## RIO

The Association and members wish our shotgun team on their way to the Rio Olympics the greatest success. These disciplines are the pinnacle of our sport and some of those competing on our behalf are without doubt equal to the best in the World. Please take the opportunity to pass on your congratulations and support to them via social media or email.

## 12th ICTSF World DTL Championships – Ireland

Only finishing yesterday, this event saw great success for the Australians competing. The Overall World Championship was won by Matt Schiller. He has now completed the first double in ICTSF history having won the World Junior DTL Championship in Wales in 2012. This win was the last in a series of top level finishes by the Australians. The team competition was a highlight with Australia winning overall in the Ladies, Juniors, Veterans, and taking a second in the Super Veterans teams events. Unfortunately the Open team never placed.

Daryl Stevens took out the Veterans Overall, Michael Veenstra 1st in AA and Laura Woolley took out the Ladies Overall and a second in the Juniors. Tracey Barton took out second in the Ladies. Other Australians were also successful in the European Championships leading up to the World. A great achievement for Australia. The Australian contingent of Team and Individuals entries totalled 45 and it is pleasing to say that how they conducted themselves, presented themselves and performed made us all feel very proud to be Australians. Many have made great new friends, renewed old acquaintances, and experienced the great Irish hospitality, which is up there with the best. All of this harks well for the 2018 event to be held at Wagga Wagga.

A full report and photographs will be in the next magazine.

Once again congratulations to Matt Schiller for his World championship win.

## Shooting Australia

The situation at the moment created by the SA strategy to openly criticise ACTA actions may have significant impact on our ongoing relationship. I feel confident that we all know what our membership expects, and what our sport needs to again grow and thrive at the grass roots level in the Olympic Disciplines. SA do not appear to have a problem with setting policies that severely impact our domestic competition participation levels but then say that participation is ACTA responsibility, and therefore our problem. If we are being criticised for simply not agreeing with SA policies then our relationship does not have much of a future. Your full Executive is meeting in early August to consider our position. By the time this goes to print the situation will be clearer.

We must remember that through the States and with the support of the clubs with ISSF facilities the ACTA has and will continue to control ISSF shooting in Australia. These disciplines in Australia belong to our members, and should be controlled domestically by your Association. Regardless of the outcome, it is now more

essential than ever for all members, clubs and States to unite behind your Executive so we are unified going forward.

## Government Grant – VCTA

Great news from the VCTA that their application to the Victorian Government to further develop facilities at Echuca has been successful. We understand the amount to be over \$700,000 so expect some great facilities to be developed at the grounds. The application by VCTA was fully supported by the ACTA with a loan of \$200,000 to assist in meeting the applications requirements.

## Consultations – SSAA

A second meeting with SSAA National President Geoff Jones and Past President Bob Green has taken place. ACTA was represented by myself and EO Tony Turner. Items discussed included membership, insurance, and common ideologies. With the SSAA national membership of 180,000 we see it as a high priority to continue dialogue with them. Further meetings with both F&G Australia and F&G Federation are also planned. We are attempting to closer align the bodies with shotgun disciplines as there are many common interests and opportunities to explore.

A full report will be in the next edition of the magazine.

The full National Team for the Olympic Games grace the cover of the magazine, a fitting tribute to those selected. We hope to be able to provide front page coverage of medallists in the next edition.

Meetings of the National Executive over the next six to nine months will be very important in setting the course for the future of the Association. There are numerous threats and challenges that face the Association in the future. We are expecting to hear from the Federal Government in relation to the National Firearms Agreement (NFA) and any proposed changes to come from meetings conducted in 2014-2015. The ACTA will oppose any further restrictions on licensed gun owners and oppose any reclassification of firearms. We will continue to meet with other Shooting Associations to discuss issues of commonality including the NFA during the rest of 2016.

The Association has received a funding grant to develop a Business Case Study to support our application to the NSW Sports Minister for funding of the proposed Clubhouse and National Office on the National Ground in Wagga Wagga. I met with the NSW Sports Minister Mr. Stuart Ayres and the member for Wagga Wagga Mr. Daryl Maguire on the ground on Friday 15th July where we provided the minister with a tour of the facility and explained the overall plans we had for the complex. The Business Case Study will detail economic benefits to Wagga Wagga and New South Wales based on previous events as well as upcoming and potential events.

The proposal includes the establishment of three ISSF Traps and upgrading of infrastructure to support the development including roads, paths, and landscaping of the ground. This would ensure the National Ground is of international standard, therefore being in a position to attract further international standard competitions.

The scope of the study will also provide a complete masterplan of the site required to support a National Sporting organisation in conducting Club, Zone, State, National and International events. When not in use the Association would also be in a position to

hire the venue as a function and conference centre.

The ground is a resource to further the objects of the National body, this development would provide the Association with a solid platform for further development of the sport throughout Australia.

I was asked early in 2013, why do the ACTA not have a "Lang Park", or "MCG", something to show the success of the Association and its members.

Hopefully this question will be answered with this development.

The Association is continuing to monitor the issue of lead deposits on grounds. The ACTA has a draft management plan for the National Ground, this plan could be made available to all clubs, however it is designed specifically for the National Ground. We have discussed the issue of lead management (as well as target and wads) with PCM Enviro Directors Paul and Craig Mitchell. The ACTA Executive will discuss the options and make recommendations at the next Executive meeting.

All clubs are reminded that it is their responsibility to ensure they reclaim lead from their grounds and pick-up wads and targets. The onus is on clubs to ensure they are compliant with regulations of all descriptions.

It took a further eight targets to get a decision with Gavin the winner 33/33, he also collected a couple of metres, welcome to 25 metres Gavin. Kade was second 32/33. # NOORAT CASH BONANZA

In the past few years, the weather for our cash bonanza has been kind to us, providing us with lovely sunshine, no wind and perfect targets. Unfortunately, 2016 wasn't what it has been like in the past, with the weather gods teasing us with some magical sunshine in the morning only to change for the worse with bitter cold winds and misty rain blowing in throughout the day but still giving us some tiny bouts of sunshine to keep everyone positive.

This year we had over \$4500 in cold hard cash up for grabs, spread out over all the grades so even the C graders could go home feeling as if they had just won the lottery. A big thank you must go to the generosity of the sponsors, providing the club with extra cash across all events, as well as some fantastic trophies for the winners. Without the help from sponsors, running an event like this is very difficult financially, so the generosity of the sponsors is greatly appreciated!

Unfortunately, numbers weren't as high as we expected, the predicted weather most likely being the cause, but none the less, we welcomed 57 shooters to the club, with many travelling shooters from up to 5 hours away came to support our shoot which was fantastic. It was great to see many new faces that have never ventured to Noorat before as well as shooters that hadn't visit the grounds in many years.

