must be in writing together with \$20 deposit, which is refundable subject to the appeal being upheld.
13. All disputes and deposits must be lodged with the Tournament Director, who shall arrange a hearing with the appointed jury.
14. Optional sweep/purse prizes will be available for collection as advised at the events Office with the exception of the final day. All payments must be signed for and proof of identification given if requested.
15. When team selection is involved, shooters who are eligible for the open team selection as well as section teams shall chose in which team they will be selected. They cannot compete in both Open and Section teams.
16. Any eligible competitor paying nominations is entitled to receive awards in the Open section, Womens, Juniors or Veterans section, however the overall winner cannot take any grade prize.
17. A minimum of three persons must compete in any Grade or Section, including High Gun before sashes, medals trophies and/or cash are awarded, irrespective of nomination paid.
18. Any interpretation of the program and conditions of entry will be the responsibility of attending members of the Executive Committee, whose decision shall be final.
19. An acceptable standard of dress is required for all competitors, Tournament Director to adjudicate.
20. **All Competitors must comply with Firearms Licensing Laws in their State of residence and in the State hosting the National Trap Championships.**
21. Payment of the nomination fee only entitles the shooter to enter the event. Changes to the program including the number of targets shot will not be eligible to any refund.
22. Squadding details will be available on the ACTA website, ten (10) days prior to the event. If an email address is provided on your nomination form, you will receive notification via email.

Wangaratta Christmas Shoot

A warm and fine day prevailed at the Wangaratta Clay Target Club Xmas shoot on Saturday 20 December.

A nice crowd of 46 shooters came along to our popular club to enjoy a relaxed day of novelty events in a festive atmosphere.

The club opened all three layouts for shooters to try out and some good scores were achieved by some in a different discipline than they would normally participate in. As usual, the hams and turkeys proved very popular again as trophies. A relaxed BBQ was held at the end of the day giving all present a chance to have a chin wag and wish each other the best for the festive season. Thanks to Gordon Twamley for providing two sides of lamb for the raffle.

The 25 T D/B results were: AA Rod Wilson 25/25, Jason Wilson 25/25. A Stephen Murphy 25/25, Christian McGauran 32/33.

B Ern Wemyss 25/25, Neville Bussell 24/25. C Brad Carey 22/25, Rhys McGauran 26/30.

The 26 T 5 Stand event (1-3 places) was shot concurrently with the D/B and resulted in AA Brett Jory 25/26, Mark Reynolds 31/36, Mick Ward 29/36. A Alan Perryman 24/26, Christian McGauran 23/26, Bryan Anderson 21/26. B, Daryl Hunt 25/26, Brad Carey 23/26, Rod Green 21/26. C Dean Bennett 24/26, Ron Cugley 30/36, Al Kidd 27/36.

The third and last event was 12 pair of Skeet doubles (1-3 places) which rounded off the days activities nicely. AA Al Kidd 18/24. A Dennis Savage 20/24, Shaun McGauran 15/24, Alan Perryman 14/24. B Daryl Hunt 21/24, Brad Carey 20/24, Darren Saunders 36/44. C Mark Reynolds 28/34, Mick Ward 28/34, Rod Wilson 27/34.

The club looks forward to another action packed program in 2015.

Cecil Park's 58th Anniversary

DECEMBER 26, 2014

Our 58th Anniversary Boxing Day competition started off with a bang, sunny conditions perfect Sydney summers day. We had 150 ACTA competitors with 135 from NSW 2 from Victoria and 1 Queenslander. A special effort from the committee staff and junior shooters took the shoot to a new level.

Local shooter, Anthony Bartolo took out 2 two overall prizes out of three events on the first day. Anthony is a prodigy of the Cecil Park Junior Development program. Our junior program is headed by Kathy and Elton Chetcuti, they have had enormous success with the juniors coming through in Trap and Skeet at State and National levels. We are thinking about running an Old Boys program for shooters over 50 to be able to shoot like our juniors.

Day two was a lot more difficult with the wind coming from the south it had the shooters on their toes all day. Top shooting was required to split the field and the overall High Gun came down to one point with local, Dave Perry, shooting a 234/240 and was pipped at the post by a champion in his own rights, John Maxwell 235/240. What a finish to a top two days of competition.

