## K-80 PRO SPORTER

There's a good reason why the K-80 Pro Sporter is a shotgun legend. It's a combination of everything that makes that crucial difference in competitive shooting. The raised and adjustable floating rib, provides a significantly broader field of view. The adjustable stock allows individual fitment, merging shooter and shotgun into one. With a 10 year warranty and legendary reliability, it will still be wearing in when the others are worn out!

## World DTL and Nationals

The 13th ICTSF World DTL Championship field of 800 now has about 12 spots available following some spots being held for ICTSF member countries teams not being filled and a few late withdrawals. The National DB, SB, and Pts are all full with

waiting lists but some spots will become available with teams spots still being held for Tasmania and South Australia. Many of these team members will have already nominated and there are always some late withdrawals. Visitors are welcome to attend the event, especially the final on the 27th March, or attend some of the functions being held during the Nationals and the World and visit our sponsors and exhibitors on site at your National Grounds.

## SportsPass

Shooters registering for 2018 will receive an offer from SportsPass of a DIGITAL Rewards card, providing the ACTA has your email address. A digital card is able to be stored on your mobile, without the need for yet another plastic card in your wallet. Many members have provided their email address to their club but it has not been passed onto the ACTA. If you have registered with the ACTA for 2018 and not received an invitation from SportsPass please contact the National Office.

## National Ground

Work continues on the grounds with all shooting facilities required for the World DTL completed. Progress is also being made on the ACTA Conference Centre. Internal walls are now being fitted and sheeted and the roofing iron is onsite and going on this week. It is expected the building will be lock-up before Christmas, quite an achievement. Air-conditioning units and ducting and cool room materials are also now onsite.

"All hands on deck" as internal walls are constructed with the final structural steel in place

## Hall of Fame – Supporters

I would encourage any interested parties to become a supporter of this very worthy cause. Whilst the government funding towards the Conference Centre has provided the area for the Hall of Fame it has not covered any fitout.

The proposal is to decorate the area with a large scale mural depicting the sports progress through the decades set high on the entry hallway wall. Under this will be electronic displays with inductees photos and a piece on their life story. Free standing cases will showcase such items as the Mackintosh trophy. Any support from inductees, their families, shooters, clubs, states or sponsors would be welcomed and gratefully accepted and acknowledged in this magazine.

## Why is it so?

Many of us are at the age where we would remember Professor Julius Sumner Miller and his science show, Why is it so? I intend to provide a similar type of thing through this column from time to time to explain why some things are the way they are. This month with the World DTL coming to town I thought it appropriate to address the question I keep getting, of why do we have a field of only 720 in the Nationals and yet 800 in the World. The World is shot 100 target points each day over two days with 50 target points on the last day and then the top 50 shoot another 50 target points. After 300 target points, shoot offs on the last day are minimal. Team scores are finalised after the first 200 targets of the event. Therefore apart from team ties that may be shot off at the conclusion of day 2 there are no shoot offs each day, and no presentations. Looking at our Nationals we have 100 targets on some days followed by shoot-offs and then presentations daily. The DB day of 50 targets is followed by an exhaustive shoot-off which may not even end on the day. History has shown that we can only handle 6 waves of 100 targets with 6 in a squad on a day where we intend to conclude the event and have presentations. History has also shown that at a World DTL it is possible to host 8 waves a day shooting 5 per lane and thus 20 traps caters for 800 shooters.

## Off Season

I hope you have all enjoyed the festive season and now look forward to returning and taking part in this great sport of ours. At your earliest opportunity why not take the time to thank some of the volunteers that administer your club, look after your grounds, do the banking etc.

From the trappers to the ladies in the kitchen, they all deserve thanks.

What about those at zone and state level, don't forget them.

*Robert Nugent*

# Executive Officer's Report

The ACTA Executive has been discussing the ongoing membership dilemma that exists in every sport I have ever known. How do we get more members, is it by lowering cost and expectation or is it by continuing to uphold the tradition and integrity of the sport.

Clubs are administered by voluntary executive committees, this goes for the great percentage of sports conducted in Australia at club level, regional and zone/district sports are similar, they are conducted by volunteers, some are lucky enough to get a travel allowance. States in most sports have paid staff, and that varies from main stream sports such as the football sports, cricket etc and to a certain extent basketball, netball etc. Our "niche" market sports such as shooting, water polo, diving and the like are conducted by volunteers and partially "paid" staff. Staff are paid anywhere between full time to "honorarium" based, there are many versions in between. Some State organisations have office and development staff, these are the mainstream sports with substantial financial backing, sponsorship and resources.

Mainstream National sports again have huge budgets, development staff, administrators, coaching and development managers, refereeing/umpiring directors. They also have broadcast rights, income from event ticket sales, and major sponsorships. "Niche" sports, bowls, waterpolo, shooting, archery, athletics etc struggle to have these resources simply because they do not have the income.