The first event on the program was the Corangamite Water Transport 25tgt Handicap. With the weather rolling in at the start of the event, the possibility of anyone going clean was seeming less and less likely as only three 24/25s were on the board out of 8 squads. Finally, a young local gun shooter, Matt Molan came in with a 25/25 from 19m, and would end up being the only possible, crowing him the Handicap Champion for the second year in a row & taking home \$500! Since the event paid to 5th place, that meant that 10 shooters had to shoot off for one place, all on 23/25. After 11 targets Jim Moustos came out on top, shooting very well from 22m. The shootoff for 2nd to 4th lasted a little longer, with John Gardiner holding onto 2nd place after missing his first target in the event, ending up with 42/43, Steven Foster 3rd with 41/43 and Ethan Domney 4th with 32/34.

The second event was the W.A. Molan & Sons 25tgt Double Barrel, 17 shooters shot the possible, with shooters clean across every grade. The shoot off lasted quite a while, even being put on hold so the Points Score event could be shot and completed in the afternoon. In the end, James Hayden & Steven Trembath both putting on a great display of skill, shooting very difficult targets in low light decided to split the winnings of \$500 at 200/200. Ryan Fratararo shot very well & held on for as long as he could, shoot-

The final event was the Western Ag Services 25tgt Points Score. Five possibles were shot, all in AA, surprisingly as the targets were getting harder as the afternoon progressed. The double barrel shoot off was put on hold so the event could be run before it became too late, allowing shooters to begin the long drive home at a reasonable time. The overall shoot off saw each shooter drop out one by one, but after a further 25 targets on the first barrel, James Hayden & Alan Pollock decided to split the winnings, both at 150/150. It was a great show of skill from James, shooting 150 in the double barrel, then shooting 50 targets straight on the first barrel to split the points event then going on to shoot another 50 targets to split the double barrel event. James Blain shot 84/87 after a shoot off with Courtney Watt, all the way from Byron Bay, to take the win in A grade. Megan Trembath shot very well to claim 1st in B grade with 68/75, beating the gentleman Ian Dickens on 65/75 while Jovan Janevski shot 70/75 to beat John Gardiner on 69/75 in C grade.

At the end of the day, the Junior & Overall High Guns could be calculated. Matt Molan shot so well all day, to finish up only 3 points down to take the Junior High Gun & \$100 sponsored by Corangamite Water Transport. Matt narrowly missed out on the Overall High Gun by only 1 point, allowing Steve Trembath to fly in and take the \$250 kindly donated by Andrew Smith Contracting with a final score of 123/125.

Thank you to all the shooters that made the long trips to come and support our shoot. These kind of events are run for the shooters, and it is great to see people travel countless hours to come and support an event like this. We look forward to seeing you all again next year at the 2017 Cash Bonanza!

# Queensland 2016 STATE TRAP CARNIVAL

*Continued from page 10*

Qld Police Clay Target Club, for their tremendous support of junior shooters in Queensland. On Target Sporting Arms, Best Vests.

Many of our sponsors have been with us for the long term so please support them where you can. Without them we could not continue to conduct these events.

Thank you to the massive effort of the Roma Clay Target Club, President Byron Hewitt and his committee, club members and workers. This is one of those venues where our association can just walk in and know that the club has everything covered, so we appreciate the huge effort they have put in for the QCTA.

Great work once again by the office staff, especially Viv Moore from the Western Zone and her team of Julie Allan, Brenda Collins, Geoff and Andrew Moore and Hannah Collins, also Nicky Robertson from the St George club. Thank you also to South East Zoners Shane Weeden, Debbie Young, Brett Brown, Nola McIntyre for single handedly maintaining the score board, and Martin Smith for

**Queensland Team Champion

promoting our shoot on the cyber world throughout the weekend via My Clubs My Scores.

In turn the office staff would like to thank Ronnie Forsythe and the Roma club for providing sandwiches, snacks and other goodies throughout the weekend, which they are not obliged to do but is very much appreciated.

Our hard working shoot marshal kept everything on track for the weekend – a massive thanks to

**Grade High Guns**

**Section High Guns**

Richard Morrison and his offsidiers Gareth Graham, Mal Collins, Mike Swale, Bill Allan, Geoff Moore and all those who helped out.

Most popular category, which is usual for Roma shoots, is the bar staff of Jason and his team who had the massive and never ending job of keeping everyone hydrated and well behaved.

Also the kitchen staff, cooks and workers who served up a big variety of top quality food all weekend, and consistently cleaned up after us. A huge job but greatly appreciated by shooters and visitors.

Of course there is a long list of

**Greg Chan with Overall High Gun**

other people who helped to bring everything together for this carnival. Terry Morony, Col Witt, Matt Lawson and Gwenda Morony for their help with the Hall of Fame function, and congratulations to our inductees and award winners this year.

Thanks also to Ronnie Forsythe for her help with the trophies and the million other things she does, likewise with Donna and Byron. Thanks to Mike Swale and Gary Crouch for carting traps, the State Councillors and all the other workers. A huge thank you to our Administrator Debbie Young who works tirelessly all weekend and no doubt before the carnival and many days after.

Last of all thank you to all you shooters, many who travelled so far to attend our carnival. 67 clubs were represented from 5 states to make up a record 321 shooters so thank you for your support and well done to all competitors.

# West Wyalong's Champion of Champions

**WEST WYALONG CLAY TARGET CLUB  
JUNE 25, 2016**

Jason Anderson won the West Wyalong Clay Target Club's Champion of Champions shoot held on the last Sunday in June.

Jason had a great day, not only winning the major event but was also the High Gun with a score of 190/200.

There was a frost, there was fog and it was very cold but three squads of shooters were on hand to compete in a full day of shooting with 150 targets on offer.

The participants were a diverse group coming from Orange, Young, Condobolin with the Parkes boys taking the initiative and quickly stoking up the fire bucket. There were also local shooters with Chris Heffer, his two sons, and Len Lord making an appearance after an absence of several years – great to have you back guys.

After all the recent wet weather there was still a couple of puddles on the layout but everything looked very green.

The day began with the usual 10 Target Eye Opener and Allan Schirmer and

**L-R Ch/Ch: Jason Anderson OA, Clive Foster AA, Greg Harris A, Allan Schirmer B & Mark Langford C**

John Wason both received a good payout as they were the only ones to shoot the maximum score.