A special thanks to the Maria, Grace and Alyce for their two day effort running the competition in the office and a special thanks to Shoot Marshalls Vince Gatt and Ben Buhagiar and also we cannot forget Danny Forster for organising the shoot results on the board. We would like to thank all competitors and family for attending and making the two days very memorable.

1994 Junior Development Squad Camp

**By M. Alexander,
National Director of Coaching**

On Sunday the 15th January 1995, the current ACTA Junior Development Squad assembled at the Australian Institute of Sports for a five day training camp.

The squad for the jointly sponsored National Sports Program (NSP) and Australian Clay Target Association camp, was made

up of the following individuals representing the five shooting disciplines.

Chippa Chant	Rebecca Langley	Katie Light
Barty Brighenti	Michael Faber	Nathan Cassells
Eddie Boulos	Clem Cunningham	Ross Salpietro
Damien Webster	George Barton	Kevin Gillespie
Ben Kelley	Jamie Whitmore	Glen Gillespie
Derek Bruce	Gery Benson	Brett Hall
Nathan McDonnell	Sheldon Kowald	

With the unavailability of Mr Greg Chan (NT State Coach) and Mr Ian Hale (Victorian State Coach), the coaches selected to assist the squad were Mr Fred Schmetzer (NSW State Coach), Mr Pud Burgess (Level 2), Mr Russell Mark (Level 1) and some timely assistance from Mrs Robyn Faber (Level 2).

Skeet and Trap Day

MARYBOROUGH GUN CLUB
JANUARY 24, 2015

Maryborough held it's first monthly shoot for 2015 in very hot and trying conditions, with temperatures well into the high 30's .

After complaints from local skeeties that the club did not shoot enough skeet competition, the club decided that for 2015 more skeet events would be added to the monthly program. Skeet at Maryborough is shot weekly on our practice days, which are generally well patronised and it was therefore quite disappointing when we could only muster three squads for the first championship shoot.

After a very short shoot-off the Overall winner was Murray Schaper (Sebastapol Gun Club) beating Jim Shepherd, who took 2nd in A grade.

Murray Schaper, OA winner Skeet Championship

Skeet Grade winners – C Grade Geoff Moorby, & B Grade Bruce Jennings

Maryborough Vice President Bruce Jennings, after finally deciding he should use skeet chokes won B grade, John Dohnt from the Esperance Bay Gun Club, WA, came in second. Geoff Moorby, who only re-registered on the day, after quite a long absence won C grade and 2nd place went to local shooter Stewart Forbes.

For the Trap shoot, numbers increased to six squads, which in view of the extreme weather, was acceptable. Stewart Forbes made amends for his skeet performance in the 50 target Double Barrel Championship, shooting a great 140/140, finishing the shoot-off from 18 metres to beat an in-form Travis Gull.

In A grade, Callawadda Stawell elder Leon Gibson shot a great 49/50 to win. Peter Beaman from the Loddon District Police Trap Club came second. B grade went to Beaufort member Allan Vincent.

Maryborough's newest junior easily won C grade

DB winners – A Grade Leon Gibson, B Grade Allan Vincent, C Grade Rieley Fitzgibbon

DB Continental winners – AA Grade Travis Gull, A Grade Len Johnson, B Grade Allan Vincent & C Grade Rieley Fitzgibbon

Stewart Forbes, OA winner, DB Championship

with a score of 48/50 from veteran Bruce Papst, Central Wimmera CTC.

The final event of the day, a 50 target Continental went to Travis Gull from the Sebastapol Gun Club, who continued on from his shoot-off with Stewart to shoot the only possible. Peter Tate placed 2nd in AA with a 49/50. B grade first went to Len Johnson 50/52 after a shoot-off with another local Bruce Jennings 2nd. C grade was again won by Rieley Fitzgibbon 44/50 from Bruce Papst.

We would like to welcome Rieley's mother to the club. Belinda Fitzgibbon has taken on the role of Maryborough Shoot Secretary and is quickly adapting her computer skills to the task.

Mathoura Christmas Shoot

Friday evening on the 12th of December saw five full squads of shooters arrive at the Mathoura Gun Club, to not only enjoy the nights shooting competition, but also a much appreciated evening meal supplied by Donna McClusky and her helpers. Thank you girls! A very good attendance, and they were offered three ten target events, plus a 25 target Double Barrel, that also included a presentation Club Champion Sash for the highest scoring Mathoura member.