So how do we compete??? It comes back to grass roots, where every club is administered and coached, refereed and umpired, mainly by volunteers.

A major administrator in the Wagga Wagga sporting landscape was once asked on radio why there were so many "champions" from many sports coming out of Wagga. His answer stunned me "there is something in the water" was his reply.

The fact is that no matter what sport you wish to play in this era there is an opportunity for you to get into the sport and to the highest level. This is because of one particular factor, "VOLUNTEER PASSION", we have coaches and administrators with a passion for the sport they love, I have seen coaches involved in many sports for over 50 years. They still have the drive and passion to deliver their sport to the next generation and the generation after that. They continually give their time and their expertise to the sport, many at their own cost.

The volunteer coaches and administrators who make it happen on the ground at club level is the way the ACTA and the sport of clay target

shooting are the way forward. These people are the ones paving the way for the growth of the sport. The ACTA has introduced a number of initiatives in recent times to give members "value" including gun insurance and Sportspass membership.

The ACTA also has 3 full teams representing the Association at the 13th ICTSF World DTL Championships at the National ground in March. These ladies and gents will have opportunity to compete for their Country on our home turf. The National Ground will host the event for the second time with a capacity field of 800 over the three days. To all of these and other members who have entered good luck, it would be nice to be on the podium for all of the Individual and team events over the Championships. We look forward to welcoming ICTSF member countries, England, Ireland, Northern Ireland, Scotland, French Polynesia, South Africa and our nearest neighbours New Zealand to Wagga Wagga to compete in the teams events as well as the individual events. We also have visitors from Fiji, the USA and Samoa. This will be an international event to be enjoyed.

The next magazine will have a timetable of events and the operation of the Club dining and bar facilities. The new clubhouse will provide a selection of specialty nights as well as a blackboard selection of meals. The club will be open from 7.30am for morning breakfast options and coffee. The lunch menu will commence at 11.30 whilst the bar will open at 11.30 for those who finish early or are spectators at the event. We will be advertising through the local media for the general public to come and watch and stay and enjoy the facility with a meal and drinks during the day.

**October 2 – 3, 2017**

The 38th Anniversary shoot was held over the 28th-29th of October with a great roll up of 50 shooters. Competitors came from surrounding clubs of Brewarrina, Warren, Cobar, Goolma and Narromine, with locals making up the number. A big thank you to the Cunnamulla team for making the long journey, as well as to Cliff and Helen Overton from Tamworth.

As usual the kitchen ladies excelled, and thanks to all of the other people who stepped forward when needed. The weather was kind which made for a great two days of competition.

# AUSSIE SKEET TEAM RETAINS THE GLENN TROPHY

***The Glenn Trophy skeet teams match between Australia and New Zealand carries with it a significant amount of prestige and healthy rivalry between the two countries.***

In 2017 the teams match was held at the Canterbury Gun Club in Christchurch New Zealand.

The Australian Team selection occurred at this year's Skeet Nationals at Wagga in May and was selected over 250 targets. There were very strong scores shot by the skeet shooters and of note the last place in the team was shot for on 248/250.

The travelling Australian Team was Michael Buttigieg, David O'Sullivan, Mal Briggs, Nathan Campbell and Max Oakley.

The NZ team members were Shane Quinn, Steve Cooper, John Tonkin, Ray Everett and Mike Sime.

The match was held on the Thursday afternoon of the NZ Skeet Nationals after the doubles event and both teams from Australia and New Zealand lined up for team photographs before the shooting started and looked very professional in the Team attire from both Nations.

The NZ and Australia team started shooting on separate fields next to each other and a great crowd of onlookers and spectators enjoyed the shooting. The weather conditions were tricky with winds gusting and light changes due to the fast moving weather patterns, the targets were tricky and posed some challenges for the shooters.

After 25 targets were shot the teams transferred onto the alternate ground to ensure parity and at that stage there was no clear winner with both teams down several targets.

Midway through the second box and it was still neck and neck between the two teams and it was exciting to watch the great shooters from both countries giving it all in the match.

After the last target was shot the Australian team were victorious on 242/250 and the NZ team 1 target behind on 241/250.

Both teams should be commended on the professionalism and sportsmanship displayed both on the shooting field and the awards ceremony where gifts from both countries were exchanged.

The Australian team were victorious and we are looking forward to the next rematch of this prestigious event.

# Harry Nolan Memorial Shoot

**The Forest Clay Target Club  
November 2017**

On Sunday the 19th of November 2016, The Forest Clay Target Club held their annual Harry Nolan Memorial shoot, with 42 shooters from various clubs around NSW. The weather was perfect, sunny with a very light breeze keeping things very pleasant.