The fog did not help in the earlier events but John Wason and Clive Foster both shot 25/25 to share AA grade in the 25 Target Double Barrel event. Neville Block 25/25 shot well to win A Grade ahead of Greg Harris and John Tomlinson 22/25. Allan Schirmer 23/25 was the B Grade winner from Peter Barber 20/25. Again, competition was fierce among the strong C Grade contingent with West Wyalong club member Nigel Pettit, using his new gun, and Daniel Smith sharing first place with a score of 21/25.

The main event, the Champion of Champions comprising 25 targets double barrel, 25 targets single barrel and 25 targets points score was shot in three separate visits to the traps.

After the first round of targets shooters took time out for lunch and once again a rugged up Angie Dent did a great job in the canteen.

Perhaps Bruce "The Baitlayer" Dent has been sacked as Lydia "The Gun" took over the barbecue, looked after young Lennie, and still managed to do a great job that was very popular with competitors.

After a further two visit to the traps Jason Anderson 121/125 stamped his authority on the event being the popular Overall winner.

Clive Foster 119/125 was first in AA Grade with John Wason 114/125 second. Greg Harris 116/125 won A Grade from another Condobolin shooter, Dave Cooney 113/125. Allan Schirmer 115/125 won B Grade ahead of Graham Duncan 112/115. The battle in C Grade continued with Orange shooter, Mark Langford 115/125 shooting very well to win from Daniel Smith 106/125. Bruce Dent 111/125, has started to get the hang of his new Perazzi gun and claimed the Veterans' section.

During the afternoon tea break Bruce Dent was showing around some shiny bone fragments he recently had taken out of his elbow. Greg Harris had a little sheep dog pup at the shoot and he was following Bruce around with a hopeful look in his eye until someone gave him a sandwich.

The final event of the day was 20 Pair Double Rise and once again Jason Anderson came to the fore winning AA Grade with a score of 37/40 ahead of Clive Foster 35/40. Greg Harris and Dave Cooney 32/40 shared A Grade while Peter Barber 18/40 won B Grade. Daniel Smith 30/40 won the tussle in C Grade from Adam Brigden 29/40.

Despite the freezing weather it was a pleasant, relaxing day of shooting which finished early enough to have everyone on their way home before dark.

## Cecil Park

Our monthly shoot was held on the 2nd of July 2016. Due to the ISSF NSW State Carnival at our club plus the voting for the Elections on the same day the numbers of shooters for our monthly competition were down, but it was still a very enjoyable day. The weather was fine just a bit on the cool side.

**OA winner Ziad Alameddine & Louis Galea**

Congratulations Ziad on your performance. As a result of your continued effort and practice over the past three years, you have finally taken out a championship competition. Ziad has been shooting around twice each week, and told his son he was going to win this event for him. Club members are looking forward to Ziad taking out additional championships in the future.

Well Done. P.S. Ziad did not pay any bribes to anyone for winning this event or this subscription.

The event was 50tgt D/B & 50tgt S/B as a one event. The results were as follows: O/A winner Ziad Alameddine 94/100, 1st AA Louis Galea 93/100, 2nd AA Bob El Kadi 90/100, 1st A Andrew Tsolakis 88/100, 2nd A Gary Kennerson 87/100, 1st B Gary Lynam 89/100, 2nd B Paul Mansueto 88/100, 1st C David Cameron 77/100, 2nd C Samuel Bartolo 73/100.

# 38th Central Victorian Grand Prix

**MARYBOROUGH GUN CLUB**  
**JUNE 25, 2016**

## Central Victorian Grand Prix Winner Selected for Rio Olympics

As the winner of the 38th Grand Prix, 17 year old Mitchell's name is now proudly displayed on the honour board. Despite winning numerous other titles, this one has special significance for Mitchell as his name now sits alongside his grandfather Bill, four times plus other champions of this event.

The following week he received the fantastic news that he had been selected to represent Australia at the Rio Olympics. With two teen age clay target shooters going to Rio, Aislin Jones in Skeet and Mitchell in Trap along with another Junior James Willett in Double Trap the future of clay target shooting looks bright.

The weekend was again a great success with 150 plus attendees made up of competitors and families converging on the Maryborough club. The weather was perfect and highlighted the fantastic amenities and new Laporte traps that the hard working members were able to present. Many positive remarks were passed and the club can be justly proud of what it has achieved in the past 3-4 years.

President Bruce Jennings welcomed all visitors and praised the generous sponsors that con-

## Northern Zone ISSF Titles

On Sunday June 19 it was extremely pleasing to see the turn out from all over the Northern Zone and beyond. With 5 juniors and 3 supervising teachers and coaches coming from as far as Tamworth, Farrer Agricultural High school. These were well rounded young gentlemen and did their school and teachers proud with not only the way they conducted themselves but also how they performed throughout the day. None of the juniors had attempted trench until practice the day before.

The conditions of the day was rain and lots of it with the East coast low well and truly set in. The heavens opened and flooded out the sporting clays running in parallel but thanks to our wonderful covered trench layout 3 we were able to persist throughout the day. The conditions proved tough and the scores reflected that, although overall it was a fantastic day with lots of laughs and positive feedback. Thank you to all of the travellers who supported our club on the day.

## WAGGA GUN CLUB, JUNE 18 & 19, 2016

The Wagga Gun Club held its annual two day sporting event incorporating the NSW State Sporting Championship and the 100 target Lawson Classic Sporting Clays Championship on Saturday 18 and Sunday 19 June.

Dave Coleman set the targets across 4 layouts, and as usual the targets presented some challenges, but they were there to be shot with all grades posting some good scores. Numbers were down from last year, but we still had 10 squads braving the overcast, cold and muddy conditions. Shooters from interstate and NSW vied for a spot in the state squad.

Martin Seymour NSW SC Champion

The 2016 NSW State Sporting Championship was won by Marty Seymour showing the rest of the field a clean pair of heels. Well shot Marty on a 95/100. The inter zone competition was won by Riverina zone with the 3 man team of Peter Munro, Bart Brighenti and Ben Woodhouse posting a score of 260/300. Other winners in the NSW sporting clays where AA 1st Andrew Bell 91/100, 2nd Bart Brighenti 90/100. A grade 1st Max Kavanagh 96/110, 2nd Stephen Newcombe 102/120. B grade 1st Brent Suprain 86/100, 2nd Garry Fairbank 77/100. C grade 1st Chris Whyte 77/100, 2nd Mitch Woods 58/100. Veterans Max Kavanagh 93/110, Ladies & Juniors Emalene Munro 84/100.

Brent Suprain 1st B grade

Emalene Munro 2nd A grade ladies and juniors

After the days event the club put on the game night again showcasing a variety of game meat, venison, rabbit, duck as well as the regular tame meat for those not so game. Expertly cooked by the camp oven chef Peter Clemson, the meal (and a few drinks) was enjoyed by all that stayed.