On a night that was perfect for clay target shooting, warm but not hot, no wind, and no big moon to distract, all events required shoot off's to determine winners and place getters. Starting with Event One, a 10 target Points Score, Echuca's Mick Keirl eventually shot a 33/33 score to be 1st, Deniliquin's Tim Maher 2nd on a 32/33 result, and 3rd was Ryan Barnes, a Cohuna member, who also shot a 32/33.

A 10 target Single Barrel was Event Two, and Ryan Barnes 1st this time with a clean 15/15 score, Euroa's Laurie Fitzpatrick ended on a 14/15 earning him 2nd placing, and 3rd place was claimed by Mathoura member Carl Scott scoring a 10/11.

Event Three was a ten target Double Barrel, and again a quite lengthy shoot off required with Cohuna's, Mark Vistarini, claiming 1st place with a 31/31 result, Mathoura's George Bradley shot a 30/31 to put his hand out for the 2nd place trophy, and Cohuna member Russell Barnes dropped out of the shoot off at 23/24, but that was good enough to earn him the 3rd placing.

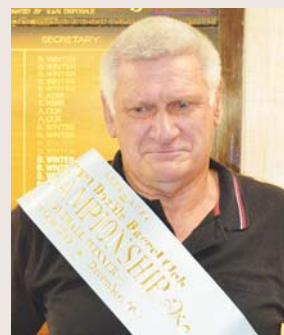

Finally the main Event, a 25 target Double Barrel Club Championship, and again this event had numerous qualifiers for a lengthy shoot off which ended with Ryan Barnes showing his ability to shoot clay

targets at night, being unmatched on a score of 60/60, and that score earned him the Overall Winners placing and the 1st in A Grade trophy. Well shot Ryan! B grade 1st was won by Mathoura member Bill Simpson, having scored a 21/25. C Grade, again a Mathoura member,

OA DB Ryan Barnes

Tom McClusky shooting a 23/25. In a short shoot off to determine the Mathoura 2014 Club Champion, George Bradley became just that, with an end score of 26/27, congratulations George!

George Bradley
Mathoura Club Champion

Unfortunately a fairly late night, with a reasonably large amount of shooters to put through the program with shoot off's, and possibly an hour lost having the evening meal, yet even the 1.00am finish did not seem to dampen anybody's enjoyment of the shoot. The club committee thanked everybody for their attendance, especially throughout the year, and hope to see all in 2015.

Tarraganda 100 starts Bega's year with a bang

BEGA GUN CLUB JANUARY, 2015

Winners are definitely grinners L-R Elton Chetouti (A), Willo Cameron (AA), Ray Welch Winner (OA), Robert Taylor (B), Mick Diss (C), Button Powell (V)

The Sporting Gods smiled happily on Bega Gun Club's first shoot for 2015, with the running of the Tarraganda 100. A record crowd for recent years saw sixty shooters descend on the Club's Tarraganda ground in brilliant sunshine and yes, accompanying high temperatures. Visitors came from Tumut, Canberra, Majura Park, Boorowa, Cooma, Bermagui and Cowra, to help swell the numbers and support this Club sponsored event. Ten squads of six became the order of the day, with our dedicated secretary, Gail, organising to ensure everything went as smoothly as usual.

The shoot takes the form of 25 targets, double barrel, 25 single barrel, 25 point-score and 25 targets Continental, a true test of a shooter's versatility and consistency. After the first round of double barrel, it was evident, that to win, a high level of attention would have to be paid. One squad of AA shooters all had clear rounds with many other squads showing up the red in their results. Shooters went out in two rounds, shooting the double barrel followed by the 25 single barrel, before a well earned rest. Highlight of the first round went to eighty-seven year old Noel Nicholson who scored 50/50 – just hope to get to that standard before I get to that age. Great shooting Noel.

With the numbers attending, the usual great lunch was taken "on the run" to ensure headlights were not needed to finish.