*All the Grade Winners*

The shoot kicked off at approx 10.10am, with 7 full squads over 3 traps the day was always going to run smoothly. There was some outstanding shooting and it again turned out a great social event with shooters coming together to support a great charity event.

The grounds are in great shape and overall looking great. The committee and members have put considerable time over the past few months to get The Forest CTC grounds in the shape that they are in. Catering for the event was organised by our now famous chef Nicholas Curtis, serving up a great BBQ lunch and with assistance from Debbie Curtis and Beverley Varoutsos the canteen worked faultlessly.

The Nolan family excelled themselves yet again, with a basket of homemade goodies for each winner in each grade, also a big thank you to the Haynes Family who also put up the Bronze Wing shells for the prizes. A big thumbs up to Gemini traps for again working faultlessly throughout the day, as

they always do and to Arthur Welsh for keeping them in top working order.

On behalf of The Forest CTC we thank all those people who helped make this shoot possible, thanks again to our sponsors on the day, and especially The Haynes Family, Harry Nolan was Pat Haynes's, our Vice President's Grandfather and a founding member of the club in its current location.

Also, a big thank you to Nadia Haynes, the newest member of the Haynes family, and Pat's wife, as well as the newest member to the Club. Nadia also took over the photo duties this year and did an excellent job, so good in fact that Nadia is now our new media and promotion person, well done Nadia.

Thanks to all the shooters, without you this event would not happen year after year, it was also great to see Johnny Crompton back at this year's event, this time last year he was still recovering from surgery.

A number of shooters came out hot in the first couple of rounds, only to fall away at the end, but not Louis Galea who was the only one with a 100/100 for the day, well done Louis you are going from strength to strength.

Results for 100 Tgt DB: Overall Winner Louis Galea, 1st AA Tony Arvanitakis 99/100, 2nd AA John Koolbanis 97/100, 3rd AA John Maxwell 97/100, 1st A Jean Moussalem 98/100, 2nd A Victor Marinos 97/100, 3rd A Ted Axiak 96/100, 1st B Anthony Azzopardi 94/100, 2nd B Ron Bou-Moussa 87/100, 3rd B Karren Berry 86/100, 1st C Katharyn Chetcuti 87/100, 2nd C Greg Glasgow 84/100, 3rd C Pierre Andary 77/100.

# ACTA Shooting Rules 2018

The 2018 revised edition of the ACTA Shooting Rules – Trap, Skeet and Sporting has now been placed on the ACTA website for downloading by members. All clubs should now be using these new Rules.

Club management and competitors alike are encouraged to download the new rules and be aware of the changes. Ignorance of a rule is no excuse for not having it applied. All changes are clearly identified in **RED** type.

As I noted in the December CTSN, that whilst some changes throughout the book are minor there are a few which deserve specific mention.

Club management should be aware of, for example, the new Trap 2.01, Skeet 6.01 and Sporting 10.01 Rules which set out the new procedure for grading and handicapping new shooters, or shooters returning to the ACTA after a break in membership.

Handicappers will note a specific change relating to score percentages that will affect the way they transpose scores from the double barrel column with targets from the single barrel/continental column in the Trap section of the Record Card. See Rule 2.01h.

Shooters should also note the new rules relating to sighter targets at the start of each day. This effects both Trap and Skeet, see Mandatory Rules 5 in both disciplines.

Sporting shooters should be aware of the new rules 9.04 f & g relating to the shooting of doubles targets.

There are also additional rules relating to optical sights, a description of what will be considered a military styled firearm and release trigger guns. The deauville doubles shoot-off rule has also changed.

Jim Shepherd  
ACTA National Rules Supervisor

# 2017 Victorian State Universal Trench

**Frankston Australian Clay Target Club  
November 2017**

*In June pre-nominations opened. By July pre-nominations were at capacity with a growing waiting list! All for the 2017 Victorian State Universal Trench Title to be held at Frankston Australian Clay Target Club (FACTC) 25 and 26 November. An event at capacity within a few weeks and also four months out from the event. With 96 shooters entered, and representation from every Australian State and Territory except for the Northern Territory, the event was forecast to be a huge success in what would be the first round of selections for the Australian 2018 Universal Trench World Championships Team, with this event to be held in Hungary*

Winchester Australia sponsored the State Title in what became a 150 target event as opposed to a 200 target event to get through the 16 squads of shooters utilising two Universal Trench layouts. Melbourne turned on its usual four seasons in

one hour with the weather Gods only producing a few short but heavy showers and not effecting the smooth running of competition over the two days.

A whopping \$7600 was contributed to the Team fund with an additional \$800 being donated by FACTC through the proceeds of a raffle and a dinner held on the Saturday evening. A great start to the selection rounds.

Competition was fierce with 16 shooters shooting 140 or above.