The field again lined up the following day to contest the Lawson Classic. This event is sponsored by Janenne and Geoff Kidd of the Lawson Motor Inn. Janenne and Geoff are our Wagga Gun Club Patrons and are strong supporters of our club and shooters. Janenne works in the office for all our shoots both DTL and sporting, and anyone who does that job knows how much work there is, thank you so much Janenne.

As with most sporting clays shoots the atmosphere was good and it ran smoothly with everyone pitching in and working well together. Packing up the layouts took a lot less time than set up and thanks to those chipping in to help so we had everything packed away just before the rain started.

At the end of the day the Lawson Classic overall winner was Wagga Gun Club member Rob Yeo with 93/100 for the second year in a row. First in AA was Martin Seymour 89/100. Peter Munro was 2nd in AA after a shoot off with 96/110. Jesse Munro took 1st in A grade with 89/100 and Emalene Munro 2nd with 84/100. B grade was won by Brent Suprain on 86/100, Chris Whyte taking 2nd with 81/100. 1st in C grade was Mitch Woods with

*Paul Tony Ireland, 11.7.1961 – 7.7.2016*

Paul (Paulie) Ireland passed away peacefully at home in the early hours of Thursday, 7th July 2016, after a long battle with cancer. For those of us that knew Paul, knew his passion for his clay target shooting, and whilst only a relative newcomer to the sport Paul was improving with every shoot. This did stall for a while when he was diagnosed with cancer, but Paul being Paul, persisted with clay target shooting and was an active member of The Forest CTC and also an active member and club armourer at The Shoalhaven CTC.

Paul was always wanting to improve his shooting and his ambition was to get his 25 targets straight and to take out a championship. Well in November 2015 Paul achieved both his ambitions in one hit at The Forest's Harry Nolan charity shoot for cancer, and whilst battling cancer himself and feeling quite weak, he got his 25 straight and he also took out a 1st place in C Grade. The lift in his step and the smile on his face was a testament to his achievement, a very proud moment for him and all of us.

Paul was never one to shy away from helping getting a shoot together or helping run a shoot, this attests to him holding the position of club armourer at Shoalhaven CTC and Range officer at The Forest CTC.

He will be sadly missed by the clay target shooting fraternity, our thoughts and condolences go out to his family and especially his wife Rebecca, who was by his side through his entire battle.

Rest in Peace mate! You will be missed.

# Paul Pritchard Memorial

KEMPSEY CLAY TARGET CLUB

JUNE 2016

It was an overcast, cool day as we arrived at the range for the Paul Pritchard Memorial 50t PS Championship and the 50t DB Club Championship. Although it was overcast the rain held off and there was very little wind, making for pleasant shooting conditions.

The club grounds and facilities were in their usual pristine condition due to the untiring effort of our President Ted Baker.

A 12 noon start had been advertised and right on time our Shoot Secretary, Jenny had the first squads on their lanes ready to go. Before the official start of the shoot a 10 target practice was held. This seems to me to have grown up around some clubs on the North Coast over the last couple of years. I do not quite understand why it is necessary as most of the shoots have a 25Tgt DB eye opener for their first event or in the case of this shoot 50Tgt DB event for the 1st event. I am sure someone will correct me but this practice seems to be a recent phenomenon and just adds to the workload of the few volunteers who have to oversee this additional shooting. We have Practice Days and I would have thought if you have not got yourself sorted at the Practice Shoot 10Tgts is not going to help much. Anyhow no doubt I have just stirred up a hornet's nest. So, on to the advertised events.

The first event was Paul Pritchard Memorial Shoot and the Overall winner was Ken McBean 148/150, 1st AA Grade Denis Joel 147/150, 1st A Grade Steve McMahon 137/150, 1st B Grade John Burke 136/150, and 1st C Grade Michal Carter 139 /150. In the second event of 50 TG DB Club Championship, Barry Dray kept his nerve and took out Overall 81/81 after a very good shoot off. Other winners were, 1st A Grade Brad Hooper 80/81. 1st A Grade Steve McMahon 78/80, 1st B Grade Megan Wilkins, 1st C Grade Michael Carter 40/50. Ken McBean took out High Gun 215/220. Full results can be found in the competition results of the new slim line CTSN.

Denis Joel shot very well with a 99/100, and is now in line for his first 75 break badge, congratulations Denis. It was once again good to be able to welcome shooters from Port Macquarie, Coffs Harbour, Inverell and Queensland. I am sure Romeo from Coffs will be keen to come back, as he was struggling a bit, however one of our more experienced shooters put him on to a certain type of ammunition and improved his shooting considerably. Robert Nock was, as usual, dressed in a manner that would have won him 'Fashions on the Range' but unfortunately his sartorial splendour was hidden under a coat because of the cooler weather. Thanks has to go to Ted and Jenny for the work they do in keeping the shoot running smoothly also Robin and her daughters Kerry and Debbie for the culinary delights they present to tantalise our taste buds.

## BENDIGO CLAY TARGET CLUB

JUNE 13, 2016

During winter Bendigo can be cold but no one expected traps to freeze, but that was the conditions officials found themselves facing at the Bendigo Clay Target Club Queens Birthday shoot. However once everything, including shooters thawed out, everything turned out great. Some 63 exceptional shooters took part in the 3 championships with first class trophies and sashes on offer.

In keeping with last year's successful trial the club again opted to conduct the major event of the day first. With 4 Puma scoped .22 rifles for first, 4 Puma Stockman knives for second in each grade, the double barrel event went off without a hitch and without a complaint.

The first event was the 50 target Double Barrel Championship and it was Daryl Hunt emerging (after helping with the traps) victorious on 102/102. Rob Pistone was the unlucky shooter

O/A DB - Daryl Hunt with Bill Eagle representing OSA & GFD Firearms

on 101/102. A Grade went to club hand-capper Peter Beaman shooting the best score in A Grade (49/50) with Matisse Appleby taking second on 71/73 after a shoot off. B Grade was taken out by regular Sporting Clays competitor Mark Collins on 62/63 from Madison Decker on 48/50. First in C grade was Mel Treller on

Grade Winners DB Championship, Peter Beaman A, Mark Collins B & Melanie Treller C

47/50 and after a shoot off 2nd went to Georgia Pistone on 62/67.

With the day warming up it was on to the Single Barrel Championship. Shooting his new

Overall Single Barrel Steve Traill with Bendigo CTC President Luke Torney

gun (purchased from a well-known shooter who had difficulty driving it) Steve Traill compiled an excellent 58/58 to take the Overall sash and trophy with Rob Pistone again finding himself in the silver position. Matisse Appleby went one better than the first event winning A Grade on 33/35. Second placing in A went to Geoff Palmer on 32/35. Also going one better in this event was Madison Decker winning B with a 28/30 from Andrew Bottcher on 25/30. In C grade Leigh Andrew on 26/30 relegated Mel Treller to 2nd place with 25/30.