At the end of the second round, Mick Diss topped the C Grade with a score of 130/150, with Brian Moffitt taking the runner up prize with a score of 119/150. B Grade was a tussle all day with a number of shooters leading at various stages. Robert Taylor shot well, especially in the points score, to take the sash and ammo with a score of 143/150, from the consistent Dick McInnes, who despite only dropping four targets for the day, tallied up 139/150 for second place. Points score can be a great pain!

A Grade went to visiting shooter, Elton Chetouti who compiled a very nice 142/150 to win the sash and ammo, with Kevin Hurt, two targets behind, taking second place. AA

B Grade winner Robert Taylor

A Grade winner Elton Chetouti

AA Grade winner Willow Cameron receives his prize from R/U and President, Shane Platts and Vice President Phil Body

C Grade winner Mick Diss

Grade was the only grade that required a shoot-off to decide positions. First finally went to Will Cameron with a score of 168/174, leaving President, Shane Platts, at 167/174 in second place.

The almost final award was the Veterans trophy. Visitor, Button Powell shot 142/150 to win the sash from that amazing "old Fella", Noel Nicholson who claimed the runners up prize with a score of 136/150.

Tarraganda 100 Champion for 2015 Ray Welch receives the gold sash from President Shane Platts and Phil Body

There has always to be a final award. The Championship sash, this year was won by Ray Welch. Ray quietly went about the business of winning by amassing the excellent score of 148/150 to claim the gold sash and the ammunition that accompanied it. This was an exceptional effort put in against one of the best fields I have seen at our club. Congratulations!!

Our usual shoot raffle meat tray was collected by Jason Stone, who like so many before him graciously declined to win the money, making the hard-working treasurer very happy. Presentations and thank you's finalised the day, with people heading home in all directions.

February will see the Southern Zone 50 Target Ball Trap Championship and a 50 Target Double Barrel to make up the program.

Veteran winner Button Powell

DAVID DRINKWATER

17/09/1939 – 06/01/2015

The committee & the members of the Melbourne Gun Club were saddened by the sudden passing of long time member David Drinkwater.

Dave began shooting as an army cadet whilst in school.

In his early years he was an ardent traveller to the lucrative live pigeon circuit throughout Europe in the 1960's and 1970's.

Dave was renowned for his calfskin shooting vest which featured large brown and white markings. Dave like to describe the vest as his "key note".

He will be sadly missed by all shooters at the club and around the card table. Rest in peace.

GILBERT SCHMIDT

December 4, 2014

It is with great sadness that we advise of the passing of Gilbert Schmidt, better known to everyone as "Buster" on December 4, 2014 at the age of 94.

The Cunnamulla Gun Club was formed in 1927 at that time Buster would have been 7 years old. He joined the club in 1934. Membership was 85 plus shooters. He then joined ACTA in 1938.

Over the years the club moved several times from Racecourse Reserve to the Sandhill on the Eastern side of Wicks St, then back to the Racecourse. In 1951 the Paroo Shire Council gave the Club a special lease on current site at the Racecourse. Buster took on position of President in 1966 and handed over to Neville Palmer in 1986 a total of 20 years. Buster earned Life Membership for his commitment to the Club. At this time the position of Patron was taken on by Buster, a position that he took to Brisbane and serviced in his retirement. Buster was a special Club Member whose efforts rubbed off onto others.

The Club went into recession for the duration of the 2nd World War. Reg Bardon took it upon himself to pay Club Membership Fees to ACTA to keep the Club alive and purchased ammunition from Melbourne so they could start shooting as soon as the war was over, all this from his own pocket.

Jenny Webster served around 28 years as Secretary, most of this time was with Buster as President. Buster has been involved in the Cunnamulla Gun Club as a member, President and Patron for some 80 years 1934 – 2014. He was a paid up Member of the Club and ACTA until December 31, 2014. This is an incredible effort and must surely inspire others.

VCTA Member Information – State Affiliation Fee

At our recent State Meeting on the 17th of January, the State Executive discussed the situation of Members' concerns re the \$20.00 State Affiliation. The concerns and questions asked were – why do we charge this Affiliation Fee and how and what is this money used for?

Like your Club and Zone, the VCTA also needs finance to run the VCTA affairs. With limited ways to generate income, some years ago the VCTA Executive decided to follow the precedence set by other States and introduce a State Affiliation fee for Full Members only.