Vincent Mollica and Daniel Di Pietro both finished on 147/150 and entered a shoot off for Overall and 1st in AA. Vincent shot 23/25 and one target behind Daniel and took AA with Daniel claiming the Overall with 147/150 + 24/25. Second in AA went to Jeffrey Tonna with 145/150. Also shooting a 145/150 was Thomas Armstrong who took out 1st in A as well as Juniors.

B Grade C Edwards

C Grade J Patterson

2nd in A Grade went to Nathan Argiro, one target behind Thomas, on 144/150. Cody Edwards won B Grade with 137/150 and Damien Hutchins and Gavin Jayasekera both finished on 136/150 with Gavin missing his first target in the shoot off to give Damien 2nd. 1st in C Grade went to James Patterson with 134/150 and splitting 2nd with 129/150 was Michelle Boase, Harrison Lee and Adam Scott. Michelle also took out the Ladies. Veterans went to Phil Matthews with a score of 143/150, narrowly missing out on the A Grade win also.

A big thank you to Craig Henwood and Jeffrey Tonna who put a lot of time and effort in the Universal Trench Series together with their event administrators Claire and Paul Watts. The club rooms were buzzing and the atmosphere was part of what made this State Title such a success.

## Wilkawatt Gun Club Life Membership Trifecta

**On Saturday 9 December the Wilkawatt Gun Club awarded three life memberships to club stalwarts Don Beelitz, Lynn Beelitz and Peter "Rundy" Rundle, all of Lameroo.**

The announcement was made by the Club's Chairperson Anthony Lock at a gathering of thirty members and partners at the Wilkawatt Gun Club's annual Christmas party.

The announcement came as a huge surprise to Don, Lynn and Rundy. The committee made the decision to award the life memberships a few months ago and we managed to keep it under wraps until Saturday night.

Don, Lynn and Rundy are all founding members of the Gun Club and have been involved in various capacities since 1976

The three recipients are the heart and soul of our club and we are grateful for the contribution they have made to the club over the last forty two years.

Prior to this announcement the club has previously only awarded two life memberships to Val Prentice (dec.) and Martin Whelan.

# Psychological Skills for Shooting

MICHAEL KRUGER-DAVIS

## Getting ready for the Nationals and World Championships

The 2018 Nationals and the World Championships are coming up soon.

For most of us, these high-end competitions give us the opportunity to mix it with the best and have a go. They give us experience in high anxiety producing competition, provide us with an opportunity to practice technical and mental skills and make us better club shots when we return to our local competitions.

So what can we do to be prepared? Before and during the competition we need to be mentally tough. The components of mental toughness are:

**Being Competitive.** Being competitive and being in the competition are what counts. Whilst it's good to win, the process of being competitive means that if others want to win then they have to work hard at it.

**Being Confident.** Being confident means that you see yourself as the favourite every time you walk out onto the tracks. This doesn't mean that you see yourself winning overall, but it may mean you see yourself winning your grade or section. Being confident means that you never fall victim to self-defeating thoughts; to be confident you need a can do attitude, a belief that you can handle anything that comes along.

**Being in Control.** To be a successful athlete you need to be able to control your emotions and behaviour; that is, focus on what you can control and don't allow the things that are beyond your control affect you. To be mentally tough you need to be able to maintain poise, concentration and emotional pressure under the greatest of pressures and challenging situations.

**Being Committed.** Mentally tough athletes focus their time and energy on their goals and dreams. Have a vision and set realistic goals to achieve your vision. Be self-directed and motivated towards both the process and the outcomes of your goals and dreams.

**Having Composure.** To be mentally tough you need to be able to stay focused and deal with adversity. Missing a target isn't the worst thing that can ever happen. But if you dwell on it and get angry with yourself then you are changing the focus of your attention and you will miss again and again.

**Having Courage.** Mentally tough athletes need to take risks. Peak performers only win because they're prepared to lose. If you stay with your comfort level you may never get to experience what happens when you are truly "in the zone."

**Being Consistent.** Mentally tough athletes possess an inner strength. They often play their best when they are feeling their worst.

Assuming you are mentally tough or at least have some or all of the above skills, what do you need to do during the competition?

Firstly, the competition may be 250 targets but if you try to concentrate for 250 targets you will be overwhelmed. Break it down. Not to six brackets of 25 targets but 250 lots of 1 target. It is much easier to focus on 1 target. Shoot one target at a time.

Secondly, focus on the process not the product. If you stay focused on the process of shooting each target, the product (your score) will look after itself. Practice mindfulness: be aware of what is happening to you at that moment. Stay in the moment and enjoy the sensory overload: the noise, the smell, the feel of recoil and the sight of the clay breaking.

Next, Focus on what you are doing not the rest of the squad or the rest of the competition.