Grade winners Single Barrel Championship, Matisse Appleby A, Madison Decker B, Leigh Andrew C

Overall Points Score Championship, Fred Heinze with Bendigo Secretary Glenn Woodhatch

The final event of the day, 30 targets Points Score produced one possible. Fred Heinze's 90/90 well and truly secured the Overall Sash and trophy. 2nd placing in AA went to Darryl Johnston on 118/120. A Grade was won by Wayne Calaby

Grade Winners Points Championship, Wayne Calaby A, Mark Collins B, Graham Collins C

with 87/90 from John Barklem on 85/90. Mark Collins again came out on top in B Grade with 86/90, followed by Don Collihole on 85/90. Graham Collins was determined his son was not the only family member to be in the winner's circle collecting C Grade with 83/90. Veteran Bruce Papst was chuffed to pick up 2nd on 91/102.

An excellent 168/170 secured the Overall High Gun for Steve Traill. Ladies High Gun went to Laura Woolley with 161/170, Veterans to Fred Heinze with a well compiled 165/170 and the winner of the Junior High Gun was Tim Armstrong shooting 157/170.

Bendigo Clay Target Club must thank their sponsors on the day – OSA/GFD Firearms, Falcon Australia, PMCEnviro and Gillman's. Thanks also to Marg and Darren for keeping us well fed. To our Handicapper Peter, for keeping everyone in their right grade.

To Allison and Brad Woolley and Daniel Cox who worked tirelessly all day keeping traps full. Brad also took on the job as Shoot Marshal doing such a great job that he has no doubt landed this job for future shoots.

We suggest you mark next year's Queens Birthday shoot in your diary – you won't find better.

Friday 8th July 2016 saw Frankston Australian Clay Target transformed into a fantastic platform to recognise the 8 Members and Coach of the 2016 Australian Olympic Shotgun Team. The formal evening, attended by 110 people, was about family and friends and the Clay Target Shooting community, gathering to show their support for the Team and wish them every bit

of success as they encroach on their final stages of preparation ahead of the 2016 Olympic Games in Rio De Janeiro.

It was a privilege to have a true supporter of the Shooting Sports, and an active participant, Senator Bridget McKenzie, Nationals Senator for Victoria, in attendance as well as Sonya Kilkenny, State Member for Carrum.

The Team Members and Coach Valeriy Timolkin were all presented with a personalised photo album capturing their Shooting achievements over the years. Valeriy, together with Senator McKenzie and Sonya Kilkenny, also presented the Team with their Rio Olympic ID cards which was a great surprise.

Despite some of the challenges the sport has faced this year, one thing that cannot be discounted is the amazing ability the 8 Team Members possess. The ability to hit that 11 centimetre fluoro dome as it flies through the air at speeds of 85 to 100 kilometres per hour. Clay Target Shooting, not dissimilar to any other sport, can teach you about failure, joy, disappointment, excitement, winning and losing. About maturity, teamwork, humility and selflessness. When the Team puts on their uniforms and walk out onto the Range in Rio in August, hopefully they will remember that the Clay Target shooting community is very proud to have them representing Australia and they are all there because they have what it takes!

# Cuzzo's Ramblings

SEPTEMBER  
2016

The dust has well and truly settled on the 2016 National Trap Carnival and Darryn Nicholls has pinned another Doug Smith Medal onto his newly acquired green Hall of Fame jacket. So I decided it was time to frame this month's column with all the notable Trap shooting results from last year. Enjoy!

## Separation

Speaking of the Nationals, the "pointy end" of ACTA Trap and Skeet competition was combined at the National level for thirteen years. It spanned the era between 1970 when the first National Skeet Championship was held during the Nationals at the old Perth Gun Club and 1982 when the final combined Nationals were held in Brisbane. However this joint Carnival concept never existed in most States. The main reason for that is because State Clay Target Associations did not begin to form until the late 1970s, by which time there were already moves afoot to split the Nationals anyway, so starting State Carnivals off as separate entities was pretty much a walk up start.

## In the Beginning

As Skeet shooting had the strongest following in the South Eastern corner of the country back then, it's only natural that the first two Associations to kick off State Skeet Carnivals were NSW and Victoria, who started within a week of one another in October of 1977. Somewhat coincidentally Queensland and South Australia followed suit next by each conducting "prototype" events in 1980, followed by the "real deals" in 1981. The ACT held "State" Skeet Carnivals in the early 1980s but they sadly disappeared off the radar with the closure of the old Canberra Gun Club

overlooking the Queanbeyan racecourse.

## The Exception

Tasmania continued to hold "stand alone" events until 1990 when they took the plunge and held their first dedicated Skeet Carnival. Western Australia continued selecting their State Skeet Champion via lone 50 target events until the mid 2000s when an expansion exercise culminated in the first full blown Skeet Carnival in 2010 and they haven't looked back since. So this leaves just the Northern Territory, which is the only place where a "genuine" Combined Carnival has ever been held. Their State Championships have evolved over the years to now be five full days of competition with 500 targets encompassing equal amounts of Trap and Skeet.

## A Winter Paradise

And, in my opinion, this is the only place where such a concept continues to be the most viable long term option. The reasons for this are both internal and external. Internally you've got less shooters in total than some metropolitan Gun Clubs and they're spread out over an area six times the size of Victoria. And externally, without getting wet, you can't get much further away from the bulk of the shooting population in the rest of the country. So once you allow for the fact that the timing is within a stone's throw of the winter solstice, it's hard to think up a good reason not to come to NT in June each year.

## Getting Organised

It certainly works for me. I start planning it each year straight after Christmas. And so it was this year. Even though we left home at the start of April, by taking the long way around and stopping regularly along the way to smell the roses, we didn't arrive in Darwin until the first of June. Just in time to settle in and help Victor (the Godfather) and Nicky (the President) and the rest of their tireless committee put the finishing touches on the current renovation project at the Darwin Gun Club in preparation for the big event. The

weather was still a little hot and sticky for the first couple of days, which kept the Skeet shooters looking for some shade, but then the dry season finally eased in and made the Trap shooters pretty comfortable.

## First the Skeet

A fairly healthy contingent of "southerners" probably doubled the Skeet attendance without overloading the facilities, which still allowed a timely finish each day. Shane Bennett and Mark Corbett got off to good starts by winning the 20 Gauge and the Handicap with 54/54 and 112/112 respectively. In the process Mark extended the NT Skeet Long Run Record from 98, where it had sat since 1995, to a new high of 125. However, the last day and a half was all about "the

Winners are winners

Brisbane Bomber". Glenn Walker won the Main Event with the only 99 and the Doubles with the only 49, which allowed him to comfortably take out the Overall High Gun five points down.