Following is a summary of the main State expenditure items that this money is needed for:

- 1 To supply the uniforms for our Trap, Skeet and ISSF State representatives who attend National events, this includes Open, Ladies, Veterans and Juniors
- 2 Update & maintenance to VCTA Website
- 3 Financial allowances for our four Zones
- 4 Purchase of Gold, Silver and Bronze medals for all State titles
- 5 Support for State and Zone Coaching and Junior Development
- 6 State Secretary's Honorarium
- 7 Rates, insurance and maintenance of State Ground
- 8 Stationery, postage and the upkeep and replacement of office and State equipment
- 9 Interest and repayments of borrowed money to finance State Ground

The State Affiliation fee has enabled the VCTA to purchase our own State Shooting Ground at Echuca. This ground will guarantee future generations of VCTA members a secure venue to be proud of, as well as being a very valuable asset for the Association.

I trust this explanation will answer your questions and concerns as to why the VCTA Executive need to secure and maintain this State Affiliation fee.

Yours in Shooting,
Malcolm Dyson – VCTA President

ACTA NEWS

DATA BASE

The implementation of the data base has now been completed although we are still working on some aspects of the collection of data and rationalisation of membership categories.

By the 2016 membership year we will be fully automated with member renewals. Clubs who accept payment and paper forms will be able to go into the system and update and renew these members directly in the data base. Further instructions will be provided mid-year. By submitting them online the Club Secretary can have an invoice provided by the ACTA for just the ACTA component of the annual registration. The service is no different to paying your utilities account online.

The next step to be developed will be the integration of the "Shootmaster" program into the website. This will allow an online program to enter scores and submit to the data base. The data base will then calculate handicaps and grades automatically and be connected directly to the data base. Currently we have secretaries adjusting scores both in the book and manually on line thus ensuring members details are current. Club secretaries have access to all ACTA members (limited details) to enter these people in competitions and ensure they are current members as well as being able to check handicap and grade details. With the last upgrade of the data base done in 2000 we are making up much needed ground in keeping members informed and their information secure.

MEMBER CONTACT

I wish to clarify and explain the category of membership within the ACTA and the process for bringing forward business to the ACTA Executive.

Registered shooters (individuals) are members of the ACTA by definition. They are members of Clubs, Zones (where applicable) and members of the State and National Bodies.

Members of the Association (for the purpose of voting) are the Clubs and States.

Any registered shooter, Member Zone, Club or State wishing to contact the Association for reasons other than administration (including Insurance), nominating for National events and their membership status should follow the process below.

An individual member (Registered shooter) should bring the issue to their Club for discussion, the issue may be cleared up at the Club level, if not the next step is to take the issue to a Zone meeting, should it fail to be resolved at this level it should be sent to your State (under their process) for inclusion on the agenda for their State meeting. Should the issue not be resolved a briefing paper or submission should be sent to the Executive Officer of the ACTA for referral to the appropriate Sub-Committee. The other appropriate option is to speak directly to your State appointed delegate to the ACTA (preferably with a written submission relating to the issue). The sub-committee to which the matter is referred will determine a response or recommendation to go on the Agenda for the next meeting of the National Executive. If the matter is determined to be urgent the matter will be recommended for an electronic vote on the proposal.

CTSN MAGAZINE

Through the CTSN we offer clubs the opportunity to provide information and photographs promoting their club and club events. We also provide support to promote and grow their club and the sport of clay target shooting in general. To enable the Association to do this we need your support.

As the CTSN is the iconic magazine of the Association we are continually improving its quality and content.

In the future we will be developing new concepts such as pages from the archives, as you can see on page 54 of this edition. We will also be looking for clubs to provide "features", for example, a history of their club, or interesting or noteworthy individuals within the club. If you can provide an article with photographs we will look to include them in the CTSN for the promotion of your club and enjoyment of reading for ACTA members.

Articles should be supplied as Word documents with good quality photographs supplied separately, in a digital format. If they are supplied digitally they need to be a minimum of 2mb. Generally photographs straight from a digital camera without size reduction are best. There is no substitute for photographs taken on a reasonable quality camera but if you do use your mobile phone, ensure that the picture quality is set to HDR.

Photographs supplied of poor quality or size may not be suitable for print purposes.