Fourthly, be aware of your attention and concentration. You cannot attend continually for the complete bracket of 25 targets. Let your attention broaden when you are not shooting and narrow your attention to focus on the target when it is your turn to shoot.

Where possible the next step is to keep your mind quiet. Try to eliminate the self-talk, negative thoughts and beliefs. You need to concentrate on shooting the target and the target itself. It will not help if you are having an internal dialogue inside your head. If you need to keep your mind quiet; try humming. You won't be able to listen to self-talk if your mind is already busy by humming.

The next skill is to stay in the here and now. Don't dwell on past performances or failures and don't develop fears and anxieties by thinking of the future. Keep yourself grounded in the present.

The next important aspect is to remember to breathe. Proper breathing helps relaxation and helps us stay centered. Use the 'Centering' to keep yourself grounded and the 'The Blackbox Technique' to deal with distractions.

The final aspect is to have fun. Shooting is a sport. It is great to win but it is also important to participate. Enjoy the atmosphere, friendships, networking, and most importantly enjoy the shooting.

Good luck and good shooting.

## The Armstrong Auto - Roman Chariot Shoot Rules.

The six events will be conducted and finalised as normal. The High Guns will be finalised as normal. Presentations for the 6 events and High Guns will be conducted in the Hall as normal.

### To shoot for the Mitsubishi 4x4 Twin Cab:

There will be 40 spots. To be considered for a spot You must have entered every event (6) prior to the first event starting. Overall and Grade winners in events 1 to 5 plus first 5 in the Handicap get Automatic entry to the Twin Cab shoot off.

Any shooter so qualified and then qualifying again will be replaced by the next shooter in order in their grade if a graded event or in placing if in the handicap event. Any shooter winning the Overall or any Grade High Gun who has not qualified in an event will get Automatic entry into the Twin Cab shoot-off.

Finally, any remaining spots to make up the Twin Cab shoot off field of 40 will be auctioned. Payment by the winning bidders must be immediate upon the fall of the hammer.

The 40 shooters will then be squadded as follows:

- Squad 1 Overall qualifiers as selected above from events 1 to 5.
- Squad 2 AA Grade qualifiers as selected above from events 1 to 5.
- Squad 3 A Grade qualifiers as selected above from events 1 to 5.
- Squad 4 B Grade qualifiers as selected above from events 1 to 5.
- Squad 5 C Grade qualifiers as selected above from events 1 to 5.
- Squad 6 Handicap qualifiers as selected above from event 6.

Squad 7 & 8 will be filled from the OA and Grade HG winners as selected above who have not already won a spot and then filled in order by the successful bidders for any remaining spots. Squads 1 to 4 will be the first wave. Squads 5 to 8 will be the second wave. Wave 1 will shoot a round of ten targets handicap – miss and out. Wave 2 will follow. Squads will be re-squadded after each 10 targets when possible. Last man standing wins the Twin Cab. The winner will be handicapped two metres and the car presented.

The Lucky Door prize Car will then be drawn. You must have entered all 6 events and be present in person at the draw or it will be redrawn.

As detailed above, to create greater interest, a number of spots for the final will be auctioned. These spots may be bought by individuals or syndicates who can then nominate their shooter who must have contested all 6 events.

However, to ensure that the final is a tense and exciting spectacle worthy of the prize value, it has been decided that once the 40 spots are filled any of the qualifiers colluding to split the car prior to the shoot – offs completion will not be permitted to enter subsequent car shoot events at this club.

*Interpretation of these rules is at the sole discretion of the RCTC Committee.*

# Bendigo Christmas Shoot

## Bendigo Clay Target Club

Deauville Triples shoot off

On Saturday the 16th of December 48 competitors attended the Bendigo Clay Target Club Christmas shoot. The weather was warm, but pleasant, and with the grounds that had been prepared to a first class standard, this added to the great atmosphere for the day. Special thanks going to Matt Applebee for his tractor work and Peter Beaman for his efforts on the rider mower and whipper snipper.

The shooting got underway soon after 10 o'clock with a 25 target Sporting Clays Championship. Two possible's in AA grade saw Craig Stephen and Leigh Roberts shoot off for 1st and 2nd with Craig eventually getting the upper hand to take 1st place. AA Grade C Stephen 1st, L Roberts 2nd and W Kelvy (Wok) 3rd. A Grade N Dean 1st, B Jennings 2nd. B Grade saw our Shoot Marshal B Woolley 1st, J Roberts 2nd and R Dean 3rd while in C Grade, G Welch took 1st, R Cook 2nd and J Cook 3rd.

The next event was a 25 target Double Barrel off 16 Metres. W Kelvy (Wok) decided he would have 1st, the father and daughter team saw Laura Woolley 2nd, outshooting dad Brad Woolley who took 3rd. A Grade W Gibb 1st, R Hosking 2nd and Kiara Dean 3rd. B Grade 1st J Climas, O Boucher 2nd and J Lester 3rd. C Grade L Moran 1st, D Britland 2nd and 3rd going to C Climas.