## Then the Trap

Around lunchtime on Saturday we closed the Skeet down and opened up the Trap layouts. The Double Barrel eventually got down to a couple of Victorians where Stewart Forbes drew first blood by beating his mentor Pat Guida at 211. Sunday saw more interstate winners (and skinkers) in the Single Barrel and the Points Score. SACTA

Stewart Forbes Sean Jensen

President, Michael Veenstra, tidied up the first event with the only 50 and then Queenslander Tony Coco cleaned everyone's clock when

he was the only one not to pull a second in the afternoon. However, Sunday saw the locals bounce back with a vengeance when Casey Spanner, even after letting one land, was able to take out the Handicap without a fight. And then Sean Jensen emerged from the shadows to take out the Double Rise after a short shoot-off with 56/60, which was enough to also give him the Overall High Gun with 333/350.

### Two Great Losses

Unfortunately, I need to close off this month on a couple of sad notes. As many of you would by now be aware, the Skeet fraternity lost one of its great stalwarts recently. Neal James Dimmick passed away early on Saturday July 2nd, which brought to a close a long and distinguished career. How long? I don't know for sure but it exceeds 34 years because by the time of my first trip to the Queensland Skeet Carnival in 1982, he was already "one of the boys". And by 1988 his skills had progressed to the point where he was able to open his Hall of Fame points tally by winning the Queensland Skeet Championship.

Neal Dimmick

### A Worthy Inductee

He continued adding to this total regularly over the next 11 years, eventually closing his account in 1999 with another win in the same event. Along the way he amassed a total of 150 points, which was more than enough to see him inducted into the Queensland Hall of Fame in 2015. Call it a biased opinion if you like, but I believe his greatest triumph occurred in 1996 at the Skeet Nationals when he won the Overall High Gun. And why do I think so? Because it was me he flogged in the shoot-off to claim this ultimate prize. RIP Grandpa!

### Under the Radar

Perhaps not so well known unfortunately was the passing away of Alex Crikis a couple of months earlier on Monday the 11th of April. Sadly Alex disappeared off the Skeet radar quite a few years ago due to personal and business responsibilities, along with some serious health issues over recent times. Thus it's a great shame that many of our current crop of Skeet shooters have not even heard of Alex, let alone had the opportunity to see him shoot. By the time I started to get serious about Skeet shooting in the late 1970s, he was already at the top of his game and was unquestionably amongst the top half dozen Skeet shooters in Australia at that time.

### Multi Skilled

Alex burst into the big time by winning the Victorian Skeet Championship in 1975 and then bounced back to successfully defend that title the following year. Then in 1978 he won the Overall High Gun at the second Victorian Skeet Carnival. Shortly after this he devoted himself almost exclusively to Olympic Skeet, representing Australia numerous times over the next decade. I still remember the sadness he shared with Ian Hale with Australia's withdrawal from the 1980

Alex Crikis

Moscow Olympics left them both sitting around the Melbourne Gun Club watching the Opening Ceremony on TV and wondering "what if".

### Just when you thought . . .

However, during this period he would occasionally pop up at American Skeet events when the Olympic calendar was quiet. And whenever he did, he was always a force to be reckoned with. I remember him winning the Victorian Skeet Championship again in 1986 and the number of people with three of these can be counted on your fingers with enough left over to still play euchre. Plus he put his ISU skills to good effect at the Skeet Nationals in 1989 when he won the Doubles event. If I ever get around to publishing my memoirs, the life and times of Alex Crikis will fill a whole chapter. A wonderful character, a great champion and a tremendous competitor who always displayed those two great traits that we should all seek to emulate. Gracious in defeat and humble in victory. RIP Mr Tree Cat!

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

## Dealing with Trauma

This morning I was interviewed on the local ABC radio. This is not rare or new, I have been the resident psychologist for the local ABC Riverina for the past fifteen years. Last Friday the incident at Nice in France occurred. On the weekend was the failed coup in Turkey, The week before was the shooting of police in Dallas, Texas and before that the bombing at Ataturk Airport in Turkey. The

list of traumatic events over the past twelve months is quite substantial and it is likely that by the time this article is published there will be others that will grab the interests of journalists all over the world.

The ABC presenter asked if I would talk about dealing with trauma and how we can support children and teenagers who may be scared or worried about what is happening. This would be an easy task as I several years as a "specialist Counsellor: Dealing with Trauma" with the NSW Department of Education. Schools are affected by trauma and the department has supported students and staff when school communities have been impacted by trauma.

According to the Australian Psychological Society, potentially traumatic events are powerful and upsetting incidents that intrude into daily life. They are usually defined as experiences which are life threatening, or where there is a significant threat to one's physical or psychological wellbeing.

The same event may have little impact on one person but cause severe distress in another individual. The impact that an event has may be related to the person's mental and physical health, level of available support at the time of the event, and past experience and coping skills.

Situations and events that can lead a person to experience psychological trauma include:

- Acts of violence such as an armed robbery, war or terrorism
- Natural disasters such as bushfire, earthquake or floods
- Interpersonal violence such as rape, child abuse, or suicide of a family member or friend
- Involvement in a serious motor vehicle or workplace accident.

Other less severe but still stressful situations can also trigger traumatic reactions in some people.

Traumatic events have three factors that impact on our ability to cope.

*Firstly, they challenge our sense of justice.* This cannot be fair, why is this happening to me, how will my life ever be the same? Those of us watching the planes crash into the Twin Towers or the footage of the Nice attack, have a sense that it is not fair to the people experiencing the trauma as we know their lives will be impacted on forever.

*Secondly, the events expose our own vulnerability.* When we see death and dying all around us, and the media is very good at portraying what has happened, we are reminded that we are all mortal and that we will all die sometime.

*Finally, the events are so out of the ordinary that they overwhelm us.* It is what we talk to our family and friends about and what we also freely talk to strangers about as well. This overwhelming events binds us all together.

After the events we experience a range of short-term psychological impacts. Again the Australian Psychological Society, tip sheet indicates that many people have strong emotional or physical reactions following experience of a traumatic event. For most, these reactions subside over a few days or weeks. For some, the symptoms may last longer and be more severe. This may be due to several factors such as the nature of the traumatic event, the level of available support, previous and current life stress, personality, and coping resources.

Symptoms of trauma can be described as physical, cognitive (thinking), behavioural (things we do) and emotional.