Half way through the second event shooting was halted and a fine spread

of afternoon tea was had by all.

The last event of the day which all were eagerly waiting to compete in, was the Deauville Triples event. N Dean and C Lanyon took 1st, 2nd went to R Fitzgibbon and K Dean and 3rd to R Dunstan and G Miller.

Our thanks to all who helped tirelessly during the day and leading up to the day making the Christmas shoot such a success. It was also good to see some old shooters and not so old shooters come along and catch up with old friends.

Deauville Triples: Craig Lanyon and Nick Dean

Brendan Moroni

Sporting Clays: Nick Dean, Craig Stephen and Brad Woolley

Double Barrel: Lachlan Moran, James Climas, Warwick Kelvy and Bill Gibbs

# 20th Anniversary Len & Lil Baker Memorial

Kempsey Gun Club

*For the fair weather shooters it would have been an agonising decision whether to shoot, or stay home, as the weather report was for rain, and lots of it. The morning was growing increasingly dark, and by 10.30am, it was flogging down. But as is typical of North Coast weather, it can change within minutes. Thankfully it did clear, though remained threatening further up river as the day progressed, with shooters coming from as far as Newcastle and Dorrigo to contest the Len and Lill Baker Deauville Doubles trophy.*

As always, the grounds were immaculate, and the fall out area looked like a bowling green thanks to the efforts of club President Ted Baker and some of his loyal helpers.

Event 1 for the day was a good starter, with 25tgt DB cash divide, and it was clear a few shooters were already warmed up, with Kerry Miller, Denis Joel, Brad Hooper, Steve Saul, Jamie Griffith and Robert Nock all setting the

benchmark with possibles straight up. It's a challenge to concentrate at Kempsey, as the view from the lanes is grand to say the least, with its panorama way off into the distant hills looking up toward places like Mt Banda Banda and the Great Dividing Range sweeping up towards Dorrigo. For many of us, it's one of the best back grounds to shoot over.

The clouds and wind kept swirling

around, threatening to pour down as showers could be seen not that far away. But it held off for Event 2 25tgt DB Continental. This event certainly favours the taller shooter, as with a bit of breeze about, those low targets were quickly slipping away. John Cunningham and Steve Saul took out AA grade, and Emily Saul took A grade, having got their eye in after the Deauville Doubles and

shot the event clean with 25/25. Col Crighton and Jason Jenkins took B grade with a 23/25, and C grade went to Robyn Jackson with a 22/25.

It is always good to see club members working together to keep things running, and especially great to see young Michael Powick running around

*One of the unique trophies made by Ted Baker*

like a terrier keeping traps filled.

Event 3 being 25tgt Points Score, and with the weather changing again and looking nasty, it was on with the shoot. Kerry Miller again took out AA grade, and Robert Nock in A grade with an impressive 74/75. Brothers, Jason and Darren Jenkins took B and C grade with a 69/75 and 51/75 respectively.

By now, it was afternoon tea time, and with little time to stop for a cuppa and chat (but sometimes you just have to), shooters rushed to get ready for the last event to allow time to sample the delights of the kitchen. Anyone who has enjoyed Kempsey's afternoon tea, knows how hard it is to pick your favourite slice or cheese cake, and in the same tradition as Lillian Baker, granddaughter Kerrie Powick, certainly does Nana proud. Between Robyn and Kerrie, it's hard to find a better cuppa and slice on the eastern seaboard.

Event 4 was the one everyone had been waiting for, the 20 pair Deauville Doubles, named in honour of club life members Len

*L-R: Robyn Baker, 1st place Len & Lill Memorial Kerry Miller, Jamie Griffiths & Ted Baker*

Memorial Prizes

and Lillian Baker. Len, started as a local young lad who used to live for shooting, back in the days when you could catch the North Coast Mail train, with your dogs and gun for a day's duck or quail shooting, out to Collembatti. Len was a dedicated member and influence in the club throughout the years, and when it moved to its current location, he selected the position of one of the layouts. Lillian, or "Lill", would cook up a

storm for the club canteen, making enough cakes and slices to fill the boot of the old Holden they owned. Even in later life, she would still cook and have someone "run these up to the club" every monthly shoot.

As this was the 20yr Anniversary of the shoot, it held a special place for many who gathered for the day. The line was drawn in the sand with Kerry Miller combining with Jamie Griffith to set the perfect 20/20,

but local Steve Saul and John Cunningham were up for the challenge, also posting a possible with 20/20. Brad Hooper and Emily Saul let one slip through to finish 3rd with a 19/20. After a great shoot off, it was Kerry and Jamie pipping Steve and John to finish with an impressive 39/39 pair.