- Physical**
- Excessive alertness, on the look-out for signs of danger
  - Easily startled

- Fatigue/exhaustion
  - Disturbed sleep
  - General aches and pains
- Cognitive (thinking)**
- Intrusive thoughts and memories of the event
  - Visual images of the event
  - Nightmares
  - Poor concentration and memory
  - Disorientation
  - Confusion
- Behavioural**
- Avoidance of places or activities that are reminders of the event
  - Social withdrawal and isolation
  - Loss of interest in normal activities
- Emotional**
- Fear
  - Numbness and detachment
  - Depression
  - Guilt
  - Anger and irritability
  - Anxiety and panic

As long as they are not too severe or last for too long, the symptoms described above are normal reactions to trauma. It must be realised that following our exposure to trauma, **the way we are acting, thinking and feeling is a natural response to an abnormal event.** Although these symptoms can be distressing, they will settle quickly in most people. They are part of the natural healing process of adjusting to a very powerful event, making some sense out of what happened, and putting it into perspective. With understanding and support from family, friends and colleagues the stress symptoms usually resolve more rapidly. We need to understand that what we are going through is similar to what most others are going through as well. Our feelings and thoughts need to be normalised, legitimised and validated.

There are several things you can do to look after yourself and promote recovery from a traumatic event or situation. The following points provide some general advice.

- Recognise that you have been through a distressing experience and give yourself permission to experience some reaction to it. Don't be angry with yourself for being upset.
- Remind yourself that you are not abnormal and that you can and are coping.
- Avoid overuse of alcohol or other drugs to cope.
- Avoid making any major decisions or big life changes.
- Do not try to block out thoughts of what has happened. Gradually confronting what has happened will assist in coming to terms with the traumatic experience.
- Don't 'bottle up' your feelings - share your experiences with others when opportunities arise. This may feel uncomfortable at times, but talking to understanding people that you trust is helpful in dealing with trauma.
- Try to maintain a normal routine. Keep busy and structure your day.
- Make sure you do not unnecessarily avoid certain activities or places.
- Allow yourself time to rest if you are feeling tired, and remember that regular exercise is important.
- Let your friends and family know of your needs. Help them to help you by letting them know when you are tired, need time out, or need a chance to talk or just be with someone.
- Make time to practise relaxation. You can use a formal technique such as progressive muscle relaxation, or just make time to absorb yourself in a relaxing activity such as gardening or listening to music. This will help your body and nervous system to settle and readjust.
- If the trauma that you experience stirs up other memories or feelings from a past unrelated stressful occurrence, or even childhood experiences, try not to let the memories all blur together. Keep the memories separate and deal with them separately.
- Express your feelings as they arise. Whether you discuss them with someone else or write them down in a diary, expressing feelings in some way often helps the healing process.

ACTA News

8 July 2016

Sir,

I have been stewing about the changes to the shooting rules which were introduced at the beginning of the year and for the first time in my life have decided to write a letter about it. In particular the change to the grading system where a shooter can now only go down one grade in his shooting life. In the 6 months since I became aware of this I have not been able to find anyone that has any idea why it has been changed and what benefit it has to the sport. With such a massive change to the grading system why was there no consultation with the wider membership?

Consider this scenario, a shooter has been participating in Clay Target shooting since he was old enough to hold a gun and is now approaching senior years. During his 40 or 50 odd years of shooting in C & B grades everything comes together over a 6 month period, he gains his first break badges, jumps up quickly through the grades to AA due to some long shoot-offs and now the lowest he can go is A grade. With approaching years, the joints ache, the sight fades and the reflexes are slowing. He now shoots average to poor C grade scores but the new stupid grading system locks him into A grade. He is not super competitive but used to enjoy going to shoots with the knowledge he may have some chance to win something. Now he knows he has no chance of being competitive against A grade shooters and is wasting his time & money. Very soon this once 'supporter of small clubs' will be so annoyed with the system he will say good bye to the clay target sport and spend his money in another shooting discipline. By the way, this is not a fictitious story, I know this person.

The grading system was introduced so shooters of similar ability could compete with each other but this is now a thing of the past. The sport is not attracting many young shooters so the older shooters are the life blood of the sport. Why have our rule makers decided to push the older shooters out by making the sport less attractive for them? Has the Association been infiltrated by the anti-gun lobby to kill off the sport or do they think

if the older shooter is discriminated against they will leave and make it more attractive for the younger generation. All they will do is bankrupt the smaller clubs and make larger clubs smaller.

Cheers, Paul McKendrick

## EDITORS REPLY

The Rule you are referring to, namely 2.01 (i) was specifically re-introduced into our rule book this year, hopefully to essentially assist the shooter who you mention in your letter and others who are in a similar situation.

My electronic records at hand only go back to 2006, but up to and including 2008, the rule where you could only be downgraded AA to A and A to B was certainly in place. This portion of the rule was removed in the 2009 edition of the Rule book with the aim of more easily adjusting the grading of shooters who found themselves in similar circumstances to those you describe. Unfortunately not only did it let genuine shooters transverse back to lower grades it also assisted some of the not so genuine competitors to move back to B and C grade and shall we say, grade-rob.

At the National Rules Supervisors' meeting in 2015, it had become quite evident that we needed to re-introduce the rule, with several States asking for its re-introduction. The decision was unanimous.

To enable the genuine disadvantaged shooter to move back to a lower grade, Rule 2.4(g) should be applied.

## 2.04 ADJUSTMENTS

- (g) Club Management, Rule Supervisors, State or Zone Handicappers or a member of the ACTA Executive Committee have the right to re-handicap or re-grade any obviously under-handicapped or over-handicapped, under-graded or over-graded shooter immediately. The Association is to be notified within 14 days with the reason given on a handicap return form.

Any genuinely disadvantaged shooter can move outside the general downgrading rule, they simply need to see any of the authorities listed in the Rule 2.4(g) above.

You should also note that the date for "Highest Grade Achieved" has been re-set as January 1st 2016. This was established so that overzealous club handicappers who remembered someone, perhaps in the position of the person you describe, having at one time been in AA or A grade and applying the rule.

# 34th Anniversary for Monarto

## MONARTO CLAY TARGET CLUB MARCH 18 – 20, 2016

I can't remember a time over the past 34 years when our club hasn't been ready for a major shoot. Club members had worked feverishly over the past three months, insulating and then finishing off the lining of the clubhouse in preparation for our 3-day Anniversary shoot.

The traps had recently been fully serviced, clubhouse finished, and grounds well-manicured; we were certainly ready for a big weekend. Even the humid Darwin-type weather over the past week had gone, and the forecast for the weekend was set out as three brilliant days of perfect shooting conditions around 26°C. Someone, it seemed, was smiling down on us, or so we thought, until the weather changed and in came the gusty cold winds from the south, blowing into the faces of the shooters.

We were already facing several major hurdles before we had even started; the opening of duck shooting season had been changed from the previous weekend to clash with our shoot, and a second club had been permitted to use the same weekend as their birthday shoot.

That hurdle grew bigger as the weekend progressed with unknown drops in power (not allowing the traps to work properly), and an horrific number of broken clays as they were thrown. With 10 caravans of people camping on the grounds (the most we have ever had), was this contributing to our problem? Chaos reigned, and President John (ready to tear what little hair he has on his head, out), trap mechanics and council members of SACTA who were present, tried in vain to nut out the problems. Questions were asked and comments were heard: "Is it the traps?" or "Is it a problem of a dodgy batch of clay targets?" Sadly, the talk flowed; even when they could see that all was being done that could possibly be done. At times everything would work well, and then we would once more find ourselves up that proverbial creek, without a paddle. This had certainly not been on our agenda for the weekend.

It is hard to be optimistic in the face of adversity, but Ruth in the canteen did her best by plying shooters with free nibbles while traps were being sorted. Had we rolled all of the hiccups together from the past 34 years, they would not come close to those we suffered over the three days of competition on our Anniversary shoot.

Of course our numbers were down from that of previous years owing to the events already mentioned, but we carried on regardless. Thirty shooters competed for the two events on Friday, forty-three on Saturday and fifty-three turned up for Sunday's competition (including a couple of

duck shooters, one of whom took out the major event for the weekend).

To me, there were three major highlights over the three days of competition. Two of them came from our junior shooters. The first came when Antonia Loizos, shooting from 17 metres, won the 25 tgt Anniversary Handicap: the second, when 12 year old Molly Bretag held her composure having already shot through the hiccups of the weekend, and came in with a creditable score of 130/150 in the 50 tgt Points Score (where many more experienced and senior shooters fell by the wayside); and the final one was when duck shooter and retired Judge and SACTA Patron, Kelvyn Prescott with a 149/150, competing in the final squad for the day, won the Graham Michell Memorial perpetual trophy shot for in conjunction with the 50 tgt Points Score.

Deb McPherson  
OA DR Champion

Competition began on Friday afternoon with event 1: 20 pr Double Rise Championship. Overall and A grade went to Deb McPherson on 32/40. AA grade went to Fred Keen on 38/50, B grade to Rex Perry on 23/40 and C grade was taken out by Evan Gunby on 25/40.

A barbecue tea was followed by event 2: 20 pr Commonwealth Night Deauville Doubles. Wally Clarke and Des Mills went out to shoot off for

D. Mills and W. Clarke winners of Commonwealth Night Deauville Doubles

first place along with Richard Wheaton and Greg Ferguson who had tied on 17/20. A mix-up between the competitors in the shoot off saw it go to second targets for both pair, Wally Clarke and Des Mills taking the honours with a score of 18/22.

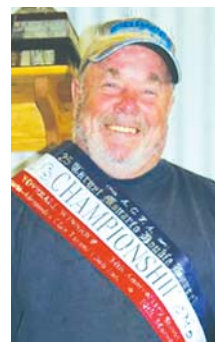

Saturday 19th March: An overcast sky, with less wind than that experienced on Friday, saw shooters lining up for the 3rd event:

Antonia Loizos winner of the Anniversary Handicap

Rito Borzillo  
OA SB Champion

Bob Cook  
OA DB Champion

Michael Veenstra  
OA MT Champion and winner of Clem Thomas Memorial Perpetual Trophy

25 tgt Anniversary Handicap. Junior shooter Antonia Loizos took out the event with her score of 24/25 (17 metres). Wally Clarke took 2nd place with his 25/27 (19 metres), 3rd place went to N.J. Dreyer with 24/27 (17 metres), 4th position went to Max Pontifex on 37/40 (20 metres) and 5th went to Vince Petraccaro on 34/38 (17 metres).

Event 4: 25 tgt Single Barrel Championship was taken out by Rito Borzillo with his score of 28/29. Other grade winners were Phil Mules on 24/25, Max Leaford on 22/25 and Kevin Redford with his score of 18/25.

The final event for Day 2, event 5, the 25 tgt Double Barrel Championship saw Overall winner Bob Cook take the honours with his score of 38/38. John Byrnes took out A grade, Vince Petraccaro 32/33 took B grade and C grade went to Trevor Smart on 23/27.

A perfectly clear, still morning for Sunday had hopes high amongst club members, but it was not to be.

Event 6 for the weekend's events, the 30 Mixed tgt Championship saw Michael Veenstra take out the championship with his score of 123/124. Kelvyn Prescott took out A grade with 48/50,

Barrie Arnott won B grade on 48/50 and Trevor Smart won C grade with his 42/50. Michael Veenstra automatically won the Clem Thomas Memorial Perpetual Trophy on that event.

The final event, the 50 tgt Points Score Championship was won by Kelvyn Prescott with his score of 149/150. Two shooters sitting on 147/150 had been sweating off in the clubhouse only to find Kelvyn, in the last squad, pipped them at the post. Rob Clark then took out AA grade after a shoot off with his score of 171/174, Rob Frocione won B grade on a 137/150 and Veteran Rocco Spinella took out C grade with his score of 134/150.

Shot in conjunction with the final event was the Graham Michell Memorial. Kelvyn Prescott was the happy winner.

The Patchewollock Gun Club's inaugural two day shoot last weekend was hugely successful with almost 130 shooters vying for large amounts of cash and prizes which were made possible by the generous sponsors.

The weekend kicked off with 30 shooters practising for the first time under the club's new lights, followed by the 50 tgt medley cash divide event. A bbq tea was enjoyed by all, and there were plenty of remarks about the great visibility of the orange clays shining under the new lights.

Practise was from 8am, and event 1 kicked off by 9. The day was perfect once the frost lifted, and an amazing 57 shooters took aim in hopes of winning one of the great prizes which included cash, ammo or

the High Gun which was a 40 litre Engel. Spectators gathered and it was a real treat to see several ex-Australian shooters competing in their green 'n' gold vests. Shooting paused at lunch time for a quick speech from local member for Mallee Peter Crisp, who officially opened the new two trap layout. President Ryan Scott thanked Peter and the Government for the recently received Sports and Recreation grant that enabled the gun club to move and upgrade the facilities at the golf/gun club rooms. He also thanked the committee and volunteers and local business that contributed

in-kind. Shooting resumed with both new layouts running smoothly with a great double shoot off to finish the day. With presentations complete, shooters, spectators and their families were treated to a delicious meal of homemade pasta and meatballs.