Some fine shooting there all round, and great to see Jamie back at the club enjoying himself and shooting like he hasn't missed a month.

It was good to see President Ted Baker having a shot in this event also, having not had a gun to the shoulder for a while.

With the scores being finalised and book filled in, club members rushed to pack up before the presentation. Fittingly, given the 20th Anniversary of the Baker Memorial, the presentation was done by Club

Len & Lill Memorial 2nd place John Cunningham & Steve Saul

President Ted and Robyn Baker.

High Gun was Kerry Miller, missing only 1 target for the day.

As people were leaving and the final clean up being done, it poured rain maybe Len and Lill were watching over the day.

Many thanks to all those who visited and helped on the day, and we hope to see you all again next year if not before.

Jason Jenkins,  
Len & Lil's Grandson

# WANGARATTA CLAY TARGET CLUB

## Club makes generous donation to Sports Reserve Group

*The Wangaratta Clay Target Club made a generous donation on Tuesday 29th November to Mr Mike Glenister, President of the Committee of Management of the North Wangaratta Sports Recreation Reserve Group, from the proceeds of the club's September Down The Line competition.*

On behalf of the Committee of Management, Mike expressed his thanks and appreciation for the donation from the Clay Target Club. Colin Crittenden from the Clay Target Club and Reserve Committee member presented the cheque accompanied by Marg Pullen, who represents the North Wangaratta community on this committee.

Mike explained the committee of management's intention could potentially be to use these funds for improvement of the existing playground area, possibly including purchase of fencing or contribute towards the cost of an effective shade cloth area. He emphasised that the final decision will be made at a future meeting of the full committee.

# Christmas at Bega

**Bega Gun Club  
December 2017**

*The spirit of Christmas was alive and well at the final shoot for 2017 at the Bega Gun Club's Tarraganda ground.*

*Fine, sunny conditions followed by a little rain failed to dampen the enthusiasm of the 37 locals and visitors who turned up.*

Novelty events were the order of the day as is usual for the Christmas shoot. Ham and chicken prizes provided a major incentive for all to shoot well.

Things began with a 25 target gun down and delayed release event which saw some very interesting efforts. Charlie Smith did well in AA grade, winning with a score of 23/25, with Chris Davis second, 21/25, closely followed by Alf Niesar on 20/25. Craig Field started the day well with a win in A grade on 21/25 closely followed by James Body, 25/30 and Tony Gray 24/30 after James and Tony enjoyed an extra 5 targets in the shoot off. Bert Deacon shot 24/30 after he and Garry Martin finished the main round on 19/25, to place Garry second, 24/30 and Keith Pearce, who also finished on 19, came third 21/28. George Adamopolous collected 20 of his 25 targets to take the C Grade prize with Mich Durnan, 19/25 in second and Brian Moffitt third with 16/25. Certainly a fun way to start the day!

Event two was a mixed bag of 25 targets; 10 single barrel off 13 metres, 10 double barrel off 17 and five points score off 21. In C grade, George Adamopolous took the main prize with a score of 31/35, with Mich Durnan in second, 24/35. Third place went to Christel Feldmann on 23/35. B Grade saw Bert Deacon again claim the first prize with Keith Pearce second and Mark Evans in third. *Invitational HG squad ready to do battle*

Grade was a repeat of the first event with Charlie Smith winning on 34/35, Chris Davis in second 33/35 and Alf Niesar in third 32/35.

Third event was a 25T double barrel stand and sit. On lanes one, three and five the shooter stood to shoot and on two and four they sat on a chair and tried to destroy the target something some managed better than others. In C grade, Christel Feldmann missed the first target and then proceeded to smash the rest. Mich Durnan collected his third second prize with a score of 23/25 and George Toyne rounded up third with 22/25. Bert Deacon made it three for three with a win in B Grade with Mark Evans in second and Garry Martin in third. A Grade saw Craig Field, 29/30, once again in the winner's circle after he and Shane Platts, 28/30, shot an extra five targets. Mick Diss took third with a score of 23/25. In AA Grade, Charlie Smith held on to first place 25/25 with Alf Niesar, 54/55 in second and Chris Davis, 53/55, third.

The final event for the day was the Invitational High Gun. This is shot by High Gun winners from the year's shoots. Five shooters, Chris Davis, Alf Niesar, James Body, Charlie Smith and Phil Body lined up for the decider. Shooting 20 mixed targets, Charlie made life difficult for everyone else by shooting 20/20 to claim the sash for 2017.

Three draws for the shoot raffle saw Chris Brown graciously miss a target and save the treasurer stress. He was followed by Garry Martin who took home a well deserved \$179 for Christmas. Chris finished

# Ladies Day at Frankston Australian CTC

Overall Grade Winners L-R: AA A Kokonis, A O Comelli, B Emily Corbett & C Dakota Suckling

OA Winners L-R 1st B Cole, 2nd G Pistone, 3rd A Preston, Junior J Kent

*Clay Target shooting is one of very few sports that is gender neutral. Balogh, Baynes, Birgan, Coles, Cox, Jones, Lonsdale, Mark, Scanlan, Smith, Shedrina, Skinner some of Australia's finest and most highly skilled Clay Target Shooters who just so happen to be female! No intimidation to compete in a field that has typically been predominately male. And something that is a common driving force for these Ladies ... their ability to be equal in competition and have just as much opportunity to take out the win as the man standing next to her! And they surely do! Times are changing and society is slowly becoming more accepting of women in this sport.*

The Ladies Day held at Frankston Australian Clay Target Club on Saturday 21st October, and in its third year, provided a platform for those who compete, to participate in a Down the Line event dedicated to Ladies. It was an opportunity for those Ladies who do not regularly compete or who are new to competition, a chance to do so in a relaxed and supportive environment. With thanks to the generous sponsors (Spartan Global, Perazzi Australia, SH Shooting, Bronze Wing, Spika, South East Zone and VCTA), \$2500 in cash plus merchandise formed the prize pool for the day.

26 Ladies nominated for the days two events and considering the norm is for two or three Ladies to enter a competition at Club level, this was indeed a decent turnout. Ladies travelled from Mansfield and Morwell to compete, as well as representation from Frankston, Mornington, Melbourne, Metropolitan, and Werribee Clay Target Clubs. Carey Marshall from the MCC Clay Target Club (MCCCTC) had only ever competed in her comfort zone for MCCCTC related Team events. The Ladies Day was the first time in the three years she has been shooting, that Carey entered a non MCCCTC competition. Carey was awarded

an Encouragement Award on the Day as well as 1st in C Grade in one of the events. Laura Hollyoak, a usual Field and Game competitor, was also awarded an Encouragement Award for entering the days events to shoot Birds Only. Laura then stayed on after competition for a further lesson in DTL with the intention to pursue this discipline in the future.

Competition was once again strong and it was rewarding to see so many Ladies place over the two events. Not only was 1st and 2nd in each grade awarded in each event but there was also 1st, 2nd and 3rd Overall across the two events and then Overall in each Grade. The Overall Juniors went to Jasmyn Kent with 79/100, Dakota Suckling took out C Grade with 84/100, Emily Corbett took the Overall in B Grade with 91/100 and Amanda Kokonis took AA with 91/100. After a shoot off with Alexis Preston for 3rd Overall, Olivia Comelli managed A Grade with 102/110 and Alexis taking 3rd with 103/110. With only one target behind the Overall and after taking a 1st and a 2nd across the two individual events, Junior Georgia Pistone took 2nd Overall with 95/100. The big prize for the day, and for the third consecutive year, went to Brittany Cole (MCC CTC) with a score of 96/100.

Some flash targets were thrown during competition with a prize on offer for those who hit one. It was their lucky day for Vicki Stafford, Claire Watts, Charlie Hudson-Czerniecki, Meagan Boast, Brittany Cole, Jennifer Crabbe and Amy Kent who all took home a bottle of Yellow Tail bubbles with thanks to Anna Shedrina and her team.

The Body Shop at Home was also present during the day, thanks to Indi Gladman and Sam Gamlin, and these ladies kindly donated the raffle prizes with Vicki Stafford taking out 1st, Kelly Coogan 2nd and Abbey Coolahan 3rd.

At the conclusion of competition, in excess of 30 Ladies were welcomed to a free "Come and Try" afternoon. The smiles on their faces said it all with some not previously understanding how "easy" it was for women to become involved. The realisation was made that Clay Target Shooting is safe, friendly and readily accessible. Further bookings for private lessons were made and much information given out on how to take up this sport from Firearms Licensing to Club Membership.

Thank you to everyone who supported this day and hopefully over time with some further hard work, and positive promotion, women taking part in competitive Clay Target Shooting will become the norm and socially acceptable.

*Jane Vella, FACTC Secretary*

## Vale

*Rex Northcott*  
2.8.1947 – 3.12.2017

It is with great sadness on behalf of NSWGC and all that knew him especially in his hey-day, the 70's and 80's, the passing of one of my best shooting mates and Deauville Doubles partner, Rex Northcott.

He was a supporter of NSWGC for over 42 years, Club Captain for 12 years, contributing a great deal to the sport we all love.

I would not have enough room to list his achievements, there were so many of them.

Those who knew him will remember that he was never shy using the "F" word which usually went over our heads, but his heart was in the right place. Always on hand to help anyone who needed it.

Rest in Eternal Peace my little mate, I am going to miss you.

*Wal Maryska,*  
Club Captain and Life Member NSWGC
